2. TERM

The Board agrees to employ Ryan Rowe as Superintendent of its schools for the term of July 1, 2016 to and including June 30, 2019.

The Board of Education shall review this contract with the Superintendent annually, and shall, not later than June 30th of each year during the term of this contract, take official action determining whether or not it is extended for an additional year and notify the Superintendent of its action in writing. If no action is taken by the Board, the contract shall be deemed to have been extended for an additional year.

3. EVALUATION

The Board shall evaluate the Superintendent, at least annually, using the criteria and an evaluation process, mutually agreed upon by the Board and the Superintendent. If mutual agreement cannot be reached, the Board shall proceed with the Superintendent's evaluation using criteria that include the District's attainment of the goals adopted by the Board, the Superintendent's completion of personal job goals that have been established, the manner in which day-to-day operations of the District are handled, Board/Superintendent relations, staff and community relations, and the degree to which the Superintendent fulfills the responsibilities set forth in the job description and duties for that position. The criteria and process adopted by the Board should be communicated in advance to the Superintendent. The Board shall provide public liability insurance for the Superintendent to cover legal expenses in defense of claims and payment of judgments resulting from his functioning as Superintendent and will reimburse him for any portion of such expense and judgments not covered by insurance. In no case will individual Board members be considered personally liable for indemnifying Superintendent against such demands, claims, suits, actions and legal proceedings.

The Board recognizes that high-performing school administrators continue to learn and develop their leadership practices, technical processes and knowledge in order to meet the complex demands of their jobs. In addition, the Board recognizes that Michigan law requires administrators to be certified, and encourages exemplary professional practice in its administrators.

For the purpose of investing in the Superintendent's growth and development in professional practice, the Board will pay for the membership, tuition, travel, and subsistence expenses that are necessary to carry out the goals of the Superintendent's professional leadership development plan.
