ARTICLE I

PREAMBLE

Recognizing that providing quality education to students is the paramount aim of the Board of Education and the Union, and that the character of such education depends largely upon the quality and morale of the teaching service, we hereby declare:

Whereas, the Union recognizes that the Board, under Law, has the final responsibility for establishing policies for the district not inconsistent with the terms of this Agreement and the law; and

Whereas, the Board recognizes that teaching is a profession;

Whereas, the Board recognizes the educational expertness of the teachers and views the consideration of educational matters as a mutual concern; and

Whereas, the Laws of the State of Michigan authorize public employees and public employers to enter into agreements concerning rates of pay, wages, hours of employment, and other conditions of employment of such public employees; and

Whereas, at a representation election held on December 14, 1965, the Union was selected by a majority of the employees of the Board covered by this Agreement as their exclusive representative to the extent required by Act 379 of the Public Acts of 1947, as amended, for the purpose of collective bargaining with the Board with respect to rates of pay, wages, hours of employment, and other conditions of employment, and was duly certified as such exclusive representative by the Labor Mediation Board of the State of Michigan on December 14, 1965, and formally recognized as such by the Board on December 20, 1965; and

Whereas, at a consent election held on April 2, 1968, the Union was selected by a majority of the employees of the Board covered by this Agreement as their exclusive representative in accordance with the provisions of the Public Acts of 1939, as amended, or of the Public Acts of 1947, as amended, for the purpose of collective bargaining with the Board with respect to rates of pay, wages, hours of employment and other conditions of employment, and was duly certified as such exclusive representative by the Labor Mediation Board of the State of Michigan on April 15, 1968; and

Whereas, during the school year 1965-66 and following extensive negotiations between representatives of the parties, certain understandings were reached between representatives of the Board and of the Union concerning such matters; and

Whereas, the Board and the Union desire to incorporate such understandings into a written agreement in the belief that such action is in the best interest of the residents of the Ecorse Public Schools District, the students attending school therein, and the teachers represented by the Union.

Now, therefore, in consideration of the following mutual covenants, the Union and the Board hereby agree as follows:

ARTICLE II

RECOGNITION

The Board recognizes the Union as the sole and exclusive representative for all pre-kindergarten, elementary and secondary teachers, including relief teachers, school nurse if certified, special education teachers, school psychologists, visiting teachers, counselors, emergency substitutes in regular positions serving in any of the above classifications, and all other non-supervisory personnel on a classroom teacher salary schedule, all of whom are hereinafter referred to as "teachers."

ARTICLE III

CONDITIONS FOR RE-EMPLOYMENT OF TEACHERS

The conditions for re-employment of teachers are made a part of this Agreement and attached hereto as Appendix E

ARTICLE IV

RIGHTS OF THE BOARD

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including but without limiting the generally of the foregoing, the right:

- (6) It is agreed and recognized, however, that, except for expenditures contained in any annual budget which are required by the terms of this Agreement, the authority to adopt all parts of the annual budget of the School District resides exclusively with the Board of Education and during the terms of this Agreement shall not be the subject of mandatory negotiation with the Union, nor subject to any proceedings under the grievance procedures.
- (7) It is understood and recognized that pursuant to the terms of M. C. L. 423.215, the Board retains the sole prerogative to determine the start of the school year.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Law of the State of Michigan and the Constitution and Laws of the United States.

Article VI

UNION SECURITY

The employer and the Union, recognizing that the benefits of the collective bargaining contract accrue to all members of the bargaining unit, regardless of whether or not such members belong to the Union, accept the following conditions of continuing employment:

- A. All teachers within the bargaining unit shall be free to join or not to join the Union.
- B. Within thirty (30) days after employment or the execution of this Agreement, whichever is later, all members of the bargaining unit shall have the opportunity to join the Union and execute an authorization form permitting the deduction of dues and the assessments of the Union.
- C. Any member of the bargaining unit who has not joined the Union during such period, or having joined, has not remained a member, shall immediately execute an authorization form permitting deduction of a service fee which shall be a sum equal to the Union dues which have been established by the Union for the then current school year.
- D. The Board agrees to provide the Union with an alphabetized listing of the names of all employees in the bargaining unit, including the date of employment for all new hires. The Union agrees to notify all employees in the bargaining unit (those employees at the time of the execution of this Agreement, as well as newly hired during the term of this Agreement or its extensions or renewals) of the above-stated thirty-day period.

The Union shall deliver to the Business Office an executed authorization form signed by the individual teacher together with an alphabetized list of teachers for whom such forms are submitted.

- E. The Union agrees to provide for all teachers who are members of the bargaining unit the same degree of representation and protection (including but not limited to legal counsel and insurance benefits) as are enjoyed by the Union members.
- F. Any teacher who does not tender either the authorization for payroll deduction of Union dues or authorization for deduction of service fee, as set forth above, or has not paid the same directly to the Union, shall not be retained in the bargaining unit and his/her employment with the Employer will be terminated. No employee shall be terminated under this Article, however, unless:
 - 1. The Union first has notified him/her by letter addressed to his/her last known address concerning such delinquency and warning him/her that, unless such delinquency is corrected within seven (7) days, he/she will be reported to his/her Employer for termination from employment as provided herein.
 - 2. The Union has furnished the Employer with written proof that the foregoing procedure has been followed but the employee has not complied, and, on this basis, the Union has requested that he/she be discharged.
 - 3. The employee will be discharged at the close of the school year unless the Employer receives proof prior to that time that the employee has complied with this Article.
- G. In the event that a teacher is dismissed for failure to tender the required authorized amounts and is, subsequently, offered re-employment by the school system, such unpaid amounts for the school year in which the teacher was dismissed only shall be required to be paid to the Union by the applicant as a pre-condition to re-employment.
- H. Nothing herein shall be construed as forcing or inducing any member of the bargaining unit to become a member of the Union.
- I. Any legal fee incurred related to litigation concerning any or all of the provisions of this Article shall be borne totally by the Union.

The Union, further, will protect and save harmless the Employer from any and all claims, demands, suits, and any forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

Article VII

RIGHTS OF THE UNION

7.1 Access to Board Information

The Board shall make available to the Union, upon its reasonable written request, any and all official, and/or public information, statistics and records relevant to negotiations, or necessary for the proper enforcement of this Agreement.

7.2 Use of School Facilities

The Union shall be permitted the use of school buildings after school hours without charge for meetings, as follows:

No more than one general meeting a month.

These meetings shall not discuss partisan politics or have citizen participation. Attendance shall be limited to members of the bargaining unit, Union representatives, and professional resource people. Room clearance shall be made with the building principal involved at least 24 hours in advance.

Any reasonable request for additional use of school facilities will be given favorable consideration by the Board.

7.3 Use of Bulletin Boards and/or Mail Boxes

The Union shall be provided adequate bulletin board space in a place readily accessible to teachers in each school building for the posting of notices and other materials relating to Union activities. The Union Building Representative shall have the responsibility for posting materials on the bulletin board. No material concerned with partisan politics or non-partisan politics shall be posted.

The Union shall have the right to place material in the teachers' mailboxes, excepting that no material concerned with partisan politics or non-partisan politics shall be placed therein.

All materials posted, or placed in teachers' mail boxes, shall relate to the official business of the Union, such as notices of meetings and social events, announcements of results of Union meetings or elections, and the like, and be signed by a designated Union official. Further, a signed copy shall be delivered to the administrative leader before posting or placement in school mailboxes.

Pupils shall not be involved in the delivering of Union communications.

7.4 Dues Deduction

The Business Office shall deduct from the pay of each teacher from whom it receives authorization to do so, the required amount of Union dues, in accordance with the provisions of such authorization form (Appendix F), and shall forward such amount, along with a list of the teachers from whom deductions have been made to the Treasurer of the Union.

Not later than two weeks prior to the first pay date in October, the Union shall submit to the Business Office, a list of the names of all teachers for whom Union dues deductions are to be made, together with the required executed authorization forms. The Union shall submit an updated list as additional executed authorization forms are submitted. This list shall be submitted at least two weeks prior to the payroll affected.

The Union agrees to reimburse to any teacher the amount of any dues deducted by the Business Office and paid to the Union, which deduction is by error in excess of the proper deduction, and agrees to hold the Board harmless of any claim for excess deductions.

7.5 Michigan First Credit Union

A teacher may authorize the Payroll Department to send a designated amount of his/her paycheck to the Michigan First Credit Union. The balance, if any, of the paycheck shall be paid to the teacher on the regular pay date.

7.6 Union Consultation

The Superintendent will, upon written notification from the Union designating the Union Building Representative and his/her alternate teacher designee, inform the administrative leader of such designation. The educational leader will recognize the Union Building Representative so designated as the official representative of the Union in the school. The Union will notify the Superintendent of Schools in writing within three (3) days of any change in said designation.

To further the statements in Article I of this Agreement that "The Board recognizes the educational expertness of teachers and views the consideration of educational matters as a mutual concern" and "that providing quality education is the paramount aim of the Board and the Union, and that the character of such education depends largely upon the quality and morale of the teaching service," the following two procedures are established:

- (1) Regular bimonthly meetings will be held during the months of September, November, January, March, and May between the educational leader and the Union Building Committee to consult on policies and programs that will advance these goals. These meetings will not continue any longer than is necessary to complete the stated agenda of the meeting. The parties will exchange proposed agendas one week prior to the meeting.

- (2) Regular bimonthly meetings will be held during the months of October, December, February, April, and June between the Superintendent and the Union to consult on policies and programs that will advance these goals. These meetings will not continue any longer than is necessary to complete the stated agenda of the meeting. The parties will exchange proposed agendas one week prior to the meeting.

In both instances, these meetings normally will be held after the school day.

In both instances, special meetings may be held upon mutual agreement between the parties.

7.7 Teacher Representation

When the Board desires teacher representation on any committee, agency, commission, or other such body established by the Board, it shall consult with the Union and request of the Union, its recommendation. The Union in preparing its recommendation, shall be guided solely by the competence required by the appointment and shall canvass the qualifications of all teachers without regard to membership or non-membership in the Union. The decision of the Board in making its selection of such a committee shall be final.

7.8 Staff Representation

A Union Staff Representative of the Michigan Federation of Teachers or of the American Federation of Teachers, other than an employee of the Ecorse Public Schools, shall be permitted to enter into discussions with employees during working hours, provided that such meetings do not interfere with the functioning of the school. Prior to entering into such discussions, such Union Representatives shall secure authorization from the Office of the Superintendent.

7.9 Appearance at Board of Education Meetings

At any time the Union wishes to be on the agenda of a regular Board meeting, it shall make its request no later than 12:00 p.m. on the Wednesday immediately preceding the Board meeting. The request shall be made to the Superintendent of Schools and shall indicate the spokesman for the Union, together with as much information as is possible on the subject on which the Union wishes to appear, so that the Board may prepare itself. The Board shall not deny the Union's request to be on the agenda of the meeting.

7.10 Meetings at Central Office

Whenever members of the bargaining unit are mutually scheduled by the parties to participate, during working hours, in conferences, meetings or negotiations at the Central

Administrative Offices, they shall suffer no loss of days from personal or sick leave bank and no loss in pay, and substitutes shall be provided.

7.11 American Federation of Teachers Insurance Program

Each teacher may authorize the Payroll Department to deduct a designated amount from his/her biweekly pay for premiums to the American Federation of Teachers' Insurance Program. Authorization for this deduction must be in the Business Office at least two weeks prior to the first pay in October. This deduction is to continue with each biweekly check for the remainder of the school year.

Authorization forms are available in each educational leader's office.

7.12 Union Conferences

The Union President or his/her designee shall receive a total of not more than five days during the school year to attend local, state, and national organizational meetings and conferences. These days must be approved by the Superintendent. The Union will reimburse the Board of Education for the cost of substitutes used during these absences and the Union shall cover all expenses incurred as a result of attendance at such meetings.

7.13 Arbitration Proceedings

The Union will be authorized five (5) days per year for the Union President, or his/her designee, for Arbitration Proceedings. These days must be approved by the Superintendent. The Union agrees to reimburse the Board of Education for the cost of substitutes used during these absences and the Union shall cover all expenses incurred as a result of attendance at such proceedings. Unused days may be carried over to the next school year so long as the total days available under Section 7.12 and 7.13 do not exceed 15 days in any given school year.

7.14 Released Time for Union President

The Union President shall be permitted to use four (4) hours per month not to exceed forty (40) hours per school year to be arranged between the Superintendent of Schools and the Union President for conducting Union business. The Union will reimburse the Board for the cost of substitutes for each hour used.

7.15 In-service Attendance

Employees must be in attendance at the first general meeting of the school year and all workshops and meetings sponsored by the district during regular school hours. Failure to attend these meetings will result in docking the employee's sick bank for the period of time involved.

Article VIII

GRIEVANCE PROCEDURE

Section 1. Definition

- A. A grievance is a complaint by a teacher, or by the Union in its own name, that there has been a deviation from, or the misinterpretation or misapplication of a policy; or that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.

Section 2. Procedure for Adjustment of Grievances

Grievances shall be presented and adjusted in accordance with the following procedures:

Informal Conferences:

- A. A complaint shall first be discussed with the educational leader of the school with the objective of resolving the matter informally:
1. By a teacher in person on his/her own behalf, or;
 2. By a teacher accompanied by the Union Building Representative, or;
 3. Through the Union Building Representative if the teacher so requests, or;
 4. By the Union Building Representative in the name of the Union.

Step 1. In the event the matter is not resolved informally, the grievance stated in writing, may be lodged with or submitted to the educational leader of the school within thirty calendar days following the act or condition, which is the basis of the grievance. The written grievance shall be signed by the aggrieved teacher, if any.

A. The grievance may be lodged and thereafter discussed with the educational leader:

1. By the aggrieved teacher in person on his/her own behalf, or;
2. By the aggrieved teacher accompanied by the Union Building Representative, or;
3. Through the Union Building Representative if the aggrieved teacher so requests, in writing, or;
4. By the Union Building Representative in the name of the Union.

B. Within six working days after receiving the written grievance, the educational leader shall communicate his/her decision, in writing, to the Union Building

Representative, President of the Union (2 copies) and to the aggrieved teacher, if any, who lodged the grievance.

- Step 2. Within six working days after receiving the decision of the educational leader, an appeal from the decision may be made to the Superintendent of Schools or his/her designated representative. The appeal shall be in writing and shall be accomplished by a copy of the appeal at Step 1 and of the decision at Step 1.
- A. The Superintendent of Schools shall meet and confer on the grievance with a view to arriving at a mutually satisfactory adjustment. Participants in this conference shall be those who participated in Step 1 and the President of the Union, and/or Chairman of the Grievance Committee or his/her designated representative, unless the grievance is being processed by the aggrieved teacher in person on his/her behalf. Participants in this conference shall be given at least two working days' notice of the conference.
 - B. Within eight working days after receiving the appeal, the Superintendent of Schools shall communicate his/her decision, in writing, together with supporting reasons, to the educational leader, the Union Building Representative, the Assistant Superintendent for Instruction and Personnel, the Chairman of the Union Grievance Committee, the President of the Union, and to the aggrieved teacher, if any.
- Step 3. Within ten working days after receiving the decision of the Superintendent of Schools, an appeal from the decision may be made to the Board. This appeal shall be in writing and shall be accompanied by a copy of the appeal at Step 2 and of the decision at Step 2.
- A. No later than ten working days after receipt of the appeal, the Board shall schedule a hearing on the grievance to be held at the next regularly scheduled board meeting. Participants in this hearing shall be those who participated in Step 2 and counsel for the union, unless the grievance is being processed by an aggrieved teacher in person on his/her own behalf. Participants in this hearing shall be given at least three working days' notice of the hearing.
 - B. Within five working days after the hearing on the appeal, the Board of Education shall communicate its decision in writing, together with supporting reasons, by forwarding a copy of the decision to counsel for the Union, to the aggrieved teacher, and five copies to the President of the Union.
 - C. The decision of the Board of Education shall be binding during the processing of any appeal therefrom and until reversed or modified by higher authority.

Step 4. If the grievance is still unsettled, either party may, within twenty (20) calendar days after the reply of the Board of Education or its designated representative of the Board of Education is due, by written notice to the other, request arbitration.

The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer and the Union within thirty (30) calendar days after notices have been given. If the parties fail to select an arbitrator, American Arbitration Association, which shall act as administrator of the proceedings, shall mail a prospective panel of arbitrators to each party.

Both the Employer and the Union shall have the right to strike two names from the panel. The party requesting arbitration shall strike the first name; the other party shall then strike one name. The process will be repeated and the remaining person shall be the arbitrator.

The arbitrator so selected will hear the matter promptly and will issue his/her decision not later than thirty (30) calendar days from the date of close of the hearings. The arbitrator's decision will be in writing and will set forth his/her findings of facts, reasoning and conclusions on the issue submitted. The power of the arbitrator stems from this Agreement and his/her function is to interpret and apply this Agreement and to pass upon alleged violations thereof. He/she shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she have any power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be final and binding upon the Employer, the Union, and the grievant.

The costs for the arbitrator's service, including his/her expenses, if any, shall be borne equally by the parties. Each party shall pay for its own expense.

Section 3. Except for mediation and fact finding procedures, hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend and no such hearing shall be held during the school day.

Section 4. If a grievance arises from the action of authority higher than the educational leader of a school, it may be initiated at the appropriate Step of this procedure.

Section 5. No decision on or adjustment of a grievance shall be contrary to any provision of this Agreement or established policy.

Section 6. Failure at any Step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the lodging of an appeal at the next Step of this procedure. Failure to appeal a decision within a specified time limit

shall be deemed a withdrawal of the grievance. Failure to file a grievance within the period specified in Step 1 shall bar the grievance.

The time limits specified in this procedure may be extended in any specific instance by mutual agreement in writing.

- Section 7. The Union shall have the right, within the time limits specified, for appeal to the next Step to appeal the decision on a grievance in which it did not participate.
- Section 8. In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limit set forth herein shall be reduced by written agreement so that the grievance procedure may be exhausted prior to the end of the school term, or as soon thereafter as is practicable.
- Section 9. Nothing contained in this Article shall be construed to deny to any teacher his/her rights, under Section II of Act 336 of the Public Acts of 1947, as amended by Act 379 of the Public Acts of 1965.
- Section 10. Cases involving the tenure of a teacher shall be processed in the manner prescribed in the General School Laws of the State of Michigan.
- Section 11. In the event that a teacher decides to file a grievance on his/her own behalf, the Union shall be accorded the opportunity to be present at all procedures under Steps 1 through 3.

RIGHTS OF THE TEACHER

10.1 Board Support of Teachers in Performance of Duties

10.1.1 The Board shall recognize its responsibility to give support and assistance to all teachers with respect to maintenance of control and discipline in the classroom by informing students and their parents at the beginning of the school year or as near as it is practically feasible, of the "Student Code of Conduct".

10.1.2 Any case of unprovoked assault upon a teacher will result in prompt suspension of the student and shall be promptly reported to the Board or its designated representative for consideration as to the future status of said student in the Ecorse Public Schools. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authority.

If any teacher is complained or sued as a result of any action taken by the teacher while in pursuit of his/her employment, the Board will indemnify the teacher of reasonable legal fees incurred in defense of such action, in the event that the teacher is determined to be not liable of any civil and/or criminal charges as a result of such action, to the extent that such legal fees and/or other costs are not covered by insurance.

To the extent provided for under Section 10.7.1, II. C., paragraph two, teacher will lose no pay or sick leave days as a result of injury caused by an assault of said teacher while in the performance of his or her duties.

10.1.3 Teachers are expected to exercise reasonable care with respect to the safety of pupils and property of pupils and the Board, but shall not be responsible for loss or damage to any property when such loss or damage is not the fault of the teacher.

10.1.4 A teacher shall, at times, be entitled to have the Building Representative present when it is necessary for him/her to have a conference with the educational leader. In no event shall disciplinary action take place in front of students, parents, or non-supervisory school personnel, other than the teacher-requested Union representative.

10.2 Promotions, Reassignments, and Transfers

The Board and the Union recognizes that an optimum educational environment includes a teacher who is working within his/her area of special competence and in the school setting best suiting his/her personal circumstances. Therefore, the Board shall provide opportunities for teachers to express their desires for promotions, reassignment, or transfer. Procedures shall be established to explore such expressed interests as described in the following sections:

10.2.1 Promotions

For the purpose of this Article, a promotion shall mean a change to an administrative position.

During A Time When School Is In Session

Notices of all promotional vacancies and newly created promotional positions shall be prominently posted in an appropriately designated place in each school for not less than six working days after the vacancy or new position is determined to exist. A copy of such notice shall also be forwarded to the Union. The Board may fill positions on a temporary or forwarded to the Union. The Board may fill positions on a temporary or substitute basis without giving notice, provided that the Board shall, within four (4) weeks from the date of filing such position temporarily notify applicants from within the district whether their application is accepted, rejected, or still being considered. The Board reserves the right to solicit and/or accept applications from candidates outside the Ecorse Public School System.

Job descriptions of each supervisory and/or administrative position shall be published by the Board no later than November 30, 1967. Official changes in such descriptions shall be published as they arise.

The criteria to be met by the qualifications required of applicants for such positions shall likewise be published by the Board at the same time as are the job descriptions.

All applicants meeting the criteria and qualifications shall be entitled to an interview.

Where criteria are met and qualifications among applicants are relatively equal, seniority and the needs of the students and the district within the Ecorse Public Schools shall be the determining factor. In making selections from among the applicants for promotional vacancy, the Board may deviate from the principle of seniority when such deviations would best serve the instructional requirements and student needs. Such deviations however shall be made in good faith and not arbitrarily, capriciously, or without rational basis in fact.

During a Time When School is Not in Session

Notices of all such vacancies and newly created positions shall be given by mail to all teachers not less than two weeks prior to the closing date for filing applications as soon as the vacancy or new position is determined to exist.

Other such vacancies that occur as the result of announced intent to resign at the end of the school year shall be announced periodically as they are determined.

All appointments shall be made in the manner specified above for making appointments when school is in session.

10.2.2 Reassignments and Transfers

For the purpose of this Article, a vacancy occurs when there is a need in an allocated position for a teacher as a replacement as a result of expansion, retirement, or promotion. The Union shall be notified when a vacancy occurs.

Notices of vacancies, which occur in classroom positions, shall be promptly posted in each building as is designated. Notices shall be posted for not less than five (5) working days in order to allow individual teachers the opportunity to bid on the position.

Positions eliminated because of necessary staff reductions, declining enrollment, or a decision to alter course offerings are not considered vacancies and need not be posted. The Union shall be notified when positions are eliminated.

Vacancies shall be filled first by teachers who are certified and qualified. Where applicable, qualified shall mean meeting the standards established by the North Central Association of Schools. The successful bidder will be the person most qualified. If all the applicants are equally qualified, the determining factor for awarding the position will be seniority. Because teacher qualifications in pilot programs may be unique and specialized, the Board reserves the right to deviate from the principle of seniority in awarding these positions. The Board may hire a new teacher if no eligible candidates currently employed have bid on the posted position within the bid period or if no laid off teacher meets the qualifications. This provision also includes the pilot alternative education project for high school students beginning September 1999. All teachers will be members of the Union but their work rules, reporting times for work, teaching schedules, and class offerings will be determined by the Administration in the best interests of these special students. The length of the day and number of days worked must conform to the master agreement. Teachers will participate in alternative programs on a voluntary basis.

Vacancies shall be filled as they arise. The Board and the Union recognize that when vacancies occur during the school year, it may be difficult to fill them from within the district with full time positions without undue disruption to existing instructional programs. Therefore, the teacher awarded the posted position shall be notified in a timely manner, but the physical transfer of the successful bidder will occur at the beginning of the next semester. Notices of vacancies occurring when school is not in session shall be sent to all teachers not less than two weeks prior to the closing date for bidding on the position.

Successful applicants for vacancies may not apply for a subsequent vacancy occurring during the school year in the same building in which he/she has been awarded a position.

In making its selection from among the applicants for a vacancy, the Board may deviate from the principle of seniority when such deviation would best serve the instructional requirements and best interest of the school system. Such deviation, however, shall be made in good faith and not arbitrarily, capriciously, or without rational basis in fact. (This paragraph is subject to the provisions of a Memorandum of Understanding dated March

15, 1982.) Only tenured, certificated contract staff members shall have the right to bid on job postings.

To further the provisions of this Agreement between the Board and the Union, as contained in Article V of this Agreement, transfer and reassignments may be directed or denied when such direction or denials is for this purpose of integrating school faculties. Direction or denial of a transfer for this purpose shall follow, whenever possible, the specifications and procedures hereinbefore state and shall be made in good faith and not arbitrarily, capriciously, or without rational basis in fact.

Seniority for purposes of this section is defined as:

IN THE ELEMENTARY SCHOOLS:

(a) Length of time the teacher has continuously taught in the elementary grades in the Ecorse Public Schools.

IN THE HIGH SCHOOL:

(a) Length of time the teacher has taught continuously in the Ecorse High School.

10.2.3 Lay-off and Recall Procedures

In the event that a reduction in staff should become necessary, the following procedure shall be used in determining the order of retention:

Those teachers with the greatest seniority in the district shall be retained provided they have the necessary certification and qualifications for the position, which is to be filled.

RECALL

When an opening necessitating recall occurs, teachers who have been laid off will be recalled in the reverse order in which they were laid off, provided they have met the certification and qualification (See Section 10.2.2) requirements for the teaching position which has become available. As openings occur, the Board will contact each qualified person on the "Recall List" by certified mail at the last address provided by the employee. It shall be the responsibility of the employee to assure that a correct mailing address is on file. The contact letter will indicate the position, which is open, the order of seniority of the persons being contacted, and the response date, which shall not be less than fifteen (15) calendar days. In the event that there is no written response from the teacher to the notice of recall within fifteen (15) calendar days from the time the letter was received, the teacher's right to recall shall be terminated. The teacher shall send his/her response by certified mail. The position shall be awarded to the most senior teacher meeting the certification requirements who responds to the letter within the time limits.

If a laid off teacher has committed himself/herself to a full-time study program or a contractual term of employment and is recalled, he/she shall have the option of returning to work or accepting an unpaid leave of absence without loss of seniority for a period not to exceed the remainder of the school year.

Teachers shall accumulate seniority while on lay-off. When a laid-off teacher acquires new certification, he/she will present his/her new certification to the Superintendent for verification. The newly certificated laid-off teacher will issue a challenge to the least senior member of the teaching staff holding a job for which he/she is not certified and qualified. If the qualifications are valid, the Board shall recall the more senior teacher. At the teacher's request, the Board will supply information, which would help teachers to qualify themselves for other teaching positions or provide information in areas, which the Board has or anticipates future needs.

10.3 Personal Property of Teachers

The Board will reimburse teachers, in the amount of the actual cash value not to exceed \$100, nor less than \$10, for damage or destruction while on duty in the school or on school-approved duties involving pupil supervision, of this personal property of a kind normally worn or used when the same has not been caused by the negligence of the teacher. This obligation shall not encompass wear, tear, or gradual deterioration of property, or loss of money; nor shall his/her obligation extend to loss, damage or destruction of a teacher's personal property while left unattended in any automobile parked on school premises; nor shall this obligation extend to any loss or damage to motor vehicle of a teacher. Provided, this obligation shall extend only to that portion of any such loss not covered by insurance taken out by the teacher and will be payable only after the teacher has first exhausted all possibilities of collecting for such loss under his/her own insurance if any. The Board of Education shall determine the actual cash value of any loss sustained and covered by this provision.

10.4 Review of Personnel File

Each teacher shall have the right, upon reasonable request to the Superintendent of Schools; to review the contents of his/her own personnel files maintained in the Central Office. The review will be made in the presence of the administrator responsible for the safekeeping of such files. The teacher may make copies of any material contained in such files.

Privileged information, such as confidential credentials and related personal references normally sought at the time of employment, are specifically exempted from such review. The administrator shall, in the presence of the teacher, remove such credentials and confidential reports from the file prior to a review of the file by the teacher.

No material derogatory to a teacher's conduct, service, character, or personality shall be placed in the personnel file unless such material shall have been proved to be accurate

and the teacher has had an opportunity to read the material. The teacher shall acknowledge that he/she has read such material by affixing his/her signature and the date on the actual copy to be filed, with the understanding that such signature merely signifies that the material has been read by him/her. The teacher shall have the right to answer any material filed and his/her answer shall be attached to the file copy.

The Board shall furnish the teacher with one copy per year of any material placed in the file after July 1, 1967. The cost of any copies beyond that as so provided will be charged to the employee.

10.5 Relief from Substitute Responsibility

The Board will endeavor to hire a substitute for every absent teacher regardless of the absentee's position, except where absentee has no direct supervision of pupils.

In the High School, teachers shall be categorized according to area of competence and every reasonable effort shall be made to insure that teachers desiring substitute assignments shall receive them under rostered, rotational, equitable procedure. Such assignments, however, shall be at the discretion of the building educational leader or his/her designated representative.

In the High School, in emergency when no substitute can be hired and no teacher volunteers, a teacher will be assigned to take a class and will be paid according to the rate in Appendix C:

Every effort will be made to first assign the teacher having a preparation period during the time needed for the particular class.

When a teacher's preparation period must be assigned for other purposes, the teacher shall be compensated at the rate as specified in Appendix C.

10.5.1 Relief Teachers

Whenever a contract teacher is absent for an extended period of time (more than five (5) days), a day-to-day substitute will be hired for the duration of the absence whenever possible.

Assigned Substitute--BASIS FOR PAYMENT

Whenever an employee becomes ill or is unable to perform his/her duties as a teacher for an extended period of time, the building educational leader should attempt to use the same substitute teacher. Whenever a day-to-day substitute teacher teaches a minimum of thirty (30) consecutive school days for a specific teacher, the status of the substitute teacher is to be changed from that of a day-to-day substitute to that of an assigned substitute teacher. An assigned substitute teacher shall be paid on the basis of the daily

rate of the first step of the B.A. degree teacher's salary schedule in effect that school year. (For purposes of computing the daily rate, the 2009-2010/2010-2011 school year is defined as 200 school days.) An assigned substitute teacher shall be paid retroactive to the first of the thirty (30) days he/she began teaching for that specific teacher. An assigned substitute teacher shall also be entitled to:

- A. Sick leave--one and one-half (1 ½) days for each thirty (30) days of work.
- B. A teacher employed as a relief teacher with an assignment to one specific teaching position shall, after sixty (60) working days of service, be granted holiday pay consonant with regularly contracted certificated teaching personnel of the District.
- C. Severance pay in the amount of one-fourth of the days accumulated in his/her sick leave bank and remaining at the end of a specific assignment will be paid to the assigned substitute. Sick leave days of assigned substitutes are not transferable to any other assignments. The rate of pay shall be computed at the daily rate established for assigned substitutes.
- D. Beginning on the thirty-first (31st) day and retroactive to the first day, the assigned substitute will pay dues to the Union for the duration of his/her employment for such assignments. Under no circumstances should it be assumed that this provision can grant a contract, tenure or seniority in this bargaining unit. The payment of dues shall not result in enhancing the employee's chances of being extended a contract, tenure or seniority in the bargaining unit. Further, no assigned substitute will be eligible, by virtue of paying union dues, to bid on any job postings in the Ecorse Public Schools.
- E. Beginning on the forty-first (41st) day, the assigned substitute will be enrolled for insurance benefits. Payments for benefits will not extend beyond the last day of the month in which the assigned substitute's assignment is terminated.

10.6 Professional Conference Attendance at Teacher's Request

In the belief that attendance at conferences, workshops and conventions is desirable to maintain and improve professional competence and proficiency and enhance the educational program of the school district, teachers shall be encouraged to participate in such meetings.

When teachers request permission to attend conferences, workshops, and conventions, authorization to attend shall be based on rotation by seniority, professional interests, and institutional need for representation and/or leadership positions in local or regional affiliations among those who have made the requests.

Teachers authorized to attend such meetings shall receive the following reimbursement in addition to their regular salary, if working school days are involved:

1. Conferences may be approved to a distance of a 300-mile radius from the City Of Ecorse. Any request to attend a conference beyond the 300-mile radius of the City of Ecorse shall require the recommendation of Superintendent and the approval of the Board of Education.
2. Transportation: Reimbursement for the use of an automobile shall be paid at thirty cents (\$.30) per mile on cars authorized to make the trip. If more than one teacher is making the trip, rides shall be pooled. For distances in excess of 150 miles from the City of Ecorse, the most reasonable available transportation shall be used. If personal car is used, cost of the most reasonable transportation will be paid. If a teacher is unable to pool with other staff, that teacher must submit a request in writing explaining why to the Superintendent for prior approval of the trip in order to be reimbursed in accordance with this section.

Lodging and Meals: Minimum available lodging at meeting site and necessary meals at actual reasonable costs will be reimbursed.

Program Registration Fees and Local Transportation shall be reimbursed at actual cost.

Upon the approval of the Board of Education, one-day visitation by teachers to other educational institutions may be granted with no loss of a pay.

3. Upon return from the conference, the teacher will submit a written report detailing his/her attendance at the conference.

All personal leave days will be taken in increments of not less than one-half days.

No employee shall add the five (5) personal use days to the number of days established by the Board of Education in Section B, Article 1-8. Any employee desiring time off for personal use shall submit his/her written request forty-eight hours in advance. No reason need be given. In the case of emergency not covered by Section B, 1-8 of the Annual Leave Days Policy, the employee may call his/her immediate supervisor to confirm his/her absence verbally.

No personal use days may be taken on the scheduled work day before or the scheduled work after a holiday or teacher institute or teacher conference days, or used to extend a vacation or holiday period or used to extend a leave of any kind.

Such personal leave days shall be granted on the basis of seniority. The number of teachers who may be granted personal leave on any one day shall be at the discretion of the Superintendent.

In making his/her determination, the Superintendent shall make no unreasonable denial of a request nor shall any denial be made arbitrarily, capriciously, or without rational basis in fact.

C. Injury While on School Assignment

In the case of work incapacitating injury or illness for which the employee is, or may be eligible for work disability benefit under the Michigan Worker's Compensation Law, such employee may utilize sick leave credits to the extent of the difference between the Worker's Compensation received and the employee's regular base salary or wage.

In the case of work disabling injury to a teacher caused by an assault upon said teacher, while in the performance of his/her duties, the Board will pay the full difference between the Worker's Compensation and the teacher's regular salary, without charge to Sick Bank, at least until the end of the school year, or for a period of six school months, whichever is longer. Each case will be reviewed by the Board of Education at the end of said period. A decision to continue the leave shall be based upon reports and recommendations from the employee's physician, a physician assigned by the Board, and Worker's Compensation carrier. This does not preclude the Board's deciding to extend such a leave on its own volition.

No leave of absence shall serve to terminate continuing tenure previously acquired.

- D. When school is dismissed after the scheduled beginning of the work day, only those teachers scheduled for work and actually reporting will be excused from work for the remainder of the day without deduction from Sick Bank or dock.

10.7.2 Leaves of Absence

- C. Exchange Teacher Leave
- D. Peace Corps and/or Job Corps Leave
- E. Extended Leave

Employees on leaves of absence for military service, illness leave, exchange teaching, fellowships, internships, scholarships, Job Corps, or Peace Corps leave shall be entitled to advance on the salary schedule during the period of such leave. Leave of absence shall not be granted when other gainful employment is the purpose.

Return to duty from leave of absence is subject to the conditions. Persons accepting such leave of absence do so with full knowledge and acceptance of such conditions.

- (1) Satisfactory evidence of physical and mental health must be filed with the Superintendent as directed before the teacher is returned to duty.
- (2) The Board does not guarantee the return of any teacher to a specific building, grade level, or special assignment at the conclusion of a period of absence exceeding one semester in length. The Board of Education will, however, make every effort to return a teacher who has been on leave of absence to the same or a comparable job to that held before the leave.
- (3) For all employees whose leave shall terminate at the beginning of a school year a letter of availability must reach the Superintendent no later than the preceding April 1. For all employees whose leave shall terminate at times other than the beginning of a school year, such letter of availability must reach the Superintendent no later than thirty (30) calendar days preceding the termination date of the leave. Failure to comply with this provision shall be interpreted as a resignation of employment.

Shorter extended leaves of absence for periods of less than one semester may be granted by the Superintendent of Schools under such conditions as may be prescribed by the Board of Education.

Time Limit on Leaves of Absence

- A. Leaves, except military, Peace Corps and Job Corps, are not to exceed one year from the beginning of the semester after they are granted.

- (3) Fifteen calendar days prior to the expiration of the ninety calendar days, if the teacher, at that time, feels that he/she will be unable to return to active duty at the conclusion of the ninety-day period, he/she, or his/her authorized agent, may file a written request, accompanied by a written corroborative statement from the certified contract employee's physician, with the Superintendent to be placed on an illness leave at the conclusion of the ninety-day period.
- (4) Failure to specifically request an illness leave will automatically terminate the teacher's employment with the Ecorse Public Schools.
- (5) Each teacher who wishes to designate an authorize agent for the purpose of requesting an illness leave, shall sign the following statement to be placed on file:

"In the case of incapacitating illness where I cannot request an illness leave on my own behalf, I name the bargaining agent's President as my authorized agent for the purpose of requesting an illness leave in my behalf."

Teacher's Signature

10.7.2.2 Maternity Leaves

The Board agrees to delete this section on maternity leave and further agrees to handle maternity leave under the provision of 10.7.2.1, Illness Leave.

10.7.2.3 Military Leave

A leave of absence for military service shall be granted to any teacher under contract who enters any branch of the armed services of the United States for an extended period of duty. Such teachers shall be entitled to all rights of re-employment by the Board as are provided by State and Federal Law.

Inasmuch as certain personnel face short-term military obligations from time to time, the following covers such duties under periodic, reserve training type programs:

- (1) When a teacher who meets the requirements of (2) herein is ordered to report for reserve training military duty at a time when it conflicts with his/her school duties and responsibilities, and no alternative timing or arrangement is possible, a career total of up to ten working days' leave with salary will be authorized.
- (2) Evidence will be required that the military duty is obligatory and that it cannot be accomplished at another time when it will not conflict with school responsibilities. If the military duty is of the voluntary nature (reserve program wherein personal advancement and/or pension rights are involved), exceptional extenuating circumstances must be demonstrated if a teacher is to qualify under this leave provision. The assistance of the educational leader (or immediate supervisor) as well as that of the Superintendent of Schools should be utilized fully before a conflict can be presumed to exist.

10.7.2.4 Exchange Teacher Leave

With the approval of the Board, leave for an exchange teacher position may be granted to tenure teachers with five years' employment with the Board, subject to the conditions prescribed by Section 571 of the School Code of Michigan.

10.7.2.7 Extended Leave

With the approval of the Board, a teacher who does not qualify for another type of leave permitted by this Agreement may be granted an extended leave of absence for special reasons acceptable to the Board. The teacher requesting the leave shall give a definite assurance that he/she intends to return to the employ of the Board at the termination of the leave.

Article XI

TEACHING CONDITIONS

11.1 Physical Environment

To protect the health, welfare, and safety of students and teachers, there shall be a continued alertness to prevent hazardous conditions at all times in all buildings. The preservation of safe, wholesome, and pleasant surroundings is a paramount concern of both the Board and the Union.

Insofar as possible, lounges, work rooms, and lavatories shall be conveniently available for the professional staff. These facilities will not be used for regularly scheduled meetings without prior consultation with the building faculty. The Board agrees to meet and confer with the Union to seek mutually acceptable solutions where these conditions do not prevail.

A pay telephone shall be available for teacher use in each building.

Each teacher in a school, whether or not assigned to a specific room, shall have a desk and adequate filing space provided.

The Board shall make available in each school, space which shall be reserved as a work area and which shall contain adequate equipment to aid in the preparation of instructional materials.

Parking spaces for faculty cars should be designated away from the playground areas.

11.2 Services of Special Teachers

Where the curriculum provides for instruction at a grade level by special teachers in special areas, then such instruction shall be equally and equitably provided to all classes in that grade level.

11.3 Subject Areas

A. High school teachers shall not be scheduled without their consent for subject areas outside their major or minor certification.

B. Split Classes:

Every effort shall be made to avoid split classes. If a split class is necessary, teachers will be assigned on a voluntary rotation basis. Teachers who agree to teach a split-level class will receive extra compensation of \$1,500 per year. * The class size of any split class shall not exceed twenty-five (25) pupils.

* Note this change.

11.4 Notice of Schedule

Teachers shall be given notice of their schedules for the forthcoming year no later than the end of the current year. For the purposes of this paragraph, "schedule" shall also mean grade level for elementary school teachers. In the event that changes in such schedules are proposed, all teachers shall be notified promptly. Changes may occur later than the 14th day of August due to circumstances beyond the Board's control. In cases of such change, the affected teacher and the Union shall be notified immediately.

11.5 Personal Safety of Teachers

When the Board closes school in the event of severe inclement weather, other Acts of God, or for reasons of Health and Safety, the following procedures will be followed:

- A. Tornado Watch: Students will be dismissed. Teachers will remain until the building has been cleared and then they will be dismissed. If school is resumed later in the day and children are returned, teachers will be responsible to report for duty.
- B. Other Acts of God: When school is called off and announced through public media and is for specific building(s) and not the whole system, teachers affected in a particular school will report to a pre-assigned alternative building for school improvement purposes.

Only those teachers who refuse to go to the alternative building will be docked a day from their sick bank.

- C. Health and Safety: When school is called off after classes are in session, teachers will report to their pre-assigned alternative work site after the building is cleared for school improvement purposes.

11.6 School Calendar

CONDITIONS FOR EMPLOYMENT OF TEACHERS

IT IS AGREED between the parties hereto that no reprisals whatsoever, whether they be economic, non-economic or otherwise will be imposed against any teacher employed by the Ecorse Board of Education during the 1965-66 school year.

IT IS FURTHER AGREED that all teachers who were on strike during the aforesaid school year and who were discharged by the Board of Education will be reinstated to their position with full privileges excepting that no privileges, rights, salaries, or benefits of whatsoever nature shall accrue to said teachers between 6/3/66 and 9/6/66 other than any benefits already paid by the Board of Education.

IT IS FURTHER AGREED that any teacher hired for the first time by the Board for the 1966-67 school year shall not receive any assignment or benefit beyond that to which he/she is entitled under the existing school policy, or the collective bargaining contract, entered between the Board and the Union, or any assignment or benefit which will result in the loss of any of the rights, privileges, or prerogatives of any teacher who had previously been employed by the Board and had reinstated.

IT IS FURTHER AGREED that the execution of the collective bargaining agreement between the Board and the Union was intended to release any claim which any individual teacher may have against the Board under the provisions of any contract of employment which had been in force prior to the execution of the collective bargaining contract, and that any teacher who is reinstated shall waive his or her claim. The Union agrees to secure such stipulations as are necessary to terminate the pending discharge hearings from all persons not reinstated and not represented therein by the Union and waivers of any claims against the Board of Education.

The Union agrees to save the Board of Education harmless from any claim that any teacher may have against the Board of Education of whatsoever nature or kind that may have arisen between 6/3/66 and 9/6/66, provided the Union receives notice of such claims within five (5) days of service of any process upon the Board of Education.

IT IS FURTHER AGREED that all teachers engaged in the strike of 6/3/66 shall be considered as being laid off between 6/3/66 and 9/6/66 without salaries or benefit of any kind.

IT IS FURTHER AGREED that all records and files made pursuant to law as a result of the strike of 6/3/66 shall be kept and maintained by the Board of Education. No record or notation regarding the strike shall be noted on any teacher's files.

For the purpose of fulfilling the intent of this Agreement, any teacher who shall be reinstated for the 1966-67 school year shall be considered to have completed a full year of service during the 1965-66 school year so as to comply with the requirements of the State Tenure Act and the Teacher Tenure Policy of the Ecorse Public Schools.

IT IS AGREED between the parties hereto that no reprisals whatsoever, whether they be economic, non-economic, or otherwise, will be imposed against any member of the teacher bargaining unit employed by the Ecorse Board of Education for the 1968-69 school year for any act committed during the period of September 1, 1968 to October 3, 1968, including any teacher's failure to appear for work during said period, nor will any judicial determination of fine or imprisonment that may result from litigation directly related to the failure of any teacher to appear for work during said period be used as a cause for discharge or affect any teacher's current or future status of tenure with the Ecorse Board of Education. Each member of the bargaining unit shall receive the salary and other economic benefits to which he/she is entitled under the collective bargaining agreement.

The Ecorse Federation of Teachers will not sue any member of the Board or Administration for damages arising out the collective bargaining negotiations that took place in connection with the 1968-69 contract.

MEMORANDUM OF UNDERSTANDING DATED MARCH 15, 1982, PERTAINING TO SECTION 10.2.2 REASSIGNMENTS AND TRANSFERS:

It is hereby expressly understood and agreed by and between the Ecorse Federation of Teachers and the Ecorse Board of Education that the following agreements will pertain to Section 10.2.2 Reassignments and Transfers as found on pages 15 and 16 of the Agreement between the Ecorse Public Schools and the Ecorse Federation of Teachers. This Memorandum of Understanding more specifically relates to paragraph one on page 16 of the existing contract, which makes reference to teaching assignments and the equitable distribution of members of the teacher bargaining unit. It should further be added that all actions resultant from these agreements will be done in compliance with existing local policy and state and federal legislation.

1. Both parties agree that this Memorandum of Understanding will define the mechanisms for implementing teaching assignments as it relates to the above-reference Article of the Agreement between the Board of Education and the Ecorse Federation of Teachers.
2. Both parties further agree all bargaining unit members, with the exception of the specific exclusions noted, will be included in determining the building racial ratio. Staff members whose responsibilities are district-wide in nature would be excluded from these calculations. As of this date, these positions include the psychologist, speech therapist, social worker and learning disability teacher/consultant. Due to unique certification qualifications, it is further agreed that a separate ratio will be calculated for elementary and secondary staff members.
3. In order to promote building staff ratios, which will reflect the general racial composition of the members of the bargaining unit, it is further agreed that the ratios in the individual building will be representative of the appropriate district ratio. Each building ratio may deviate by a factor of 15% from the related district ratio. Example: If the district-wide ratio of black elementary teachers is 60%, then the ratio of black teachers in any elementary building will be between 45% and 75%.
4. It is further agreed by both parties that teaching assignments would be made in a manner consistent with the above paragraph #3.
5. It is further agreed that the successful applicants for the four positions currently vacant at the Ecorse School Three will be notified. These individuals will be placed in their new assignments effective with the 1982-83 school year.

6. It is further agreed that the vacancies created by making the assignments indicated in Item #5 of this document will be posted and bid. Successful applicants for these openings will be notified in a timely manner. Subsequent vacancies will be posted and bid and applicants will be notified until such time as openings are no longer determined to exist. Both parties, however, agree that though the teaching positions have been awarded, any movement of teacher staff members will be held in abeyance for the balance of the 1981-82 School Year and will be made prior to the start of school in September, 1982.
 7. Both parties further agree that certain circumstances adversely affected the ability of the administration to provide each bargaining unit member with a notice of schedule in a timely manner prior to the start of this school year. In the future, all bargaining unit members shall be given a notice of schedule in accordance with Section 11.4 of the existing contract.
 8. It is further agreed that a notice of these agreements will be sent to representatives of all the parties associated with the existing Court Order which was implemented on November 30, 1981, recognizing that the Honorable Judge John Fiekens is maintaining jurisdiction over the implementation of this Court Order.
 9. Both parties further agree that this Memorandum of Understanding is limited to the above-referenced sections and that it does not modify, alter, or amend the current agreement between the Ecorse Board of Education and the Ecorse Federation of Teachers except as herein mentioned.
 10. It is further agreed by both parties that this Memorandum of Understanding resolves the following grievances dated September 8, 1981:
 - (1) Arbitrary and capricious transfer of elementary teachers;
 - (2) Notice of Schedule for elementary teachers;
 - (3) Notice of Schedule for secondary teachers; and that the subsequently scheduled arbitration hearing on these three grievances will be canceled.
- (Note: Not as a part of the Memorandum of Understanding, but for clarification purposes, the page numbers referred to in the first paragraph apply to the Agreement in effect for the 1981-82 school year.

The Board and Union recognize the value in offering students in kindergarten through grade six, special subject areas such as art, physical education, music and foreign language. BOARD OF EDUCATION POLICY:

5142

SAFETY PROCEDURES IN CASE OF TORNADO

The following is the Board Policy concerning tornadoes. The policy was approved by the Board of Education in a regular meeting April 17, 1961.

Dear Parent:

Now that the tornado season is approaching, the Ecorse schools have adopted the following policy as a precaution for safety of the boys and girls in our schools. It is important that parents give the following announcement their careful attention. The schools will continue to hold periodic fire and tornado drills so that students will be trained to act instinctively without panic in the event of such an emergency.

The Weather Bureau, in attempting to clarify its weather reporting, uses two (2) terms whenever a tornado because a possibility. The terms are "Tornado Watch" and "Tornado Warning." The U.S. Weather Bureau has attempted to educate all television, radio, and police departments to use these whenever reporting tornado conditions.

"TORNADO WATCH"

The Weather Bureau will issue a "Tornado Watch" for an area when the weather conditions in the area are such that a tornado might easily form. Several hours usually elapse between the announcement of a "Tornado Watch" and the danger of a tornado. In case a "Tornado Watch" is issued for Ecorse, the Police Department will be notified at once. When they receive the notice of the "Tornado Watch," the police will notify the school immediately.

- A. When notified that a "Tornado Watch" exists, school authorities will immediately dismiss children and teachers from school. Children will be urged to go directly home. There may be times when a "Tornado Watch" is given for our area when no visible signs of storm are imminent. In this situation, we will have to rely on the accuracy of the U.S. Weather Bureau in its reporting. If school is resumed later in the day and children are returned, teachers will be responsible to report for duty.
- B. It is possible that a "Tornado Watch" might be declared when a parent is not at home. In the event that a parent is not at home, arrangements should be made for the children to go to the home of a neighbor.
- C. In the case that a "Tornado Watch" has been called for Ecorse, all functions scheduled for any of our schools will be canceled for the day. Remember, this applies to school parties, school plays, Boy Scout meetings, P.T.A. meetings, etc.

"TORNADO WARNING"

A "Tornado Warning" means that a tornado has been sighted in the area or is approaching the area. In case of a "Tornado Warning," the schools will be notified by the Police Department.

- A. When the notice of this "Tornado Warning" reaches the school, the children will be taken directly to the safest possible area in the school building and kept there until the "Tornado Warning" is lifted.
- B. It is imperative that parents realize that if a "Tornado Warning" is sounded immediately prior to the dismissal of school, the children will be kept in school until the "Tornado Warning" is lifted. A "Tornado Warning" is given only when a tornado has been sighted. It is important that we do not turn the children loose to run home at this time. The staff of the Ecorse Public Schools will do every thing possible to provide for the safety of the school children of Ecorse.
