MBDP PROGRAM AND ITS GUIDELINES

On December 21, 2011, the MSF Board approved the Michigan Business Development Program ("MBDP") and its guidelines. The primary intended objective of the MBDP is to provide incentives to businesses that create qualified jobs, make qualified investments, or a combination of both, in Michigan.

SOURCE OF INFORMATION

It is the role of the Development Finance staff ("MEDC Staff") to review for eligibility, completeness, and adherence to MBDP guidelines, the information provided by the applicant and to manage the MSF's investment. Explanatory and background information is supplied in summary form to provide context for the request and is drawn exclusively from materials submitted by the applicant, and, as applicable, from other relevant third party sources utilized by MEDC staff.

HISTORY OF THE APPLICANT

Senderra RX Partners, LLC ("Senderra RX") is a Specialty Pharmacy located in Richardson (Dallas) Texas, which started in 2010 serving patients with chronic illnesses that have high prescription therapy costs. Due to increased demand, Senderra RX is investigating location options to establish its Patient Services Center. Flint Township is the preferred location for the expansion.

The Applicant has not received any incentives from the MSF previously.

PROJECT DESCRIPTION

The Applicant plans to establish an office to support a new Patient Services Center. The Center will focus on client relationship management, including prescription assistance, medical supplies and access to services such as injection training and other enhanced patient compliance and

adherence. The office will also house the accounting team for Senderra Rx. The Project will be located in Flint Township, Genesee County. The Company plans to make investments and create jobs related to the life science and pharmaceutical distribution industry.

- a) The Applicant is a “Qualified Business”, as defined in MCL 125.2088r(9)(b), that is located and operates in Michigan.
- b) The project will be located in Flint Township, Genesee County. Flint Township has offered a “staff, financial, or economic commitment to the project” in the form of a Job Fair and employment assistance. The estimated cost of the Job Fair is \$1,500.
- c) The Applicant has demonstrated a need for the funding. The Company considered locations in Alabama and Ohio for the center and cited high costs associated with training, hiring Michigan management and training of the key personnel as cost disadvantages for Michigan.
- d) The Applicant plans to create 170 Qualified New Jobs above a statewide base employment level of 16.
- e) Pursuant to the program guidelines, the following was taken into consideration for the proposed project: out-of-state competition, project has a positive ROI for Michigan and is locating near a distressed or targeted community. The Company indicates that the project will begin in 2013.

INCENTIVE OPPORTUNITY

This project involves the creation of 170 Qualified New Jobs, with the potential for up to 172 total jobs as a result of the Project, and a capital investment of up to \$675,500 in Flint Township. The requested incentive amount from the MSF is \$500,000 in the form of a performance-based grant. Please see below for more information on the recommended action.

RECOMMENDATIONS

MEDC Staff recommends (the following, collectively, “Recommendation”):

- a) Approval of the MBDP Proposal as outlined in the attached term sheet (collectively, “MBDP Proposal”);
- b) Closing the MBDP Proposal, subject to available funding under the MBDP at the time of closing (“Available Funding”), satisfactory completion of due diligence, (collectively, “Due Diligence”), finalization of all MBDP transaction documents, and further subject to the following terms and conditions:
