If either party

so requests, a second list of arbitrators may be obtained. If the parties are still not satisfied with the list, a third list, if allowed by the Bureau, may be requested. Each party shall then alternately strike a name with the remaining name to serve as the arbitrator. The parties will alternate the initiation of the striking process with each successive grievance. Individuals may not arbitrate a grievance

SECTION 8.4 ARBITRATOR'S FEES

Full fees and expenses of the arbitrator shall be equally by the parties. However, if either party cancels the arbitration, that party shall be responsible for the cancellation fees as charged by the arbitrator. The grievant, or a representative of the grievant, and the Steward shall be allowed to attend the arbitration without loss of pay. In the case of a class action grievance, the Steward shall be recognized as the grievant. Each party shall compensate its own witnesses.

ARTICLE 9
SENIORITY

SECTION 9.1 SENIORITY DEFINITION

Seniority shall be defined as length of continuous service in the employ of the Board commencing with the date of last hire in this bargaining unit.

Unless stated otherwise elsewhere in this agreement. Seniority will not accumulate during periods of unpaid leaves or layoff.

SECTION 9.2 PROBATIONARY EMPLOYEES

All new employees shall be considered probationary until they have worked for the Board for ninety (90) days. During this probationary period employees will have no seniority status. At the end of the probationary period the employee will be entered on the seniority list as of his/her last date of hire in the unit. During the probationary period the employee may be disciplined, up to and including discharge, by the Board at the Employer's discretion. Such discipline shall not be subject to the grievance procedure.

SECTION 9.3 LOSS OF SENIORITY

Seniority and employment rights within the unit shall be lost under the following conditions:

1. If the employee quits or is discharged and such discharge is not reversed through the grievance procedure or arbitration.
2. Absence from work without notification unless the employee can show reasonable cause why the notice could not be given.
3. Failure to return to work within ten (10) days of receiving a recall notice following a layoff.

The Employer shall prepare, maintain and post a seniority list. The current seniority list shall be posted conspicuously in the transportation office as updated by October 31 of each year. Within ten (10) days of posting the list, any objections to the list shall be filed. Thereafter, the list shall be final and conclusive. The Chief Steward shall be furnished said list and subsequent revisions thereto.

SECTION 9.5 TIE BREAKER

Same date of hire situations shall have individual seniority determined by use of test scores obtained from attendance of beginning bus driver school. High score establishes seniority preference.

Transportation Aides and all other same date of hire situations shall be resolved by a drawing of numbers, number one being higher seniority, and so on down.

ARTICLE 10 REDUCTIONS IN PERSONNEL, LAYOFF AND RECALL

SECTION 10.1 LAYOFF DEFINED

Layoff shall be defined as a planned reduction in the workforce beyond normal attrition.

SECTION 10.2 NOTICE OF LAYOFF

No employees shall be laid-off with less than ten (10) working days' notice, except in an emergency.

SECTION 10.3 LAYOFF PROCEDURE

In the event of a reduction in the workforce becomes necessary, the following order of reduction shall occur:

1. Probationary employees;
2. Least seniority status employees within the classification.

It is understood that this order of layoff carries inherent requirements of meeting qualifications. In no case shall a new employee be utilized by the Employer to perform bargaining unit work while there are laid off employees who are qualified for the work in a vacant or newly created position.

SECTION 10.4 BUMPING

Employees whose positions have been eliminated due to reduction in workforce or who have been affected by a layoff shall have the right to assume a position for which they are qualified within a former classification covered by this Agreement which is held by the least-senior employee.

SECTION 10.5 SUBSTITUTE DRIVING IN LIEU OF LAYOFF

A laid-off employee shall, upon application and at his/her option, be granted priority status on the substitute list according to his/her seniority. Laid-off employees may continue their health and life insurance benefits by paying the regular monthly per-subscriber, group rate premium for such benefits to the Employer as approved by the insurance company and the current law.

SECTION 10.6 RECALL FROM LAYOFF

Laid-off employees shall be recalled in reverse order of layoff to any position for which they are qualified and licensed within the classification. Employees shall retain recall rights for one (1) year from the effective date of layoff.

SECTION 10.7 NOTICE OF RECALL

Notices of recall shall be sent by certified mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to his/her current mailing address. A recalled employee shall be given at least ten (10) calendar days from receipt of notice, excluding Saturday and Sunday to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work provided the employee reports within ten (10) day period. Employees recalled to work in their former classification are obligated to take said work. An employee who declines recall or fails to return to work, shall forfeit his/her seniority rights.

ARTICLE 11
VACANCIES, TRANSFERS AND PROMOTIONS

SECTION 11.1 VACANCY DEFINED

A vacancy shall be defined as a newly created position or a current position that is not filled, which will not be filled by the recall of a laid off employee. If the Employer chooses not to fill the vacancy they shall notify the Union within ten (10) days from the time the position becomes vacant.

SECTION 11.2 POSTING

The Board agrees to post, on employee bulletin boards maintained for such purposes, all vacancies and long-term job openings covered by this Agreement for a period of three (3) working days prior to a permanent filling of these vacancies. The Chief Steward will receive a copy of all job openings covered by this Agreement. No employee assignment changes will occur until all bids are made and positions thereto are filled.

SECTION 11.3 FILLING OF VACANCIES

During the three (3) day posting period as stated above any bargaining unit employee may apply in writing for any vacancy within their classification. The employee with the most seniority will be awarded the position.

To avoid a “domino effect,” employees may not bid for “same time” vacancies, i.e., an employee with an assigned function entailing three (3) hours is not eligible to bid on a three(3) hour vacancy occurring during a given school year.

SECTION 11.4 RESTRICTED BIDDING

Administration may restrict employees from bidding during the school year for a route that is less than thirty (30) minutes per run longer than the employee’s current route. This restriction would be in order to prevent costly break-in periods and the disruption of successive bidding and vacancies. Employees denied a job opening under this provision may re-bid the job prior to the beginning of the next school year.

SECTION 11.5 INVOLUNTARY TRANSFERS

The parties agree involuntary transfers of employees are to be minimized and avoided whenever possible. In all cases, involuntary transfers will be affected only for cause.

SECTION 11.6 DRIVING ROUTES

All bus driving runs, including the regular morning pick up and night take-home, shuttles, etc. will be posted and bid according to seniority. The bidding meeting will be announced in advance, and employees must be present to bid unless he/she has made arrangements with the supervisor. Shuttles shall be defined as the transport of students between educational facilities.

The Employer shall post regular routes for bid once per year. Such bid shall be as follows:

1. During the 4th week of August a safety meeting will be held to hand out new student lists with any changes for the coming school year. Every driver will drive the route they bid on the previous year. In the 3rd week of school all routes will be timed. In the 4th week of school the Employer shall post for bid all regular routes, shuttles, etc. and conduct a meeting where employees shall bid for available work.
2. The notice of bid for such routes shall include the detail of the route, expected time to complete the route, and a notation of any changes in the route(s) since the end of the preceding school year.
3. Bargaining unit members shall select routes, shuttles, etc. in order of seniority with the most-senior employees selecting first within their classification, subject to the employee's ability to perform bid routes, shuttles, etc. within the confines of safe and efficient operations.
4. Drivers shall be paid for all time worked, plus thirty (30) minutes per day as compensation for pre-trip inspections, clean-up, or other duties. An additional fifteen (15) minutes paid per day for drivers and transportation aides shall cover student discipline conferences and miscellaneous duties.
5. Any low seniority driver who cannot bid a route will be re-classified as a substitute (until a route becomes available), and maintain their seniority with the Employer for purposes of re-entry into their classification as held prior to their loss of route.
6. Should the established route time be reduced due to changes in the number and/or location of students after the route has been bid, the driver shall be paid for all time worked, but not less than the amount of time posted for the route noted in "2" above when the driver bid on the route. Provided, however, the Employer reserves the right to add additional driving work to the route in order to restore the time lost due to such changes.

7. Notwithstanding the one-half (1/2) hour provision, any change to an established route which impacts a health insurance benefit shall be offered to the senior employee as eligible.
8. A minimum of two and one-half (2 ½) hours per day shall be paid to all employees covered by this Agreement.
9. Each employee in his/her bus and on a route, shall receive one (1) hour additional pay if called back due to delay/cancellation of that school day.
10. Employees shall be paid as if worked for the first six days of school closure, due to Act of God situations, in any school year. Thereafter, employee shall only be paid on the make-up day.

SECTION 11.7 EXTRA WORK - FIELD/ SPECIAL/ OVERNIGHT & SUMMER TRIPS

1. FIELD TRIPS

- A. Field trips will be considered as any extra trip in addition to a driver's normal daily run, which takes more than three (3) hours. Such field trips will be assigned on a straight rotation basis to regular drivers who have indicated a desire to participate.
- B. The rotation will begin on a seniority basis with the driver with the most seniority having the first opportunity "not to exceed forty (40) hours weekly."
- C. All drivers must sign the field trip list within the first five (5) days of school to be eligible for trips, except for a new regular driver who has one (1) full week of school to sign up.
- D. If a driver declines the opportunity for a field trip when his/her turn comes up, the refusal will be so noted, and the trip will be assigned to the next driver. The driver who declined will then miss the opportunity until the rotation cycle is completed.
- E. Each driver who accepts a trip is expected to take the assigned trip. Should an emergency arise and a driver be unable to drive the field trip, an attempt will be made to assign the trip to another driver on the rotation basis.
- F. If a field trip is cancelled after being assigned on the regular rotation, the next unassigned trip will be assigned as a replacement for the trip cancelled.

- G. A master chart will be developed for the purpose of keeping the rotation record. This chart will be kept on the bulletin board in the transportation office.
- H. Trading of “posted” trips will be allowed with permission of Transportation Supervisor. There will be no trading of un-posted or “future” postings.
- I. Chaperones, teachers and aides are expected to help supervise student behavior on field trips. The bus rules used for regular routes will apply to all field trips. Although teachers and aides may be present on field trips, the driver is ultimately in charge of bus safety. Exceptions to eating/drinking rules may be authorized by the Transportation Supervisor.
- J. A refusal will not be charged for two (2) trips on the same day or if less than twenty-four (24) hours’ notice of an available trip is given. A refusal shall not be charged if a driver is off on an approved day off.

When a trip is selected and then the driver assigned to the trip cancels within twenty-four (24) hours of said trip, the next driver in the rotation may select to accept the trip and would still be the next driver in rotation for the upcoming trips.

- K. The Board shall have the right to deny a driver an extra trip (e.g., field trips, special trips, overnight trips, summer trips) if the driver would be eligible to receive overtime compensation for the week if awarded the extra trip. Therefore, the Board may deviate from the procedure for selecting or assigning drivers for extra trips in situations where the driver would be eligible for overtime compensation if assigned the extra trip.
- L. Late refusal of a field trip, less than 24 hours’ notice to the Employer, will allow the Employer to assign a qualified non-bargaining unit employee to this work assignment.

2. SPECIAL TRIPS

- A. Special trips will be considered as any trip less than three (3) hours long. Such trips will include, but not be limited to, bowling, play rehearsals, short class trips, etc.
- B. A list of regular drivers who have indicated a willingness to take special trips will be set up on a seniority basis. After the list has been established, the assignment of runs will be on a straight rotation basis the same as the field trip procedure.

- C. These trips do not count against the field trip roster.
- D. A chart will be developed for the purpose of keeping the rotation record and kept on the bulletin board in the transportation office. A driver must sign the field trip list the first five (5) days of school to be eligible for trips. No names will be accepted after this date, except in the case of a new regular driver.
- E. Special trip sign-up will be treated the same as field trip sign-up.

3. OVERNIGHT TRIPS

- A. Overnight trips will be assigned on a straight rotation basis to regular drivers as their names appear on the field trip list beginning at the top of the list, with the driver having the greatest seniority having the first opportunity, and proceeding down the list as additional opportunities arise. Such trips will be rotated on an annual basis, starting over each school year. These trips will be posted for five (5) days. Drivers will be paid at their field trip rate for up to sixteen (16) hours per day, per twenty-four (24) hour period for overnight trips.
- B. Accommodations provided to employee(s) by the Employer shall be separated from passengers to assure sufficient undisturbed rest to the employee(s).
- C. Double occupancy for same gender employees may be provided by the Employer.
- D. Meal allowance is as follows:

1.	Breakfast	\$10.00
2.	Lunch	\$15.00
3.	Dinner	\$35.00

Employees will be reimbursed within two (2) weeks of the employee submitting receipts to the Central Office.

4. SUMMER TRIPS

- A. Summer Trips fall outside of the “school year” and are defined as the same as a “Field Trip,” a one (1) day event.

- B. Those drivers desiring to participate in summer trips will be given an opportunity to sign up prior to the end of the school year, and assignments shall be based on seniority, subject to the provisions applied to “Field Trips.”

5. SUMMER ROUTES

- A. Summer Routes fall outside of the “school year,” and are defined as being scheduled for two (2) or more days in duration.
- B. Those employees desiring to participate in summer routes will be given an opportunity to sign up prior to the end of the school year, and assignments shall be based on seniority, subject to the applicable provisions outlined in Section 11.6, “Driving Routes.”

- 6. The hourly rate for extra work is listed in the salary schedule, Appendix “A,” paid at the employee’s regular rate.
- 7. Extra work of six (6) hours or more in duration will qualify for up to a ten dollar (\$10.00) meal reimbursement, except for overnight trips as already provided in Subsection 3 above. Employee will submit meal receipt.
- 8. Cancellation of extra work assignment on non-scheduled school days, without a minimum of three (3) hours’ advance notice to the affected employee, will result in two (2) hours’ pay to the driver/aide.
