AGREEMENT

This Agreement by and between the Oakridge Public Schools, hereinafter referred to as the “Board”, “Employer” or “District” and the Oakridge Educational Support Personnel Association, affiliated with the Michigan Education Association, hereinafter referred to as the “Association” or “Union” provides as follows:

ARTICLE I - Recognition

- A. The Board of Education of the Oakridge Public Schools recognizes the Oakridge Educational Support Personnel Association MEA/NEA as the sole collective bargaining representative for all its employees employed as regular part-time and full time maintenance/groundskeeper employees and regular bus drivers working two hours or more per day and food service employees working two hours or more per day excluding all licensed personnel, teachers, custodians, co-op students, part-time and/or seasonal custodial and maintenance employees, Supervisors, substitute employees, and all other employees, in matters affecting wages, hours and working conditions, in accordance with applicable provisions of Act 379 of the Public Acts of 1965, as amended.
- B. The Employer agrees not to negotiate with any other maintenance/groundskeeper, food service or bus drivers' Association as long as the Oakridge Educational Support Personnel Association MEA/NEA is the recognized bargaining agent.
- C. The word "employee," unless the context clearly states otherwise, shall mean a person employed within the bargaining unit as provided in paragraph A.
- D. Regular part time maintenance/groundskeeper employees are defined to mean those employees who are scheduled to work regularly more than twenty (20) hours but less than forty (40) hours per week and/or less than twelve (12) months per year.
- E. This Agreement shall supersede any School District rules, regulations, or practices, which are found to be inconsistent with the specific provisions of this Agreement.

ARTICLE II - Management Rights

- A. The Employer retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the exclusive right:
1. To determine the number, size and location of its facilities and departments, the equipment, machines, technology, material, information, data, systems, supplies and procedures to be utilized in such buildings or branches and to change or discontinue the location or use thereof.
 2. To make all financial decisions including, but not limited to: the setting, fixing, levying, collection and administration and control of all funds; the financing and borrowing of funds; the annexation, consolidation or other reorganization of the District; the right to maintain accounts and financial records.
 3. To determine the organization of management and administration and the selection of employees for promotion to supervisory and other management functions.
- B. Except as expressly restricted by this Agreement, the Employer retains the right to manage the academic and business affairs of the District and to direct the working forces of the District, including, but not limited to, the right:
1. To determine methods and schedules of work, including technological alterations; the transfer or subcontracting of work, locations of work; the procedures and processes to be used.
 2. To determine the basis for selection of employees for hiring and the basis for their retention or dismissal.
 3. To maintain discipline of employees including the right to make reasonable rules and regulations for the purpose of efficiency, safe practice and discipline.
 4. To generally direct the work of the employees, subject to the terms and conditions of this Agreement, including the right to: hire, discharge, suspend or otherwise discipline employees; to assign or transfer them to particular jobs, duties or locations either on a temporary or permanent basis; to determine the amount of work needed and job content; to lay employees off for lack of work or for other proper or legitimate reason; to determine work standards and the quality and quantity of work to be assigned; and to make such studies as it shall require in connection therewith.

The exercise of the foregoing power, rights, authority, duties, and responsibilities of the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE III - Association and Employee Rights

- A. Pursuant to Act 379 of the Public Acts of 1965, as amended, the Employer hereby agrees that every employee of the Employer shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection.

As a duly elected body exercising governmental power under color of law of the State of Michigan, the Employer undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Act 379, that it will not discriminate against any employee with respect to hours, wages, or terms or conditions of employment by reason of his/her membership in the Association or collective professional negotiations with the Employer, or his/her institution of any grievance, complaint or proceeding under this Agreement. It is agreed by the Association that this does not give employees the right to perform duties of the Association during work hours except as otherwise provided herein.

- B. Both parties specifically recognize the right of the other appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency.
- C. No employee shall be prevented from wearing insignia, pins or other identification or membership in the Association, which are in good taste, and are not considered to impair the normal educational climate of the school. Bulletin boards, in the employees' lounge or general offices shall be made available to the Association. The Association or any employee shall conduct no Association business during normal working hours except by permission from the Administration or otherwise provided herein. However, the Association President, Grievance Chair and Chief Negotiator may conduct official business without individual situation permission, provided the activity does not interfere with his/her employment assignment.
- D. The Employer agrees to furnish to the Association in response to reasonable requests from time to time information concerning the financial resources of the district, tentative budgetary requirement and allocations.
- E. Nothing contained herein shall be construed to deny or restrict to any employee rights he/she may have under the Michigan General School Laws.
- F. All employees shall be entitled to full rights of citizenship and no religious or lawful political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such employee, providing that the employee does not use the school to promote his/her religious or political beliefs and the activity is appropriate.
- G. No bargaining unit member shall be disciplined without just cause.
- H. The non-renewal or termination of a probationary employee shall not be subject to Section G above and shall not be subject to the grievance procedure.
- I. If an employee is to be disciplined by an administrator, he/she may have a representative present from the Association. The employee will be notified if the meeting may result in disciplinary action.

- J. Discipline Procedures. The Employer agrees to provide the employee with written notification of a disciplinary document that is to be made a part of the employee's personnel file. In instances where the Employer desires to conduct an investigatory interview with an employee, the employee shall be entitled upon request to have an Association representative present at the interview. A copy of all disciplinary actions involving suspension or discharge will also be provided to the Association, unless the employee requests that the matter be kept confidential.
- K. Freedom of Information Request. The Employer is subject to and will abide by the provisions of the Michigan Freedom of Information Act, PA 442 1976, as amended.
- L. Personnel Files. The Employer is subject to and will abide by the provisions of the Bullard-Plawecki Employee Right to Know Act, Act 397, 1978, as amended. Employees will be required to sign any material of a disciplinary nature or involving complaints against the employee that are to be placed in their personnel file; provided, however, that the refusal of an employee to sign any material shall not prevent its inclusion in the personnel file. An employee's signature on disciplinary material or complaints shall not be interpreted as agreement with the disciplinary action or complaints. A statement to this effect shall precede the employee's signature.
- M. Assaults. An employee who is assaulted while in the performance of assigned duties shall promptly report the assault to the Employer. The Employer shall promptly investigate the incident and render such assistance as necessary under the circumstances, including reporting and cooperating with law enforcement authorities.
- N. Complaints Against Employees. All complaints to be included in the employee's disciplinary file must be in writing. In the event a complaint or charge is made by the person or group, against any employee, the employee shall be given a copy of what is to be included in the employee's file.
- O. A bargaining unit member with or without his/her representative(s) will be allowed to review his/her official personnel file under the supervision of the Superintendent or his/her designee.
- P. Whenever an employee is requested by the Employer to perform duties of the Association during regular school hours, the employee shall be released from regular duties without loss of pay.
- Q. Building Representative's Duties. Duties or activities of the building representative shall not be performed during work hours, except with supervisory approval, including, but not limited to, the following:
1. To attend grievance meetings mutually scheduled to occur during work hours; or as otherwise agreed to in advance by their Supervisor.
 2. The investigation and presentation of grievances according to the grievance procedure established in this Agreement.
 3. The transmission of messages and information, which shall originate with and are authorized by the Local Association or its officers.

- R. Compensation Information. Upon request and during normal business hours, the Association shall have the right to examine time sheets and other records pertaining to the computation of compensation of any employee whose pay is in dispute or any other records of the employer pertaining to specific grievances of employees within the bargaining unit, but this right of examination shall not permit the Association to remove any such time sheets or other records from the Employer's premises. Copies of such records shall be provided to the Association upon request at the Association's expense at the cost to the Employer for labor and copies.
- S. Identification of Association Officers and Representatives. The Employer shall be informed in writing of the names of Association officers and representatives or any changes therein.
- T. Association Information Requests. Upon reasonable written request and unless restricted by law, the Employer shall make available to the Association such information necessary to assist it in the processing of grievances, administration of the Agreement and the negotiation of successors to this Agreement.
- U. Association Business. Other than during scheduled break and lunch periods or with the prior written permission of the Employer, the Association, its representative, including Building Representatives, may not transact Association business on school property during work hours. The Association agrees that such business shall not interfere with the operations of the Employer and the work being performed by the employees.
- V. Use of Employer Facilities and Equipment. The Association shall have the right to use the Employer's premises outside of regular school hours for Association meetings in accordance with the Employer's normal scheduling practices upon advance notice to the Administration. Any use of Employer equipment or supplies shall be upon advance approval of the Employer and reimbursement for costs.
- W. Association Communication. The Association shall have the right to distribute Association material to employees as long as the distribution does not interfere with the operations of the Employer and the work being performed by the employees. This includes the right to place Association communications in designated employee mailboxes, to utilize District e-mail (subject to District's Acceptable Use Policy) and to post notices on bulletin boards in each of the buildings.

ARTICLE IV - Grievance Procedure

A. Definitions:

1. A “grievance” is an alleged violation of the express provisions of this Agreement.
2. The “aggrieved person” is the employee or employees making the claim.
3. The “employee” includes any individual who is a member of the bargaining unit, group or the association covered by this Agreement.
4. A “party of interest” is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
5. The "days" for this article shall exclude Saturdays, Sundays, holidays and days when the District does not normally conduct business.

B. The primary purpose of this procedure is to provide a means for securing, at the lowest level possible, equitable solutions to grievances, which may arise from or bearing on this Agreement.

C. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits in this Grievance Procedure are mandatory but may be extended by mutual consent. Any complaint or grievance not initiated or appealed within the time limits provided, shall be considered as withdrawn. Any grievance not responded to by the Board or its representatives within the time limits provided may be appealed to the next step.

Informal Step

1. An employee(s) having a grievance shall, within ten (10) days from the date on which action or lack thereof gave cause for the grievance, contact the immediate Supervisor, stating that he has a grievance, what the grievance is about and the alleged violation of the Agreement, for mutual consideration of the claim on an informal basis. If the grievance arises in more than one building, the written grievance shall be filed as set forth below. Mutual efforts shall be for solution of the problem.

1st Formal Step (See Grievance Form, Appendix A)

2. Providing the aggrieved employee(s) does not consider the informal grievance under (1) above to be resolved, he/she may file within five (5) days of the informal meeting a formal written grievance with his/her immediate supervisor using Appendix A. Such written grievance shall include pertinent information and follow a format mutually acceptable to the Association and the Board. A copy may be filed with the Association Representative.
3. Within five (5) days of receipt of the written grievance, a representative of the Employer (who will normally be the employee’s immediate Supervisor), will meet with the aggrieved and his/her Association Representative in an effort to resolve the grievance. Within five (5) days of the meeting, the Supervisor shall issue a written disposition.

2nd Formal Step

4. If the grievance remains unresolved, the Association shall have five (5) days after receipt of the immediate Supervisor's disposition to appeal the grievance to the Superintendent in writing who shall have ten (10) days after receipt of the grievance appeal to do one of the following:
 - a. present a written disposition of the grievance to the Association Representative and grievant, or
 - b. present a written notice to the Association Representative and grievant that the grievance will be presented to the Board for investigation or hearing as deemed appropriate by the Board for final determination. The Board's determination shall be made not more than thirty-five (35) days after delivery of notice to the Association that the grievance has been referred to the Board.

5. In the event the disposition of the Superintendent or his/her designee or the Board (as is applicable) is not satisfactory to the Association, then, within thirty (30) days following the date of receipt of the disposition, the Association only, and not an individual employee, may file a demand for arbitration of the dispute with the American Arbitration Association with a copy of the demand delivered to the office of the Superintendent within the same time period, all pursuant to the following rules and conditions. If the Board acts upon a grievance at its July meeting, the Association shall have, upon written advance notice to the Board, forty-five (45) days following the date of receipt of the written disposition in which to demand arbitration according to the procedures described above.
 - a. The grievance shall relate solely to the application and interpretation of the terms and conditions of this Agreement.
 - b. The arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of this Agreement.
 - c. The arbitrator shall have no authority to hear or rule nor will there be any grievance upon any matter pertaining to the following:
 - (i) If the employee or Association has filed a complaint, grievance, or claim with a state or federal agency or legal forum on a matter factually or legally related. It is the parties' intent that there be an election of remedies.
 - (ii) The termination of or decision not to re-employ or decision to continue on probation any probationary employee.
 - (iii) The content of the evaluation of an employee.

6. The decision of the arbitrator, if within the scope of his/her authority as above set forth shall be final and binding.

7. The arbitrator's fee and other expenses of the arbitration shall be shared equally by the parties.

8. Individual employees may not proceed to arbitration, only the Association may arbitrate a grievance.

- D. All preparation, filing, presentation or consideration of grievances will be held at times other than when a bargaining unit member or participating Association representative is to be at his assigned duty station, except as otherwise mutually agreed to the contrary between the Employer and Association. Either party shall be permitted representation of choice in the formal grievance process, including Association or Board representative. The advisability of representatives shall be to serve interests of both parties in an effort to reach an appropriate solution to the problem.
- E. A grievance may be withdrawn at any level.
- F. Decisions rendered at all levels on a formal written grievance shall be recorded in writing and promptly transmitted to parties of interest.
- G. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

ARTICLE V - Seniority

- A. For the purposes of this Agreement there shall be the following departments and classifications within departments (see Appendix B):
1. Maintenance/groundskeeper
 2. Transportation
 3. Food Service
- B. **Definition:** Seniority shall be computed from the most recent date of hire and shall be defined to mean the amount of time continuously employed in a classification and in a department. Time spent on paid leave or on layoff shall not be construed as a break in continuous service.
1. The seniority list shall be compiled in the order of the bargaining unit member with the greatest number of years seniority to the one with the least years of seniority, it shall include members on leave and layoff with such status and effective date of the same.
 2. The District shall prepare and present to the Association a current seniority list of bargaining unit members prior to October 15th of each year. Accompanying the name of each member on the list shall be the date of most recent hire and each member's department and classification. No person other than a member of the bargaining unit shall possess, retain, or accrue seniority within the bargaining unit.
 3. A copy of the posted seniority list and all subsequent updates shall be provided to the Association.
 4. Within 15 days of the posting of the seniority list; objections to the list shall be filed. Thereafter, the list shall be final and conclusive.
- C. **Probationary Period:** New employees hired in a department shall be considered as probationary employees for the first ninety (90) working days of their employment. Administrators may add an additional thirty (30) working days after the employee and steward are notified. Any days missed during the probationary period shall extend the probationary period by that number of days. When an employee completes the probationary period, the employee shall be entered on the seniority list of the department as of the date of hire. There shall be no seniority among probationary employees.
- D. Probationary employees may be discharged, disciplined or laid off for any reason without recourse to the grievance procedure.

- E. **Loss of seniority:** A member of the bargaining unit shall lose his/her seniority for the following reasons only:
1. If he/she quits.
 2. If he/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
 3. If he/she is absent for two (2) consecutive work days without notifying the Employer, except in cases of proven emergency. After such absence, the Employer will send notification by certified mail to the employee at his last known address as shown by his employment records that he has lost seniority, and his employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.
 4. If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made, when mutually agreed upon by the union and the Administration.
 5. If he/she retires.
 6. If he/she is to return from sick leave or a leave of absence and he/she is absent for two (2) consecutive working days without notifying the Employer, except in cases of proven emergency. After such absence, the Employer will send notification by certified mail to the employee at his last known address as shown by his employment records that he has lost seniority, and this employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.
 7. If the employee is laid off for more than one (1) year or the length of the employee's years of seniority whichever is less.
- F. If an employee is hired into another department, any seniority earned in the previous department and classification shall be frozen until such time that the employee should return to that department.

ARTICLE VI - Layoff and Recall Procedures

- A. The word "layoff" means a reduction in the working force.
- B. When a reduction in the working force occurs, employees on probation and then the employee with the least seniority in the job classification affected will be the first to be laid off provided the more senior employee is qualified to perform the duties of the remaining positions as determined by the Employer.
- C. No laid off employees will have any right to claim the job of a less senior employee in another classification unless she/he is qualified for that job and can perform the job satisfactorily as determined by the Employer. The above shall apply to all layoffs other than a temporary reduction in force for no more than three days. For any reduction in force of three (3) days or less the Employer may fill the job affected at its discretion.
- D. When the working force is increased after a layoff, employees will be recalled within the job classification based on qualifications, as determined by the Employer. Notice of recall shall be sent to the employee at his last known address by registered mail or certified mail. The employee shall inform the Administration in writing of his/her intent to return to work within five (5) days from receipt of the notice of recall. If there is not an acceptance in writing of such offer within five (5) days from receipt of the notice of recall the laid off employee shall be terminated.
- E. The employee to be laid off for an indefinite period of time will have seven (7) calendar days notice of layoff. The local Association secretary and council shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.
- F. No hours shall be taken away from a regular bus driver and given to a regular bus driver with lower seniority. Regular runs of any type shall be awarded by seniority, being qualified, and by posting as set forth in this Agreement. (To become qualified a driver must sign up to be a sub on a run longer than theirs at the beginning of the school year and learn the run.)
- G. When a driver's bus run is eliminated he/she may bump a driver employed by the District with less seniority whose length of run is less than or equal to that of the driver whose run was eliminated.
- H. Laid off employees may bump an employee with less seniority in the same classification provided the employee demonstrates the necessary qualifications and ability, as determined by the Employer, in accordance with the job description. If no positions are available in the current classification, the employee may then bump into a lower classification in the same department where her seniority allows, provided the employee demonstrates the necessary qualifications and ability, as determined by the Employer, in accordance with the job description. The employee may not bump or be recalled into a position that results in increased insurance benefits.

ARTICLE VII - Vacancies and Transfers

- A. A vacancy shall be defined as a newly created bargaining unit position or a present bargaining unit position that is not filled that the Board intends on filling.
- B. All job vacancies shall be posted for a period of five (5) working days. The posting shall include the qualifications and background needed.
- C. During the summer months, the Employer will post in the personnel office and on the District's website all vacancies as above described and shall forward copies of vacancies to bargaining unit members who have provided self-addressed stamped envelopes to the Employer.
- D. Any employee may apply for the vacancy by signing the posting or submitting a written application to the Supervisor for an interview. The local president or chief steward may sign on behalf of any employee on vacation or paid sick leave; the officer must also inform the Supervisor in writing that he/she has signed on behalf of any employee.
- E. Vacancies in any classification shall be filled by the most qualified applicant from within the District as determined by the Employer, or if someone from within the District is not considered to be the most qualified as determined by the Employer, then from outside the District as determined by the Employer. If qualifications are determined by the Employer to be equal, the applicant with the most seniority shall be given the position.
- F. The successful applicant shall generally be notified within ten (10) working days following the end of the posting period. At the Employer's discretion, a new assignment may not begin until all vacancies created by the original vacancy have been filled.
- G. An employee who is a successful bidder may not bid on any job for twelve (12) months from the date of the successful bid. For the purpose of this Agreement, the date of the notification of success would be sufficient. The twelve (12) month eligibility clause may be waived by mutual consent of the Association and the Employer.
- H. An employee who has been granted a transfer to a vacancy shall have a trial period in the new position not to exceed thirty (30) work days. If, for any reason, the employee cannot meet the requirements of the new position as determined by the Employer, he/she may return to his/her former position during that period. Trial periods shall not take place during June, July and August. During the trial period, a substitute employee may be hired for vacated positions, or if feasible, the Board may by way of temporary transfer within the department move people up, by mutual agreement, so that a substitute is hired for the lowest classification.
- I. In making temporary assignments in the maintenance/groundskeeper department for the purpose of filling vacancies of employees who are absent more than five (5) consecutive days on vacation, absent because of illness, etc., the Employer will offer the temporary vacancy to the full-time bargaining unit employee who meets the requirements before putting part-time employees in that position.
- J. Vacancies due to absences shall be filled by building seniority first; unless the vacancy is going to be longer than a two (2) week time period, at which time the vacancy would be offered on the seniority rotation in order to temporarily fill the position.

ARTICLE VIII - Working Conditions

- A. The Board of Education will pay for all bus driver physical examinations to the extent of the physical examination required by State law. The examination will be by a licensed physician selected by the District. If the physician examination and medical services go beyond the physical examination needs prescribed by the State, the bus driver will be required to pay for said additional expenses.
- B. The Board of Education may also demand that additional physical examinations be taken during the year. The Board will pay for said medical services to the extent of the request by the Board.
- C. All bus drivers are required to attend school for bus driver training programs which are approved by the Board of Education and/or the State of Michigan. Each driver will be paid his/her regular rate per class hour and mileage at the IRS rate per mile for use of the driver's personal vehicle to and from the meeting place as determined by the Transportation Supervisor. The Board, at its discretion, may provide a school vehicle.
- D. All bus drivers are required to have a valid State of Michigan Commercial Driver's License. The first commercial driver's license is a requirement for the position and shall be paid for by the driver. The Board of Education will pay for renewal of Commercial Driver's License fees.
- E. Whenever new buses are purchased and delivered to the School District, the Transportation Supervisor will meet with the officers of the Bus Drivers Association to determine the assignment of buses to the appropriate drivers. In the event the officers and Supervisor cannot agree upon the assignment of buses, the Superintendent of Schools will make the assignment and his/her decision will be final.

ARTICLE IX - Paid Leaves of Absence

- A. All the full time and regular part-time employees with seniority shall earn sick leave at the rate of one (1) day per full calendar month of paid work. The unused sick leave days can be accumulated to 115 days as of October 1, 2004 for the duration of continuous employment, provided that employees will not be paid for a day of sick leave before they have earned it. Employees with more than 115 accumulated sick days as of October 1, 2004, shall not have those days reduced other than through the use of sick days but shall not be allowed to accumulate days so long as the employee has more than 115 days.

- B. Leave of absence with pay chargeable against the employee's accumulative sick leave will be granted for the following:
1. Personal illness of the employee.
 2. Illness or emergency in the immediate family of the employees (limited to spouse, parent, child or, upon written request of the employee and with approval of the Superintendent in his discretion, someone living in the employee's household) up to five (5) days in a fiscal year. Upon written request of an employee to the Superintendent with an explanation regarding why the employee believes use of additional paid sick leave time is needed, the Superintendent in his discretion may approve up to an additional three (3) of the employee's paid sick leave days for use by the employee. Any such approval by the Superintendent will not constitute a precedent or past practice for any purpose. Employees shall provide a medical statement confirming that the employee is medically needed.
 3. Medical or dental appointments which cannot be taken care of outside of the employee's working hours.
 4. Bereavement
 - (a) A maximum of three (3) consecutive work days not chargeable to sick leave, one of which will be the date of the funeral, with two additional days chargeable to sick leave on request of the employee, for the death of a member of the employee's immediate family or relative who lives in the house of the employee.
 - (b) A maximum of three (3) days for death of a relative.
 - (c) An employee may be given a maximum of three (3) days (chargeable to sick leave) to attend funeral services of a person whose relationship to the employee warrants such attendance. The employee is obligated to get approval of the administration prior to such leave.
 5. Any employee, who is absent because of an injury or illness compensable under the Michigan Workers' Compensation Law, shall have a choice of receiving only the Compensation Insurance payment or the difference between the Compensation payment and his regular salary. If the employee chooses the payment of the difference by the Board, deductions will be made from the employee's accumulative sick leave days at a rate of one fifth (1/5) day for each full day of absence until the accumulative sick leave has been used.
 6. Additional absences, if approved by the Employer, shall result in deduction of pay on a per diem basis including cost of health insurance benefits.
 7. An employee who is going to be absent must notify his/her Supervisor at least one hour before starting time except in case of emergency.

- C. Leaves of absence with pay not chargeable against sick leave shall be granted for the following:
1. The Board agrees that in the event of the death of a school employee, the School should extend the proper expression of sympathy which would include allowing some employees, who so desire, to attend the funeral services providing those services are held locally. Employees requesting such leave shall be required to give at least twenty four hour notice that they would like to attend said service. The Board retains the right to determine the number of employees to be excused.
 2. Absence when an employee is called for jury duty and required by law to serve on a jury, but payment shall be the employee's normal pay less the jury pay excluding reimbursements for travel pay and expense. Employee shall furnish record of jury pay.
 3. Court appearance as a witness in a case connected with the employee's employment by the School, or in support of litigation initiated by the School but not in a case brought by the employee or Association against the Employer if the employee is testifying against the Employer.
 4. Approved visitation at other schools or attendance at educational conference or conventions for which approval has been given in advance by the Board.
 5. Time necessary to take mandatory physical examination as required by law.
 6. Two days may be used for personal business providing that the employee requests such leave at least forty-eight (48) hours in advance. Not more than three (3) employees per department will be allowed to take said business day on same day, and no business day will be granted the day before or the day after a holiday or vacation period unless the employee proves that the business cannot be delayed to some other day. A personal business day can only be used for business that cannot be done at any other time. To use the personal business days, the employee will submit to the Supervisor a personal business day request form with a written explanation for the requested day. Personal business days will not be charged against sick time. If unused, those personal days would become part of the employee's accumulated sick leave. An employee may not take a personal day on a day that is not a scheduled work day.
- D. Definition of terms:

For the 2018-19 school year, the MBPCY shall be July 1, 2018 – June 30, 2019 (12 months) for the purposes of PA 152. The Board will adopt Treasury's 2018 hard caps upon ratification of this contract which will be in effect until June 30, 2019 (12 months). Employee contributions for this MBPCY will be payroll deducted in the following manner:

- Cooks and Bus Drivers will have payroll deductions occur from September 1, 2019 – December 31, 2019 (4 months) in each pay period they receive compensation.

On January 1, 2020, the MBPCY shall be a 12-month period until December 31, 2020 for the purposes of PA 152. The Board will adopt Treasury’s 2020 hard caps on January 1, 2020 which will be in effect until December 31, 2020 (12 months). Employee contributions for this MBPCY will be payroll deducted January 1, 2020 – December 31, 2020 (12 months) in the following manner:

- Maintenance/Groundskeepers will have payroll deductions occur from January 1 – December 31 (12 months) during the first and second pay periods of each month.

The MBPCY shall be a 12-month period for the purposes of PA 152. Employee contributions for a MBPCY will continue to be payroll deducted in the following manner:

Cooks and Bus Drivers will have payroll deductions occur in each pay period they receive compensation from September 1 – December 31 (4 months) which will account for the months of September 1 – December 31 (4 months) they receive insurance.

In the event that this arrangement is found to violate PA 152, bargaining unit employees shall be responsible for all medical benefit plan costs in excess of the Board’s hard cap contribution, which will be obtained through payroll deduction.

2. Sport run rosters shall consist of regular full-time drivers.
3. Regular full-time drivers must sign-up for each sport run roster they choose at the beginning of the school year.
4. Sport run rosters shall be arranged in order of seniority and assignments made, beginning with the most senior driver and in order of seniority from thereon.
5. If a “roster” sport run is turned down, it shall be assigned to the next driver on the “open” sport run rotation list.
 - a. The driver, who turned down the sport run, must wait until the next time his/her name comes up in the seniority rotation to take another trip.
6. Scheduled “roster” sport runs may be traded; the Supervisor must be notified of the trade. However, if a driver already has 40 or more hours of assigned work for the week, the trade shall not result in additional overtime unless otherwise approved by the Supervisor.
7. Sport runs not appearing on the sport run roster may not be traded and are considered “open” sport runs. Open sport runs are by seniority rotation beginning with the most senior driver signed up.
8. New regular full-time drivers will be eligible for sport runs at the beginning of the next season roster.

9. If a driver has been assigned a non-roster sport run and cannot take the run because of illness, he/she must wait until the next time his/her name comes up in the seniority rotation.
10. If an unscheduled or scheduled sport run is cancelled (not to be made up), the driver will take the first available sport run on the next posting, superseding seniority rule.
11. If a driver takes a sport run to a destination (related to a school activity) one day and the return trip is not until the next day or another day, the same driver or drivers shall return to bring the sport run back to the school.
12. Except for an emergency, drivers shall be notified at least twelve (12) hours in advance for a run.
13. Any error in the assignment of trips shall be corrected only through assignment of the next available trip. The affected driver has five (5) working days to inform the Supervisor in writing that an error was made. An error shall supersede a cancelled trip.
14. On the sports run or open sport run roster, if a trade is made or a run is taken and then turned back in at the last minute, for reasons other than a proven medical emergency or death in immediate family, the driver will lose his/her next turn on the open sports run seniority rotation.
15. On overnight sports runs the driver will remain in service until the last location is reached for the evening. The driver shall go back in service beginning with the time preceding the leave that it takes to pre-trip the vehicle until the event reaches the home location.
16. When no drivers are available due to a conflict with regular runs and special education runs, the Supervisor may utilize a substitute driver to transport a sport team to an event.

Field Trip and Shuttle Procedure

Subject to Article X – Working Hours:

1. Field trips and shuttles shall be announced each week by the Supervisor.
2. Meetings will be held on the first day of a work week for drivers to select posted field trips and shuttles for the following work week.
3. Bargaining unit drivers may bid on Field Trips and Shuttles until the point at which a bid puts their accumulated hours (including Regular Runs, Special Education Runs, and/or Sport Runs) for the week at or above 40 assigned work hours for the week. After this point, a bargaining unit driver shall be frozen from bidding on Field Trips and Shuttles. Each week the seniority rotation begins where the prior week left off.
4. If a field trip or shuttle is turned in, it shall be offered to the next driver on the seniority rotation list.
 - a. The driver who turned in the field trip or shuttle must wait until the next time his/her name comes up in the seniority rotation.
 - b. If a driver turns in a field trip or shuttle with less than 24 hours' notice, for reasons other than a proven emergency or death in immediate family, the driver will lose his/her next selection opportunity on the seniority rotation.
5. If a driver takes a field trip or shuttle to a destination one day and the return is not until the next day or another day, the same driver shall return to bring the field trip or shuttle back to the school.
6. Except for an emergency, drivers shall be notified at least twelve (12) hours in advance for a field trip or shuttle.
7. Any error in the assignment of a field trip or shuttle shall be corrected only through assignment of the next available field trip or shuttle. The affected driver has five (5) working days to inform the Supervisor in writing that an alleged error was made. An error shall supersede an "open" field trip or shuttle.

8. On overnight field trips, the driver will remain in service until the last location is reached for the evening. The driver shall go back in service beginning with the time preceding the leave that it takes to pre-trip the vehicle until the event reaches the home location.
9. Under extenuating circumstances, as determined by the District, when a field trip or shuttle conflicts with regular runs and/or special education runs, the Supervisor may utilize any driver at the Supervisor's discretion to transport the group to/from a destination with notification to the Association President.
10. If a field trip or shuttle is cancelled and the rescheduled date is within 72 hours, the same driver (at his/her option) may take the field trip or shuttle. The driver may turn in a conflicting field trip or shuttle in order to accept a rescheduled field trip or shuttle regardless of seniority rotation. If the cancelled field trip or shuttle is not rescheduled, the driver will be placed at the top of the seniority rotation list the following week and maintain their normal placement on the seniority rotation.

Regular Runs

1. Regular runs will be chosen by seniority at the beginning of each school year during the annual bidding process stated in Miscellaneous [1].
2. The qualification to serve as a regular run substitute is that the prospective substitute regular full-time driver must have learned all the regular runs. Time spent learning the runs shall be paid at the driver's regular rate of pay. Learning a run means time spent riding with the regular driver through the course of the run. It is acknowledged that runs that transport Kindergarten students include special training as determined by the Supervisor.
3. A substitute full-time driver shall continue to drive the regular run until the regular driver for that regular run returns. If the substitute regular full-time driver is not available to drive the run, the assignment is then given to the next available regular full-time driver on the seniority list. The only exception to the above is if the substitute regular full-time driver uses approved bereavement time or sick leave.
 - a. A substitute regular full-time driver shall continue to drive the regular run until the regular driver for the regular run returns. If a regular driver is off for more than ten (10) working days, the regular run will go to the most senior substitute regular full-time driver until the regular run driver returns. If the most senior substitute regular full-time driver is not available to drive the regular run, the assignment is then given to the next available regular full-time driver on the seniority list. The only exception to the above is if the most senior substitute full-time driver uses approved bereavement time or sick leave.

Special Education Runs

1. To be a substitute on a special education run, a regular full-time driver must become qualified with, but not limited to, the use of the lift and the different types of connections for wheel chairs.
2. A special education substitute should learn the needs of the special education students for each run they substitute on.
3. Drivers who wish to substitute on special education runs must sign up at the beginning of each school year.

4. Special education field trips and shuttles shall only be driven by special education run drivers and/or the most senior qualified regular full-time driver if the special education run driver is not available.
5. Substitute drivers must take mandatory special education training classes.

Miscellaneous

1. During the month of August preceding each school year, drivers shall meet to select available regular runs and special education runs, by seniority bid. All drivers, including those on layoff or those returning from a leave, are entitled to participate and exercise their seniority to select runs. A driver has the option of keeping or remaining on the run(s) he/she drove the previous year. If a driver is unable to attend the meeting for reasonable reasons, he/she will schedule a meeting time with the Transportation Supervisor and local president to discuss the driver's selection wishes. Agreed upon bid options will take place on the missing driver's behalf during his/her turn in the seniority rotation. After the bid meeting, the Transportation Supervisor will contact the driver who missed the bid meeting to inform him/her of the run he/she was awarded.
2. Runs becoming vacant during the school year shall be posted for bid by seniority. The Transportation Supervisor shall call a meeting of all drivers, who will have the opportunity to bid by seniority on any run that is vacated because of the vacancy. No changes in assignment shall occur until all vacancies in the chain are filled. The final vacancy may be filled temporarily by a substitute driver when there are not enough regular full-time drivers to fill all the vacancies. A vacancy may be filled by a substitute driver for no more than twenty (20) working days.
3. If a driver is needed for a miscellaneous run or other extra work not defined under Definitions in this Appendix, it shall be offered first to the most senior driver unless that driver's hours are frozen. In the event the most senior driver is not available, or their hours are frozen, the miscellaneous run shall then be offered to the next driver, unless that driver's hours are frozen, and so forth in descending seniority order until a driver is assigned.
4. If a substitute driver is needed for a regular scheduled daily run, it shall always be offered first to the most senior regular full-time driver. In the event the most senior regular full-time driver is not available, it shall then be offered to the next regular driver and so forth in descending order until a substitute from the bargaining unit is found.
5. All school vans, when used to transport students to and from school on a daily basis, shall be driven by a regular full-time driver. These drivers shall have a valid Michigan CDL license and attend all required training courses, as provided by law.
6. Students residing outside the District requiring transportation under the McKinney Vento Homeless Assistance Act shall be transported by a bus driver in the Transportation Department if the assignment does not conflict with the bus driver's regularly assigned runs, as determined by the District. If a bus driver from the Transportation Department is not available, as determined by the District, the District may fill the assignment at its discretion.
