**PURPOSE**

The purpose of this Agreement is to set forth wages, hours and other conditions of employment.

**ARTICLE I**

- B. The Board agrees not to negotiate with any teachers' organizations other than the Association for the duration of this Agreement.

**ARTICLE II**  
**ASSOCIATION AND TEACHER RIGHTS**

- A. Nothing contained herein shall be construed to prevent any individual teacher from presenting a personal complaint and having the personal complaint adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement. It shall be the responsibility of the individual teacher to request a representative of the Association to be present if he/she desires representation at the individual complaint adjustment.
  
- B. The Association and its members shall have the right to use school building facilities at other than school hours for meetings, providing the meeting is properly scheduled with the Superintendent.

- D. The parties agree that the teacher's time and effort should be primarily directed toward teaching.
- E. Any adverse material must be brought to the attention of the teacher before being placed in his/her file if such material is to be used for future disciplinary or evaluation purposes.

In the event that a case is appealed to the arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
  - h. More than one (1) grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent and then only if they are of similar nature.

Teachers shall be evaluated every year, or less often as provided by the Tenure Act, but may be evaluated more often at the discretion of the Administration.

The teacher shall have the right to comment on all or any part of the evaluation in writing and it shall be attached to the evaluation for placement in the District file. Signing the evaluation does not mean the teacher agrees or disagrees with the content of the evaluation, merely that he/she has read the report and has received copies. The teacher may file a rebuttal to the evaluation within thirty (30) days of the meeting.

4. In addition to this evaluation process all tenured teachers will submit annual goals to the Principal. Principals shall review the progress on these goals with the teacher on at least an annual basis. Goals shall be established and submitted by October 1<sup>st</sup> each year. Certain goals may span multiple years. The review of goal progress shall serve as the evaluation process for those tenured teachers not scheduled for a formal evaluation. Goals shall be established consistent with state law.
5. The evaluation is primarily for the improvement of instruction and to provide a method of communicating assessment of teacher performance. If it becomes necessary for termination of services, due process will be followed as stipulated in the Michigan Tenure Law.

## APPENDIX C

### **TEACHER INDUCTION AND MENTORING PROGRAM**

The Michigan Board of Education believes that the New Teacher Induction/Teacher Mentoring process is: A cooperative arrangement between peers in which new members of the teaching profession are provided ongoing assistance and support by one or more skilled and experienced teachers. This relationship should be collegial in nature and all experiences should be directed toward the development and refinement of the knowledge, skills, and dispositions necessary for effective learning. This process is expected to be mutually beneficial for all parties and to result in improved instructional practice and professional performances.

- A. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion. Each teacher in his/her first three (3) years in the classroom shall:
1. Be matched with an approved Mentor Teacher
  2. Be provided with a minimum of fifteen (15) days of professional development induction. This shall be scheduled within the regular school day whenever possible.

#### B. MATCHING MENTORS AND MENTEES

- A. Mentor Teacher shall be assigned in accordance with the following:
1. Mentor Teacher shall be a tenured teacher with successful teaching experiences of at least five (5) years.
  2. Participation of the Mentor shall be voluntary.
  3. Each March, the District shall notify and publish the elements of the Mentor Program to all teachers and invite volunteers. The District shall compile a list of potential Mentors by June.
  4. The District shall provide each Mentor and Mentee a description of the program requirements.
  5. Mentors and Mentees should be matched based upon similar jobs, building, areas of certification, and duties. (For example: match specials teacher with another specials teacher, matching traveling teachers, etc.) The Mentor and Mentee shall have similar assignments and conference/planning whenever possible.

6. A Mentee shall have only one (1) Mentor at a time, unless otherwise requested. A Mentor shall work with only one (1) first-year Mentee at a time.
7. The Mentor assignment shall be for one (1) year, subject to review. The appointment may be renewed in succeeding years or, a change may be made based on a change in teaching assignment. If either Mentor or Mentee feel the relationship is not providing the necessary help, either may request a change to the Director of Mentoring and Induction and the change shall be made within fifteen (15) days.
8. Because the purpose of the Mentor-Mentee match is to acclimate new teachers and to provide necessary assistance toward the end of quality instruction, the relationship shall not in any fashion be a matter included in the evaluation of the Mentor or the Mentee.
9. Neither the Mentor nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other.
10. No person shall require the Mentor or the Mentee to seek information as to the competence of either party.

#### D. RELEASED TIME

1. The Mentor shall receive, subject to scheduling with the Principal, released time to observe, instruct, and aid the performance of the Mentee in his/her classroom or work station during the regular instructional day.
2. The Mentee shall receive, subject to scheduling with the Principal, released time to observe and conference with the Mentor and /or participate in other approved induction activities.

#### E. RESPONSIBILITIES AND COMPENSATION FOR MENTORS

1. To qualify as a Mentor, a teacher shall have mentoring training provided by Lawton Community Schools or an Intermediate School District or through approved course work specific to mentoring.
2. The District shall pay the cost of mentor training provided by Lawton Community Schools or an Intermediate School District for any qualified teacher who is interested in becoming a Mentor.
3. Mentors shall meet together one time per year to plan induction program activities, reevaluate the New Teacher Induction and Mentoring Program, and update the New Teacher Handbook.
4. The District shall provide each Mentor with a Mentor Handbook outlining the roles and responsibilities of mentorship.

Third Year	\$100

6. In the event that the Mentee has been placed on a Plan of Improvement, the Mentor may request up to 10 hours of additional pay the teacher hourly rate to provide assistance specific to the Plan of Improvement to the Mentee.

F. NEW TEACHER INDUCTION

1. The District shall develop a program of classes and/or experiences that shall satisfy the requirements for New Teacher Induction at no cost to the Mentee. Professional development shall be scheduled within the regular workday and year whenever possible. The District shall provide a list of programs/experiences along with dates and times to each Mentee. The Mentee may elect to satisfy the induction requirement of fifteen (15) days of professional development through District-provided programs.
2. Regular in-service days provided by the District beyond the number required of all teachers by law shall be accepted as professional development experiences toward fulfillment of the induction requirement.
3. The District shall provide each Mentee with a New Teacher Handbook.
