APPENDIX A - Salaries 25

This Agreement is entered into March 13, 2013, by and between the Allen Park Public Schools Board of Education, hereinafter called the "Board" and the ALLEN PARK ASSOCIATION OF EDUCATIONAL SECRETARIES, a local affiliate of the MEA/NEA, hereinafter called the "Association".

WITNESSETH:

WHEREAS the Board has a statutory obligation, pursuant to ACT 379 of the Michigan Public Acts of 1965 as amended, to bargain with the Association as the representative of its secretarial personnel with respect to hours, wages, terms and conditions of employment, and fringe benefits.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I
Recognition

- A. The Board hereby recognizes the Association as the exclusive bargaining representative as defined in Section II of Act 379, Public Acts of personnel engaged in secretarial and clerical work including positions specified in Appendix A, but excluding supervisory personnel. All personnel represented by the Association in the above defined bargaining unit shall, unless otherwise indicated, hereinafter be referred to as "Secretaries".
- B. The Board agrees not to negotiate with any educational secretaries' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual secretary from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is consistent with the terms of this Agreement and provided that the Association has been given opportunity to be present as such adjustment.

ARTICLE II

Association Dues or Fees and Payroll Deductions

- A. Any secretary who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of Dues, Assessments and Contributions in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked according to the procedures outlined in the Michigan Education Association (MEA) Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Board shall deduct one-tenth of such dues, assessments and contributions from the regular salary check of the Secretary each month for ten (10) months, beginning in September and ending in June of each year. Any secretary who shall not perform services for any entire month of the school year shall have his/her dues reduced by one-tenth of the yearly dues for each entire month he/she did not work, except where the failure to perform services during any month was the result of the secretary taking any paid leave of absence or sick leave provided for in this contract.
- B. Upon appropriate written authorization from the secretary, the Board shall deduct from the salary of any secretary and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board.
- C. This article shall be effective retroactively to the date of the Agreement, and all sums payable hereunder shall be determined from said date.
- D. Effective May 1, 2011, all secretaries will be required to use direct deposit for payroll purposes. Additionally, paper vouchers will no longer be issued for direct deposits. Employees will be able to access payroll information through Wayne RESA's eEMPLOYEE ACCESS system.
- E. The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with Article II of this Agreement. The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of Article II. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Article II. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then the Union shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if the Union, through counsel it selects after consultation with the Employer, does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.
- F. The Parties agree that the continuation of the language set forth in Article IV above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.

ARTICLE III
Agency Shop

- A. The Association shall notify the Board of the amount of the annual dues payable by members of the Association, and the equivalent amount payable by non-members pursuant to Section 10 (1)(C) and (2) of the Public Employment Relations Act. The Board shall thereupon deduct such amounts in equal installments, as nearly as may be, from the paychecks of each secretary and promptly pay such amount over to the Association or its delegate.
- B. Any secretary who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Service Fee to the Association in an amount equivalent to the dues uniformly required to be paid by members of the Allen Park Association of Educational Secretaries; provided, however, that the Secretary may authorize payroll deduction for such fee in the same manner as provided in the preceding article ("Association Dues or Fees and Payroll Deductions"). In the event the bargaining unit member shall not pay such Representation Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Union, deduct the Representation Fee from the bargaining unit member's wages and remit same to the Union. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as can be, from the paychecks of each affected bargaining unit member. Monies so deducted shall be remitted to the Union, or its designee, no later than twenty (20) days following deductions.
- C. The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with Article III of this Agreement. The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of Article III. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Article III. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then the Union shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if the Union, through counsel it selects after consultation with the Employer, does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.
- D. The Parties agree that the continuation of the language set forth in Article IV above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.

ARTICLE IV

Employee's Rights/Right of the Board

A. Employee's Rights

- a. Pursuant to Act 379 of the Public Acts of 1965, as amended, the Board hereby agrees that all secretaries employed by the Board shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any secretary in the enjoyment of any rights conferred by said Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any secretary with respect to hours, wages, or any terms or conditions of employment by reason of her membership in the Association, her participation in any activities of the Association or collective professional negotiations with the Board, or her institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- b. The Association and its members shall have the right to use appropriate school building facilities after regular school hours for meetings, provided that such use is requested in advance and can be arranged in advance without disrupting other commitments for use of the premises and without incurring additional cost to the school district. Established media of communication, such as inter-school mail, shall be made available to the Association and its members.
- c. All such requests shall be made in writing and directed to the appropriate administrator at the central office level.
- d. The Board agrees to enforce, as they pertain to a public school district, the laws of the State of Michigan, with specific attention being given to the Michigan School Code and regulations promulgated by the Michigan State Board of Education, as well as all Federal laws. The Board shall not direct or require a secretary to violate any Federal law, State law, or State regulation.
- e. Nothing contained within this contract shall be construed to deny or restrict a secretary to any rights he/she may have under State law, Federal law, or other applicable regulations. The rights granted to secretaries hereunder shall be deemed to be in addition to those provided elsewhere.
- f. If any provision of the Agreement or any application of the Agreement to any such employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

B. Rights of the Board

The Board on its own behalf and on behalf of the residents of the School District hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States including, but without limitation, the generality of the foregoing, the right:

- a. To the executive management and administrative control of the school system and its properties and facilities and the activities of its employees.
- b. To hire all employees subject to the provisions of law, to determine their qualifications and the conditions for their continued employment or their dismissal or demotion, and to promote and transfer all such employees.
- c. It is agreed and recognized, however, that except for the expenditures contained in any annual budget which are required by the terms of this Agreement, the authority to adopt all parts of the annual budget of

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, regulations, and practices in furtherance thereof and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE V

A. Compensation

Normally, a new employee will start at the beginning rate. However, if the employer determines to start a new employee at a rate other than the beginning rate, based on prior work experience, the Director of Personnel will confer with the President of the Association. If the Association requests, the employer shall provide the reasons in writing. Such salary schedule shall remain in effect for the duration of this Agreement.

- h. A secretary may substitute for another secretary within the bargaining unit. The secretary who is substituting will receive her regular rate of pay.

B. Hours of Work

- a. The normal workday shall be 7 ½ hours per day Monday through Friday when school is in session.
- b. When school is not in session the workday shall be seven (7) hours per day, Monday through Friday. C. Seniority

- a. New employees hired into the secretarial unit shall be considered probationary employees for the first ninety (90) days worked of their employment.

Newly hired probationary employees shall not have the right to transfer to a vacant position in the bargaining unit during their probationary period. Newly hired probationary employees shall be granted an interview for vacant positions if they express an interest in the position, in writing, during the posting period.

- b. Seniority shall be on a District-wide basis with the employee's date of hire by the Board of Education.
- c. A letter of intent to hire will be given to the applicant when a position is offered and accepted by the applicant, stating the date of Board approval and starting rate of pay. If the Board meeting referred to in the letter is canceled for any reason, approval will be postponed until the next meeting, with the employee's starting rate of pay to be effective retroactive to the original Board date for any time worked after the original date.
- d. A secretary who resigns and is re-employed shall have seniority beginning with her re-employment date. A secretary whose services have been terminated by a layoff shall be reinstated with full seniority standings, if recalled by the District in accordance with Article 7 – Vacancies, Promotions, and Layoffs, Paragraph H.
- e. In the event that more than one individual secretary has the same starting date of work, the relative place of such persons on the seniority list with respect to that date of work will be determined by a drawing of lots participated in by all affected secretaries. The notice of the drawing, including date, time and place, will be provided in writing to the Association and all affected secretaries one week before the drawing. The drawing will be conducted openly and at a time and place that allows all interested secretaries, particularly those affected, to attend. The president of the Association, or her designee, shall draw for any secretary unable to be in attendance. All affected secretaries and the Association will be notified in writing of the results of the drawing within forty-eight hours of the drawing.
- f. A secretary's seniority shall be frozen when transferred to a non-bargaining unit position. Seniority shall be lost upon termination, resignation, or retirement.

ARTICLE VI

- C. Each secretary will be provided a job description. Changes to the job descriptions will not be made without consulting the Association.
- D. If any secretary is complained against or sued as a result of any action taken by the secretary while in pursuit of her employment, the Board will provide legal counsel and render all necessary assistance to the secretary in her defense.

ARTICLE VII
Vacancies, Promotions, and Layoffs

- A. Whenever any vacancy or other special opportunity in any secretarial or clerical position in the district shall occur, the Board shall publicize the same by giving written notice of such vacancy to the President and Secretary of the Association and providing for appropriate posting in every school building, unless otherwise mutually agreed upon between the Board and the APAES. No posted vacancy shall be filled except in case of emergency on a temporary basis, until such vacancy has been posted for at least five (5) working days.
- B. Any qualified secretary may apply for such vacancy. In filling such vacancy, the Board agrees to give due weight to the experience, attainments and skills of all applicants, the length of time each has been in the school system of the district, and other relevant factors. An applicant with less service in the system shall not be awarded such position unless her qualifications therefore shall be substantially superior to applicants with greater service. (The Board declares its support of a policy of transfers or promotions from within its own secretarial staff.) "Service" in the system, for the purpose of this Agreement, shall mean continuous employment with the district.
- C. All vacancies shall be filled by promotions or transfers within the system, and all secretaries are encouraged to train and prepare for promotional opportunities.
- a. A transfer from one position to another will retain all rights, benefits, seniority and step status.
 - b. Up to the first forty-five (45) working days of transfer will be considered a trial period.
 - c. When a secretary is transferred to a lower salary level, by her own request or as part of a layoff, her pay shall be adjusted to the number of years she had in the system and be placed at the appropriate step.
 - d. If a position should become available for reasons other than a layoff, during a layoff period, the position will be posted as stated in Article 7. However, the administration has the right to place the individual laid off into the vacant position if her qualifications warrant the transfer. In this instance, the salary of the individual transferred to the opened position would be in accordance with Article 7, Section C, Item 3.
- D. In any necessary reduction of the secretarial staff, a qualified secretary with greater service shall be given preference over a secretary with less service to retain her employment.
- a. Any individual whose position is terminated due to economic reasons may choose a position in the level she is presently at or any other level on the seniority list. If the individual chooses a position within her level or any other level, she must take the position with the lowest seniority in that level, provided that the secretary in the lowest senior position has less seniority than the person whose position was terminated. Up to the first forty-five (45) working days in the new position shall be a trial period. If a secretary has not performed her duties to the satisfaction of the administration, she shall then be laid off and placed on a layoff list in seniority position. The last secretary laid off will be asked to return to fill the position vacated.
 - b. Any and all changes in secretarial positions shall be in writing with copies to the Association President within five (5) days of such changes.
 - c. Any one-half time secretaries hired after April 2, 1969, shall accumulate seniority for the purpose of applying for any posted vacancy as per Article 7, Section B, at one-half the number of years of service.
- In a layoff procedure they may only select another one-half time position.
- E. At the time of notification to any secretary that her position is being terminated, the administration will present her with a current seniority list and explain all layoff procedures to her.
- F. When secretaries whose services have been so terminated are to be re-employed, those having the greatest service and qualifications shall be recalled first.
- G. In the event of a temporary layoff as a result of a work stoppage by any other bargaining unit, the bumping privilege will not be exercised.

H. The laid off secretary will continue to remain on layoff status for a period as indicated by the length of the secretary's seniority as follows:

Seniority of 0 to 3 years	layoff status 12 months;
Seniority of more than 3 yrs. up to 6 yrs.	layoff status 24 months;
Seniority of more than 6 yrs.	layoff status 36 months.

If a secretary has not been reinstated prior to the length of layoff status, he/she shall be automatically terminated. Termination will also occur for refusal of a position offered within the bargaining unit or failure to respond to an offer of recall by the District, sent to the secretary by certified mail, return receipt requested. A copy of the recall notice shall be provided to the Association President. The District shall provide the secretary ten (10) days after receipt of recall notice.

If a secretary who is on layoff status accepts a bargaining unit position at a lower salary level, they will maintain rights to any future openings equivalent to their previous level for the same period of time that is used to determine layoff status, as stated above.

I. Any employee, otherwise not scheduled to work, who would be interested in working during the summer, should, prior to June 1 of each year, notify the personnel office in writing of his/her desire to work, with a copy to the Association President. Administration will attempt to assign available and appropriate summer work to those employees on the basis of seniority.

ARTICLE VIII
Discharge and Demotion

- A. Discharge or demotion of any secretary who has completed the probationary period for inefficient work or insubordination shall be made only by written notice two weeks in advance of any action by the Board of Education but the Board reserves the right of suspension of employees for other reasons that would be of a more serious nature and would be detrimental to the School District to have the employee continue to work during such suspension.
- B. In the event any secretary who has completed the probationary period shall be demoted or discharged and believes that such action is unreasonable, such demotion or discharge shall constitute a case to be handled in the grievance procedure.
- C. If it is determined that a secretary who has completed the probationary period has been demoted or discharged without reasonable cause, the Board agrees to reinstate her and pay her for all time lost at her salary level which was in effect prior to said action.
- D. No secretary who has completed the probationary period shall be disciplined without just cause. Secretaries shall be entitled to union representation at any disciplinary conference. No disciplinary action shall be taken against a secretary who has completed the probationary period based on complaints unless they are shared with the secretary promptly.

ARTICLE IX

A. Resignation

- a. Any secretary desiring to resign shall file a letter of resignation at least two weeks prior to the effective date.

B. Severance

- a. At the termination of service and after ten (10) years in the system, the secretary shall receive one-half (1/2) of her accumulated sick leave days paid at the secretary's current daily base rate of salary. For the purpose of severance, the maximum number of days applicable for accumulation will be one hundred forty-four (144).

Between months twelve (12) and twenty-four (24), the Board shall cease to pay the difference, if one exists, between the workers' compensation amount and the gross weekly salary amounts. Any time required for recovery shall not be charged against the employee's sick leave. The Board's liability shall be terminated after twenty-four (24) months of benefits.

- g. The Board agrees that secretaries shall be reimbursed for theft, damage or destruction of personal property, provided that lack of reasonable care and caution under the circumstances, on the part of the secretary, has not been the primary cause of loss. No personal property shall be brought into any school without prior approval of the administration.
 - i. The Board shall not be liable for more than the actual cash value of the loss.
 - ii. The Board will not pay amounts less than ten dollars (\$10) or more than five hundred (\$500) if the loss exceeds that amount.

ARTICLE XII
Grievance Procedure

A. A grievance is an unsettled complaint by a bargaining unit employee or by the Association in its own behalf, concerning: (1) any alleged violation of this Agreement; (2) any alleged violation of Board Policy or Administrative Rules; (3) any disciplinary action.

B. All grievances shall be handled by the following procedure:

Step 1. The secretary shall first discuss the complaint with the administrator, either individually or accompanied by an Association representative, in an attempt to resolve the complaint informally.

Step 2. If the complaint is not resolved at Step 1, it shall be reduced to writing whereupon it becomes a grievance, when the secretary invokes the formal grievance procedure through the Association, which shall control the grievance procedure from Step 2 forward. The grievance form shall state the claimed basis for the grievance. The grievance form shall be signed by the secretary (grievant) and the Association representative and presented to the administrator within ten (10) school days following the act or condition which is the basis for the grievance. Within five (5) school days after receiving the written grievance, the administrator shall communicate his decision in writing to the person or persons who presented the grievance, and to the Association if the grievance was presented by the secretary alone.

Step 3. Within ten (10) school days after the delivery of the administrator's decision, the grievance may be appealed to the Superintendent or his designee, by the person or persons who presented the grievance at Step 2, or by the Association if the grievance was presented by the secretary alone and the secretary did not appeal.

The appeal shall be in writing and shall set forth specifically the act or condition and the grounds on which the grievance is based, and shall be accompanied by a copy of the decision at Step 2.

Within five (5) school days after the delivery of the appeal, the Superintendent or his designee shall investigate the grievance and shall communicate his decision in writing, together with the supporting reasons, to the person or persons who presented the grievance at Step 3, and to the Association if the grievance was presented at Step 3 by the secretary alone. As part of his investigation, the Superintendent or his designee shall give an opportunity to be heard to the aggrieved secretary and also (except where the grievance is presented at Step 3 by the secretary alone), to the president of the Association or his designee.

Step 4. Within ten (10) school days after delivery of the Superintendent's decision, the grievance may be appealed to the Interest Based Bargaining (IBB) negotiating team by the Association only. At the next scheduled meeting of the negotiating team with IBB facilitators, the matter of the grievance will be brought to the table. Within five (5) school days after the IBB session, the negotiating team shall communicate their decision in writing, together with supporting reasons, to the person or persons who presented the grievance at Step 3, and to the Association.

Step 5. Within ten (10) school days after the delivery of the negotiating team's decision, the grievance may be appealed to mediation by the Association only. Upon receipt of this appeal, a date and time for mediation of the grievance with a mediator from the Michigan Employment Relations Commission shall be mutually scheduled by the parties. The recommendation(s) of the mediator for resolution of the grievance, if any, may not be used as evidence in arbitration by either party.

Step 6. Within ten (10) school days after the conclusion of mediation, the grievance may be appealed to binding arbitration by the Association only. The arbitrator shall be selected, and the arbitration shall be conducted, under the rules of the American Arbitration Association. The fees and expenses of the arbitrator and of the American Arbitration Association shall be shared equally by the Board and the Association. The Arbitrator's decision shall be binding.

C. Failure at any step of the grievance procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of the procedure within the time which would have been allotted had the decision been given. Failure to file a written grievance within the time specified in Step 3, shall bar the grievance. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance and shall bar future appeal. Time limits may be extended in any specific instance by mutual agreement in writing.

- D. Any party to a grievance shall have the right to representation by legal counsel at Step 3 and above; provided, however, that no secretary may be represented by counsel for any secretary organization other than the Association. A representative from the Association may represent association members and participate at all levels.
