As a duly elected body exercising governmental power under the laws of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by PERA or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any lawful activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Association and its members shall have the privilege to use school building facilities at all reasonable hours for meetings in accordance with the board rules and regulations. All meetings shall be scheduled in advance with building principal’s permission.

- D. No teacher shall be prevented from wearing insignias or pins as identification of membership in the Association whether on or off school premises.
- E. A Bulletin board in the teachers’ lounge shall be made available to the Association and its members.
- F. The Board, or its designee, agrees to furnish the Association in response to reasonable “written” requests, all available information concerning the financial resources of the district, and such other information which may be necessary for the Association to process any grievance or complaint, except information from personnel or medical files deemed to be confidential.
- G. Nothing contained herein shall be construed to deny or restrict to any teacher, rights he may have under the Michigan Revised School Code. The rights granted to teachers under the master contract shall be deemed to be in addition to those provided by law.

- H. The salary committee of the Association may, with the approval of each teacher whose contract is being reviewed, check teacher's contracts in the presence of a representative of the Superintendent to determine if the salary schedule is being followed.
- I. The Board recognizes that appropriate texts, library reference facilities, maps, and globes, laboratory equipment, audio-visual equipment, art supplies, physical education equipment, current periodicals, standard tests and questionnaires and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools. The Board agrees at all times to keep the schools reasonably and properly equipped and maintained.
- J. The Board shall make available in each school adequate lunchroom space, restroom and lavatory facilities exclusively for teacher use and at least one room appropriately furnished, which shall be reserved for use as a faculty lounge.
- K. Separate non-pay telephone facilities shall be made available to teachers for their reasonable use.
- L. Adequate parking facilities shall be made available to teachers for their assigned use.

- N. The provisions of this agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex or marital status or membership in or association with the lawful activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education and opportunity to every student without regard to race, limited English proficiency, religion, sex, color and nationality.
- O. Board will provide: (1) a separate desk for each teacher, (2) lockable space to store coats and personal items; and (3) necessary teaching supplies and tools within budgetary limits. Other materials required by the teacher may be requested by the teacher through the building principal and such request will be given prompt consideration.

This provision shall not prevent the District from responding to FOIA requests as provided by law.

If the Board receives a request for any information or documents from a teacher's personnel record, the Board shall notify the teacher and Association President as soon as possible. Before any requested information from a teachers personnel file is released, the Board will permit the teacher and Association representative the opportunity to review the file.

- R. Upon his/her request the teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined or at any meeting which the teacher reasonably believes may result in discipline. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present. The Board will have the right to place a teacher on non-disciplinary, administrative leave with pay pending the outcome of an investigation. This may be deemed necessary to protect both the teacher and student(s). Such investigations will be concluded as quickly as possible.

No teacher shall be disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage for a reason that is arbitrary and capricious and without due process and progressive discipline where appropriate.

2. No teacher in the Middle or High Schools shall be required to teach more than four preparations per day without mutual agreement of the teacher and Principal. The Principal will notify the Association President prior to entering an agreement with the teacher. If a mutual agreement cannot be reached, a meeting will occur with the teacher, building Principal, building representative, and Superintendent to attempt resolution before a grievance is filed. Seminar, Academic Enrichment, and Free Voluntary Reading will not be considered a preparation.
3. All Middle and High School teachers will have one full class period per day of prep regardless of schedule. For the purpose of this paragraph shared teachers will be classified according to the majority of time scheduled in each building. (e.g. If a teacher is scheduled to teach in the middle school 0.55 FTE, they will be entitled to middle school prep time.) Any exception to the middle school and high school planning time due to extreme situations, including financial hardship will be allowed after options developed by the BEA, the teacher(s) involved and the administration are reviewed and discussed.

B. Since pupils are entitled to be taught by highly qualified teachers who are working within their area, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates or their major or minor field of study.

- D. The teachers schedule will be tentatively completed before the conclusion of the current school year.
- E. The counselor will not be given substitute-teaching assignments as part of his/her regular duties except in rare cases where classes would not otherwise be under the supervision of a certified substitute.

Determination of the “highly qualified” status will be determined by the Byron Area School District and will be based on the guidelines and requirements established by the Michigan Department of Education.

- A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teacher and the Board. The Board declares its support of a policy of promotions from within its own teaching staff. “Service” in the system, for the purpose of this Agreement, shall mean continuous employment in a school of the district, irrespective of tenure status, but shall exclude all periods when the teacher was on leave of absence for any cause, except for those on family medical leaves.

Teachers shall be informed of an automated system they may call before 7:00 a.m. to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher. MENTOR TEACHERS

- A. The Byron Area Education Association will comply with the master/mentor teacher program as is set forth in Section 1526 of the School Code, MCL 380.1526, which requires that for the first three years of employment in classroom teaching, a teacher shall be assigned by the school in which he or she teaches to one or more master teachers, or college professors or retired master teachers, who shall act as a mentor or mentors to the teacher. Also during the first three years of employment in classroom teaching, a teacher shall also receive intensive professional development induction into teaching, based on a professional development plan that is consistent with the requirements including classroom management and instructional delivery. The intensive professional development induction into teaching shall consist of at least fifteen (15) days of professional development, the experiencing of effective practices in university-linked professional development schools, and regional seminars conducted by master teachers and other mentors.
- B. The Board and the Association mutually agree to the following process with regards to the selection of a pool of potential mentors. The administration shall select mentors with the advice of a district level screening and recommending committee comprised of the Association President, an Association appointee from each building, who will be approved by the President, and building administrators. The committee will determine the teachers who meet the following guidelines:
1. A mentor teacher will be one who has experience teaching in the area at least three (3) years and is willing to share those experiences. A mentor can be either a teacher presently on staff or a retired teacher with the required experience.

- E. A mentor teacher can have up to two (2) probationary teachers if desired.
- F. Suggested standards for release time will be the configuration of up to a half day per month for the first year, up to a half day every other month in the second year, and up to a half day every three months in the third year. Requests for greater time spent with the probationary teacher will be addressed with the building principal. It is also understood that time between the mentor teacher and the probationary teacher will necessarily take place weekly beyond the normal working day to establish that collaborative relationship. Time commitments beyond this minimum may be subject to revision due to state mandates.
