THIS AGREEMENT is entered into this 19th day of August, 2010, between MARYSVILLE PUBLIC SCHOOLS DISTRICT, hereinafter referred to as the “District”, and MARYSVILLE EDUCATIONAL SUPPORT PERSONNEL MEA/NEA, hereinafter referred to as the “Association”.

The Board reserves and retains full rights, authority, and discretion to control, supervise, and manage the operation of all schools and to make all decisions and policies not inconsistent with the terms of this Agreement.

A. The Board recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining with respect to wages, hours and other terms and conditions of employment as defined in Section II of Act 379, Michigan Public Acts of 1965, for all full-time and permanent part-time secretarial and clerical personnel, excluding Central Office secretaries and bookkeepers.

B. All full-time and part-time secretarial and clerical personnel shall be defined as any permanent employee regularly employed on a continuing basis.

C. The District agrees not to negotiate with any other representative of personnel described in B above, so long as the Association shall be certified as the exclusive bargaining agent for personnel covered by their unit.

Article II

Employee Rights

Section 1

A. Right to Organize

Pursuant to the Michigan Public Employment Relations Act, as amended, MCLA 423.201 et. seq.; MSA 17.455(1) et. seq., (PERA), the Employer hereby agrees that every bargaining unit member shall have the right to freely organize, join, and support the Union and to engage in lawful concerted activities for the purposes of collective bargaining or negotiations and other concerted activities for mutual aid and protection. No bargaining unit member shall be prevented from wearing insignia, pins, or other identification of membership in the Union at any time by the Employer.

B. Individual Rights

Nothing contained within this Agreement shall be construed to deny or restrict to any bargaining unit member rights he/she may have under the Michigan General School Laws or other applicable State or Federal laws or regulations.

C. Non-discrimination

The Employer agrees that it will in no way discriminate against or between bargaining unit members covered by this Agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, sexual orientation, marital status, physical characteristics or handicap.

D. Discipline and Discharge

No bargaining unit member shall be disciplined without just cause. The term “discipline” as used in this Agreement includes warning; reprimands; suspensions with or without pay; and discharges. Any such discipline shall be subject to the grievance procedure. An adverse evaluation shall not be considered discipline and shall not be subject to the grievance procedure except as to alleged procedural error. The specific grounds for disciplinary action will be presented in writing to the bargaining member and the Union no later than at the time discipline is imposed. In the event an employee is suspended or discharged from employment and believes such action violates the contract, such suspension or discharge shall constitute a grievance and shall be handled in accordance with the grievance procedure.

E. Response to Discipline

Any bargaining unit member who wishes to take exception to a written disciplinary action must respond in writing and shall present a copy of the letter to his/her appropriate administrator. Such response shall be placed in the bargaining unit member's personnel file, together with a copy of the written disciplinary action issued by the administration and/or Board. A bargaining unit member who files an exception shall not be precluded from also seeking relief through the grievance procedure or other remedy.

Section 2

Protection of Employees

It is agreed and understood that the following disciplinary procedure shall be followed when bargaining unit members are disciplined:

A. Any bargaining unit member who may require any disciplinary action must be first contacted by their immediate principal/supervisor in private.

The building principal/supervisor will advise said person prior to a principal/supervisor-employee conference, if at that conference, disciplinary action will take place.

Any such bargaining unit member shall have the right to have a representative of the Association present during the time that said employee is being disciplined. When request for such representation is made, no action shall be taken with respect to the bargaining unit member until such representation of the Union is present. Should disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised immediately of said possibility and shall be advised by the Employer of the employee's right to representation.

Any complaint not called to the attention of the bargaining unit member within five (5) working days may not be used in any disciplinary action against the bargaining unit member. This notice requirement shall not apply if it would compromise the ability of the district to conduct a meaningful investigation of a serious matter (e.g. police related matter, inappropriate involvement with a student).

If any further disciplinary actions are to take place, the principal/supervisor may then refer the matter to the Superintendent of Schools in writing, in triplicate, and dated; one copy going to the Superintendent, one to be kept by the principal/supervisor, and one given to said employee.

B. No bargaining unit member shall be disciplined within the view of, or hearing of, other persons.

C. A bargaining unit member will have the right to review the contents of all records of the Employer pertaining to said bargaining unit member originating after initial employment, and to have a representative of the Union accompany him/her in such review.—Each file shall contain a record indicating who has reviewed it, the date reviewed, and the reason for such review.

Nothing shall be put into the bargaining unit member's file without the bargaining unit member's knowledge.

Any adverse communications from students, parents, or school personnel shall be immediately brought to the member's attention.

When material is to be placed in a bargaining unit member's file, the affected bargaining unit member shall review and sign said material, such signature shall be understood to indicate awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.

The Service Fee shall not exceed the amount of union dues collected from union members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Union, deduct the Service Fee from the bargaining unit member's wages and remit same to the Union.  - d. The employee shall notify the Superintendent of Schools of intent to bump or accept layoff, in writing, within ten (10) days of signed receipt of written notification of layoff, reduction, or elimination, as outlined in Section A-2 of this Article. Notice of recall shall be sent to the employee's last known address by registered mail. It shall be the responsibility of the employee to keep the District informed of their address. If an employee fails to notify the District within five (5) days after receipt of recall notice of their intent to return to work, they shall be considered a voluntary "quit".

Upon successful completion of the probationary period, the probationary employee's seniority will commence. There shall be no seniority among probationary employees. The District shall have the right to discharge and discipline probationary employees and the action is not subject to appeal or grievance.

Upon completion of the probationary period, and upon approval of the Board, the employee will be given one step increase on the salary schedule.

B. On occasion, the Board may employ non-classified personnel for part-time or full-time work. These individuals will not receive sick leave benefits or vacation pay. These employees are intended to be temporary personnel only.

C. Seniority shall be based on the first day of permanent continuous employment (continuous meaning without unpaid leave, lay off, termination, or voluntary resignation). An employee will not lose their seniority if they are on an approved leave of absence granted by the District. Seniority will accrue throughout the paid period of approved leave of absence. When two or more employees are hired on the same day, their order of seniority will be determined by a draw.

An employee will not lose their seniority if they are on leave of absence from their job to fill a temporary position at the request of the Superintendent or Board of Education.

The Board shall provide each bargaining unit member with an up-to-date seniority list by the first Monday in October of each year, and they shall keep the same on file in the personnel department. The Board agrees that only the names of the employees covered by this Agreement shall be placed on the seniority list. Any employee desiring to protest the correctness of their position on the seniority list shall file their protest in writing with the personnel department within ten (10) work days after the first Monday in October publishing date. For purposes of this Agreement, such lists shall be deemed to be correct for any period prior to the date of filing such protest. A final draft shall be provided to each bargaining unit member by November 1 of each year.

D. Seniority shall be lost by a bargaining unit member upon separation from employment. A member who transfers to a non-bargaining unit position shall not accrue seniority; seniority will remain frozen. The above days shall accrue at the rate of 1.2 days for non-fifty-two (52) week employees and 1.33 days for fifty-two (52) week employees per month worked. The accrual for the school year will normally be credited at the beginning of the school year. If the employee is paid for any credited leave days which have not accrued to their benefit and terminates employment with the District, they shall repay to the District all monies received for all such unaccrued sick leave. The District reserves the right to require a doctor's report on sick leaves longer than five (5) working days duration.

The reason for using these business days is not subject to prior review by the Superintendent of Schools. Business days may not be used on the day before or after a holiday or vacation, for gainful employment or for the purpose of personal pleasure, such as travel, shopping, hunting, skiing, or sporting events. A maximum of two (2) employees throughout the District and one (1) employee per building may use a business day on any given work day. The limitation on number of employees off on a given day can and will be waived so long as the District can still operate with no or limited impact. 6. Childbirth - Leave shall commence when the employee is no longer able to adequately perform the duties to which she is regularly assigned and shall last, after the termination of the pregnancy, until such time as, in the opinion of her physician, she is able to adequately assume the duties to which she is regularly assigned.

4. The Superintendent may authorize additional days in cases of unusual hardship.

D. At the beginning of the school year, the Board shall contribute forty (40) days to a sick leave bank, to be administered by the Board. Said forty (40) days shall be non-accumulative. Upon the Board's determination, it may allow a maximum of ten (10) days to an employee who has exhausted their personal sick leave, including accumulated sick leave, provided there are sufficient days available in the bank.

E. Medical. Unpaid Leaves of Absence for illness may be granted. After two (2) years of service, an employee whose personal illness extends beyond the accumulation of their sick leave days shall be granted a medical leave without pay if recommended by employee's doctor, in writing, for a period of up to six (6) months. During this period, the employee may return to the same position. If the employee's illness extends beyond this six (6) month period, the employee may be granted a leave of absence without pay for up to an additional twelve (12) months. During this twelve (12) month period, the employee will be allowed to return to the same position or a substantially equivalent position, if available. The District agrees to continue to provide health and life insurance benefits by payment of premiums for the duration of said leave. During the above periods, the employee will maintain their seniority but will not have any leave time credited for advancement on the salary schedule nor will they receive any other benefits. This position does not have to be posted during a leave of absence of up to six (6) months. The position can be filled from the outside until the employee returns to work.

F. Child Care. After one (1) or more years of continuous employment in the District, an employee shall be granted an extended leave for child care without pay and without benefits. An additional leave of absence without pay and without benefits may be granted for up to an additional twelve (12) months; during this period, the employee may return to the same position or a substantially equivalent position, if available. During the above child care leave periods, the employee will maintain their seniority but will not have any leave time credited for advancement on the salary schedule nor will employee receive any other benefits. The position does not have to be posted during leaves of absence of up to six (6) months. The position may be filled from the outside until the employee returns to work.

Effective October 1, 2010, the Board will pay the premium cost, as limited below, of health insurance of Super Care 1 or Choices PPO, 200/400 (\$200/\$400 Single/Family deductibles, \$10/\$20 prescription co-payment). Requests for reimbursement must be accompanied by receipts and made on forms provided by the District.

If a member uses the mail-in prescription plan, the member will be reimbursed, per prescription, the difference above \$2 for generic, of (\$18) and \$2 for name brand, up to (\$38). No member will be reimbursed above the difference between the 5/10 prescription cost and the 10/20 prescription cost.

Once the pool for reimbursement has been depleted in any given year, there will be no more reimbursement.

[Eliminate Letter of Agreement dated 9/24/97 from back of contract.]

Members of the bargaining unit shall be allowed to participate in the District's Section 125 Plan (the "Cafeteria Plan"). The plan consists of Health Insurance, a Health Care Flexible Spending Account Plan, Cash-In-Lieu of Health Care Insurance and a Dependent Care Flexible Spending Account Plan. This benefit will be effective as of October 1, 2003.

Each participating Employee may elect to participate in a salary reduction agreement which allows the Employee to pay qualifying medical or dependent care expenses incurred by the Employee during the Plan Year on a pre-tax basis.

The health care flexible spending account plan and the dependent flexible spending account plan will be subject to applicable requirements of the Internal Revenue Code and associated regulations, as more fully described in the plan, including limits on medical and dependent care expenses that can qualify for reimbursement, the requirements that all requests for reimbursement be supported by adequate documentation, and the requirement that all amounts credited to an Employee's account not used before the end of a Plan Year must be forfeited.

B. The Board will pay the premium for Group Term Life Insurance protection for each employee under a group policy with a carrier selected by the Board. The amount of insurance shall be \$30,000.

Subject to agreement by the carrier, the policy will include the following privileges: (1) Employees who start work after the effective date of the policy will be covered effective the first day of the month following active employment; (2) Employees leaving employment with the School District after the effective date of the policy will be covered until the first day of the month following departure; (3) Employees will have the right to convert coverage when discontinuing employment with the School District without physical certification as to insurability.

In the event of accidental death, the insurance will pay double the specified amount.

C. Employees qualifying for health insurance who are covered by another health insurance policy may elect to waive the Board provided health insurance, in accordance with the District's Cafeteria Plan, and receive a monthly cash election in the amount of one-half of the District's base premium amount for single subscriber health coverage as described in paragraph A, less any payroll taxes payable by the District. Individual employees may elect to receive cash in lieu of health insurance benefits if they meet the following prerequisites:

1. They are eligible to receive health insurance benefits; and
2. They file a Waiver of Health Insurance form within the timelines established by the Plan Administrator; and
3. They certify that they are covered under another health insurance program.

Employees who lose eligibility for health insurance benefits during the course of the plan year or who are eligible for partial health insurance benefits shall have the annual amount of the cash payment prorated.

The maximum annual amount of the cash benefits as stated above shall be payable in 12 monthly payments on the first pay of the month. Employees who work less than fifty-two (52) weeks per year shall have their July and August payments included with the June payment.

To the extent permitted by law, the amount of cash payment received may be applied by the bargaining unit member to a Board approved tax-deferred annuity carrier. To elect a tax-deferred annuity, the bargaining unit member shall enter into a salary reduction agreement.

All costs relating to the implementation and administration of benefits under this program shall be borne by the Board.

D. The Board will pay the premium for dental insurance for each employee who makes application under a group policy with a carrier determined and selected by the Board. Coverage shall be equivalent to Delta Dental Plan E, Classes I, II, and Orthodontic Rider O-4, including internal and external coordination of benefits.

E. The Board will pay the premium for optical insurance for each employee who makes application under a group policy with a carrier determined and selected by the Board. Coverage shall be equivalent to MESSA's Vision Care Plan VSP-II.

F. The coverages provided in A, B, C, D and E will be subject to the provisions of the group policy, and the rules and regulations of the carriers will govern as to the commencement and duration of benefits, nature and amount of benefits, and all other aspects of coverage. To be eligible for insurance benefits, the employee must work a minimum of thirty (30) hours per week. The Board's sole and only responsibility shall be for the payments of its portion of premiums as set forth above.

G. Long Term Disability Insurance -- The District shall pay the actual premium cost to provide long term disability coverage for each regularly assigned employee as follows:

1. For any disability as defined by the insurance carrier which exists for a period of time exceeding one hundred eighty (180) calendar days.
2. To insure sixty per cent (60%) of covered salary to a maximum of two thousand, two hundred fifty dollars (\$2,250) per month. The benefit to include primary and family social security benefits as defined by the carrier, and to continue to age sixty-five (65).

Article XIII

After 6 years through 13 years	15 days
After 13 years through 19 years	20 days
After 19 years	25 days

B. If an employee terminates under any conditions, the employee shall be entitled to vacation benefits on a pro-rata monthly basis for that part of the year worked following July 1.

C. Fifty-two (52)-week employees shall be permitted to choose either a split or an entire vacation with the prior approval of the Superintendent of Schools.

D. Holidays as defined in the contract occurring during the vacation period shall not be charged against the vacation allowance.

Article XIV

Continuing Education

A. Upon application, the Board may pay all or a portion of the tuition, transportation and living expenses for up to two members of the Association to attend a continuing education or professional development conference. The Superintendent has the sole discretion to grant or deny any such application in part or in full. The decision of the Superintendent shall not be subject to the grievance procedure or any other challenge.

B. With prior approval of the Superintendent of Schools on the Education and Training Approval Request form, the Board will reimburse each secretary the cost of tuition, fees and books up to a total maximum of five hundred fifty dollars (\$550) in any fiscal year for course work, classes, or training which is related to or will augment or improve the employee's performance. This training includes, but is not limited to, course work taken at the college level, business or secretarial courses, computers or other high tech courses or training. To receive reimbursement, the employee must submit proof of successful completion of the work and paid receipts to Central Office.

Article XV

Grievance Procedure

Definitions.

1. Grievance. A Grievance is defined as a claim by a member, group of members, or the Association that there has been a violation, misinterpretation, or misapplication of a specific provision of this Agreement. The Grievance must specify the specific Article and Section of this Agreement which has allegedly been violated.
2. Grievant. The Grievant is the individual, group of members or the Association which has filed the Grievance.
3. Days. When the term days is used, it shall refer to work days.

Hearing Levels.

1. Step One (Informal Level) When a Grievant believes an incident has occurred which would come within the definition of a Grievance, within ten (10) days of such event, the Grievant shall request a meeting with the immediate supervisor in an effort to resolve the Grievance. If the Grievant is not satisfied with the result of the meeting they shall have the right to proceed to Step 2.
2. Step Two (Formal Level). If a Grievance is not resolved at Step One, the Grievant shall have the right to proceed to Step Two by filing a written Grievance within five (5) days of the meeting at Step One. The Grievance shall be sent to the member's immediate supervisor with a copy to the Association. Within five (5) days of the receipt of the Grievance, the Supervisor shall file a written response.
3. Step Three. If the Grievant is not satisfied with the disposition at Step Two or if a timely disposition has not been received, the Grievant shall have the right to advance the Grievance to Step Three. In order to advance the Grievance to Step Three, the Grievant shall file the Grievance with the Superintendent of Schools or designee within five (5) days of receipt of the Step Two response or the due date for the Step Two response. Within seven (7) days of the receipt of the Grievance, the Superintendent or his designee shall meet with the Grievant to hear the Grievance. The Superintendent or designee shall within five (5) days of hearing the Grievance render a written decision on the Grievance.
4. Step Four. If the Association is not satisfied with the decision received at Step Three they shall have the right to have the matter heard by an arbitrator, unless the matter involves an alleged violation which is not subject to arbitration. In order to advance a Grievance to arbitration the Association must file a demand for arbitration with the American Arbitration Association within thirty (30) days of the date of the decision by the Superintendent or designee. The failure to file a timely demand for arbitration shall mean the Grievance is abandoned unless the parties have agreed to an extension. In lieu of processing the

Grievance through the American Arbitration Association, the parties may agree to the appointment of an arbitrator, however, this process shall not serve to extend the time lines for demanding arbitration unless the parties so agree in writing. The parties agree to be bound by the decision of the arbitrator so long as the decision is within the scope of the arbitrator's authority under this Agreement.

Rules Governing the Grievance Procedure

The following rules shall govern the Grievance Procedure.

1. Any matter which is excluded from the Grievance Procedure shall not be filed as a Grievance. Such matter shall include, by way of example, the decision to terminate a probationary employee and a decision to grant or deny a continuing education request. If such a matter is filed as a Grievance, the School district shall have the right not to respond and the matter shall be deemed null and void.
2. Powers of the Arbitrator: The Arbitrator shall be empowered, except as limited by this Agreement, to make a decision in cases of alleged violations, misinterpretations or misapplications of a specific Article and Section of this Agreement.
 - (a) The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
 - (b) The arbitrator shall have no power to establish salary schedules or pay levels under this Agreement or increase or change any staffing levels.
 - (c) The arbitrator's authority shall be limited to deciding whether the District has violated the specific Article and Section cited in the Grievance. It is agreed (except as provided in this Agreement) the arbitrator shall have no power to change any practice, policy, or rule of the District.
 - (d) The arbitrator shall have the power to make monetary award such as, by way of example, back pay but shall not have the power to award damages.
 - (e) The arbitrator's decision shall be in writing and rendered in accordance with the time lines of the American Arbitration Association. Any arbitration hearing shall be heard at a mutually agreed location in St. Clair County.
3. Each party shall pay one-half (1/2) of the arbitrator's fees and expenses.
4. The deadlines in this Article may be extended by the parties. Any agreement to extend time lines shall be confirmed in writing or by e-mail. In the event a party request and is granted an adjournment of an arbitration hearing, if the adjournment results in any costs being assessed, the party requesting the adjournment shall pay such cost.
5. The Association shall have the option of initiating an Association Grievance at Step Three, which is the Superintendent or designee's level.

Article XVI

Severance Leave Compensation

A. A Severance Allowance of one-fourth (1/4) of regular daily wage earned during the year of retirement for all accumulated sick leave will be paid to the employee who retires and, provided, the employee meets the minimum requirements for retirement under the provisions of the Michigan Public School Employees Retirement System, and has worked a minimum of ten (10) years in the Marysville Public Schools District. The maximum payment under this Article shall be five thousand dollars (\$5,000).

B. An employee who dies while employed by the School District and meets the time requirements set in Paragraph A of Article XVI will be eligible for the same benefits as an employee retiring. The severance pay in such cases will be paid to a beneficiary designated by the employee.

Article XVII

General Provisions

A. This Agreement is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties, and obligations of the Board, the Association and employees in the bargaining unit. In the event that any provision of this Agreement shall at any time be held to be contrary to law by a Court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for so doing, such provision shall be void and inoperative. However, all other provisions of this Agreement shall continue in effect.

B. The Board retains all the rights, power and authority exercised or had by it prior to the date hereof, except as specifically limited by express provisions of this Agreement.

C. This Agreement constitutes the sole and entire existing agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed on, the District and the Association, except as provided by law.

D. This Agreement is subject to amendment, alteration or additions only by subsequent written agreement between, and executed by, the District and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

Article XVIII

B. It is further agreed that in the event that a new agreement is not ratified prior to the expiration date of June 30, 2012, this contract shall remain in effect until such new agreement is ratified and the benefits in the new agreement shall be retroactive to July 1, 2012, with the exception of changes in insurance which will be effective as determined by the carriers' rules and regulations.

C. Any portion of the Agreement may be opened upon the written mutual agreement of the Union and the Board.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and signed by their duly-authorized representatives this 19th day of August, 2010.
