The Board hereby recognizes the Association as the exclusive bargaining representative as defined in The Public Employment Relations Act, as amended, for all certificated teachers, social workers, guidance counselors, and librarians employed by the district. - B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention by the Association, if the adjustment is not inconsistent with the terms of the Agreement, provided that the Association has been given opportunity to be present at such adjustment.
- C. ARTICLE IX- PAID LEAVES

- A. All teachers regularly employed by the district shall be granted ten (10) paid sick leave days per year. Paid leave days will accumulate without limit for all teachers employed by the district prior to September 1, 1995. All teachers employed by the district on or after September 1, 1995 shall have their paid leave days accumulate to a maximum of 180 days. Sick leave may be used for illness or medical care of the spouse, son or daughter, parents, or other members of the teacher's household. Any leave granted under this provision will run concurrently with any leaves for which the employee is eligible under FMLA.

- B. In the event of absence due to personal illness of a teacher in excess of five (5) consecutive working days, or when a teacher exceeds ten (10) working days of absence due to personal illness in a school calendar year without documentation from a doctor, the Board may, at its expense, require an examination by a physician.
- C. The superintendent may, with good cause, at the Board's expense, require the teacher to receive a physical or mental examination by an appropriate physician to determine whether involuntary sick leave is warranted.

The doctor will be asked for his/her opinion as to whether the teacher is capable of performing the essential functions of his/her assignments.

- D. The Board shall furnish to each teacher, at the beginning of the school year, a written statement setting forth the teacher's total sick leave credit.
- E. Any teacher who is absent because of an injury or disease compensable under the Michigan Worker's Compensation Act may use accumulated sick leave days in order to receive the difference between the allowance under the Worker's Disability Compensation Act and his/her regular salary.
- F. Leave Donation

5. Teachers may not give away any days that drop them below the 90 day long term disability requirement. However, they may accumulate up to 180 days for their own personal use.

During the jury service, the Board shall pay the teacher an amount equal to the difference between the teacher's salary and the daily jury duty fee paid by the court (not including travel allowances or reimbursements of expense) which he/she otherwise would have been scheduled to work, provided that the teacher cooperates with the administration in seeking to be excused from such service. A leave of absence with pay may be granted for the time necessary for appearances in any court appearance connected with the teacher's employment or with the school system, but only if the teacher is required by law.

Any leave granted under this provision will run concurrently with any leaves for which the employee is eligible under FMLA.
- F. A teacher who is unable to teach because of personal illness or disability shall be granted an unpaid leave of absence for the duration of such illness for up to one year. Extensions of leave beyond this period shall be at the discretion of the Board. Any leave granted under this provision will run concurrently with any leaves for which the employee is eligible under FMLA.
- G. The Board may grant a leave of absence upon written request for purposes not described above.
- H. No credit toward incremental salary adjustments are earned nor granted during unpaid leaves of absence.
- I. Some employees may be eligible for other leaves of absence under the Family Medical Leave Act. When an employee is eligible for an FMLA leave and makes proper application, and a leave for the same or overlapping period is available by contract, the leave shall run concurrently.

ARTICLE XI- PROTECTION OF TEACHERS

- A. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. A teacher may temporarily exclude a pupil from his/her class when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. The pupil shall not return to class until after communication has taken place between the principal and the teacher. Whenever it appears that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians

or other professional persons, the Board will take reasonable steps to provide such services.

- B. Any case of assault upon a teacher which had its inception in a school centered problem shall be promptly reported to the Board or its designated representative. The Board shall render assistance to the teacher in connection with handling the incident by law enforcement and judicial authority; provided, however, the Board shall not be obligated to employ legal counsel, pay costs of suit or incur any other type of financial obligations in reference to the prosecution of civil suit instituted by the teacher resulting from the assault; and, further provided, that such alleged assault on the teacher did take place while the teacher was operating within the policies, rules, and regulations of the Board of Education.
- C. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the Board will provide teachers with legal representation to the extent covered by the District's property/casualty insurance policy.
- D. Provided that the teacher was operating within the policies, rules and regulations of the Board, time lost by the teacher for consultation or court appearances in connection with any incidents mentioned in B and C above shall not be charged against the teacher, up to a maximum of 30 days.

ARTICLE XII- SENIORITY

- B. In the event of a tie in seniority, the last four digits of the social security number will be used with the highest number having the greatest seniority.
- C. Time spent on leave or on lay off shall not be construed as a break in continuous service and seniority shall continue to accrue.
- D. Bargaining unit members who accept a supervisory or executive position within the district shall retain such seniority as was accrued while a member of the bargaining unit should they leave the supervisory or executive position and return to the bargaining unit. This accrued seniority shall be shown on the seniority list.

Meet within ten (10) school business days of its alleged occurrence with the building principal to discuss the problem in an attempt to resolve it. Providing said party desires the grievance process to continue they proceed to Step 2.

Step 2

If no solution is reached within ten (10) school business days of the discussion, said teacher shall reduce the grievance to writing and file the same. Providing said party desires the grievance process to continue they proceed to Step 3.

Step 3

Within ten (10) school business calendar days of receipt of the grievance, the designated representative of the Board shall meet with the Association in an effort to resolve the grievance. It shall not be mandatory for the teacher to be present at such meeting unless so notified by the representative of the Board. Providing the said party desires the grievance process to continue they proceed to Step 4.

The Association shall have the sole authority to submit the grievance to the arbitration process. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Any monetary awards of the arbitrator shall be limited to the actual losses of wages and fringe benefits subject to this contract claimed by the grievant, and no awards for punitive damages shall be prescribed. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be shared equally by the parties. In the event the arbitration process is cancelled or postponed, the cancellation or postponement fee, if any, shall be paid by the party requesting the cancellation or postponement.

- D. The time limit provided in this Article shall be strictly observed but may be extended by written mutual agreement of the parties.
- E. All preparation, filing, presentation or consideration of grievances shall be held at times other than when a teacher or a participating Association representative is to be present at their assigned duty stations.

- H. Unless expressly agreed to by the parties in writing, an arbitrator is limited to hearing one grievance upon its merits.

ARTICLE XIV- NO STRIKE

The Association therefore agrees that its officers, representatives and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any teacher take part in any strike, slowdown or stoppage of work, boycott assigned duties, picketing or other interruption of activities in the Hart Public School System.

- B. The parties will contact one another to begin scheduling negotiations for a new contract at least 90 days before the current contract expires.
- C. In any negotiations described in this Article, neither party shall have control over the selection of the negotiating or bargaining representatives of the other party and each party may select its own representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed or binding without ratification by a majority of the membership of the Association and the Board, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission or take any other lawful measure it may deem appropriate.
