**MASTER AGREEMENT
PINE RIVER AREA SCHOOLS**

This Agreement entered into between the Board of Education of the Pine River Area Schools, hereinafter called the “Board” and the Pine River Education Association, MEA/NEA, hereinafter called the “Association.”

Statement of Non Discrimination: It is in the policy of Pine River Area Schools that no person shall be unlawfully excluded from participation, be denied the benefits of, or otherwise subjected to discrimination in employment or educational policies and programs because of race, religion, color, national origin, age, sex, marital status or disability.

ARTICLE I – RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section II of Act 379 Public Acts of 1965, for all regular contract members of the Pine River Teaching Staff, including teachers assigned as counselors and school social workers, but excluding supervisory, executive and/or administrative personnel. The term “teacher”, when used hereinafter in this Agreement, shall refer to all currently certified State of Michigan full-time and part-time teachers and school social workers employed by written contract, except substitute teachers employed on a day-to-day basis.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given written notice of the grievance settlement.
- C. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School Laws.

ARTICLE II – TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every teacher shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other lawful concerted activities for mutual aid and protection or to refrain from such activity. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it shall not directly or indirectly discourage, deprive, or coerce any teacher in the enjoyment of any rights conferred by Act 379; that it shall not discriminate against any teacher with respect to hours, wages, or other terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any legal activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment or refraining from such activities.
- B. The Board specifically recognizes the right of its teachers appropriately to involve the assistance of the Michigan Employment Relations Commission, or mediator from such public agency.
- C. The Association and its members shall have the right to use school building facilities at all reasonable hours for meetings upon proper application.
- D. The Board agrees to furnish to the Association in response to reasonable requests all available information concerning the financial resources of the District including the final budget and allocations and such other information as shall assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students. The Association shall be duly advised of fiscal and tax programs affecting the District, and the Association shall, whenever feasible, have the opportunity to consult with the Board with respect thereto prior to general publication.

ARTICLE III – BOARD OF EDUCATION RIGHTS

- A. The Board and its agents, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:
1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees.
 2. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote and transfer all such employees.
 3. To establish grades K through 12 and courses of instruction contained therein, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board.
 4. To decide upon the means and methods of instruction, selection of textbooks and other teaching materials, and the use of teaching aides of every kind or nature.
 5. To determine class schedules; the hours and days of instruction; parent conference days; the duties, responsibilities, and assignments of teachers and other employees with respect thereto; school related non-teaching activities; and the terms and conditions of employment.
- B. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board; the adoption of policies, rules, regulations, and practices in furtherance thereof; and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.
- C. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws or any other national, state, county, district, or local laws or regulations as they pertain to education.

ARTICLE IV – COMPENSATION AND EXPERIENCE CREDIT

- A. The salaries of teachers are set forth in Schedules A and B.
- B. The salary schedule is based upon a full-time teaching position covering the regularly scheduled school year per the current State of Michigan minimum instructional days and in accordance with the official calendar. Should legislation change whereby total annual hours becomes a consideration for make-up days, this clause will be deleted from the Agreement.
- C. No teacher's normal workday shall exceed seven and one-half (7 1/2) hours per day, including lunch hour.
- D. When a teacher has completed two (2) semesters in the system he/she will advance one step on the salary schedule in accordance with Schedule A. Half steps will be paid the average of the two whole steps they are between.
- E. Years of service shall be calculated based on date of hire.
- F. The two (2) methods of payment are as follows:
1. Paid every two (2) weeks twenty-six (26) equal pays.
 2. Paid every two (2) weeks in twenty-one (21) equal pays with the final pay being paid the second pay in June.
- G. The dates of the first pay of each year of this Agreement are listed below.
1. September 6, 2019 is the first pay of the 2019-2020 school year.

2. September 4, 2020 is the first pay of the 2020-2021 school year.
3. September 3, 2021 is the first pay of the 2021-2022 school year.
4. September 2, 2022 is the first pay of the 2022-2023 school year.

ARTICLE V –

TEACHING CONDITIONS, ASSIGNMENTS AND LENGTH OF SCHOOL DAY

- A. Because the Board of Education has the statutory duty to educate all children within the boundaries of the School District, and because the student/teacher ratio is an important aspect of the educational program, and because the number of students the teacher is required to instruct has a direct bearing upon the amount of work required of the individual teacher, the parties agree that the size of the individual classes shall be given careful consideration and any inequities adjusted upon the request of the teacher or Association if economically and educationally feasible and desirable as determined by the Board of Education.
- B. All attempts shall be made to maintain a maximum class size: Grades kindergarten through third shall not exceed twenty-eight (28), grades fourth through seventh shall not exceed thirty (30), and grades eighth through twelve shall not exceed thirty-two (32) students per teacher. Industrial arts classes shall not exceed twenty-four (24) students per teacher. Physical Education classes shall not exceed forty (40) students per teacher. Strength and Conditioning classes shall not exceed twenty-eight (28) students per teacher. Vocal music and/or Band shall be open to any number registered.
1. Combination classrooms shall have up to and including twenty-four (24) students per Elementary classroom.
 2. When these sizes are exceeded, a student overload will exist, and the following compensation will occur: 1) A classroom para-professional may be assigned to address the overload situation. The addition of this para-professional will increase the maximum class size by three (3) students. 2) Compensatory pay will be provided using the formulas that follow: Secondary teachers (grades 6-12) will receive one hour per week per student overload, Elementary teachers (grades K-5) will receive one hour per day per student overload, and Elementary Specials teachers will receive \$3.35 per session per student overload; or 3) a meeting will be held with the Teacher, Association President and/or Representatives and Superintendent and/or Board Representatives to arrive at an agreeable solution to the problem.
 3. Resource room class sizes shall conform to the State of Michigan Rules and Regulations or per waivers through the ISD.
 4. If a teacher takes on an additional class during an existing class period, the teacher shall receive one-quarter of an hour of compensation per period of doubled classes.
 5. When an overload exists, the teacher shall inform the Administration, in writing, that an overload exists. The Administration shall then have ten (10) days to resolve the overload before the aforementioned compensation begins.
- C. All teachers shall be entitled to a duty free, uninterrupted lunch period of at least thirty (30) minutes.
- D. The full-day, regular building schedule shall provide that Secondary teachers (grades 6-12) shall have one (1) planning/preparation period; likewise, Elementary teachers (grades K-5) shall be free from classroom duties for a minimum of forty-five (45) minutes per day on regular, full days of instruction for planning/preparation. This time shall be used for school business within district as determined by the individual teacher. If this business necessitates the teacher leave the district, permission must be granted by the Administration. Should the Board of Education hire additional specialists, the elementary teachers shall be free from classroom duties for that period of time. This time may be added to the forty-five (45) minutes and averaged over a two-week period, provided such time does not exceed an average of sixty (60) minutes per day. Planning periods are not guaranteed on scheduled half- or partial days, or days shortened due to any reason.

1. In the event a teacher does not receive the planning/preparation time above specified, or shall be called upon to teach during a regularly scheduled preparation period, or shall be called upon to attend a meeting (extending beyond the meetings described in Schedule B, Section F.2), he/she shall receive compensatory time. Seven (7) hours of accrued time will equal one (1) day. Teachers may use up to one (1) day per school year. Any accrued compensatory time not used by the end of the school year shall be paid at the rate specified in Schedule B, Section F.4.
 2. It is expressly understood that this provision is intended to cover emergency situations. Teachers shall not be assigned in place of a substitute teacher or be assigned when absence is known in advance if at all possible. However, teachers may volunteer in advance to cover for other absent teachers under the conditions established in Number 1 above. Such volunteers shall be placed on a list by hour by the building principal and called upon on a rotating basis inasmuch as is possible.
 3. When a team-taught class is missing the Teacher of Record, the first priority is filling the Teacher of Record assignment, followed by filling the IEP-designated special educator; in cases where the special education teacher is absent, a team-trained special educator will be sought first, followed by instructional staff otherwise not specially trained to team teach.
 4. Teachers who are assigned or who volunteer to accept an extra duty hour of instruction in lieu of a planning period do so with the understanding that where there is extra compensation for teaching an extra hour, there is no guarantee of any planning time during the instructional day.
- E. Unless prohibited by legislation, the president of the Association shall be released from his/her teaching duties for one-half (1/2) day per month to work on matters of concern to the Association.
- F. Any staff member required to work in excess of the teacher workdays specified in the regularly scheduled school year shall be paid his/her daily rate of pay for all additional days or hours. This does not affect Schedule B positions.
- G. Compensatory time shall not be granted to extend regularly scheduled vacations, nor shall it be used to work for another employer.
- H. Building start times and staff report times are in Schedule C of this Agreement.
- I. The length of the elementary teaching day shall be as near as possible to the length of the secondary teaching day.
- J. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, sex, color, national origin, or marital status or membership in or association with the activities of any teacher organization. The Board and Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color, or national origin and to seek to achieve full equality of educational opportunity to all pupils.
- K. All elementary and secondary teachers shall attend school functions of their respective buildings, such as Open Houses, Parent-Teacher-Conferences, student activities for which they are responsible, and student dances for which they have volunteered. Elementary teachers are expected to attend PTCGs. Teachers shall be responsible for supervision at any official class functions for which they have agreed to supervise. The Association recognizes the fact that it is in each teacher's professional interest to be involved in extra-curricular activities during the school year. It is further recognized that different buildings have different needs and thereby may by necessity and/or design conduct different after school activities, requiring different hours; however, every effort will be made by the administration to ensure hours required are similar from building to building over the course of the school year.
- L. All teachers must attend meetings called by the administration as a regular part of their teaching duties unless otherwise excused by the administration. All meetings shall begin within thirty (30)

minutes after an operational school day. Morning meetings may be held provided they adjourn within fifteen (15) minutes of school starting time.

- M. Teachers shall give account for school materials, equipment, and facilities assigned to them provided they have sole responsibility for their working area.
- N. Reasonable supervision of students is the teacher's responsibility during the school day. This includes activities in all school areas such as cafeteria, halls, lavatories, playgrounds, assemblies, and any other place where students may congregate during the normal school day. Teachers shall cooperate in good housekeeping practices in the halls, respective classrooms, and their lounge.
- O. Every effort will be made by the administration to ensure that facilities are maintained in a safe and healthy condition.
- P. All teachers who are eligible to receive the services of a trained aide(s) shall be consulted before such services begin. Training of aides is the responsibility of the administration.
- Q. Bargaining unit Mentor Teacher positions shall be developed on an as-needed basis to function as an advisor/resource person to probationary teachers by the employer according to the following guidelines:
 - 1. Whenever possible, such mentor teachers shall be tenured teachers. It is understood and agreed that mentor teachers may also be retired teachers or college professors as allowed by law. Whenever possible, no mentor will be assigned more than one (1) probationary teacher per year, and the Association will be notified in such situations.
 - 2. A bargaining unit mentor teacher shall serve on a voluntary basis and shall work with probationary teachers from a related area of expertise, responsibility or experience.
 - 3. A bargaining unit mentor teacher may have released time as approved by his/her principal to use to observe or otherwise be available to the probationary teacher assigned.
 - 4. The mentor teacher shall not be expected to act in an evaluative, disciplinary or supervisory capacity over a probationary teacher, nor shall the mentor teacher be required to provide information for use in such administrative functions regarding the probationary teacher assigned. The function of mentoring shall not be included, on the mentor teacher's request, in the mentor teacher's performance evaluation.
 - 5. The mentor teacher shall assist the probationary teacher in planning with the administration the fifteen (15) days of professional development within the first three (3) years of employment of the probationary teacher.
 - 6. A mentor teacher may not continue in that position from year-to-year unless requested to do so by the principal. The probationary teacher involved shall have input into this process.
 - 7. Mentor teachers shall be paid \$30/hour.
 - 8. Mentors are expected to perform the following duties:
 - a. Spend approximately forty-five (45) minutes of planned time with the assigned probationary teacher twice a month. This time includes weekly in-person or telephone contacts if the mentor teacher is having difficulty impromptu contacts. Planned time meetings should be a minimum of fourteen (14) hours and a maximum of thirty (30) hours per semester unless additional time is approved by the principal.
 - b. Document all dates of conferences, personal contacts and classroom visits with the assigned teacher in a conference log that is to be provided to the principal at the end of each semester.
 - c. Suggest current research or otherwise provide insight and suggestions for improving instruction in both the probationary teacher's subject area and in the classroom management strategies.
 - d. At least one (1) planned classroom visit conducted during the year.

- e. Help probationary teacher select appropriate in-service days that meet the state guidelines (currently fifteen (15) days in a three (3) year period).
 - f. Be part of a summer or other non-instructional day “Mentor Day” for up to two (2) days, not to exceed six hours, for a stipend of \$125. Must have a principal signed, pre-approved agenda and all mentors and mentees must be invited.
- R. Teachers will sign and adhere to the computer and network acceptable use policy.
- S. The term “part time teacher” shall be understood to be any highly qualified teacher employed by the district for less than 100% of the contracted teaching day. All stipulations within the Agreement will be applied equally to full time and part time employees, except to comply with the following.
- 1. Tenured teachers may request job sharing by sending a letter to the superintendent.
 - 2. The prorated percentage of a part time teacher’s assignment shall be determined using a mutually agreed upon method by the Board and the Association, calculated on an individual basis. This will be used in determining the annual compensation for the part time teacher.
 - 3. The prorated portion of Board-contributed health insurance premiums will be computed in the same manner as the annual compensation, unless the prorated portion is greater than or equal to seventy-five percent (75%) of full time, in which case the part time teacher’s benefits will be equal to that of a full time teacher’s benefits, or as required by law.
 - 4. A part time teacher will move up in experience steps equivalent to a full-time teacher.
- T. Special Education teachers may use up to two (2) days per semester, provided a sub is pre-arranged, taken in half or whole days, to prepare and conduct IEPs, progress monitoring, one-on-one student testing, or other duties as determined by the teacher in conjunction with the Administration and/or Special Education director.
- U. A teacher teaching in lieu of a preparation period for a semester or longer shall receive one-seventh of his/her contractual salary on a pro rata basis.

ARTICLE VI – VACANCIES AND PROMOTIONS

Whenever a vacancy in a professional teaching position in the District shall occur, the Board shall publicize the same by giving written notice of a vacancy to the president of the Association and providing appropriate posting in each of the several school buildings.

ARTICLE VII – SICK LEAVE AND LEAVES OF ABSENCE

- A. Teachers shall be granted eight (8) sick days per year. Sick days will be credited to each teacher's sick day account at the beginning of the school year. Sick days may be used for an individual illness as well as that of a family member. A family member includes a child, parent, spouse, grandparent, grandchild, or sibling as defined by the PMLA (Michigan Paid Medical Leave Act) and shall not provide greater benefits than that allowed by the statute. If at the end of a school year more days have been used than accumulated, it will be deducted from the teacher's last check. In addition, at the beginning of the school year, the business office will provide each teacher with a statement indicating the number of sick days accumulated as of the end of the previous school year, plus the eight (8) new credited days, and the total days available. The administration reserves the right to ask for a doctor’s note in the event of questionable use of leave time.
- 1. Sick leave days may accumulate to one hundred thirty-five (135) days. Accumulated sick leave days shall carry over to the next school year. Newly credited sick leave days will be added to the accumulated sick leave days, giving a total number of available sick leave days, not to exceed one hundred forty-three (143) sick leave days.
 - 2. After ten (10) continuous years of service, teachers retiring or voluntarily leaving the School District shall be paid at fifty percent (50%) of current daily sub rate for their accumulated sick days.

- B. Up to four (4) personal business days may be granted to a teacher for the purpose of transacting business of an urgent nature which cannot be transacted at times other than the normal working hours. These days are not intended to be used to extend vacations, holidays, or summer breaks. Written application shall be made at least three (3) days prior to the expected date of absence, except in the case of an emergency situation. Unused personal business days roll over to sick leave accumulation. No more than two (2) personal days may be used consecutively.

Disclosure of the reason for use of personal business days is to be at the discretion of the teacher. The Board reserves the right to deny personal business days when too many staff members request the same day and permission for all requests would make it impossible to hire substitutes. This is to include compensatory time earned.

- C. Special Circumstances: Should extenuating circumstances occur, compensatory time or a personal day may be used to extend a vacation with pre-approval of the Superintendent.
- D. Upon reaching ten (10) years of teaching and provided the two (2) most current year-end evaluations are rated as effective or better, leaves of absence without pay may be granted upon application for not more than one (1) year, unless by mutual agreement, for the following purposes:
1. Special program completion problems may be considered by the Board. The regular salary increment occurring during such period shall be frozen.
 2. For a teacher to work outside of the field of education in his/her field of specialization training.
 3. All unpaid leaves of absence, granted by the employer, will result in the employee paying the cost of his/her benefits for the time of the unpaid leave.
- E. Family and Medical Leaves: Leave without pay may be granted up to a maximum of one (1) year renewable at the discretion of the Board.
1. Upon request, the Board shall grant unpaid leaves of up to one (1) year renewable for the following reasons:
 - a. The serious health condition of the employee; or
 - b. The serious health condition of the employee's spouse, parent, parent-in-law, grandparent, or child; or
 - c. The birth of a child; or
 - d. The placement of a child for adoption or foster care.

The term "child" includes any individual under 18 for whom the employee serves *in loco parentis*; a child over 18 who is incapable of self-care because of physical or mental disability; or a biological, adopted, or foster child.
 - e. Other reasons pursuant to FMLA.
 2. Upon return from the leave, the employee shall be returned to the position held immediately before the leave began as provided for twelve (12) week FMLA leave. If the position no longer exists, the employee shall be returned to a position equivalent in pay, benefits, hours, and other terms and conditions of employment.
 3. The employee shall use all accrued paid sick leave and/or personal leave during the leave. The remainder of any leave will be unpaid.
 4. Health benefits will be continued for the first twelve (12) weeks of leave in any twelve (12)-month period under the same conditions and at the same level as if the employee were still at work.
 5. Seniority shall continue to accrue during the leave.
 6. The employee shall have the right to take the leave on a reduced or intermittent schedule if subject to FMLA .

7. Whenever practicable, the employee will provide the employer at least thirty (30) calendar day's written notice of the request for the leave. It will include the reason for the request, the expected beginning date, and the expected ending date.
- F. After ten (10) years of effective/highly effective service, leaves of absence shall be granted of up to two (2) years to any teacher who joins the Peace Corps as a full-time participant in such program. Any period so served shall be treated as time taught for purposes of salary schedule set forth in Schedule A of this Agreement.
- G. Teachers who are officers of the Association or are appointed to its staff may, upon proper application, be given leave of absence without pay for the purpose of performing the duties of the Association. Teachers given leaves of absence without pay shall receive credit toward annual salary increment on the schedule appropriate to their rank.
- H. Military leaves of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty to any branch of the armed forces of the United States, not to exceed the normal tour of duty.
Teachers on military leave shall be given the benefit of any increment which would have been credited to them had they remained in active service to the school system.
- I. Teachers may take one day a year, charged to sick leave, for the birth of a grandchild, to attend the funeral of an individual not addressed under "funeral leave" or for emergency concern or special circumstance. Requests for additional days under this category must be made directly to the Superintendent.
- J. In case of a death in the immediate family, three (3) days of Funeral Leave, not deductible from the teacher's sick leave allowance, shall be granted. In cases where additional bereavement leave days may be required, the Superintendent shall grant, upon request, two (2) additional days for this purpose, such days to be deductible from the teacher's sick leave allowance. For the purposes of this Article, the "immediate family" shall be defined as including spouse, parent, children, siblings, grandparents, grandchildren, mother-in-law, father-in-law, sons-in-law, daughters-in-law, aunts, uncles, and residents of the immediate household.
- K. Any teacher who suffers an on-the-job injury, which is compensable under the Michigan Worker's Compensation Law, may receive the difference between his/her normal wages and the amount he/she is provided by Worker's Compensation deducted from his/her prorated accumulated sick leave.
- L. A leave of absence will be granted to a teacher called for jury service. The Board shall pay an amount equal to the teacher's daily salary, and the daily jury duty fee paid by the court (not including travel allowances or reimbursements of expenses) shall be given to the School District for such day on which the teacher reports for or performs jury duty. Teachers called to testify directly related to their employment shall be paid in the same manner provided the teacher is not a party adverse to the district.
- M. At the beginning of each school year, the Association shall be credited with twenty (20) days to be used by the teachers who are officers or agents of the Association with a maximum of three (3) consecutive days being used by any one teacher, such use to be at the discretion of the Association. The Association agrees to notify the Board no less than forty-eight (48) hours in advance of taking such leave. The Association shall pay the cost of substitute teachers.
In the event a teacher is elected to state office, days used to attend regular meetings shall not be deducted from the Association days.
- N. Any day on which an employee is absent, and he/she is engaged in professional business as an observer or participant under the direction of the Board of Education, shall not be regarded as an absence, provided such business has been cleared through the Superintendent's office.
- O. The following shall be in effect in the event school is closed on a regularly scheduled day:

1. Sick Leave: Sick leave shall not be deducted if such day falls on the day of a prearranged paid sick leave.
2. Personal Business Leave: A personal business day shall not be deducted if such day falls on the day of a prearranged personal business leave day.
3. Funeral Leave: Funeral leave day taken under Article VIII, Section H, shall not be deducted if such day falls on a prearranged funeral leave day and the individual uses that day for the purpose intended.

P. Teachers using not more than two (2) sick and/or personal days during the school year will receive a five hundred dollar (\$500.00) stipend at the end of the year. Teachers using more than two (2) but not more than five (5) days during the school year will receive a one hundred dollar (\$100.00) stipend at the end of the year. First year teachers will be granted the yearly allotment of sick days and will have the option of placing two (2) sick days in the Teacher Sick Bank. Days placed in the sick bank will not be counted as days of absence.

Q. Sick Leave Bank

1. The Board of Education will cooperate in the operation of a Sick Leave Bank. All certified professional personnel of the bargaining unit may participate in the bank on a voluntary yearly basis. First year teachers will have the option to be granted 10 sick days of which two (2) will be placed in the Teacher Sick Leave Bank. Exceptions to this Article will be individuals who are on short or long-term disability.
2. The primary purpose of the Sick Leave Bank is to protect an employee's earning power during periods of protracted and unavoidable absence due to his/her incapacity to perform the responsibilities of his/her assignment.
3. Each individual teacher, except first year teachers, may join the Sick Leave Bank only after she/he donates one (1) day and only one (1) day of his/her accumulated sick leave to the bank and submit his/her authorization to join. The authorization to join must be made within the health insurance policy's open enrollment period at the beginning of each participatory year or during the first thirty (30) days of employment with the district. Teachers opting to not enroll in the Sick Leave Bank during the open enrollment period shall be denied membership to the bank for the duration of that school year.
4. In the establishment of the Sick Leave Bank, each employee that agrees to take part in the Sick Leave Bank will donate one (1) day as described in paragraph 3 of this section. The Sick Leave Bank shall not exceed three hundred (300) days. First year teachers may join with two (2) days regardless of accumulated days.
5. A member will donate one (1) day of his/her sick leave to the bank only when the tabulation drops below two hundred (200) days. When the bank falls below the two hundred days (200), an additional day will be taken from all participating members at the start of the following year. No days will be deducted from any employee if the deduction of the days from any or all participating employees causes the maximum, outlined in paragraph 4 of this section, to be exceeded.
6. A person withdrawing from membership in the bank will not be able to withdraw the contributed days.
7. Upon depletion of a member's own accumulated sick leave, he/she must wait an additional ten (10) school days before drawing from the Sick Leave Bank. The ten (10) school days may be paid retroactively when or if the Sick Leave Bank Committee has authorized a grant.
8. Maximum withdrawal will not exceed ninety (90) days per person per year. When, and only when, the teacher is eligible for LTD, the total amount of days that may be withdrawn shall be no more than the number of days needed between the member's accumulated sick leave and the time period that is required before LTD takes effect.

9. A person who is on layoff or on a non-compensated leave of absence shall not be able to withdraw days from the Sick Leave Bank except as specified in paragraph 10 of this section.
 10. A member of the Sick Leave Bank on a non-compensable leave of absence due to reason of disability is eligible to apply for coverage by the bank and may use these non-compensable days to satisfy the waiting period of (10) days as mentioned in paragraph 7 of this section.
 11. The Sick Leave Bank Committee will control the Sick Leave Bank and retroactive withdrawals. The committee shall consist of the President and Vice President of the Association, the Superintendent, and the employee's immediate supervisor. Granting of Sick Leave Bank withdrawal and retroactive pay shall be secret ballot with each member of the committee having exactly one (1) equal vote. Simple majority of the vote will rule.

Whenever it appears that a particular pupil requires the attention of special counselors, social workers, or law enforcement personnel, the teacher shall advise the Administration, and if the Administration concurs and such help is available, reasonable steps shall be taken to provide such special attention as is required. - F. Teachers shall be expected to exercise reasonable care with respect to the safety of the pupils and property.
- G. The official personnel file for each teacher shall be maintained in the central school office. Any material shall be brought to the attention of the teacher before being placed in his/her file. - J. FOIA (Freedom of Information Act): All items placed into files that can be accessed through FOIA must be initialized by the teacher prior to being placed in the file. When a person, other than the employee(s) given direct responsibility of managing the files, asks to see an employee's file, the employee whose files are being requested will be notified immediately and the maximum time permitted by law will be taken before files are shown or turned over unless the teacher whose files are being requested waives this action upon notification.

The parties undertake to cooperate in arranging meetings. Items for a given meeting shall be limited to an agenda proposed in advance.
- B. In any negotiations described in the Article, neither party shall have any control over the selection of the negotiation or bargaining representatives of the other party and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.

- \$1000 Additional for successful completion of one or more Master-level degrees – each year
- \$1000 Additional for completion of Ed.S. – Educational Specialist Degree – each year
- \$1000 Additional for successful completion of one or more Doctoral-level degrees – each year

C. Placement on the salary schedule shall be determined by:

1. BA I: Hold valid certificate pursuant to the provisions of the Education Law.
2. BA+15 II: Have completed fifteen (15) semester hours of approved study beyond the Bachelor's degree.
3. MA III: Have completed a Master's degree of approved study.

It is the opinion of the Administration and the Board of Education that a teacher having passed successfully thirty-three (33) semester hours beyond the Bachelor's Degree and who has taken subjects in the field of education or related to their field of teaching may be considered to have a Master's Degree equivalent and thereby compensated at the same rate as the holder of a Master's Degree. It will be the responsibility of the Superintendent to audit the credits provided by the teacher to ensure the aforementioned conditions exist.

D. The Maximum transferable years of experience shall be at Board discretion.

E. No teacher shall advance more than one step per school year on the salary schedule.

- F. The Board agrees to pay the percent of salary for retirement as mandated to the State of Michigan Public School Employees Retirement Fund.
- G. Any bargaining unit member with 10 (ten) or more years of service, who submits an unconditional written resignation or retirement to the Superintendent's office at or before 4:00 p.m. on the first Monday of March of the contract year, shall be entitled to receive a payment in the amount of \$1,000. The payment shall be subject to the following:
 - 1. Resignations or notice of retirement of qualified bargaining unit members submitted after 4:00 p.m. on the first Monday of March of the contract year shall not entitle the resigning or retiring bargaining unit member to any payment under the provisions of this agreement.
 - 2. Payment of the qualified amounts (minus employee FICA, tax withholding and other legally required deductions) shall be made to eligible bargaining unit members as part of their paycheck within 30 days of receipt of the letter of resignation or retirement.
 - 3. Resignations or retirements submitted under this provision, must be signed by the bargaining unit member, and designate the date of the resignation as the last professional staff work day of the current contract school year, unless the professional is physically unable to complete the school year and resigns earlier.

SCHEDULE B – EXTRA CURRICULAR DUTIES AND REIMBURSEMENTS

A. Conferences

Teachers who request to attend a conference or training during non-contracted days must gain signature of approval of the superintendent through the building administrator in accordance with the school/district improvement plan and the Title IIA, professional development plan. All effort will be made to accommodate such requests. All teachers who attend conferences/trainings during non-contracted days are eligible to be reimbursed as follows:

1. Mileage at the current IRS rate.
2. Lodging costs as pre-approved.
3. Meals to be reimbursed adhering to the per diem maximum of forty dollars (\$40) per day for the employee’s food and non-alcoholic beverages only.
4. Teachers applying for college credit are not eligible.
5. Teachers already receiving a stipend for conference/training are not eligible.

B. The following shall be the only extra-curricular activities for which reimbursement will be allowed. This schedule shall be based on steps of the non-indexed BA I salary schedule according to the following scale: Year one receives step one, years two through four receive step two, years five through seven receive step three, years eight through ten receive step four, and years eleven and higher receive step five. A “particular activity” shall be defined to include movement from one level to another and/or one gender to another. For example, NJHS and NHS are both Honor Society activities and girls' and boys' basketball are considered basketball activities. Teachers collecting Schedule B reimbursement may be required to annotate hours by maintaining an Advisor Log. Advisor Logs will be supplied by the Administration at the beginning of the assignment or upon request.

1. The following positions are Coaches. An Athletic program may add personnel by dividing total current coaching percents among all perspective coaches. Pre-approval is required, submitted to PREA Executive Board, prior to the first scheduled event for that sport. A Letter of Agreement signed by the Athletic Director, Superintendent, and PREA President signifies approval. Please note this does not add money to any sport. Also, the percentages may not be increased by dividing current percents among fewer coaches. If there is no Teacher willing to fill these positions, the positions may be offered to other internal candidates. If no internal candidates can be found to fill these positions, the positions may be offered to external candidates, or remain unfilled.
