MASTER AGREEMENT

This Agreement is entered into this 11th day of June, 2012, between the Holly Area Schools, hereinafter referred to as the employer, and the Holly Area Schools Employee Chapter of the Local Union 202, affiliated with Council 25 of the American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the union.

Note: The headings used in this Agreement and appendices neither add to nor subtract from the meaning, but are for references only.

PURPOSE AND INTENT

The purpose and intent of this Agreement shall be to meet the statutory obligations under Public Act 379 as revised.

<p style="text-align: center;">ARTICLE 1 RECOGNITION</p>

The employer hereby recognizes the union as exclusive bargaining representative as determined by the Michigan Employment Relations Commission.

The bargaining unit includes all maintenance, cafeteria and transportation employees, including bus drivers, bus attendants, mechanic, assistant mechanics, but excluding noon lunch and playground aides, crossing guards, cafeteria supervisor, transportation supervisor, secretaries and clerks, substitute bus drivers, other substitutes and other supervisors.

<p style="text-align: center;">ARTICLE 2 UNION SECURITY</p>
--

To the extent that the laws of the State of Michigan permit, it is agreed that:

- A. Employees covered by this Agreement at the time it becomes effective and who are members of the union at that time shall be required as a condition of employment to continue membership in the union or pay a service fee to be determined by the union for the duration of this contract.
- B. Employees hired, except probationary, rehired, reinstated or transferred into the bargaining unit after the effective date of this Agreement and covered by this Agreement, shall be required as a condition of continued employment to become members of the union for the duration of this Agreement, or pay a

service fee to be determined by the union on or before the tenth (10th) day after completion of their probationary period. Employees who fail to comply with the requirements of this Article shall be discharged by the employer.

- C. The union will indemnify and hold harmless the District and assume and discharge the District's full and complete liability arising out of or in connection with any and all litigation or proceedings brought against the District by any employee, group of employees, or any other person.
- D. The employer agrees to make payroll deductions for the union members, persons paying service fee, when the employee has signed and delivered to the Board of Education office a payroll deduction authorization form. Any authorization form which is incomplete or inaccurate will be returned to the local union by the employer. No deductions will be made until a valid authorization card is received at the Board of Education office. Employees on dues deductions may have this canceled at any time and pay dues directly to the union. Deductions shall be made only in accordance with the provisions of the authorization for dues deductions and with the provisions of this Agreement. The employer shall have no responsibility for the collection of initiation fees or membership dues not in accordance with this provision.

Authorization cards will be in force for a period of one year or the period of the labor agreement, whichever is less. Authorization cards will be automatically renewable for the same period unless the employee requests checkoff to be stopped. Said request must be made in writing to the union and employer during a period of fifteen days immediately preceding the anniversary date or the expiration date of the contract.

- E. Payroll deductions shall be made once each month.
- F. Refunds. Cases where a deduction is made that duplicates a payment that an employee already has made to the union, or where a deduction is not in conformity with the provisions of the union constitution and by-laws, refunds to the employee will be made by the local union.
- G. Remittance of dues to the financial officer. Deductions for each calendar month period shall be remitted to the designated financial officer of the local union as soon as possible after the tenth day of the following month in which the deduction is made. Local management shall furnish the designated financial officer of the union a list of those for whom the union has submitted signed authorization dues deduction forms, but for whom no deductions have been made.
- H. Termination of dues deductions. Any employee whose seniority is broken by death, quit, discharge, retirement or layoff, or by receiving permanent total disability payments under a group life insurance held by the employer, or who is transferred to work outside of the bargaining unit, shall cease to be subject to dues deductions, beginning with the month immediately following the month in which the death, quit, discharge, layoff, retirement, receipt of insurance benefits or transfer took place. The local union shall be notified by the

employer of the names of such employees following the end of the month in which the event took place.

- I. Disputes concerning dues deductions. If a dispute arises as to whether or not an employee has properly executed or properly revoked an authorization for dues deductions, it shall be reviewed by a representative of the employer and a representative of the local union, and a decision made as to whether it has been properly executed. Until the matter is disposed of, no further deductions shall be made.
- J. Limit of Employer's liability. The employer shall not be liable to the international union or its locals by reason of requirements of this agreement for the remittance or payment of any sum other than that constituting actual deductions made for wages or salaries earned by employees.
- K. Disputes concerning membership. Any disputes arising as to an employee's membership in the union shall be reviewed by a representative of the employer and a representative of the local union.
- L. The employer will furnish the union a monthly list of all charges of members for whom payroll deductions have been made. The union shall furnish the employer with a list of employees paying dues direct.
- M. The employer agrees to deduct from the wages of any employee who is a member of the union a P.E.O.P.L.E. deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and Union. The employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE 3 STRIKE PROHIBITION

The union, recognizing that State statutes prohibit strikes for public employees, hereby agree that they will not engage in, or encourage, strike action of any type during the life of this Agreement.

**ARTICLE 4
UNION STEWARDS**

- A. Each of the three divisions in the bargaining unit, specifically, transportation, cafeteria and maintenance, shall be represented by one steward or his/her alternate. Stewards or their alternates shall be regular employees of the Holly Area Schools.
- B. The union shall notify the employer in writing of the designated stewards and alternate stewards and the division they represent at the beginning of the school year or when an office change takes place.
- C. Stewards may present grievances to the employer under the conditions of the grievance procedures as set forth elsewhere in the contract. The steward's immediate supervisor may grant permission for stewards to leave their work for the purpose of presenting grievances to the employer, or to discuss a grievance with an employee within the bargaining unit. It is understood that stewards will perform their regularly assigned work at all times and that the employer shall not withhold permission to leave a job when the need is justified. If, in the opinion of either party, it is felt that there is abuse under this section (C), a special conference may be requested.
- D. When a Chapter chairperson and/or steward's presence is required by the district during his/her regularly scheduled hours, he/she will not suffer a loss of wages.

**ARTICLE 5
SENIORITY**

Section 1

- A. New employees hired into the division shall be considered as probationary employees for the first sixty (60) actual work days of their employment. When the probationary employee has successfully completed the probationary period their name will be entered on the seniority list of the division as of the most recent date of hire as a probationary employee, his/her seniority will begin at this time. There will be no seniority among probationary employees. Probationary employees will become eligible for benefits after completion of their probationary period.

The employer will subtract up to 30 days of the required sixty (60) day probationary period provided these days are consecutively worked as a substitute immediately prior to the appointment as a regular employee in the same category as the employee served as a substitute. In the event these days are subtracted, the employer will not be responsible for back pay at regular rate for these unearned days or paid holidays.

- B. The union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this agreement; except that the employer will have the right to discharge or take disciplinary action other than for union activities involving a probationary employee without a grievance filed or processed.
- C. Seniority shall be on a division basis in accordance with the employees' most recent date of hire.
- D. When more than one employee is hired on the same day, seniority will be determined by alphabetical sequence, unless two or more with district seniority are hired on the same day, in which case the employee with the most district seniority shall have the most seniority.
- E. Any probationary employee may be terminated at the sole discretion of the employer during the probationary period without recourse to the grievance procedure.

Section 2

- A. Seniority lists will be furnished to the Chapter Chair upon request. It is expected that these requests will be on or about October 1 of each contractual year. Up-to-date lists will be furnished once each month to the Chapter Chair upon request. The Chapter Chair may request up to five (5) copies. The employer will furnish the union a list of probationary employees upon request.
- B. The seniority list on the date of this agreement will show the names and job titles of all employees of the union entitled to seniority.
- C. The Union shall be responsible for verifying the accuracy of the seniority list by October 31st each year. Thereafter the list shall be considered final and conclusive.

Section 3 Loss of Seniority

A non-probationary employee shall lose seniority for the following reasons:

- a) Voluntary quit;
- b) Discharge which is not reversed through the grievance procedure;
- c) Absent for three (3) consecutive working days without notifying the employer; the employer may, however, make exceptions to this rule;
- d) Failure to return when recalled from a layoff;
- e) Retirement.

In instances where the employee has been absent three (3) consecutive work days without notifying the employer, the employer shall send written notification to the employee at their last known address that the employee has

lost their seniority rights. The employee may appeal such determination through the grievance procedure.

Section 4 Seniority Retention

A bargaining unit member who transfers out of the bargaining unit, will retain accumulated seniority for a period of one year if transferred back into the bargaining unit. Persons who continue to work within the bargaining unit that work outside of the unit on a part-time basis will continue to accumulate seniority. When returning to the bargaining unit, an employee may qualify for the positions within the division at the level their seniority allows.

The employer, may, however, make exceptions to this rule.

Section 5 Seniority of Stewards

- A. Notwithstanding their position on the seniority list, stewards, in the event of layoff of any type, shall be continued at work as long as there is a job in their classification which they can perform, and shall be recalled to work in the event of layoff on the first job open in their unit which they can perform.

However, stewards under this clause shall not request a move to a higher classification under this article.

- B. Notwithstanding their position on the seniority list, the Chair and Chief Steward of the Chapter shall, in the event of a layoff, be continued at work at all times when one or more divisions or fractions thereof are at work, provided they can perform any of the work available.

However, Chair and Chief Stewards under this clause shall not request a move to a higher classification under this section.

ARTICLE 6 MANAGEMENT RIGHTS
--

The employer, being the Board of Education of the Holly Area Schools, being a legally constituted body, and governed by the rules and regulations of boards of education in the State of Michigan, on its own behalf of the electors of said school district, thereby retain and reserve unto itself all powers, rights, authority, duties and responsibilities conferred upon, invested in it, by the laws and constitution of the State of Michigan, and of the United States. This will include, but not be limited to, the following:

The determination and administration of policy.

The operation of the school.

The management and control of school properties and facilities.

The selection, direction, transfer, promotion, discipline or dismissal of all personnel.

The exercise of these powers, rights, authority, duties and responsibilities by the Board, and the adoption of such rules, regulations, and policies, as it may deem necessary, shall be limited only by the specific terms of this agreement, but shall not be in conflict with this agreement.

ARTICLE 7 DISCIPLINE, SUSPENSION AND DISCHARGE OF EMPLOYEES
--

- A. Discipline will be discussed with the employee who may have a union representative present.
- B. Suspension - the union (Chapter Chair) and the employee will be given written notice of suspension. This written notice of suspension shall state the reason for same.
- C. Should the discharged, suspended, or disciplined employee consider the action to be improper, a grievance shall be presented in writing through the steward to the supervisor within five (5) regularly scheduled working days after receiving the notification. If the decision is not satisfactory to the union, the matter shall be referred to Step 3 of the grievance procedure.
- D. Use of past records. In imposing any discipline on a current charge, the employer will not take into account any prior infractions of a minor nature which occurred more than three (3) years previously.

When an employee is disciplined, the employer shall state the reason in writing and review the corrective actions that must be taken in a private conference. The employer will strive to ensure that discipline is administered in a timely manner.

Employees who have been required by the employer to file a second application for employment will not be disciplined because of inadvertent errors or mistakes on this application.

Written statements of this nature shall become a part of the employee's personnel file, with a copy to the employee.

- E. The parties agree to the following provisions as to the use of sick leave:
 - 1. The parties recognize that excessive use or abuse of sick leave is disruptive to the operation of the school district and imposes an unnecessary burden on other employees. Regular and reliable

attendance of employees is in the best interest of all and an essential job duty.

2. Employees who abuse sick leave or who have a pattern of absenteeism may be subject to discipline as follows:
 - a. 1st Step Oral warning and counseling by the supervisor - documented in the personnel file
 - b. 2nd Step Written reprimand
 - c. 3rd Step Suspension without pay (3 days)
 - d. 4th Step Discharge
3. These provisions are not intended to apply to employees with legitimate medical conditions who do not have a pattern of absenteeism or abuse.
4. The employer also has the authority to request a physician's statement or to request an employee to submit to a physical or mental examination by a Board selected physician when the employer believes that the employee has abused sick leave.

ARTICLE 8 LAYOFF AND RECALL
--

- A. The word "layoff" means the reduction in the working force due to a decrease in work, reduction in operating funds, a decrease in student enrollment or reduction in hours.

The word "recall" means increasing the working force after a layoff.

- B. Layoff Procedure

Layoff will be on a division basis and within the division according to classification. The probationary employees within the division and specific classification will be laid off first. Following probationary and all non-seniority employee layoff, the next to be laid off will be the person with the lowest seniority. The person within the division and classification who has the most seniority will be the last to be laid off, providing he/she is qualified of performing the work.

If the layoff is for more than two years, the employer is not required to recall this employee.

Any seniority employee affected by a layoff shall be able, by virtue of his/her seniority, to move into any equal or lower classification in the same division where his/her seniority will allow.

Probationary employees who are laid off and later recalled will receive credit for the days worked, providing the layoff period is not longer than the days worked.

C. Permanent Layoff

Seven (7) calendar days' notice will be given by the employer. The Chapter Chair will receive a list of employees being laid off.

D. Recall Procedure

When a working force is increased after layoff, employees will be recalled according to division and classification needs by seniority (if qualified to perform the work available). The employer will recall by sending a certified or registered letter to the employee's last known address. The employee must report his/her intention to return to work in writing within 24 hours after receipt of the employer's recall notice and must be available to report to work within 5 days after receipt of the recall notice. Failure to answer the employer's recall notice within 24 hours, or if he/she fails to report within 5 days after filing his/her intent, he/she shall be considered a voluntary resignation.

E. Bumping Caused By Layoff

When union members are affected by layoff, union members will be permitted to bump horizontally in their pay scale within their division, or vertically to a lower pay scale where their seniority will allow, but will not be permitted to bump into a higher pay scale.

F. Voluntary Layoff

During a layoff period, requests for voluntary layoffs will be considered and, if they are granted, the employee understands they must return back to work when called back or they will terminate their employment with the district. Normally, voluntary layoffs shall be limited in duration to six (6) months.

ARTICLE 9 GRIEVANCE PROCEDURE
--

Grievance definition - A grievance shall mean a claimed violation of a specific article or subsection of this contract, involving its interpretation or application. If at least one specific article or subsection is not listed in the written grievance, the grievance shall be invalid and no action will be required by the employer.

Grievances not initiated within 15 workdays after the occurrence or first knowledge, or if a grievance is not carried to the next step within five work days after the answer is given to the previous step, the grievance shall be considered dropped and no further recourse shall be allowed

Step 1.

Step 1 of the grievance procedure shall be an informal meeting between the supervisor and the person with the alleged grievance and the union steward, if requested by the employee. This first step of the grievance procedure shall take place within 15 workdays of the occurrence or first knowledge of the incident leading to the grievance. The supervisor shall have 10 work days to respond if not able to resolve the issue during the informal meeting.

Step 2.

The grievance, if not resolved at Step 1, will be submitted to the immediate supervisor in writing, who will have five work days in which to answer the grievance. Copies of the supervisor's answer to the grievance will be placed in writing and a copy sent to the employee with the alleged grievance and the union division steward.

Step 3.

If the grievance is not resolved to the satisfaction of the union or employee, a copy of the written grievance shall be sent to the superintendent or his/her designee within five (5) working days of the answer at Step 2.

3A. The superintendent of schools shall hold a meeting of the persons concerned with the grievance, the union, the building principal, and himself/herself, to study the problem. The superintendent shall schedule the meeting within five (5) working days. The superintendent will then render his/her decision within five working days after this meeting. This decision shall be in writing, with copies to all parties concerned.

Step 4.

If answer is not satisfactory to the union or employee at step 3A within five (5) working days of the superintendent's response, a copy of the written recommendation shall be sent to the Board of Education through the superintendent of schools, who will place it on the board's agenda. The Board of Education shall have the option of having a committee meet to hear the grievance and make a recommendation to the full board. The Board of Education will render a decision within eight workdays after the next regularly scheduled Board of Education meeting. This decision shall be placed in writing and a copy mailed to the union chapter Chair.

The Board may choose to delete this step and proceed immediately to Step 5.

Step 5.

- A. In the event the grievance is not settled in Step 4 either the School Board or the union shall have the right to appeal the dispute to Arbitration by giving the other party a written notice of intent and filing a demand for arbitration with the American Arbitration Association within thirty (30) calendar days from receipt of the answer in Step 4.
- B. The arbitrator shall be empowered except as listed below to investigate and make a decision in cases of alleged violation of specific articles and sections of this Agreement.
 - 1. If the Board contests the arbitrability of a grievance, the arbitrator must first rule on this point prior to hearing the grievance.
 - 2. He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
 - 3. He shall have no power to change salary scales or change any salary.
 - 4. If there has been no monetary loss, the arbitrator cannot award monetary damages.
 - 5. During the arbitration proceedings, introduction of evidence and issues not previously disclosed during the defined steps of the grievance procedure will be prohibited by both parties unless by mutual consent.
 - 6. The arbitrator will hear the grievance in dispute and will render a decision in writing and will set forth the findings and conclusions with respect to the issue submitted to arbitration. Both parties agree to be bound by the award of the arbitrator and agree the judgment thereon may be entered in any court of competent jurisdiction.
 - 7. The fees and expenses of the arbitrator shall be shared equally by the school district and the union. All other expenses shall be borne by the

party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

8. The arbitrator must deal only with the grievance that is being presented.
9. No award shall be made retroactive prior to the time when the grievance was filed.
10. The arbitrator will not render any decision which would require or permit an action in violation of the Michigan School Law.
11. The arbitrator shall have no power to change any practice, policy or rule of the school district nor to substitute his/her judgment for that of the school district.

His/her powers shall be limited to deciding whether the school district has violated the express articles or sections of this agreement, and shall not imply obligations and conditions binding upon the school district from this agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the school district.

He/she shall have no power to decide any questions which, under this agreement, is within the responsibility of management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this agreement.

12. The arbitrator shall have no power to hear any grievance within the remedial authority specified by state and federal law, regarding the content of an evaluation or decision to layoff.

Step 6.

If the employer has a grievance to file, it shall be filed with the Chapter of the local union. The Chapter Chair will have five work days in which to answer the grievance. If it is unresolved in this written answer, it will revert to the above step.

Items relating to grievances.

Grievances may be dropped at any time or any step of the grievance procedure by the person or persons who are allegedly aggrieved. Grievances not processed to the next step within the time limit shall be considered withdrawn. Any time limits under this procedure may be extended by mutual agreement between the employer and union or employee. Extensions of time shall not be unreasonably denied.

ARTICLE 10 VACANCIES, TRANSFERS AND PROMOTIONS

Definitions:

Vacancies - an open position within the bargaining unit created by: retirement, resignation, termination, transfer or creation of a new position.

Transfer - a lateral change within a salary classification within a division where there is an opening and there is no additional compensation.

Promotion - an upward change in an open job classification within the bargaining unit which results in additional rate compensation during the regular work day. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving overtime, shift differential, or premium pay.

A. Vacancies

1. Posting for vacancies

- a. Whenever a vacancy in a position occurs, the employer shall publicize the same by giving written notice of such vacancy by posting the job classification and its duties. No vacancy shall be filled, except on a temporary basis, until such vacancy shall have been posted for five (5) working days. Employees wishing to bid shall do so in writing within the posting period. The employer will notify the Union upon request on the status of filling vacant positions.
- b. When a vacancy occurs within the bargaining unit, the employer will post the position within ten (10) work days or will inform the union Chapter Chair of their intention.
- c. The employer will fill the position as quickly as a qualified candidate is available.
- d. The employee who meets the job requirements for the position will be given consideration. If all other factors are equal, the seniority employee will be awarded the position.

2. Notice of Leave Position

- a. When a medical leave is granted within the bargaining unit, the employer will provide notice of the leave position within five (5) work days or will inform the Union Chapter Chair of their intentions.

- b. The notice of leave position will be posted for five (5) work days. Employees wishing to bid shall do so in writing within the posting period.
- c. At the end of the leave notification time period, the employer will fill the position within two (2) days or will inform the Union Chapter Chair of their intentions.
- d. Transfers for leaves granted beyond six (6) months will not be deemed "a temporary transfer", unless the employee on leave requests an early return/extension in accordance with the thirty (30) day notification period.

B. Transfers

- 1. The employer shall not be prevented from making transfers within a division if necessary to fill a temporary vacancy caused by leaves of absence, vacations, resignations, discharges, etc. Temporary transfers shall be limited to thirty (30) calendar days, except for transfers to fill in for medical leaves. (See Article 11A).
- 2. If an employee is transferred to a position not in the bargaining unit, and is thereafter transferred back again by either the employer or by their own volition, he/she shall not lose the seniority accumulated prior to the transfer out of the unit.
- 3. It is recognized that upon occasion the transfer of an employee may be to the mutual benefit of the employer and the employee. The employer will transfer only for good cause and will make the reason for the transfer known to the union and employee. The union or the employee may request a meeting with the superintendent or designee within 10 calendar days of notification to request additional information or challenge the reasons. Affected employees shall not suffer a loss of hours, pay or benefits as a result of said transfer, unless the transfer was requested by the employee.
- 4. When an employee is required to work above his or her classification they will be paid the rate they would receive if they were promoted to that classification. A temporary assignment is interpreted to be less than one (1) week. If an employee temporarily works below their classification, he/she shall receive their regular classification pay.

C. Promotions

- 1. Promotions will be based upon ability to do the specific job and seniority. All other conditions being equal, a seniority employee shall be given preference. In the event the seniority applicant is denied the promotion, reasons for the denial shall be given in writing to the employee. If the seniority employee bidding is denied the promotion, he

shall be allowed to file a grievance to prove their ability is equal to, or superior to, the successful bidder.

2. The person receiving the promotion shall have a twenty (20) work day trial period, during which the employee shall have the opportunity to revert back to their former classification by written request to the employer. If the employee is unsatisfactory in the position, he/she will be returned to his/her former position, and reasons shall be submitted to the employee in writing with a copy to the union. The matter then may become subject to the grievance procedure. Their salary shall revert to the classification from which he was promoted.
3. During the trial period, the employee will receive the rate of the job he/she is performing.
4. An employee who is promoted during his/her probationary period shall be considered to have satisfactorily completed his/her probationary period in the classification from which he/she has been promoted.
5. Employees promoted to a higher classification will not suffer a reduction in wages as a result of such promotion.

ARTICLE 11 LEAVE OF ABSENCE
--

The Board of Education will administer the Federal Family and Medical Leave Act consistent with the guidelines.

Employees who voluntarily fail to return upon completion of FMLA leave may be required to reimburse the district the cost of the employer contribution for insurance premium contributions. Paid leave shall be counted toward FMLA.

An employer may grant an unpaid leave of absence without pay for a period not to exceed one (1) year for reasons stated below.

A. Medical Leave

Medical (health) leave shall be granted by the employer, when certified by a qualified medical doctor, up to a maximum of one (1) year. A person on an approved medical leave may use his/her accumulated sick time for the duration of the leave until such time is exhausted. Health benefits shall continue for either the longer of four months or until the employee's sick time is exhausted.

An employee returning to work shall be accompanied by a statement from a medical doctor certifying that the employee is physically able to return to work at full capacity. Upon written request, such leave may be extended up to one year at the sole discretion of the employer. Denial of a request for an extension shall not be grievable.

In no case shall the employer be required to re-employ any employee who is physically or mentally incapable of performing the duties of his/her position. However, personnel with limited physical capacities shall be employed in a lesser position, if such position is available.

A driver or bus attendant on an approved medical leave may participate in the bidding of runs. If the driver or bus attendant on approved medical leave does not participate in the bidding of runs, the run shall be considered open and up for bid. Such driver or bus attendant returning from medical leave shall replace the least senior driver or bus attendant who shall return to a substitute position.

B. Jury Duty

Any employee who is summoned for jury duty examination and investigation must notify the school business office within 72 hours of receipt of such notice. If an employee who has completed his/her probationary period is summoned and reports for jury duty, he shall be paid the difference between the amount he receives as a juror and his/her normal week's pay.

The employee must provide the employer a statement from the court indicating the days that he had worked. Employees must report to work on days his/her presence is not required, or if he can still work a portion of his/her shift after he is dismissed.

C. Personal Leave of Absence

An employee granted an unpaid leave of up to thirty (30) work days shall have their position filled by a substitute or under temporary transfers in Article 10, and accumulate seniority during their absence.

An employee granted an unpaid leave of absence of thirty-one (31) work days or more may have their position filled under vacancies in Article 10. Seniority will not accumulate during their absence. Thirty days prior to the end of such leave, the employee shall give written notice to the employer of their intention to either return or resign. If the employee fails to provide timely notice of return, the employee shall be considered to have voluntarily resigned.

An employee who is granted an unpaid leave of less than six months will be able to return to their position. An employee who is granted an unpaid leave beyond six months will return to the first open position for which they qualify within the same classification, unless the employee on leave requests an early return in accordance with the thirty (30) day notification period.

Number of leave days	Position returning to	Seniority
30 or less	Same	accumulates
31 days - 6 months	Same	freeze
Over 6 months	1 st open position within same classification	freeze

If the Employer makes special exceptions for the employee on leave, this should reflect on the person filling the position.

D. Child Care Leave

Non-probationary employees may be granted up to one year for childcare of a newborn or seriously ill minor child, subject to paragraph C above. A person on a child care leave shall accumulate seniority during the leave up to one year.

E. Military Leave

If an employee is on military leave, the employer will follow statutory obligations in reference to military leave.

F. Union Leave

The employer shall grant a leave of absence without pay to a non-probationary employee who is elected or appointed a full-time union office. Such requests must be in writing and shall not exceed a period of two (2) years. Upon written request the employer shall grant additional two (2) year extensions of such leave. The employee on leave shall not lose seniority nor accumulate seniority during his/her absence.

Leave for elected delegates will be granted for a maximum of five (5) days, without pay, upon two (2) weeks' notice, for the purpose of attending union conventions/conferences.

G. Other leaves for other purposes are generally not authorized and will only be approved by the superintendent or his designee and not subject to the grievance procedure.

**ARTICLE 13
RETIREMENT**

All public school employees are members of the Michigan Public School Employees Retirement System and are eligible for retirement benefits after the guidelines of the Act are met. For further information regarding retirement benefits, see Article 23, Section I.

**ARTICLE 14
WORKERS' COMPENSATION**

A. Any employee who is eligible for benefits under the Michigan Workers' Compensation Act as a result of injury incurred in the performance of his or her job shall receive pay as follows:

1. During the first seven (7) days the school shall pay the employee his or her basic rate, provided that this period of time is not paid under workers' compensation.
2. In addition to the workers' compensation benefits, the employer will permit the employee to make up the difference between these benefits and the weekly basic pay by using accumulated sick days until they are used, or a maximum of one year, whichever occurs first. Accumulated sick days will be considered as days paid at the basic daily rate at the time of injury. Once the leave days are used the employees will receive only those benefits as provided by the insurance carrier. Example:

If an employee's hourly rate is \$5.00 per hour and works 40 regular hours per week, his/her daily rate would be \$40.00. If the employee has an unused accumulation of ten (10) sick days, a bank of four hundred (\$400.00) could be used to make up the difference in pay. After the four hundred dollars was used, the pay would revert to only the amount received under the Michigan Workers' Compensation Program. If Workers' Compensation paid thirty-two dollars per day, eight dollars per day would be paid from the available sick bank.

3. To ensure eligibility for workers' compensation employees must report injury to the immediate supervisor or designee as soon as possible.
- B. Any employee receiving an injury on the job requiring immediate medical attention by a physician will receive pay for the full day's work at the regular rate and, if he or she is required to report back during working hours to the doctor, he or she will be paid for the lost time.
- C. The union will conform to State Workers' Compensation laws as may be revised by state statute during the term of this Agreement.

In this event the parties shall meet in an effort to negotiate the voided provision. However, all the other provisions of this agreement shall continue in effect.
- C. Special conferences of important matters of mutual interest to the employer and the union may be arranged between the local president and his/her designated representative. Arrangements for special conferences shall be made in advance and an agenda of the matters to be taken up in special conference shall be confined to those included in the agenda.

- F. The parties shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight or marital status pursuant to 1976 P.A. 453, Section 209. The parties shall also comply with the provisions of the Michigan Persons with Disabilities Civil Rights Act, 1976 P.A. 220, and the Federal Rehabilitation Act of 1973, P.L. 93-112, 87 Stat. 394, which states that no employee or client or otherwise qualified disabled individual shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program receiving Federal financial assistance. If either party requests a third opinion, the doctor will be mutually agreed upon by both parties, and the cost will be equally shared.
