(a) The MEGA is a public body established and acting pursuant to the Act.

(b) The MEGA has the necessary power under the Act, to grant MEGA Tax Credits and has duly taken all action on its part required to authorize, execute and deliver this Agreement. This Agreement when executed will be valid, binding and enforceable in accordance with its terms.

(c) The MEGA will issue the Company's Initial Tax Credit Certificate upon execution of this Agreement in the form attached to this Agreement.

(d) The MEGA, as part of this Agreement, has not (i) required the Company to limit operations in any manner, or (ii) received services from the Company in exchange for the granting of these MEGA Tax Credits.

2.2 Representations by the Company. With respect to the Agreement entered into hereunder, the Company makes the following representations and warranties as of the date of execution of this Agreement:

(a) Existence and Power. The Company is validly existing in the State of Michigan and is in good standing under the laws of the State of Michigan, and is duly qualified to transact business in Michigan.

(b) Corporate Authority. The execution, delivery and performance by the Company of this Agreement have been duly authorized by all necessary corporate action and will not violate any provision of law or of its articles of incorporation or its bylaws.

3.1 Business Activity Credit

(a) A Business Activity Credit of 75 percent of that portion of the

Company's Single Business Tax liability that is attributable to the Project. The portion of the tax liability attributable to the Project is the same as the tax liability attributable to authorized business activity as calculated under Section 37d.(4) of Public Act 23 of 1995. The Business Activity Credit is authorized for 7 consecutive tax years beginning with the Company's tax year ending July 31, 2002.

(b) No more than 515 Qualified New Jobs may be used in calculating the ratios as provided in Section 37d.(4) of Public Act 23 of 1995.

3.2 Employment Credit.

(a) An Employment Credit equal to 75 percent of the state's personal income tax rate, as it exists at the beginning of the Company's tax year for which the credit is being sought, multiplied by the total Salaries and Wages, before deducting any personal or dependency exemptions, of employees performing Qualified New Jobs. The Employment Credit is authorized for 7 consecutive tax years beginning with the Company's tax year ending July 31, 2002.

(b) No more than 515 Qualified New Jobs may be used in calculating the Employment Credit as provided in Section 37c.(2) of Public Act 23 of 1995.

3.3 Advancing the Scheduled Years of the Credit

If the Company meets the requirements of Section 4.1, the Company may elect to begin the credits authorized by Sections 3.1 and 3.2 with the tax year

ending July 31, 2001. If this option is elected, it applies to both credits, and the last year of the credits will be 2007 and not 2008 as provided in Schedule A.

4.2 Statement of Eligibility. Any time after 75 Qualified New Jobs have been created at the Project, but in no case later than 30 days after the Anniversary Date, and in all cases prior to or concurrent with the first application for a Tax Credit Certificate, the Company shall file a Certified Statement of Eligibility in a form as specified by the Authority from time to time. The Statement shall contain the following information:

(a) The aggregate number of Full-time Jobs at all Michigan locations of the Company, excluding Qualified New Jobs at the Project.

(b) The number of Qualified New Jobs.

(c) The Average Weekly Wage paid to employees performing Qualified New Jobs.

(d) A certification by an authorized officer of the Company that the information provided in the Statement of Eligibility is true.

4.3 Tax Credit Certificate. To obtain a Tax Credit Certificate in connection with the tax credits authorized in this Agreement for any tax year, the Company shall:

In computing the number of Qualified New Jobs at the Project in any tax year except the first year of the credit, the Company shall determine the number of Qualified New Jobs at the Project as of the last day of each of the four quarters of the applicable tax year, total the results for the four quarters, and divide the sum by four (4).

In computing the number of Qualified New Jobs for the first year of the credit, the Company shall determine the number of Qualified New Jobs as of the last day of each quarter of the applicable tax year and beginning with the first quarter in which there are at least 75 Qualified New Jobs, compute the average number of Qualified New Jobs over the remaining quarters of the tax year.

(b) Pay an Average Weekly Wage in connection with the Qualified New Jobs of at least the amount required by Schedule A of this Agreement for the applicable tax year.

(c) Pay an average hourly wage in connection with Qualified New Jobs that equals or exceeds 150 percent of the highest hourly federal minimum wage in effect for the applicable tax year.

(d) Maintain its Base Employment Level as required by Schedule A. The sum of the results for the four quarters, divided by four, is the Base Employment Level for that year.

(e) Make an Application to the MEGA for a Tax Credit Certificate as provided in Section 5.0 of this Agreement.

(f) Provided that the Company has initially satisfied the requirements of Section 4.1, failure of the Company to satisfy the requirements of Section 4.3 in any given year does not preclude the Company from qualifying for and obtaining a Tax Credit in any other year authorized by Section 3.1 or Section 3.2 of this Agreement.

4.4 Audit and Verification. The information provided in the Application, the Application for a MEGA Tax Credit Certificate, and the Statement of Eligibility are subject to audit and verification, by the Authority or its designee. Upon reasonable advance notice to the Company by the Authority, the Company shall permit the Authority or its designee, during normal business hours, to inspect the files of the Company solely for the purpose of verifying eligibility for the Tax Credits authorized under, and compliance with, this Agreement. The files subject to inspection include, but are not limited to, those relevant to wage and hour records, job classification, job assignments and employment histories.

The Authority or its designee shall use all information received pursuant to inspection of the Company's files solely for the purpose of verifying eligibility for the Tax Credits authorized under, and compliance with, this Agreement. The Company may request confidentiality pursuant to Section 5(3) of the Act on financial or proprietary information retained by the Authority in the course of its inspection of the files.

4.5 Administrative Fee. An Administrative Fee of \$43,295 is due and payable upon submission of the Certified Statement of Eligibility required in Section 4.2. The Administrative Fee is one-half of one percent of the MEGA Cost, as reported in current dollars, in the cost/benefit analysis of the Project, as presented to the MEGA at the time the Tax Credit was authorized, except that in no case shall the Administrative Fee shall exceed \$100,000.

5.2 The Certificate Application shall be filed with the Authority at least 45 days prior to the day the Company's Single Business Tax return is due. If the Company receives an extension of the deadline to file its Michigan Single Business Tax return for the applicable tax year, the Company shall notify the MEGA of the extension and the Certificate Application shall be filed with the Authority at least 45 days prior to the extended deadline.

5.3 The form of the Certificate Application shall be as specified by the Authority from time to time. The Certificate Application shall contain the following information:

(h) Any other information which is reasonably related to determining the applicable Tax Credit.

(i) A certification by an Authorized Officer of the Company that the information provided in a Certificate Application is true.

5.4 The information in a Certificate Application is subject to audit and verification by the Authority or its designee in accordance with the provisions of Section 4.4 of this Agreement.

6.0 ADJUSTMENT, REDUCTION, OR TERMINATION OF CREDITS

6.1 If the Company does not comply with the conditions required in Section 4.1, this Agreement is null and void, the Company is no longer an authorized business, and no Tax Credits are, or will be, authorized under this Agreement.

6.2 Failure of the Company to comply with any material provision of this Agreement, other than as a result of a clerical or technical error which is corrected when it is discovered to be an error, may result in revocation of the Company's designation as an authorized business or the reduction or loss of Tax Credits for which a Certificate has not yet been issued if such non-compliance is not cured in accordance with Section 6.5, below.

6.3 A Tax Credit authorized by the Authority is subject to adjustment in any tax year following the tax year for which a Tax Credit Certificate was issued, if the information on which the tax credit certification was based is found to be incorrect or cannot be verified.

6.4 If the Authority determines that the Company misrepresented material information in order to qualify for, or increase the amount of a Tax Credit, the Authority may revoke the Company's designation as an authorized business and notify the Michigan Department of Treasury of that revocation. Any tax credits that have been received based upon a material misrepresentation may be subject to recovery by the State of Michigan.

6.5 Prior to taking any adverse action against the Company under Sections 6.1, 6.2, 6.3, or 6.4, the Authority shall provide the Company with written notice of its intent to take such action and of the basis for that action. The Company may file a written appeal of the proposed adverse action within 30 days following the receipt of an adverse action notice. The Company shall have 60 days following the receipt of an adverse action notice in which to cure, remedy or correct non-compliance, conditions or information contemplated by Sections 6.3 or 6.4 prior to the Authority undertaking adverse action.
