APPENDIX A-2

District Financial Formula

The Financial Formula will be the same for all HVS Groups using a proportionate share calculation and will begin in 2018-2019 based on prior year November audited results. The formula is based on the following:

- A. Audited Fall pupil count from prior year
- B. Unrestricted revenues as of 6/30 of the prior year
- C. Triggers based on fund balance with a 5% floor and a 7% ceiling
- D. Increase/decrease in the Huron Valley Child Care Association (HVCCA) group's health insurance costs
- E. Additional salary is capped at cost of living (COLA) for S.E. Michigan

If the formula is positive and the fund balance is 7% or above, the formula amount is on-schedule. Payment would begin on the second pay in January with retro to the beginning of the school year.

If the formula is negative and the fund balance is below 5%, Administration and the HVCCA group will decide how to reduce the deficit and discuss possible solutions.

APPENDIX B
