- 22.8 The Board agrees to provide the above mentioned benefit program within the underwriting rules and regulations as set forth by the carrier(s) in the master contract held by the policyholder.
- 22.9 To be eligible for the above coverage (or increase in coverage), employees must be able to perform the "at work requirement" with this employer before benefits are effective.

The board shall have no liability in the event a dispute arises over whether certain claims and disabilities are covered by the insurance. All insurance coverage is to be effective on the date the insurance carrier accepts the employee for coverage. The Board shall not be responsible for coverage for any time the employee is not enrolled by the carrier unless non-enrollment is due to the negligence of the Board. The Board agrees to provide the insurance programs set forth in this article within the underwriting rules and regulations, as set forth by the carriers in the Master Contract held by the policy holder. Employees may begin or alter benefit programs only to the extent allowed by the enrollment periods specified by the company involved.
