The results of any such examinations shall remain confidential except to the extent necessary for the Board to take public action thereon. Any teacher placed on involuntary leave may use any accumulated sick leave.

Teachers using leave time for personal illness or disability shall give the administration as much notice as is reasonably possible.

After five consecutive absences due to personal illness or disability the Board may request a doctor's verification of any teacher's illness or disability.

2. Routine medical attention - Where dental and medical attention cannot be scheduled outside school time, necessary time off will be granted.
3. Critical illness in family - Critical illness in the immediate family which required the presence of the teacher taking leave time. A teacher's immediate family shall include the teacher's spouse, children, parents, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, aunts, uncles, cousins, siblings, grandparents, grandchildren, nieces and nephews.

Any teacher using leave time for personal business shall notify his or her building principal at least one (1) day in advance, except in cases of emergency.

Business leaves shall not be granted for the first or the last day of the school year nor on the first working day preceding or following a vacation or holiday period.

E. Unpaid leaves of absence

1. The Board may grant the following unpaid leaves upon request:
  - a. Military leave for time served in the U.S. armed forces.
  - b. Overseas teaching for up to one (1) year.
  - c. Peace Corps for up to two (2) years.
  - d. Sabbatical leave for up to one (1) year.

Written requests need to be made to the Board of Education a minimum of 60 days in advance of said leave, and/or extension of an existing leave. This request is only for those leaves listed under E. 1. b., c., & d. above.

The Board may at its option grant extensions of said leaves upon request of the teacher.

2. An employee taking any of the unpaid leaves listed above shall receive increments on the pay scale as though the employee had remained on active duty, except that any teacher taking a sabbatical leave must receive at least twenty (20) semester hours academic credit in order to receive such credit. Increments shall not be granted for extensions of said leaves over that period of time specified in 1 a through d above.

  - d. No incremental credit on the pay scale shall be granted to an employee for time spent on child care leave.
- F. Absence due to injury or illness incurred while a teacher is supervising students or performing a professional, work related activity shall not be charged against the teacher's sick leave days, provided that the Board shall pay to such teacher from his/her accumulated sick leave, the difference between his/her salary and benefits received under the Michigan Workmen's Compensation Act for the duration of such illness but in no event beyond the date that said accumulated sick leave has been exhausted.

It is further agreed, for purposes of Section 354 of the Worker's Disability Compensation Act, that the exchange of a sick day (or part thereof) in return for the payment of a salary differential by the school district, constitutes a direct contribution to this plan by the teacher which precludes differential salary payment pursuant to Section 354 (b) of the Worker's Disability Compensation Act, MCLA 418.354.

Should said contribution by an employee be held by any court or administrative agency of competent jurisdiction to be an "offset" against benefits to be received by said employee under the Act, the Board shall not be required to pay the additional wage amounts charged to employee accumulated sick leave as provided for above.

- G. A maximum of four (4) days leave for business pertaining to the professional association that cannot be handled at any other time is allowed and not charged. - H. Any teacher who is required to serve on a jury or subpoenaed to testify during school hours in any judicial or administrative matter, arbitration or fact finding shall be paid his/her full salary or other benefits. - e. No more than sixty (60) sick days may be given to anyone. The intent of this policy is to help an employee during their greatest need, but not to give more days than is necessary for the emergency. Sick leave days will be given in five (5) day increments and used in five day increments, distributed equally from donators.

The payment of insurance premiums will cease one hundred twenty (120) days after the teacher has exhausted his/her personal sick days and the teacher continues to be off due to illness or disability. The unit member may, subject to the terms of the carrier, continue insurance at the unit member's own expense through the superintendent's office.

The Board will act upon any such grievance within thirty-two (32) days of such regular Board meeting.

- K. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss such grievance informally with any appropriate member of the administration or from having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment. Individuals may not arbitrate a grievance.

2. See School Board policy for layoff and recall.
- B. "Seniority" shall be defined as the length of continuous service with the school district since the last date of hire. In the event of ties in seniority, all teachers affected will participate in a formal drawing to determine placement on the seniority list. The Association and bargaining unit members affected will be notified in writing of the date, time and place of such drawing. Such drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representatives to be in attendance.
  - C. The Board or its agents shall prepare and present to the Association a current seniority list by December 1 of each year.   - E. Notice of recall shall be sent by certified or registered mail to the last known address of each teacher to be recalled. The failure of any laid off teacher to respond to a notice of recall sent to his/her most recent address on file with the Board within eight (8) days after receipt by the District of verification of delivery or attempt to deliver such notice shall be cause for termination. Teachers will stay on the recall list for 3 years.
  - F. For purposes of this Article, the term "Highly Qualified" shall be defined by the Department of Education.
    1. For any position funded through any federal or state program, possessing qualifications sufficient to guarantee continued state or federal funding for the position.
    2. No teacher shall be deemed qualified for any position for which he or she cannot meet the Certification and Department of Education standards established by the State of Michigan.
    3. As between any two employees whose qualifications as set forth herein are otherwise equal, that teacher with more teaching experience shall be deemed qualified for a given position. For K-6, teaching experience shall be defined as the total experience in all K-6 positions. In 7-12, teaching experience shall be defined as total experience in the subject area in question.

**ARTICLE XVII****Annexation and Consolidation of Districts**
