ARTICLE VI
Employment Security

- 6.1 INDIVIDUAL CONTRACT. Each administrator in the bargaining unit shall be given a two (2) year individual contract. If the administrator is not given notice of nonrenewal, the contract shall annually be renewed. If the administrator does not receive notice of layoff, program of assistance, or termination as a result of the evaluation procedure by March 30th, it shall be extended and reviewed for an additional year on an annual basis. Interim contracts shall be prorated to July 1.
- 6.2 NONRENEWAL OF CONTRACT. In the event an administrator's contract is not renewed, the administrator will be provided the due process procedure, as follows:

FIRST YEAR:

- A. If the nonrenewal is pursuant to the program of assistance (Article IX, Section 9.3), within ten (10) days of receipt of the notice of nonrenewal, the administrator shall submit a statement of opposition to the Superintendent specifying the areas of differences and reasons thereof, and will be granted a hearing with the Superintendent and Board, upon request.

SECOND YEAR:

- B. If the nonrenewal is based upon the performance of the administrator's duties, the administrator shall be given written notice of such claim. The administrator shall, within ten (10) days of receipt of the charges, submit an answer to the charges and will be granted a hearing with the Superintendent and the Board, if so desired.
 - C. Under subsections A and B above, if the hearing is requested, it shall be held within fifteen (15) days, with a written determination issued within ten (10) days there from.
 - D. At the hearing, the administrator may be represented by counsel, and the administrator shall have the opportunity to present testimony and cross-question persons speaking in support of the nonrenewal.
- 6.3 PROFESSIONAL CONDUCT. The administrator agrees to perform the employment duties and functions in a manner that encourages quality in the educational process and is in accordance with the policies, rules and regulations of the Board and/or Superintendent. In the event of acts of misconduct in the performance of the administrator's duties, as opposed to non-satisfactory performance, said administrator may be terminated pursuant to the provisions set forth in Section 6.2 above.
- 6.4 EXCLUSIVE PROCEDURE. The procedure for nonrenewal of contract set forth above shall be the exclusive procedure under this Agreement.

ARTICLE VII Grievance Procedure

- 7.1 DEFINITION. A grievance is a complaint submitted in writing by an administrator or the P.C.A., hereafter referred to as the grievant, involving any alleged violation, misinterpretation, or misapplication of any provisions of the Agreement.
- 7.2 TIME LIMITS. The term "days" when used in this section shall, except when otherwise noted, mean weekdays (excluding weekends and holidays). Time limits may be extended by written agreement of both parties.
- 7.3 INITIAL RESOLUTION. Every effort shall be made to resolve complaints at their inception. A grievance procedure is intended to provide a formal means of handling those complaints which cannot, for any reason be resolved by discussion and cooperation at their inception. When a cause for complaint occurs, the affected administrator shall be granted a meeting with the grievant's supervisor in an effort to resolve the grievance. At the administrator's discretion, the P.C.A.G.C. will be notified and may be present with the administrator at such meeting(s).
- 7.4 GRIEVANCE REPRESENTATION
- A. The Association shall establish a Grievance Committee to be selected in a manner determined by the Association. The Association agrees that it will identify to the Board, in writing, all current officers and Grievance Committee members.
 - B. In the event any representative or member of the Grievance Committee is also the grievant in the matter at issue, he/she shall then disqualify himself/herself for the case

involved and shall be replaced by another member of the Association in a manner determined by the Association.

7.5 GRIEVANCE PROCEDURE. Grievances shall be presented and adjusted in accordance with the following procedures, recognizing that timelines may be extended with mutual agreement. A grievance must be filed within 25 calendar days of the original action which allegedly violated the master agreement or within 25 calendar days of when the association or any of its members should have become aware of the alleged violation. An alleged grievance involving a newly hired administrator into the bargaining unit will have an additional 30 calendar days in which to file a grievance. Timelines will be waived during July each year.

7.6 PROCEDURE

INFORMAL PROCEDURE

A. Level one:

The parties acknowledge that it is usually most desirable for an administrator and his/her supervisor to resolve problems through free and informal communication. Therefore, if an individual administrator has a personal complaint which he/she desires to discuss with his/her supervisor, he /she is free to do so without recourse to the grievance procedure. When requested, a representative of the association or member of the grievance committee may participate in resolving the complaint.

FORMAL PROCEDURE

B. Level two:

If the complaint is not resolved informally between the affected administrator and his/her supervisor, it shall be submitted in writing to the supervisor on the grievance form provided. Within seven (7) days after the submission of the grievance, the supervisor will hold a meeting with the grievant and a member of the P.C.A.G.C., the supervisor shall have ten (10) days after the conclusion of the meeting to render his/her decision.

C. Level three:

If, within ten (10) days, the P.C.A.G.C. or the administrator is not satisfied with the disposition of the grievance, the grievance may be transmitted to the Superintendent or his/her designee by submitting a written copy of the grievance form. The Superintendent or his/her designee shall meet with the administrator and the P.C.A.G.A. within seven (7) days and shall render a disposition of the grievance within ten (10) days thereafter. A copy of the disposition shall be furnished to the administrator and the P.C.A.G.A.

D. LEVEL FOUR:

If, within ten (10) days, the P.C.A. is not satisfied with the level three disposition, the grievance may be transmitted to the American Arbitration Association (AAA) by submitting a demand for arbitration with a copy to the Assistant Superintendent of Human Resources and the Superintendent of Schools. The rules and procedures of AAA will be followed.

It is understood by the parties that:

1. The arbitrator, the PCA and the Employer may call any witness in any arbitration hearing.
2. Each party shall be responsible for the expenses of the witnesses that they may call.
3. The arbitrator shall have no power or authority to rule on any matter not involving an alleged violation of the specific provisions of this agreement, nor to rule on the

contents of an evaluation, termination or non-renewal of a probationary employee, or to interpret State or Federal statutes.

4. The arbitrator shall have no jurisdiction to add to, subtract from or modify any of the terms of this agreement or any written amendments hereof, or to specify the terms of a new agreement, or to substitute his/her discretion for that of any of the parties hereto.
5. The decision of the arbitrator shall be final and binding upon the parties.
6. The expenses of the arbitrator, including the filing fee, shall be paid for by the party petitioning for arbitration.

7.6 MISCELLANEOUS.

- A. An administrator may, at any time, present grievances to the Superintendent or designee, and have the grievance adjusted, without intervention of the P.C.A.G.C. if the adjustment is not inconsistent with the terms of this Agreement, and provided the P.C.A.G.C. has been given the opportunity to be present at such adjustment.
- B. An administrator may withdraw a grievance at any level without prejudice or record. However, if in the judgment of the P.C.A. the grievance presents an issue of importance, the P.C.A. may process the grievance at the appropriate level.
- C. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution. It is understood, however, that no provision in this Agreement has subsistence beyond the expiration day, unless specifically agreed upon by the parties, in writing. (This is being proposed without prejudice to the Board position on this matter).
- D. For the purpose of assisting an administrator or the P.C.A.G.C. in the prosecution or defense of any contractual, administrative or legal proceedings, including, but not limited to, grievances and tenure proceedings, the Board shall permit an administrator reasonable access to and the opportunity to inspect and purchase copies of his/her personnel file and any other files or records of the Board which directly pertain to the administrator and the issues or proceedings in question. A representative of the P.C.A.G.C. may accompany and assist the administrator in this regard. Pre-employment information consisting of communications with college/university, previous employers and other reference information, however, shall not be available to the administrator.
- E. During the deliverance of any proceedings, and until a final determination has been reached, all proceedings shall be private and preliminary disposition will not be made public without the agreement of all parties.
- F. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.
- G. It is understood that if any administrator files a charge with a governmental agency such as the Equal Employment Opportunity Commission, Michigan Civil Rights Commission, Michigan Employment Relations Commission, Michigan Employment Security Commission, Michigan Department of Labor Bureau of Workers' Disability, Michigan Tenure Commission, and/or similar state or federal agency, said charge shall not be subject to arbitration under this agreement. It is further understood that the Employer reserves the right to set aside the findings and conclusions of any arbitration award where

the employee files with the aforementioned governmental agencies on a charge previously determined by arbitration within a twelve (12) month period, except that if related issues were raised in the petition for arbitration, the findings and conclusions of said issues shall continue to be binding.

The Board shall provide notice to the Association of an employee filing action in another forum as specified above within ten (10) work days of the Board's receipt of notice of such filing.

ARTICLE VIII

Staffing Methods and Procedures

- 8.1 **QUALIFICATIONS.** The parties agree that all positions shall be staffed by the most competent and qualified persons that can be secured for them. The P.C.A. also agrees that the Board shall have the right to make final decisions on the staffing of all positions covered by this Agreement by any methods and procedures set forth below.
- 8.2 **ADMINISTRATIVE VACANCY.** When school is in session, vacancies for administrative positions will be publicized including postings of such notices in each school, the Central Office, and by notification of each administrator. At times when school is not in session and for all E.S.Y. administrators, a copy of such postings will be furnished to those who leave a self-addressed stamped envelope. A vacancy is an opening which the Board desires to fill. No vacancy shall be filled, except on a temporary basis, until such vacancy shall have been posted for at least ten (10) days. Any administrator in the bargaining unit may apply for such a vacancy. In filling such vacancy, the Board agrees to consider the professional qualifications, previous experience, length of service in the District and other relevant factors. The administrator may be required to submit necessary materials and/or documentation in pursuit of the position. At the administrator's request, the reasons for the selection of the successful applicant shall be reviewed with the interested applicant(s) by the Superintendent. It is understood that in the selection process, to fill any vacancy, all factors shall be considered and judged in the weighing of the needs of the individual, the School District, the students and the Board/Administration.
- 8.3 **ADMINISTRATIVE ASSIGNMENTS - NEW POSITIONS.** Vacancies and/or new positions which occur within administrative staff of the School District at any level and which provide opportunity for promotion for present administrators, shall be posted by the Personnel Office in each building and in the same manner detailed in Article VIII, Section 8.2. Such positions shall be posted with an attached job description at least ten (10) days prior to the filling of vacancies. All administrators who apply and are determined to be qualified for the open positions will be granted an interview. The administrator may be required to submit necessary materials and/or documentation in pursuit of the position. At the Administrator's request, the reasons for the selection of the successful applicant shall be reviewed with the interested applicant(s) by the Superintendent.

It is further understood that in the selection process to fill any vacancy, all factors shall be considered and judged in the weighing of the needs of the individual, the School District, the students and the Board/Administration.

- 8.4 **VOLUNTARY TRANSFER.** A voluntary transfer is a change in a bargaining unit position laterally or downward. Requests for voluntary transfers must be made in writing, giving the reason for the request, the position requested and administrator's qualifications for such position. Such requests are to be submitted to the Superintendent or his/her designee, and renewed annually if they are to remain active.

- 8.5 REDUCTION IN PERSONNEL. Every administrator who has satisfactorily completed the applicable probationary period under the Michigan Tenure Act shall have tenure as a teacher in the school district. Any reduction of administrative personnel shall mean the administrator so affected will be reassigned to a teaching position for which he is certified and qualified unless he becomes eligible for reassignment to another administrative position as provided herein.
- 8.6 STAFF ASSIGNMENTS. The Board agrees that where practicable, the affected building administrator shall have the opportunity to interview and make recommendations concerning all personnel, certified and non-certified, who are being considered for employment to his/her building or department. Subject to the approval of the Superintendent, each building principal shall have a right to make a determination regarding a teacher's or administrator's assignment within his/her building. Such assignment shall be made in accordance with any other collective bargaining agreements which the Board has entered into and which address the subjects of assignments, work schedules, transfers, etc. It is agreed that any complaint by a building level employee regarding his/her assignment shall not proceed above the building level except through the recognized grievance procedure in such other unit's collective bargaining agreement.
- 8.7 ADMINISTRATOR ASSIGNMENTS. Administrators may be assigned to an administrative position in any particular building or location. No change in assignment shall be made for reasons of bias, vindictiveness, or discrimination, but only for good cause, as determined by the Board or Superintendent. When an involuntary transfer is necessary, the Superintendent or designee will first meet and review the reasons for the transfer with the administrator.
- 8.8 TEMPORARY APPOINTMENT. A temporary appointment may be made to fill an administrative position by the Superintendent. Replacement should first be considered from current and displaced (due to staff reduction) members of the P.C.A.

The appointment should not exceed ninety (90) days unless extenuating circumstances exist. In such cases, the appointment shall not extend beyond the end of the current school year unless a provision stating otherwise exists in the contract. The wages, hours, and working conditions shall be consistent with all other administrators at that level. The Superintendent or designee and the P.C.A. President or his/her designee shall meet to negotiate wages, hours, and working conditions relevant to the change consistent with this Agreement.

Individuals on temporary assignments or sabbatical leaves will continue to accrue seniority in the position they previously held.

- 8.9 DISTRICT CURRICULUM AND POLICY INFORMATION. It is agreed that administrators will participate in the development and implementation of curriculum and related programs. District curriculum councils/committees shall have School District administrator representation. At least one (1) member of each committee shall be appointed by the P.C.A. It shall be the right and responsibility of the administrative staff to participate in the development of the educational program and professional practices in accordance with the procedures described in Board and/or rules and regulations. It shall also be the right and responsibility of the administrative staff to provide input in the development and/or revision of policies or rules and regulations or agreement to be negotiated which govern the development of the educational program; students, professional and non-professional personnel practices; determination of educational materials; and use of school facilities. These policies and rules and regulations shall include matters covered in the Board Policy Manual, as well as any negotiated agreements with other professional groups.

8.10 OPENING NEW SCHOOLS. When any new school is to be opened, and when practicable, an administrator will be assigned, prior to the anticipated opening date, the responsibilities of that school on a full-time basis per the following schedule:

Elementary School	6 months
Middle School.....	9 months
High School	12 months

Said administrator shall be assigned a location and secretarial help to assist in performing such duties.

8.11 PROBATIONARY PERIOD. It is hereby understood and agreed that all new administrators in the unit shall serve a probationary period of two (2) years. In addition, each administrator, except principals, who are placed into a new position will serve a probationary period of two (2) years in that new position unless the administrator has been employed by the district as an administrator for at least five (5) years in which case the probationary period will be eighteen (18) months. During the probationary period, the administrator shall receive a probationary contract which shall be for one-year periods, and shall be conferenced at least twice each probationary contract year with the first conference to be held on or before December 1st, which will include an interim evaluation report due by December 15, and the second conference and evaluation summary with signatures will be held by March 15th of each year. Evaluations rated as satisfactory are necessary for completion of the probationary period. Upon successful completion of the probationary period, the administrator shall be offered a contract as per current Article VI, Section 6.1. If at the end of the probationary period, a person's performance is not satisfactory, he/she will be placed consistent with state law. He/she will be offered the first administrative position which becomes vacant in the same category for which he/she last received a satisfactory evaluation. This window will last up to three (3) years from the date of the unsatisfactory evaluation which resulted in the assignment change.

Any provision of the master agreement which conflicts with this provision will be modified to be consistent with this section.

8.12 ADMINISTRATIVE STAFF ASSISTANCE. The parties recognize that operational and administrative problems arise within the building due to changes in student enrollments, program additions (E.S.Y. Special Education, Federal Programs, etc.); and varying student requirements, which require adjustment in administrative and clerical assistance. The Central Administration and the P.C.A shall undertake to study and resolve any such problems. A committee shall be formed of three (3) Central Office administrators and three (3) building administrators (to be appointed by the P.C.A.) and shall meet upon the request of either party to make recommendations for changes in staffing.

ARTICLE IX Leave Policies

10.1 SABBATICAL LEAVE

A. Administrators who have been employed as administrators for a minimum of seven (7) consecutive years shall be eligible for a sabbatical leave. If granted, said administrator shall be paid one half of his/her annual salary for a full year sabbatical, along with full related fringe benefits. Sabbatical leave of less than one full year shall have the salary reimbursement prorated to the length of the leave.

- B. A sabbatical leave shall be available to eligible administrators in order to provide an opportunity for professional improvement through formal study, research, writing and travel, or other types of experience through which the general welfare of the Plymouth-Canton Community School will benefit.
1. Absence from service in the district for a period of not more than one (1) year, under the leave of absence without pay granted by the Board for professional improvement or restoration of health, shall not be deemed a break in the continuity of service required in this section. Subsequent sabbatical leaves may be granted after eligibility has been reestablished by service of an additional seven (7) years as a full-time employee.
 2. Applicants must agree to the service of the Plymouth-Canton Community Schools immediately upon termination of sabbatical leave and to continue in such service for a period of two (2) years, unless physical disability makes this impossible or there is mutual agreement to the contrary. A signed agreement in the format of a promissory note shall stipulate that the failure of the administrator to provide such service shall result in the obligation to reimburse the district a proportionate part of the salary and fringe benefits paid to him during the sabbatical leave, determined by the fraction of the two (2) years not served following the leave.
- C. Application shall be made to the Sabbatical Leave Committee not later than February 1 for a leave beginning the first semester of school year, or October 1 for a leave beginning the second semester of a school year. Such application shall be accompanied by a plan for the period of the sabbatical leave.
- D. The Sabbatical Leave Committee of the P.C.A. shall prepare a priority listing of eligible candidates and recommend names for sabbatical leave appointments within thirty (30) days of application deadlines to the Superintendent or his/her designee, for Board approval. In recommending approval of an application, the committee shall consider the date of application, the purpose of the leave, the seniority of service to the school system, the professional growth of the administrator, the potential benefit to the school system and other factors deemed pertinent by the committee.
