The parties mutually pledge that representatives selected shall have authority to make and consider proposals and concessions in the course of negotiations or bargaining, subject only to ultimate ratification. Any final agreement between the parties must be ratified by a majority of the membership of each party.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" is a claim, based upon an employee's belief that there has been a violation or misapplication of any provision in this Agreement. The "grievance procedure" shall not apply to any matter which is

prescribed by law, or state regulations, or over which the District is without power to act. No District prerogative shall be made the subject of a grievance.

2. A grievance is defined as an alleged violation of a specific Article or Section of this Agreement. If any such grievance arises, there shall be no stoppage or suspension of work because of such grievance; but such grievance shall be submitted to the following grievance procedure.
3. The "grievant" is the person or persons making the claim, or the Group.
4. The term "days" shall mean work days.

B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties.

Recognizing that there are other potential areas of disagreement which would be non-contractual matters, a communications medium for resolving these problems in the interim between contract negotiations is established.

C. Structure

1. The District hereby designates the Superintendent as its representative.
2. A grievance shall be filed on a form which is acceptable to the Group and District.

D. Time Limits

1. The number of days indicated at each level shall be considered as maximum, and every effort shall be made to expedite the process. The time limits may be compressed or extended, in writing, by mutual consent.
2. If an employee does not file a written grievance within twenty (20) days after the act or conditions on which the grievance is based occurred, then the grievance shall be considered waived.
3. Failure by the grievant at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be the same as declining the right to appeal through this grievance procedure.
4. Failure by the administration to respond within the time limits shall cause the grievance to be advanced to the next level at the option of the grievant.

E. Procedures

1. Within five (5) days of the receipt of the written grievance the designated representative of the District shall meet with the Group in an effort to resolve the grievance. Affected employees may or may not be present at such meeting. If the grievance is transmitted directly to the Superintendent he shall have ten (10) days from receipt to resolve it. If the grievance cannot be resolved by the Superintendent, it shall be transmitted to the secretary of the Board, with a statement of reasons for the action taken.
2. Within twenty-five (25) days from the original receipt of the written grievance described in the paragraph above, the Board shall pass upon the grievance described in the paragraph above. An extension of not more than three (3) days may be granted in writing by the Group if a regular Board meeting is scheduled within this time extension. The Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance. The Board may prescribe such procedure as it may deem appropriate for consideration of the grievance. In no event, except with express written consent of the group, shall final determination of the grievance be made by the Board more than twenty (20) days after its submission to the Board.
3. If the decision of the Board is not satisfactory, the grievance may be submitted to mediation as provided by law.
4. If any employee for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated with full reimbursement of all compensation lost.
5. For administrative convenience, the District may cause complaints which may be the subject of grievances under this Article first to be presented to a department head, principal, or other school employee, for informal processing, in order to reduce the number of formal grievances handled under the grievance procedures. Exhausting of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure, nor shall the participation of department supervisors, principals, or other employees in such informal procedures be deemed to be a supervisory or executive function.
6. In the event that controversy arises between individuals and grievances have not been filed as provided herein, the District or its representative reserve the right to initiate conferences between individuals and the group

committees.

ARTICLE V

EMPLOYMENT HOURS

- A. The District recognizes the principles set forth in the Fair Labor Standards Act as amended in 1966.
- B. Any employee desiring to absent himself/herself from work during prescribed working hours must clear such absence with his/her immediate supervisor.

ARTICLE VI

EMPLOYEE EVALUATION

- A. All monitoring or observation of the work performance of an employee shall be conducted openly by the administration.
 - 1. All food service employees will be evaluated semi annually. Frequency of evaluations may be increased if in the judgement of the supervisor, such evaluations are needed to improve performance. The employee will receive a copy of the evaluation and one copy will be placed in their personnel file. Evaluations will be completed by May 30 of each school year.
 - 2. The supervisor of food service, with input from the building principal, will evaluate all food service personnel.
 - 3. Employee will be paid for ½ hour for their evaluation.
- B. Each employee shall have the right, upon request, to review the contents of his/her own personnel file with the administration.
- C. An employee shall at all times be entitled to have present a representative of the Group when he/she is being reprimanded or disciplined. The administration shall secure a Group representative before immediate action is taken to reprimand or discipline an employee. The employee may be allowed ten (10) days to secure a Group representative of his/her choice to review the action.
- D. No employee shall be disciplined, reprimanded, demoted, or deprived of any advantage without just cause. The employee shall be given an opportunity to review any adverse evaluation, file a reply, and to meet with the Superintendent and the employee's supervisor to discuss the matter.
- E. Employees shall be reprimanded in private, except as stated in C.

above.

- F. All new employees shall serve a 30 working day probationary period before becoming eligible for regular employment and fringe benefits. It is understood, management has the right to terminate a probationary employee if their performance is judged to be unsatisfactory.
- G. Present employees seeking a new position within Food Service shall serve a 30 day trial period during which time the employer shall determine if the employee is qualified. Both the employer and employee shall have 30 days to determine if the employees previous assignment would be more suitable.

ARTICLE VII

PROTECTION OF EMPLOYEES

- A. The District recognizes its responsibility to give all reasonable support and assistance to employees with respect to the maintenance of control and discipline in the system's schools.
- B. Any case of assault upon an employee shall be promptly reported to the Board or its designated representative. The District will provide legal counsel to advise the administration and the employee of their rights and obligations in connection with handling of the incident by law enforcement and judicial authorities provided; however, that in the event an employee is finally adjudged guilty of a crime in connection therewith by a court of competent jurisdiction, the District shall be reimbursed by the employee for any out-of-pocket expense it has incurred in behalf of the employee in said case.
- C. Time lost by an employee in connection with any incident mentioned in Article VII shall not be charged against the employee unless the employee is adjudged guilty by a court of competent jurisdiction.

ARTICLE VIII

VACANCIES, PROMOTIONS AND TRANSFERS

- A. Whenever any vacancy or new position in the district shall occur, the District or its agent shall publicize the same by giving

written notice of such vacancy to the Group spokesman who shall provide the posting in every school building. These notices shall be distributed to Group representatives at the same time as mailings are made to advertising agency and/or placement offices. Any employee may apply for such vacancy. In filling such vacancies, the District agrees to give due weight to the educational background, training and attainments of all applicants, the length of time each has been in the school system of this district, and other such relevant factors. The District maintains the right to hire the most qualified applicant for a position either from within or outside of the bargaining unit. If the District determines the two most qualified applicants are from within the system, seniority shall prevail in determining who will be employed.

- B. The District declares its support of a policy of promotions from within its own staff, including promotions to supervisory and executive levels.
- C. Transfers can be requested by the employees but would be honored only if cooks and administration involved agree. On a major layoff, length of service shall prevail in determining retention.
- D. Since the frequent transfers of employees from one school to another is disruptive of the educational process and interferes with optimum employee performance, the parties agree that unrequested transfers of employees are to be minimized.
- E. When a regular food service employee is absent and requires a sub, regular employees with less hours in that building would have the opportunity to sub that job before a substitute would be called. A substitute would then be called for the vacant position.

ARTICLE IX
