AGREEMENT

THIS AGREEMENT effective the 1st day of June, 2007, by and between the City of Battle Creek, hereinafter referred to as the "City," and the Battle Creek Supervisors Association, hereinafter referred to as the "Association."

WITNESSETH:

ARTICLE 1 - PURPOSE AND INTENT

Section 1.1: The general purpose and intent of this Agreement is to set forth the salaries, hours, and working conditions which shall prevail for the duration of this Agreement; to promote orderly and peaceful labor relations for the mutual interest of the City, its employees and the Association; to provide for the material well-being of the employees; to promote a vehicle for an effective line of communication with the management and the line supervision. It is also the purpose of this Agreement to promote and insure harmonious relations, cooperation and understanding between managers, staff personnel, supervisors and foremen; to encourage economy and efficiency in providing proper services to the community.

(a) The word "permanent," when used to describe employee status, is used to distinguish full-time employees from temporary and/or seasonal employees.

ARTICLE 2 - RECOGNITION

Section 2.1 - Recognition: Pursuant to and in accordance with the applicable provisions of Act 379 of the Public Acts of 1965, the City recognizes the Association as the sole and exclusive collective bargaining agent for supervisory employees of the City of Battle Creek in the following classifications:

General Foreman, Foreman II, Maintenance Group Supervisor, Horticulture/Landscape Supervisor, Dispatch Shift Supervisor, Water Distribution Foreman, DPW Operations Foreman, Lab/IPP Group Supervisor, Operations Group Supervisor, Chief Operator, Transit Operations Manager, Public Works Office Supervisor

Section 2.2 - Anti-Discrimination: The City and the Association agree that for the duration of this Agreement, neither shall discriminate against any employee because of race, color, creed, age, sex, nationality or political belief, nor shall the City or its agents, nor the Association, its agents or members discriminate against any employee because of his membership or nonmembership in the Association. Any complaint concerning discrimination that is covered by the procedure set forth in the City's Administrative Code shall be pursued under the Administrative Code and not the Grievance Procedure set forth in this Agreement.

(a) Americans With Disabilities Act: Both the City and the Association recognize certain legal obligations created by the Americans With Disabilities Act, and both parties affirm their responsibility to attempt to accommodate employees under the provisions of the Federal Statute. An alleged violation of the Americans With Disabilities Act shall not be subject to the grievance procedure contained in this Collective Bargaining Agreement.

Section 2.3 - Management Rights: The Association recognizes that except as specifically limited or abrogated by the terms and provisions of this Agreement, all rights to manage and supervise the operations of the City and direct the work force are vested solely and exclusively in the City, including but not limited to, the right to hire, promote, demote, suspend, discipline, discharge, or otherwise relieve employees for lack of work or other legitimate reasons; the right to

establish and enforce reasonable rules and regulations; the right to determine acceptable quality standards; the right to establish new jobs and eliminate existing jobs; the right to determine the hours, daily schedules and work assignment of employees; the right to determine when a need exists for a layoff or recall of employees; and the right to determine the means, methods, organization and number of personnel by which such operations shall be conducted. The foregoing enumeration of rights is not intended to be all inclusive but indicates the type of matters arising which belong to and are inherent to the City and shall not be deemed to exclude other rights of the City not specifically set forth.

Section 2.4 - Association Security: It is understood and agreed that all present employees covered by this Agreement who are members of the Association shall remain members in good standing for the duration of this Agreement as a condition of continued employment. All present and future employees covered by this Agreement who, on the effective date thereof, were not members of the Association shall, within thirty-one (31) days after the effective date hereof or date of hire or assignment, become and remain members in good standing of the Association or cause to be paid to the Association a representative fee equivalent to their fair share, but not to exceed the other members' total current monthly cost of membership, of the Association's cost of negotiating and administering this Collective Bargaining Agreement as determined by the Association. The Association shall indemnify and save the City harmless from any liability that may arise out of the City's compliance with this Section.

Section 2.5 - Dues Deduction: For those employees who are or become members of the Association and who properly execute payroll deduction authorization cards therefor, the provisions of which must conform to the legal requirements imposed by the State law, the City agrees to deduct from each paycheck of each month Association dues and fees in amounts certified to the City by the Financial Secretary of the Association and to forward the same to the said Financial Secretary within fifteen (15) calendar days thereafter. The Association shall indemnify and save the City harmless from any liability that may arise out of the City's reliance upon any payroll deduction authorization cards presented to the City by the Association.

Section 2.6 - Union Activity During Working Hours: The Association agrees that Association activity during working hours will be limited to the investigation or transmission of a grievance or contractual dispute. Such investigation shall not exceed thirty (30) minutes in length unless prior approval is obtained from the Division head. Regardless, investigations or transmissions of grievances shall be completed as quickly as possible.

Section 2.7 - Special Conferences: Special conferences for important matters (not grievances) will be arranged between the Association President and the Director of Employee Relations within three (3) working days of such request of either party for such conference. Such meetings shall be attended by not more than two (2) employee representatives of the Association. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda, unless both parties agree to include other items. The representatives of the Association shall not lose time or pay from regularly scheduled work while attending such special conferences.

(a) All special conference meetings under the provisions of this Article will commence no later than 3:00 p.m.

ARTICLE 3 - SENIORITY

Section 3.1 - Definition of Service: Service shall be defined as an employee's length of continuous service with the City since their last hiring date as a permanent, full-time employee. "Last hiring date" shall mean the date upon which an employee first reported for work at the direction of the City as a full-time permanent employee, since which he has not quit, retired or been discharged. Implementation of this definition shall not change the service dates established as of July 1, 1980. No time shall be deducted from an employee's service due to absences occasioned by authorized leaves of absence, vacations, sickness or accident, or for layoffs, except as hereinafter provided.

Section 3.2 - Definition of Seniority: Seniority is defined as an employee's length of continuous service with the City since the employee's promotion or hire as a permanent, full-time employee into a job classification covered by this Agreement. Implementation of this definition shall not change the seniority dates established as of July 1, 1980. In the event that two (2) or more employees have been promoted or hired on the same date, their names shall appear on the seniority list alphabetically by the first letter of their last names. The City shall prepare an updated seniority list as of July 1, 1980, and once each six (6) months thereafter. A copy shall be provided to the Association.

Section 3.3 - Probationary Period: All new permanent, full-time employees shall be probationary employees during the first six (6) months of their employment. During the probationary period, the new employee shall have no seniority status. At the conclusion of their probationary period, the employee's name shall be added to the seniority list as of their last hiring date. The City reserves the right to extend the probationary period for an additional sixty days. Should the City exercise this right, notice must be provided to the probationary employee and the Association President.

(a) The probationary period is for the purpose of enabling the City to determine if an employee has the attributes, attitude and capabilities of becoming a permanent, full-time employee, and a probationary employee may be terminated for any reason at the sole discretion of the City during such six (6) month period without recourse to the Grievance Procedure. Upon such termination, the City shall notify the Association and provide the Association with a general statement of the cause for the termination.

(b) All new employees hired into the unit shall have four (4) performance evaluations which will occur at thirty (30) days, ninety (90) days, one hundred-twenty (120) days, and six (6) months. Such evaluations shall be discussed with the employee at each interval with a determination at each as to whether the employee will continue in his probation.

(c) Probationary employees shall be paid at the probationary salary of the salary plan as set forth in Appendix "A" of this Agreement.

Section 3.4 - Continuation of Seniority: Any employee who has been or in the future is promoted from what is now the bargaining unit to a nonbargaining unit position with the City shall retain his seniority and continue to accumulate seniority while he remains on such job for a period of eight (8) months. If such employee is removed from their job with the City for any reason, other than discharge, considered valid under this Agreement during the first eight (8) months, such employee shall be allowed to return to their previous position.

Section 3.5 - Termination of Seniority: Seniority shall be terminated: after a discharge; after retirement; after transfer out of the Association; after two (2) years of a layoff; if the employee is absent for three (3) consecutive regularly scheduled work day without notifying their department head or supervisor prior to or within such three (3) day period of a justifiable reason

for such absence unless it was impossible for such notice to be given. In the case of a three-day absence the City will send written notification to the employee at their last known address that they have lost their seniority and that their employment is terminated.

Section 3.6 - Layoff and Recall Procedure: In the event of reductions in supervisory positions, probationary employees will be laid off first, provided that the remaining employees have the present ability to perform the available work. Supervisors with the least seniority in a classification and division from which they can be spared will be reassigned or transferred in the bargaining unit to an equal or lower position occupied by an employee with less seniority based upon the employee's qualifications and ability to perform the then available work. In the event an employee with seniority is displaced and cannot bump to another job in the Bargaining Unit, such employee shall be placed, if at all possible, in another position with the City for which the employee is qualified and has the ability to perform the work (excluding Police and Fire positions). Such employee shall be considered laid off out of this Bargaining Unit. If no such positions are available, then such employee shall be laid off.

(a) In recalling employees following a layoff, the laid off, full-time employee with the greatest seniority within the bargaining unit shall be the first to be recalled, then all full-time employees shall be recalled according to length of accumulated seniority with the City, provided always that they have the present ability to perform the available work. Following the recall of all full-time employees with seniority, the same procedure shall apply to probationary employees who are laid off.

Section 3.7 - Elimination of Classification: In the event a classification is eliminated, the City will notify the Union at least (15) fifteen calendar days in advance of such elimination. All employees affected by such elimination shall have the right to bump, in order of their seniority, to other jobs in their division, provided:

(a) the eliminated employee has more seniority than the employee he/she bumps;
and

(b) the eliminated employee has the qualifications and ability to perform the job either immediately or after a training period not exceeding five (5) working days. If there are no jobs in the division, the employee can reach, the employee may bump to any other job within the Unit provided:

(a) the eliminated employee has more seniority than the employee he/she bumps;
and

(b) the eliminated employee has the qualifications and ability to perform the job either immediately or after a training period not exceeding five (5) working days.

Section 3.8 - Super Seniority: The President, Vice President, Secretary/Treasurer, and Chief Steward in that order shall head the unit-wide seniority list for layoff and recall purposes only. The individuals holding such office shall not be laid off from the unit so long as there is a job in the unit they can perform either immediately or after a training period not to exceed five (5) working days. If such individual is laid off, the individual shall be recalled to the first available vacancy in the unit for which the individual is qualified. Such individuals must exercise their actual seniority to retain a position with the Unit until such time as their seniority will not keep them at work before resorting to this super seniority. Super seniority shall be exercised only to the extent necessary to retain a job with the City.

ARTICLE 4 - PROMOTIONS AND TRANSFERS

Section 4.1 - Job Bidding/Promotion: When it is necessary, in this unit, to fill a new, permanent job classification or permanent vacancy in an existing job classification, such permanent job or vacancy shall be posted on the appropriate bulletin boards throughout the City's operations for a period of five (5) regularly scheduled working days. During such time employees may bid for such job or vacancy by applying at the Human Resources Office. Such posting shall include a statement of the job requirements and whether tests (oral and/or written and/or performance) must be taken by bidders.

(a) To be eligible to bid for a job, an employee must have completed his/her probationary period. While on probationary status, an employee has a right to submit a Show of Interest for positions that have been posted for bidding. Employees who bid shall be considered on the same basis with other applicants from City employment and applicants from the normal hiring process, with the applicant who is most qualified being awarded the position. If all factors are equal among applicants considered to be the most qualified, and the most qualified applicants include a Bargaining Unit member, the job will be offered first to the Bargaining Unit member.

(b) In determining which applicant is the most qualified for the position, the City will consider an applicant's work experience, educational background, training and other matters, including test results, which relate to the applicant's ability and fitness to perform all of the duties and responsibilities of the position. The City's determination under this section as to who is the most qualified candidate shall prevail unless the Association can establish by a preponderance of the evidence that the City's determination was erroneous.

(c) When an employee covered by this Agreement is promoted to another position covered by this Agreement, he shall be on probation for a period of ninety (90) calendar days. The purpose of the probationary period is to provide a break-in or training period to give the City an opportunity to observe the employee at work in such classification and form an opinion as to whether the employee appears to demonstrate an ability to develop the knowledge and skills required to satisfactorily perform the job duties.

(d) Upon promotion within the unit, two (2) performance evaluations shall occur at thirty (30) days and sixty (60) days with notification prior to ninety (90) days as to whether the probation has been successfully completed. During the probationary period the employee may elect to return to his previously held position due to his choice or as a result of his performance evaluation. If the City eliminates the position during the first 90 calendar days the employee occupies the position, the employee may return to his/her previous position.

(e) An employee may not bid for a job classification with an equal or lower maximum rate of pay until such time as the employee has served one (1) year in their presently held position.

(f) A permanent vacancy shall be defined as a vacancy occasioned by the quitting, discharge, retirement, reassignment or death of a job occupant.

Section 4.2 - Temporary Transfers: The Association and the City agree to continue the City's present practice of temporary transfers from one job classification to another within the bargaining unit to cover for absences due to illness, accidents, vacations, and leaves of absence for the period of such absence.

(a) Employees temporarily transferred for the convenience of the City as provided in this section shall, during the period of such temporary transfer, receive the rate of pay they would have received on their permanent job assignment or, the rate of pay they would have received had the job been awarded under the bidding system, whichever is greater, for the duration of the temporary transfer; provided, however, when an employee is temporarily transferred to a higher classification, the employee shall receive a minimum increase based on forty (40) cents per hour or the rate of pay they would have received had the job been awarded under the bidding system, whichever is greater, for the duration of the temporary transfer.

(b) The parties agree for those periods of time which exceed five (5) consecutive regularly scheduled working days, where Assistant Division Supervisors are temporarily transferred to Division Superintendent, that they shall be paid at the rate in the Superintendent's pay range as if they were permanently promoted for such period.

(c) Employees temporarily transferred for the convenience of the City as provided for in this section shall not be placed in such position for more than sixty (60) days without the City meeting with the Union to discuss the reasons for such continuation. If a continuation is necessary, the employee's time spent in such position shall be applied from the first day to the employee's probationary time whether the employee is promoted into the affected position at that time or in the future.

(d) Transfers during such periods shall be reviewed by the Association and City at the end of thirty (30) days as for the need to continue the temporary transfer. The City will advise the Union of temporary transfers of more than five (5) days duration.

Section 4.3 - Shift Preference: Seniority in a division within classifications shall be the predominate factor for shift selection when a vacancy exists, provided that the City has no objections to the employee's request. Notwithstanding this section, the City maintains the right to assign employees to a shift regardless of their seniority in the job classification. This section shall not be construed as providing bumping rights to employees for different positions.

Section 4.4 - Temporary Promotions of City Employees Outside the Unit to Unit Positions: For those positions temporarily filled by employees outside the unit, the City will prior to filling such vacancies, if time permits, meet with the Association and discuss the need for such temporary promotions. Such temporary promotions shall not exceed thirty (30) days. In the event that an extension of such temporary promotion is needed, the City and the Association shall meet and discuss the need for the extension.

(a) When an employee is temporarily transferred for the convenience of the City as provided in this section, the employee's days worked in the position to which he is temporarily transferred, up to a maximum of ten (10) days, shall be credited toward satisfaction of his probationary period if he is later transferred to that same position on a permanent basis.

Section 4.5 - Temporary Transfers from Other Units: The Association agrees that the City may temporarily transfer other organized employees to supervisory positions as long as the purpose is the need for certification held by the non-Association employee or the transfer is not used as a means to avoid opportunities for normal overtime occurring in the course of operations.

ARTICLE 5 - GRIEVANCE PROCEDURE

Section 5.1 - Definition of Grievance: A grievance shall be defined as any dispute regarding the meaning, interpretation, application or alleged violation of the terms and provisions of this Agreement. All grievances shall be resolved in the following manner:

FIRST STEP: An employee or group of employees having a grievance shall discuss the problem with the immediate superior not represented by the Association within two (2) working days of the occurrence or the knowledge of the event upon which the grievance is based. It shall be the responsibility of such immediate superior(s) to investigate and seek a solution to the problem. The immediate superior shall respond to the grievance within two (2) working days of presentation of the grievance.

SECOND STEP: If the employee, for any reason, is not satisfied with the results of the First Step, he shall reduce the grievance to writing and he and his Association representative shall, within three (3) working days of the First Step answer, then discuss the problem with the department head. The department head shall discuss the problem with both the division head and others who may have knowledge of the facts involved and recommend a solution. The department head shall answer, in writing, within three (3) working days of the receipt of the Second Step appeal and give the answer to the Association representative.

(a) A grievance shall state (1) who is affected, (2) what happened, (3) when it happened, (4) where it happened, (5) what section of the contract has allegedly been violated, (6) what adjustment is requested, and (7) be signed by the affected employee.

THIRD STEP: If the Association is not satisfied with the results of the Second Step, it may appeal the grievance, in writing, to the Employee Relations Director or the City designee within five (5) working days after receipt of the Second Step grievance response. After fully investigating the grievance and facts involved the City shall, within five (5) working days of receipt of the appeal, set a meeting between the grievant and no more than two (2) members of the Association's grievance committee in order to discuss the grievance and facts involved. The City shall advise the Association of a decision in the matter within five (5) working days after such meeting.

FOURTH STEP: If, at this point, the grievance has not been satisfactorily settled and the Association desires to carry the grievance further, it shall submit such grievance to arbitration by the American Arbitration Association in accordance with its voluntary arbitration rules then pertaining, providing such submission is made within twenty (20) calendar days after receipt by the Association of the City's Third Step answer. If the grievance has not been submitted to arbitration within said twenty (20) calendar day period, it shall be considered as being withdrawn by the Association. The arbitrator shall have no authority to add to, subtract from, change or modify the provisions of this Agreement, but shall be limited solely to the interpretation and application of the specific provisions contained herein. However, nothing contained herein shall be construed to limit the authority of an arbitrator in his own judgment, to sustain, reverse or modify any alleged unjust discharge that may reach this stage of the Grievance Procedure. The decision of the arbitrator shall be final and binding upon the parties hereto. The expenses and fees of the arbitrator and the filing fees of American Arbitration Association shall be borne by the loser. In the event of a split decision the arbitrator shall allocate such costs between the parties.

Section 5.2 - Time Limits: All appeals of duly filed grievances not submitted by the grievant or his representative within the time limit specified shall be termed abandoned grievances and as such shall be considered as a dropped grievance and no further action may be taken. If a grievance is not answered by the City within the time limit specified for such answer at any step of the Grievance Procedure, the grievance may progress to the next step. Any of the time limits specified in the Grievance Procedure may be extended if such extension is mutually agreed to by the City and the Association in writing.

Section 5.3 - Discharge or Suspension Cases: In the event an employee under the jurisdiction of the bargaining unit shall be suspended from work for disciplinary reasons or is discharged from employment after the date hereof, and he believes that just cause does not exist

for the suspension or discharge, such suspension or discharge shall constitute a case arising under the Grievance Procedure provided a written grievance with respect thereto is presented to the Director of Employee Relations or City designee within three (3) regularly scheduled working days after such discharge or after the start of such suspension.

(a) When imposing discipline based upon a current event, the City agrees not to take into consideration any prior infraction that occurred more than one (1) year before the current event or falsification of employment application that occurred more than two (2) years before the current event, unless the infraction or falsification directly relates to the current cause.

Section 5.4 - Back Pay Calculation: In the event it should be decided under the Grievance Procedure that the employee was unjustly suspended or discharged, the City shall reinstate such employee and pay full compensation, partial or no compensation as may be decided under the Grievance Procedure, which compensation, if any, shall be at the rate of the employee's regular rate of pay at the time of such suspension or discharge less such compensation as the employee may have earned at other employment during such period and any Unemployment Compensation Benefits paid for such period.

ARTICLE 6 - HOURS OF WORK

Section 6.1 - Normal Work Week: The normal work week shall be eight (8) hours per day and forty (40) hours per week, Sunday through Saturday. This shall not be construed as a guarantee of hours of work or pay.

Section 6.2 - Overtime: Overtime shall be paid at the rate of time and one-half (1-1/2) multiplied by the hourly rate for work in excess of forty (40) hours per week or eight (8) hours per day. For employees scheduled on a four-day, ten-hour shift work week, overtime shall be paid pursuant to the above formula for all work in excess of forty (40) hours per week or ten (10) hours per day.

(a) For those employees working on a seven (7) day continuous operation, the sixth (6th) and seventh (7th) days shall be considered as Saturday and Sunday for the purpose of computing overtime.

(b) In lieu of receiving overtime compensation, employees may, with permission of the City, bank the overtime hours as compensatory time off up to a maximum of one hundred (100) hours. Effective January 1, 2008, the employee may, with permission of the City, bank the overtime hours as compensatory time off up to a maximum of one hundred twenty (120) hours. Such bank time shall be accrued at the rate of one and one-half (1 1/2) hours of compensatory time for each hour of overtime worked for which the City has given the employee permission to accrue such compensatory time. Such compensatory time off may be taken at times mutually convenient to the City and the employee. Employees may use compensatory time for days when they are unable to work due to illness. If an employee requests compensatory time for illness, the City may require the employee to produce a doctor's slip or have the employee examined by a doctor of the City's choosing. Compensatory time requests must be for a minimum of one (1) hour. Beginning July 1, 1996, employees may cash out a maximum of twenty (20) hours of accrued compensatory time per year. Requests must be submitted between July 1 and September 30 of each year and are subject to review by the Finance Director and Director of Public Works to determine if funds are available for such payments. Payment will be made at the employee's rate of pay in effect at the time the request is submitted. The maximum number of hours which can be included in calculating an employee's final average compensation for pension purposes is one hundred (100) hours.

Section 6.3 - Call-In Pay: An employee called in for duty outside their normal shift will receive a minimum of four (4) hours pay at the overtime rate. Employees are eligible for only one (1) such premium payment for call-ins occurring within three hours of the start of the employee's normal shift. Additional call-ins during that time period will be paid based on actual time worked. The call-in premium will not apply when an employee is held over from a previous shift.

Section 6.4 - Shift Premium: The City will grant shift premium of forty cents (40¢) per hour to all employees who are scheduled to work on the second shift (starting on or after 2:00 p.m.), and forty-five (45) cents per hour on the third shift (starting on or after 10:00 p.m.).

Section 6.5 - Salary Schedule: The salary of positions thereof are set forth in Appendix "A" attached hereto and by this reference made a part hereof.

Section 6.6 - Certification Pay: Employees shall receive certification pay in addition to their weekly base pay in the amount set forth below for certificates that are utilized by the City in the employee's job classification.

<u>Wastewater Treatment Plant Certificate</u>	<u>Water Plant Certificate</u>	
"D" = \$ 5.00	"D-3" = \$ 6.00	S4 = \$ 6.00
"C" = \$10.00	"D-2" = \$10.00	S3 = \$ 8.00
"B" = \$14.00	"D-1" = \$16.00	S2 = \$10.00
"A" = \$16.00		S1 = \$12.00

If an employee changes job assignments at the request of the City, and the certification for which the employee receives pay is not required in the new assignment, the certification pay shall continue as long as the certification remains valid.

Section 6.7 - New or Altered Job Classifications: If, during the life of this Agreement, a new job classification is created or alteration is effected in an existing job classification, the City shall establish the rate of pay and requirements therefore along with notifying the Union of its decision. During the first thirty (30) days after the Union has been notified of the new job classification or alteration in job content of an existing job classification and the rate assigned thereto, the Union shall have the right to initiate negotiations with respect to such rate of pay. If no such request is filed within the thirty (30) day period, the rate of pay and requirements will become permanent as established by the City.

Section 6.8 - Standby Pay: The City shall grant six (6) hours straight time pay per week, not to be calculated in the overtime calculation, for those supervisors requested or required to standby for service by the division superintendent or department head. Effective July 1, 2003, employees will receive 1.25 hours straight time pay for each day the employee is requested or required to standby for service. This pay shall not be calculated in the overtime calculation.

Section 6.9 - Direct Deposit: Employees hired on or after July 14, 2005, must have their entire paycheck direct deposited. All employees hired prior to July 14, 2005, must make arrangements for direct deposit of their entire paycheck on or before December 1, 2005.

ARTICLE 7 - VACATIONS

Section 7.1 - Vacation Schedule: Employees who have completed one (1) or more years of continuous service with the City since their last hiring date and have worked not less than eighteen hundred (1800) hours during their anniversary year shall receive vacation with pay in accordance with the following schedule:

Time spent under the City's Sickness & Accident Program shall not count as service for the calculation of vacation benefits. Vacation must be taken or forfeited prior to the next succeeding anniversary date and may not be accumulated from year to year. However, vacation time off may be carried over when circumstances beyond the control of the employee make it impossible for the employee to use vacation during the year. The maximum amount that may be carried over under the exception is forty (40) hours per year, and any time carried over must be used within three (3) months after the employee's anniversary date.

ARTICLE 8 - HOLIDAYS

Section 8.1 - Holidays Defined: The following days are holidays and an employee shall receive these days off whenever possible. In the event an employee is requested to work any of the holidays, the employee shall receive, in addition to regular pay, an amount equal to one and one-half (1-1/2) times his regular hourly rate for each hour actually worked. If a holiday falls on Sunday, Monday shall be considered the holiday. If a holiday occurs during an employee's scheduled vacation, the employee shall be permitted to take an additional day of vacation. Employees who work on the Christmas Day holiday shall receive double time for all hours actually worked on that day. For continuous shift operations, if a holiday occurs during an employee's regularly scheduled off day, the employee will receive holiday pay for the holiday in addition to their regular pay for the week. Payment of the holiday in this situation shall not be used to calculate overtime hours for that particular work week. The practice of holidays floating to an employee's next scheduled work day is discontinued.

ARTICLE 9 - HEALTH AND LIFE INSURANCE

Section 9.1 - Health Insurance: The City shall provide each full-time employee the option of selecting one of the following health plans:

PLAN I: BC/BSM comprehensive major medical plan (or equivalent) with the following benefits:

Benefit: \$5,000,000 lifetime coverage
Deductible: \$100/person, \$200/family
Prescription drug: \$15/30 co-pay (effective 10/1/05)
Coinsurance: Insurance pays 90% of first \$5,000 in expenses after deductible, 100% thereafter
Charges: pays based on reasonable and customary charges as defined by the carrier

PLAN II: Health Maintenance Organization:

Provided coverage is available, the Health Maintenance Organization (HMO) service shall be an alternative choice to the services provided in Plan I.

The HMO coverage has been adjusted by adding a provision requiring a 25 percent copayment on all hospital-billed charges up to a maximum copayment of \$250 per individual and \$500 per family per calendar year.

Under both Plan I and Plan II, the City agrees to pay the premium for eligible employees and their dependents. The maximum premium contribution by the City for HMO (Plan II) coverage shall be limited to the monthly premium paid under Plan I. Any premium in excess of this amount shall be paid by the employee via payroll deduction. If for any pay period there are insufficient wages due and payable to the employee to cover the premium to be withheld, the employee must submit the appropriate amount directly to the City no later than the end of the calendar month when the premium is due.

Employees have a responsibility to contribute towards the cost of the health insurance premium. Effective July 1, 2003, the premium co-pay is \$5.50. Effective January 1, 2006, the premium contribution will increase to \$6.39 per week. The weekly premium contribution will be adjusted pursuant to the following formula. Under this formula, the minimum employee premium contribution is \$6.25. For the time period of July 1, 2007 through January 1, 2008, bargaining unit members will contribute an additional \$3.68 per week over and above the co-pay required by this section. The City uses a composite rate to charge departments the cost of employee health care. The composite rate of \$805 per month becomes the base for future premium co-pay increases. Employees shall pay 10 percent of any increase above \$805 per month, based on the new composite rate. Adjustment to the employee contribution would be made each year on the 1st of July. The maximum employee contribution under this formula is \$55 per month. The amounts listed in this paragraph are in addition to any contribution required for Plan II as outlined above.

The City will allow employees the opportunity to opt out of health care coverage, provided the employee provides proof of other coverage at open enrollment. Employees who opt out of coverage would receive a payment of \$200 per month. Employees can opt back in at the next open enrollment or if there is a qualifying event under COBRA and the employee loses their other coverage.

Effective within 60 days of July 1, 2003, the City shall add a contraceptive drug coverage rider to the health insurance plan.

Effective October 1, 2005, the prescription drug co-pay shall be \$15/30. Effective January 1, 2008, the prescription drug coverage will be modified by adding rider MOPD2X, which allows

a 90 day supply of certain prescriptions, by mail order, for two co-pays, and rider RX-90-2X, which allows a 90 day supply of certain prescriptions for two co-pays at the retail pharmacy level.

The City agrees to continue to provide health insurance benefits for the period of time that an employee is receiving sickness and accident benefits. Health insurance benefits shall be provided for a maximum of three (3) months to any Bargaining Unit member suffering a layoff. Employees on an unpaid leave of absence or suspension shall continue to have their insurance benefits (health, dental, and life) paid by the City for the first sixty (60) calendar days. After sixty (60) days, the employee may continue the insurance benefits in effect, to the extent allowed by the insurance companies, by paying in advance the monthly premium to the City.

The City agrees to offer employees the opportunity to renew their health insurance coverage each fiscal year, and to choose Plan I or Plan II as their health insurance provider.

It is understood and agreed that Union members may, to the extent allowed by the insurance carrier, have the option, upon retirement, to continue the hospitalization plan in effect at the time of retirement, subject to the following limitations:

1. The employee shall pay the cost of continuing the plan, which shall not exceed the group monthly rate of the City for the equal coverage of a current employee.
2. The City reserves the right to modify the hospitalization plan provided to retirees to reflect the identical coverage provided to active employees.

Upon retirement, with a benefit payable, the City agrees to contribute to the cost of continuing the "employee only" health insurance benefits an amount not exceeding \$200.00.

The City shall contribute to the cost of Medicare supplement an amount not exceeding \$135.00.

Effective 6/1/2000, if the employee has dependents, the City agrees to contribute to the cost of said benefits according to the following schedule:

- 1) Employee and Dependents non-Medicare eligible:

Employee	\$120.00
Dependent	80.00

- 4) Employee is Medicare eligible and his dependent(s) is under age 65:

Employee	\$ 85.00
Dependent	80.00

For all employees hired after 6/1/98, upon retirement to receive full payable retiree health benefits, he/she must have at least 15 years of service. Above said employees retiring with at least 10 years of service shall be eligible for a 75% payable health benefit and above said employees retiring with between 10 years and 15 years shall be prorated (i.e., 11 years = 80% benefit; 12 years = 85% benefit, etc.).

If the employee's dependent(s) die, the City agrees to contribute to the cost of continuing the "employee only" health insurance benefit as previously described in this Agreement.

Should the retiree die, the surviving spouse will be able to continue the City's plan provided the surviving spouse assumes the difference in cost for the applicable coverage of the surviving spouse's age group.

Section 9.2 - Dental Insurance: The City agrees to pay the premium for dental insurance for employees and their eligible dependents. The plan shall be the Delta Dental of Michigan traditional 80/20 plan (or equivalent), with the following benefits:

The amount of insurance shall equal one times the employee's base annual salary, rounded up to the next thousandth dollar. The minimum benefit for eligible employees shall be \$28,000. The City shall also provide, at no cost to the employee, term life insurance for an eligible employee's spouse and dependents. Spousal coverage shall equal \$2,000; dependent coverage shall be \$1,000 per dependent.

Section 9.4 - Conditions of Insurance Coverage: Insurance provided under Sections 1 through 3 above shall be subject to conditions imposed by the various insurance carriers. The City's responsibility under this Article is limited solely to the payment of necessary premiums to purchase the insurance described in Section 1 through 3 of this Article. The City agrees to maintain the level of City-paid group insurance benefits as outlined in this Article during the life of this agreement.

ARTICLE 10 - LEAVES OF ABSENCE

Section 10.1 - Personal Leave of Absence: The Human Resources Manager may, upon the recommendation of the department head, grant a leave of absence for personal reasons, without pay and without loss of accrued seniority to an employee who has completed his probationary period provided, in the sole judgment of the City, such employee can be spared from his work. Section 10.3 - Funeral Leave of Absence: Employees shall receive the amount of pay they would have received on a regular eight (8) hour straight time basis for each day necessarily lost from regularly scheduled duty, not to exceed three (3) days, to make arrangements for and attend the funeral of a member of their immediate family. This payment shall not be made for any of such three (3) days on which the employee for any other reason would have been absent from work. Such paid funeral leave shall not extend beyond the day following the funeral and to be eligible for such pay, the employee must notify the City as soon as possible of the necessity for such absence, must attend the funeral, and if requested by the City, must present proof of death.

(a) Bargaining unit members under investigation for a violation of City rules or policies shall have a right to union representation during an investigative interview that may result in disciplinary action taken against the member. Prior to taking action suspending or terminating a bargaining unit member, the City will meet with the employee, notify them of the charges against them, and provide the employee an opportunity to respond to the allegations. When possible, the City will give the Association two (2) working days notice prior to meeting with an employee.

(b) A copy of any written complaint or accusation will be provided to the employee prior to his meeting with the Director of Employee Relations, unless the incident giving rise to the complaint or accusation is the subject of a criminal investigation, or of criminal or civil legal proceedings, in which case the City's investigation shall be held in abeyance.

Section 16.6 - Safety Shoes: All supervisors working in operational areas will wear safety shoes while working for the City. The City agrees to contribute a specified amount once each year of this Agreement toward the cost of safety shoes purchased through the Human resources office or, if purchased elsewhere, the specified amount or the cost of the shoes (whichever is less) to an employee who has completed his probationary period. Such shoes shall be selected by the employee and the purchase price, less a contribution by the City, shall be deducted from the employee's pay through payroll deduction. Effective June 1, 2003, the City's contribution shall be \$75.00.

Section 16.7 - Safety Glasses: The City agrees to provide employees with safety glasses. It is understood and agreed that the employee is responsible for the cost of any examination. The City's obligation under this Section is limited to providing one (1) pair of safety lenses and standard safety frames but not more often than once each year of this Agreement unless the lenses or frames are damaged while working for the City.

Section 16.8 - Subcontracting: The City agrees to give the Association a minimum of forty-five (45) calendar-day notice of proposed subcontracting of work normally performed by bargaining unit members. If requested by the Association, the City agrees to meet to explore alternatives presented by the Association to the proposed subcontracting. Such requests by the Association must be made within seven (7) calendar days of receipt of the notice of intent to subcontract. It is not the City's intent to erode the bargaining unit by subcontracting; however, it is understood that subcontracting may result in employees being displaced. This agreement is not in any way to be construed as prohibiting or preventing subcontracting by the City.

ARTICLE 17 - DURATION

Section 17.1: This Agreement shall become effective as of June 1, 2007, except as otherwise noted and shall be operative and remain in full force and effect until May 31, 2010, and from year to year thereafter unless either party hereto shall notify the other in writing at least sixty (60) calendar days prior to the expiration of this Agreement or sixty (60) days prior to the expiration of any subsequent automatic renewal of its intention to amend, modify or terminate this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the 10 day July, 2007.
