(b) The MEGA has the necessary power under the Act, to grant MEGA Tax Credits and has duly taken all action on its part required to authorize, execute and deliver this Agreement. This Agreement when executed will be valid, binding and enforceable in accordance with its terms.

(c) The MEGA will issue the Company's initial Tax Credit Certificate upon execution of this Agreement in the form attached to this Agreement.

2.2 Representations by the Company. With respect to the Agreement entered into hereunder, the Company makes the following representations and warranties as of the date of this Agreement.

(a) Existence and Power. The Company is validly existing and is in good standing under the laws of the State of Michigan, and is duly qualified to transact business in Michigan.

(b) Corporate Authority. The execution, delivery and performance by the Company of this Agreement have been duly authorized by all necessary corporate action and will not violate any provision of law or of its articles of incorporation or its bylaws.

(c) Full Disclosure. Neither this Agreement, the Company's Application, nor any written statements furnished by the Company to the MEGA in connection with the authorization of a MEGA tax credit, contain any untrue statement of a material fact or omit a material fact.

(d) Eligibility. The Company will create Qualified New Jobs in this state in the molded and decorative automotive exterior components industry, generally classified under SIC code 3089.

(e) Project Description. The Company will expand its assembly/distribution center, construct an injection molding facility and expand its electroplating facility at a site located on Barden Avenue in Kentwood, Michigan.
