Section 20.1

STEP 1. An employee believing that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Board, or any other provision of law (except a statute specifically establishing a procedure for redress) relating to wages, hours, terms or conditions of employment, will first discuss the complaint with her supervisor within ten (10) work days, either directly, or accompanied by her association representative if the employee desires, with the objective of resolving it informally.

STEP 2. In the event the complaint is not resolved informally, it may be reduced to writing, signed by the employee and the association representative, and presented to the immediate supervisor within two (2) weeks following the discussion referenced in Step One.

The supervisor shall respond in writing within ten (10) work days following receipt of the written grievance.

STEP 3. If the supervisor's written answer does not resolve the complaint, it may be referred, within ten (10) work days following receipt, to the Superintendent or designee, by the Association.

STEP 4. The Superintendent or designee shall meet with the grievant and association representative with two weeks following the written response in Step 3. If the Superintendent fails to resolve the complaint within two (2) weeks following that meeting, the Association may transmit the question to arbitration.

The parties shall attempt to agree upon an arbitrator within two (2) weeks after the request for arbitration is made to the Superintendent. If parties fail to select an arbitrator, a demand for arbitration shall be made to the American Arbitration Association (AAA) and an arbitrator shall be selected in accordance with its rules.

Section 20.2 -- The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement. The arbitrator shall have no power to establish wage scales or change wages. There shall be no appeal from the arbitrator's decision. Each such decision shall be final and binding on the Association and its members, and the employee involved, and the employer.

The arbitrator shall render his or her decision on the matters before him or her not later than thirty (30) calendar days following the final date of the hearing or, in the event that post hearing briefs are submitted, not later than thirty (30) calendar days following the date of the arbitrator's receipt of the post hearing briefs.

Section 20.3 -- The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be born by the party incurring them, and neither party shall be responsible for the expense of the witnesses called by the other.

Section 20.4 -- Failure on the part of an employee or the Association to appeal a decision within the specified time limits at any of the steps of the procedure shall be considered acceptance of the decision and the matter shall be considered resolved.

Section 20.5 -- Failure on the part of the Administration to answer within specific time limits at any step of the procedure shall permit the employee(s) or the Association to proceed to the next step within the time limits allowed, unless extended by mutual agreement in writing.

ARTICLE 21

Miscellaneous Provisions

Section 21.1 -- This Agreement shall supersede any established rule, regulation or practice of the Board that is contrary to or inconsistent with this Agreement. It shall likewise supersede any contrary or inconsistent terms agreed to with any individual employee heretofore in effect. All future new hires shall be subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the board.

Section 21.2 -- If any provision of this Agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or

application shall not be deemed valid except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Section 21.3 -- The district shall print copies of this agreement and distribute one to each bargaining unit member, and five to the G.I.P.A. All new employees in this bargaining unit shall receive a copy of this agreement upon their employment with the district.

ARTICLE 22

Reduction of Hours/Personnel and Recall

Section 22.1 -- In the event it is necessary to reduce personnel, the Association shall be notified, in writing, at least fifteen (15) calendar days in advance of the scheduled notification regarding reduction. The purpose of the notification is to provide the opportunity, at the request of the Association, to meet on the scheduled reduction.

Section 22.2 -- Where there is a reduction of one (1) hour or more in the hours worked in the bargaining unit, an employee may claim seniority over any other employee, provided he/she is qualified and has more department seniority than the employee he/she seeks to replace. No reduction in hours of one (1) hour or more shall take effect until the department supervisor gives fifteen (15) days written notice to the employee involved.

Section 22.3 -- In the event it is necessary to lay off personnel, the administration will notify the Association and the individuals involved, in writing, at least thirty (30) calendar days in advance of the scheduled layoff. Reduction of personnel shall be conducted on a seniority basis, providing qualified employees are available for the operation of the department.

Section 22.4 -- If a reduction is made, an equal number of positions shall be made vacant by displacing an equal number of the least senior employees. The higher seniority employees who are displaced shall select from the vacated positions in seniority order providing they are qualified until all such personnel are assigned. The higher seniority employee will maintain his/her current rate of pay when displacing a person working for a lesser rate, until June 30. The higher seniority employee will receive a pay increase if he/she displaces an employee with a higher rate of pay.

Section 22.5 -- Employees laid off through the procedures above shall be maintained on a seniority recall list and shall be recalled in the order of their seniority to openings as they occur and for which they are qualified. An employee having two (2) years seniority or more, who waives his/her right to other departments in the system, shall maintain his/her right of recall within the department from which he/she was laid off or bumped.

Section 22.6 -- Should an employee be offered a position in accordance with the above for which he/she is qualified, and refuses such appointment, he/she will lose his/her rights to recall.

Section 22.7 -- No new employee will be hired by the Board until all laid off employees eligible and qualified have been recalled or declined the opening.

ARTICLE 23

Negotiation Procedures

Section 23.1 -- At least ninety (90) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours and conditions of employment of those regular employees employed by the Board.

Section 23.2 -- In any negotiations, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party, and each party may select its representatives from within or outside the school district. It is recognized that no final Agreement between the parties may be executed without ratification by a majority of the Board

of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

Section 23.3 -- If the parties fail to reach an Agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board.

ARTICLE 24

Section 24.1 -- The wages of employees shall be determined by the wage schedule below. There are two levels of Paraprofessionals – General Paraprofessionals and Special Education/Title I Paraprofessionals. ARTICLE 27
Agency Shop: Dues and Deductions

Section 27.1 -- Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association/Union, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political - Ideological Expenditures" and the Administrative procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of association dues collected from association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in ten (10) equal installments, from September to June, on the second pay of each month from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.

Section 27.2 -- Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Union has established a "Policy Regarding Objections to Political-Ideological Expenditures". That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review there, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

Section 27.3 -- In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

- (a) The Employer gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
- (b) The Employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
- (c) The Association shall have complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article III, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

Section 27.4 -- Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments and contributions in the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedures outlined in the MEA Constitution, Bylaws and Administrative Procedures, or other lawful procedures for revocation. Pursuant to such authorization, the Employer shall deduct one-tenth of such dues, assessments and contributions from the regular

salary check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year.

Section 27.5 -- Upon appropriate written authorization from the bargaining unit member, the Employer shall deduct from the salary of any such bargaining unit member and make appropriate remittance for tax-deferred annuities, credit union, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Association and Employer.

Section 27.6 -- Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid school year (December, January or February). Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year.
