10.2 Transfers and Temporary Assignments

A. Definitions

1. A voluntary transfer is a request from an employee for a change in building location, classification and/or job assignment within the bargaining unit. Also known as a lateral transfer if it is within a classification.
2. An involuntary transfer is a non-disciplinary action taken by the Board which changes an employee's location, classification and/or job assignment within the bargaining unit.
3. A temporary assignment may be initiated by the Board or the employee and may involve a change in location, classification, or job assignment within the bargaining unit for a period not to exceed ten (10) consecutive working days in the same position at no reduction in pay. Temporary re-assignment of employees by the Board shall not be subject to the grievance procedure.

B. Voluntary Transfer

1. Request for transfer shall be made in writing. In reviewing an employee's request for a transfer due consideration will be given to qualifications, job performance, and attendance. When these are judged to be equal by the Administration, the employee with the most seniority in the bargaining unit requesting a transfer shall be appointed to the position. Voluntary Transfers may be requested for open positions only. Union hire date, within a classification, will be used to determine seniority rights within a classification. The Union hire date will be used to determine seniority rights for voluntary transfers to classifications below the current classification. Upon written request, reason for refusal will be provided within ten (10) working days of the request.
2. With regard to Classification IV, a person applying for one of these positions will have to hold any special certifications, if required, or to agree to obtain special certifications identified within a time frame set by the immediate supervisor.
3. The supervisor and/or transferred employee will be allowed ten (10) business days to reverse their decision, whereby the employee may transfer back to his/her original position in the District without penalty of seniority status. This includes voluntary or lateral transfer requests. The supervisor must submit a written rationale that documents a professional reason to refuse the transfer. An employee who is not granted the lateral transfer, or withdraws the

ARTICLE X (Continued)

transfer, will be allowed to return to their original position. The employee may be subject to temporary re-assignment by the Superintendent/designee and may request an additional transfer, subject to the approval of the Superintendent/designee.

4. Employees voluntarily transferred to any higher classification will retain experience credit and be placed on the same step of the new classification, and will receive a classification seniority date to be recorded by the Union for seniority rights within that classification in the event of a position opening.
5. Once an employee is hired into a Classification, it is agreed that the employee is qualified to hold all future positions within that classification if able to demonstrate the necessary skills needed for that specific job. Members of the BESPAs will not have to be tested before transferring to a new position within that Classification, unless job specific skills are required. Adequate time, agreed upon by the supervisor and current employee, is to be allowed for training purposes. Any employee applying for a job opening will be limited to no more than two (2) testing applications per calendar year, if testing is required.

The District may ask for an exception to this rule with agreement of the BESPAs leadership. Written reasons would be required before an exception would be granted.

C. Involuntary Transfer

1. Involuntary transfers may be made only for just cause and reasons shall be given in writing to the employee affected.
2. Any involuntarily transferred employee in the bargaining unit shall receive a copy of a job description for their new position before beginning their duties.

10.3 Job Description, Testing, New Positions and Reclassification

- A. Upon request of the employer, Union, or an individual employee, the Superintendent/designee will meet and confer with the Union President/designee and/or employee prior to implementation regarding the following:
 1. Development of new position job descriptions.
 2. Changes in current job descriptions.
 3. Reclassification of current positions.
 4. Development of any tests of bargaining unit member's abilities or qualifications for a position.
- B. If an employee and/or the Union request a meeting to consider reclassification of a current position, a complete written statement of rationale will be submitted with the request for a meeting and will include the following:
 1. Current job description.
 2. Changes in duties and responsibilities that have occurred within the last twelve (12) months.
 3. A summary of the employee's experience, knowledge, skills, specialized or technical training, and complexity and volume of assigned work.
- C. Results of meetings, reviews, and test results will be provided in writing to the Union and affected employees.
- D. If a disagreement arises, the parties agree to make a good faith attempt to resolve any differences before final action is taken to implement.

ARTICLE X (Continued)

- E. The Board's decision will be final regarding new positions, job descriptions for new positions, changes in current job descriptions, reclassification, and the development of any tests of bargaining unit members' abilities or qualifications for a position.

ARTICLE XI

EMPLOYEE EVALUATION

- D. Each employee shall sign the evaluation which only indicates that the employee has received it. If the employee disagrees with the evaluation, the employee may submit the objections in writing which will be attached to the evaluation and placed in the employee's personnel file. Objections to or disagreement with an evaluation shall not be subject to the grievance procedure.

11.3 Personnel Record

Employees will have access to their official personnel files in accordance with Public Act 397 of 1978.

ARTICLE XII

DISCIPLINE, DISCHARGE, DEMOTION AND SUSPENSION

12.1 Just Cause

- A. Discharge, demotion, suspension or any other disciplinary action applied to a non-probationary member of the bargaining unit shall be made only for just cause, and the member shall be accorded due process which includes access to the grievance procedure.
- B. A policy of progressive discipline will be followed which primarily includes an oral written reprimand, written warning, reprimand, suspension, and discharge, with discharge as a final and last resort. However, any disciplinary action taken against an employee shall be appropriate to the behavior which precipitated said action and, therefore, might begin at an intermediate level or higher.
- C. Absenteeism and Tardiness

At a time when the Superintendent/designee feels an employee is guilty of absence or tardy abuse, said employee shall be called in and given an oral written reprimand. If the abuse continues, said employee will be called in a second time and given a written reprimand, and if such abuse continues, said employee will be called in a third time at which time said employee shall be subject to disciplinary action up to and including dismissal from employment.

12.2 Disciplinary Interviews

- A. Employees may be subject to disciplinary action, including dismissal, for infractions or failure to perform the duties and responsibilities as requested and required by the Superintendent/designee.
- B. Disciplinary interviews and reprimands will be conducted in private. An affected employee will, however, have the right to request the presence of a Union representative at any interview in which a reprimand may be reduced to writing.

12.3 Notification

When employees are disciplined, the employees shall be notified in writing, stating the reason for such action within ten (10) work days of the incident.

ARTICLE XII (Continued)

12.4 Probationary Employee

The discharge of a probationary employee shall not be subject to the grievance procedure. In cases of discharge, the Superintendent/designee agrees to hold a hearing promptly upon written request of the employee involved.

ARTICLE XIII

13.1 Sick Leave

- A. Each employee covered by this Agreement will be credited with sick leave days at the beginning of the employee's work year schedule as follows:

| | |
|-----------------------------|---------------------------|
| Twelve (12) Month Employees | Twelve (12) Days per Year |
| Eleven (11) Month Employees | Eleven (11) Days per Year |
| Ten (10) Month Employees | Ten (10) Days per Year |

The unused portion of earned sick leave days will accumulate from year to year with a maximum of one hundred twenty-five (125) days accumulation calculated as hour equivalents.

Sick time will be calculated by accumulated hour equivalents for all employees.

If an employee should use more sick days than have been earned (at a hypothetical rate of one (1) per month), and subsequently leaves employment with the District, the Board may exercise the option of making appropriate adjustments in pay.

- B. Sick leave shall be granted to an employee when the employee is unable to perform duties due to personal illness, injury, or for medical, dental or optical examinations or treatment.
- C. Sick leave shall also be granted when a member of the immediate family of the employee requires the care and attention of the employee due to illness or injury.
1. Immediate family for this purpose is defined as the following: spouse, son, son-in-law, daughter, daughter-in-law, parents, grandparents, spouse's grandparents, grandchildren, mother-in law and father-in-law, brother or sister or step-persons living in the same household.

ARTICLE XIII (continued)

3. In the case of the care or attention for convalescent purposes, a corroborating statement of the need for such care may be required by the Superintendent/designee from the physician of the immediate family member.

- D. An employee calling in sick will specify the reason for the sick leave. Upon return to work, a written medical verification may be requested whenever it has been suspected that this provision has been abused. The Superintendent/designee may request medical verification pertaining to the usage of sick days if an absence exceeds two (2) workdays.
- E. Employees who are unable to perform their duties because of illness or disability shall notify their supervisor of the fact before the start of the workday. Draws will be labeled 1st (First or Highest), 2nd (Second or Next), 3rd (Third and so on), etc. and that will be recorded as the order for seniority. This seniority order will be recorded on the master seniority list being held by the Union and recorded in Human Resource Department records.

MISCELLANEOUS

15.1 Copy Distribution

Copies of this Agreement and additions thereto shall be printed at the expense of the Brandon School District and presented to all Union members employed and hereafter employed.

15.2 Emergency School Closing

When schools are closed due to inclement weather, or lack of power, water or heat, and employees are notified not to report to work or are sent home early, there shall be no loss of pay or paid leave. Failure to report when not notified otherwise will result in a loss of pay equal to the regularly scheduled work day rate, unless approved by the Superintendent.

When school, or part of the school system (e.g., building, etc.), is closed and employees are not released from work with pay for the reasons set forth in the preceding paragraph, an employee after receiving approval from the superintendent may be released from work. The employee can receive pay for such missed time by charging the time to accrued vacation, personal business day, and/or compensatory time. If the time is not charged to vacation, personal business day, and/or compensatory time, the employee has the option to take an unpaid day. The employee may, however, work an equal amount of make-up time and receive pay following approval from his/her immediate supervisor as to the scheduling of the make-up time and what tasks will be done during the make-up time. Such make-up time shall not be scheduled in such manner as to create overtime work that week.

15.3 Resignation - Retirement

The resignation-retirement of any employee shall be submitted in writing to the immediate administrator or supervisor, with a copy to the Administration Office, at least ten (10) working days prior to the effective date of resignation-retirement.

Any employee who resigns after five (5) years of service shall not forfeit his/her right to earned vacation time.

Any employee who discontinues his/her services without proper notification, forfeits all accrued rights and privileges, including sick leave, military leave, personal leave without pay, vacation, Workers' Compensation within the Michigan State Law, and any other rights and privileges which have been granted by the Board to its employees.

15.12 In-Service

The Board of Education encourages employees to become involved in activities/work-shops/conferences/college classes, etc. that will improve their skills, knowledge and job performance.

The parties acknowledge that major changes in technology may impact on bargaining unit members and positions. When the implementation of major technological changes are contemplated by the Board, additional training opportunities will be offered to the affected bargaining unit members.

Employees requesting or being directed to attend such activities shall complete a conference/workshop request form which sets forth a description of the activity, location, associated costs, etc., and submit the form to their supervisor. The terms and conditions of involvement in such activities shall be determined by the Central Office Administrator for Finance.

15.13 Medical Training In-Service

When a student is requiring special medical care while at school, employees must be given proper medical training, required by the District, by trained medical personnel, either by Oakland School's In-Service or medical professional instruction arranged by the District. This does not include training by a parent.

Paid holidays are to be treated as time worked. This shall mean eligible employees will receive straight time pay for holiday pay based on their regularly scheduled work day.

All employees in order to be eligible to receive holiday pay must work their entire scheduled work day before and after the holiday or be on an approved leave. When sick leave is used, the employee must provide a doctor's slip upon return to work.

Vacations days not taken during the year in which the employee becomes eligible may be rolled over into a Vacation Bank to be used the following eligible year. No more than 5 days may be rolled over or accumulated into the employee's Vacation Bank on any given year. The hiring date of the employee, into the Union, shall determine his/her date of eligibility for the vacation schedule.

The employee will work one full year before eligible to take vacation time. The vacation rate will be paid at the current year's rate of pay and current hourly schedule.

Vacations are discouraged during the periods of two weeks prior to the start of student's school year and two weeks prior to the end of student's school year, unless specifically approved by the immediate supervisor and Superintendent/designee.

In the event an employee's work year is extended to a twelve (12) month position, the employee shall receive vacation days in accordance with established Board policy, which is total months employed by the District divided by twelve (12) to establish actual years of service.

When a holiday falls during the period that an employee is on vacation, the holiday will not be charged against the employee's vacation allotment.

ARTICLE XVIII

GRIEVANCE PROCEDURE

18.1 Grievance Defined

Any claim by an employee(s) that there has been a violation, misinterpretation or misapplication of the terms of the Agreement shall be a grievance and shall be resolved in the procedures set forth herein.

18.2 Time Limits

The specified time limits set forth in each level of the grievance procedure shall be strictly adhered to by all of the parties. If the Employer fails to respond within the prescribed time limits, the grievance will be considered denied as of the due date and the Union may move it to the next level. If the Union fails to respond within the prescribed time limits, the last answer will stand as the final disposition of the grievance, or if no answer has been given the grievance will be considered denied. The term "days" as used herein shall mean regular business days of the Brandon School District.

18.3 Union Representative

A Union representative is any person so designated by the Union. Every member of the bargaining unit filing a grievance has a right to be represented at any and/or all levels of the procedure.

18.4 Powers of the Arbitrator

The arbitrator shall not have authority nor shall it consider its function, to decide any issue not submitted, or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally acceptable rules of contract construction. The arbitrator shall not give any decision which in practical or actual effect modifies, revises, detracts or adds to any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying the terms of the Agreement can be relevant evidence but may not be used so as to justify a result in what is, in effect, a modification, whether by addition or subtraction of written terms of this Agreement. The arbitrator's authority shall be strictly limited to deciding only the issues presented to the arbitrator in writing by the parties and that decision must be based solely upon the interpretation of the meaning or application of the express relevant language of the Agreement in accordance with this clause limiting the power of the arbitrator. Issues not previously raised in the grievance claim process cannot be presented as part of an arbitration case.

ARTICLE XVIII (continued)

18.5 Proper Grievance

In order for a grievance to be considered acceptable and proper, the grievance when reduced to writing must state the specific provision(s) of the Agreement that are alleged to have been violated, misinterpreted or misapplied and relief sought.

18.6 Grievance Procedure

Level 1 - An attempt shall be made to resolve any grievance in an informal verbal discussion between the grievant and the immediate supervisor. Level 1 proceeding must occur within fifteen (15) days following the date of the alleged occurrence. If the immediate supervisor is unwilling or unable to meet for Level 1 proceedings within the prescribed time limits, the grievant may proceed to Level 2.

Level 2 - If the grievance cannot be resolved at Level 1, it shall be reduced to writing on forms provided by the Board, signed by the grievant and delivered to the immediate supervisor within five (5) days after Level 1 proceedings. The supervisor or other administrator who has the authority to make a decision on the grievance shall make such decision and communicate it in writing to the grievant within five (5) days of receipt of the written grievance.

Level 3 - In the event the grievance has not been satisfactorily resolved at Level 2, the grievant shall, within five (5) days of receipt of Level 2 written answer, transmit a copy of the grievance to the Superintendent/designee. Within ten (10) days of receipt of the grievance, the Superintendent/designee shall meet with the grievant to resolve the grievance. The Superintendent/designee shall communicate the answer in writing to the grievant within five (5) days of the Level 3 meeting.

Level 4 - In the event the grievance has not been satisfactorily resolved at Level 3, only the Union may, within ten (10) days of receipt of Level 3 written answer, cause the grievance to go to binding arbitration. To do so, the Union shall file a demand for arbitration with the Superintendent. The parties shall try to mutually select an arbitrator.
