Secretary to the MEGA Board

**Nanovation Technologies of Michigan, Inc. – Amendment**

David Jeup presented the Amendment to the Board.

In July of 2000, the MEGA Board awarded tax credits to Nanovation Technologies of Michigan, Inc. for the location of the company's first manufacturing operation in Northville Township. The Company was awarded a MEGA employment credit of 100 percent for up to 539 net new jobs for a period of eleven years and a business activity credit of 100 percent for a period of eleven years.

Following the July MEGA Board meeting, the CEO of Nanovation Technologies retired creating an opportunity to relocate the headquarters of Nanovation Technologies which was located in Miami, Florida primarily because that is where the CEO lived. The company sees three options for the siting of the new headquarters – near Northwestern University, or the Massachusetts Institute of Technology, where it has existing research and development partnerships, or with the newly established manufacturing facility in Michigan. Relocating the headquarters would add 40 jobs to the facility, for a total of 579 net new jobs. The company has indicated that if the MEGA Board will amend its existing MEGA award to include these new jobs, it will relocate the headquarters to Michigan.

**Recommendation**

Staff recommends that the original MEGA award to Nanovation Technologies of Michigan, Inc. be amended to add 40 net new jobs and to add one year to the length of

the MEGA credits to incent the location of this headquarters facility. The amended award would provide the company with a MEGA employment credit of 100 percent for up to 579 net new jobs for a period of twelve years and a business activity credit of 100 percent for a period of twelve years.

### **Board Discussion**

Mr. Rothwell presented the report of the Executive Committee. The request is unusual in the fact that the Board awarded tax credits at the July 2000 MEGA Board meeting. Because the current CEO lives in Miami and is retiring, the option of moving 40 jobs currently located in Miami has become viable.

Sarah Deson-Fried asked whether the current facility in Northville can handle this expansion. Mr. Jeup said it was feasible. She asked whether there was any inkling of the retirement. Mr. Jeup replied that it was a surprise.

Mr. DeNooyer asked why they had chosen Michigan over the other two locations. Ms. Blake replied that the Company had not yet made its decision.

Chairman Rothwell asked if there were any other questions from the Board. There being none, it was moved supported and carried that Resolution 2000-028 amending the previous MEGA award be adopted.

The meeting was adjourned at 1:28 p.m.
