This Agreement is entered into by and between the Board of Education of the Dexter Community Schools, hereinafter called the Board, and the Washtenaw County Education Association, MEA/NEA, hereinafter called the Association, which shall designate the Washtenaw County Education Association, MEA/NEA, solely in its representative capacity for the employees of the Dexter Community Schools in the bargaining unit recognized in this Agreement. No part of this Agreement shall prevent the parties from implementing mutually beneficial and agreeable alternatives.

PREAMBLE

WHEREAS the Board and the Association recognize and declare that providing quality education for the children of the Dexter Community School District is their mutual aim and that the character of such education is enhanced by the quality and morale of the teaching staff, and

WHEREAS the members of the DEA/WCEA are qualified to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment,

THEREFORE, the parties, through deliberate professional negotiations, have reached agreements which are herein recorded.

Language which applies only to “non- teaching professionals” shall be shown in *italics*.

- E. In the event that there is conflict between language in this contract and individual building handbooks, the language in this contract shall take precedence.

ARTICLE VI – TEACHING LOADS, ASSIGNMENTS, AND QUALIFICATIONS

- A. A Labor Management Committee will meet monthly between representation from the Association and the District to discuss issues of concern.
- B. The Board agrees to abide by the following class size limitations whenever possible. The Board and Association agree to meet annually to review and update Article VI, Section C.

1. Class Size Limits

The Association and the Board agree to respond to overloads using the system described below. It is the intent of this system to direct funds to new teachers and new sections of students as much as possible, instead of paying for overloads. It is also intended that absolute limits would be placed on those classes for which overloads would create unsafe conditions, or for which there is a limited number of work stations. It is the belief of the Association and Board that by working cooperatively, the most educationally appropriate solutions can be found to the problems created by overloads.

Class size limits are delineated in Appendix C. The description below defines the appropriate response to possible overloads.

YF – 6 Classes:

- A. The development of class lists:
 - 1. In the spring of the preceding school year the building principals and the Association will work together to devise the schedule and class lists as described in the master agreement. This task will be completed by June 1.
 - 2. If given the planned staffing, it is determined that there are any overloads beyond the number listed below, the Association and the Board will meet to discuss possible solutions. Any mutually agreeable solution will be implemented.

In the absence of a mutually agreeable solution, a new section shall be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds one half the number of sections for that level.

- B. Summer Enrollment:
1. By Thursday of the week before students are to report for the first day of school, the Board shall notify the Association of any overloads which might be expected due to increased enrollment.
 2. If it is determined that there are any expected overloads, the Association and the Board will meet to discuss possible solutions. Any mutually agreeable solution will be implemented.
 3. In the absence of a mutually agreeable solution, planning will begin for a new section to be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds the number of sections for that level.
- C. The end of the first week of school:
1. By the end of the fourth day of school, the Board shall notify the Association of any overloads which might be expected due to increased enrollment.
 2. If it is determined that there are any expected overloads, the Association and the Board will meet to discuss possible solutions.
 3. Any mutually agreeable solution will be implemented.
 4. In the absence of a mutually agreeable solution, a new section shall be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds the number of sections for that level.
- D. During the school year:
1. If, during the school year, there are any overloads above the limits defined in the attached list, teachers with such overloads will compensated at a rate of \$1011.71 per overload per semester, based on the student count on the 3rd Friday of the semester.

7th and 8th Grade Classes:

- A. The development of the schedule:
1. In the spring of the preceding school year the building principals and the Association will work together to devise the schedule and class lists as described in the master agreement. This task will be completed by June 1.
 2. If, given the planned staffing, it is determined that there are any overloads beyond the number in Appendix C, the Association and the Board will meet to discuss possible solutions.
 3. Any mutually agreeable solution will be implemented.
 4. In the absence of a mutually agreeable solution, a new section shall be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds the number of sections for that level.

- B. Summer Enrollment:
1. By Thursday of the week before students are to report for the first day of school, the Board shall notify the Association of any overloads which might be expected due to increased enrollment.
 2. If it is determined that there are any expected overloads, the Association and the Board will meet to discuss possible solutions.
 3. Any mutually agreeable solution will be implemented.
 4. In the absence of a mutually agreeable solution, planning will begin for a new section to be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds the number of sections for that level.
- C. The end of the first week of school:
1. By the end of the fourth day of school, the Board shall notify the Association of any overloads which might be expected due to increased enrollment.
 2. If it is determined that there are any expected overloads, the Association and the Board will meet to discuss possible solutions.
 3. Any mutually agreeable solution will be implemented.
 4. In the absence of a mutually agreeable solution, a new section shall be formed to accommodate the number of students in an overloaded grade level, if the number of overloads equals or exceeds the number of sections for that level.
- D. During the school year:
1. If, during the school year, there are any overloads above the limits defined in the attached list, teachers with such overloads will compensated at a rate of \$101.17 per overload per quarter, based on the student count on the 3rd Friday of the quarter.

High School Classes:

Both parties recognize the difficulty in devising a schedule for the high school which allows all students to take all of the courses they desire, and includes no overloads. (Class limits are listed in Appendix C.) It is the intent of the procedures described below to reduce the number of overloads and optimize the ability of students to take the courses required to meet state graduation standards.

- A. The development of the schedule:
1. During the preceding school year, the building principal and the Association will work together to devise the teacher schedule by May 15. This schedule will be presented to the superintendent for review at that time.

2. Tentative class lists will be available to teachers by the third Friday of May, with class sizes presented to the superintendent for review at that time.
- B. Summer Enrollment:
The administration of the high school and the association will meet within 10 calendar days before the start of the school year to discuss the status of the schedule for the coming school year. Student enrollment, staffing, and overloads will be topics of conversation. At that time any significant changes that have occurred will be presented to the superintendent for review.
- C. If at any time during the school year a change necessitates a significant increase in overloads, the association and superintendent will be consulted.

Specials Areas Classes:

Definition of Specials Areas Classes—Specials Areas Classes are: Art, Media, Music (includes Music at all buildings, YF-6), Physical Education, World Cultures/Languages.

Band, Orchestra, and Chorus student limit applies only to grades 5–12.

Teachers in grades 5–12 instrumental and vocal music classes may accept, but shall not be required to accept, more than 193 pupils and will receive compensation if they choose to. Each day the total overload will equal the (total pupil load – 193)/90. The total overload for the semester will equal the sum of the daily overloads.

A grade 9–12 Science teacher may accept one (1) lab assistant in any hour totaling no more than three (3) lab assistants per day without the District incurring any additional overload compensation resulting from those lab assistants.

2. The Board and teachers agree to provide services to students with identified special needs according to the terms developed through Individualized Educational Planning Teams (IEPT's). The document, Washtenaw Intermediate School District Special Education Plan, as published on the WISD website, provides general information and guidelines about definitions and processes.

Students with an IEP are distributed in accordance to the law in a least restrictive environment. Students with an IEP should have maximum appropriate exposure to non-disabled students per IDEA.

3. In grades YF–6, when class lists are being developed, teacher input shall be solicited to ensure numerical balance of students. Before class lists become finalized and distributed, teachers shall be given five (5)

working days to review the lists and, when appropriate, make recommendations for changes. Class lists shall be presented to teachers before the end of the preceding school year. Changes made after the end of the school year will be approved by affected teachers, recommending teachers, and the Association Representative before the class lists are considered final. If at any time the classes are unbalanced by three or more students, there shall be a meeting of the principal and the teachers of that grade level to discuss possible solutions.

4. Advanced Placement & International Baccalaureate Courses:

A stipend for training for IB and for teachers new to AP will be \$100 per day for summer training and for each extended essay and/or CAS student supervised.

A teacher shall be considered to be in the first year of teaching an AP class if he/she has not taught that class in the last five years.

5. No teacher shall be required to undertake regular class assignments during scheduled preparation time.

C. In the event overloads in class sizes are scheduled, the administration will meet with representatives of the Association to explain the overload and explore alternatives. When overloads must occur, the affected teachers will be compensated as follows: (These numbers will be adjusted to the rate of salary increase for each year of the agreement).

Grades YF – 6: 2016 – 17: \$1011.71 per semester

2017 – 18: TBD 2018 – 19: TBD

Grades 7 – 8: 2016 – 17: \$101.17 per quarter

2017 – 18: TBD 2018 – 19: TBD

Grades 9 – 12: 2016 – 17: \$202.34 per semester

2017 – 18: TBD 2018 – 19: TBD

Notes:

1. Overloads for Grades 7–12 shall be defined as the total pupils assigned minus the total pupil limit, or the sum of individual class overloads, whichever is greater.
2. Total daily teacher pupil limit for Mill Creek – summation of class size limits for classes assigned or 180, excluding exempt classes, whichever is less.
3. Total daily teacher pupil limit for high school – summation of class size limits for classes assigned or 160, excluding exempt classes, whichever is less.

4. Overloads shall be calculated for each period, with certification for overload being the end of the third week of each above specified time period. Overload payments will be made on the next possible payday following the end of each third week.
5. Part-time teachers shall have a proportional TDTPL.
6. The rate of increase of overload payments shall be equal to the rate of overall salary increase.
7. For Grades 5-12, band/orchestra and chorus overloads will be calculated using the following method:
Each day the total overload will equal the $(\text{total pupil load} - 193) \div 90$.
The total overload for the semester will equal the sum of the daily overloads.
8. With respect to overload compensation for teachers of YF-6 specials, (Art, Music, Phys. Ed., and Media), the following calculation method will be used:

NOTE: The first overload is not compensated per Section C regarding the regular classroom teacher.

For a typical week, for each fifteen minutes a class section or fraction of is taught by a specials teacher, a number of students one above the established class size limit will result in an overload payment of 1% of the current overload rate.

- D. There shall be at least two full-time licensed school counselors at grades 9–12, one full-time licensed school counselor at the grades 7–8, and one full-time licensed school counselor at grades 5–6. Every effort will be made to provide a licensed school counselor at grades YF–4.

Because of the nature of the counselor's work at the high school, the Board agrees to have at least one counselor on duty during regular office hours for one (1) week prior to the scheduled opening of school and one (1) week after the scheduled closing of school. Each additional day is to be paid at the counselors' annual contract salary based on schedule A at a per diem rate. At least two counselors at the high school and two counselors in grades 5-8 shall be considered full time counselors and shall not be assigned regular duties in attendance, discipline, administration, or clerical duties and study hall or lunch room responsibilities.

- E. No teacher shall be assigned pupils who are enrolled in another Dexter Community School class which meets at the same time as the teacher's class. This does not, however, preclude the provision of enrichment opportunities for pupils with exceptional promise or remediation opportunities for pupils with special needs as may be educationally appropriate.

- F. The Board agrees to comply with State Law and Regulations regarding certification.
- G. When the teachers' work schedule is divided between the high school and the middle school, the Board recognizes that equity in the teachers' workload must be maintained. Therefore, the academic year work load will equal full time.
- H. Special Positions.
 - 1. It is the goal of the district to have the following positions.
 - a. Media specialists – at least 4.0 licensed Media Specialists provided for the YF-6 levels. Media specialist service levels will be determined after soliciting input regarding service levels for teachers. Media specialist services will be provided at each building.
 - b. In the event that an International Baccalaureate program is established at any building/level, a coordinator position will be established at the minimum level recommended by the IBO.
 - 2. In the event that special, unforeseen circumstances arise during the duration of this contract, the Board and the Association may, by mutual consent agree to temporarily delete one or more of these positions for an agreed upon, specified period of time for the purpose of dealing with such crises.

ARTICLE VII – VACANCIES, TRANSFERS, AND REASSIGNMENTS

All language in this article which is shown in *italics* is meant to apply to non-certified professionals, (see Article I Section A. for definition of this term).

- A. *The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Therefore, prior to implementation of any transfer, all affected personnel shall be informed of prospective changes. The Board shall consider subsequent teacher input.*
- B. *A vacancy is defined as any newly created bargaining unit position or a current bargaining unit position vacated because of the resignation, retirement, death, transfer, discharge for cause, or leave of absence of the person assigned, provided the Board of Education determines to maintain the position. Whenever a vacancy occurs the Board of Education shall give written notice to the Association by delivering notice to the local Unit Director. The Association shall be responsible for simultaneously posting the vacancy notice in each building. Vacancy notifications will be posted at least seven (7) calendar days before the position is filled. In the case of an emergency, positions may be temporarily filled without posting.*

Personnel hired to replace persons on approved leaves will be eligible for continuing employment only when vacancies occur in areas for which they are highly qualified.

- C. *Whenever vacancies occur during the summer vacation period the following procedure will apply in lieu of the posting.*
- 1. Teachers with specific interests in possible vacancies will notify the Superintendent of their interest in writing before the last day of the school year and shall include the address where they can be contacted during the summer.*
 - 2. Should such vacancy occur, the teachers who have expressed interest for the position shall be notified via certified letter.*
 - 3. It shall be the responsibility of the contacted teacher to notify the Superintendent in writing, via certified letter, of continued interest within seven (7) calendar days after notification via certified letter.*
 - 4. Vacancies shall be filled in a manner which facilitates the recall of the most senior qualified teacher on layoff.*
- D. *The Association recognizes that when vacancies occur during the school year it may be difficult to fill them from within the District without undue disruption to the existing educational program. When vacancies occur during the school year, and the Superintendent in his/her reasonable judgment determines not to fill the vacancy from within the District, the Board will either recall qualified laid-off personnel immediately, in order of seniority, or hire a permanent bargaining unit replacement no later than the beginning of the following school year. Vacancies which occur during the school year as a result of leaves of absence for less than a school year may be filled with temporary substitute personnel.*

- E. *Any teacher may apply for a vacancy. Application shall be made in writing to the principal responsible for supervising the position. An interview will be granted by the supervising principal to each bargaining unit member who has made formal application within the seven calendar day posting period. In the event an interviewed bargaining unit member is not assigned to the vacancy for which s/he has applied, the bargaining unit member may request from the supervising principal and shall be granted a written statement indicating the reasons the assignment was denied. Reasons given shall be based on past evaluations, results of the interview, input from the committee interviewing, and why or why not the candidate meets the expectations and job description of the position or relates to the philosophy and mission of the building. No vacancy will be posted outside the school District until all bargaining unit candidates making application within the seven (7) day posting period have been interviewed and it has been determined that no bargaining unit candidate will be assigned to the position.*
- F. *When said position has been filled, the applicant and the Association will be promptly notified of this action and if rejected for such position the applicant has the right to a conference with the Superintendent or his/her designee to discuss the reasons for rejection.*
- G. *Transfers and changes in assignments will be made on a voluntary basis whenever possible. Involuntary transfers will only be made in situations described below.*
1. *Involuntary transfers or reassignments must occur when the layoff of an Association member would be the result of another Association member refusing a transfer. If a member has not taught in an area of certification within the last seven years, that member will not be involuntarily assigned to a position which requires such certification.*
 2. *Involuntary transfers or reassignments may occur when the administration determines a situation can only be remedied by invoking an involuntary transfer. The teacher with the lowest District seniority will be transferred or reassigned in this situation. In this case, a teacher at another building may be required to take an involuntary transfer to resolve the situation.*
- The Association may file a grievance if the Association believes there are other reasonable remedies.*
- H. *Upon written application and prior approval of the Superintendent, bargaining unit members who have been involuntarily transferred to positions in levels where they have not taught for a period of five (5) years or to positions requiring the exercise of*

certification acquired more than five (5) years previously and not used within the past five (5) years will be reimbursed for reasonable educational expenses necessary to upgrade skills required for successful performance in the position.

- I. *If a teacher (either probationary or tenured) has been evaluated according to the criteria established (see ARTICLE XII – EVALUATIONS, Section B.2 A-E) for probationary teachers and the teacher has been given an unsatisfactory evaluation, involuntary transfer may be invoked.*
- J. *If by reason of involuntary transfer the affected teacher wishes to resign instead of taking the assigned position, the teacher may do so as soon as a satisfactory replacement can be appointed.*
- K. *When a teacher on layoff is qualified for a vacancy which occurs during the school year, said vacancy need not be opened for application by other currently assigned personnel. When said vacancies occur during the summer months the vacancy shall be open for application by other currently assigned personnel in accordance with ARTICLE VII – VACANCIES, TRANSFERS, AND REASSIGNMENTS, Section B.*
- L. *See ARTICLE VIII – REDUCTION IN PERSONNEL, Sections M and N for a description of how vacant positions will be filled.*

ARTICLE VIII – REDUCTION IN PERSONNEL

All language in this article which is shown in *italics* is meant to apply to non-certified professionals, (see Article I Section A. for definition of this term).

- A. *In the event of a general cutback or reduction of teaching staff through layoff from employment, the following procedures will be utilized.*
 - 1. *Teachers not holding a valid Michigan teaching certificate will be laid off first, provided there are certified and qualified teachers to replace and perform all of the needed duties of the laid-off teacher.*
 - 2. *If reduction is still necessary, then probationary teachers with the least number of continuous years of teaching in the Dexter School System will be laid off first, provided there are remaining certified and qualified teachers to replace and perform all of the needed duties of the laid-off teachers.*
 - 3. *If further reduction is still necessary, then tenured teachers with the least number of years of continuous teaching experience in the Dexter School System will be laid off first, provided there are certified and qualified teachers to replace and perform all of the needed duties of the laid-off teachers.*
- B. *Certified teachers shall be defined as teachers who hold a valid Michigan teaching certificate.*
- C. *Qualified teachers shall be defined as teachers who possess a major or minor or have previous teaching experience in the District in the subject matter area to be taught.*
- D. Length of service or seniority is defined as service in the Dexter School System as a member of the bargaining unit. Leaves of absence, with or without pay and absence due to layoff are not to be considered a break in service, but service time shall continue to accrue during periods of paid leave, or periods of layoff only. The first day worked shall commence accrual of service time.
- E. A seniority list shall be maintained by the District. Teachers shall be ranked in order of seniority. Accompanying the name of each teacher shall be a listing of the teacher's certification endorsement. Said seniority list shall be presented to the Association annually during the month of October for review. Corrections shall be brought to the attention of the administration within three (3) weeks after its presentation to the Association. Ranking of teachers with the same length of service shall be determined by a drawing each year. The Association and teachers so affected shall be notified in writing of the date, place and time of the drawing.
- F. *Before official action on a reduction of teachers is taken by the Board of Education, it will give notice to the Association of the contemplated reduction and afford the Association opportunity to discuss it with the employer. As soon as the names of the teachers to be laid off are known, a list of such names shall be given to the Association.*

- G. *All probationary teachers to be laid off shall be given at least forty-five (45) calendar days written notice, and tenured teachers shall be given at least sixty (60) calendar days written notice.*
- H. *Teachers on layoff shall be recalled to available positions for which they are certified and qualified on the basis of greatest seniority. Teachers on layoff who acquire additional credentials which expand the scope of their certification and/or qualifications shall have those credentials considered for the purpose of determining their recall to available positions; except such additional certification and/or qualifications may not be utilized to displace any teacher who has not been placed on layoff. No new teacher shall be hired in a position until all laid off teachers certified to perform the position have been given an opportunity to return to active duty in that position.*
- I. *The Board shall give written notice of recall from layoff by sending a certified letter, return receipt requested, signed by addressee, to said teacher at his/her last known address. The teacher shall notify the Board of acceptance or rejection of recall within fifteen (15) calendar days of the receipt of the notice by certified mail. It shall be the responsibility of each teacher to notify the Board of any changes of address. The teacher's address as it appears in the Board records shall be conclusive in connection with layoff, recall or other notice to the teacher.*
- J. *A laid-off teacher shall retain his/her right to recall for at least five (5) years. During this time a teacher shall forfeit his/her right to recall unless s/he shall annually provide to the Board during the month of June a written notification of his/her continued interest in the teaching position. Likewise, it shall be the responsibility of the teacher to inform the Board of any change in permanent address. The teacher shall forfeit continuing rights to recall if s/he does not accept recall to a comparable position when offered. This language is subject to allowable extensions of recall to be stipulated by State law or the Tenure Commission. A teacher who refuses recall and who is granted extension rights by the State Board or Tenure Commission shall not accrue seniority in the bargaining unit during the period of time for which recall is refused.*
- K. *Recalled teachers shall be informed of their recall by certified mail and shall have fifteen (15) days to respond to the recall notification. Failure to respond to a recall notification shall constitute forfeiture of all recall rights.*
- L. *Laid-off teachers will have the first opportunity to become substitutes. Teachers on layoff shall advise the Board in writing of their availability and willingness and shall provide the Board with a current address and phone number.*
- M. *Laid-off teachers, during the time they are subject to recall, shall be allowed to maintain at their expense the group insurance benefits consistent with COBRA regulations which are being provided to Dexter teachers, within the limitations of the insurance carrier. If direct payment is not possible, premiums shall be paid one (1) month in advance through the Dexter Schools.*

- N. The following principles shall apply to all members when changes in assignment are being considered:*
- 1. Involuntary transfers will be made only when it is necessary to avoid a lay-off.*
 - 2. Changes in assignment must create the least disruption to the building schedule.*
- O. If there are teachers returning from leave and/or teachers whose positions have been eliminated within the last five years and who are still laid off, then the principles below shall apply to this group:*
- 1. After the above goals have been met, teachers with the greatest seniority will be allowed to choose a position from among the open positions for which they are qualified.*
 - 2. Any open position will be filled by a qualified member whose position has been eliminated before considering an involuntary transfer.*

ARTICLE IX – LEAVES

All language in this article which is shown in *italics* is meant to apply to non-certified professionals (see Article I Section A. for definition of this term).

A. PAID LEAVE

1. Teachers shall receive three (3) paid leave days at the beginning of each school year, and shall earn one (1) day of paid leave for each month of work to a maximum of thirteen (13) days per year. The yearly allotment of thirteen (13) days shall be credited for available use at the beginning of each year, and may be used at the teacher's discretion, subject to the following guidelines:
 - a. Except in the case of unforeseeable and/or extenuating circumstances, these days cannot be used the first or last week of school or the day before or the day after a holiday.
 - b. Teachers intending to use three or more consecutive leave days shall notify their principal(s) in writing at least forty-eight hours ahead of time, except in emergency situations which preclude such notice. Principals shall grant such requests except in situations where the teacher's absence would be extremely disruptive to the normal daily operation of the school. Teachers will work with their building administrator to minimize the impact that their absence might have on the educational program.
 - c. A teacher who is aware of an impending period of physical disability or illness shall notify the administration of such as soon as possible. A statement from the attending physician giving the anticipated commencement date and anticipated duration of the disability or illness shall be provided to the building principal if requested.
 - d. A teacher who is unable to report for duty shall notify the building principal or his/her designated representative at least 90 minutes prior to the start of the school day.
 - e. Teachers experiencing extenuating circumstances, outside the above described conditions, may apply to the Superintendent for short-term, paid or unpaid leaves of absence.
 - f. Adjustments may be made in a case of an extended leave. These adjustments will be negotiated by the Association and the District with reference to the Letter of Agreement from 2009 regarding extended leave.

2. All earned but unused leave days shall accumulate without limitation. At the beginning of the school year each teacher shall be provided with a statement of their accumulated leave days as of the end of the previous school year. The following conditions and requirements apply to the use of accumulated leave days:
 - a. Accumulated paid leave may be used for personal injury, illness, quarantine, disabilities of the employee related to pregnancy or personal recovery therefrom. The Board reserves the right to require a physician's statement in writing.
 - b. A teacher who is unable to report for duty shall notify the building principal or his/her designated representative at least 90 minutes prior to the start of the school day.
 - c. A teacher who is aware of an impending period of physical disability or illness shall notify the administration of such as soon as possible. A statement from the attending physician giving the anticipated commencement date and anticipated duration of the disability or illness shall be provided to the building principal if requested
 - d. For each half (1/2) day or fraction thereof that any teacher is absent in excess of his/her accumulated leave, his/her final compensation for the year will be reduced in an amount according to his/her per diem rate. This also applies in event of an absence for which leave cannot be used or is forfeited. Said teacher may also be subject to disciplinary action.
 - e. Any teacher who is absent because of an injury or disease compensable under the Michigan Worker's Compensation Law shall receive from the Board the difference between the allowance under the Worker's Compensation Law and his/her regular salary until such time as an amount of money equal to the accumulated leave value is reached. The accumulated leave value is to be determined by dividing the teacher's base salary by the annual contracted days and multiplying by the number of accumulated leave days as of the day of leaving work because of injury or disease compensable under Worker's Compensation Law.
 - f. Accumulated leave days may also be used to attend to the illness of the teacher's immediate family (spouse, life partner, children, parents, siblings and others approved by the Superintendent) which requires the teacher's presence. Up to twenty (20) days of leave per year may be used for illness of immediate family.
 - g. An expectant mother or adopting parent may use up to 10 accumulated leave days immediately before or after her due date or the arrival of the adopted child. Up to 35 accumulated leave days may be used following the birth or arrival of an adopted child. The

- use of these leave days will not come under the guidelines of part (a.) of this section.
- h. Members may use up to three (3) accumulated leave days per year to participate in the observation of major recognized religious holidays.
 - i. Teachers experiencing extenuating circumstances, outside the above described conditions, may apply to the Superintendent for short-term, paid or unpaid leaves of absence.
3. Teachers will be allowed a maximum of three (3) days per funeral not charged to paid leave days (A.1.), for the purpose of attending the funeral of a close friend or relative of the teacher. Teachers shall also be allowed to use up to three (3) additional paid leave days from their accumulated leave days per funeral for the purpose of assisting in settling the affairs of the deceased. The use of additional days beyond these six (6) days may be approved by the Superintendent. (Teachers shall use appropriate discretion in the use of these days.)
 4. Approved professional development days are not charged to leave or personal days.
 5. Leave days shall not be charged to teachers on force majeure days, unless the teacher affected is involved in a long-term disability as specified in ARTICLE XVII – HEALTH BENEFITS Section A(4). The day will be counted if, and only if the teacher specifically requests that it be counted. Such requests must be in writing and must be made within one (1) calendar week of the force majeure day.
 6. A teacher subpoenaed to give testimony before any judicial or administrative tribunal in a matter related to his/her employment with the school district or serve as a member of a jury, shall be compensated for the difference between his teaching pay and the pay received for the performance of such obligation. Such teacher has a responsibility to turn in a copy of the pay stub for the compensation received within ten (10) workdays of its receipt. Such teacher also has a responsibility to inform the court that s/he is under contract with the Dexter Board of Education for the period of September 1 to June 15. Such teacher must also return to school during school hours if released for the day by the court.
 7. **Sabbatical Leave.**
Pursuant to the terms of the School Code, teachers who have been employed by the Dexter Community Schools for the required minimum period of time may be granted a sabbatical leave. A teacher may apply for one of the following:
 - a. A sabbatical for a full year and paid half (1/2) salary.
 - b. A sabbatical for one (1) semester and paid half (1/2) salary during the semester on leave or three-quarters (3/4) salary on an annualized basis.

- c. A sabbatical for one-half (1/2) day each day for a full year and paid full salary.

In all cases, the teacher will receive full fringe benefits.

Sabbatical leaves shall be granted to not more than three (3) members of the faculty at any one time and it is further agreed that such leaves must be used for earning credit towards an approved advanced degree program at an accredited college or university, research work under the guidance of competent research personnel, domestic or foreign travel, or advance study for a specialty program.

The study, research or travel plans for the year or semester must be submitted to the Superintendent for approval by August 30 for leaves to be granted for the second semester of that year, or by March 30 for the following fall semester or school year.

The Board will give equal weight to the following criteria for applicant priority:

- a. Date of filing application.
- b. Purpose of leave.
- c. Length of service in school system.
- d. Professional growth of staff member.
- e. Potential benefit to school system.
- f. Demonstrated dedicated service to the school system.

After due consideration of all the applications, the Superintendent shall present each request to the Board with his/her written recommendation of acceptance or rejection. A copy of the Superintendent's recommendation to the Board will be furnished the teacher applicant at least five (5) days prior to the Board meeting at which the decision in respect to the granting of the leave will be rendered by the Board. The teacher involved will then be asked to be present at the meeting when his or her program comes up for consideration.

It is agreed that accepting any sabbatical leave carries an obligation to return to the District and to teach for a period of time at least double the length of the period for which the sabbatical leave was granted or to refund to the District a full value of the salary received during the sabbatical period and, therefore, as a condition to receiving final approval for a sabbatical leave a teacher shall file with the personnel office a written agreement stipulating that following the leave s/he will remain in the service of the Board for a period of either one (1) year of teaching service in the Dexter Community Schools commencing with the semester following termination of the leave period (in the case of semester leave) or two (2) years of teaching service in the Dexter Community Schools commencing with the semester following termination of the leave period

(in the case of a year's leave.)

8. The President/Unit Director or Vice President/ Assistant Unit Director of the D.E.A. shall be permitted to use his/her preparation period to contact other teachers as long as it does not interfere with the educational process of the school.
9. In the beginning of every school year, the Association shall be credited with twenty (20) days to be used by the teachers who are officers of the Association. By the end of the first full week of each school year, or whenever a change is made, the Association shall provide the Superintendent with a list of all current officers and Association representatives. Any corrections made to the list shall be presented to the administration within three (3) weeks after such changes are made. The Association agrees to notify the Board in an appropriate amount of time in advance of the date for intended use of said leave. Such days may also be used by the Association to cover members' absences that arise out of special circumstances deemed legitimate by the Association but not specifically covered by other language relative to leaves.
10. The D.E.A. President/Unit Director will be released two (2) days per year and the equivalent of one quarter to one half time (at the discretion of the Association) during the school year from his/her regular teaching duties to perform the activities of the Association, to facilitate the resolution of problems arising out of the interpretation of the contract and to work with the Superintendent to improve relations with the Association, with the objective of improving the educational opportunities for children. These days are in addition to the twenty (20) Association days. The Association agrees to pay a portion of MPERS equivalent to the portion of release time allocated for the President/Unit Director.
11. The Association may also be granted an additional 450 minutes per week release time for Association officer(s) under the following conditions:
 - a. Arrangements for such release time must be made at a time agreeable to both parties.
 - b. If the Association wishes to provide additional release time for officer(s) in amounts up to 450 minutes per week, they may do so, if that is agreeable to the Board. Such an agreement may result in compensation to the Board by the Association at a rate of \$1,750 for 60 minutes per week for a year, or may be used to work on a mutually agreeable project(s). The Association agrees to pay a portion of MPERS equivalent to the portion of release time allocated for such officer(s)

B. UNPAID LEAVE OF ABSENCE

1. Upon the submission of a request by a teacher, the Board shall grant a leave of absence for the reasons and under the conditions as follows:

- a. A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the armed forces of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as s/he would have had s/he taught in the District during such period. This clause shall apply to teaching for the period of induction or for his/her first enlistment.
- b. A tenured teacher shall be granted a leave of absence without pay to perform duties of the local state or national Association, provided that written notification is given to the Board a minimum of thirty (30) days prior to said leave. This leave shall be for at least one (1) semester and not more than one (1) school year, and may be considered to be professional experience. An additional semester or year shall be granted provided the request is made by March 1 or November 1, prior to the end of the leave.
- c. A tenured teacher with four (4) years of continuous service to the District shall be granted a leave without pay or other benefits for the purpose of engaging in study at an accredited college or university. The length of the leave may be for one (1) semester or one (1) school year. A teacher granted such a leave is guaranteed the same position or an equivalent position upon return from such leave. The time on such leave of absence shall not count as experience on the salary schedule. The time limits that apply to sabbatical leaves for application shall apply for educational leaves.
- d. Parental/Child Care Leave.
 - i. Tenured Teachers.

Decisions in regard to taking maternity/child care leave and returning from maternity/child care leave shall be a matter between the expectant mother and her physician.

The expectant mother shall notify the Board of her decision if she decides to take a leave, sixty (60) days before the leave is to begin. Maternity/child care leaves of absence may be granted for a period of time up to the remainder of the semester in which the leave begins plus two (2) additional semesters.
 - ii. Probationary Teachers.

Probationary teachers may request maternity/child care leave on the same basis as tenured teachers in d.i. above.

- iv. The prospective father shall notify the Board of his decision if he decides to take an unpaid leave, sixty (60) days before the leave is to begin. Paternity leaves may be granted for a period of time up to the remainder of the semester in which the leave begins plus two (2) additional semesters.

Should an emergency arise, a father may apply for a leave outside the timelines.

- v. Employees on parental/child care leave shall have their insurance benefit paid for by the District for the first twelve (12) weeks of the leave, according to the terms of the Family Medical Leave Act.
- e. A tenured teacher who will complete step 1 at the time the leave begins shall be granted a general leave of absence without pay for a period of up to one (1) year, upon his/her request. Such leaves must begin at the beginning of a semester and must end at the conclusion of a semester. Requests for such leave must be made by April 1 for leaves to begin the following September and by October 1 for leaves to begin at the start of the second semester.

No more than four (4) general leaves shall be in effect at the same time.

- 2. Extenuating circumstances falling outside the guidelines for general leaves of absence may be considered by the Board.
- 3. All leaves in 1 and 2 shall be subject to the following conditions unless specifically stated otherwise in this agreement:
 - a. Except in emergencies which preclude such notice, the Board shall be provided notice of request for a foreseeable leave thirty (30) days in advance. In emergency cases, notice should be provided as soon as practicable under the facts and circumstances of a particular case.
 - b. All leaves of absences shall be for the remainder of a semester or school year, or full semester or school year at the option of the teacher, unless otherwise arranged with and approved by the Board.
 - c. Prior to returning from a leave related to a disability condition the Board may request a physician's statement regarding the teacher's physical fitness for employment.
 - d. A teacher shall not accrue salary schedule advancement credit during the time on leave. A teacher shall not accrue paid leave or personal days or health benefits during the time on leave.
 - e. All leaves of absence may be extended upon request by the teacher

and approval by the Board of Education.

- f. Teachers on leaves of absence during the second semester of the school year who are due to return from such leaves by the following September must notify the Board of their intent to return or not to return by March 1, by certified mail. Provided the Board has notified the teacher of this clause by February 15, by certified mail, failure to properly notify the Board under the above condition shall constitute resignation from the District.
4. Emergency short-term leaves of absence.
 - a. Teachers may apply to the Superintendent for a short-term emergency leave of absence for extenuating circumstances outside the personal leave day circumstances.
5. A summary of the Family Medical Leave Act (FMLA) procedures and guidelines can be found on the District website. This document can only be changed by mutual consent of the Board and Association or by a change in the Act. This summary is intended to accurately reflect the provisions of FMLA.

- C. A teacher taking part in a strike is subject to discipline or discharge as authorized by Section 6 of P.A. 379 as amended.

ARTICLE XII – EVALUATIONS

All language in this article which is shown in *italics* is meant to apply to non-certified professionals, (see ARTICLE I – RECOGNITION, ASSOCIATION SECURITY, PAYROLL DEDUCTIONS, Section A for definition of this term).

- A. *Teacher evaluation is a process established for the following purpose:*
- 1. To improve instruction.*
 - 2. To help teachers plan and establish goals.*
 - 3. To help teachers revise or improve practices, procedures and techniques, thereby resulting in more effective teaching.*
 - 4. To collect evidence concerning growth or lack of growth as a professional educator.*

B. *Teachers*

- 1. All Teachers.*

The observed classroom performance of each teacher shall be evaluated by his/her building principal or assistant principal and/or special education director (evaluator).

Upon request of the teacher, for each evaluation initiated by the administration, an additional evaluation shall be conducted by a District administrator selected by the teacher.

The following minimum standards shall be followed in all teacher evaluations:

- a. Evaluation forms and the Probationary Teacher Evaluation Guide will be placed on the District website. No changes will be made to any evaluation document or process without a mutual agreement between the Association and the Board. If either a teacher or administrator wishes to use a different form, s/he shall notify the other party as well as the Association President and the Superintendent of this intent. This form shall be mutually agreed upon by the Association President, the Superintendent, and the parties involved within the first 30 days of school.*
- b. The initial evaluation of a teacher shall not take place during the first twenty (20) days of school for all teachers, but must take place within the first forty-five (45) days of school for probationary teachers.*

Evaluation cycles for probationary teachers shall be a minimum of twenty (20) work days apart.

Other in-classroom observations may take place at any time.

- c. Each evaluation shall include an in-classroom observation period of a minimum of thirty (30) minutes, twenty (20) of which must be consecutive.*

- d. *All monitoring or observations of the performance of a teacher shall be conducted openly and with full knowledge of the teacher. Only direct observations made by the evaluator shall be used in evaluations.*
- e. *No single evaluator shall conduct more than four (4) classroom observations in one day.*
- f. *After each evaluation or evaluation cycle, a copy of the evaluation shall be given to the teacher, within ten (10) work days after the post observation meeting.*
- g. *Three (3) copies of the written evaluation shall be made, one (1) for the teacher, one (1) for the principal, and one (1) for the Superintendent, or his/her designee.*
- h. *The teacher shall attach his/her signature to all evaluations to acknowledge receipt of the evaluation, and the teacher retains the right to attach his/her comments to the evaluation, provided these written comments are submitted within ten (10) work days of the receipt of the evaluation. Any further response shall be separate from the evaluation.*
- i. *Copies of the evaluation shall appear in the teachers' personnel file by the end of the school calendar year.*
- j. *Testing results shall not be used as a sole criterion in teacher evaluations.*
- k. *If a teacher receives an unsatisfactory rating in a specific criterion of an evaluation, the evaluator shall state in specific terms the reasons for his/her belief, and indicate specific ways in which the teacher is to improve. If, in subsequent evaluations the criterion of evaluation that was rated as unsatisfactory is not so noted again, it shall mean that adequate improvement has taken place.*

2. *Probationary Teachers.*

- a. *Two (2) evaluations cycles shall be completed annually by the evaluator. Only the person conducting the observations shall fill out and/or sign the evaluation form.*
- b. *The evaluator and the probationary teacher will work together to develop an Individual Development Plan (IDP).*
- c. *The first evaluation cycle shall be completed by December 15. The second evaluation cycle shall be completed by April 1.*
- d. *A post conference meeting between the evaluator and the probationary teacher shall be conducted by the evaluator within ten (10) work days of the last observation.*
- e. *At the request of either the evaluator or the probationary teacher, an Association representative, or Board representative may be present during the conference. Notification of another's presence must be given at least two (2) work days prior to the meeting, to allow the other party to arrange representation.*

- f. *All evaluations citing deficiencies shall include recommendations as to how the teaching performance of the probationary teacher may be improved. The subsequent evaluation shall state whether or not this area has shown improvement, if the area of deficiency is observed in the subsequent evaluation.*
- g. *The teacher evaluation process may result in a recommendation for the placement of a probationary teacher on tenure status; it may also result in non-renewal of employment. When the evaluation process has not resulted in more effective teaching and non-renewal is a possibility, the probationary teacher should be notified of this fact well in advance, and thus be informed that marked improvement is necessary. The evaluation shall note specifically any deficiencies that may result in a recommendation of non-renewal.*
- h. *In the event a probationary teacher is not continued in employment, the Board shall advise the probationary teacher that his/her work is not satisfactory and provide written notice of the right to appeal to the Tenure Commission. At any grievance or tenure proceedings, all evaluations and responses thereto shall be admissible. Failure to perform non-required activities outside of the school day shall not contribute to a recommendation for non-renewal of a probationary teacher's contract.*
- i. Each probationary teacher will be assigned a trained mentor.

3. *Tenured Teachers.*

- a. *Tenured teachers shall be evaluated at least once during each of their first three (3) years on tenure. After three years of successful experience on tenure, the normal evaluation cycle will be one (1) evaluation every three (3) years except in cases where:*
 - i. *The administration deems more frequent evaluation is necessary.*
 - ii. *The tenured teacher requests an annual evaluation in writing by September 30.*
- b. *Observations shall not take place within the last fifteen (15) calendar days of the school year.*
- c. *Within ten (10) work days of the receipt of the written evaluation, a conference shall be held at the request of the tenured teacher.*
- d. *The Charlotte Danielson evaluation tool will be used for a tenured teacher who receives an evaluation that notes sufficient concerns to warrant the need for an improvement plan.*

- C. The District will assign mentors for probationary teachers. Any tenured teacher who wishes to serve as a mentor may seek to do so through a uniform application process. These mentors will receive training from mentor coordinators before they hold a position as a mentor. The pay for these mentoring positions is defined in the extra duty schedule.

ARTICLE XIII – PROTECTION OF TEACHERS

All language in this article which is shown in *italics* is meant to apply to non- certified professionals, (see Article I Section A. for definition of this term).

- A. The parties recognize that the responsibility for maintaining control and discipline in the schools is the joint responsibility of administration and the teachers. Since teachers normally bear the initial burden for control and discipline, efforts shall be made to sustain the teacher's authority and effectiveness.

The Board recognizes its basic responsibility to give administrative support and assistance to teachers when discharging the educational obligation to maintain discipline in conformity with Board policy. Whenever written evidence is presented indicating that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional personnel, the Board will take steps to assure that appropriate services are available to such student.

- B. Teachers shall promptly report to the Board or its designated representative any incident of assault upon the teacher or malicious destruction of the teachers' property directly related to the teacher's performance of his/her duty. The Board will assist the teacher in contacting the appropriate prosecuting officer and in the filing of charges, if appropriate.
- C. The Board shall assist a teacher who is called as witness or signs a complaint in any criminal proceedings relating to an act observed by the teacher while on duty, in dealing with the procedures involved in discharging their responsibility. When requested in writing, the Superintendent shall provide a representative of the District to accompany the teacher in these proceedings.
- D. If any teacher is complained against or sued for disciplinary action taken by the teacher against a student, the Board will provide legal counsel and render necessary assistance to the teacher in his/her defense, provided that such teacher has acted within the terms of this agreement, state and federal laws, and adopted Board policies in regard to discipline.
- E. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher provided that the teacher has not acted in violation of the terms of this agreement, state and federal laws, and adopted Board policies in regard to discipline.
- F. Each teacher shall have the right, upon request, to review the contents of his/her own personnel file, excluding restricted placement credentials. A representative of the Association may, at the request of the teacher, accompany the teacher in this review. Each teacher's official personnel file,

located in the central administrative office, shall contain the following minimum items of information:

- All teacher evaluation reports.
- Copies of annual contracts
- Teaching certificate or photo copies thereof.
- Transcript of academic records.
- Tenure recommendation for all applicable teachers.

Please refer to: MCLA 423.505 (Section 5 of the Bullard-Plawecki Employee Right to Know Act, Michigan Public Act 397 of 1978).

Administrators shall be encouraged and teachers shall have the right to include in the teacher's file materials of a complimentary nature.

- G. Teachers shall be expected to exercise care with respect to the safety of pupils and property, but shall not be individually liable for any damage or loss to person or property, except to the extent determined by a court of competent jurisdiction. This provision is not intended to relieve the teacher of responsibility for inventory, care and control of school supplies and equipment issued to the teacher.

ARTICLE XIV – GRIEVANCE PROCEDURE

A. Definitions.

A "grievance" is a claim:

1. Based upon an event or condition which affects the conditions of employment of a teacher (or non-teaching professional) or a group of teachers (or non-teaching professionals). Italicized portions of the contract are only subject to grievance by non-teaching professionals.
2. Based upon the interpretation of this Agreement.
3. Based upon an alleged breach thereof; or
4. Based upon any combination of the foregoing.

It is expressly understood that claims not so based will not constitute a grievance.

B. The term "days", unless otherwise specified, when used in this section shall mean working days or in the period after the end of the school year, Monday through Friday, excluding holidays. Failure to appeal within time limits shall deem the grievance settled and no further appeals shall be allowed.

C. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of such procedures. Nothing contained herein shall be construed as limiting the right of any teacher to discuss any matter informally with an appropriate member of the administration or the right of any administrator to discuss any matter informally with any teacher.

D. Procedure.

1. Since it is desirable that grievances be processed with expediency, the number of days indicated at each level are maximum and every effort should be made to expedite the process. However, the time limits may be extended by mutual agreement of the parties. Grievances will be filed at the appropriate administrative level.
2. The filing of a written grievance shall be delivered to the appropriate administrative level within forty-five (45) calendar days from the time the alleged grievance occurred or the grievant first learned of its occurrence, whichever is later. A grievance shall be declared a new grievance if it reoccurs after the above time limits are expired and a new written grievance may be filed.
3. Grievances shall be resolved as follows:

Level One

An aggrieved person shall first discuss his/her grievance with the appropriate administrator, either by him/herself or in the company of his/her Association's representative, with the objective of resolving the grievance informally.

Level Two

If the aggrieved person is not satisfied with the disposition made at Level One s/he may file a written grievance within the timelines specified in Section D (2) above. The Association shall file one (1) set of copies of the grievance with the appropriate administrator. The administrator shall within ten (10) days after receiving the grievance provide the aggrieved person with a written reply and furnish the Association with a copy. Failure of Administration to respond shall automatically move the grievance to the next level.

Level Three

If the aggrieved person or the Association disagrees with the disposition of the grievance at Level Two, the grievance may be appealed to the Superintendent within ten (10) days. The Association shall file one (1) set of copies with the Superintendent and may file one (1) set, by mail, with each member of the Board of Education. The Superintendent or his/her designee shall meet with the aggrieved person and the Association within ten (10) days of receipt of the grievance if either party requests such a meeting. Within ten (10) days the Superintendent or his/her designee shall reply in writing to the aggrieved person with a copy of the decision to the Association, and to each member of the Board, at the request of the Association.

Level Four

If the aggrieved person or the Association disagrees with the disposition of the grievance at Level Three, the grievance may be appealed to Level Four A by the aggrieved person or Level Four A or B by the Association.

Level Four A

The Board will review the grievance and decide, within ten (10) days, whether to hold a hearing and make a disposition. If the Board chooses to hold a hearing their decision is final and may not be appealed to arbitration. The hearing will be held within ten (10) days of deciding to hold a hearing.

Level Four B

If the Association is not satisfied with the disposition at Level Three or if no disposition has been made within the period provided above and Level Four A was not used, the grievance may be submitted by filing a demand for arbitration with the American Arbitration Association within thirty (30) days from the date of the receipt of the Superintendent's decision, or Board's decision not to hold a hearing, or the deadline for the decision. If the parties cannot agree as to the arbitrators, s/he shall

be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings. The Board and Association shall not be permitted to assert in such arbitration proceedings any grounds or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this agreement.

Both parties agree to be bound by the award of the arbitrator and agree that judgment therein may be entered in any court of competent jurisdiction. Cost of arbitration shall be borne equally by the parties, except each party shall assume its own costs for representation and witness fees.

4. The administrator or his/her designee receiving the grievance shall sign and date the grievance in the appropriate blank in the presence of the grievant and/or the Association Representative.

The grievant and/or the Association Representative shall sign and date the grievance in the appropriate blank in the presence of the administrator or his/her designee when the administrator is ready to respond.

These signatures are to indicate receipt of the grievance or response and are not intended to mean agreement with the grievance or response.

E. *Exclusions.*

The following matters shall not be subject to appeal to Level Four of the grievance procedure. In these areas, the ruling made at Level Three shall be final.

1. *The termination of services or failure to re-employ any probationary non-teaching professional*
2. *Any matter involving the contents of written non-teaching professional evaluations as long as the adopted evaluation procedure has been followed.*

F. *Rights to Representation.*

Any party in interest may be represented at all meetings and hearings at all stages and steps of the grievance procedure by another teacher or person provided, however, that any teacher may in no case be represented by an officer, agent or other representative of any teacher organization other than the Association.

G. *Miscellaneous.*

1. Necessary forms will be made available by the Board in each school building.
2. Nothing contained therein shall be construed to prevent any teacher from presenting a grievance and having the grievance adjusted without intervention of the Association if the adjustment is not inconsistent with the terms of this Agreement.

ARTICLE XV – CURRICULUM AND PROFESSIONAL DEVELOPMENT

Teachers facilitating/leading professional development will be paid at the basic hourly teacher pay rate for planning. 1 hour of PD = 1 hour of planning.

The benefits referred to below are defined in plans and products named, which cannot be changed without mutual consent. It is expected that these benefits will be examined and may, upon mutual agreement, be renegotiated during the term of this Agreement. Provided, in no event shall the resulting adjusted maximum Board contribution level amount exceed three percent (3%) more than the amount of the Board's monthly maximum contribution levels that became effective at the beginning of the previous medical benefit plan coverage year.

No further or additional adjustments in the Board's medical benefit plan cost contributions, beyond those stated above at the times designated above, shall be made as a result of this formula.

For employees not electing medical coverage, a cash in lieu of medical benefit payment of \$1,200 (annual amount) will be paid. Any disputes pertaining to the application, interpretation or administration of an insured benefit under this Article will be solely and exclusively between the enrolled employee and the carrier or third party administrator, as applicable, and shall not be subject to the grievance procedures in this Agreement.
- F. The enrolled employee shall notify the District of eligibility or dependent status changes as described in the Summary Plan Description. Failure to notify that results in the overpayment of any claims, representative rates, or representative premiums shall become the employee's responsibility.

APPENDIX E – LETTER OF UNDERSTANDING - JOB SHARING

The Dexter Board of Education and the Dexter Education Association agree to allow “job sharing” commencing with the 2001-02 school year. In absence of any previous negotiated agreement, this memo of understanding is being developed to provide clear direction in ensuring this program is successful and in the best interests of children.

Application: Each pair of current staff members interested in job sharing shall submit a letter of interest to their building principal no later than March 1 of each year. Each team must re-apply every year by the same date.

Salary: Salary will be 50% of the appropriate level of experience.

Benefits: Personal Leave/Sick Days/Term Insurance

Each pair shall receive 100% of the current full time benefits, divided in a manner agreeable to both.

Definition: Job sharing is the sharing of duties by two staff members when these duties are normally completed by one person and when such duties require close cooperation by the involved staff for their completion. Planning time and lunch time will be divided proportionally.

Eligibility: One year of experience in the Dexter Community Schools along with a recommendation from the building principal and final approval of the Superintendent.

Staff Meetings/In-service/Opening Day

Both teachers sharing a position will attend all required faculty meetings, as per contract, school improvement meetings, open houses, parent-teacher conferences or other contractual meeting assignments. It is an expectation that they will attend such activities that promote students such as would be expected of all other full time personnel. Each job sharer is expected to attend in-service days, as defined by the contract and will receive additional per diem compensation when they attend a full day.

Commitment Agreement

A written agreement will be signed by both job sharers that clearly defines their commitment to cooperation, academic teaching subjects, communication to parents, general communication in buildings, classroom rules, discipline and classroom management and continuity, equal sharing of developing curriculum, outlining of responsibilities for ordering supplies, making out purchase orders, inventorying equipment and materials. This agreement shall specify the division of benefits.

The job sharers will be responsible to examine and evaluate the legal implications regarding tenure, retirement, seniority, disability, or other matters not specified herein. If at the completion of this agreement a job sharer wishes to resume a full-time position, he/she shall have the right to do so within the parameters of his/her seniority.

Re: 2018-2019 CBA Wage Reopener

This Tentative of Agreement is entered into between and among the Dexter Community Schools Board of Education (the "Board") and the Washtenaw County Education Association/Dexter Education Association (the "Association"), collectively referred to as "the parties".

The parties agree as follows:

1. Add 1-minute per day at each building to meet the required number of clock hours. The 1-minute will be added to the beginning of the day at Bates, Cornerstone, Wylie and Mill Creek and the end of the day at Creekside and DHS.
2. Changes in extra duty- Eliminate SADD and One Club and add Model UN at DHS at 2%.
3. Completion of the University of Michigan MicroMasters Program in Leading Educational Innovation and Improvement will be accepted for a 10-credit lane change on the salary schedule.
4. The district contributions towards health care will remain unchanged from the 2017-2018 health care contributions until January 1, 2019. On January 1, 2019, the district will increase contributions to employee health care by 7% for medical/health benefit plans, as outlined in Article XVII, Section A (1). The language in Article XVII, Section A (1) will be updated to reflect the change in increase taking effect in January of each year and will read:

"Effective July 1, 2018, the district contribution for medical benefit plan coverage will remain unchanged from the 2017-2018 Board maximum contributions until January 1, 2019. Effective January 1, 2019, the Board maximum contribution levels shall be increased by 7% more than the amount of the Board's monthly maximum contribution levels that became effective at the beginning of the previous medical benefit plan coverage year.

Effective January 1, 2020, and on each ensuing medical benefit plan coverage year thereafter (unless prevented by Public Act 54 of 2011), the above Board maximum contribution levels shall be increased by the percentage increase factor specified by the State Treasurer for medical benefit plans in the applicable year, as is set forth in Section 3(1) of the Publicly Funded Health Insurance Contribution Act. Provided, in no event shall the resulting adjusted maximum Board contribution level amount exceed three percent (3%) more than the amount of the Board's monthly maximum contribution levels that became effective at the beginning of the previous medical benefit plan coverage year."

5. Steps and lane changes will be given according to the master bargaining agreement.
6. A 1% on-schedule salary increase.
7. A Guaranteed off schedule payment of 0.75% of gross wages for the 2017-2018 school year for covered employees* to be paid in October 2018. Exception: 2017-2018 retirees would receive payment in the next payroll.
8. If the operating budget revenue over expenditure is greater than \$480,000 actual for 2017-2018, an additional off-schedule payment will be calculated by a 50/50 Employee/District split in October 2018. For example, if the operating budget revenue over expenditure is \$630,000, then an additional payment of 0.23% would be paid in October 2018 to covered employees*.
9. 18-19 Revenue over Expenditure: Guaranteed off schedule payment of 0.4% paid to covered employees* (based on 50/50 split with Employees/District) in October 2019 if:
 - a. The state aid payment per pupil is \$212 per student instead of the \$150 per student budgeted. The off-schedule payment would be prorated if the per pupil foundation allowance is reduced to between \$150 - \$212 per pupil.
