### **3.0 MEGA TAX CREDIT**

Based upon the Company's Application and the Representations and Warranties made in this Agreement, the Authority has authorized the following tax credits subject to the conditions specified in Section 4.0 of this Agreement.

#### **3.1 Employment Credit.**

(a) An Employment Credit equal to 100 percent of the state's personal income tax rate, as it exists at the beginning of the Company's tax year for which the credit is being sought, multiplied by the total Salaries and Wages, before deducting any personal or dependency exemptions, of employees performing Qualified New Jobs. The Employment Credit is authorized for seven consecutive tax years beginning with the Company's tax year ending December 31, 2007.

(b) No more than 130 Qualified New Jobs may be used in calculating the Employment Credit as provided in Section 37c (2) of Public Act 23 of 1995.

### **4.0 CONDITIONS OF THE MEGA TAX CREDITS**

**4.1 Eligibility.** The Company shall not be eligible for the Tax Credit provided in Section 3.0 of this Agreement unless:

(a) The statutory minimum of 50 Qualified New Jobs have been created at the Project, no later than the Anniversary Date.

(b) The Average Weekly Wage paid to all employees performing Qualified New Jobs is at least \$737.

(c) The minimum Base Employment Level as required by Schedule A has been maintained.

The Company may not count as a Qualified New Job for a Tax Credit, any job that is transferred to the Project from: (i) a Michigan location of a Business that is listed in the Company's Application, or (ii) a Michigan location of a Business that, on or after the date of the Company's Application, acquires or otherwise gains control of the Company, is acquired or controlled by the Company, or comes under common control with the Company.

**4.2 Statement of Eligibility.** Any time after 50 Qualified New Jobs have been created at the Project, but in no case later than 30 days after the Anniversary Date, and in all cases prior to or concurrent with the first application for a Tax Credit Certificate, the Company shall file a Certified Statement of Eligibility in a form as specified by the Authority from time to time. The Statement shall contain the following information:

(a) The aggregate number of Full-time Jobs at all Michigan locations of the Company and/or Related Companies, excluding Qualified New Jobs at the Project.

(b) The number of Qualified New Jobs.

(c) The number of Look-back Jobs.

(d) The Average Weekly Wage paid to employees performing Qualified New Jobs.

(e) A certification by an authorized officer of the Company that the information provided in the Statement of Eligibility is true.

**4.3 Tax Credit Certificate.** To obtain a Tax Credit Certificate in connection with the tax credits authorized in this Agreement for any tax year, the Company shall:

(a) Maintain the minimum number of Qualified New Jobs at the Project, as required by Schedule A of this Agreement, for the applicable tax year. In computing the number of Qualified New Jobs at the Project in any tax year except the first year of the credit, the Company shall determine the number of Qualified New Jobs at the Project as of the last day of each of the four quarters of the applicable tax year, total the results for the four quarters, and divide the sum by four (4).

In computing the number of Qualified New Jobs for the first year of the credit, the Company shall determine the number of Qualified New Jobs as of the last day of each quarter of the applicable tax year and beginning with the first quarter in which there are at least 50 Qualified New Jobs, compute the average number of Qualified New Jobs over the remaining quarters of the tax year.

(b) Pay an Average Weekly Wage in connection with the Qualified New Jobs of at least the amount required by Schedule A of this Agreement for the applicable tax year.

(c) Pay an average hourly wage in connection with Qualified New Jobs that equals or exceeds 150 percent of the highest hourly federal minimum wage in effect for the applicable tax year.

(d) Maintain its Base Employment Level as required by Schedule A. In computing the Base Employment Level in any tax year, the Company shall

determine the aggregate number of Full-time Jobs at all Michigan locations of the Company and/or Related Companies, excluding the Qualified New Jobs at the Project for which it is seeking a Tax Credit, as of the last day of each of the four quarters in that tax year. The sum of the results for the four quarters, divided by four, is the Base Employment Level for that year.

(e) Make an Application to the MEGA for a Tax Credit Certificate as provided in Section 5.0 of this Agreement.

(f) Provided that the Company has initially satisfied the requirements of Section 4.1, failure of the Company to satisfy the requirements of Section 4.3 in any given year does not preclude the Company from qualifying for and obtaining a Tax Credit in any other year authorized by Section 3.1 of this Agreement.

**4.4 Audit and Verification.** The information provided in the Application, the Application for a MEGA Tax Credit Certificate, and the Statement of Eligibility are subject to audit and verification by the Authority or its designee. Upon reasonable advance notice to the Company and or Related Companies by the Authority, the entity notified shall permit the Authority or its designee, during normal business hours, to inspect the files of the Company solely for the purpose of verifying eligibility for the Tax Credits authorized under, and compliance with, this Agreement. The files subject to inspection include, but are not limited to, those relevant to wage and hour records, job classification, job assignments and employment histories.

The Authority or its designee shall use all information received pursuant to inspection of the files solely for the purpose of verifying eligibility for the Tax Credits authorized under this Agreement. The entity which has its files inspected may request confidentiality pursuant to Section 5(3) of the Act on financial or proprietary information retained by the Authority in the course of its inspection of the files.

**4.5 Administrative Fee.** An Administrative Fee of \$5,995 is due and payable upon submission of the Certified Statement of Eligibility required in Section 4.2. The Administrative Fee is one-half of one percent of the MEGA Cost, as reported in current dollars, in the cost/benefit analysis of the Project, as presented to the MEGA at the time the Tax Credit was authorized.

## **5.0 ANNUAL APPLICATION FOR TAX CREDIT CERTIFICATE**

**5.1** For each year that it seeks a Tax Credit under this Agreement, the Company shall complete an Application for a MEGA Tax Credit Certificate.

**5.2** The Certificate Application shall be filed with the Authority at least 45 days prior to the day the Company's Single Business Tax return is due. If the Company receives an extension of the deadline to file its Michigan Single Business Tax return for the applicable tax year, the Company shall notify the MEGA of the extension and the Certificate Application shall be filed with the Authority at least 45 days prior to the extended deadline.

**5.3** The form of the Certificate Application shall be as specified by the Authority from time to time. The Certificate Application shall contain the following information:

- (a) The Base Employment Level.
- (b) The number of Qualified New Jobs at the Project as of the end of each of the four quarters in the applicable tax year.
- (c) The number of Full-time Jobs, in Michigan, in the Company and/or Related Companies, other than Qualified New Jobs at the Project for which the Company is seeking a Tax Credit, as of the end of each of the four quarters in the applicable tax year.
- (d) The total Salaries and Wages, before deducting any personal or dependency exemptions, paid to employees who performed Qualified New Jobs at the Project during the applicable tax year.
- (e) Any other information which is reasonably related to determining the applicable Tax Credit.
- (f) A certification by an Authorized Officer of the Company that the information provided in a Certificate Application is true.

**5.4** The information in a Certificate Application is subject to audit and verification by the Authority or its designee in accordance with the provisions of Section 4.4 of this Agreement.

**5.5** Within 45 days of receiving a complete Certificate Application, the MEGA will review that application to determine whether the requirements of this Agreement have been satisfied and, if so, will calculate the credit authorized under this Agreement and issue a Tax Credit Certificate to the Company.

## **6.0 ADJUSTMENT, REDUCTION, OR TERMINATION OF CREDITS**

**6.1** If the Company does not comply with the conditions required in Section 4.1, this Agreement is null and void, the Company is no longer an authorized business, and no Tax Credits are, or will be, authorized under this Agreement.

**6.2** Failure of the Company to comply with any provision of this Agreement, other than as a result of a clerical or technical error which is corrected when it is discovered to be an error, may result in revocation of the Company's designation as an authorized business or the reduction or loss of Tax Credits for which a Certificate has not yet been issued.

**6.3** A Tax Credit authorized by the Authority is subject to adjustment in any tax year following the tax year for which a Tax Credit Certificate was issued, if the information on which the tax credit certification was based is found to be incorrect or cannot be verified.

**6.4** If the Authority determines that the Company misrepresented information in order to qualify for, or increase the amount of a Tax Credit, the Authority may revoke the Company's designation as an authorized business and notify the Michigan Department of Treasury of that revocation. Any tax credits that have been received based upon a misrepresentation may be subject to recovery by the State of Michigan.

**6.5** Prior to taking any adverse action against the Company under Sections 6.1, 6.2, 6.3, 6.4, or 7.0, the Authority shall provide the Company with written notice of its intent to take such action and of the basis for that action and shall provide the Company with a reasonable opportunity to respond.

## **7.0 RECOVERY OF CREDIT FOR JOBS REMOVED FROM THE STATE**

As required by MCL 208.37c, if the Company removes from the State fifty-one percent or more of the Look-back Jobs it has created, within three tax years after the first tax year for which the Company claims a Tax Credit, the Company shall repay to the State an amount equal to the total of the Tax Credits it claimed prior to removing those jobs from the State. For purposes of this section, "removes from the State" means reducing the number of Qualified New Jobs engaged in the manufacture of boats at the Project while contemporaneously expanding or initiating the manufacture and/or repair of components and fabrications for power generation, prop and jet aircraft, and helicopters at a location outside the State. The Company shall not be eligible for a Tax Credit under any other provision of this Agreement for a tax year for which it is required to repay any Tax Credits pursuant to this Section 7. A Tax Credit required to be repaid pursuant to this section shall be repaid no later than twelve months after the date on which the Company removed from the State an aggregate number of jobs equal to fifty-one percent of the Look-back Jobs it created. No Tax Credit Certificates will be issued pursuant to Section 5.5 of this Agreement until all amounts required to be repaid pursuant to this section, are received by the Michigan Department of Treasury.

**8.2** Assignment of Credits. The Tax Credits authorized by this Agreement shall not be transferred or assigned to any other Person provided, however, that in the event a Person acquires all or substantially all of the assets of the Company in Michigan, after the date of this Agreement, the Authority shall authorize the transfer of the Company's rights under this Agreement to that Person if:
