AGREEMENT

This agreement made and concluded in the City of Allen Park this 8th day of October, 2018, by and between the Allen Park Board of Education, Party of the first part, hereinafter called the "Employer" and Local #142, American Federation of State, County and Municipal Employees, A.F.L.C.I.O., Council #25, representing Allen Park Food Service/Maintenance/Transportation Employees, Party of the second part, hereinafter call the "Union".

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees, and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

GENERAL

Rights of the Employer

- A. Nothing contained herein shall be considered to deny or restrict the Employer of its rights, responsibilities, and authority under the Michigan General School Laws or any other laws or regulations.
- B. Except as expressly abridged by the provisions of this Agreement, it is agreed that all rights, which ordinarily vest in and have been exercised by the Employer shall continue to vest exclusively in and be exercised exclusively by the Employer. Such rights shall include, by way of illustration and not by way of limitation, the right to:
 - a. Manage and control its business, its equipment, and its operation.
 - b. Continue its rights, policies, and practices of assignment and direction of its personnel, and scheduling.
 - c. Direct the working forces, including the right to hire, promote, discipline, transfer and determine the size of the work force.
 - d. Determine the services, supplies, and equipment necessary to continue its operations.
 - e. Adopt reasonable rules and regulations.
 - f. Determine the qualifications of employees, including health conditions.
 - g. Determine the overall goals and objectives as well as the policies affecting the education programs.
 - h. Determine the number and location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.

ARTICLE I
Recognition

Section 1. Employees Covered

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment for the term of this Agreement of all employees of the Employer included in the bargaining units described below.

For all classified employees as listed in Article 25 Job Classification of this Agreement, excluding all administrators, supervisors and dispatcher as defined by Public Act 379.

Section 2.

All references to employees in this Agreement designate both sexes and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE II
Aid to Other Unions

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE III
Agency Shop

Any employee who is a member of the Union, or who has applied for membership, may sign and deliver to the Board an assignment authorizing the deduction of professional dues in the Union, the amount of which shall be established by the Union. Such authorization shall be renewed each year if required by law. Pursuant to such authorization the Board shall deduct such dues from the second pay of the month and each month thereafter. Such sums deducted as dues or as a Representation Benefit Fee, subject to Subparagraph B hereof, shall be remitted not less frequently than monthly to the Union, accompanied by a list of employees from whom the deductions have been made.

1. Any bargaining unit member who is not a member of the Union in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Representation Benefit Fee to the Union. The Representation Benefit Fee shall not exceed the amount of the union dues collected from union members. The bargaining unit member may pay such fee directly to the Union or authorize payment through payroll deduction, as herein provided. In the event that the bargaining unit member shall not pay such Representation Benefit Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Union, deduct the Representation Benefit Fee from the bargaining unit member's wages and remit same to the Union.
2. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with the other required information may not be available and transmitted to non-members until mid school year. Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Union's notification to non-members of the fee for that given school year. In such event, it is agreed that the employee remains obligated for the entire annual representation fee.
3. The Union shall hold the Board harmless for any and all claims, demands, suits, or other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purpose of complying with the provisions of the agency shop agreement herein contained. The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of the Agency Shop provisions of Article III. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Article III, Agency Shop. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then Michigan AFSCME Council 25 shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if Michigan AFSCME Council 25, through counsel it selects after consultation with the Employer, does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense.
It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.
4. Should a court of competent jurisdiction rule that the mandatory deduction of the Representation Benefit Fee is contrary to law, the Board shall not be required to implement Section B. 1. above.
5. The Parties agree that the continuation of the language set forth in Article III above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.

ARTICLE IV

Check Off Union Dues, Service Charge and Initiation Fees

Section 1.

Employee shall tender the initiation fee and monthly membership dues by signing the Authorization for Check-Off of Dues Form.

Check-Off Form: During the life of this Agreement and in accordance with the terms of the form of Authorization of Check-Off of Dues, and to the extent the laws of the State of Michigan permit, the Employer agrees to deduct Union membership dues levied in accordance with the Constitution and By-laws of the Union from the pay of each employee who executes or has executed "Authorization for Check-Off of Dues" Form as provided by the Union.

Section 2.

Employees shall have their initiation fee and monthly membership dues or service fee deducted from their earnings by signing this "Authorization for Check-Off of Dues" form.

Section 3.

Deductions shall be made only in accordance with the provisions of said Authorizations for Check-Off of Dues, together with the provisions of this Agreement. The Employer shall have no responsibility for the collection of initiation fees, membership dues, special assessments, or any other deduction not in accordance with this provision.

Section 4.

A properly executed copy of such Authorization for Check-Off of Dues form for each employee for whom Union membership dues are to be deducted, shall be delivered to the Employer before any payroll deductions are made. Deductions shall be made hereafter only under Authorization for Check-Off of Dues forms, which have been properly executed and are in effect.

Section 5.

Check-Off deductions under all properly executed Authorization for Check-Off of Dues forms shall become effective at the time the application is tendered to the Employer and shall be deducted from the second (2nd) pay of the month and each month thereafter.

Section 6.

The Union will provide to the Employer any additional Authorization for Check-Off of Dues forms under which Union membership dues are to be deducted.

Section 7.

Deductions for all calendar months shall be remitted to the designated financial officer of the union Local as soon as possible after the tenth (10th) day of the following month. The Employer shall furnish the designated financial officer of the Union Local, monthly, a list of those for whom the Union Dues have been deducted and this list shall be kept current.

Section 8.

The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with Section 2 of this Agreement (Article 4). The Parties agree that the hold harmless language set forth here would require in the event of litigation that the Union, at its expense, would defend any and all lawsuits challenging the continuation of Article IV. This includes but is not limited to securing and paying all expenses of litigation such as attorneys' fees, costs, and damages or penalties. The Union agrees to make the District whole for all lawsuits in connection with the Board's agreement to continue the provisions of Article IV. However, if the Employer, its officers, agents, or employees elect to select their own counsel in any such suit, then Michigan AFSCME Council 25 shall have no duty to indemnify those defendants it does not represent in the suit; provided, however, that if Michigan AFSCME Council 25, through counsel it selects after consultation with the Employer,

does represent the Employer, its officers, agents, or employees in such suit, such defendants may additionally hire their own counsel to assist in the defense of any such suit at their own expense. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause.

Section 9.

The Parties agree that the continuation of the language set forth in Article IV above is in consideration for the economic concessions contained in this agreement, and for continued positive relations between the parties.

ARTICLE V
Representation

Section 1.

The function of the Union President is to review and negotiate grievances in the Second Step, to prepare grievances not settled at his point for further review in grievance procedures, and to negotiate with Management on negotiable local problems. A President may also handle first Step grievances when called upon for help, and represent employees at hearings in disciplinary cases.

Section 2.

The employer recognizes the privilege of the President of the Union to be excused from regular work assignments to perform the duties of that office. The necessary time will be scheduled with the Administrator in charge. This time shall be allowed without loss of pay, or personal business days. The official must notify the Building Administrator or designee prior to leaving the building.

Section 3.

The President will be provided the complete minutes and agenda of all regular and special Board meetings at the same time as such minutes are distributed to others.

Section 4.

The President or delegate appointed by the membership shall be allowed to attend Council, State and National Conventions, Union and Legislative Conferences to a limit of five (5) work days per year and not suffer loss of leave days.

ARTICLE VI

The Union shall consist of the following representatives: President, Vice President, Secretary, Treasurer, and two (2) Trustees.

Section 2.

During scheduled working hours, Union Representatives, without loss of time or pay, may in accordance with the terms of this Agreement, investigate and present grievances to the Employer, upon having advised their Superintendent or designee of same. The Superintendent or designee will grant permission and provide sufficient time to the Union Representatives to leave their work for these purposes. The privilege of Union Representatives leaving their work during working hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper handling of grievances and will not be abused.

Union Representatives will perform their regularly assigned work at all times, except when necessary to leave their work to handle grievances as provided herein. Any alleged abuse by either party will be proper subject for a Special Conference.

Section 3.

In the absence of the President of the Union Local, the Union shall name a designee for the Union President. Written notification of this shall be sent to the Superintendent or designee.

ARTICLE VII

Special Conferences

Special Conferences for important matters will be arranged between the Local President and the Employer or its designated representative upon the request of either party. Such meetings shall be between at least two (2) representatives of the Employer and at least two (2) representatives of the Union. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the same time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda unless otherwise mutually agreed. The members of the Union shall not lose time or pay, for time spent in such special conferences. This meeting may be attended by a representative of the Council or a representative of the International Union.

ARTICLE VIII

Grievance

Section 1. First Stage Grievance

Oral Discussions with Administrator. A grievance shall be an alleged violation of the expressed terms of this contract.

The following matters shall not be the basis of any grievance filed under the procedure outlined in this article:

- a. The termination of services of or failure to reemploy any probationary employee.
- b. Any matter involving employee evaluation.

An employee, alleging grounds for a grievance, shall have a right to call for the Union President to discuss the alleged grievance. The employee may then discuss orally the grievance with the Administrator in charge.

Recognizing the value and importance of full discussion in clearing up misunderstandings and preserving harmonious relations, every reasonable effort shall be made to settle problems promptly at this point through discussion.

Section 2. Formal Grievance

Step One

In the event the matter is not resolved informally, or the aggrieved party has elected not to employ the informal procedure, the grievance shall be submitted in writing to the Administrator within ten (10) days from the time that the employee or the Union is aggrieved. The written grievance shall be signed by the aggrieved employee, if any.

Awareness shall not be construed to mean knowledge of the grievability of the incident and shall be limited to knowledge that the incident has actually occurred.

- A. The grievance may be lodged and thereafter discussed with the Administrator;
 - a. by the aggrieved employee in person on the employee's own behalf, or
 - b. by the aggrieved employee accompanied by the Union President, or
 - c. through the Union President if the aggrieved employee so requests, or
 - d. by the Union President in the name of the Union.
- B. Within ten (10) days after receiving the written grievance, the Administrator shall communicate management's decision, in writing, to the President of the Union, and to the aggrieved employee, if any.

Step Two

Within five (5) days after receiving the decision of the Administrator, an appeal of the decision may be made to the Superintendent by the employee, or by the Union. The appeal shall be made in writing and shall be accompanied by a copy of the decision of Step One.

- A. The Superintendent may confer on the grievance with a view to arriving at a mutually satisfactory adjustment. Participants at this step shall be given at least two (2) days written notice to the conference.
- B. Within ten (10) days after receiving the appeal, the Superintendent shall communicate the Employer's decision in writing together with supporting reasons, to the Administrator, to the President of the Union, and to the aggrieved employee, if any.

Step Three

Within ten (10) days after receipt of the Employer's decision at Step Two, the Union may appeal the decision to mediation through the Michigan Employment Relations Commission. The mediator for mediation will be mutually agreed to by the

parties. It is understood that any mediator's proposal for settlement/resolution of the grievance shall not be final and binding on either the Union and the Board unless agreed to in writing by the parties.

Step Four

The Union may appeal the decision to Arbitration through the American Arbitration Association. The fees and expenses of the Arbitrator and of the American Arbitration Association shall be shared equally by the Board and the Union. Any such appeal shall be filed within twenty (20) days of the last meeting in mediation or receipt of the Superintendent's decision.

- A. The decision of the Arbitrator shall be presented to the Union and the Board.
- B. The Arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement. The Arbitrator's authority shall be limited to deciding whether a specific Article and Section of this Agreement has been violated, and/or their interpretations as long as the decisions are not in violation of any State or Federal Law.
- C. The decision of the Arbitrator, if within the authority defined above, shall be final and binding upon both the Union and the Board.

General Provisions:

- 1. Failure at any step of this procedure to communicate the decision on a grievance within the specific time limit shall permit the lodging of an appeal at the next step of this procedure.
- 2. If a grievance arises from the action of authority higher than the administrator of a school, it may be initiated at the appropriate step of this procedure.
- 3. The time limits specified in this procedure may be extended in any specific instance by mutual agreement.
- 4. Hearings and Conferences held under this procedure shall be conducted after the regular workday except when such will not afford a fair and reasonable opportunity for all persons.
- 5. The Union shall have the right within the time limits specified for appeal to the next step, to appeal the decision on a grievance in which it did not participate.
- 6. In the event an employee decides to file a grievance independently, the Union shall be afforded the opportunity to be present at all procedures under Steps One (1) and Two (2). Only the Union may use the appeal procedures of Step Three (3).
- 7. No decision or adjustment of a grievance shall be contrary to any provisions of this Contract.
- 8. The term "days" shall mean days on which the Central Office is open for business.

ARTICLE IX
Computation of Back Wages

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at the regular rate.

ARTICLE X

Discharge and Discipline

Section 1. Following Notice of Discharge or Discipline

The Employer agrees upon the discharge or discipline of a non-probationary employee to promptly notify, in writing, the concerned employee and the Steward in the district of the discharge or discipline. The employer agrees that discipline and discharge shall be for just and stated cause.

Section 2. Discussion

The discharged or disciplined non-probationary employee will be allowed to discuss the discharge or discipline with the Steward of the district, and the Employer will make available an area where they may do so, before the discharged or disciplined non-probationary employee is required to leave the property of the Employer. Upon request, the Employer or designated representative will discuss the discharge with the non-probationary employee and the Steward.

Section 3. Appeal of Discharge and Discipline

Should the discharged or disciplined non-probationary employee or the Steward consider the discharge or discipline to be improper, a grievance shall be presented in writing through the Steward to the Employer at Step Two (2) of the grievance procedure within five (5) regularly scheduled working days of the discharge or discipline.

Section 4. Use of Past Record

In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously, nor impose discipline on an employee for unintentional mistakes on his employment application after a period of two (2) years from the date of hire.

Section 5. Employee Files

- A. No material relating to an employee's discipline, conduct, service, character, or personality, shall be placed permanently in any file unless the employee has had the opportunity to read the material.
- B. After reading the material, the employee shall sign a copy to be filed, with the understanding that such signature merely signifies that the employee has read the material to be filed, and does not necessarily indicate agreement with its contents. If the employee refuses to sign the material his/her Union representative will do so as verification that the employee has been presented with the material. Failure by the employee to provide a signed copy for inclusion in the file shall not prevent a copy from being filed therein.
- C. The employee shall have the right to place explanatory notes or letters in said employee's personnel file pertinent to any written or printed material, and this shall be attached to the file copy, provided, however, such explanation shall be limited to five (5) standard sheets of paper.
- D. The employee shall be permitted to examine said employee's personnel file upon reasonable request.
- E. The employee, with or without a union steward, shall have the right to copy materials from said employee's personnel file at a charge of ten cents (.10) per page.
- F. Material of a non-professional nature (i.e. letters from parents, newspaper clippings, records of phone calls, etc.) shall not be placed in any employee file without the employee's knowledge.
- G. All materials placed in the files must bear the date and have affixed the signature of the writer, or other proper identification as to source.
- H. All material that could be used against the employee's future employment, excluding annual evaluations, over two (2) years old, will be removed.
- I. No material may be removed or destroyed without the consent of the employee.
- J. All employees shall be advised of the nature, purpose and location of all files that exist in the school system that may contain material pertaining to the employee's employment.

- K. All employees shall be informed of their right regarding the filing of materials and of their right to inspect them with Employer present.
- L. For the purpose of compiling information pertinent to a grievance, a Union representative may copy material from an employee's file other than personal documents (i.e. medical records, etc.) with the employee's authorization.

ARTICLE XI
Seniority Application

Section 1. Seniority Application

- A. When an employee voluntarily moves from one classification to another classification, then said employee's classification seniority shall commence with the first day worked in the new group classification.
- B. An employee who is involuntarily moved from one classification to another classification shall retain all classification seniority which said employee had previously earned, but not classification seniority earned in a classification below their new assignment.
- C. Seniority for computation of vacations, retirement, holidays, or any other fringe benefits, shall be from date of permanent hire into the Allen Park School District.
- D. Consideration for approval of vacation requests will be made with preference given on District seniority basis for employees within the same building. For this purpose, any employee who is regularly assigned to more than one building shall elect by seniority which of these buildings shall be utilized for consideration of his/her vacation request. This election shall be made in writing by the employee.

Section 2. Probationary Period

- A. New employees hired into the unit from the outside shall be probationary employees for the first sixty-five (65) days worked.
- B. Upon completion of their probationary period, the employees shall attain seniority status, and their names shall be entered on the seniority list with the seniority dating from the date of hire. New employees, while in their probationary period, may be terminated without recourse to the grievance procedure. They shall be represented by the Union for all purposes under this agreement during the probationary period, except that no protest may be entered against termination during said probationary period.

ARTICLE XII
Seniority Lists

Section 1

The seniority of all employees on the list shall commence with the date of hire into a regular bargaining unit position by the Allen Park Public Schools. The Union shall be furnished with a list minimally semi-annually, setting forth, in the order of their seniority, each employee's name, seniority number, effective hiring date, and classification. When more than one employee is hired on the same date, seniority will be determined by alphabetical sequence according to surname at the date of hire. A seniority list by group classifications will similarly be provided. The Union will be provided with a list of new hires, terminations, and other changes as they occur. The Union will designate in writing to the employer by January 1st of each year, the person to whom the list of new hires, terminations, and other changes are to be sent. The employer agrees to submit these notices to the single designated officer of the Union for distribution to whomever the Union deems appropriate.

Section 2

Any employee shall have the right to protest the accuracy of the seniority list within thirty (30) days from the date of posting.

ARTICLE XIII

Loss of Seniority

An employee shall lose seniority for the following reasons only:

- a. Employee quits
- b. Employee is discharged, and the discharge is not reversed through the grievance procedure.
- c. Employee is absent for five (5) consecutive working days without notifying the Employer. In proper cases, exceptions shall be made by the Employer. After such absence, the Employer will send a written certified or registered letter to the employee at the last-known address, informing said employee of the loss of seniority and employment termination. If the disposition of any such case is not satisfactory, the matter may be referred to the grievance procedure.
- d. If the employee does not return to work within five (5) working days when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made by the Employer.
- e. Return from sick leave and leaves of absence will be treated same as above, paragraph c.

ARTICLE XIV

Shift Preference, Transfers and Vacancies

- A. If a decision is made to fill a vacancy, that position will be posted throughout the district, within five (5) working days of becoming vacant, with written job bids in triplicate required for application. The vacancy will be posted for a period of five (5) working days. The Board will fill such position within five (5) working days from the date that bidding is closed.

Posting will include the following information:

1. Title and Classification.
 2. Job Qualifications.
 3. Hours and length of position.
- B. Once a posting is made, it is to be considered to be factual, and should any information in the posting be required to change, a correction will be made immediately.
- C. Positions may be staffed on a temporary basis during the posting period.
- D. In filling a vacancy in classification, management agrees to fill such vacancy by classification seniority first from those in the classification that have expressed an interest and have met the classification qualifications. Remaining vacancies will be filled in accordance with the employee's bargaining unit seniority and his/her ability to perform the job. The decision for filling such vacancy rests with the Board of Education.
- E. The use of intelligence tests will not be used with members of the Union as a means to determine promotions or transfers within the Union.

Temporary Vacancies

- A. After a period of fifteen (15) consecutive working days or upon the District's prior knowledge of an employee's extended leave of absence for a period of fifteen (15) consecutive working days or longer, the temporary vacancy will be posted for interested bargaining unit candidates to apply. The temporary vacancy will be posted for a period of five (5) working days.
- B. In filling a vacancy, management agrees to fill such vacancy in accordance with the employee's bargaining unit seniority and his/her ability to fully perform the job.
- C. No posting of a temporary vacancy will be required if there is a qualified internal candidate for the temporary vacancy who was either laid off or involuntarily demoted from the position and/or classification based on a reduction in the work force. If there is more than one (1) qualified internal candidate who has been laid off or involuntarily demoted from the position and/or classification, then the most senior candidate shall be awarded the temporary vacancy.
- D. The parties agree that the intent of filling temporary vacancies is to allow qualified bargaining unit candidates the ability to temporarily fill positions within a higher classification that are vacant as a result of an employee's extended leave of absence. Lateral transfers will only be allowed when a change in shift or an increase in hours will be the result.
- E. In the event of an absent head custodian, without prior knowledge of said absence, bargaining unit custodians will be offered the opportunity to sub in the head custodian position by building classification seniority. Custodians who sub for a head custodian under this provision shall receive their normal custodial pay and will not be required to do installations or repairs.
- F. Temporary transfers will not exceed the duration of sixty (60) work days unless the necessity of such extension is justified in Special Conference.

ARTICLE XV

Seniority of Stewards

Notwithstanding their position on the seniority list, union officers shall, in the event of a layoff of any type, be continued work as long as there is a job in their shift which they can perform, and shall be recalled to work in the event of a layoff on the first open job in their shift which they can perform.

ARTICLE XVI
Seniority of Officers

Notwithstanding the position on the seniority list, the President of the Union Local shall, in the event of a layoff only, be continued at work at all times when one (1) or more divisions or fractions thereof are at work, provided they can perform any of the work available.

ARTICLE XVII
Layoff Defined

Section 1. Reduction In Staff (Layoff)

If it becomes necessary for layoff (layoff means a reduction in the work force), the following procedures will be mandatory in each classification:

1. Probationary employees, as defined by Article 11, Section 2A, will be laid off first.
2. Seniority employees will be laid off according to District seniority.
3. Employees to be laid off from their regularly scheduled duties for an indefinite period of time will have at least seven (7) calendar days' notice of layoff. The Union President shall receive a list from the employer of employees being laid off on the same date the notices are issued to the employees.
4. Reduction shall be by seniority with no cross bumping into a higher classification.

Section 2. Recall Procedure

Right to recall will be limited to time worked in the District up to two (2) years.

When the work force is increased after a layoff, employees will be recalled in an inverse order as that laid off.

Notice of recall shall be sent to the employee at his last known address by certified mail. If an employee fails to report to work within five (5) days from date of receipt of said notice of recall, he shall be considered as quit.

Section 3. Laid Off Employees Used as Substitutes

Employees on lay off will be offered substitute work opportunities before non-bargaining unit employees are used. The employee on lay off will receive the District's current substitute hourly rate of pay for work performed.

ARTICLE XVIII

Promotions and Job Descriptions

Section 1

Promotions shall be defined as increasing an employee's classification and/or compensation. The Employer supports promotions from within the Union. The use of intelligence tests will not be used with members of the Union as a means to determine promotions or transfers within the Union. However, Head Custodial and Skilled Maintenance/Mechanic applicants will be required to demonstrate sufficient skill and knowledge as determined by administration.

Section 2

Promotions will be determined on the criteria of previous training and-or schooling, skills, work experience, job qualifications, and the ability to perform in the classification. Employees meeting such criteria will be promoted on the basis of length of service within the district.

A promoted employee will be given a ninety (90) day trial period to demonstrate that the employee can satisfactorily perform the job. During such trial period, the employee shall have the opportunity to revert back to said employee's former job. If the employee's performance is unsatisfactory in the new position, such employee may be demoted to his/her former position. Notice of such demotion, stating the reason(s), shall be submitted to the Union in writing by the Employer with a copy to the employee.

A detailed map will be provided to the awarded union member of his/her new assignment along with a job description.

Section 3

Any employee who is promoted shall have total system service apply to vacations, leaves of absence rights and to any retirement pay pursuant to this Agreement. Any food service worker or bus driver bidding, transferring or promoted into any maintenance category on or after March 12, 2013, including grounds/utility will start at the bottom step of the tier. Any food service worker bidding, transferring or promoted into bus driving on or after March 12, 2013, will start at the bottom step of the tier. This includes the end of a semester or school year, when a part or parts of a run may end earlier than others do.
- 2. If a driver believes that his/her daily run time is greater than that established, s/he may formally request a review of the time by using the form provided for this purpose by the District. Within 10 work days of receipt of this form the Director of Maintenance and Transportation or his/her designee will observe the run to determine whether the time needs to be adjusted, and will follow up by meeting with the driver to report on his/her findings. Drivers will turn in a receipt from the bus wash each time they wash the exterior of the bus, and document that they have washed a bus via their time sheet.
5. Compensation for athletic runs and field trips will be determined by trip cards. Reporting and pick up times will be specified on these forms. At the end of the athletic run/field trip the driver will punch out directly on the trip card.

Summer bus trips – trips during the period when school is not “in session” – will be assigned on a rotational basis to those bus drivers who have signed-up for summer work.

A bus driver who declines a trip after 24 hours or who subsequently declines a trip after initial acceptance of the assignment will receive a “Pass” for both the assigned trip and his/her next turn in the rotation.
 - E. When a trip is cancelled after it has been assigned, the bus driver who had that assignment will be moved to the top of the rotation list, but shall also maintain his/her regular seniority position in the rotation. The next available unassigned trip which the bus driver can perform (ex. The next trip where the bus driver is not already assigned to an extra trip during the same time slot) will be assigned to him/her in place of the cancelled trip.
 - F. If a trip that a bus driver had previously declined is cancelled, the “Pass” received by him/her for declining the trip will be removed.
 - G. In an emergency (90 minutes notice or less), the District may assign a trip to the first available bus driver without impacting the rotation list.
 - H. Whenever a trip is assigned to a bus driver with less than 24 hours notice, the bus driver may decline the assignment without receiving a “Pass” on the rotation list.
 - I. A bus driver who was not originally assigned a particular trip will not be charged for the trip on the rotational list. The performance of any such trips by a bus driver will not be counted against him/her in the rotation.

- J. If a bus driver has declined a trip, he/she cannot be subsequently assigned a trip for that same date outside of an emergency.
- K. When a bus driver is off of work due to paid bereavement leave, he/she will not be charged with a "Pass" in the rotation. This provision does not apply to any additional days that may be taken by the bus driver using personal/sick leave days and/or vacation days. However, when unusual circumstances are determined by the Superintendent or his designate representative to apply and additional days not charged to sick leave are approved, the bus driver will not be charged with a "Pass" in the rotation during the approved time period. (Note: This exception is limited to special circumstances and with approval only.)
- L. Drivers will sign up to work Extra/Overtime at the beginning of each marking period. If a driver refuses more than five (5) chargeable runs in a marking period, the driver will lose rotation privileges for twenty (20) working days. A bus driver may elect to opt out of the trip rotation. This election shall be made in writing to the District. A bus driver who opts out of the trip rotation will remain out of the rotation for a minimum of the remainder of the school marking period.
- M. Downtime shall be paid at the hourly rate indicated in the salary schedule. Downtime is defined as the period of time from when the bus is empty (students dropped off) to the time when the first student is back on the bus for the return trip. Downtime is only applicable to runs outside of the drivers regularly bid runs (field trips, athletic runs, etc.).
- N. When a driver takes a run outside of their regular bid run, the driver shall be guaranteed compensation equivalent to that which they would have received on the bid run. In this instance, downtime shall be applicable after the equivalent of the regular bid run has been met.
