**FAIRVIEW TEACHERS' ASSOCIATION-AMERICAN FEDERATION OF
TEACHERS' AGREEMENT**

This Agreement is entered into this 1st day of July 2018 by and between the Fairview Teachers' Association – American Federation of Teachers Michigan (FTA-AFTM) and the school district of Fairview Area Schools, Fairview, Michigan, hereafter called the Board.

ARTICLE I: RECOGNITION

- A. The Board hereby recognizes the FTA-AFTM as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all classroom teachers and guidance counselors including probationary personnel.

The term "teacher" when used hereafter in this Agreement shall refer to all employees represented by the FTA-AFTM in the bargaining or negotiating unit as above defined and references to teachers shall include both male and female teachers.

The term "teacher" as used in this Agreement shall not include substitute teachers or "lead teacher"/administrative professional duty hours. Teachers who are assigned either full-time or part-time to "Lead Teacher" administrative professional duty hours will be considered as full-time bargaining unit members for purposes of calculating salary and the benefits under this Agreement. Any supplemental pay for teachers in these positions will be determined by the district.

The term "professional staff member" refers to any individual assigned to a counseling position with a license issued by the Michigan Department of Licensing and Regulation and furthermore relates only to the time served in that capacity. The term professional staff member shall also include any new position the parties agree to include in the bargaining unit in the future that does not require teacher certification.

Any individual serving as a Counselor under a license issued by the Michigan Department of Licensing and Regulation or in a future position the parties agree to include in the bargaining unit, will serve a five (5) year probationary period.

- B. The Agreement shall supersede any rules, regulations, or practices of the Board, which shall be contrary to or inconsistent with its term. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contract previously in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- C. If any provisions of this agreement or any application of this agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- D. The entire agreement or specific provisions of the agreement may be rejected, modified, or terminated by an emergency financial manager under conditions provided in the Local Government and School District Fiscal Accountability Act, 2011 PA 4.

ARTICLE II: BOARD'S RIGHTS AND RESPONSIBILITIES

- A. The Board on its own behalf and on behalf of the electors of the school district hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States. Such rights, duties, etc., shall include, by way of illustration and not by way of limitation, the right to:
1. Manage and control its business, its equipment, and its operation and to direct the working forces and affairs of the school district.
 2. With regard to professional staff members, to continue its right to adopt policies and practices of determining qualifications, assignments and direction of its personnel, determine the number of personnel and scheduling of all the foregoing.
 3. With regard to professional staff members, to direct the working forces, including the right to hire, evaluate, promote, suspend, and discharge employees, transfer employees, assign work or duties to employees, and determine the size of the work force and to lay off employees.
- B. The FTA-AFTM recognizes that the Board is legally responsible for the operation of the entire school system within the boundaries of the school district, and that the Board has the necessary authority to discharge all of its responsibilities.
- C. In meeting such responsibilities, the Board acts through its administrative staff. Such responsibilities include, without being limited to, the establishment of education policies; the construction, acquisition and maintenance of school buildings and equipment; and the establishment and revision of rules and regulations governing and pertaining to work and conduct of employees. The Board and administrative staff shall be free to exercise all of its managerial rights and authority to the extent permitted by law.

ARTICLE III: TEACHERS' RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board and FTA-AFTM hereby agrees that all teachers shall have the right freely to organize, join and support (or to decline to join and support) the FTA-AFTM for the purpose of engaging in collective bargaining or negotiating and other activities for mutual aid and protection. As a duly elected body exercising governmental power under the law of the State of Michigan, the Board undertakes and agrees that it shall not directly, or indirectly, discourage, deprive, or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan, Constitution of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any other conditions of employment by reason of his/her membership (or lack of membership) in the FTA-AFTM or collective professional negotiations with the Board, or his/her instituting of any grievance, complaint or proceedings under this Agreement, or otherwise with respect to any terms or conditions of employment.

- B.** The FTA-AFTM and its members are granted the privilege to use school building facilities for FTA-AFTM business at all reasonable hours for meetings, provided that this shall not interfere with or interrupt normal operation of the school.

ARTICLE IV: PROFESSIONAL COMPENSATION

- A.** The salaries of teachers covered by this agreement are set forth in the salary schedule which is attached to and incorporated in this agreement.
- B.** Any middle school or high school teacher asked to substitute for another teacher necessitating the giving up of a conference period shall be paid \$20.00 per hour. Such sum is to be added in the next paycheck following such work.
- C.** Any teacher asked to supervise homebound instruction shall be paid at a rate of \$22.00 per hour. Such sum shall be added in the next paycheck following submission of a timesheet.
- D.** Any teacher asked to supervise an after-school study or tutoring type program shall be paid \$20.00 per hour. Such sum shall be added to the next paycheck following such work.

ARTICLE V: TEACHING DAYS AND HOURS

- A.** The teacher's normal school day shall be as follows:
 - 1. Teachers shall arrive at or before 7:50 a.m.
 - 2. Teachers may leave at 3:10 or the equivalent of 10 minutes after the end of the school day; unless staff meetings have been scheduled.
 - 3. Teachers' meetings are to be no longer than forty-five (45) minutes.
 - 4. The length of the school day shall not exceed seven hours and fifty-five minutes, including the lunch period.
 - 5. If the times set forth in Section 1 and 2 above need to be changed, teachers will be notified at least thirty (30) calendar days in advance. Any change will not result in an expansion of the work day as set forth in Section 4 above.
- B.** The teachers contract is 183 days a calendar year, per this agreement. The total number of hours shall be determined by the beginning and ending dates of the school calendar, and in addition, shall include the following conditions and agreements:
 - 1. One hundred eighty (180) days on which both students and teachers report. There will be three additional days on which teachers report and students are not in attendance.

2. Within the teachers 183 days, five (5) days or the equivalent of 30 hours, of professional development will be provided by the district as required under Section 1527 of the revised school code that meet the content requirements of the Michigan Department of Education.

Provided the Michigan Department of Education Rules and Regulations permit the district to authorize a teacher to forego one or more of the professional development days scheduled in Fairview to participate in other qualified professional development activities under Section 1527 off site for which a teacher can earn State Continuing Education Clock Hours (SCECH), teachers may make a request in writing to attend an alternative activity. The request must be accompanied by the program agenda, location and date of the activity. The Superintendent reserves the right to approve or disapprove of the request. If approved, the Superintendent will also determine what, if any, expenses related to the activity will be paid.

3. The calendar will not include the days identified in Section 380.1175 of the Revised School Code where school sessions are prohibited.
4. On records day teachers may leave, subject to the permission of the administration, when necessary forms and reports have been completed.
5. No change shall be made in the school calendar without consultation with the FTA-AFTM.
6. Days of instruction lost due to snow storms and/or other natural causes shall be made up at the discretion of the Board and at no additional cost to the Board after state guidelines have been followed. The school calendar will be adjusted, as needed, by the Board.
7. With the exception of the occasional professional duties (i.e. IEPC's, staff meetings, time related to taking college courses, etc. where no additional pay is given), any work requested/required of teachers by administration (or initiated at the teacher's request) beyond the normal workday and/or work year shall be compensated at an hourly rate determined by the teacher's salary divided by the number of teacher work days and then divided by the number of work hours per day.

All time that is subject to pay must be pre-approved by the administration.

8. Parent-teacher conferences may be scheduled by the administration during the evening hours. The calendar will provide for one half day off per evening conference session in lieu of the time schedule for evening conference sessions.
- C. All teachers shall be entitled to a duty-free, uninterrupted lunch for a period of thirty (30) minutes in length.

ARTICLE VI: TEACHING LOADS AND ASSIGNMENTS

- A. The normal weekly teaching load for full time middle school and high school classroom teachers will include a conference/preparation period during the student instructional day equal in length to a student class period as defined in the master schedule.

If a middle school or high school teacher is required to take an additional class on an ongoing basis in lieu of an assigned conference/preparation period, the teacher's pay will be increased accordingly.

- B. In a normal work day, elementary classroom teachers shall use special instruction time (examples - music and art) for their conference/preparation time. In a normal work day, the 'specials' time shall normally be at least thirty (30) minutes per day on the average each full instructional week. The Board, through its administration, reserves the right to deviate from this provision when scheduling and other circumstances require it. If specialist services are reduced below the aforementioned thirty (30) minutes or are eliminated or where scheduling constraints do not make it possible to provide specialist services for some or all elementary teacher(s); the district will then pay the teacher for the loss of conference/preparation time at an hourly rate of \$20.00 per hour.
- C. Conference/preparation time serves many individual and organizational purposes. The primary purpose is for individual teacher planning and preparation. Other purposes less frequently involve IEPC meetings, interaction with administration, contact with parents, student assemblies (if attendance is required) and other professional activities.

ARTICLE VII: TEACHING CONDITIONS

- A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be adjusted wherever reasonable and desirable as deemed by the administration, after consultation with the teachers involved.
- B. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio visual equipment, art supplies, athletic equipment, current periodicals and similar materials are the tools of the teaching profession. Requisition forms shall be provided for all teachers, and where reasonable and where education can better be served, the Board will attempt to fulfill such written requests subject to budget limitations.
- C. To help relieve teachers of certain types of non-professional work outside of the classroom (i.e. recess supervision, etc.), the Board agrees to engage paraprofessionals or others in the elementary school. The number of paraprofessionals is to be decided by the administration.
- D. Teachers shall be notified at the earliest possible time of handicapped and other special education students who will be placed in their classrooms. The Board shall provide adequate training and personnel, as defined in the student Individual Educational Plan, to assist the teacher in meeting the needs of the aforementioned students. Teachers shall not

be required to provide ongoing medical or hygienic services for the above-referenced students, except in emergency situations.

ARTICLE VIII: SICK LEAVE PAY (Also see Article XVI for less than full time status)

- A. All teachers absent from duty because of personal illness shall be allowed full pay for a total of ten (10) days in any school year, and full pay for as many more unused sick days as he/she may have accumulated during previous years as specified in Section B. Any teacher at the 120 day limit will still receive their 10 sick days per year for a total of 130 days. However, the teacher may not end the contract year with more than 120 banked days.
- B. Each teacher shall be entitled to an accumulation for the unused portion of each year's leave, up to a maximum of one hundred-twenty (120) days, which shall be available in future years.
- C. Personal illness shall be defined as a genuine illness or disability of the teacher that requires the absence of the teacher from work.
- D. Ten (10) sick days each year may be used when a teacher's parent or member of the teacher's household is ill. Members of the household shall be limited to those persons who qualify as dependents under the Internal Revenue Service Code. Five (5) of the ten (10) days may be used for the teacher's children who are non-IRS dependents. These sick days are to be subtracted from the teacher's accumulated sick leave total. These days are not cumulative.
- E. Where applicable, paid time off within the limits of this Agreement will be charged against the time off afforded under the Family Medical and Leave Act.

ARTICLE IX: OTHER LEAVES OF ABSENCE

- A. No more than three (3) days per funeral will be given for funerals in the immediate family. Immediate family shall include spouse, parents, children, siblings, grandparents, grandchildren, spouse's parents, grandparents and grandchildren, and brothers-in-law and sisters-in-law. These days are not cumulative.
- B. Each teacher shall be allowed three (3) days paid leave of absence each year. These days are not to be accumulative. These days are not to be used to extend a vacation period. When time permits, the request for a leave of absence is to be made far enough in advance of the leave date to enable the building principal to obtain a certified substitute teacher. If no substitute teachers are available, the building principal may deny the request. As an incentive for the teachers to be prudent in their use of paid leave days, a teacher's unused personal leave days will be added to the teacher sick leave accumulation at the end of the year, subject to the accumulation limit in Article VIII(A).

- C. Salaries for teachers required to serve jury duty will be “made whole” provided the teacher signs over to the district any jury duty pay (except mileage) to the district.
- D. The FTA-AFTM shall be granted the use of up to two (2) days for FTA-AFTM business without using personal absence days. The FTA-AFTM will reimburse the cost of any substitute needed.
- E. Absences taken during the school year, other than those for which paid provision have been made under this Agreement (i.e. more than three personal business days, etc.), shall not be permitted except at the discretion of the administration. Deductions from salary for such absences shall be at the daily contract gross rate and the cost of insurance benefits. The daily rate shall be determined by dividing the yearly contract gross by the total number of contract days.
- F. Extended leaves of absence without pay and insurance benefits may be requested for the following by submitting a request in writing to the Board of Education:
 - 1. Illness or disability of the teacher after all paid time off has been exhausted.
 - 2. Illness or disability of the teacher’s child or spouse.
 - 3. Child care or adoptive leave.

Extended leaves of absence being requested pursuant to Parts 1 or 2 (above) must be accompanied by a statement from a licensed medical care provider indicating the diagnosis and projected return date. Extended leaves of absence being requested pursuant to Part 3 must be accompanied by a statement from the teacher indicating a projected return date. If granted, extended leaves of absence will be allowed for up to a maximum of one (1) year.

Teachers granted an extended leave of absence pursuant to Part 1 are expected to provide notice of their intent to return to work at least thirty (30) calendar days prior to the projected return date that was originally indicated by the teacher’s licensed medical care provider. If an earlier return than was initially authorized by the provider is desired, the teacher must notify the district and will be allowed to return to work only after providing a written statement from a licensed medical care provider authorizing an earlier return to duty.

Teachers granted an extended leave of absence pursuant to Part 2 are expected to provide notice of their intent to return to work at least fifteen (15) calendar days prior to the projected return date that was originally indicated by the relevant licensed medical care provider. If an earlier return than was initially authorized by the provider is desired, the teacher must notify the district and will be allowed to return to work immediately.

Teachers granted an extended leave of absence pursuant to Part 3 are expected to provide notice of their intent to return to work at least fifteen (15) calendar days prior to the date projected in their initial request.

ARTICLE X: PHYSICALS

The administration may require teachers to be medically evaluated for the safety and wellbeing of the students. The physician performing such examination will be selected by the Board. The cost of the exam will be covered by the Board.

ARTICLE XI: TERMINAL LEAVE

In order to qualify for payment under this Article, a teacher must:

1. Have had at least ten years (10) years of continuous service (excludes period of layoff, unpaid leaves and prior service if rehired) to the district.
2. Be retiring under the provisions of the Michigan Public School Employees Retirement System.
3. Have at least fifty (50) days of accumulated sick leave at the end of the year in which the teacher retires.
4. The teacher must submit an irrevocable letter of resignation by March 31 of the fiscal year in which the teacher is to retire and the letter must have an effective date of the end of the last teacher work day of the school year.

In appreciation for services to the school district, a terminal leave payment of up to one hundred (100) sick days at a rate of \$45.00 per day will be paid upon retirement.

ARTICLE XII: PERSONNEL FILES

- A. The personnel files are and remain the property of the Board and are under their custodial care and supervision at all times.
- B. A teacher shall have the right to review the contents of his/her personnel file, excluding initial references of the district pertaining to himself/herself, originating after initial employment and have a representative of the FTA-AFTM accompany him/her.

ARTICLE XIII: PROTECTION OF TEACHERS

- A. Any complaint directed to a teacher by a parent of a student that might require corrective action shall be promptly called to the teacher's attention.
- B. Teachers shall exercise reasonable care with respect to the safety of students and property, but shall not be individually liable, except in the case of gross neglect of duty, for any damage or loss to persons or property.
- C. Classroom teachers are to remain with their class during the entire period. Should an emergency arise, another teacher or an administrator must relieve the teacher.

- D. Professional behavior is expected of all staff members. When disagreements arise, issues should be addressed between disputants before taking the matter to a supervisor or beyond. In any dispute, employees shall refrain from unprofessional behavior such as screaming, belittling or making disparaging remarks in front of students and peers.
- E. No professional staff member shall be disciplined in an arbitrary or capricious manner.

ARTICLE XIV: UNEMPLOYMENT COMPENSATION

A teacher who is laid off and who is paid unemployment compensation benefits associated with his/her regular teaching assignment, during the summer immediately following the layoff and who is subsequently recalled to a teaching position the next school year, will be paid according to an annual salary rate, such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off.

ARTICLE XV: PAYROLL DEDUCTIONS

- A. Upon written authorization from the teacher, the Board shall deduct from the teacher's salary for insurance options, annuities and credit union. Such authorization shall continue in place until cancelled by written notification.
- B. If any more than two (2) payroll deduction changes are made during the school year, a service charge of \$5.00 shall be made.

ARTICLE XVI: MISCELLANEOUS PROVISION

- A. There shall be no athletic practice during the school day.
- B. Athletics shall be supported by an athletic fund. The amount is to be determined by the administration, athletic director, and the Board.
- C. Each teacher will have a phone available in their assigned classroom.
- D. Provisions for less than full-time positions are as follows:

This Agreement shall be effective the later of ratification by the parties on July 1, 2018 and shall continue in effect prospectively for the remaining work days through June 30, 2020.

ARTICLE XVIII: GRIEVANCE PROCEDURE

- A. A "grievance" is a claim, by one (1) or more employees, of improper application of this Agreement.
- B. Any teacher having such a grievance may discuss the matter with the Superintendent during non-teaching hours, with the object of resolving it informally within five (5) days of the events giving rise to the grievance.

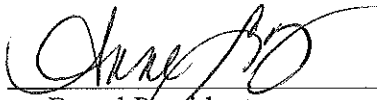

The term days when used in this Article refers to days on which the Central Office is open.

- C. In the event the matter is not satisfactorily resolved, the following procedure shall be followed:
