The Employment Credit is authorized for fifteen consecutive tax years beginning with the Company's 2002 tax year.

(b) No more than 600 Qualified New Jobs may be used in calculating the Employment Credit as provided in Section 37c.(2) of Public Act 23 of 1995.

The Statement shall contain the following information:

(a) The aggregate number of Full-time Jobs at all Michigan locations of the Company, excluding Qualified New Jobs at the Project.

In computing the number of Qualified New Jobs at the Project in any tax year, the Company shall determine the number of Qualified New Jobs at the Project as of the last day of each of the four quarters of the applicable tax year, total the results for the four quarters, and divide the sum by four (4).

(b) Pay an Average Weekly Wage in connection with the Qualified New Jobs of at least the amount required by Schedule A of this Agreement for the applicable tax year.

(c) Pay an average hourly wage in connection with Qualified New Jobs that equals or exceeds 150 percent of the highest hourly federal minimum wage in effect for the applicable tax year.

(f) Provided that the Company has initially satisfied the requirements of Section 4.1, failure of the Company to satisfy the requirements of Section 4.3 in any given year does not preclude the Company from qualifying for and obtaining a Tax Credit in any other year authorized by Section 3.1 or Section 3.2 of this Agreement.

**4.4 Audit and Verification.** The information provided in the Application, the Application for a MEGA Tax Credit Certificate, and the Statement of Eligibility are subject to audit and verification, by the Authority or its designee. Upon reasonable advance notice to the Company and/or to Delphi Automotive Systems, LLC by the Authority, the Company and/or Delphi Automotive Systems, LLC shall permit the Authority or its designee, during normal business hours, to inspect the files of the entity receiving notice, solely for the purpose of verifying eligibility for the Tax Credits authorized under, and compliance with, this Agreement. The Authority or its designee shall use all information received pursuant to inspection of the Company's and/or Delphi Automotive Systems, LLC files solely for the purpose of verifying eligibility for the Tax Credits authorized under, and compliance with, this Agreement. The

entity which has its files inspected may request confidentiality pursuant to Section 5(3) of Public Act 24 of 1995 on financial or proprietary information retained by the Authority in the course of the inspection of the files.

**4.5** Administrative Fee. An Administrative Fee of \$100,000 is due and payable upon submission of the Certified Statement of Eligibility required in Section 4.2. **5.2** The Certificate Application shall be filed with the Authority at least 45 days prior to the day the Company's Single Business Tax return is due. If the Company receives an extension of the deadline to file its Michigan Single Business Tax return for the applicable tax year, the Company shall notify the MEGA of the extension and the Certificate Application shall be filed with the Authority at least 45 days prior to the extended deadline.

**5.3** The form of the Certificate Application shall be as specified by the Authority from time to time. The Certificate Application shall contain the following information:

- (a) The Base Employment Level.

For the purposes of subsection (f) and (g) of this section, the value of properties shall be determined by the same method and shall be consistent with the method by which property is valued for purposes of the Michigan Single Business Tax.

(h) Any other information which is reasonably related to determining the applicable Tax Credit.

**5.4** The information in a Certificate Application is subject to audit and verification by the Authority or its designee in accordance with the provisions of Section 4.4 of this Agreement.

**5.5** Within 45 days of receiving a complete Certificate Application, the MEGA will review that application to determine whether the requirements of this Agreement have been satisfied and, if so, will calculate the credit authorized under this Agreement and issue a Tax Credit Certificate to the Company.

**6.0 ADJUSTMENT, REDUCTION, OR TERMINATION OF CREDITS**

**6.1** If the Company does not comply with the conditions required in Section 4.1, this Agreement is null and void, the Company is no longer an authorized business, and no Tax Credits are, or will be, authorized under this Agreement.

**6.2** Failure of the Company to comply with any provision of this Agreement, other than as a result of a clerical or technical error which is corrected when it is discovered to be an error, may result in revocation of the Company's designation as an authorized business or the reduction or loss of Tax Credits for which a Certificate has not yet been issued.

**6.3** A Tax Credit authorized by the Authority is subject to adjustment in any tax year following the tax year for which a Tax Credit Certificate was issued, if the information on which the tax credit certification was based is found to be incorrect or cannot be verified.

**6.4** If the Authority determines that the Company, or Delphi Automotive Systems, LLC, misrepresented information in order to qualify the Company for, or increase the amount of a Tax Credit, the Authority may revoke the Company's designation as an authorized business and notify the Michigan Department of Treasury of that revocation. Any tax credits that have been received based upon a misrepresentation may be subject to recovery by the State of Michigan.

**6.5** Prior to taking any adverse action against the Company under Sections 6.1, 6.2, 6.3, or 6.4, the Authority shall provide the Company with written notice of its intent to take such action and of the basis for that action and shall provide the Company with a reasonable opportunity to respond.
