Agency Shop

- A. Any present or future employee who is not a Union member and who does not make application for membership, shall, as a condition of employment, pay to the Union each month a service charge as a contribution toward the administration of this Agreement in the amount equal to the regular monthly dues; provided, however, that any employee whose regular schedule is twenty (20) hours or less per week shall pay an adjusted Union dues amount based on formulas spelled out in the Michigan Education Association Constitution.
- B. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) days after the receipt or written notice to the Employer from the Union. The Treasurer of the Union will notify the Business Office in writing of any dues changes, and adjusted amounts.
- C. The Union and Employees agree to save and hold harmless the School District from any and all liability in the event that the Agency Shop or the deduction of Union dues should be declared illegal by the Courts.
- D. Employees may have their monthly membership dues deducted from their earnings by signing the "Authorization for Check-off of Dues" form, or may pay the same directly to the Union. All deductions shall be authorized voluntarily in writing by individual employees, and deductions shall cease when the Union notifies the School District Business Office in writing.
- E. Employees whose regular work schedule is twenty (20) hours or less in any given week shall be subject to the conditions of Article II, Agency Shop.

ARTICLE III

Union Rights

- A. The employer agrees to furnish to the union upon request all available public information concerning the financial resources of the district and other public information including but not limited to preliminary budgets and directory of employees.
- B. A copy of the agenda of each regular or special meeting of the board shall be made available to the president of the union prior to said meeting. Administration's obligation in this matter will be met by mailing a paper copy of the agenda or by providing the president with notice that the agenda is available for viewing online.
- C. The union and its members may, upon request to the office of the Business Manager, use the school buildings and facilities for meetings in accordance with Employer policies.
- D. The union may use the employees' school mail boxes for communications. The union shall have use of the internal delivery system of the employer without cost.
- E. The union shall have the right to post notices of activities and matters of union concern at designated bulletin boards in each building or facility to which employees may be assigned.
- F. The union may use employer owned photocopiers and fax machines at reasonable times when such equipment is not otherwise in use. The union shall pay for the reasonable cost of all materials and supplies incident to such use. Requests from the union to use other equipment shall be considered on an individual basis by the employer.
- G. A bank of two (2) days or sixteen (16) HOURS for each school year will be provided by the employer for representatives designated by the union to receive release time without loss of pay or fringe benefits to perform union business. The term "union business" shall not be construed to include participation in any demonstrations involving contractual disputes in any school district or for contract management of grievances or negotiations with the employer. To access this leave, the union president will provide prior written notice to the Director of Human Resources and to the employee's Supervisor.

ARTICLE IV

Grievance Procedure

A. Definition

A grievance is a claim based upon an employee's or group of employees' belief that there has been a violation, misinterpretation or misapplication of the expressed provisions of this Agreement. The grievance procedure shall not apply to any matter which is prescribed by Law, State or Federal regulations or over which the Board is without power to act. No Board prerogative shall be made the subject of a grievance.

A grievance may be initiated by the Union representing an employee, or group of employees, whose name or names will be listed in any written grievance filed. Any individual employee, at any time, may present a grievance and have a grievance adjusted without intervention of the Union if the adjustment is not inconsistent with the terms of this Collective Bargaining Contract, and if the Union has been given an opportunity to be present at such adjustment. As used in this Article, Union includes an Employee.

B. Informal Conference

When an employee(s) becomes aware of a grievance, said employee(s) shall meet with the Supervisor of Custodians, Supervisor of Transportation, Supervisor of Food Service, or Elementary Curriculum Specialist (whichever is appropriate) in an informal conference within ten (10) work days after the occurrence. An employee may be accompanied by a Union representative at the informal conference. The Supervisor of Custodians, Supervisor of Transportation, Supervisor of Food Service, or Elementary Curriculum Specialist (whichever is appropriate) will attempt to adjust the grievance and inform the grievant(s) within ten (10) work days after the informal conference. If an informal conference fails to resolve the problem, the grievant(s) may proceed to Step I. If an employee does not proceed to Step I within twenty (20) work days after the informal conference the grievance shall be considered as waived.

C. Step I

The grievance shall be reduced to writing, signed, and presented in person to the Director of Human Resources. The grievance shall be dated, state the facts of the grievance, identifying all provisions of the contract allegedly violated, and indicate the relief requested. An employee may be accompanied and/or represented by the local Union representative, if the employee so desires, to present the formal grievance. The Director of Human Resources will attempt to resolve the grievance and will submit an answer, in writing, to the aggrieved within ten (10) work days with a copy thereof to the Supervisor of Custodians, Supervisor of Transportation, Supervisor of Food Service, or Elementary Curriculum Specialist (whichever is appropriate) and the President of the Union. If the Director of Human Resources fails to resolve the grievance, the grievant(s) may proceed to Step II. If the grievant does not proceed to Step II within ten (10) work days after receipt of the Director of Human Resources' written response, the grievance shall be considered as waived.

ARTICLE IV - Grievance Procedure (continued)

D. Step II

The grievant shall submit the grievance in writing to the Office of the Superintendent. The Superintendent will attempt to resolve the grievance and will submit his/her answer, in writing, within fifteen (15) work days with a copy thereof to the Director of Human Resources and the President of the Union.

E. Step III

In the event the aggrieved is not satisfied with the decision of the Employer, the grievance may be submitted to arbitration by the Union delivering written notice to arbitrate to the Employer and the American Arbitration Association within twenty (20) work days after the aggrieved's receipt of the decision of the Employer. The arbitrator shall be selected and the arbitration shall be conducted under the rules of the American Arbitration Association. The fees and expenses of the arbitrator shall be shared equally by the Employer and the Union.

The arbitrator shall not invade the province of the courts to render opinions on the legality of any provisions of the contract, but rather, the arbitrator shall confine his decision to the sole question of whether or not there has been a violation of this contract. He shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the Board. The arbitrator may not make an award, which in effect grants the grievant and/or the Union that which it was unable to secure during collective negotiations. The Arbitrator's decision on any issue properly before him shall be final and binding on the Employer and the Union and any employee involved.

- F. Whenever a grievance submitted to arbitration has as a proposed remedy retroactive pay and/or assignment, the Employer and the Union shall mutually attempt to select an arbitrator who shall conduct the hearing within ninety (90) days from the date of submission of the grievance to the arbitrator. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that may have been received from any source during the period of the back pay. No decision in any one case shall require a retroactive wage adjustment in any other case, unless other cases were filed and pending on the representative case.
- G. An employee may be accompanied and/or represented by his local Union representative at any stage of the grievance procedure.
- H. An employee may withdraw any grievance filed by himself at any time during the procedure.
- I. At any step of the grievance time limits may be extended by mutual agreement of the employer and the employee, in writing. If so, the new time will prevail. If the employer does not respond to a grievance within the time specified, and no written extension has been mutually agreed upon between the parties, the grievance may be carried to the next step within the prescribed time as if the decision had been rendered on time.

ARTICLE IV - Grievance Procedure (continued)

- J. All meetings and/or hearings pertaining to a grievance shall be conducted during the regular working hours of the grievant(s) without loss of pay for the grievant(s), provided, however, that there shall be no compensation for the grievant(s) and his/her union representative beyond the regular work day of the grievant(s) and his/her union representative. If the grievance is at Step III, and the arbitration hearing is conducted during the regular working hours of the grievant(s) then the grievant(s) and his/her union representative shall be compensated at the regular daily rate for the time necessary to attend the hearing, provided, however, that there shall be no compensation for the grievant(s) and his/her union representative beyond the regular work day of the grievant(s) and his/her union representative.

ARTICLE V

Salary Schedule

- A. The salary schedule for an employee of the bargaining unit shall become effective July 1, 2009.
- B. Second shift custodians shall receive forty-five (45) cents per hour shift differential.
- C. Any regular employee designated by the supervisor to substitute in a higher position within the bargaining unit, specifically a Custodian B to substitute for a Custodian A, a bus driver for a bus driver, a food service employee for a food service employee, shall receive the established hourly rate of pay for the actual hours worked in the higher position. For the purpose of this paragraph, higher position is defined to be a position with a greater hourly rate of pay and/or a position with greater regularly scheduled hours per day.

In the absence of a Head Custodian, a Custodian B or Swing Shift Custodian, working in that building, will be designated by the Supervisor of Facilities to substitute in that position and, when designated, will receive Custodian A pay.
- D. Any employee of the bargaining unit called to work or permitted to come to work without having been properly notified that there will be no work shall receive two (2) hours pay at the employee's regular rate.
- E. Employees of the bargaining unit, required by the district to attend a workshop or institute shall not lose their regular daily rate. If employees of the bargaining unit are required to attend outside of their normal work day, they shall be paid at their regular daily rate.
- F. An allowance for weekend and holiday care of the building shall be made for personnel holding the position of Custodian A in the elementary schools in the amount of three (3) hours of straight time per week payable bi-annually in the first regular pay after January 1 and July 1.
- G. The allowance stated in Paragraph F does not affect the normal forty (40) hour week nor entitle the employee to overtime pay for the weekend and holiday care.
- H. An employee participating in the intern program, as defined in Article I - Recognition, shall receive a forty-five (45) cent per hour adjustment over the Custodian B rate of pay.
- I. The rate of pay for work as defined in Article VII, Paragraph L shall be nine dollars fifty cents (\$9.50) per hour and any employee of the bargaining unit employed in such work shall not be entitled to any other employee benefits.
- J. The "Idle" wage rate will become effective at the nearest 15-minute interval following arrival at the planned destination and after students disembark from the bus. The "Idle" wage rate will remain in effect until such time as the students re-board the bus. Bus Drivers will be responsible for keeping a log of arrival and departure times for each event. Bus Drivers may be required to have the supervising teacher or coach sign the log verifying such times.

Whenever the need for overtime and/or extra hours opportunities occur for personnel assigned to the day shift, it will be paid for at the rate of time and one-half of the regular rate of pay for hourly rated employees. Swing shift employees shall be paid at the rate of time and one-half pay for the sixth (6th) consecutive day and double time for the seventh (7th) day worked. Whenever the need for overtime occurs for personnel assigned to the afternoon shift, it will be paid for at the regular rate of pay plus shift differential at a rate of time and one-half for hourly rated employees.
- B. It shall be the policy of the School District to make available equal opportunity for all overtime among all eligible employees. Whenever possible, the overtime shall remain with the eligible employees assigned to that building. Once a month, overtime for each building will be posted in the custodial room of that building by the Supervisor of Facilities.
- C. Overtime pay shall occur after the employee has worked eight (8) hours in a day or forty (40) hours in a week.
- D. Overtime pay for Saturdays after forty (40) hours shall be time and one-half.
Overtime pay for Sundays after forty (40) hours shall be double time.
Overtime pay for holidays shall be double time plus holiday pay.
- E. Whenever any overtime and/or extra hours opportunities are refused by the employee, such refusal shall be given to the Supervisor of Facilities or the Head Custodian (whichever is appropriate). Such a refused offer of overtime and/or extra hours opportunities shall be credited to the employee as if said employee had worked the period of time requested.
- F. Whenever any overtime and/or extra hours opportunities are refused by all the eligible employees of a classification, the employee with the least amount of extra hours of overtime shall work.
- G. Whenever an event or activity is scheduled in a building and is outside the regular hours of the employees of the Custodian A or Custodian B classification assigned to that building, the building shall be attended to by an employee of the Custodian A or Custodian B classification assigned to that building. The assignment of the eligible Custodian A or Custodian B shall be consistent with paragraph E and F of this article. However, at the elementary and middle school levels, the requirement to have a Custodian A or Custodian B present shall not be applicable when:
- An Administrator is present; and
 - S/he is facilitating/overseeing a non-athletic school-related activity
- or
- An Administrator is present for a PTO function/activity.

ARTICLE VI - Overtime Pay (continued)

Furthermore, when an Administrator is present and the kitchen is being used in one of the aforementioned situations, there is no requirement for Food Service personnel to be in attendance.

The decision to have a Custodian and/or Food Service employee present in the aforementioned situations shall be at the discretion of the Administrator.

- H. Food service personnel and bus drivers who work after 6:00 p.m. on any day shall receive shift differential pay until eligible for overtime pay at which time overtime pay shall commence and shift differential pay shall terminate.
- I. Whenever possible, twenty-four (24) hours notice will be given for overtime work, when scheduled events are known in advance.
- J. Anytime an employee of the Groundsman classification or a member of the bargaining unit performing the duties of a Groundsman is required to work more than four (4) hours over a regular eight (8) hour shift, said employee will be compensated with a meal not to exceed in value five (\$5.00) dollars.

ARTICLE VII

Work Week; Work Day

- A. The normal work day for a regular full-time employee shall consist of eight (8) hours on the job plus one (1) hour for lunch for the first shift, and a half-hour for lunch for the second shift, Mondays through Fridays with the exception of the swing shift. In addition, a regular full-time employee may take two paid fifteen (15) minute break periods during any eight (8) hour shift.
- B. For the purposes of this contract, a swing shift is defined to be a shift whose regular schedule may include Saturday and Sunday. The regular schedule for a swing shift shall be five consecutive days per week. A rotation shift is defined to be a shift which alternates days and afternoons on a weekly basis.

All custodians shall be subject to assignment on the swing shift and/or rotation shifts on seniority basis. Swing shift custodians shall serve on Saturday, Sunday and holidays as scheduled.

- C. While on the swing shift, custodians shall receive the wage scheduled for swing shift custodians. While on the rotation shift, custodians working the day shift shall receive the wage scheduled for custodians and custodians working the afternoon shift shall receive the wage scheduled for custodians plus the shift premium.
- D. The groundsman shall be subject to substitute assignments in the School District and the rate of pay shall be in compliance with Article V.

The Heating and Ventilating Mechanic and Carpenter may be assigned as additional help on grounds and/or custodial crews as needed, determined by the Supervisor of Facilities. These substitute assignments shall occur during the employee's normal work shift.

- E. Extra hours are defined as any hours worked over and above the employee's regular daily schedule. All extra hours worked are to be kept as equal as possible.
- F. Extra hours are charged as the number of hours the employee is compensated. A chart listing the employees of a classification and the extra hours shall be posted daily and updated monthly.

ARTICLE VII - Work Week; Work Day (continued)

- G. A new employee, or an employee returning from leave will be assigned the same extra hours, plus one (1) hour, of the employee of greatest accumulated extra hours in that occupational group.
- H. When teachers and students are not in attendance, the work day will start at 7:00 a.m. and end at 3:30 p.m. with a half (1/2) hour unpaid lunch for all custodial employees, providing that there are no scheduled activities after 3:30 p.m. In such cases, the regular work schedule for the afternoon shift will prevail. However, at least two employees of the Custodian B classification shall work the afternoon shift at the high school.

Scheduled work hours Monday through Friday during the summer period for regular fulltime employees may be adjusted by building, as work demands, by the Supervisor of Facilities and are not constrained by the first paragraph of section H. The aforementioned notwithstanding, during the summer months, the Superintendent shall have the authority to declare a four (4) day work week, the rules of which shall be consistent with the agreed upon Letter of Understanding signed and dated by both parties on March 14, 2007 (Appendix B).

- I. In the event the Superintendent authorizes the total evacuation of the building, the employees of the bargaining unit shall evacuate the building and report to the Supervisor of Custodians or Head Custodian (whichever is appropriate) for reassignment for the remaining portion of their shift.
- J. When an Act of God day has been declared by the Superintendent of Schools and/or the designated administrator, all employees of the Custodian A, Custodian B, Custodian C, Groundsmen, Carpenter, and Heating and Ventilating Mechanic classifications shall report to work. Unless otherwise instructed, the work schedule for all classifications mentioned in the previous sentence, including custodians normally assigned to the afternoon shift, shall be 7:30 a.m. until 4:00 p.m. with a half (1/2) hour unpaid lunch. Employees not reporting for work shall be docked a day's wages or have the option of being charged a Personal Business Day or Vacation Day.
- K. When an Administrative decision closes school or an Act of God day has been declared by the Superintendent of Schools and/or the designated administrator, all employees of the bargaining unit, except those employees designated in Paragraph J of this Article, shall not report to work unless specifically called to work by the School District. Should an employee be called to work, the pay shall be in accordance with his/her regular hourly rate. Employees not called to work shall be docked a days wages or have the option of being charged a Personal Business Day or Vacation Day.
- L. Any regular part time employee of the bargaining unit may indicate his/her intention and availability to work during the calendar year on special projects that occur, the time they are not regularly scheduled as defined in Article I. Such indication of availability shall be made to the Supervisors of Facilities, Transportation, and Food Service. The work shall be in the district as assigned by the appropriate Supervisor and the rate of pay for such work is in accordance with Article V, Paragraph I. Preference to the assignment of special projects will be given to bargaining unit members who have requested such work, and are qualified and available for the work, before such work is assigned to substitute employees.

ARTICLE VII - Work Week; Work Day (continued)

- M. The Supervisor of Food Service will have the option of requesting food service helpers to work on days during the school year when students are not in attendance. If asked to work on such a day by the Supervisor of Food Service, a helper will work only on a voluntary basis.

ARTICLE VIII

Vacancies, Promotions & Transfers

- A. 1. Whenever a new job or vacancy, as determined by the Board of Education, occurs in the School District, the Board shall publicize the same by posting such job or vacancy in the custodial room and/or kitchen in every school building for seven (7) calendar days. Those employees who qualify under paragraph B(2) of this article have the option of paying the full premium through payroll deduction for this Vision Care Insurance Plan.

In the event that an employee's spouse has an Employer-Sponsored plan available to him/her through his/her employer, the employee's spouse must enroll in his/her own company's vision plan and submit claims to that plan prior to submitting claims to the Board of Education's plan. If an employee's spouse either declines coverage through his/her employer's plan or chooses to submit claims to the Board of Education's plan first, the employee will pay \$4 per month via payroll deduction [to make the Board of Education's plan primary]. ARTICLE XIX

The one-hundred thirty (130) work day probationary period shall be accumulated within not more than one-hundred forty (140) work days. When an employee has completed his/her probationary period by accumulating one-hundred thirty (130) work days, he/she shall be entered upon the seniority list of the unit, and shall rank for seniority from the first day of employment within the one-hundred forty (140) work day period. Failure to successfully complete the one-hundred thirty (130) day probationary period within the aforementioned one hundred forty (140) day period, shall constitute just cause for the employer to discharge the employee. Employer action in this regard is not grievable by the employee or the Union.
- B. A new regular part-time employee hired into the bargaining unit shall be considered as a probationary employee for the first ninety (90) work days of their employment. The ninety (90) work day probationary period shall be accumulated within not more than one hundred (100) work days. When an employee has completed his/her probationary period by accumulating ninety (90) work days, he/she shall be entered upon the seniority list of the unit, and shall rank for seniority from the first day of employment within the one hundred (100) work day period. Failure to successfully complete the ninety (90) day probationary period within the aforementioned one hundred (100) day period, shall constitute just cause for the employer to discharge the employee. Employer action in this regard is not grievable by the employee or the Union.
- C. The Union shall represent regular probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and conditions of employment as set forth in this Agreement, except discharged and disciplined employees for other than Union activity.
- D. There shall be no seniority among probationary employees.

ARTICLE XX

Lay-off and Recall

Lay-off Procedure

- A. When there is a decrease in the working force, temporary and probationary employees will be laid-off in that order before regular employees on a district-wide classification basis, as defined in the Recognition Article of this contract, provided the seniority employees possess the necessary qualifications to perform the available work.
- B. Seniority employees will be laid-off according to seniority within the classification, provided the greater seniority employees possess the necessary qualifications to perform the available work. However, the employer shall not be required to promote an employee at time of lay-offs unless he has previously and satisfactorily performed the higher-rated job and/or possesses the necessary qualifications to perform the available work.
- C. Unless an employee is the least senior person in the classification, the employee affected by a reduction in a classification shall replace the employee of least seniority of said classification.

If the laid-off employee is in the affected classification as a result of a transfer from another classification, the employee shall replace the lowest seniority employee of the classification from which the employee transferred, providing the employee's district seniority is greater. However, if the classification from which the employee transferred contains positions that have a differing number of daily hours, the employees that now comprise this classification shall be reassigned by a "Group Classification" bid process. This bid process will recognize "District Seniority" only.

- D. Full-time employees to be laid-off for an indefinite period of time will have at least fifteen (15) working days notice of a layoff. All others will be given ten (10) working days notice of lay-off. The Local Union Secretary will be notified with a list from the Employer of the employees being laid-off on the same date the notices are issued to the employees.

Recall Procedure

- E. When the working force is increased after a lay-off, employees will be recalled according to seniority within a classification provided the greater seniority employees possess the necessary qualifications to perform the available work.
- F. Seniority of an employee who is re-employed from a seniority list in the same classification from which he was laid-off shall be restored to the status as of the date he left the service of the Employer.

ARTICLE XX - Lay-off and Recall (continued)

- G. Notice of recall shall be sent to the employee at his last known address by certified mail. If an employee fails to report for work within ten (10) working days from the date of mailing of notice of recall he shall be considered a quit.
- H. When a vacancy occurs within a classification, the recall procedure shall take precedent over the promotional or transfer procedure.
- I. Every reasonable effort will be made to give first priority as a substitute in the classification to a seniority employee laid-off from that classification.

Special "Recall" Rules for Regular Full Time Positions

When a vacancy occurs within a "Regular Full Time" classification and the classification contains a laid-off employee, the following procedure will be used to fill the vacancy.

The laid-off employee will be recalled to fill the vacancy. Simultaneously, the Employer will post the vacancy internally pursuant to the provisions of Article VIII (Vacancies, Promotions, and Transfers) with the exception of the posting period referenced in Paragraph "A1". The posting period will be reduced from seven (7) calendar days to three (3) business days. During this time, eligible employees of the classification may bid on the vacancy. If no one bids on the vacancy, then the recalled employee will remain in the original vacancy.

However, if an actively working employee of the classification successfully bids on the original vacancy thus creating a "new vacancy", the "new vacancy" will be posted in the same manner as the preceding paragraph. If no one bids on the "new vacancy", then the recalled employee will assume the "new vacancy". However, if an actively working employee of the classification successfully bids on the "new vacancy", then the recalled employee will fill the position vacated by the second actively working employee and this special "Recall" process will be suspended.

No employee(s) will change positions until the bid process has been completed.

9. It is recognized that this agreement is for the summer of 2007 only and in no way establishes precedent for future summer schedules.
10. It is further recognized that no grievances will be supported by the Association or filed by employees with regard to failure to pay overtime for more than eight (8) hours of work on a given day and/or the four (4) day schedule rather than a five (5) day schedule.
