The Board recognizes that teaching conditions are learning conditions.
  
- B. The parties agree that quality instructional time is an essential condition of learning and that disruptions in instructional time cause disruptions in learning. Every effort will be made to control classroom disruptions such as announcements, parental visits, delivery of messages, fund-raising activities, and similar occurrences so the teacher/learning cycle will not be interrupted during the class period.
  
- C. The pupil-teacher ratio is an important aspect of an effective educational program. The Board of Education will attempt to equalize pupil-teacher ratio at the elementary level by the following methods: examining and adjusting school boundaries, examining and adjusting bus routes, closing all classes that reach optimum class size after the first day of registration and assigning new families to buildings with lower class size, and examining schools of choice policy and its effect on a building's class size. Mainstreamed students shall be considered in this equalization process.

Further, the Board recognizes that appropriate texts, consumable textbooks, library reference facilities, maps and globes, laboratory equipment, audio visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession.

The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board undertakes promptly to implement all joint decisions made by its representatives and the Association.

The Board, its administrators, and the Association mutually agree that progression towards more effective education shall be a goal based on effective school research. They further acknowledge that when these principles of effective school research are facilitated and utilized in the educational setting, student behaviors including increased motivation to learn, accelerated rate and degree of learning, improved retention, and transfer of learning to new situations can be obtained.

The Board will provide in-service to implement this goal.

- D.** If school is cancelled or delayed for reasons beyond the control of school authorities, such as hazardous or inclement weather conditions and mechanical malfunctions, the days or time lost may be rescheduled and made up at the end of the school year or at such times as may be mutually agreed upon by the Board and the Association. Teachers may donate sick leave days to any bargaining unit employee from either the same or any other bargaining or employee unit. In the event the number of sick leave days exceed the number of days necessary to meet the conditions outlined above it shall cause the “days” to be prorated of all donors and the residual amounts returned to the donor’s accumulated sick leave. Any DEA member requesting a donation shall do so through the Association’s Executive Board. The Executive Board shall bring the request to the attention of the District’s employees. The attached form (Appendix E) shall be used for sick leave donations and returned to the Association’s Executive Board. ## ARTICLE XVIII - NEGOTIATIONS

- A. The cost of printing of this agreement shall be shared by the Association and the Board.
- B. This agreement constitutes the sole and entire agreement between the parties in respect to rates of pay, wages, hours of employment or other conditions of employment which shall prevail during its duration. Collective bargaining agreements shall not be modified either formally or informally except as waived by the Board and the Association. This contract is subject to amendment, alteration, additions or waiver only by a subsequent written agreement between the Association and the Board. If a previously prohibited or illegal subject of bargaining is deemed to be mandatory by a final unappealed decision of a court of competent jurisdiction, the Parties agree to meet and negotiate the mandatory subject.
- C. Contract maintenance meetings will be held by representatives of the Board and the Association to review the administration of the contract, discuss matters of common concern, and to resolve problems.

These meetings are not intended to bypass the grievance procedure. If possible, each party should submit to the other, preferably prior to the meeting, an agenda covering what they wish to discuss.

- D. Any individual or supplemental employment contract between a teacher and the board is subject to the terms and conditions of this agreement. It is agreed that the collective bargaining agreement takes precedence over and governs such contracts and that such contracts are conditioned upon the agreement. It is further agreed that any layoff shall terminate the individual or supplemental employment contract of a laid off teacher and shall suspend the Board's obligation to pay additional salary or fringe benefits beyond the amount the teacher has accrued.
- E. If any provision of this contract is deemed invalid under Federal and/or State Law, said provision shall be modified to comply with the requirements of said Federal and/or State Law. All other provisions shall remain in full force and effect.

## **ARTICLE XIX – PROFESSIONAL STAFF LAYOFF/RECALL**

Likewise, grievances shall be deemed abandoned if the grievant(s) files a claim or complaint seeking the same remedial relief as stated in the grievance in any other forum established by law or by regulation having the force of law.

An Association representative may participate if requested by the teacher. A copy of the grievance form shall be given to the Association by the grievant at the time of filing. The immediate supervisor shall issue a decision within ten (10) days to the grievant and a copy filed with the Association by the immediate supervisor. After the filing of the grievance, an extension of up to ten (10) additional days shall be granted at the request of either party.

**Level 2.** If the grievance is not resolved or a decision is not issued at Level 1, the teacher and/or Association may file the grievance with the Superintendent within ten (10) days.

Within ten (10) days of the discussion, the Superintendent or designated agent shall issue a decision in writing, transmitting a copy to the grievant and the Association.

**Level 4.** Following the decision by the Board, either party may request mediation by MERC within ten (10) days.

**Level 5.** If as a result of mediation the grievance is not resolved, the Association may appeal the grievance to the American Arbitration Association within ten (10) days.

**D. General Arbitration Provisions**

1. The arbitration proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association, and the Michigan Uniform Arbitration Act.
2. The parties may mutually agree to an arbitrator.

5. The decision of the arbitrator shall be final and binding subject to review in accordance with the applicable standards for judicial review contained in the Uniform Arbitration Act.

**E. Restrictions on the Arbitrator's Authority:**

<b><u>Yrs of continuous service completed in Durand Area Schools</u></b>	<b><u>Rate per accumulated sick leave day</u></b>

## ARTICLE XXII - INSURANCE

- A. To the extent allowable by law or regulation, upon proper application and acceptance for enrollment by the appropriate insurance underwriter, and/or carrier, the Board shall make payments for insurance coverage for all eligible Employees (those not taking cash-in-lieu) and their eligible dependents toward the chosen insurance plan (the "Base Plan") in a combined monthly amount not to exceed Eighty Percent of the Base Plan premium (the "Monthly Contribution"), minus any deductions listed below, paid per eligible Employee.

The Base Plan shall be per MESSA quote number 331370:

Choices II

Deductible \$500/\$1000 (Paid by the Employee)

From the above listed Monthly Contribution, the Board shall deduct any payments already made, or that will be made, by the Board during the "medical benefit plan coverage year" toward Board reimbursement of "medical benefit plan costs" as defined by Public Act 152 of 2011 (collectively the "Supplementary Payments"). The Parties specifically acknowledge that the Supplementary Payments may reduce the maximum Board funded premium payment/percent, and increase the Employee's share of the premium payment/percent. If the total value of the Supplementary Payments already made, or that will be made, during the "medical benefit plan coverage year", exceeds the aggregate Monthly Contribution, the Board shall reduce the payments that will be made during the "medical benefit plan coverage year" toward the Supplementary Payments in an amount necessary to avoid exceeding the aggregate Monthly Contributions. The Board may use its discretion in determining which future Supplementary Payments to reduce, and further, may deduct from employee wages any past Supplementary Payments already made which are necessary to comply with Public Act 152 of 2011.

The Base Plan shall conform to all requirements of the Patient Protection and Affordable Care Act (PPACA) and Public Act 152 of 2011 (PA 152); including any requirements necessary to avoid penalties, taxes, or other liabilities for the Board; the Board is specifically authorized to make any adjustments to this Article necessary to fully comply with the PPACA and PA 152, including to avoid any penalties, taxes, or other liabilities chargeable to the Board.

- B. For those eligible teachers choosing to forego health insurance and instead choose PAK B benefits, the Board shall pay Eighty Percent of PAK B.

PAK B per MESSA quote number 331370:

- C. Any necessary amounts beyond the Board's contribution, as specified above, which are required to maintain the selected coverage(s) are the responsibility of the Employee and shall be payroll deducted or, when payroll does not cover the deduction, paid directly by the individual Employee. To the extent allowable by law or regulation, the Employee may

sign an agreement authorizing that any such amounts be payroll deducted through the Board's Section 125 Plan. If making direct payment, the Employee shall present payment directly on the 1<sup>st</sup> of each month prior to the date at which the payment becomes due. Failure of an Employee to pay their portion of the costs shall alleviate the Board of any duty to pay the Monthly Contribution. The Board shall have the right to make deduction of any amounts due from the Employee's wages, and shall be held harmless from any liability arising from the deduction.

- D.** Employees who have access to another Employee's Board funded insurance shall not be eligible for separate Board provided health insurance. Exceptions shall be made for employees who are less than 26 years of age and who are covered by a parent's PPACA compliant insurance, but have dependents of their own. Those individuals may take the Board funded insurance. During open enrollment, Employees electing health care coverage will sign a statement that they are complying with this paragraph.
- E.** Unless otherwise noted within this Agreement, or as required by law or regulation, Employees on unpaid leave status or who have exhausted leave allowed under this Agreement are financially responsible for the Board's portion of insurance contributions for those days.
- F.** Employees who are eligible for Board paid insurance contributions may make a written waiver of that coverage and instead elect to receive PAK B benefits and cash-in-lieu of health benefits in the amount of \$200.00 per month (less applicable taxes) in accordance with the District's Section 125 Plan.

At the Board's discretion, the Employee may direct all or a portion of the above amount to a tax-sheltered annuity approved by the Board through a separate written voluntary and elective contribution, as allowed by law or regulation.

- G.** Employees are hereby advised that they may have a right pursuant to Section 4438 of the Insurance Code of 1956, MCL 500.4438, to convert their life insurance policy, and that the Employee must make application to the life insurance carrier within 31 days of any termination of their employment status.
- H.** To the extent permitted by law or regulation, and/or insurer's policies, Board-paid insurance premium contributions shall continue as long as the Employee is in a pay status, but terminate at the end of the month during which the Employee ceases to be in a pay status, except as is otherwise provided herein or by law or regulation. Employees may continue the coverage at their own expense to the extent permitted by law or regulation.
- I.** The Board shall not be required to remit premiums for any insurance coverages on behalf of an Employee if enrollment or coverage is denied by the insurance underwriter, carrier, policyholder or third-party administrator.

- J.** The terms of any insurance contract or policy issued by an insurance underwriter, carrier, policyholder or third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. The Employee is responsible for assuring completion of all forms and documents required for his/her participation in the above-described insurance programs. Failure to complete the forms shall alleviate the Board of any requirements to fund insurance on behalf of that individual. The Board, by payment of its share of the insurance premium payments indicated above, shall be relieved from any and all liability with respect to insurance benefits. Such matters shall be excluded from the scope of the grievance procedure, except the Board's failure to remit contractual premium amounts required of it (unless the failure to remit contractual premium amounts is pursuant to Public Act 54 of 2011 or the requirements of this Article).
- K.** Changes in family status shall be reported by the Employee to the Board within thirty (30) days of such change. The Employee shall be responsible for any overpayment of premium made by the Board on his/her behalf for failure to comply with this paragraph, and the Board is specifically authorized to deduct any such amounts from future wages.
- L.** Unless otherwise delineated by law or regulation or the terms of the policy then in effect, eligible Employees shall receive insurance as of the 1<sup>st</sup> day of the 1<sup>st</sup> full month following their employment. Those employees opting to take cash-in-lieu shall not be eligible for Board paid health insurance contributions, but must participate in all other insurance products chosen by the Association if full unit participation is required by the insurance carrier. An Employee shall be eligible for Board paid insurance contributions or cash-in-lieu up to the maximum amounts allowed in this Article if the Employee is employed on a full-time basis as defined by the PPACA (currently, working an average of thirty [30] hours or more per week in the District).
- M.** The "medical benefit plan coverage year" shall run from July 1 to June 30 of each school year.

## **ARTICLE XXIII – EMERGENCY MANAGER**

Pursuant to the requirements contained within MCL 423.215 and Public Act 436 of 2012, if an emergency manager is appointed under the local government and school district fiscal accountability act, 2011 PA 4, MCL 141.1501 to 141.1531, or PA 436 of 2012, the emergency manager may reject, modify, or terminate this collective bargaining agreement as provided in the local government and school district fiscal accountability act, 2011 PA 4, MCL 141.1501 to 141.1531, or PA 436 of 2012.

This clause is included in this agreement because it is legally required by state law. The union did not agree to this provision. By signing this agreement, the union does not agree or acknowledge that this provision is binding either on the union or on the employer. The union reserves all rights to assert that this clause is unenforceable.
