A reduction of staff is the elimination of a position, a reduction of the work year of over two (2) weeks, or a reduction of over five (5) hours per week. Any bargaining unit member whose position is involved in a reduction of staff shall be given two (2) weeks written advance notice.

E. Laid off employees shall be recalled within their classification in reverse order of layoff to any position for which they are qualified.

F. Notice of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's responsibility to keep the Employer notified as to current mailing address. A recalled employee shall be given at least eighteen (18) calendar days from the date of the mailing of the recall notice to report to work. Employees recalled to work for which they are qualified are obligated to take said work. Employees who decline recall to perform work for which they are qualified shall be deemed to have terminated employment. The Association will be notified of any recall.

G. Employees on layoff shall retain their seniority for purpose of recall for a period of three (3) years. Employees on layoff for more than three (3) years shall lose their seniority rights and all other rights and benefits of this Agreement. This three (3) year recall provision shall be effective July 1, 1985.

H. A bargaining unit member shall serve a probationary period of ten (10) working months.

I. During the 2008-09 school year (July 1, 2008 – June 30, 2009), bargaining unit members hired on or before July 1, 2008 will not have their daily hours / days / weeks worked reduced from their 2007-08 work assignment calendar, unless a special education one-on-one paraprofessional's position is eliminated.

ARTICLE VII

Vacancies, Transfers & Promotions

A. A vacancy shall be defined as a newly created bargaining unit position or a present

bargaining unit position that is not filled.

B. Whenever any vacancy in any bargaining unit position in the District shall occur, the Board shall publicize the same by giving written notice of such vacancy to the Association President and providing for posting in each school building. No vacancy shall be filled, except in case of an emergency on a temporary basis, until such vacancy shall have been posted for at least five (5) working days. Said posting shall contain the following information:

2. Location of work
3. Starting date
4. Rate of pay
5. Current length of work year/hours
6. Summary of minimum requirements

Interested employees must apply in writing to the Superintendent or his designee within the five (5) day posting period. The Board may consider late applications from within the bargaining unit at its sole discretion.

C. All job vacancies shall be posted for a period of five (5) working days in each operating building during the regular school year. During the summer months when school is not in session, notices of job vacancies shall be posted in all buildings where there are fifty-two (52) week secretaries. Upon written request to the Assistant Superintendent for Personnel, bargaining unit members working less than fifty-two (52) weeks shall be mailed notices of job vacancies which occur while such employees are away from their jobs. Such requests shall be furnished to the Assistant Superintendent for Personnel prior to the end of such employee's work year and shall include the address to which the notices are to be mailed.

D. When a position is filled under this ARTICLE, the President of the Association shall be notified of the successful candidate at the time the position is filled.

E. A "promotion" is a change to an open position which results in additional compensation for additional duties or responsibilities to be performed during the regular working day. A "transfer" is a lateral change to a vacant position within the same classification or salary level.

F. A bargaining unit member promoted shall receive the higher rate of pay for all hours worked in the new position. A bargaining unit member selected for a vacancy will be moved to that position no later than thirty (30) working days from the date the position actually becomes vacant or the end of posting notice date, whichever is later. Bargaining unit members who revert to their former position, shall receive that rate of pay. An employee moving to a vacancy will not be allowed to apply for another vacancy for one (1) school year without the approval of the Assistant Superintendent for Personnel.

G. An employee promoted or transferred shall be granted up to a maximum of thirty (30) working days as a trial period to determine her desire to remain on the job and for the Board to determine her ability to perform the job. After the trial period, the employee who reverts to her

previous position either at her request or by Board determination, shall do so without loss of seniority. The decision of the Board is not subject to the grievance procedure.

H. Authorized promotions and transfers within the bargaining unit shall be made on the basis of qualifications and seniority. In the event the most senior applicant is denied a promotion or transfer, a request for hearing concerning the reasons for denial may be filed with the Assistant Superintendent for Personnel within ten (10) working days but not thereafter. The Assistant Superintendent for Personnel will react within five (5) working days after the hearing date. If in disagreement with the reason stated, the employee shall have the right to a hearing with the Superintendent of Schools. The decision of the Superintendent will be final, without recourse to the grievance procedure.

I. Not more than three (3) years of credit for business experience and/or business school education shall be allowed on the salary schedule. Comparable clerical experience may be allowed at full credit in addition to any credit that may be allowed for business experience and/or business school education. The above experience allowed on the salary schedule is at the discretion of the Board and is not subject to the grievance procedure.

J. Any bargaining unit member asked by the supervisor to temporarily assume the duties of another employee, will be paid the regular rate for those duties for the time worked. A temporary change in duties will not result in a reduction in pay.

K. The District declares its support of a policy of the opportunity for promotion from within the Association and will provide qualified bargaining unit members first interviews for a vacancy.

ARTICLE VIII

Paid Leave

A. Sick leave for secretaries shall accrue at the rate of one and one-half (1-1/2) days per month for each month of active employment in this District during the terms of this contract, not to exceed eighteen (18) days per year. The accumulation shall be limited to a maximum of two hundred and one (201) days. Sick leave for paraprofessionals shall accrue at the rate of one day per month for each month of active employment in this District during the terms of this contract, not to exceed twelve (12) days per year for an employee who works a full calendar year. The accumulation shall be limited to a maximum of one hundred forty (140) days.

Immediate family shall be interpreted as husband, wife, children, mother, father, brother, sister, grandchildren, father and mother-in-law, daughter-in-law, son-in-law, and grandparent.
3. For serious emergency illness or disability in the immediate family and/or to make arrangements for medical or nursing care for serious emergency illness or disability in the immediate family, but not to exceed six (6) days per year for all such incidents. However, the Board may require verification of the need at its discretion.
4. For the funeral of an aunt, uncle, niece, nephew, and the death of a relative residing in the same household, but limited to one (1) day per incident and for the funeral of a brother-in-law, sister-in-law, but limited to two (2) days per incident.

C. A bargaining unit member will be allowed to use accumulated sick leave days to offset the loss or difference between Workers' Compensation and the employee's regular daily wage. The rate of sick leave deduction will be prorated based on the difference allowed under Workers' Compensation to the regular daily wage. The Employer's maximum liability under this paragraph shall be the salary amount of the employee's accumulated sick leave days at the time of the claim. Bargaining unit members receiving Workers' Compensation benefits from the school district, shall continue to have health insurance and dental insurance paid by the Board up to twelve (12) months from the date of injury or illness. These benefits are subject to the rules and regulations of the Board's Carrier and the Board's only responsibility is to pay the school district group rate premiums if allowed to do so by the Board's Carrier. The bargaining unit member will continue to accumulate seniority while receiving Workers' Compensation benefits from the school district.

D. A maximum of three (3) personal business days (non cumulative), one of which is without review, will be allowed annually without loss of pay, chargeable against sick days, for business and family obligations that cannot be met outside the regular school day. Personal business days may be used for such things as court appearances, attending graduation exercises of children and attending funerals of relatives and close personal friends, provided that written arrangements are made with the school principal or supervisor five (5) days in advance of the anticipated absence. In case of an emergency, the principal or supervisor may waive the five (5) day written advance notice. Except for funerals of relatives and close personal friends and court appearances which cannot be postponed, the last working day before or after a holiday or vacation will not be recognized by the Board as a personal business day. Personal business days, including non-review days, will not be permitted for the purposes of personal pleasure such as travel, hunting, skiing, sports events, extended vacations or for gainful employment. Routine doctor and dentist appointments are to be scheduled on the employee's personal time. Emergency doctor and dentist appointments will be deducted from sick leave. The five (5) days advance notice is not required for the funerals of relatives or close personal friends. It is not the intent of personal business days to extend a vacation, holiday or weekend. A day without review

will not be allowed the last working day before or the first working day after a holiday or vacation period, during a shortened work week, in conjunction with a day off without pay or cannot be included along with vacation days. No more than three (3) secretaries or three (3) paraprofessionals (one per building), district wide, will be granted a day without review on the same day. If more than three (3) secretaries or three (3) paraprofessionals (one per building) apply, the approval will be based on the order of receipt. The five (5) day advance notice is also required for the request for a leave day without review.

E. **Jury Duty** - If called for jury duty, a bargaining unit member will be expected to request service during the summer months or at other times when school is not in session. While on jury duty, the Board will pay the difference between the amount paid by the court, excluding mileage and expenses, and the amount ordinarily received in salary. The employee will be required to work the days she is not serving as a juror. While on jury duty, no deduction will be made from sick days and/or vacation days.

During this period the employee may return to the same position. If the illness extends beyond this six (6) month period, a leave of absence may be granted without pay and without benefits for up to an additional twelve (12) months. During this twelve (12) month period the employee will be allowed to return to the same position or a substantially equivalent position, if available. During the six (6) months the employee will accrue seniority and during the additional twelve (12) months the employee will maintain seniority but will not have any leave time credited for advancement on the salary schedule nor receive any other benefits.

This secretary position will be posted to a thirty (30) day maximum period on a temporary filling of job. After thirty (30) days, the secretary position shall be posted to the membership and will be filled by the membership by qualifications and seniority for the duration. Negotiation Procedures

- A. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, even though such subjects or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- B. In any negotiations described in this ARTICLE, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that the representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures.

ARTICLE XV

Grievance Procedure

- A. A grievance is defined as an alleged violation of a specific article or section of the Agreement. A grievance not filed with the Board or its designated representative within ten (10) working days of the alleged violation is null and void.
- B. In the event that an employee believes that there is a basis for a grievance, she shall follow the procedure listed:
1. Level I - The matter shall be discussed informally with the supervisor or principal.
 2. Level II - Within ten (10) working days of the meeting at Level I, if the employee is not satisfied with the disposition of the grievance at Level I, she shall file the grievance in writing with the Assistant Superintendent for Personnel who shall arrange a meeting with the grievant and/or Association representative within ten (10) working days of its receipt and shall render a decision within five (5)

working days of the meeting.

3. Level III - In the event the employee is not satisfied with the disposition of the grievance at Level II, she shall file a grievance with the Board within ten (10) working days of the disposition at Level II. The Board shall take up the grievance at its' next informational meeting and shall render its' decision within ten (10) working days of the next action meeting.
4. Level IV - If the Association is not satisfied with the disposition by the Board, the Association may submit the grievance to arbitration within fifteen (15) working days of the receipt of the disposition from the Board or within fifteen (15) working days of when the disposition should have been made by the Board. If the parties cannot agree upon an arbitrator within five (5) working days, he shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party.

C. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. The arbitrator shall have no power to establish a new job rate or to change the existing wage rate structure, or to establish new jobs, or change existing job content, or establish work standards, or to substitute his judgment for that of the Board. His authority shall be limited to deciding whether a specific article and section of this Agreement has been violated and shall be subject in all cases to the rights, responsibilities, and authority of the parties under the Michigan General School Laws and any other national, state, county, district, or local laws. The arbitrator shall not usurp the functions of the Board or the proper exercise of its judgment and discretion under law and this Agreement. The decision of the arbitrator, if within the scope of his authority, as above set forth, shall be final and binding.

D. The fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall bear his own expense in connection therewith.

E. A written resume on the grievance form which is attached shall accompany the grievance through each step. Such resume shall record what is approved or denied, giving the reasons for such decision, and shall be signed by both parties at each step. The complete disposition shall be attached to the original grievance and filed with both parties for future reference and/or record.

F. The time limits provided in this ARTICLE shall be strictly observed but may be extended by written agreement of the parties. Failure to answer a grievance within the period specified moves the grievance automatically to the next step. Failure to file an appeal of a decision within the specified time limits shall render the grievance null and void.

G. The following matters shall not be the basis of any grievance filed under the procedure outlined in this ARTICLE:

1. Any matter in which it is specifically stated in this Agreement that the decision or

approval of the Board, the Superintendent or the Administration is final and/or any matter in which it is stated that the decision of the Board is not subject to the grievance procedure.

2. The termination of services of any probationary bargaining unit member.

H. The grievant is the only bargaining unit member who will be allowed to be absent from work without loss of pay in order to participate in an arbitration hearing. If there is more than one grievant at the arbitration hearing, the Association will bear the expense of any substitute costs for any additional grievant(s). If the number of bargaining unit members required to be present at arbitration hearing would cause undue disruption to the District, such hearing will be held outside working hours. During grievance hearings, a bargaining unit member will only be allowed to participate during school hours with the approval of the Assistant Superintendent for Personnel.

I. A working day is defined as a regular work day for a fifty-two (52) week employee.

ARTICLE XVI

Evaluation

Employee evaluation shall be based on observation or knowledge of employee work for periods of time that accurately sample the work. Formal evaluations shall be made in writing on the evaluation form(s) set forth herein in Appendix C.

B. All evaluations shall be reduced to writing on the evaluation form and a copy given to the employee within ten (10) work days of the evaluation. At the request of the employee, an evaluation conference shall be held within five (5) work days of receipt of the evaluation. If the employee disagrees with the evaluation, a written response may be submitted which shall be attached to all copies of the evaluation.

C. Following each formal evaluation, the evaluation shall be signed by the immediate supervisor and employee. The employee's signature shall indicate receipt of a copy of the evaluation. In no case shall the employee's signature be construed to indicate agreement with the contents of the evaluation. The employee shall be given a signed copy of the evaluation, and another signed copy shall be placed in the employee's file.

ARTICLE XVII

Miscellaneous Provisions

A. This Agreement shall supersede any rules, regulations or practices of the Board which

shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual contracts heretofore in effect. The provisions of the Agreement shall be incorporated into and be considered part of the established policies of the Board.

B. Copies of this Agreement shall be made at the expense of the Board and a copy presented to each bargaining unit member now employed or hereafter employed by the Board. Twelve (12) copies shall be provided to the Union.

C. If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid or subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

D. Bargaining unit members will not be asked to perform bomb searches of the type performed by law enforcement personnel. Bargaining unit members will perform visual searches before leaving their work space/office and while leaving the building or when outside the building. Subject to the terms of this Agreement, and except as modified by the specific terms of this Agreement, the Employer retains all rights and powers to manage the East China School District, and to direct its employees. The Association recognizes these management rights and responsibilities as conferred by the Laws and Constitution of the State of Michigan and as are inherent in the rights and responsibilities to manage the Public School System, including, but not limited to, the right:

1. To the exclusive management and administrative control of the school system and its properties and facilities, and the activities of its employees during working hours;
2. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees;
3. To determine the hours of work and the duties, responsibilities, and assignments of employees, and the terms and conditions of employment.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and

the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Laws and Constitution of the State of Michigan, and the Laws and Constitution of the United States.

ARTICLE XIX

No-Strike Clause

During the period of this Agreement, the Association members agree not to strike or encourage a strike.

ARTICLE XX

Union Dues or Fees and Payroll Deductions

- A. Any Bargaining Unit Member who is not a member of the Union in good standing or who does not make application for membership within thirty (30) days from the date of commencement of duties, shall, as a condition of employment pay as a service fee to the Union an amount equivalent to the Union's regular dues and assessments, excluding initiation fees; provided, however, that the Bargaining Unit Member may authorize payroll deductions for such fee in the same manner as provided below. In the event that a Bargaining Unit Member shall not pay such service fee directly to the Union or authorize payment through payroll deduction as provided in this Agreement, the Board shall, at the request of the Union, terminate the employment of such Bargaining Unit Member. The parties expressly recognize that the failure of any Bargaining Unit Member to comply with the provisions of this ARTICLE is just and reasonable cause for discharge.
- B. During the period of time covered by this Agreement, the Employer agrees to deduct monthly from the pay of the Employee all regular and usual dues and assessments, excluding initiation fees, of the Union, levied in accordance with its Constitution and by-laws, or service fee equal to the regular dues and assessments; provided, however, that the Union presents to the Employer an authorization signed by the Employee allowing such deduction and payment to the Union. Changes either as to additions in Union membership or changes in dues will be certified to the Employer in writing by the Union at least one (1) month in advance of the effective date of the change.
- C. For new employees, the payment of dues or representation fee shall start no later than the month following completion of thirty-one (31) days of employment.
- D. The Union will indemnify, defend and hold the Employer harmless against any claim made, and against any suit instituted against the Employer on account of any check-off of Union dues, or representation fee equivalent to dues, or discharge of any employee for failure to authorize the deduction of such dues, or representation fee, or failure to pay dues, or representation fee.

E. The amount of dues will be certified in writing to the Employer by the Secretary-Treasurer of the Union. Normally, the deductions will be made the first pay of the month, and the amount of the dues, or representation fee forwarded to the Union no later than the 20th of the month.

F. The procedure in all cases of discharge for violation of this Article shall be as follows:

1. The Union shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge will be filed with the Board in the event compliance is not effected.
2. If the bargaining unit member fails to comply, the Union may file charges in writing with the Board and shall request termination of the bargaining unit member's employment. A copy of the notice of non-compliance and proof of service shall be attached to said charges.

G. The Board, upon receiving a signed statement from the Union's President indicating the employee has failed to comply with the requirements of this ARTICLE, shall immediately notify said employee that her services will be discontinued at the end of thirty (30) working days. However, if at the end of this period the employees receiving the termination notice shall then be engaged in pursuing any legal remedies contesting the discharge under this provision before a court of competent jurisdiction, such employee's services shall not be terminated until such time as such employees have either obtained a final decision as to the legality of said discharge, or said employees have ceased to pursue the legal remedies in said matter in a court of competent jurisdiction.

H. The Union shall indemnify the Board and hold it harmless from any and all costs and expenses incurred by the Board in connection with this ARTICLE including claims for unemployment compensation without limiting the general obligation of the Union hereunder. The Union agrees to assume the legal defense of any action or proceeding brought against the Board by reason of any action taken or not taken by the Board under this ARTICLE. If the Union does not defend the Board within the required time limits or settle such action or proceeding, the Union shall reimburse the Board, promptly upon demand, for all reasonable legal fees and expenses incurred by the Board in connection with such action or proceeding. If the Union fails to make prompt reimbursement, the Board shall be entitled, in addition to any other legal remedies, to apply to such indebtedness of the Union to the Board, until paid in full, all dues, assessments and representation benefit fees collected by the Board on behalf of the Union pursuant to the provisions of this ARTICLE.

I. The Union, after consultation with the Board, has the right to decide whether to defend such action or proceeding or whether or not to appeal the decision of any court or other tribunal rendered therein. The Union shall assume all liability for failure to defend any such action or proceeding and shall be liable for all costs of appeal including judgments that may be rendered.

J. The Union has the right to choose the legal counsel to defend any such action or proceeding.

K. With respect to all sums deducted by the Board pursuant to authorization by the employee, whether for Professional Dues or Representation Benefit Fee, the Board agrees to remit promptly to the Association all monies so deducted.

L. During the term of this Agreement, the Board will honor requests for payroll deductions for credit union, Association dues, Representation Benefit Fees, health insurance, tax sheltered annuities and charitable contributions. These deductions must be in accordance with Board policy and have prior approval by the Board.

M. Nothing herein shall require any bargaining unit member to be a member of any organization.

N. This article takes effect upon ratification by the Board of Education. Retroactive dues or service fees, if any, will not be part of any payroll deduction requirement nor any part of any employment requirement.
