PREFACE

THIS AGREEMENT is entered into this 4th day of June 2012, between the Port Huron Area School District, hereinafter referred to as the "District", and the Port Huron Area Cooks Association, hereinafter referred to as the "Association".

It is mutually agreed as follows:

ARTICLE II

RECOGNITION

- A. The Board recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for the entire term of this Agreement for all regularly assigned food service employees in the Port Huron Area School District.
- B. It is recognized by the District and the Association that the primary function and responsibility of the Food Service Program is to provide approved lunches according to the standards and specifications of the Michigan Department of Education at no cost to the District, although the District may provide capital funds.
- C. The term food service employee when used here and after in this Agreement shall refer to all employees represented by this Association in the bargaining unit as defined above.
- D. This Agreement is subject to amendment, alteration or addition only by a subsequent written agreement between, and executed by, the District and the Association.
- E. The waiver of any breach, term or condition of this Agreement by either party, shall not constitute a precedent in the future enforcement of all its terms and conditions.

ARTICLE III

FINANCIAL RESPONSIBILITY

- A. Membership in the Association is not compulsory. Employees have the right to join, maintain, or drop their membership in the Association. Neither party shall exert any pressure on, or discriminate against, an employee as regards to such matters. However, it is recognized that the Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Association.
- B. All employees, as recognized in Article II, shall be obligated to make payment of Association dues or a service fee as a condition of continued employment.
- C. During the life of this Agreement, the District agrees to deduct the payment of dues or service fee from the pay of each food service employee who individually executes a proper authorization form. Such dues deduction may be paid in full prior to October 1, or can be paid by payroll deduction. Such authorization and direction for dues deduction

shall become effective upon delivery of such authorization to the District and shall be irrevocable for a period of one year or until the termination of this Agreement, whichever occurs sooner. The Association agrees to furnish the District with a list of their Association members who have agreed to the dues deduction and a proper authorization form on or before the end of the second full week following the commencement of school in the fall.

Such deduction shall be for dues or service fee only and shall not include any special assessments or special levies. In the case of retirement, discharge, voluntary leaving or layoff, the District shall not be responsible for refunding any portion of said dues. The District shall not be liable to the Association or any individual members by reason of the requirement of this section for remittance or payment of dues other than set forth herein.

When dues are inappropriately deducted through the payroll procedure, upon Association written official notification to the District, an appropriate District check will be prepared within two (2) weeks to resolve the error.

- D. The amounts shall be certified to the employer by the Treasurer of the Association and the aggregate deductions shall be remitted to the Treasurer of the Association.
- E. The Association will indemnify, defend and hold the District harmless against any claim made and against any suit instituted against the District on account of any check-off of any payments pursuant to the foregoing, and on account of any dispute concerning an employee's employment status by reasons of any failure or refusal on the part of the employee to make any such payment.

ARTICLE IV

RIGHTS AND RESPONSIBILITIES OF THE ASSOCIATION

- A. The Association and its members shall have the right to use school buildings and facilities at all reasonable hours for Association business subject to the existing or amended rules and regulations governing the use of school buildings and facilities.
- B. Reasonable use of bulletin boards and interschool mail shall be made available to the Association and its members for notices and news of Association business.
- C. Duly authorized representatives of the Association shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations.
- D. A paid leave-of-absence to attend professional meetings, at the request of the Association, shall be granted without deduction from accumulated leave time. Such request shall include an authorization of the request by the Association. Leave days for Association purposes shall be at the expense of either the food service employee or the Association, except for a substitute, and shall be charged to the Association's ten (10) day allowance. A minimum charge of one-half (1/2) day will be used.
- E. The Association recognizes that each employee must assume responsibility for filing a T.B. (Tuberculosis) report to the Personnel Office. Testing is to be done upon District request and at the District's expense. Failure to file the T.B. report may result in

withholding of paychecks until such filing has been complete.

- F. Prior to the beginning of each school year, all food service personnel will have a complete physical examination upon request of the District. The District will provide a physical examination for each employee administered by a physician selected by the District. The District will provide the necessary form to be completed by the examining physician. When the District requests a tuberculin test, said test is to be arranged and paid for by the District.
- G. The District and the Association mutually pledge themselves to continue to recognize the full constitutional and civil rights of all food service employees. No religious or political activities in the personal life of a food service employee, or the lack thereof, shall be grounds for any discipline or discrimination with respect to the employment of such food service employee. The provisions of the Agreement shall be applied without regard to race, color, national origin, sex, age, disability, height, weight, religion, or marital status.
- H. The District agrees to attempt to use regular food service personnel as substitutes. The District has the right to move food service personnel between work stations, as long as they maintain the same job classification, at its discretion. It is the responsibility of the food service employee affected by the closing to inform the food service manager of her/his availability to substitute.
- I. The Association will furnish the District with the names of its officers by not later than October 1, and such changes as may occur from time to time in such personnel so that the District may at all times be advised as to the authority of the individual representatives of the Association with whom it may be dealing.

ARTICLE V

RIGHTS AND RESPONSIBILITIES OF THE BOARD

- A. The Board retains all the rights, powers and authority exercised or had by it prior to the date hereof, except as specifically limited by express provisions of this Agreement.
- B. This Agreement constitutes the sole and entire existing agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed on, the District and the Association except as provided by law.
- C. Copies of this Agreement shall be prepared at the expense of the Board and presented to all food service employees now employed or hereafter employed by the Board during the term of this Agreement.
- D. The Board agrees not to negotiate with any other food service employee organization other than the Association for the duration of this Agreement.

ARTICLE VI

GRIEVANCE PROCEDURE

A. Definition:

1. Any claim by a cook or the Association that there has been a violation, misinterpretation, or misapplication of the specific and expressed terms of this Agreement, shall be a grievance and shall be resolved through the procedure set forth herein.
2. An aggrieved person shall mean the person or persons who are members of the bargaining unit covered by this contract and shall include probationary employees. This article will not pertain to probationary employees whose employment is terminated.
3. A party of interest shall mean the person or persons making the complaint and/or any person who might be required to take action, or against whom action might be taken, in order to resolve the grievance.
4. The terms "days" in this article shall mean working days, except where otherwise indicated.
5. Forms for filing and processing a grievance shall be designed by the District and the Association. They will make provisions for description of the alleged contract violation (time, place, circumstances, etc.) possible resolutions and other such information that both parties deem necessary. Such forms shall be prepared by the Association and shall be given appropriate distribution so as to facilitate the operations of the grievance procedure, Exhibit A.
6. The primary purpose of this grievance procedure is to secure equitable solutions at the closest supervisory level possible. Both the Association and the District agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any cook with a legitimate grievance to discuss the matter informally with her/his principal, or supervisor, as described in level one of the procedure.
7. It is important that grievances be processed through the steps as rapidly as possible. The number of days indicated at each step should be considered as the maximum and every effort should be made to expedite the process. If the Association as the moving party fails to comply with time limit, the grievance shall be considered settled on the basis of the District's last written answer to the grievance. If the District, as the responding party, fails to comply with any time limit at any step, the grievance shall automatically pass to the next step in the grievance procedure. The parties may, however, in writing, mutually agree to extend the time limit at any step.
8. If the grievance is filed on or after May 15, every effort shall be made to process the grievance prior to the close of the school year.

9. Any such grievance occurs; there shall be no stoppage or suspension of work because of such grievance.
10. If it is found by the administrative staff or the Board that a cook has been unjustly discharged or suspended, she/he shall be reinstated without loss of pay within the limits described in A.12 below.
11. No terms can be added to or subtracted from this agreement, nor any provision thereof changed, by the grievance procedure. The application or interpretation of this agreement (either as to the meaning of its terms or as to the rights of either party under these terms or as to the justification of action taken under these terms) shall be subject to the grievance procedure.
12. The liability of the District arising out of a grievance shall be limited to not more than fifteen (15) working days prior to the date of submission of the grievance to Step One.
13. The food service employee has the right to request that she/he be represented at all steps and stages by an officer of the Association or a member of the grievance committee.

B. Procedures:

All grievances shall be presented within fifteen (15) working days of their occurrence and disposed of in accordance with the following procedures:

1. Step One: Each formal grievance shall be filed in writing and submitted to the employee's immediate supervisor who shall make written determination of the grievance within five (5) working days of the date of submission.
2. Step Two: Appeal from the determination at Step 1 may be made by presenting the grievance in writing to the Superintendent, or designee. The Superintendent, or designee, shall meet with the grievant and the Association representative within five (5) working days from the date of receipt of the appeal and shall render a written determination within five (5) working days following the date of the meeting with the individual and the Association representatives.
3. Step Three: If the grievant and/or the Association does not file a written notice of no-acceptance of the Superintendent's determination within ten (10) school days, the Superintendent's determination shall be deemed to have been accepted. If the grievant and/or the Association file a written notice within ten (10) school days that the Superintendent's determination at Step 2 is not acceptable, (and if such grievance is arbitrable as herein provided), the Association may then submit such grievance to grievance arbitration.

C. Arbitration Proceedings:

1. Demand for Arbitration –
 - a. The Association may appeal arbitrable grievances to grievance arbitration under and in accordance with the rules of the American Arbitration

Association in effect at the time. Notice of such appeal must be taken within ten (10) school days following the receipt of the District's determination at Step 2.

- b. Within twenty (20) school days following notice of appeal demand for arbitration shall be made by written submission defining the issue to be arbitrated. The District shall then have ten (10) school days within which to reply to such submission by filing same with the American Arbitration Association.
- c. The Association or the Board may not raise in any arbitration hearing any issue which was not previously submitted in writing, which defines the issue or issues to be arbitrated.

2. Powers of Arbitrator –

- a. The arbitrator shall be empowered, except as limited herein, after due investigation, to make a decision in cases of alleged violation, misinterpretation, or misapplication of a specific Article and Section of the Agreement:
 - (1) The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
 - (2) The arbitrator shall have no power to establish salary scales, change any salary figures in the Agreement, or increase or change any staffing requirements set forth in this Agreement.
 - (3) The arbitrator shall have no power to rule on the termination of services of, or failure to, re-employ any probationary employee.
 - (4) Her/his power shall be limited to deciding whether the District has violated the specific articles or sections of this Agreement as per Article V. It is agreed (except as to the provisions set forth in this Agreement) she/he shall have no power to change any practice, policy or rule of the District.
 - (5) The arbitrator shall have power to make monetary awards, but not to award monetary damages.
 - (6) In rendering decisions she/he shall give full recognition to the responsibilities of the Board which establishes the District's rights, powers and authority as that exercised or it had by express provisions of this Agreement. He/his decision shall be consistent with the rights reserved to the District by this provision.
 - (7) If the arbitrability of any grievance under the terms of this Agreement is disputed, or if either party alleges that the other has failed to comply with the grievance or arbitration procedure, the Arbitrator shall first rule on the questions of arbitrability or procedure. Should she/he determine that the grievance is not arbitrable, it shall be referred back to the parties without decision

or recommendation as to its merits.

- b. Although the arbitrator may cite case law in making her/his award, she/he shall have no power to interpret State and/or Federal Law, to hear any matter involving constitutional rights or to render any provisions of this Agreement inapplicable by reason thereof.
- c. The arbitrator's decision shall be submitted in writing and shall set forth her/his findings and conclusions with respect to the issue submitted to arbitration. There shall be no appeal from an arbitrator's decision if within the scope of her/his authority as set forth herein, and it shall be final and binding on the Association, members of the bargaining unit, the employee or employees involved and the District.

3. Applicability and Duration –

Arbitration proceedings shall be confined and limited to grievances arising and growing out of facts, events and occurrences following the date of execution of this Agreement by both parties. No arbitration decision made hereunder shall constitute a binding precedent with respect to the making of any new Agreement between the Association and the District.

4. Fees and Expenses –

- a. The arbitrator's fees and expenses, the cost of any hearing room and the cost of reporter, shall be borne equally by the parties.
- b. All other costs and expenses shall be borne by the party incurring them. The expenses and compensation of any witness or participant attending the arbitration proceeding shall be paid by the party calling such witness or requesting such participation.

5. Grievances concerning the following shall not proceed past Step 2 of the grievance procedure –

- a. Individual grievances not appealed by the Association.
- b. Any matter involving employee evaluation which is not procedural in nature.

6. Retroactivity –

- a. Such claims as salary or fringe benefits shall not be valid for a period prior to the date the grievance was first in writing unless the circumstances of the case are such that the individual or Association was not aware of the error. In no case will claims by the individual or Association or District be valid for more than one year prior to the date of discovery or the fiscal year in which the claim was discovered, whichever is earlier.
- b. No decision in any one case shall require a retroactive adjustment in any other case.

- c. Where no monetary loss has been caused by the action of the District complained of, the District shall be under no obligation to make monetary adjustments.

Notwithstanding the above provisions, any individual employee may present a grievance and have such grievance adjusted without the intervention of an Association representative, if such adjustment is not inconsistent with the terms of this Agreement, and if an Association representative has been given an opportunity to be present for such adjustment.

ARTICLE VII

PROBATIONARY PERIOD

- A. New employees hired into the bargaining unit shall undergo a probationary period of sixty (60) working days. Upon completion of her/his probationary period, the employee shall obtain seniority status and her/his name shall be entered upon the Seniority List as of sixty (60) consecutive working days prior to the date of permanent employment. Work days shall be interpreted as regular work days for unit members.
- B. Probationary employees shall be represented by the Association for all purposes under this Agreement during the probationary period except that the termination of such probationary employee shall not be subject to the grievance procedure.
- C. All applicable insurance benefits provided in this Agreement should be provided to an employee after successful completion of their initial probationary period.
- D. Leave day credit shall accrue during the probationary period. If a paid holiday falls within a probationary period, the employee shall be paid for such holiday.
- E. The probationary period may be extended for absences during that period, by the amount of said absences, when absences have exceeded five (5) days for the duration of the probationary period, i.e., if a food service employee is absent seven (7) days, he/she will have his/her probation extended seven (7) days.
- F. During the probationary period, the individual responsible for this employee's work will evaluate the probationary employee at the end of the sixty (60) working day probationary period on form PH81. The employee will be given one (1) copy and the other copy will become a part of her/his personnel file.

ARTICLE VIII

SENIORITY

- A. A master system-wide Seniority List shall be compiled and posted each year on appropriate bulletin boards and copies given or mailed to the President of the Association by the second (2nd) Friday of October of each school year. An employee's standing on such list shall be final and shall contain the following information:

1. Name.
2. Seniority credit: shall be the length of service in the District in years and months with appropriate reductions for time off without pay, if such absence is for more than twenty (20) consecutive working days.

New employees shall be added to this list. Seniority shall commence on the date of hire. For the purposes of seniority, the following shall apply:

- a. In the event two (2) or more employees have the first day of duty, the last four (4) digits of their social security number will be used to determine placement on the seniority list. Such employees will be placed with the lower number having the higher seniority.
- b. Seniority shall freeze at such time as an employee is granted a leave of absence pursuant to the provisions of this Agreement. Such employee shall not gain additional seniority during such leave of absence. If such employee returns to the District, her/his seniority shall continue with credit being given for the seniority earned until the date the leave of absence was taken.
- c. All alleged discrepancies in the Seniority Lists must be communicated in writing to the Personnel Office by 3:30 p.m. on the third (3rd) Friday in October of the school year. This date may be waived by joint agreement between the Association and the District in the event of extenuating circumstances.

B. Seniority shall terminate if:

1. The employee resigns or retires.
2. The employee is discharged for just cause.
3. The employee is absent for twenty-four (24) hours without notifying the Department for Human Resources or her/his immediate supervisor not later than the start of the shift on the second day unless such absence is caused by a situation over which the employee has no control. Such absences will be explained upon the employee's return.
4. In the event of a layoff, if the employee fails to return to work within five (5) days after being notified to report for work by registered mail to the last address given to the District and does not give satisfactory reasons.
5. If the elapsed time of layoff period exceeds the seniority at the time of layoff or two (2) years, whichever is shorter, or if the elapsed time of absence from work because of illness for physical or mental disability exceeds two (2) years.

C. Employees on Workers' Compensation shall retain all seniority rights.

ARTICLE IX

REDUCTION IN PERSONNEL

- A. There will be District-wide seniority within classifications. In a lay-off, the most senior food service employee will replace the least senior employee in that classification working the greatest number of hours but not exceeding the number of hours in their present assignment. Food service employee displaced from one classification may displace the least senior employee working the greatest number of hours, but not exceeding the number of hours in their present assignment in the next lowest classification. Notification to the Association regarding such proposed reduction shall be made before public notice prior to the reduction action. Affected employees shall be notified in writing prior to such action.
- B. Employees affected by a reduction in staff shall be recalled in inverse order of layoff. The duration of the list shall be for an eighteen (18) month period. The most senior employee, if certified and qualified, shall be recalled to the first opening. Recalls shall be by written certified notice, return receipt requested, to the employee's last known address on file with the District. Failure to report within five (5) working days after the date of delivery shall eliminate any obligation or responsibility to the employee by the District.
- C. In cases where employees, whose positions have been reduced, have the same length of service in the District, the placement on the seniority list shall determine who shall be affected.
- D. Should any existing position become vacant or be created after reduction has occurred, such position shall be posted in accordance with provisions of this Agreement.
- E. Any employee who is not recalled shall have priority for substituting within the District over other substitutes who are not included in the unit.

ARTICLE X

VACANCY, TRANSFER, AND PROMOTION

- A. Vacancy
 - 1. Newly created, re-classified or vacant employee position, due to resignation, retirements or leaves of absence shall be posted throughout the school district. All positions shall be posted as soon as determined for a duration of five (5) work days and shall include the following information:
 - a. Title and classification
 - b. Location
 - c. Hours

Employees filing applications for such vacancies shall be notified within ten (10) days of closure of the bid on the disposition of their applications. The President of the Association shall receive copies of the vacancy notices and shall be notified of the disposition of the vacancy.

The District will not post positions during the summer recess. Any vacancies that occur during this time will be held until the annual meeting in August. At the conclusion of the meeting, the District will conduct a bid meeting whereby all vacancies will be posted and awarded until all positions are filled. Any positions not filled from within the bargaining unit will be filled by new hires. Based on the outcome of the meeting, assignments will be made for the opening of the school year.

On occasion the District may employ non-classified personnel for part-time work for a period not to exceed sixty (60) days. These individuals will not receive leave time benefit or vacation pay. These employees are intended to be temporary personnel only and not to fill a vacancy on a permanent basis. It is further recognized that, in cases of maternity, this period may be extended at the discretion of the District to provide for the protection of the employee's position.

Once a posting is made, it is to be considered factual and should any information in the posting be required to change, a new posting shall occur.

Positions may be staffed on a temporary basis during the posting period for no longer than thirty (30) days.

B. Transfer (voluntary):

A voluntary transfer is a lateral change within a job classification where there is no addition or increase in rate of compensation.

The transfer of food service employee is the responsibility of the District. Transfers of food service employees are to be based on seniority and the employee's ability to meet job qualifications, personal qualifications, necessary skill, and experience which might affect an employee's ability to perform her/his duties.

If an employee is not selected for a position, they shall be notified in writing within ten (10) work days of the reasons for such a selection, if requested.

If an employee requests transfer to a lower classification, her/his pay shall be adjusted accordingly. She/he will retain her/his seniority and receive benefits commensurate with the new classification.

C. Transfer (involuntary):

1. Transfers, normally, shall be on a voluntary basis. However, the Board and the Association agree that there may be need for an involuntary transfer for just cause. If such is deemed necessary, the Director for Human Resources shall discuss the proposed transfer with the employee involved and any objections by the employee shall be given consideration through the grievance procedure. The employee shall be given ten (10) work days notice of any involuntary transfer.
2. If the District requires an employee to transfer to a lower classification position except as part of a layoff, her/his pay shall remain in the classification until the pay of the lower classification increases to the same pay rate of the individual

when the transfer was made. This does not apply to demotions under Article XII.

D. Employees must be actively working to submit bids on posted assignments. Employees on leaves of absence must return to active duty before they are qualified to submit bids on posted assignments or request transfers to different assignments.

E. Promotions:

1. a. Promotions shall be defined as increasing an employee's classification and salary. The Board supports promotions from within the Association. The promotion of food service employee is the sole responsibility of the District. Promotions of food service employees are to be based on seniority and the employee's ability to meet job experience which might affect an employee's ability to perform her/his duties.

If an employee is not selected for a position they shall be notified in writing within ten (10) work days of the reasons for such a selection, if requested.

- b. An employee placed in a new classification shall be required to satisfactorily complete a twenty (20) working day probationary period. During such time, the employee may return to her/his former position, if she/he so desires.
 - c. Employees who fail to pass the twenty (20) working day probationary period will be returned to their old position.
 - d. Employees who are unable to hold a promotional appointment in the same classification after two (2) attempts will not be eligible for further promotions within that classification for one (1) year.
2. Testing for the purpose of qualifying for promotions, shall be conducted twice yearly by the District at an announced time and place and shall be open to all bargaining unit members wishing to participate. Additional tests may be given during the year based on the particular circumstance involved. Results of such tests will be made known to the individual employee upon their request, and any employee may retake any test being given at the next testing session at their option. If an employee has not received a promotion to, nor has assumed on a temporary basis the duties of that classification for which she/he tested, the test results for her/his test will become invalid two (2) years from the date of the test.

If the employee has assumed on a temporary basis, the duties of that classification for which she/he has tested, the test results for her/his test will become invalid three (3) years from the date of the test.

ARTICLE XI

PROMOTION TO SUPERVISORY POSITIONS

A. The District shall have the sole responsibility of promoting food service employee to positions outside the bargaining unit as defined in the Recognition article of the

Agreement. The selection and promotion to these positions shall not be subject to the provisions of this Agreement. Food service employee within the unit may request consideration for non-unit positions. A list of excluded personnel shall be available for inspection by the Association.

- B. Individuals transferred from the unit to an excluded position and later returned to a unit position shall retain their total length of service rights, excluding time spent out of the unit.

ARTICLE XII

DISCIPLINE

- A. Constructive criticism shall be utilized to attempt to correct any deficiency before disciplinary action is required. In cases of disciplinary action, the following progressive discipline procedure shall be followed:

1. First Step - verbal reprimand (written documentation required).
2. Second Step - written reprimand.
3. Third Step - suspension (up to three days).

This may be longer due to the length of investigation. Longer than three days will be paid time.

4. Fourth Step – termination.

- B. Both parties mutually agree that, with respect to discipline:

1. All disciplinary action will be private.
2. Every reasonable effort should be made mutually by the immediate supervisor (building administrator or director of food services) and the food service employee to resolve the deficiency before a written reprimand is issued.
3. Discharge, demotion, suspension, or any other disciplinary action shall be made only for just cause and in accordance with the policies and provisions of this Agreement and expectations that exist within the food service employee's position.
4. A bargaining unit member subjected to disciplinary action shall be allowed to have an Association official present during any such action. If the member gives written notification to the District that they choose not to have Association representation, then the District will notify the Association in writing within three (3) working days of any disciplinary action that is taken.

In cases of suspension or termination, the Association shall receive verbal notice within twenty-four (24) hours of the action taken.

5. Any written reprimand must be based on bona fide, verifiable charges which are clearly stated to the food service employee. When such charges are made, the food service employee has the right to respond to those charges in written form.
6. Reprimands for minor offenses may be issued by a food service employee's immediate supervisor. Disciplinary layoffs shall be imposed only for major offenses, or for a series of repeated minor offenses for which reprimands have been issued, but the problem has not been corrected. All disciplinary layoffs must be authorized by the Superintendent or her/his designee.
7. Any discipline, reprimand, or reduction in rank, compensation or advantage asserted by the District or any agent or representative thereof shall be subject to the grievance procedure hereinafter set forth.
8. It is important that complaints regarding unjust disciplinary layoffs, discharge or suspensions be handled promptly under the Grievance Procedure.
9. In the event it is determined that a disciplinary layoff, or discharge, of any food service employee was without cause, the food service employee shall be reinstated unconditionally without loss of seniority and given back pay for the time lost, less any compensation she/he may have received for work performed or unemployment payments. If the liability for back pay is the result of a grievance, it shall be limited to the provisions of Article VI, A., 12.
10. In imposing any disciplinary action on a current charge, the District will not take into account any infractions which occurred more than twenty-four (24) months previously.
11. It is understood that in cases of major offenses, steps "A" and "B" may be eliminated and that steps "8" and "9" may be combined.
12. Food service employee may be subject to disciplinary action, including dismissal for infractions or failure to perform duties and responsibilities as requested and required by the District within the confines of this Agreement.

ARTICLE XIII

LEAVES OF ABSENCE

A. General Principles:

1. Leaves will be granted in accordance with specified provisions for each type of such leave as hereinafter provided.
2. All leaves shall be for a definite period with a specified termination date. Employees being granted such leave shall be required to report to duty upon the termination thereof.
3. Short term leaves of absence will be granted for up to one (1) year when approved by the Superintendent.

- a. The intention of the personal leave provision is to afford an equal opportunity to all cooks to be excused from food service responsibilities when an unusual situation requiring their presence develops unexpectedly and when the operation of the Food Service Program will not be adversely affected by granting up to two such leaves concurrently. The following rules shall apply to requests for such leaves:
 - (1) Requests for thirty (30) day leaves may be granted only under highly unusual conditions.
 - (2) Short term leave requests will not be granted on an ongoing annual basis to employees.
 - (3) Requests for personal leaves for vacation will only be considered in unusual cases.
 - (4) Requests for leave without pay should only be made when no other option is available and for good reason.
 - (5) Employees may request to take leave without pay for up to five (5) days per occurrence. This procedure may only be used once every three (3) years starting with the first approval. The request should be submitted to the Building Principal and Food Services Director on a PH-43 form. The Director for Human Resources will make final approval on all such requests. The District reserves the right to approve requests on an individual basis. It is understood that there may be circumstances that could warrant exemptions or flexibility to this policy.
 - (6) Newly hired employees in their probationary period (first 60 days) may only take one (1) day paid leave time, thereafter may take remaining leave time provided.
