**BACKGROUND**

Section 5(3) of the Michigan Economic Growth Authority Act provides that "financial or proprietary information" submitted to the Authority can be exempted from disclosure under the Freedom of Information Act if confidentiality is requested and if the chairperson of the Authority acknowledges such information as confidential.

Confidentiality cannot be granted on information that is public. Any information that will be disclosed at a MEGA Board Meeting becomes part of the public record. To receive confidentiality, the applicant must make a case that release of the specific information will cause **significant competitive harm**. To cause significant competitive harm, the information must be usable by a competing business to gain an advantage over the applicant in the marketplace. For purposes of the MEGA act, "financial or proprietary information" is defined as "information that has not been publicly disseminated or is unavailable from other sources, the release of which might cause the applicant significant competitive harm. Financial or proprietary information does not include a written agreement under this act."

The Authority will review all confidentiality requests. Each potentially confidential item must have its own exhibit, and each exhibit will be reviewed on its own merits. The Authority will notify the applicant of the eligibility determination of each item requested.

**DIRECTIONS**

- Check 'Yes' if you are requesting confidentiality for the application item.
- For each item requested, attach a **separate exhibit** that explains the necessity and justification for your request. The exhibit(s) must explain how or why the release of the specific information on which confidentiality is requested will cause significant competitive harm.

Project Description Item 4

*Project Timeline*

Cliffs Natural Resources entered into a joint venture agreement with Kobe Steel, Ltd. on the Michigan Iron Nugget project. If fully developed, Michigan Iron Nugget LLC will be the first iron nuggets facility in the State of Michigan. Furthermore, there is only one commercial operating nuggets facility in the world, utilizing Kobe's ITmk3® technology. That facility is the Mesabi Nugget project located in Hoyt Lakes, Minnesota. Should these first facilities prove successful, it is possible that the parties involved will continue to pursue development of nuggets facilities in the United States. Accordingly, releasing sensitive information, such as that related to the project timeline, may cause significant competitive harm and may prove harmful for the success of future facilities. Additionally, we request that the *Project Timeline* be maintained confidential in order to respect the relationship between the partners in this project.

The Michigan Legislature determined that it is in the public interest to promote economic growth and to encourage private investment, job creation and job upgrading for Michigan residents;

## 2.0 REPRESENTATIONS

(a) Representations by the MEGA. The MEGA makes the following representations and warranties as of the Effective Date:

(1) *Existence and Power.* The MEGA is a public body established and acting pursuant to the Act.

(2) *Authority.* The MEGA has the necessary authority under the Act to grant MEGA Tax Credits and has taken all action necessary to authorize, execute and deliver this Agreement.

(3) *Tax Credit Certificate.* The MEGA will issue the Company's initial Tax Credit Certificate, in the form attached to this Agreement, upon execution of this Agreement.

(4) *Administrative Services.* The Michigan Economic Development Corporation provides administrative services to the MEGA.

(b) Representations by the Company. The Company makes the following representations and warranties as of the Effective Date:

(1) *Existence and Power.* The Company validly exists and is in good standing under the laws of the State of Delaware and State of Michigan and is qualified to transact business in Michigan.

(3) *Full Disclosure.* Neither this Agreement nor the Application contain any untrue statement of or omit a material fact.

(4) *Eligibility.* The Company is located in a county with a population of 90,000 or less and, therefore, is a rural business, as defined in the Act.

(5) *Project Description.* The Company will establish a Michigan operation to produce high iron content nuggets for the iron and steel industries, and create jobs in Tilden Township, Marquette County. The Company believes that the Project is economically sound and affirms that the investment capital or financing needed to complete the Project is now committed or soon will be available to the Company. As of March 15, 2011, the Project has not begun.

(6) *Job Creation.* The Project will result in the creation of five Qualified New Jobs by the end of the first Tax Year in which the Company is eligible for the MEGA Tax Credit, as outlined in Section 3.0 and Schedule A of this Agreement. The Company must create and maintain at least 80 Qualified New Jobs in years three through six; otherwise the MEGA Tax Credit will be forfeited for that year. (8) *Certification.* The Company made the certifications required by Section 8(3)(f) of the Act, which are attached to the Agreement as Schedule B.

### 3.0 MEGA TAX CREDIT

The MEGA authorized the MEGA Tax Credit described in this Agreement for the Company, subject to the conditions specified in Section 4.0 of this Agreement and the Company's compliance with this Agreement.

(a) MEGA Tax Credit. The MEGA Tax Credit shall be equal to 100 percent of Michigan's personal income tax rate, as it exists at the beginning of the Company's Tax Year for which the credit is sought, multiplied by the total Salaries and Wages and Employer-paid Health Care Benefits, of employees performing Qualified New Jobs. If the number of employees earning wages is below the maximum number of Qualified New Jobs allowed, all Salaries and Wages in the quarter count toward the Tax Credit. If the number of employees earning wages is more than the maximum number of Qualified New Jobs allowed, only the top Salaries and Wages up to the maximum number of Qualified New Jobs allowed will count toward the Tax Credit for the quarter. The MEGA Tax Credit is authorized for six consecutive years beginning with the Company's Tax Year ending December 31, 2013 and ending not later than December 31, 2018, except as provided under Section 3.0(b).

(1) No more than 114 Qualified New Jobs may be used in calculating the MEGA Tax Credit, as provided in Section 431 of 2007 PA 36; and

(2) The maximum amount of total Salaries and Wages, including Employer-paid Health Care Benefits, which may be used in a single year in calculating the MEGA Tax Credit for any one Qualified New Job is \$250,000.

(b) Advancing the Scheduled Tax Years of the Credit. The Company may elect to begin the MEGA Tax Credit described in Section 3.0(a) in its Tax Year ending December 31, 2012. If the Company elects to advance the MEGA Tax Credit as provided in this Section, the last Tax Year in which the Company may receive the MEGA Tax Credit will be December 31, 2017.

### 4.0 CONDITIONS OF THE MEGA TAX CREDIT

(a) *Eligibility.* The Company shall not be eligible for the MEGA Tax Credit described in Section 3.0 of this Agreement unless:

(1) The Company creates five Qualified New Jobs by the end of the first year in which the MEGA Tax Credit is available;

(2) The Company must create and maintain at least 80 Qualified New Jobs in years three through six, otherwise the MEGA Tax Credit will be forfeited for that year.

(3) The Average Weekly Wage paid to employees performing Qualified New Jobs is at least \$1,160;

(4) The Company and Related Entities maintained the minimum Base Employment Level;

(5) The Company pays the administrative fee described in Section 4.0(b);

(6) The Company obtains a Tax Credit Certificate, as provided in Section 5.0;

(7) Tilden Township approves a tax abatement for new property related to the project; and

(8) The Company participates in a MEGA technical assistance meeting with representatives of the MEDC, at a mutually agreed upon time, unless waived by the MEDC.

(b) *Administrative Fee.* The Company shall pay a one-time administrative fee of \$9,686 upon the submission of its first Certificate Application.

#### 5.0 TAX CREDIT CERTIFICATE

To obtain a Tax Credit Certificate in connection with the MEGA Tax Credit described in this Agreement, the Company shall for the applicable year:

(a) Achieve and maintain the minimum number of Qualified New Jobs, as required by Schedule A of this Agreement;

To compute the number of Qualified New Jobs in any year, except the first and third year of the credit, as determined in Section 3.0 and Schedule A, the Company shall determine the number of Qualified New Jobs as of the last operational day as determined by MEGA, of each of the four quarters of the applicable year, total the results for the four quarters, and divide the sum by four. The employee shall be in the Qualified New Job on the last operational day of the quarter to count toward the headcount for that quarter.

To compute the number of Qualified New Jobs for the first year of the credit, as determined in Section 3.0 and Schedule A, the Company shall determine the number of Qualified New Jobs as of the last operational day, as determined by MEGA, of each quarter of that year and, beginning with the first quarter in which there are at least five Qualified New Jobs, compute the average number of Qualified New Jobs over the remaining quarters of the year. The employee shall be in the Qualified New Job on the last operational day of the quarter to count toward the headcount for that quarter.

To compute the number of Qualified New Jobs for the third year of the credit, as determined in Section 3.0 and Schedule A, the Company shall determine the number of Qualified New Jobs as of the last operational day, as determined by MEGA, of each quarter of that year and, beginning with the first quarter in which there are at least 80 Qualified New Jobs, compute the average number of Qualified New Jobs over the remaining quarters for the year. However, if there are less than 80 Qualified New Jobs, then the computation would be the same as any year other than the first year. The employee shall be in the

Qualified New Job on the last operational day of the quarter to count toward the headcount for that quarter.

(b) Pay at least the Average Weekly Wage provided in Section 4.0(a)(3) to employees in Qualified New Jobs.

(c) Pay each employee working in Qualified New Jobs a wage, in addition to Employer-paid Health Care Benefits, equal to or greater than 150 percent of the federal minimum wage in effect for the applicable Tax Year;

(d) Maintain the Base Employment Level stated on Schedule A. To compute the Base Employment Level in any year, the Company shall determine the Base Employment Level as of the last operational day of each of the four quarters of the applicable year, total the results for the four quarters, and divide by the sum of four, unless the Agreement was executed during the first year that the Tax Credit is claimed, then the sum is divided by the actual number of quarters remaining in the first year of the Tax Credit. If the Base Employment Level is not met, an employee performing a Qualified New Job may fill the Base Employment Level, however that employee may not be counted as a Qualified New Job for the remainder of the Tax Year, nor will that employee's Salaries and Wages be counted toward the Tax Credit;

(e) Include all Salaries and Wages paid to Qualified New Jobs in that Tax Year; and

(f) Provide a Certificate Application to the MEGA that satisfies the requirements of Section 7.0 of this Agreement.

The MEGA will not issue a Tax Credit Certificate if the MEGA, or the Office of the Chief Compliance Officer, determines that the Company is not in compliance with the Act, or other laws applicable to the Tax Certificate.

Provided that the Company satisfied the requirements of Section 4.0, the Company's failure to satisfy the requirements of this Section in any given Tax Year does not preclude the Company from qualifying for and obtaining a MEGA Tax Credit in any other Tax Year during the Term.

## 6.0 AUDIT AND VERIFICATION

The information provided by the Company in connection with the MEGA Tax Credit is subject to audit and verification by the MEGA or its designee both prior to and after receiving a Tax Credit Certificate. Upon reasonable advance notice to the Company by the MEGA or the Office of the Chief Compliance Officer, the Company shall permit the MEGA, the Office of the Chief Compliance Officer, or their designee, at the MEGA's sole expense and during normal business hours, to inspect the Company's files solely for the purpose of verifying eligibility for the MEGA Tax Credits authorized for the Company. The files subject to inspection include, but are not limited to, those relevant to wage and hour records, Employer-paid Health Care Benefits records, job classification, job assignments and employment histories. To the extent permitted under Section 5(3) of the Act, the Company may request confidential treatment of its financial or proprietary information retained by the MEGA in the course of its inspection.

## 7.0 ANNUAL CERTIFICATE APPLICATION

(a) For each year in which the Company seeks a MEGA Tax Credit under this Agreement, the Company shall complete a Certificate Application.

(b) The Company shall file the Certificate Application with the MEGA at least 90 days prior to the day the Company's Michigan Business Tax return is due to the Michigan Department of Treasury. If the Michigan Department of Treasury grants the Company an extension of the deadline to file its Michigan Business Tax Return for the applicable Tax Year, the Company shall notify the MEGA of the extension and the Certificate Application must be filed with the MEGA at least 90 days prior to the extended deadline.

(c) The form of the Certificate Application shall be as specified by the MEGA. The Certificate Application must contain the following information:

(1) The number of employees in the Base Employment Level as of the end of each of the four quarters as calculated by MEGA, in the applicable year;

(2) The number of Qualified New Jobs as of the end of each of the four quarters, as calculated by MEGA, in the applicable Tax Year;

(3) The total Salaries and Wages paid, and Employer-paid Health Care Benefits provided to employees who performed Qualified New Jobs during the applicable year by quarter;

(4) A certification by an authorized officer of the Company that the information provided in the Certificate Application is accurate;

(5) The total capital investment related to the Project for the applicable year;

(6) The annual hours and weeks worked for employees counted in the Base Employment Level or as a Qualified New Job; and

(7) Any other information reasonably related to determining the MEGA Tax Credit.

(d) The MEGA and the Office of the Chief Compliance Officer shall determine whether the requirements of this Agreement and the Act have been met and, if so, will calculate the amount of the MEGA Tax Credit and issue a Tax Credit Certificate to the Company.

(e) For each year during the Term, the Company must submit a completed Certificate Application even if the requirements described in Section 5.0 are not satisfied for that year. If the Company does not satisfy the requirements in Section 5.0 for a particular year, the MEGA will not issue a Tax Credit Certificate for that year and said year of the MEGA Tax Credit is forfeited. The Company, however, will continue to be eligible for the MEGA Tax Credit in any remaining years of the Term in which the requirements of Section 5.0 are met.

(f) The Company shall not use Social Security Numbers for documentation purposes at any time. Documents containing Social Security Numbers may not be used to satisfy any of the reporting requirements contained in this Agreement and the MEDC will destroy any documents provided by the Company that contain Social Security Numbers.

## 8.0 ADJUSTMENT, REDUCTION OR TERMINATION OF CREDITS

(a) If the Company does not initially satisfy the conditions described in Section 4.0 by December 31, 2015, except for subsection (a)(2), this Agreement is void, the Company no longer qualifies as an authorized business, and no MEGA Tax Credits are, or will be, authorized under this Agreement.

(b) The Company's failure to comply with any provision of this Agreement, other than as a result of a clerical or technical error which is corrected upon its discovery, may result in revocation of the Company's designation as an authorized business or in the reduction or loss of any MEGA Tax Credits for which a Tax Credit Certificate has not been issued, and may have a percentage of the credit amount previously claimed added back to the tax liability of the Company.

(c) A MEGA Tax Credit is subject to adjustment in any year following the year in which a Tax Credit Certificate is issued if the MEGA finds that the information on which the Tax Credit Certificate was based is incorrect or cannot be verified.

(d) If the MEGA determines that the Company misrepresented information in order to qualify for, or increase the amount of, a MEGA Tax Credit, the MEGA may revoke the Company's designation as an authorized business and shall notify the Michigan Department of Treasury of the revocation. The State of Michigan may require repayment of any MEGA Tax Credits received by the Company, plus a ten percent penalty, as a result of a misrepresentation.

(e) If the MEGA determines that the Company is not in compliance with any Department of the State of Michigan including, but not limited to, the Department of Energy, Labor, and Economic Growth, the Department of Natural Resources and Environment, or the Department of Treasury, the MEGA may withhold the Tax Credit Certificate until the issue is resolved or until the MEGA is satisfied that the Company has taken the appropriate steps to resolve the issue.

(f) Prior to taking any adverse action against the Company under this Section, the MEGA shall provide the Company with written notice of its intended action and the basis for that action. The Company shall have a reasonable opportunity to respond, including the right to appear before the MEGA Board, as identified in the notice.

## 9.0 REPAYMENT PROVISION

Should a Relocation occur, the following shall apply:

(a) If the Relocation occurs on or before the end of the fourth year from the year in which the Company first receives a MEGA Tax Credit under Section 3.0 and Schedule A of this Agreement, the Company shall repay 100 percent of the total amount of the MEGA Tax Credit received; and

(b) If the Relocation occurs after the end of the fourth year and within 24 months after the end of the sixth year from the year in which the Company first receives a MEGA Tax Credit under Section 3.0 and Schedule A of this Agreement, the Company shall repay up to 50 percent, as determined by MEGA, of the total amount of the MEGA Tax Credit received.

This Section shall survive the termination of this Agreement.

## 10.0 MISCELLANEOUS
