COLLECTIVE BARGAINING AGREEMENT

This Agreement made as of the date hereinafter set forth by and between Centreville Public Schools, St. Joseph County, Michigan, acting by and through its Board of Education ("Board") and the Southwestern Michigan Education Association ("SMEA") and its respective affiliate, the Centreville Education Association, hereinafter called the "Association";

WITNESSETH:

ARTICLE 1

PURPOSE AND RECOGNITION

1.1 Purpose. The general purpose of this Agreement is to set forth the terms and conditions of employment for the members of the bargaining unit except as covered by Board policies and to promote orderly and peaceful labor relations.

1.2 Recognition. The Board recognizes SMEA as the sole and exclusive collective bargaining representative for all full-time and regularly scheduled part-time Pre- K-12 certified teachers employed by the Board for the regular school year, including guidance counselors, librarians and any person employed as a teacher pursuant to Section 1233b of the Revised School Code, as amended, who satisfactorily completed one (1) full school year and is reemployed by the Board for one (1) or more school years, but excluding all substitute teachers, teachers' aides, social workers, all administrative, supervisory and executive positions, including the position of athletic director, and all other employees.

1.3 Local Agent. The SMEA recognizes and designates the Centreville Education Association as the local agent for this Contract.

1.4 Dual Employment. If a teacher is also employed by the Board to perform non-bargaining unit duties, this Contract shall be extended to the teacher in his teaching capacity only and shall exclude his non- bargaining unit position.

1.5 Limitations. The Board agrees not to negotiate with or recognize any teachers' organization other than SMEA and its respective affiliate, the Centreville Education Association for the duration of this Agreement, except to the extent permitted by law.

ARTICLE 2

ASSOCIATION AND TEACHER RIGHTS

2.1 Teacher Rights. Pursuant to the Michigan Public Employment Relations Act the Board hereby agrees that every member of the bargaining unit shall have the right freely to organize for the purpose of engaging in collective bargaining or negotiations or other lawful concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act; that it will not discriminate against any teacher with respect to hours and wages, or any terms or conditions of employment by reason of his membership or non-membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement.

Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws, Michigan Constitution or the Laws of the United States.

No teacher shall be prevented from wearing insignias, pins, or other identification of membership in the Association either on or off school premises.

2.2 Meeting Facilities. The Association shall have the right to use school building facilities as specified in policies of the Board.

2.3 Communications. SMEA shall have the right to communicate with bargaining unit members through the use of a bulletin board in each teachers' lounge or the reasonable use of the school mail service. All materials shall bear the name of SMEA and the name of the person authorizing the posting or distribution thereof. No SMEA materials of any kind shall be displayed on or about the physical facilities of the Board except on the designated bulletin boards and no displayed materials shall be derogatory to the Board or to any employee.

2.4 Requested Information. The Board agrees to make available to SMEA information pertinent to the negotiation or administration of the Collective Bargaining Agreement, provided, however, that tentative financial data shall be made available only after it has been presented to the Board at a regular meeting or to another governmental agency. SMEA shall specify the information requested and the purpose for which it is intended. Original records are to be examined at the central offices of the Board. The Board shall be reimbursed for expenses incurred in furnishing information or making records available.

ARTICLE 3

PAYROLL DEDUCTIONS

3.1 Payroll Deductions. The Board shall make payroll deductions upon written authorization for annuities, credit union, savings bonds, charitable donations or any other plans or programs jointly approved by the Association and Board.

3.2 Indemnification. The Association agrees to indemnify and save the District harmless from any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the Board for the purpose of complying with this Article.

ARTICLE 4

PROFESSIONAL COMPENSATION

4.1 Basic Compensation. The basic compensation of each teacher shall be as set forth on Schedule "A", and, for the life of this Agreement, will be paid in substantially equal installments beginning no later than the second Friday of the school year.

4.2 Initial Compensation. The initial placement of a teacher on the salary schedule, who was not a member of the bargaining unit during the prior work year, shall be determined by the Board in its discretion on the basis of such teacher's education and prior teaching experience and the Board may grant up to two (2) years of additional credit on the salary schedule for work experience related to the teacher's area of professional competence.

4.3 Academic Advancement. Academic or certification advancement shall be made at the beginning of the first or second semester of the school year following such advancement, provided that the teacher shall submit proof of such advancement not later than thirty (30) calendar days after the beginning of the semester.

A. Academic advancement must be in a graduate program or be in fields directly related to the teacher's assigned work, or be in an area of professional growth that could potentially benefit the District, as determined by the Administration. Only those courses taken after Teacher Certification/Annual Authorization has been issued will "count" or can be applied towards academic advancement across to the appropriate pay schedule. Additional steps may be granted at the discretion of the Board.

B. In the event the determination of the Administration is in dispute, a Resolution

Committee consisting of two (2) members appointed by the Association and two (2) members appointed by the Board will serve to resolve any disputes concerning the eligibility for academic advancement.

- C. In the event the Resolution Committee is unable to resolve the dispute, the teacher requesting academic advancement or the Association will have the right to utilize the grievance procedure beginning at Step Three (Board Level)

4.4 Credit on Pay Schedule. Teachers who enter this school system at times other than the opening day of school will have their experience evaluated and be placed on the salary schedule. They will not advance to the next step until the one (1) year anniversary of their entrance into the school system each year they are here. It is the intent of this clause to give exactly as much credit for experience in Centreville as the teacher is given by the state retirement system.

4.5 Substituting During Conference Period. A teacher who substitutes for another teacher during his regularly scheduled conference period shall be compensated at the rate of twenty dollars (\$20.00) per hour during the life of this Agreement.

4.6 Tuition Reimbursement: Employees will be reimbursed one hundred dollars (\$100.00) per credit hour for the 18 hours required for initial renewal of a provisional certificate.

The Board will pay for all classes required to attain "highly qualified status" as required by the Administration.

In order to receive this reimbursement, employees will be required to submit proof of payment for each class, the number of credit hours it entailed, and proof that course credit was awarded to the member with a grade of "3.0" or better.

ARTICLE 5

PROFESSIONAL SCHEDULE

The parties recognize that the professional commitment of a teacher cannot be precisely measured and that the full and adequate discharge of a teacher's duties may require a greater commitment of time than that which has been scheduled, and the provisions herein shall be so applied and interpreted.

5.2 Professional Work Year. The work year(s) shall be the number of student days mandated by state statute for that particular school year, plus the required number of professional

development days as mandated by state statute for that particular school year, and one (1) District day, and one and one-half (1½) days for parent-teachers conferences. Teachers will receive compensation (comp. time) for parent-teacher conference days. Professional development days shall be scheduled through mutual agreement between the Association and the Employer. In the event of inclement weather or other conditions beyond the control of the District that necessitate cancelling scheduled work days, the first five such days will not be rescheduled but any additional days will be rescheduled with no additional compensation to insure that there are at least 171 days of actual student instruction.

5.32 Part-Time Teachers. The normal workweek for part-time teachers shall be adjusted on an individual basis in accordance with the number of hours employed and the duties assigned.

5.4 General Professional Duties. Each teacher shall, to the extent required for the proper discharge of his professional obligations, participate in such other professional activities as have customarily been performed by teachers employed by the Board, including up to three (3) school-related events normally held outside the regular school day at which attendance will be mandatory, exclusive of those professional obligations set forth in Schedule C, provided that the Administration will give reasonable notice of each such event. It is understood and agreed that special notice of professional obligations included in Schedule C will not be required.

5.5 Professional Meetings. Meetings shall be scheduled in accordance with the following guidelines, namely:

ARTICLE 7

Authorized Leaves

Since the absence of a teacher generally has an adverse affect on the quality of the educational program, imposes increased responsibilities on other employees, and increases costs, it is the responsibility of each teacher to avoid unnecessary absence. The provisions herein set forth are not intended to reduce the responsibilities of a teacher or to provide a form of additional compensation. Rather, the provisions are intended to meet the legitimate, humanitarian and personal needs of a teacher in a manner consistent with the requirements of the educational program and they shall be so applied and interpreted.

7.1 Sick Leave. Sick leave shall be administered in accordance with the following guidelines, namely:

- 7.11 Use. Each teacher shall be credited with ten (10) days of sick leave with pay at the beginning of each school year. Sick leave may be used for:
 - A. Any physical or mental condition which disables a teacher from rendering services, but excluding any condition compensable by worker's compensation or resulting from other employment, except to the extent hereinafter provided. Sick leave may be used for a disability resulting from pregnancy to the extent expressly required by law.
 - B. Any communicable disease, which would be hazardous to the health of students, employees, or other persons using the facilities of the Board.
 - C. Physical examinations, medical, dental, or other health treatments that cannot reasonably be deferred and which cannot be scheduled outside of the teacher's scheduled work time.

- D. The serious illness of a member of the immediate family of the teacher, provided that such leave shall be limited to the use of ten (10) days per school year from accumulated sick leave and shall be taken only to the extent that the presence of the teacher is reasonably required. The term "immediate family" shall mean any person who is a regular member of the teacher's household, the teacher's spouse or the father, mother, brother, sister or child of the teacher. Up to two (2) days per year of the ten (10) days may be used by the teacher for the serious illness of the father, mother, brother or sister of the teacher's spouse. Additional days may be granted at the discretion of the Superintendent.
- E. Because of FMLA requirements and the intent of sick days, use of sick days will be reviewed and monitored on a regular basis to the extent required by law.

7.12 Used days. Sick leave shall be deducted in one-half (1/2) day increments. A teacher who is disabled as a result of an injury arising out of and in the course of employment with the Board or another employer and is eligible to receive worker's compensation benefits shall have the right to deduct fractional sick leave days from unused accumulated sick leave for the purpose of supplementing worker's compensation benefits to the extent necessary to equal the teacher's daily rate of compensation, provided, however, that a teacher who is disabled as a result of an injury arising out of and in the course of employment with another employer who is not covered by worker's compensation insurance shall have the right to use up to one-half (1/2) of his accumulated sick leave days during such period of disability.

7.13 Unused days. Sick leave may accumulate up to one hundred twenty (120) days. The amount of unused sick leave shall be certified to the teacher within thirty (30) days after the beginning of each work year. Upon a teacher's termination of employment with the School District when such employment has equaled or exceeded ten (10) years, the School District shall pay a bonus of two thousand dollars (\$2000.00) to those teachers who have accumulated 120 days. For those teachers who have accumulated less than 120 days, the bonus will be prorated on a percentage basis. Ex: 119 days = $119/120 \times \$2000.00$.

7.2 Personal Leave. A teacher shall be allowed up to two (2) days with pay for personal leave each school year, which may be used for any purpose at the discretion of the teacher, subject to the following conditions and limitations:

7.21 Use. Neither personal leave day shall be used on days immediately before or after scheduled vacations or holidays without the prior written approval of the Superintendent.

- 7.22 Procedure. A request for personal leave shall be made in writing at the earliest practicable time but in no event less than seventy-two (72) hours prior to the requested date, except in the case of an emergency.
- 7.23 Limitations. The Board shall not be required to grant a leave to any otherwise eligible teacher if the teacher has not made adequate provision for the discharge of his employment duties during his absence, unless such absence could not reasonably have been foreseen and reasonable preparation could not have been made for the discharge of such responsibilities, or to grant a leave on any one day to more than two (2) teachers. Unused personal leave days shall be added to accrued sick leave days.

7.3 Funeral Leave. A teacher shall be entitled to receive up to four (4) days leave with pay per incident, not deductible from the teacher's accumulated sick leave for time lost from work due to death of his mother, father, spouse, child, grandparent, grandchild, brother, sister or his current mother-in-law, father-in-law, sister-in-law or brother-in-law, or any person who is a regular member of the teacher's household if the teacher desires to attend the funeral of such person. Up to one (1) day of paid funeral leave per year may be taken by a teacher to attend the funeral of a friend/person of choice, not deductible from the teacher's accumulated sick leave. If the absence is during a holiday or during an unscheduled work period, no pay will be due.

7.4 Jury Leave. A teacher shall be entitled to leave with pay, less any jury service fees paid, for jury service if he is unable to be excused or to have such service rescheduled to a time which does not conflict with the discharge of his scheduled employment duties. The teacher shall return to his duties whenever his attendance in Court is not actually required.

7.5 Disability Leaves. A teacher who is or will be physically or mentally disabled for more than ten (10) workdays shall be granted a leave of absence in accordance with the following guidelines:

- 7.51 Foreseeable Disability. If the teacher knows, or reasonably should know, that he has a physical or mental condition, which will result in disability, the teacher shall as soon as reasonable:
- A. Notify the Board as to the nature and extent of the expected disability in accordance with this Section.
 - B. Furnish the Board a statement from the attending physician specifying in the physician's opinion:
 - 1. Any limitations on the performance of duties;
 - 2. The probable date when the teacher will be significantly impaired in the performance of his duties; and

3. The probable length of time, if any, during which the teacher will be disabled from performing his work assignments.

C. Furnish the Board such information, as the Board shall determine, including the attending physician's release, to assure the safety and welfare of the teacher, students, and other employees

7.52 Unforeseeable Disability. If a teacher is disabled by unforeseen circumstances, and the teacher desires to be granted a disability leave, the teacher shall, as soon as practicable, furnish the Board the information, to the extent applicable, required for a foreseeable disability.

7.53 Duration of Leave. A teacher shall be granted a leave of absence for the period of disability except that the Board shall not be required to grant a leave for more than one (1) year unless the law requires a longer period.

7.54 Compensation Benefits. A teacher who has been granted a disability leave shall receive payment from accumulated sick leave benefits, reduced by the amount of any disability insurance benefits which the teacher is eligible to receive from the Board, to the extent eligible, except that a teacher who has purchased his own disability insurance shall have the right to receive payment from accumulated sick leave benefits or to deduct fractional sick leave days from accumulated sick leave for the purpose of supplementing disability insurance benefits to the extent necessary to equal the teacher's daily rate of compensation.

7.6 General Leave. The Board may grant a leave of absence upon the request of a teacher for reasons of general health, family emergencies, professional development, education, or for other reasons not otherwise herein provided. In determining whether to grant any such leave, the Board shall consider

- A. The past performance of the teacher;
- B. The staffing needs of the Board;
- C. The length of service of the teacher and the probability that the teacher will return to the service of the Board; and
- D. The purpose or purposes of the leave.

Each leave agreement shall include a requirement that the teacher intends to return. If the teacher fails to give such notice, the teacher shall be considered a voluntary quit.

7.7 Association Leave. The Board shall provide up to four (4) days per school year to be used by teachers designated by the Association for the purpose of conducting Association business, attending conferences, and the like. The Association agrees to reimburse the Board for the cost of substitutes. No less than five (5) days notice shall be given prior to the use of such days.

7.8 Leave Administration.

7.81 Notice. A teacher shall give the Board notice of his desire to be granted a leave as soon as the teacher is aware of his need to be granted a leave so that the Board will have the maximum time to provide for the teacher's absence. The minimum notice time in any event for a leave for elective health care, personal leave, jury leave, a foreseeable disability, or a general leave shall be at least seven (7) work days prior to the requested leave date, except that a shorter notice may be permitted in an emergency.

7.82 Verification. The teacher shall have the responsibility of verifying his eligibility for leave and any benefits due. If the Board determines that a teacher knowingly withheld or misrepresented material information concerning the purpose of the teacher's eligibility for leave or for any benefits, the teacher may be disciplined, in addition to any other discipline, by the loss of all or any portion of the teacher's leave benefits due or to be due under this Agreement.

7.83 Reinstatement Rights. On termination of a leave, the teacher shall be returned from leave subject to the rights of other teachers pursuant to Article 11 of the Agreement and to Board policy.

7.9 Family and Medical Leave Act. The School District will comply with all provisions of the Family and Medical Leave Act (FMLA), a copy of which is available at the Administration Building. FMLA leave shall run concurrently with any other medical or disability leave for the employee or for a medical or disability leave associated with the employee's spouse, parent or child. In addition, seniority shall continue to accrue during the FMLA leave.

ARTICLE 8

Protection of Teachers

8.1 Pupil Referrals. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the teacher will take reasonable steps to notify the Administration with respect to such pupils. The Administrator shall investigate the concern of the teacher as soon as reasonable and take whatever reasonable remedial measures he determines to be necessary under the circumstances.

8.2 Assaults. Any case of assault upon a teacher in the course of his duties shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall render all

necessary assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities. If the teacher is subpoenaed to appear in a criminal proceeding arising out of the assault, the time lost shall not be charged against the teacher.

8.3 Legal Action. If a teacher is sued by reason of disciplinary action taken by the teacher against a student, by the student or his parent(s), the Board will provide legal counsel and render all necessary assistance to the teacher in his defense, provided that the teacher is not found negligent, or in violation of Board policy, law or this Agreement. If the teacher is not found negligent, time lost by such teacher shall not be charged against the teacher.

8.5 Complaint Procedure.

8.51 Parental Complaints. Parental complaints shall be handled at the discretion of the Administration, provided that:

- A. Any complaint directed toward a teacher shall be called to the teacher's attention not later than ten (10) days after the complaint is received as soon as reasonable regardless if any disciplinary action is taken.
- B. Any necessary conference due to a parent's complaint will be cooperatively arranged between the teacher and the parent involved with notification to the Administration. The Administrator shall have the option of being represented at the conference.

Following the notification of the teacher, the Administration will hold a conference within ten (10) working days with the teacher and the complaints and/or questionable methods of discipline and/or instruction will be discussed. Written records, including the date, the nature of the case and the disposition of the conference will be kept. It will be signed by the teacher and Administrator involved.

8.6 Public Reports. Teachers shall not be identified individually in reports to the public made in compliance with P.A. 25 (1990) unless required by law.

Article 9

Seniority

9.1 Seniority. The Board shall maintain an up-to-date seniority list, a copy of which shall be furnished to the Association within thirty (30) calendar days after the beginning of each school year. The seniority list as furnished shall be conclusively deemed to be accurate unless the Association shall inform the Board of any errors within thirty (30) calendar days after receipt of such list. The names of all teachers in the bargaining unit at the time of preparation of the seniority list shall be listed in order of their service dates, starting with the teacher with the greatest amount of seniority at the top of the list. If two (2) or more teachers have the same service date, their social security numbers shall be used in determining their respective positions on the seniority list, with the teacher having the lowest number being assigned first to the seniority list. Members of the defined bargaining unit who accept a full-time, non-bargaining unit assignment within the District shall remain on the seniority list for two (2) calendar years after leaving the bargaining unit assignment. During this time no additional seniority shall accrue. After the two (2) calendar years has expired the name shall be removed from the seniority list. An individual returning to the bargaining unit after two (2) calendar years have expired shall be placed at the bottom of the seniority list but retain all tenure rights if applicable.

9.2 Interpretation. For the purpose of this Article:

- A. "Service date" is the date when the teacher first provided professional services for the Board under written contract of employment, exclusive of any extra-duty assignments, since any break in service. Termination of service shall constitute a break in service. For purposes of this provision, a teacher on an authorized leave of absence or on layoff shall continue to accrue seniority during any such period(s), provided, however, that seniority accrued during any such authorized leave of absence or period of layoff shall not be included for purpose of advancement on the salary schedule.
- B. The provisions herein set forth shall be subject and subordinate to all applicable laws and regulations including the Michigan Teacher's Tenure Act.

9.3 Limitations.

- A. Unemployment Compensation. A teacher who is laid off and receives unemployment benefits pursuant to state or federal law and who is subsequently recalled by the Board shall reimburse the Board for gross benefits received, provided, however, that no reimbursement shall be required if the sum of such benefits and compensation earned by the teacher during the twelve (12) month period from and after the effective date of layoff is equal to or less than the compensation the teacher would have earned had he been regularly employed during the same period. The Board shall notify an affected teacher of this provision at the time the teacher is laid off.

The Board agrees to meet with the affected teacher in order to develop a mutually acceptable reimbursement plan; however, if no plan agreement is reached, then the amount to be reimbursed shall be withheld pro rata from the teacher's bi-weekly paycheck during the balance of the 20 or 26 pay periods elected by the teacher.

- B. Rights of Supervisors. Any teacher who shall be transferred to a supervisory or an executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have under this Agreement as ~~listed under section 11.4 above.~~

ARTICLE 10

The foregoing extra-duty assignments shall be subject to the following terms and conditions:

1. The compensation rate for an extra-duty assignment where a percentage figure is used shall be determined by multiplying Step S1 of the BA Base by the applicable percentage rate listed on Schedule "C".
2. Any activity may be temporarily or permanently discontinued or assigned to a person who is not a member of the bargaining unit at the discretion of the Board. None of the provisions of this agreement shall apply to a person

who is not a member of the bargaining unit, provided, however, that compensation for any non-bargaining unit member shall not exceed the schedule rate for the activity.

3. A teacher shall not have tenure in any extra-duty assignment, and assignments may be made or terminated for reasons satisfactory to the Board.
4. An activity not included on Schedule "C" shall receive such compensation as established by the Board at the time the activity is approved.
5. Since co-curricular activities are a vital component of a student's entire educational experience, the involvement and supervision by the professional teaching staff is critical. In addition, it is vitally important for the student to interact with the professional staff members in a non-classroom type environment.

Therefore, it is envisioned that each professional staff member will supervise or sponsor at least one activity. The Administration will post the activities which the district will sponsor for each school year and will accept applications for those activities. In the event that a sponsorship remains unfilled through the voluntary application process, the Association agrees to assist the Administration in filling that position. The staff member will be reimbursed for such sponsorship as per the amount listed on Schedule "C".

6. The Administration will assign Centreville Public School teaching staff to all these specific positions in conjunction with current classes.
