1.000 BOARD-ASSOCIATION RELATIONS

- 1.100 Recognition of the Association
 - 1.111 The Board in accordance with Act 336 of Michigan Public Acts of 1947 as amended through Act 379 of 1965, and Act 176 of Michigan Public Acts of 1939 as amended through Act 282 of 1965 (herein called Public Acts), hereby recognizes the Association for the duration of this Agreement as the exclusive negotiating representative for all certified or professional personnel on an index, a per diem, hourly or class rate basis while under contract or on Board approved leave, listed under Group A and excluding personnel listed in Group B, Appendix I of this Agreement.
 - 1.112 Representation of personnel in newly created certificated or vocationally licensed positions shall be negotiated within 30 days of Board authorization for the position. Either party may appeal to arbitration upon expiration of the time limits stated above in accordance with the provisions of Section 4.230 and all of its subsections.
 - 1.113 Teachers shall either submit a membership form or shall be considered agency shop fee payers to Association.
 - 1.114 Agency shop fees shall be determined by the Michigan Education Association in accordance with the law and Federal Court Decisions, and shall be reported by the Association as provided below.

1.200 Methods of Communication

- 1.210 Negotiation Matters
 - 1.211 The Board and the Association have a statutory obligation pursuant to Act 379 of the Michigan Public Acts of 1965, to negotiate with each other with respect to hours, wages, terms and conditions of employment of bargaining unit employees.
 - 1.212 The Board and the Association shall negotiate such other matters as they may, by mutual consent, hereafter agree to negotiate, but neither party shall be obligated to give such consent.
 - 1.213 The Board and the Association recognize the legal and professional obligation to comply with the provisions of the NCLB Act of 2001, and any amendments thereto, as well as regulations promulgated thereunder.
 - 1.214 The parties hereby agree that their Teams shall meet at least monthly during the school year to attempt to resolve problems. The topics for these meetings shall be established by the group at the previous month's meeting whenever possible.

Topics will remain on the agendas until resolved or until deleted by mutual agreement.

Should any such meeting result in a mutually acceptable amendment to the Agreement, the amendment shall be subject to ratification; provided that the negotiating teams shall be empowered to effect temporary accommodations to resolve special problems.

1.215 Prior to the establishment of any new position in the bargaining unit, the Board shall notify the Association of such a contemplated action, and meet with the Association to negotiate workload for the position. This provision does not preclude the Board's ability to create and post positions. If the timing of the decision to establish the position precludes such a meeting, the Board shall meet with the Association as soon as possible. The parties may agree that the position should be allowed to operate without a defined workload for some defined period of time to determine what a reasonable workload might be.

1.220 Negotiation Procedures

- 1.221 All negotiations on behalf of teachers, whether seeking to reach a collective negotiation agreement or pursuant to any provision of this Agreement, or otherwise shall be conducted between a negotiating team for the Association and a negotiating team for the Board.
- 1.222 Each party shall select the members of its own negotiating team from within or outside of the school district as it sees fit, and neither party shall have any control over the selection of the members of the other party's team. The parties mutually pledge that the members selected by each of them shall be clothed with all necessary power and authority to present and consider proposals, make concessions in the course of negotiations and reach agreement, subject only to ultimate ratification. It is recognized that no final agreement between the parties, save memoranda of agreement (as provided in Section 1.214), may be executed or become binding without ratification by the Board and by the Association.
- 1.223 Negotiations for a new Agreement between the parties shall begin by March 1st of the year this contract expires.
- 1.224 At any meeting of the negotiating teams, either team may be assisted by such consultants as it may desire, providing that the number of consultants shall not exceed the number of members on the team employing them. All such meetings shall be closed unless the two teams shall, as to any meeting or part thereof, agree to the contrary.
- 1.225 Members of the Association's negotiation team and consultants thereto, who are employees of the Board, shall be released from their normal duties without loss of salary or other benefits when meetings of the two negotiating teams are scheduled during their normal working hours.

- 1.226 Teachers and/building or departmental staffs may apply for a variation from the terms of the Master Agreement. Such applications must be submitted if possible at least thirty (30) days prior to the deviation implementation date, and cannot be implemented without approval of the Association and Board Negotiating Teams. When such approval is granted, all sections of the Master Agreement which are affected by the variation shall be considered modified in the context of the application for the duration of the approval.
- 1.227 For the successor agreement to the 2017-2019 collective bargaining agreement, both parties will be trained to negotiate using the Interest Based Bargaining (IBB) process. Subsequently, the two parties will utilize the Interest Based Bargaining (IBB) process to negotiate the new collective bargaining agreement.
- 1.230 Professional Study Committees
 - 1.231 The Board may establish such professional study committees as may be necessary to advise the Association and the Board on such matters as teaching techniques, courses of study, textbooks, curriculum guides, pupil testing plans, philosophy and educational goals of the district, research and experimentation, educational specifications for buildings and other related matters. Such committees shall include representatives of the Association, teachers, students, parents and administration; the representation of teachers shall be at least equal to that of each individual group described herein unless equal representation is waived by the Association. The recommendations of these committees may be submitted directly to the Board.
 - 1.232 The Association shall nominate, and the Board appoint, the teacher members of such committees, giving consideration to the involvement of teachers from various organizational levels, departments, grades, and with different experience and points of view. In consideration of the extraordinary demands on new teachers, a probationary teacher may be on no more than two building, AAEA, or district wide committees.
 - 1.233 In planning new educational facilities, educational specifications committees shall be established and shall include teacher representatives at least equal in number to the representatives of any other individual group as described in Section 1.231 above. Such committees shall be involved in all planning stages of each project and their recommendations shall be presented to the Administration and the Association and may be submitted directly to the Board.
 - 1.234 The Board shall involve the Association, directly or through joint Professional Study Committees, selected in accordance with Section 1.232, above, in the formulation and evaluation of any proposal with respect to any education or recreational program or change therein, or with respect to any matter prior to the Board making any final decision.

- 1.235 The Board shall directly involve individual teachers and the building professional staff in the formulation of the education goals, practices, and programs for the individual building and for system-wide implementation. The Board shall directly involve individual teachers and the building professional staff in the preparation of the individual building budget and shall consider recommendations from the Association in the formulation and evaluation of any proposed fiscal, budgeting, tax or facility program.
- 1.236 In the event that an individual building staff elects personnel and programs that would, if implemented, conflict with any of the terms of this Agreement, representatives of the Board and the Association shall meet and negotiate to determine what measures may be taken to assure optimum latitude for local program control.
- 1.237.1 The Board and Association jointly agree to encourage experimentation and innovation to improve instruction and services to students.
- 1.237.2 The parties recognize the need to give special consideration to the obligation to implement state mandates.

This team shall make every reasonable effort to facilitate, through consultation with the building staffs, the experimentation and innovation referenced in Section 1.237.1.
- 1.237.4 The consultation team will be composed of at least one member of each party's negotiating team. The team will advise building staffs on possible problems with the Master Agreement or board policy and will work with them to seek solutions to those problems. The team may provide information regarding decision making models that will enhance the possibility for maximum possible agreement within building staffs.
- 1.237.5 The consultation team will advise building staffs when it is necessary to apply for contract variations as provided for in section 1.226, and will guide these applications through the contract variance process outlined in the Master Agreement.
- 1.238 Professional Learning Community (PLC) Study Committee The parties will create a team to create and implement the use of PLC's.
 - 1.238.1 The membership consists of two (2) co-chairs, one from the Association and one from the District and 4 teammates from each party (ten (10) total). The team will be trained in the fall of 2017. The team will meet a minimum of twice per month. The team will share monthly progress at problem solving.

 - 4.221 Informal procedure. Any teacher may take up a grievance directly with the Board, via such channels as it may establish, in accordance with and subject to the conditions and limitations provided by applicable state laws. Without limiting the foregoing, any teacher with a grievance may discuss the matter, in verbal or written form, with the appropriate Administrator within fourteen (14) work days after the date on which the alleged grievance occurred, or on which the grievant first learned of its occurrence. Written notice must be given to the Association and the representative for Human Resource Services that the grievant intends to pursue the grievance informally. The grievant, under the informal procedure, is entitled to the same rights, including counsel and assistance from the Association, as are given the teacher filing a formal grievance. Any grievance discussed in the informal procedure may, at the option of the grievant, be filed under the formal procedure any time up to thirty (30) work days from the filing of the informal grievance.

- 4.222 Formal Procedure. Any teacher desiring to invoke the formal grievance procedure (hereinafter called Grievant) shall proceed as follows: (provided that, a grievance may be initiated at any level of the procedure if the grievance is not against an agent of the Board at any preceding level.)
- 4.223 Written notices of the Grievance, in the form annexed as Appendix II, signed by the Grievant or a representative of the Association, shall be delivered to the appropriate administrator, the representative for Human Resource Services, and the Association within fourteen (14) work days after the date on which the Grievance occurred, or on which the Grievant first learned of its occurrence, or if the formal grievance procedure is invoked, within thirty (30) work days of filing of an informal grievance. Within seven (7) work days of receipt of such notice, the appropriate administrator shall meet with the Grievant and representatives of the Association in an effort to settle the grievance, and shall deliver a decision in writing to the Association's representative within five (5) work days after such meeting. Whenever a Grievance is initially filed against the Board, the time limits described in Section 4.224 shall apply. Appeal of any Grievance initially filed against the Board shall be immediately to arbitration.
- 4.224 If the Association is not satisfied with the decision of the appropriate administrator, or if no decision has been delivered in the time allowed in Section 4.223 above, written notice of appeal signed by a representative of the Association shall be delivered to the Superintendent within ten (10) work days thereafter. Within fourteen (14) work days of receipt of such notice, the Superintendent or his/her designee(s) shall meet with the Grievant and representative(s) of the Association in an effort to settle the Grievance and shall deliver his/her decision in writing to the Association's representative within five (5) work days after such meeting.
- 4.225 When the parties mutually agree on the urgency of a specific grievance, the Board shall arrange, whenever reasonably possible, for a meeting of those parties necessary to resolve the grievance within two business days during the school year.

4.230 Arbitration of Grievances

4.231 If the Association is not satisfied with the decision of the appropriate administrator, or if no decision has been delivered within the time allowed in Section 4.224 above, written notice of demand for arbitration before an impartial arbitrator shall be delivered, pursuant to Section 4.233, within thirty (30) work days thereafter. Any notice of joinder of grievances under Section 4.232 shall result in a delay of fourteen (14) work days in appeal for arbitration, but the thirty (30) work day filing time shall not be reduced by this delay.

- For purposes of arbitration of formal grievances, the 4.232 Association may join individual, Association and class grievances arising from the same or similar circumstances and seeking the same or similar remedy, regardless of whether the grievances are filed by different teachers, teachers in different buildings, or groups of teachers in the same or different buildings. To be joined, such grievances must be extant at the time a response is given by the Superintendent on any such grievance or grievances. Grievances dealing with facilities and/or physical plant shall not be so joined, but joinder of grievances dealing with instructional materials is allowed. The appropriateness of joinder may be subject to contest in arbitration. Decisions by an arbitrator on a grievance dealing with facilities and/or physical plant may be used as precedent or evidence for any other such grievance, as is appropriate.
- 4.233 The Board and the Association shall attempt to mutually agree on a panel of three (3) permanent arbitrators who shall be appointed annually. The three (3) arbitrators shall be used on a rotating basis except where the parties mutually agree to use an arbitrator out of rotation. If agreement cannot be reached on each of the three (3) arbitrators, the parties may opt to use only those arbitrators on which agreement has been reached or use the services of the American Arbitration Association in the rotation process. Except in cases involving the American Arbitration Association, appeals for arbitration shall be sent directly to the arbitrator, in rotation with a copy to the Assistant Superintendent for Human Resources and Legal Services.

The Board and the Association agree to schedule a mutually agreeable hearing date as soon as practicable, recognizing limitations caused by the arbitrator's calendar.

Once the appeal for arbitration has been filed, all communications with the arbitrator about that case shall be done jointly, or with prompt notice to the other party in emergencies or where the arbitrator initiates the contact.

- 4.234 Cases being arbitrated shall be presented by not more than three representatives for the Association and not more than three representatives for the Board, and shall be conducted in accordance with rules established by the American Arbitration Association. The Association may release witnesses for such proceedings by either authorizing association days or by paying for the cost of any needed substitutes for attendance at arbitration hearings when the number of association days falls below twenty (20) work days.
- 4.235 All evidence to be used by a party in arbitration should, whenever possible, be disclosed to the other party within fourteen (14) work days after the Association informs the Office of Employee Relations and Staff Development of its demand for arbitration. Evidence not available within such fourteen (14) work days may, however, be presented in arbitration provided such evidence has been disclosed to the

other party not less than seven (7) work days before the initial arbitration hearing is held. Evidence in expedited arbitration must be disclosed to the other party at least twenty-four (24) hours prior to the hearing. Arbitration proceedings shall not be postponed or recessed to allow compliance with the above requirements. The arbitrator shall rule on any objection made under the terms of this provision, and his/her decision shall be final.

- 4.236 The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement or to decide any issue not constituting a grievance.
- 4.237 The arbitrator shall render his/her decision in accordance with the rules of the American Arbitration Association, except that he/she shall mail the decision directly to the parties. Both parties agree to be bound by the decision of the arbitrator, as long as the decision complies with applicable law and does not exceed the power of the arbitrator set forth in 4.236, and the parties agree that either party may enter judgment thereon in any court of competent jurisdiction.
- 4.238 The fees and expenses of the arbitrator shall be shared equally by the Board and the Association.
- 4.240 Grievance Limitations
 - 4.241 Any grievance not taken up on the Formal Procedure shall, except for any adjustment arrived at under the Informal Procedure, be deemed settled on the basis of the action taken by the Superintendent. Any grievance taken up on the Formal Procedure and not appealed from any decision at any step of the procedure to the next step within the time allowed shall be deemed settled on the basis of such decision. Any grievance settled satisfactorily at any step of the Formal Procedure will be final and binding on the grievant, the Association and the Board, and not subject to further review. Any time limit provided in Sections 4.222 through 4.241 may be extended by written agreement executed by the Association and the Board.
 - 4.242 Excluding statements appended to the record of any disciplinary action taken, no grievance filed by any teacher under the terms of the grievance procedure of this Agreement shall be placed in any form in any personnel file of the grieving teacher. No grievance shall be used in any disciplinary proceeding against the grieving teacher or in any consideration for promotion or recommendation for job placement.
- 4.250 Grievance Withdrawal and Reinstatement
 - 4.251 A Grievance may, by notice in writing to the Superintendent, be withdrawn after it is taken up, but before the decision is delivered, at any step of the Formal Grievance Procedure and may be reinstated within thirty (30) work days after such notice of withdrawal is received by the Superintendent, but

not thereafter. Upon any reinstatement of a withdrawn grievance, any financial liability of the Board shall exclude the period from the date of withdrawal to the date of reinstatement; provided that if several grievances involve the same issue, one or more may be withdrawn pending the final written decision in a representative case and may be reinstated within thirty (30) work days after such decision is delivered, in which event the withdrawal shall not affect financial liability.

- 4.260 Grievances, Back Pay
 - 4.261 In the event a grievance is upheld, no claim for back pay or other benefits based thereon shall exceed the pay and other benefits to which the grievant would have been entitled hereunder except for such grievance, less any unemployment compensation (except to the extent it must be repaid to the state) and any compensation for personal services received from any source during the period of back pay.
- 4.300 Teacher Grievances Filed Independently
 - 4.311 Nothing in this Agreement shall be construed to prevent any individual from among personnel from presenting and adjusting a grievance directly with the Board, without intervention of the Association, in accordance with and subject to the conditions and limitations provided by Act 379 of the Michigan Public Acts, 1965.
- 4.400 No Discrimination
 - 4.411 The Board shall not, directly or indirectly, discriminate against any teacher with respect to hours, wages, terms or conditions of employment or application of the provisions of this Agreement or Board policies, and the Association shall not, directly or indirectly, discriminate against any teacher with respect to membership representation or participation in Association activities, by reason of race, creed, religion, color, national origin, age, sex, marital status, sexual orientation, handicap, or political beliefs.
 - 4.412 Staffing practices will reflect the Ann Arbor Public Schools and community's desire for diversity. The Board and the Association agree that action as allowed by law must be taken to recruit, employ, and retain ethnic minority group persons. Both parties agree that a highly significant part of the experience of children in today's society involves cross racial experiences. Part of that experience must be with ethnic minority group members who are educators. To the achievement of these ends, both parties agree that personnel practices in hiring, initial assignment, voluntary reassignment and the maintenance of minority staff in buildings shall not constitute discrimination within the meaning of Section 4.411. The parties also agree that it shall be their mutual goal to assign at least two African-American classroom teachers to each building.

- 4.413 The Board shall not, directly or indirectly, discriminate against any teacher with respect to hours, wages, terms or conditions of employment or application of the provisions of this Agreement or Board policies by reason of membership in the Association, participation in any activities of the Association including collective negotiations pursuant to the Public Acts, or the institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any term or condition of employment.
- 4.500 Protection by The Board
 - 4.510 Student Discipline and Control
 - 4.512 The Board and the Association recognize the mutuality of responsibility shared by teachers and administrators in the maintenance of student discipline and control.
 - 4.512.1 The teachers in each elementary building shall cooperate with their respective building principal in the development and implementation of an appropriate plan for teachers to supervise the safe arrival and the passage of students to classrooms preceding the beginning of school and the passage and safe departure of students after school in accordance with Section 7.217.3. Such plan shall be at no additional cost to the Board or require teachers to report to work earlier or remain at work later than those periods referenced elsewhere in this Agreement. All plans will be submitted for review and approval by the Superintendent's designees and representatives of the Association, which approval shall not be unreasonably withheld.
 - 4.512.2 For its part, the Board agrees to support, assist, and protect teachers in carrying out this responsibility and will provide direct assistance to teachers who are encountering discipline problems beyond their reasonably expectable capacity to handle (though this provision will not be construed in any way as diminishing the responsibility of teachers). The Board will, further, directly involve the Association in developing and evaluating rules, regulations, and enforcement policies and procedures to this end.
 - 4.512.3 For their part, elementary teachers shall provide discipline and supervision as reflected in the building safety plan. Association members assume responsibility for the maintenance of order among all students within their sphere of effective control while in the performance of their employment, especially immediately before and after school and between classes. Teachers shall be expected to be visible and available in the halls between classes and immediately prior to and after school where classroom responsibilities allow in accordance with Section 7.217.3.
 - 4.512.4 While this provision shall not be construed in such a way as to force teachers to serve as sentries, it shall be deemed to mean that teachers are expected to be where students are especially as needed from time to time when and where there

is an atmosphere of stress or volatility, and to enforce the discipline policies of the District.

- 4.512.5 The parties agree to work cooperatively at the building level to anticipate those times and places of stress and volatility and to work jointly in taking preventive measures.
- 4.512.6 Teachers shall assist in controlling students in extraordinary situations which occur at extracurricular activities at which the teacher is in attendance, is known by the students and can reasonably be expected to exert effective influence.
- 4.512.7 Both parties agree to seek ways of involving the total staff in efforts to establish long range goals for prevention of disruption.
- 4.512.8 Upon request, the Administration shall notify the Association of cases where a student assault on a teacher is reported.
- 4.512.9 If the Board is notified of an assault on a teacher, which had its inception in a school centered activity, the Board will render all reasonable assistance to the teacher in connection with the investigation by law enforcement.
- 4.512.10 An administrator shall attend a parent-teacher conference when it is believed that the parent may become physically or verbally abusive. Except in cases of emergency, prior arrangements will be made with the administrator.
 - 4.513 If any civil cause of action shall be brought against any teacher, by any party other than the Board or an employee of the Board, which arises out of such teacher's reasonable performance of his/her employment the Board agrees to submit such claims to its insurance carrier for defense.
 - 4.514 Teachers will not be penalized in loss of pay, sick days or other benefits for necessary absences in connection with any occurrence referred to in Section 4.513.
 - 4.522 When information is known, and it is permissible by law, the Board shall make reasonable efforts to notify the affected teacher(s) prior to the placement of any child who is a delinquency ward of the juvenile court based on an adjudicated felony or who has been convicted in adult court of a felony.
 - 4.523.1 Based on demonstrated need and/or requests, the Board shall make a reasonable effort to make available training in intervention without physical contact and training in physical restraint of students in dangerous situations. Such training shall be offered free of charge and may be offered at a time beyond the scheduled work day.
 - 4.523.2 Students who are defiant or verbally abusive to teachers are to be dealt with promptly as in accordance with the law, regularly established school and district discipline policies and procedures.

- 4.523.3 Physical contact may be used in compliance with the above sections only when there is a threat to the physical safety of the student, the teacher, or other persons. In those instances, the Board shall give deference to the reasonable good-faith judgment made by the teacher in determining if physical contact was necessary and if it was applied appropriately.
- 4.524.1 Home visits by teachers are an expectation in some programs and at times desirable in other programs. Teachers who are concerned for their personal safety in visiting or teaching in a specific home may initiate the following procedure:
- 4.524.2 The teacher should discuss the nature and basis of his/her concerns with the teacher's building or program supervisor.
- 4.524.3 After the discussion with the supervisor, if the teacher remains concerned, the supervisor shall gather additional information, if available, for the purpose of a more comprehensive assessment of the assignment. Such an assessment may include information gained by the supervisor's on-site evaluation of the assignment. Upon completion of this assessment and consultation with the teacher, the supervisor shall develop a plan for delivering services to the student.
- 4.524.4 The supervisor will meet with the teacher to discuss the plan. If the teacher disagrees with a home visit component of the plan, he/she may request a meeting with his/her supervisor and that person's supervisor for the purpose of reviewing the assessment of the proposed assignment, the plan, and the teacher's objections. The teacher may request that a representative from the Association be present at the meeting. After considering the information provided during the meeting, the second level supervisor will either confirm that the plan should be implemented or suggest an alternative course of action.

In cases involving students who have been formally charged by legal authorities with violent personal felonies, the supervisor will consult with appropriate authorities as part of his/her assessment of the proposed assignment.

- 4.524.5 No home visits shall be required until after the activities described above have been completed.
- 4.530 Health and Safety
 - 4.531 When the Board's agents learn of a student or a staff member who has a communicable disease that the Washtenaw County Health Department has judged hazardous to others, they shall promptly notify those teachers designated by the Health Department as needing to know the information.
 - 4.532 During construction or as a result of catastrophe, teachers shall not be required to work in areas where excessive dust or dirt is present and endangers health and safety. The

parties will promptly meet to provide cleaning or reach agreement on alternative work areas.

4.533 To ensure a safe educational environment, visits by community members, other than parents of current students, to a classroom must have prior approval by the building administrator and the teacher.

All visits must be scheduled in accordance with building and district policy.

- 4.540 Personal Protection
 - 4.541 For NCPS private and personal life of any teacher is not within the appropriate attention or concern of the Board, insofar as it is consistent with the Code of Ethics of the Education Profession. Teachers shall be entitled to full rights of citizenship; and the religious or political activities, or lack thereof, of any teacher shall not be grounds for any disciplinary action or discrimination with respect to the professional employment of such teacher. Nothing contained in this provision is intended to enlarge upon academic freedom as described in Section 4.700 of this Agreement.
 - 4.542 No polygraph or lie detector device shall be used in any investigation of any teacher by school authorities.

4.550 Personal Property

The Board shall reimburse any teacher for any loss, damage or destruction of personal property which arises out of such teacher's reasonable performance of his/her employment, not including vehicles and not covered by other insurance or caused by the teacher's negligence, provided that the personal property involved is reasonably needed by the teacher personally or professionally and is not readily available in the building or through the Board. The Board shall be liable only for that portion of the loss in excess of ten (\$10.00) dollars and not exceeding a total loss of two-hundred dollars.

The Board shall be liable for the loss of money not to exceed one-hundred (\$100.00) dollars provided said money is deposited in the school safe during the school day. The Board shall not be liable for money left overnight, during weekends, or vacation periods.

The Board shall make a decision on approval or denial of such claims within thirty (30) days of receipt of the claim or additionally requested information, whichever is later. Payment will be made within fourteen (14) days of agreement on the decision.

4.560 Personnel Records

- 4.561 Upon reasonable advance arrangement, and in the presence of the representative for Human Resource Services or his/her designee, a teacher shall be permitted the opportunity to review the district's personnel file pertaining to his/her employment with the district. This review of the file shall not, however, be construed to include review of the Confidential Credential Folder or other confidential recommendations sought as a basis for determining whether or not the teacher was to be initially hired. Teachers shall also, upon reasonable notice, be permitted to inspect any official building or department files, which pertain to them, in the presence of the building or department administrator. Administrators may keep their confidential notes, as provided by law, to which the teacher shall not have access. The teacher may be accompanied by a representative of the Association if he/she so chooses.
- 4.562 The official Personnel File at the Human Resource Services Office shall contain no complaints about the teacher which have not gone through a procedure which includes teacher notification, investigation of the complaint, a finding that the complaint is legitimate, and notification to the teacher of their right to append a response or pursue the placement of the complaint through the grievance procedure. If any such complaints are in these files prior to the summer of 1990, they shall be removed and destroyed at the request of the teacher.
- 4.563 The Board agrees that all central personnel file materials regarding discipline records of actions more than four years old, medical, counseling or psychological records shall not be shown to or released to third parties absent written consent of the teacher or as required by law. The board further agrees that in the event a request is made by a third party for such records, the board shall promptly notify the teacher and the Association and agrees that it shall deny the request and shall assert on behalf of the teacher all applicable Freedom of Information Act exemptions.
- 4.564 If the Board receives a Freedom of Information Act request for documents in a teacher's central personnel file that are not covered in the previous section, the board shall make a good faith attempt to promptly orally notify the teacher and the Association of the receipt of the request. Upon request and insofar as time reasonably permits, the Board's designated FOIA officer shall meet with the affected teacher and/or the teacher's representatives to review the board's proposed response to the request. In order to allow the teacher and Association to seek legal relief, the Board shall delay granting the request to the extent permitted by law (ordinarily five business days after the receipt of the written request). Consideration shall be given to the teacher's privacy interests and all available Freedom of Information Act exemptions to compelled disclosure.
- 4.565 The provision of subsections of section 4.521 shall not prevent the Association from having access to any employment

records reasonably related to its duties as the exclusive bargain representative.

- 4.600 Evaluation of NCPS Personnel
 - 4.611 The primary purpose of evaluation is oriented toward the development, maintenance, and retention of a highly qualified, competent and professional staff and to identify, if necessary, areas of needed and appropriate supervisory assistance. In keeping with this purpose, a reprimand shall not be issued as a consequence of a formal written evaluation but this shall not prevent the issuance of a reprimand for an incident which warrants such discipline.¹
 - 4.612.1 The parties agree that the following provisions, when followed, will assure procedurally a fair evaluation and will provide the probationary NCPS every reasonable opportunity to demonstrate his/her competence, but the parties recognize that the purpose of evaluation is to assess performance and provide a format for guidance, including how well he/she is performing and areas in which improvement is needed. Evaluation for probationary NCPS shall be used as a basis for a recommendation for renewal, or non-renewal.
 - 4.612.2 Probationary NCPS shall be evaluated at least two times during the school year within the following limitations, and shall participate in an individualized development plan (IDP) process.

By last Friday in September: Notification of Process.

By second Friday in October: Meeting regarding process and procedures. Review IDP.

By first Monday in December: Complete first evaluation cycle.

By last Friday in January: Develop initial IDP for first year probationary NCPS.

Between first Monday in November and first Friday in February: IDP Review for other probationary NCPS.

By first Monday in April: Complete second evaluation cycle.

By third Friday in May: IDP for following year.

There shall, however, be a time between evaluations (normally four weeks, but consistent also with the time limitations specified above) sufficient to permit the NCPS to improve if improvement is to be forthcoming.

The above cited evaluation periods will be modified as warranted and appropriate for probationary NCPS employed for

less than a full school year. The Board may also exceed the application of these timelines by a five-day deviation.

- 4.612.3 A probationary NCPS may request assistance from the Association. At the NCPS's request, a representative from the Association may attend a meeting when the probationary NCPS's evaluation is discussed or where the NCPS's IDP is being discussed with the supervising administrator. In such cases the evaluating administrator will be notified one day in advance.
- 4.612.4 Evaluation is an ongoing process. Informal observations may be conducted at any time and included as part of the evaluation. Formal observations will not be done during the first two (2) weeks or last two (2) weeks of each school year.
- 4.612.5 Administrators shall arrange for the utilization of instructional supervision for each probationary NCPS, at the level needed for that NCPS in the judgment of the supervising administrator.
- 4.613.1 Evaluations shall be conducted by a building principal or assistant principal or other administrator. Each evaluation shall be preceded by at least one observation made in person by the evaluator, for a minimum of thirty consecutive minutes. Before the final decision is made on any evaluation report, the administrator shall hold a conference with the NCPS evaluated for purposes of discussing matters related to the observation and evaluation and to solicit NCPS response to the administrator's comments.
- 4.613.2 No parent as a parent shall serve as the formal evaluator described in Section 4.613.1.
- 4.613.3 Secondary NCPS shall utilize one of the Student Opinion of Teacher Forms (Appendix III) in each of their classes each term. The parties agree that the student opinion forms may contain valuable information which could lead to the improvement of teaching and learning. If the building administrator requests this information it will be shared in a collegial and professional manner to improve teaching and learning. During the evaluation year, the sharing of the student opinion form will be voluntary.
- 4.613.5 The Board shall, as soon as possible, notify each NCPS who his/her evaluator is to be. If another administrator is to be involved, the NCPS shall receive prior notification as to the role the other administrator(s) will play in the evaluation process.
- 4.613.6 The evaluator shall, upon NCPS request, meet with the NCPS to be evaluated prior to any formal observation as defined in Section 4.613.1.
- 4.613.7 The evaluator shall notify the NCPS of date(s) on which the formal observation could occur. These dates may be modified by the principal when absences interfere with previously scheduled observations.

- 4.613.8 There shall be at least three weeks between formal observations of NCPS, except as agreed to by the NCPS and principal. This section may be modified by the principal when absences interfere with previously scheduled observations. There shall be no more than six such observations during any given year. This section does not apply to NCPS whose performance has been identified as unsatisfactory.
- 4.614 Evaluations shall be in writing and reviewed with the NCPS within ten work days of the last observation. For probationary NCPS this review may occur up to five (5) work days beyond this limit if scheduling is interrupted. NCPS evaluations citing deficiencies shall include recommendations as to how the performance of the NCPS may be improved. Each evaluation shall include the statement:

"I understand that my signature is not intended to indicate my agreement with the evaluation, but is simply to provide the required record that I have read this evaluation and that I have been offered an opportunity to discuss this evaluation with my evaluator. I also recognize my right to attach comments concerning this evaluation to this document."

The NCPS and the evaluator shall sign the evaluation. If the NCPS objects to such signature, he/she may submit a separate signed document acknowledging the same statements that are above. A copy of the signed evaluation shall be provided for the NCPS.

4.616 In the event that the NCPS feels his/her evaluation was incomplete or unjust, he/she may put his/her objections in writing and have them attached to the evaluation report to be placed in the Personnel File. All evaluations of performance shall be based upon valid criteria for evaluating professional growth as jointly developed by the Board and the Association and approved by the Superintendent or his/her designee. Administrative criteria for evaluating the NCPS's professional conduct in circumstances other than the classroom shall be described in the Personnel Policies Handbook.

Any NCPS who is not satisfied with his/her evaluation has recourse to the grievance procedure.

- 4.617 Evaluations used in determining reemployment of probationary NCPS shall conform to the provisions above and no such NCPS shall be denied reemployment unless he/she has been properly evaluated, except that the Board may act to deny reemployment pursuant to Section 5.211 of this Agreement, independently of evaluations.
- 4.618 Probationary NCPS shall be denied reemployment only for just and reasonable cause, but no such denial shall be construed as disciplinary. If a NCPS wishes to appeal such dismissal, he/she may use the grievance procedure.

- 4.619.1 Evaluations of NCPS shall conform to Sections 4.611, 4.612.4, 4.613, 4.614, 4.615, and 4.616 above. Notwithstanding this, any and all evaluations of NCPS shall conform to a legitimate purpose.
- 4.619.2 For purposes of instructional improvement each NCPS shall be evaluated at least once every three years. However, this provision shall not be construed as inhibiting the Board's right to dismiss a NCPS pursuant to Section 5.211.
- 4.619.3 Observation of a NCPS for purposes of evaluation may be a joint observation by the appropriate administrator and a NCPS -observer if the NCPS and administrator agree. A model and guide for peer evaluation may be found incorporated herein as Appendix X.
- 4.700 Academic Freedom
 - In educating young people, the parties seek to inspire in 4.711 them an inquiring mind and respect for truth, a recognition of individual freedom, social responsibility, and the democratic tradition, an understanding and respect for the Constitution, Bill of Rights, and the law, and an appreciation of individual personality. The parties recognize that these aims can best be accomplished in, and will work together to create and preserve, an atmosphere which is free from censorship and artificial restraint and in which academic freedom for teacher and student is guaranteed. Further, the teaching about controversial issues, suitable to the age level, is approved as preparation of students for intelligent and conscientious participation in our democratic social order. The maintenance of the intellectual atmosphere which is implied here will necessarily depend upon the discretion of the administration and the objectivity and wisdom of the teaching staff.
 - 4.712 Other than adopted standards of professional behavior and responsibility, and the competent fulfillment of the Board's approved curriculum guides, there shall be no limitations on teachers or students with respect to their study, investigation, presentation or interpretation of facts or ideas concerning man, society, government, the arts or sciences, the physical and biological world, or other areas of learning, and teachers and students shall be guaranteed freedom of individual conscience, association and expression. Formal or informal religious instruction for purposes of proselytization is prohibited.
 - 4.713 Lesson Plans
 - 4.713.1 The Board agrees to provide each teacher with the approved curriculum, materials, and training for each course a teacher is assigned. It is the professional responsibility of each teacher to be prepared for teaching through daily and long range written lesson plans demonstrably related to the Board's approved curriculum. It is agreed that planning is an integral part of effective teaching. Lesson plans shall not be routinely submitted to any supervisor. Plans shall be

available to the supervisors and/or building administrators for planning and consultation upon request as well as in cases of teacher absences. Both parties agree that lesson plans may be used as evidence that the district curriculum has been taught. A substitute lesson plan of sufficient detail, clarity, and related to content expectations and lesson sequence to enable continuity of the learning program needs to be available in the event of a teacher's absence.

- 4.800 Reductions in NCPS Personnel
 - 4.811 In the event of a lay-off to achieve targeted savings the proportion of funds saved by NCPS lay-offs shall not exceed the proportion of the bargaining unit's employment costs compared to the total budget.
 - 4.812 If, at the discretion of the Board, a reduction of NCPS staff by means of a lay-off is necessary, the order of lay-off described in this position shall apply within the constraints listed below.
 - 4.813.1 If a NCPS layoff is anticipated, the parties agree to meet to review the layoff and recall procedure and criteria. The purpose of the meeting will be to determine a legally enforceable layoff and recall procedure, which is consistent with the intent of Sections 4.411 and 4.412 of the Master Agreement, to retain minority employees.
 - 4.813.3 Experience shall mean months, days and years of employment in the Ann Arbor Public Schools. If two or more NCPS have the same seniority and the Board must decide on laying off one of the NCPS, the last four digits of the NCPS's social security number will be used as a tie breaker. The lower number will have the most seniority.
 - 4.813.4 Probationary NCPS shall be laid off on the basis of certification, qualification, degree and experience. The categories in this provision shall control when a position for which a NCPS is certified and qualified is available.
 - 4.813.5 The order of lay-off for probationary NCPS, within the constraints listed above, shall be as follows:
 - 1. Probationary NCPS with a BA and no previous experience.
 - 2. Probationary NCPS with no previous experience and a Masters degree.
 - 3. Probationary NCPS with a BA degree and previous experience in districts other than Ann Arbor.
 - 4. Probationary NCPS with a Masters Degree and previous experience in districts other than Ann Arbor.
 - 5. Probationary NCPS with a BA degree with experience in Ann Arbor.

- 6. Probationary NCPS with a Masters Degree with experience in Ann Arbor.

- 4.813.8 In the event of a NCPS lay-off under Section 4.811, the Board may invoke the voluntary and involuntary transfer process as specified in Section 7.920 of the Master Agreement after following the lay-off identification procedure. The involuntary process will be invoked to the extent possible to a) preserve NCPS seniority and b) maintain current NCPS staff.
- 4.814.1 The following procedures and conditions shall apply to any necessary reduction in NCPS personnel.
- 4.814.2 The Board shall consult with the Association about any proposed NCPS lay-off.
- 4.814.3 No NCPS shall be discharged or laid off pursuant to a necessary reduction under Section 4.811.1 for the beginning of a school year unless such NCPS shall have been notified of discharge or lay-off by the last day of the previous school year.
- 4.814.4 No NCPS shall be discharged or laid off pursuant to a necessary reduction under Section 4.811.1 during the school year unless such NCPS shall have been notified for discharge or lay-off at least thirty (30) days prior to the effective date, but all individual contracts are hereby made specifically subject to this provision.
- 4.815.1 Consistent with Section 4.813.2, and 4.813.3, NCPS on lay-off shall be recalled to the first vacancy for which they are certified, and qualified in the reverse order of experience at the time of layoff. NCPS who become qualified and certified in additional areas while on layoff must notify the Human Resource Services Office with appropriate documentation and transcripts to be considered for any position held by a probationary NCPS or any subsequent position which is to be filled. Individuals who become newly qualified and/or newly certified while on layoff will not be eligible to displace probationary NCPS until the end of the current semester or NCPS who have less experience. If such refusal occurs in that time period, the NCPS will be recalled to subsequent positions to which they are entitled under section 4.815 without regard for the refusal.
- 4.817 For the duration of this Agreement, the Board shall enter into no performance or sub contract which will result in reduction of present NCPS staff or otherwise adversely affect the wages, hours and conditions of employment of NCPS in contravention of this Agreement. This provision shall not be construed, however, to include a prohibition on the use of any services available through state or county agencies, provided that no NCPS are laid off or terminated from employment thereby.
- 4.818 The Board shall consult with the Association prior to entering into a performance or subcontract for persons or organizations to perform work that is the same or similar to any bargaining unit work. This provision does not limit or restrict the Board's rights to subcontract according to Section 4.818.
- 4.819 In the event that the Board reorganizes schools or is facing a decision on a possible layoff NCPS, the parties shall meet to discuss an early retirement program at the time of either

 - 4.911 Should the Board or its agent have reason to suspect that a teacher is unable to perform his/her professional duties due to physical, mental, and/or emotional disability, they may demand that said teacher submit to a physical or psychological/psychiatric evaluation. Upon such demand the Association will be notified with permission of the individual. The Board may designate an examiner, who must be a licensed physician, neuro psychologist or allied health care professional, osteopath or psychiatrist and the Board will assume the cost of the examination. When the Board exercises its right for the fitness of duty test, the teacher will be placed on paid administrative leave. Upon receipt of the report by Human Resources and Legal Services a copy will be provided to the teacher. Should the teacher be found not fit for duty, they are eligible to use any days as allowed in the Master Agreement.

An additional examiner may be selected by the teacher at his/her expense. Should the teacher exercise his/her right to select their own examiner whose professional opinion differs from that of the Board's examiner on the issue of fitness for duty, the parties will select a third examiner and share equally in that expense. The parties will be bound by the third examiner's findings on fitness for duty.

4.912 The teacher shall be returned to the same or substantially equivalent position, with no loss of benefits, at the end of the period of incapacity specified by the Board in its determination of incapacity unless the Board, not more than sixty (60) calendar days before the end of such designated period of incapacity, shall request in writing to the Association and teacher the reconvening of a medical panel, as described in Section 4.911, to examine the teacher and report its findings to the Board. The Board shall then determine whether the incapacity is continuing and its decision in this regard and the procedures in connection therewith, including the right to arbitration, shall be as provided in Sections 4.912 and 4.913 of this Article. All requirements of this Article shall be applicable to any subsequent Board allegation of continuing incapacity.

- 4.913 The sole Board remedy under this Article upon determination of incapacity shall be placement of the teacher on disability leave with the right to disability benefits in accordance with Sections 6.311 and 6.321 of this Agreement. Nothing in this provision shall be interpreted, however, as appropriate cause for denial of benefits provided otherwise by applicable state law or this Agreement subject to Article V, Section 2 38.112 of the Michigan Teacher Tenure Act.
- 4.914 During the pendency of proceedings under this Article, the Board shall have the right to remove or reassign the teacher, provided the teacher is compensated at his/her regular salary during such removal or reassignment and provided further that if the removal is subsequently upheld, sick leave shall be charged retroactive to the date of removal, in which event Section 6.130 and any/all of its applicable subsections shall likewise be deemed retroactively granted and applied subject to Article V, Section 2 38.112 of the Michigan Teacher Tenure Act.
- 4.915 At any time after thirty (30) calendar days during the period of incapacity designated by the Board, the teacher or the Association or both may present, in writing, evidence, medical or otherwise, and request that the incapacity found by the Board be deemed ended and that the teacher be restored to regular and normal teaching duties at the regular salary then applicable. The decision of the Board in refusing to restore the teacher to normal teaching duties shall be in writing and be subject to arbitration in accordance with the arbitration provisions of this Agreement, but with the additional constraints specified in Section 4.913 of this Article. A teacher may make no more than one request for restoration to normal duty during the designated period of incapacity or of any subsequent decision by the Board extending such incapacity.
- 4.916 The expenses and fees of the medical panel shall be paid solely by the Board, but such expenses shall not exceed reasonable expenses and fees customarily charged for individual patients by licensed physicians practicing in Washtenaw County.
- 4.917 These provisions covering Independent Medical Exams shall in no way be construed as applicable to cases involving pregnancy.

- 5.111 The Association recognizes the Board's right to adopt and enforce reasonable standards of professional, ethical behavior.
- 5.112 Board and Association members, in ratifying a Master Agreement agree to be governed by each of the provisions of that Agreement. However, the size of the Agreement is such that members can, while working in good faith, miss items at times. It is in the interest of all parties that review and clarification of the relevant provisions be accomplished from time to time.

Therefore, at the beginning of each school year the Association will circulate a document to secondary school teachers listing specific contractual responsibilities related to interaction with students and parents, and responsibilities related to obligations in the building.

individual/initial occurrences of the items listed above (.1-.8).

- 5.212 Any teacher who negligently loses keys signed out to him/her, especially building keys, shall be liable for all and any costs of replacing keys and locks if security requires such changes. - 5.318 Except for offenses which on first commission justify dismissal or cannot justify continued employment, the parties adopt the concept of progressive discipline designed to necessitate corrected behavior and agree with the concept that the severity of the infraction should determine the degree of discipline to be imposed. To that end, any complaints, observed infractions, or charges against the NCPS, shall be promptly brought to the attention of the NCPS but this provision shall not be construed as negating, where appropriate, the Master Agreement itself as constituting first notice.

The Human Resource Services Office will assist the teacher by providing, upon request, specific earnings information for the teacher.

The teacher must be in compliance with section 4.523 in order to receive these days. The Board may employ the same medical examination procedures provided for Workers Compensation absences. The Board shall provide the first twenty-one (21) days in each year to be used under these circumstances. If the number of days exceed twenty-one (21), the days will be provided from the Sick Leave Bank, using the procedures identified in Appendix IX.

6.300 Leaves of Absence

6.310 Sick Leave

6.311 The purpose of the following provisions is to permit teachers, because of illness, injury, or physical disability of themselves, members of their families, or others for whom they have a close responsibility, or death of persons closely associated with them, to be absent from scheduled work days without loss of pay or benefits to the extent of sick leave credits available to them.

> Credits shall be used in full or half day increments only. The Human Resource Services Office may require a physician's report for use of a sick day on a day immediately before or after a holiday, vacation period, or during the first or last week of the school year. A physician's verification may also be required for any use of sick leave exceeding ten (10) consecutive school days, or ten (10) school days in any twenty (20) day period. In case of suspected abuse the district may require a physician's verification at any time. The Association shall immediately be notified of each case.

- 6.312 Each teacher shall notify the Board, by the appropriate method established, of his/her absence on a sick leave day as soon as possible, normally one and one-half $(1 \ 1/2)$ hours before his/her duty day is to begin. Length of absence in excess of one day, if ascertainable, shall be stipulated, and renewal of absence shall follow the same notification process. Renewal of absence shall, when reasonably possible, be made in time to permit action to retain the same substitute for the following day. Any teacher who reports for work after having given notice of absence shall have an amount equal to the amount received by the substitute teacher deducted from his/her pay. Any NCPS who fails to notify the Board of sick leave or renewal of sick leave shall be subject to discipline as provided for in Section 5.211, exclusive of the continued or repeated limitations on docking, or Section 5.313.1.
- 6.313 The Board shall accumulate days of sick leave credit, up to a maximum of 200 days, at the following rates per month of regular employment for each full-time teacher (pro-rated for part-time teachers):

Days Credit/	During years
Month of	of service in
Employment	Ann Arbor
1	1 - 10
1-1/2	11 - 20
2	21 - and up

Such credits shall be utilized only during the teacher's regular employment period.

- 6.314 For the Summer School Session, the Board shall provide one (1) day of sick leave credit for each full-time teacher (pro-rated for part-time). Such credit shall not be accumulated from year to year or with other credits, and shall be utilized only during the Summer School Session for which it is provided.

- 6.318 Teachers may use sick days for purposes of participating in recognized religious holidays of the teacher's personal faith. If a teacher has exhausted both his/her personal sick leave and personal leave days, and wishes to take a leave day(s) for (a) recognized religious observance(s), she/he is entitled to use up to three (3) days from the Common Sick Leave Bank by notifying the bank at least one week in advance of the observance day.
- 6.320 Common Sick Bank
 - 6.321 At the beginning of each regular school year, each member shall donate a number of days equal to 10% of their annual allotment (6.313) pro-rated for part-time teachers, to a Common Sick Leave Bank to be administered by the Human Resources and Legal Services Office. The initial yearly contribution will not exceed 1200 days. If the total days donated exceed 1200 days the excess days will be returned to the members' individual sick leave banks in reverse seniority order (least senior first) until the initial contribution is 1200 days. Any days remaining in the Sick Leave Bank at the end of any school year shall be carried over to the next school year.

The parties will establish a Sick Leave Bank Committee with each party having equal authority, to make decisions on allocations to any applicant. The Committee members shall be held harmless by the Employer and the Association for any decisions they make provided those decisions are consistent with mutually approved guidelines for the operation of the Sick Leave Bank and within the law. The decisions of the Committee will be final, and not subject to the grievance procedure described elsewhere in this Agreement.

Teachers who have exhausted their accumulated personal sick leave credits may make withdrawals in accordance with the Sick Leave Bank Operating Procedures attached hereto as Appendix IX. The Association may examine the records of the Sick Leave Bank operation at its discretion. If the teacher's illness or disability is four (4) weeks or more, and the teacher returns to work during a school year, the teacher shall have five (5) personal sick days restored to his/her account when he/she returns to service. This five day restoration may not occur more than once in a school year.

- 6.322 In the event the Common Sick Leave Bank becomes exhausted, a teacher may receive additional sick leave credits through the Common Bank as a result of contributions from teachers who have accumulated eighty-five (85) or more individual sick leave credits. Contributors may add up to ten (10) days of their accumulated sick leave credits to the Common Bank in this circumstance. Teachers who are retiring are allowed to contribute 10 days of their accumulated sick leave credits to the Common Bank.
- 6.323 In the event that contributions in Section 6.322 become exhausted, eligible members may donate an additional five days.

6.330 Personal Leave Days

6.331 Each teacher shall be entitled, each year during his/her regular employment period, to be absent without loss of pay or other benefits from scheduled work for two (2) days for personal reasons. These days shall be taken in increments of full or half-days only.

> During the 2017-2018 and the 2018-2019, 2 Sick Leave Days may be utilized as Personal Business Days, not to be used on payday Fridays; the day before or after a holiday (current language, Articles 6.332 and 6.333); teacher to secure a substitute.

Teachers shall not be required to explain the reasons for any request for a personal leave day.
- 6.333 Personal leave days shall not be construed as vacation days or random leisure days. A teacher shall not be granted a personal leave day on a day immediately before or after a holiday, vacation period, or during the first or last week of the school year except in cases of provable emergency.
- 6.334 The Assistant Superintendent for Human Resources and Legal Services may grant additional personal leave days without pay on an individual and emergency basis at his/her discretion.
- 6.335 Unused personal leave days shall be added to the individual teacher's accumulated sick leave upon the completion of each school year.

6.340 Foreign and Domestic Exchange

6.341 The parties encourage foreign exchange of teachers through the U.S. Office of Education and domestic exchange through professional, school and state organizations. Accordingly, the Board may approve, subject to conditions hereinafter stated, such exchanges provided: the outgoing teacher is on tenure; the incoming exchange is qualified for an available position; and the exchange is for one full school semester or year.

Teachers leaving on an approved exchange shall receive the same salary and other benefits, during the exchange, as they would have received had they remained in the Ann Arbor Public Schools.

- 6.350 Governmental or Professional Association Service
 - 6.351 The Board will approve a leave of absence for any teacher on tenure, without pay or other benefits, for:

Up to one (1) full school year for full-time service in any elected or appointed governmental position, including service with VISTA, the Peace Corps, National Teaching Corps, or similar agency, and

Up to one (1) full school year for full-time service with any educational, library or recreational association of recognized professional standing, exclusive of the MEA, NEA or other such organization; leaves for service with these organizations are provided for in Section 6.382.

The Board may extend such leave for a second school year in accordance with the provisions of the Michigan Teachers' Tenure Act. Teachers granted such a leave, provided they return upon the expiration thereof, are guaranteed employment in the same or similar classification, with the period of such service treated as time of employment with the Board for purposes of determining position on the salary schedule, and otherwise with all rights and benefits accumulated as of the time such leave commenced.

6.352 Any teacher elected or appointed to a part-time official position with any governmental agency such as City Council or County Board of Commissioners, or with any education, library or recreational association of recognized professional standing, will not be penalized in loss of pay, sick days or other benefits for absences, at reasonable times and intervals and for a reasonable total time during the school year, while directly involved in the official business of such position. If such time exceeds the equivalent of ten (10) days per year per teacher (taken in full or half-day increments only) a reduction in pay and responsibilities shall be made or a leave of absence required. The teacher shall reimburse the Board to the extent he/she receives compensation for the time he/she is absent from school. Such teacher's work schedule will be adjusted to the extent practicable to accommodate the permissible ten days of absence. Meetings of the Association, the MEA and the NEA,

and meetings designed primarily for professional negotiations or contract enforcement shall not be included.

- 6.353 The Board will approve a leave of absence for any teacher for service with the Armed Forces of the United States, whether by induction or enlistment and regardless of branch of service, pursuant to the provisions of Article XII, Act 145, Michigan Public Acts of 1943 and the Michigan General School Laws.
- 6.360 Court Appearances
 - 6.361 Teachers selected for jury duty are expected to serve unless disqualified, and will not be penalized in loss of pay, sick days, or other benefits for absences in such service, provided they notify the Human Resource Services Office by 5:00 P.M. of the school day after they receive notice to serve, and provided they file with the Human Resource Services Office a statement from the Court certifying the days of service. The Board shall pay teachers selected for jury duty the difference between the money received for the jury duty and the teacher's normal daily rate of pay, provided that teachers may subtract any actual and reasonable parking expenses incurred while on jury duty from the money received from the court before turning such money over to the Human Resource Services Office.
 - 6.362 Teachers subpoenaed as witnesses in any court action, excluding character witness, will not be penalized in loss of pay, sick days, or other benefits for such absences. The teacher may request a leave of up to but not more than twelve (12) months provided that the leave terminate at the conclusion of a semester. The Board shall grant short term leaves of absence under this provision when the period of absence does not further complicate the disruption of continuity of service to students.
 - 6.373 A teacher who is granted an unpaid maternity or child care leave by the Board pursuant to Section 6.372, shall be entitled, upon sixty (60) days notice, to return to employment with the Board at the expiration of the agreed upon leave. Failure to supply such notice shall relieve the Board of any obligation to return the teacher to work.

- 6.374 If the length of maternity or child care leave granted becomes unnecessary for any reason, the Board shall be liable to return a teacher to work prior to the termination of such leave only upon the teacher's written request and when the first position for which the teacher is certified becomes available; such teachers shall have no right to transfer prior to the conclusion of the school year during which they are so reassigned. A physician's verification of ability to return to work may be required.
- 6.380 Other Leaves
 - 6.381.1 The Board shall approve a leave of absence for any teacher on tenure for two (2) school years without pay or other benefits provided the request for the leave is made by May 1. Two (2) year leaves requested after May 1 may be granted when it is mutually agreed that the leave would be beneficial to the District and the teacher. The Board may limit the number of leaves granted and/or deny a leave request from within any department or program when granting the leave(s) would seriously disrupt the Department or program. Reasons may include health, study, mutually agreed upon travel, or work experience or other reasons. The Board may extend such leave for an additional school year in accordance with the Michigan Teachers' Tenure Act but this extension will only entitle the teacher to a position in the District to which he/she is certified and qualified.
 - 6.381.2 Teachers granted a leave of one (1) year, provided that they return upon expiration thereof, are entitled to a position with the District for which he/she is certified and qualified and in accordance with the Teachers Tenure Act.

In addition to the factors indicated in Section 6.381.1 the Board will consider other items, i.e., disruption to students, effect of the leave on the immediate quality of the program, availability of a qualified replacement.

Teachers granted a one semester leave, provided they return upon expiration thereof, shall be entitled to a position with the District for which he/she is certified and qualified and in accordance with the Teachers Tenure Act.

6.382 The Board will approve a leave of absence for any teacher on tenure, without pay or other benefits, for full-time service with the MEA or NEA. The Board may extend such leave for a second school year in accordance with the provisions of the Michigan Teachers' Tenure Act. Any teacher granted such a leave is guaranteed employment in the bargaining unit with all rights and benefits accumulated as of the time such leave commenced, provided he/she returns upon the expiration of the leave or extension of the leave.

- 6.390 Conditions of Leaves Pursuant to Sections 6.341, 6.351, 6.371, 6.381, 6.382, and 6.383.
 - 6.391 Insofar as possible, the application therefore shall be submitted to the Board a sufficient time in advance of the proposed absence to give the Board a reasonable opportunity to arrange for an appropriately qualified replacement for the departing teacher and to evaluate the application if made pursuant to Sections 6.381 and 6.382, above. The Board shall expect all requests for such leave to be submitted, insofar as possible, prior to the end of the school year preceding the semester(s) in which the leave will commence.
 - 6.392 Each teacher on an approved leave shall keep the Human Resource Services Office apprised of his/her current address. The teacher shall notify the Board, in writing, at least sixty (60) days prior to the end of the semester immediately preceding the expiration of the leave, if he/she intends to return to employment with the Board upon such expiration. The Board shall notify any teacher who fails to supply such notice that such failure will result in termination of employment by the Board. Failure to respond to such notice within ten (10) calendar days of initial attempted delivery shall relieve the Board of any obligation to return the teacher to work.
 - 6.393 The Board may limit the number of leaves granted to any individual teacher over time. The Board may also limit the number of less than one (1) year leaves to a reasonable number in all circumstances, but otherwise the granting of any leave shall not prejudice the recipient's status with respect to any other leave. Nothing in this Agreement shall be construed as requiring the Board to hold a particular position for any teacher.
 - 6.394.1 Leaves of Absence, excepting those pursuant to Sections 6.353 and 6.370, but including those pursuant to Section 4.900, shall be for at least one semester but for no more than two semesters. The Board may extend such leave for an additional school year in accordance with the Michigan Teachers' Tenure Act. Such leaves shall terminate only at the conclusion of a specific semester and the Board shall be liable to return a teacher to work prior to the termination of the agreed upon leave only upon the teacher's written request and provided a position for which the teacher is certified is available.
 - 6.394.2 If, at the time a teacher is scheduled to return from a leave of absence, the Board is carrying out a necessary reduction in personnel pursuant to Section 4.811, the returning teacher shall be assigned or laid off.

The principal shall apply for appropriate diagnostic services from Student Support Services, and shall be expected to assist the teacher with the student to the extent building resources reasonably and appropriately permit.
 - 7.121.3 Once Student Support Services concurs with the need for further diagnostic evaluation, an Individualized Educational Placement Committee, as provided by the state law, shall within one month (unless not otherwise possible) be convened for the purpose of determining the student's physical, mental, or emotional problem and to plan for the student's proper placement and/or other assistance. No student will be formally or officially deemed in need of special assistance and/or specialized classroom experiences under the Mandatory Special Education Act unless and until the Individualized Educational Placement Committee (IEPC) so certifies.

The parties who will attend such meetings are: the teacher, a representative of the Human Resource Services office, the building administrator, and a representative of the Student Support Services Department.

- 7.121.8 If a teacher receives a student who is certified as disabled, attempts to work with the student, and concludes that the assignment or placement may be inappropriate, she/he may request a reassignment or the reconvening of the Individualized Educational Plan Committee (IEPC) to reconsider the appropriateness of the placement. Such a meeting will be held within three (3) weeks of such request, provided that such timeline is in compliance with state law and regulations, and provided that the resources and staff are available. Other activities that are necessary for the IEPC to deal with the issue shall take place within that same time period, provided the resources and staff are available.

from Student Support Services to attempt to resolve the problem. The teacher may also request a representative from the Association to be present.

- 7.122 Section 504 Students
- 7.122.1 The Board shall involve receiving teachers at the elementary level and representatives of receiving teachers at the secondary level in discussions about placement of students who are certified as disabled or who have qualified for Section 504 accommodations. If placement demands don't allow time for such discussions prior to placement, the discussions shall be held as soon as possible after the placement is known. (See Joint Educational Needs Committee MOA).
- 7.123.2 Each student who is certified as disabled shall be counted as two students for purposes of computing overage at the secondary level subject to agreed limitations. Weighted count is not used for purposes of determining initial building staffing FTE allocation and class size staffing plans, however it is used for determining overage. (See Joint Educational Needs Committee MOA).

The Board shall give notice of assignments to new NCPS as soon as practicable, and except in cases of emergency, not later than one week prior to the NCPS reporting date.
 - 7.913 In the event that changes in building and subject assignments are proposed after one week prior notice as indicated above, any NCPS affected shall be notified promptly in writing.
 - 7.915.1 The Board shall place all NCPS who are hired after November 1st of each school year on temporary assignments. The positions held by these NCPS will be filled for the following school year, if the position still exists, using the normal transfer process in the spring. It is acknowledged that internal building reassignments are a part of that normal transfer process. The Board may make exceptions to this temporary assignment rule, on a case by case basis, provided it consults with the Association prior to making the decision.
 - 7.915.2 Newly hired NCPS who replace NCPS on Board approved unpaid leaves of absence for one semester or more up to one year maximum and whose leave ends at a semester break shall be placed in a temporary assignment. This facilitates the right of NCPS on leave as described in Section 6.300 and its subsections.
 - 7.920 NCPS Transfers and Reassignments
 - 7.921 Reassignment within Building
 - 7.921.1 All principals shall solicit NCPS preferences for classes and class schedules each school year. The principal shall work in a collaborative manner with the NCPS to develop NCPS

assignments for the following year. In that process, the following standards shall be considered:

- 1) NCPS expertise and/or experience.
- 2) School improvement goals and student achievement needs.
- 3) Sound rationale for assignments.
- 7.921.2 If a NCPS is involuntarily placed in an area which he/she has not taught recently or at all, the following provisions shall be followed:

1) Any formal observation of the NCPS may be delayed for up to one year at the option of the principal, in consultation with that principal's supervisor and a representative of the Human Resource Services Office.

2) Upon request, the NCPS shall be offered professional development assistance and opportunities to assist him/her in improving skills and knowledge necessary for the assignment.

- 7.921.3 NCPS who have been involuntarily re-assigned between school years within a building and believe that the assignment process described in Section 7.921.1 was not followed, that the criteria were not used properly, or have reason to believe that they have been treated unfairly may request a meeting with the principal and a representative of the Association to discuss the situation and possible alternatives. If the meeting does not resolve the matter, the NCPS may appeal to the Human Resource Services Office. In that instance, representatives of that office, the Association, the NCPS and the principal will meet within ten (10) calendar days to discuss the problem and seek resolution.
- 7.921.4 NCPS who have been involuntarily reassigned between school years within a building, or who have agreed to a request by a principal to accept a reassignment they did not seek, shall have the right to return to their previous grade or subject assignment if a vacancy opens up in that area within two (2) years of the initial reassignment.
- 7.923 Involuntary Transfer
 - 7.923.1 To the extent possible, no NCPS vacancy shall be filled by means of involuntary transfer if there is a known qualified and appropriate volunteer available to fill such position. The Board shall post all NCPS vacancies requiring transfer, voluntary or involuntary, in accordance with Section 7.931.
 - 7.923.2 Notice of an administrator's recommendation for involuntary transfer or reassignment, including reasons necessitating such change, shall be given to NCPS both orally and in writing by that administrator, as soon as practicable. Such recommendation will be acted upon by a representative of the Human Resource Services Office and a written notice of his/her decision shall be delivered promptly to the NCPS.
 - 7.923.3 When an involuntary transfer or reassignment is necessary, number of years of experience in the Ann Arbor School District, kind of experience, certification and highly

qualified status, and demonstrable program needs shall be considered in determining which NCPS is to be transferred or reassigned. Such transfers will not be done for disciplinary reasons.

- 7.923.4 Experience shall mean months, days and years of certificated employment in the Ann Arbor Public Schools. Experience and seniority are used interchangeably in this Agreement. If two or more NCPS have the same length of experience and the Board must decide on transferring one of the NCPS, the last four digits of the NCPS social security number will be used as a tie breaker. The lower number will have the most seniority.
- 7.923.5 The procedure for identifying the NCPS to be involuntarily transferred shall include:

1) Preparing a list of NCPS by years of experience in the Ann Arbor School District who work in the building where a transfer(s) is/are necessary, and

2) Proceeding along this experience list from least experience to most experience in the Ann Arbor School District identifying certification and highly qualified status, kind of experience and demonstrable programmatic needs.

All factors cited in Section 7.923.3 will be considered when making an involuntary transfer of NCPS.

- 7.923.6 NCPS who have been involuntarily transferred or who agree to a placement that they did not seek, from a building or department (Language Arts, Student Support Services, etc.) shall be given first right of refusal for two (2) years or up to two (2) offers whichever comes first, when a vacancy in a similar position occurs in that building or department.
- 7.923.7 Involuntary transfers of NCPS will not be made for the purpose of racially balancing the staff of a school unless the Board of Education is so directed by a court of competent jurisdiction.
- 7.923.8 The Board will consider placement of NCPS involuntary transfers based upon the number of years of experience in the Ann Arbor School District, kind of experience, certification and highly qualified status, and demonstrable program needs. Such placements will not be done for disciplinary reasons however, placements may be made to provide for a more productive learning experience. The district will not be arbitrary and capricious in exercising its rights to implement involuntary transfers or reassignment of NCPS.
- 7.924.1 NCPS being involuntarily transferred or reassigned shall have preference over those seeking voluntary transfer or reassignment in regard to existing vacancies, provided the selection of vacancy is compatible with the reason for transfer or reassignment and Section 7.923.1 above. All transfers and reassignments shall be made in conformity with the Michigan Teachers' Tenure Act.

7.924.2 If NCPS counselors are to be reassigned from counseling positions, the Board shall reassign the counselor with the least experience in the district as a counselor, and voluntarily transfer other counselors as necessary to readjust the counseling staff to where they are needed. NCPS Counselors shall be considered as a system-wide group for this process with no differentiation between middle and high school levels.

> If voluntary transfers do not accomplish the necessary reassignments, the Board may invoke the involuntary transfer process to fill the need. NCPS reassigned from counseling in this manner shall be entitled to the first available NCPS vacancy in counseling.

- 7.929 Voluntary Transfers of NCPS
- 7.929.1 NCPS who wish a transfer will submit a Voluntary Transfer Request using the online form by the first day of spring break. The Voluntary Transfer shall contain all of the NCPS's current certifications, highly qualified status, and any other information the NCPS may wish to share regarding their education and experience. Each NCPS will be limited to two (2) choices, however these choices may be as broad or narrow as the NCPS wishes. The request will also contain a phone# and best times to be contacted by the principal. This list of requestors will be held confidential until the vacancies have been identified.

Building principals will, after considering known retirements and resignations, and after reassigning existing staff, submit a list of NCPS vacancies to HRS by the first day of spring break. Any special programmatic need will be identified at this time. A conference will be held by the joint transfer committee to review the request. The joint transfer committee will consist of two representatives of the AAEA and two representatives of administration.

7.929.2 HRS will match requests with NCPS vacancies as follows:

HRS will screen the transfer requestors. A requestor may, at the discretion of the Employer, be disqualified for voluntary transfer based on the following criteria:

- 1) currently working under an IDP; or
- 2) received 2 B's on most recent evaluation; or
- 3) has been disciplined (written reprimand or greater) within the past 48 months; or
- 4) is returning from a leave of absence that delays or interrupts a scheduled evaluation; or
- 5) the FTE would increase beyond the district's obligation to the teacher.

Principals will be informed of any exceptions.

7.929.3 The three most senior NCPS requesting a position, who have passed the screening, will be submitted to the principal. The principal may choose to conduct an informal interview with any or all of the candidates. The principal will choose one of the three candidates. The selected NCPS must accept the transfer.

- 7.929.4 If, after the screening and the placement of other requestors, there are only one or two requestors remaining for a position, HRS will submit those names to the principal for consideration, but the principal may request that HRS post the position through the normal process.
- 7.929.5 All NCPS vacancies will be filled through the normal posting process as soon as practicable.
- 7.929.6 Building reconfigurations, based upon enrollment changes which necessitate reassignments, may include the transferred NCPS. Any other reassignment must align with the NCPS's transfer request or be required by current contract language.
- 7.929.7 Each NCPS who has applied for a vacancy shall be notified in writing of either acceptance or rejection of the request as soon as possible after the decision on such request is made. In case of rejection, the NCPS shall be entitled to a reason.
- 7.929.8 A representative for Human Resource Services shall make the final decisions on all requests for NCPS voluntary transfer.
- 7.929.9 A written request to the Human Resource Services Office may be made by any two (2) NCPS who wish to exchange assignments for up to one school year provided:

a) The administrators who would be affected agree to the exchange, and

b) The NCPS involved are qualified pursuant to Board policy.

Application for this exchange must be submitted to the Human Resource Services Office by June 1 for the following school year. This provision is not subject to the posting procedure. A representative for Human Resource Services shall make the final decision on all requests for such exchange in assignments.

7.930 NCPS Posting Procedure

7.931.1 Whenever any NCPS position, excluding the Superintendency and such other central administrative positions that are to be filled by administrative transfer, in the District becomes vacant, or is newly established, the Board shall post the same by sending a posting of each position to the Association and by appropriate posting at the Balas Building, and in every school building. School building postings may be suspended during the summer when school is not in session. These positions shall be posted for five (5) school days or seven (7) calendar days.

- 7.931.2 NCPS Positions shall not be filled, on a permanent basis, until posting time lines specified in Section 7.931.1 have been met.
- 7.931.3 It shall not be necessary to post a vacant position which has been temporarily filled if the NCPS filling the position immediately prior to the temporary assignment is to return to that same position.
- 7.940 Application Procedures
 - 7.941 Any NCPS may apply for any vacant NCPS position. In filling such a position, the Board agrees to give consideration to such factors as the professional background and attainment of all such applicants, their length of service and work performance in regular and extra assignments in the school district, experience elsewhere, and other relevant factors such as any adverse effect on Board programs as a result of the teacher leaving his/her present position. Staffing practices will reflect the Ann Arbor Public Schools and community's desire for diversity. Internal applicants shall be considered before seeking outside applicants; however, the filling of vacancies during the school year may be done utilizing the provisions of Section 7.910 and its subsections.
 - 7.942 Once a selection has been made, each candidate shall be notified of this action. The candidate then has the right to a conference with a representative for Human Resource Services to discuss the reasons for his/her rejection.
 - 7.943 If any NCPS wishes to reapply for a vacant position, he/she may bring his/her current application up-to-date rather than resubmitting a completely new application.
 - 7.944 Part-time NCPS who have requested an increase in time shall be given an interview, upon request, prior to or along with the other selected applicants who are not currently under contract with the district. This right will only exist in filling positions for which those NCPS are qualified, for the beginning of the school year.
- 7.950 Administrative Internship
 - 7.951 The Board intends to continue to provide administrative internships for assisting in identifying and training potential appointees, from among the professional staff, to administrative positions that probably will become vacant or be newly established within the current or next school year. The Board, however, shall not be limited by such internships or to interns in making appointments, but may consider others, both in and outside of employment with the Board, using the criteria outlined in Section 7.941.
 - 7.952 The Board shall notify the Association as internships are established. Any NCPS may apply for any available internship,

and shall receive due consideration according to the criteria outlined in Section 7.941.

- 7.953 Internships may be on a full or part-time basis, for such period or time as may be reasonably appropriate, and may be combined with other work normally assigned. An intern shall be paid the salary he/she would have received had he/she remained a NCPS, but he/she shall not be a member of the bargaining unit.
- 8.000 SUMMER SCHOOL
 - 8.100 Calendar
 - 8.111 During those summers for which the Board elects to run a summer school program, summer school shall begin the second Monday following the close of school and shall continue for no longer than seven (7) consecutive weeks of up to five (5) school days each exclusive of Independence Day Week, which shall have four (4) school days.(In no event, however, shall the time of student attendance fall below the time required for North Central accreditation if accreditation is required.)
 - 8.200 Workload
 - 8.211 The Summer School day for Secondary teachers shall consist of four (4) periods of fifty-five (55) minutes each except behind the wheel training in Driver Education which shall be on an hourly basis.
 - 8.212 The day for the Secondary Summer School Media Specialist shall be five (5) hours, with the additional hour scheduled as one-half hour before and after the regular summer school day.
 - 8.400 Compensation
 - 8.411 Compensation for Summer School teaching shall be paid at the BA minimum hourly rate.
 - 8.500 General Provisions for Summer School
 - 8.511 Excluding prohibited subjects, All other provisions in this Agreement shall apply to Summer School teachers except those in conflict with this Article, 8.000.
 - 8.600 Other Summer Work
 - 8.610 School Social Workers, School Psychologists speech therapists, school nurses, teacher consultants, school court liaison agent, and other NCPS shall be paid at per diem for work performed during vacations and summer, as approved by the Director of Student Support Services with the exception of services provided during the Extended School Year (ESY) program. School social workers, school psychologists, speech therapists, teacher consultants, school nurses and other

ancillary staff providing ESY will be paid at the summer school rate.

8.611 Teachers who attend Band, Orchestra, or Choral Camp shall be reimbursed at their regular daily rate of pay based upon their individual contract for the preceding school year.

9.000 PROFESSIONAL RESPONSIBILITY

- 9.100 The Board and the Association agree that teaching must be recognized as a profession, and in that light endorse the following beliefs which recognize what the best teaching is and which give guidance to those in the profession. These beliefs are not intended to prescribe specific theories but to encourage and recognize a variety of good practices. To that end, they will only be used to enhance the professional development of teachers.
 - 9.110 Teachers have a continuing professional responsibility to promote and participate in their own individual and collective professional development. This responsibility includes being prepared to teach the content and skills necessary to lead students toward mastery of state and district generated outcomes.
 - 9.111 If the Board requires teachers to receive specific training, the Board shall provide that training at no cost to the teacher and, as one option, will offer the training during the contractual day.
 - 9.120 Teachers have a continuing professional responsibility to base decisions on established theories and reasoned judgments in relation to instruction and student learning.
 - 9.130 Teacher individual and collective professional development must reflect student learning as a major emphasis.
 - 9.140 Teachers have a responsibility to teach the District's approved curriculum and those skills that lead toward student mastery of the identified learning outcomes required by the District and/or applicable state and federal law, and the assessments of such skills and outcomes.

It is the District's responsibility to ensure the approved curriculum, assessments and the desired outcomes can be accomplished in the time provided. Teachers and administrators will work collaboratively to accomplish this.

When the approved curriculum and outcomes designated for each grade and class are more than can be taught in the time provided, teachers in consultation with building or district administration shall have the authority and responsibility for selecting those portions of the delegated curriculum that will be taught. Those portions taught shall include areas or topics designated by the District for emphasis. Teacher discussions with instructional leaders regarding curriculum emphasis are encouraged.

- 9.150 Teachers have a continuing professional responsibility to effectively communicate and work in consultation with parents to lead the student toward achieving the district's outcomes. Every reasonable effort will be made by teachers to be accessible to parents for consultation about their students academic needs.
- 9.200 Teachers have professional responsibility to interact and participate in student life beyond the classroom. Teachers are encouraged to involve themselves in student activities to the extent their individual circumstances permit. Teachers and administrators shall provide reasonable support for teachers in their implementation of this responsibility.
- 9.250 The Board agrees that the involvement encouraged by section 9.200 does not create an enforceable past practice under the terms of the Collective Bargaining Agreement or pursuant to Section 2 of the Public Employers Relations Act.

9.300 Mentoring Program

The Board and Association agree that they will consult with each other regarding any compensation or terms and conditions of employment regarding the mentor program as required by Public Act 336 of 1993. This agreement specifically does not limit the Board's right to use non-bargaining unit personnel as mentors. The Board agrees to involve the Association in the development of this program. See Appendix XIII for compensation and filing timelines.

Eligible employees under all classifications recognized under Group A of Appendix I in the Master Agreement between the Ann Arbor Board of Education and the Ann Arbor Board of Education, shall participate in the district's mentoring program.

Any employee recognized under Group A of Appendix A who mentors an employee in the district's mentoring program shall be compensated per Appendix XIII. The mentor will report their services to the district per the Appendix XIII Payment Request meeting the deadlines stipulated in the Payment Request.

10.000 THE MASTER AGREEMENT

10.111 This Agreement shall become effective as of July 1, 2017. Any compensable work performed by any member of the Association bargaining unit prior to the first teacher reporting day of any year shall be paid for on the basis of the previous year's salary schedule. Such individual work contracts shall be deemed to have been terminated as of midnight of the day before the first teacher reporting day of each year. The beginning date of all individual contracts for all members of the Association bargaining unit shall be the same.

- 10.112 Excluding prohibited subjects, Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of this Agreement, and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. Excluding prohibited subjects, if an individual contract contains any language inconsistent with this Agreement, this Agreement, for its duration, shall be controlling.
- 10.113 Board Policies shall be compiled under one cover and shall be maintained for review by teachers and the Association through the individual building principals and the Office of Information Services. Board Policies and Administrative Rules and Regulations affecting teachers shall be compiled under one cover and shall be made available to each teacher each year (though all copies of such Rules and Regulations shall remain the property of the Board). Revisions to the Rules and Regulations shall be published as soon after adoption as practicable and shall become addenda to the primary document itself.
- 10.114 Excluding prohibited subjects, it is agreed that existing Board Policy, appropriate to the terms of this Agreement, shall continue in effect, but this Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board. Policies and regulations specific to prohibited subjects are not subject to grievance or arbitration.
- 10.115 If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsistent except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- 10.116 Two Hundred (200) copies of this Agreement shall be printed at the expense of the Board and presented to the Association, all teachers now employed, and those hereafter employed by the Board.
- 10.117 The Ann Arbor Education Association shall not engage in, sanction, or conduct any work stoppage or other concerted action in violation of the terms and conditions of this Agreement for the duration of this Agreement.
- 10.118 This Agreement, when effective, shall govern relations between the parties until midnight June 30, 2019, at which time it shall expire, without notice to or by either party, unless prior thereto the parties have agreed to extend it for a specified period or for such periods as they may agree to from time to time. This Agreement may not be reopened in whole or in part during its term except by mutual consent of the parties subject to PA 54.

In the event there are major (exceeding .5% of projected annual revenue) reductions in local, state or federal revenues, or an unforeseen financial crisis which adversely affects the funding of schools, the Master Agreement shall terminate at the time such changes go into effect, except as the contract is extended by mutual agreement. In Witness Whereof, the parties have duly executed this 2017-2019 Agreement on the first date written above.

SICK LEAVE BANK OPERATING PROCEDURES

- 1. The office of Human Resources and Legal Services shall have oversite of the Sick Leave Bank. Application is made by calling 994-2240.
- 2. Days from the Sick Leave Bank shall be used only for a physical disability or illness of a teacher which, in the judgment of a physician, makes it necessary for the teacher to be absent from his/her assignment. Days from the sick leave bank may be used for absences to participate in religious observances, subject to the restrictions in Section 6.323. Up to thirty (30) days per year can be used by a teacher from the sick leave bank for an acute illness or the onset of a chronic illness of a family member which requires the teacher's presence, in the judgment of a physician.
- 3. A physician's verification shall be required for each instance of use of days from the Sick Leave Bank. Such verification must be submitted to the Office of Human Resource Services not later than ten (10) days after the first day withdrawn from the sick leave bank for any illness. The Board may require the teacher to secure a second opinion regarding the need for absence from a doctor appointed and paid for by the Board. If the two doctors are in disagreement, they shall select a third doctor and the teacher must secure an opinion from that doctor on the issue of need for absence. The third doctor's opinion shall be controlling for granting days from the bank. The board shall pay for the third doctor's costs.

In cases where a second or third doctor's opinion is being sought, the teacher shall be granted sick bank days until the final doctor's opinion is delivered to the teacher and Board, and if two of the three doctors do not believe the teacher needs to be off of work, the teacher's sick bank grant will end upon delivery of the third doctor's opinion. The Board will grant an unpaid leave of absence upon request for any teacher whose sick bank grant has been terminated. The teacher must see the above-mentioned doctors as soon as appointments can be made.

- 4. There shall be a limit of ninety (90) days use from the Sick Leave Bank for any one illness or disability for the teacher's duration of employment by the Ann Arbor Public Schools. A teacher may draw additional sets of ninety (90) days for subsequent documented different illnesses or disabilities upon approval of sick bank committee.
- 5. The responsibility for making application for the use of days from the Sick Leave Bank rests with the teacher. The following information will be required upon application:
 - a) Name
 - b) School or Unit
 - c) Approximate number of days needed and dates of these days

- d) Name of physician
- e) Date of appointment with physician.
- 6. Application for use of Sick Leave Bank must be made not later than 5:00 P.M. of the second day of an absence covered by the Sick Leave Bank.
