In consideration of the following mutual covenants, it is hereby agreed as follows.

## **ARTICLE I**

### **RECOGNITION**

#### **EMPLOYEES COVERED:**

- A. Subject to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does, for the term of this Agreement, hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment of all employees of the Employer included in the bargaining unit described as all regularly employed custodial, maintenance, and food service employees, but excluding supervisory, temporary, confidential, substitute employees, and elementary cafeteria employees.
- B. The Employer will not aid, or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any group or organization for the purpose of undermining the Union. - C. The provisions of this Agreement shall be applied without regard to race, creed, relation, color, national origin, age, sex or marital status or membership in or association with the activities of any employee organization. Any language herein which refers to the male or female gender(s) shall, for purposes of this Agreement, be construed to refer to both genders.
- D. The custodial/maintenance employees shall be referred to as Unit A, and the cafeteria employees shall be Unit B.

## **ARTICLE V**

### **GRIEVANCE PROCEDURE**

- A. A grievance is a complaint by a member of the bargaining unit or the Union alleging the violation of a specific article or section of the Agreement. If any such grievance arises, such grievance shall be submitted in accordance with the following grievance procedures.
- B. The grievance procedure provided in this Agreement shall be the sole and exclusive means of presenting and resolving alleged violations of a specific article or section of this Agreement.
- C. All grievances shall be presented in accordance with the following procedures:

1. STEP ONE: An employee claiming a grievance shall discuss verbally the matter with his immediate supervisor and his steward within fourteen (14) working days of the event upon which the grievance is based, or the knowledge of the event. Within five (5) working days after presentation of the grievance, the supervisor shall give his answer to the employee, verbally.
2. STEP TWO: If the grievance is not disposed of at Step One, the grievance may be submitted within five (5) working days after the supervisor's answer is communicated to the Director of Operations or designee on a written "Statement of Grievance" signed by the employee. A copy shall be given to the supervisor involved at the same time. The "Statement of Grievance" shall name the employee or employees involved, shall state the facts giving rise to the grievance, shall identify all the provisions of this Agreement alleged to be violated by appropriate reference, and shall indicate the relief requested.

The Facilities Manager or designee shall arrange a meeting between the hours of 8:00 a.m. and 5:00 p.m., between the Union and the Employer for the purpose of discussion of the grievance, and shall give the employee and/or the chairperson an answer in writing no later than five (5) working days after the parties have met to discuss the grievance.

3. STEP THREE: If the grievance is not resolved at Step Two, the decision may be appealed in writing, to the Superintendent or his designee, within five (5) working days after the date such decision was rendered.

The Superintendent or his designee shall arrange a meeting between the hours of 8:00 a.m. and 3:30 p.m. between the Union and the Employer for the purpose of discussion of the grievance.

The Superintendent, or his designee, shall render his decision, in writing, within five (5) working days after the parties have met to discuss the grievance.

4. STEP FOUR – Arbitration:

If the Employer and the Union are unable to resolve any grievance, the grievance may be submitted to arbitration within fifteen (15) working days after the decision of the Employer or designated representative. The grievance shall be considered submitted to arbitration when written notice is submitted to the Superintendent by the Union informing the Employer of the Union's intent to arbitrate the grievance. If AFSCME Council 25 internal appeals procedure is invoked, the Employer shall grant an extension of the time limits to cover such appeal procedure.

AFSCME Council 25 Arbitration Department shall send a list of Ad-Hoc arbitrators to the Superintendent or designee to see if the parties can mutually accept an arbitrator.

If the parties are unable to agree, the case will be filed with the American Arbitration Association. In either case, the parties will be bound by the rules and procedures of the American Arbitration Association.

If not submitted, the grievance shall be abandoned, except in any emergency which is beyond the control of the Union.

The arbitrator so selected will hear the matter promptly and will issue his decision not later than thirty (30) days from the date of the close of the hearings or dates the briefs are due. The arbitrator's decision will be in writing and will set forth his findings of facts, reasoning, and conclusions on the issue submitted.

The power of the arbitrator stems from this Agreement and his function is to interpret and apply this Agreement to pass upon alleged violations thereof. He shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he have any power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The decision of the arbitrator shall be final and binding upon the Employer, the Union, and the grievant.

The costs of the arbitrator's services, including expenses, if any, shall be borne equally by the parties.

- D. 1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned at his regular rate, less any compensation that he may have received from any source during the period of the back pay.

However, any additional wages that the employee was earning while working for the School District and continues to earn while processing the grievance, shall not be deducted.

- 2. No decision in any case shall require a retroactive wage adjustment in any other case.
- E. 1. The Chapter Chairperson or steward shall be allowed such reasonable time as is necessary, without loss of time or pay, for the proper investigation of a grievance or grievances. The Superintendent or his designee will grant permission to leave work for this.

2. The Chapter Chairperson may call upon a Council and/or International Representative who will be allowed to attend the meetings and assist the Union at any step of the grievance procedure.
- F. 1. The number of days provided for the presentation and processing of grievances in each step of the grievance procedure establishes the maximum time limits and any grievance not presented within the time limits provided at each respective step of the grievance procedure shall be deemed withdrawn; provided, however, the time limits set forth herein may be extended by mutual agreement between the Board, or its representative, and the employee or the Union.

In the event the Employer does not respond within the established time limits at any step in the grievance procedure, the grievance automatically will be positioned to the next step.

## **ARTICLE VI**

### **NO STRIKE, NO LOCKOUT**

The Union agrees that its officers and staff shall not cause or institute a strike or work stoppage and further, the Union agrees that its officers and staff will in the event of any such stoppage or strike notify the unit to return to work for the term of this Agreement.

The Employer agrees that it will not cause or institute any type of lockout of any employee or employees for the term of this Agreement.

## **ARTICLE VII**

### **DISCIPLINE AND DISCHARGE**

- A. All actions dealing with discharge or discipline shall be for just cause.
- B. Notice of Discharge or Discipline: An employee shall have a right to have Union Representative present when verbal or written discipline, or a discharge is to be administered. When written discipline or a discharge is administered, a written copy of the notice provided the employee will be given to the Chapter Chairperson or the Steward.
- C. The discharged or disciplined employee will be allowed to discuss his discharge or discipline with the Steward of the Unit and the Employer will make available an area where he may do so before he is required to leave the property of the Employer. Where an employee's condition is such that any rational discussion would not be

practical, such as employees who may be intoxicated, are excessively abusive and profane, or a danger to himself or others, the Employer may have the employee removed from the premises and postpone the discipline hearing until the employee is able to rationally discuss the discharge or discipline action. Upon request, the Employer or his designated representative will discuss the discharge or discipline with the employee and the Steward in an attempt to resolve the issue.

- D. Appeal of Discharge or Discipline: Should the discharge of disciplined employee or the Steward consider the discharge to be improper, a complaint shall be presented in writing through the Steward to the Superintendent or his designee, within two (2) regularly scheduled working days from the discharge or discipline. The Superintendent or his designee will review the discharge or discipline and give his answer within three (3) regularly scheduled working days after receiving the complaint. If the decision is not satisfactory to the Union, the matter shall be referred to the grievance procedure at Step 3.
- E. Use of Past Record: In imposing any discipline of a current charge, the Employer will not take into account prior infractions if they occurred more than two (2) years previously. Falsification of employee's employment application, however, may be considered in a disciplinary action or discharge proceeding where such falsification covered up prior convictions involving theft, moral turpitude, or serious medical history which could affect the employee's job performance.
- F. If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public whenever possible.
- G. Discipline and Discharge: Discipline action or measures may include the following at the discretion of the School District depending upon the severity of the misconduct:
  - 1. Oral reprimand
  - 2. Written reprimand
  - 3. Suspension
  - 4. Discharge

The parties agree that in the event that the Employer is in the process of disciplining an employee for excessive absenteeism, the requirement to suspend the employee prior to discharge shall be satisfied by issuing a written suspension without the necessity of actually suspending the employee from work.

## **ARTICLE VIII**

### **SENIORITY**

- A. New employees hired into the bargaining unit shall be considered probationary employees for the first sixty days the employee works. During a probationary period,

an employee shall earn no fringe benefits i.e. insurance, leaves, etc. When an employee finishes the probationary period by accumulating sixty (60) days of work, the employee shall be entered on the seniority list with a calendar date of sixty (60) days prior to becoming a non-probationary employee, and shall rank in seniority from that date. School session employees shall not acquire seniority status until they serve their sixty (60) work days during the school year. There shall be no seniority among probationary employees. The probationary period shall not be cumulative for more than a twelve (12) month period.

- B. Seniority shall be on district-wide basis within the units defined in accordance with the employee's last date of hire in the unit. Unit A shall identify employees in the custodial/maintenance area. Unit B shall identify employees in the secondary cafeteria unit.

  - 4. He obtains a leave of absence under false pretenses.
  - 5. He does not notify the Employer of his desire to return to work within thirty (30) days of the expiration of leave of absence.
  - 6. If he does not return to work when recalled from layoff as set forth in the recall procedure.
  - 7. Return from sick leave and leaves of absence will be treated the same as 3. above.
- E. Seniority shall not be granted for any period an employee is on unpaid leave of absence. However, the seniority the employee has accumulated at the time of going on leave of absence will not be lost. Effective with the 1992-1993 school year, for seniority purposes, an unpaid leave of absence shall include days taken off by the employee without pay.

- F. Shift Preference - Unit A only: Shift preference will be granted on the basis of seniority within the job classification, providing requests be made only between June 1 and July 31 of each year. In proper cases, exceptions may be made. The transfer to the desired shift will be effected within two (2) weeks following the end of the current pay period within which the written request was made by the employee, except that no employee may be displaced by another after he has served one year consecutively in his position.
- G. Seniority of Officers. Notwithstanding their position on the seniority list, the Chapter Chairperson, and the Stewards of the Union shall, in the event of a layoff only, be provided work at all times, provided they are qualified to perform any of the work available.

## **ARTICLE IX**

- B. If it becomes necessary for a layoff, the following procedure will be mandatory. Within a classification, probationary employees shall be laid off first, followed by part-time employees. Senioreed employees within a classification will be laid off according to seniority as defined in Article VIII with the least senioreed employees being laid off after probationary employees. Layoff shall be within seniority Units A and B.
- C. Any employee laid off shall be able to exercise his seniority to bump into any position in a lower classification that his seniority entitles him to.
- D. Any seniority employee affected by the bump may exercise his seniority to bump any less seniority employee in his classification or in a lower classification.
- E. An employee who has bumping rights as set forth in letter C. and D. above, shall have the right to choose whether to exercise the bump, or to accept the layoff until recalled.
- F. Employees to be laid off shall have at least seven (7) calendar days notice of layoff. The Local Union's Secretary shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.
- G. Upon recall, all employees will revert back to their former classifications when the Unit is returned to full strength.

## ARTICLE X

### RECALL PROCEDURE

- A. When the working force is increased after a layoff, the employee will be recalled according to seniority in reverse order. If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the employee in writing by the Employer with a copy to the Union. The matter may then become a proper subject for the Grievance Procedure.

- (2) During the trial period, the employee will receive the rate of pay designated for the job he is performing.

**C. Involuntary Transfers:**

An involuntary transfer shall be defined as:

1. Transfer from one building to another
2. Transfer from a lower to a higher classification in another building or within the same building, when there are not other qualified individuals available.

Involuntary transfers may be invoked by the Employer for the following reasons:

2. To provide a better distribution of experienced employees within buildings

The Employer agrees that employees shall not be involuntarily transferred until after the Employer has met with the Union to attempt to resolve the problem.

**D. Temporary Assignments:**

If temporary assignments are made in Unit A or Unit B for the purpose of filling vacancies or replacing employees who are absent due to vacation, illness or other absence, such temporary assignment will be granted to the senior employee who meets the requirements for such jobs. Such employee will receive the rate of pay of the higher classification for all hours worked while filling such vacancy. Employees temporarily required to work in a lower classification shall not receive a reduction in pay.

2. Employees who are in some branch of the Armed Forces Reserve or the National Guard will be paid the difference between their reserve pay and their regular pay with the Employer when they are on full time active duty in the Reserves or National Guard, provided proof of service and pay is submitted; and further provided that such period of time shall not exceed two (2) weeks. Time missed for drill meetings will not be compensated.

**C. Leave for Union Business:**

1. Members of the Union elected to local union positions or selected by the Union to do work which takes them from their employment with the Employer shall, at the written request of the Union, receive temporary leaves of absence without pay, for periods not to exceed two (2) years or the term of office, whichever may be shorter, and upon their return shall be re-employed at work with accumulated seniority.
2.
