ARTICLE 1
RECOGNITION

Section 1. Collective Bargaining Unit. The Employer agrees that during the life of this Agreement it will not recognize any organization other than the Lodge as the collective bargaining agent for the employees occupying, or who may, during the life of this Agreement, occupy, any of the job classifications set forth in Appendix "A", attached hereto.

Section 2. Other Agreements. The Employer shall not enter into any agreement with one or more of the employees in the bargaining unit or with any other organization which in anyway conflicts with the provisions hereof, however the parties may enter into written letters of understanding if properly authorized by their respective agents.

ARTICLE 2

BARGAINING COMMITTEE

Section 1. Bargaining Committee. The Employer agrees to recognize not more than two (2) individuals designated as the Bargaining Committee. The Bargaining Committee members shall be permanent employees in the bargaining unit and shall have been employed in the unit for at least one (1) full year. The Lodge retains the right to have up to two (2) non-employee representatives.

The Lodge shall furnish the Employer in writing a list of its designated Bargaining Committee.

Section 2. Computed As Hours Worked. Employee members of the bargaining committee will be paid by the Employer for time spent in negotiations with the Employer, but only for the straight time hours they would have otherwise worked on a regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the bargaining committee member.

ARTICLE 3

LODGE SECURITY AND CHECKOFF

Section 1. Agency Shop. Employees covered by this Agreement at the time it becomes effective and who are members of the Lodge at that time shall be required, as a condition of continued employment, to continue membership in the Lodge or pay a representation fee to the Lodge for the duration of this Agreement.

Section 2. Lodge Membership. Employees covered by this Agreement who are not members of the Lodge at the time it becomes effective and who have successfully completed thirty (30) days of employment, shall be required as a condition of continued employment to become members of the Lodge or to pay a representation fee to the Lodge, and such condition shall be required for the duration of this Agreement.

Section 3. Commencement of Dues. Employees hired, rehired, reinstated, or transferred into the bargaining unit after the effective date of this Agreement shall be required as a condition of continuing employment to become members of the Lodge or to pay a representation fee to the Lodge for the duration of this Agreement commencing thirty days after the first date of employment.

Section 4. Compliance. Employees shall be deemed to have complied with the terms of this Section if they are not more than sixty (60) days in arrears for membership dues or representation fees, respectively.

Section 5. Maintenance of Membership. The Lodge shall notify an employee who has not paid his dues or representation fee by certified mail with a copy to the Employer. If the employee does not pay the dues or representation fee within thirty (30) days after said notice is received, the Lodge shall notify the Employer by certified mail of this omission. Fifteen days after receipt of notification by the Lodge, the Employer shall terminate said employee.

Section 6. Checkoff. The Employer agrees to deduct the Lodge's dues from the wages of each individual employee in the bargaining unit who voluntarily becomes a member of the Lodge, subject to the following subsections:

(a) The Lodge shall obtain from each of its members a completed checkoff authorization form which shall conform to the respective State and Federal laws concerning that subject or any interpretations made thereof.

(b) All checkoff authorization forms shall be filed with the Employer's Controller's Office who shall return any incomplete or incorrectly completed forms to the Lodge's Treasurer and no checkoff shall be made until such deficiency has been corrected.

(c) All other employees covered under this Agreement shall have deducted from their wages a percentage of the membership dues which sum shall be less than one hundred percent (100%) of said dues and which sum shall accurately represent the amount for said employee due the Lodge as their fair share of costs attributable to negotiating the terms of this Agreement, which sum shall include by way of example, but not by way of limitation, State, National, Lodge or other dues and assessments. The fair share representation fee shall be that amount which the Treasurer of the Lodge so notifies the Employer.

(d) The Employer shall checkoff only those obligations that come due at the time of checkoff and will make checkoff deductions only if the employee has enough pay due to cover such obligation and will not be responsible for refund to the employee if the employee has duplicated a checkoff deduction by direct payment to the Lodge.

(e) The Employer's remittance will be deemed correct if the Lodge does not give written notice to the Employer's Controller within four (4) calendar weeks after the remittance is sent of its belief, with reasons stated therefore, that the remittance is not correct.

(f) The Lodge shall provide at least thirty (30) days written notice to the Controller of the Employer the amount of Lodge dues and/or representation fees to be deducted from the wages of the employees in accordance with this Section. Any change in the amounts determined will also be provided to the Controller, in writing, at least thirty days prior to its implementation. Checkoff Authorization Forms signed by each affected employee should accompany any notification of initial dues or representation fees deductions as well as any change in said dues or representation fees deductions.

Section 7. Refunds. In cases where a deduction is made that duplicates a payment that an employee already has made to the Lodge, or where a deduction is not in conformity with the provisions of the Lodge Constitution or By-Laws, refunds to the employee will be the sole responsibility of the Lodge and will be made promptly by the Lodge.

ARTICLE 5

SALARIES

Section 1. Schedule. Effective October 1, 2009, up to and including September 30, 2012, the salary schedule set forth in Appendix "A" attached hereto and by this reference made a part hereof shall remain in full force and effect.

Section 2. Payroll Errors. Employees must report all payroll errors to the Controller's Office by the end of the second business day following the payday (excluding Saturdays, Sundays and Holidays). If the payroll error was the result of payroll processing and the error is greater than three (3) times the employee's hourly rate, a special paycheck will be issued as soon as possible. If the error was the result of employee negligence, such as not recording work hours properly, not getting appropriate signatures or correct notations on the time card or not reporting the error by the end of the next business day, the error will not be corrected until the employee's next regularly scheduled paycheck.

ARTICLE 6

GRIEVANCE PROCEDURE

Section 1. Definition. For the purpose of this Agreement, the term "Grievance" means any dispute regarding the meaning, interpretation, or alleged violation of the terms and provisions of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

Section 2. Grievance Content. All grievances shall be in writing and shall include time, date, alleged contractual violation(s) or written rule(s) or regulation(s) that is the basis of the grievance, the facts that gave rise to the grievance, the remedy desired and the signature of the grievant and/or Lodge representative.

Section 3. Time Limits. The time limits established by the grievance procedure shall be followed by the parties and may only be extended by mutual agreement in writing.

Section 4. Forfeiture. In the event a grievance is not timely filed or advanced from one step of the grievance procedure to the next, the grievance will be considered as permanently denied or settled on the basis of the Employer's last answer. Failure of the Employer to respond to a grievance at any stage, within the time limits specified shall be considered a denial of the grievance and the grievance may be processed to the next step, including arbitration, provided the grievance is advanced timely from the last day that the Employer's answer was due.

Section 5. Day Defined. Whenever "day" is used, it shall mean the weekdays of Monday through Friday, inclusive, except for scheduled holidays, which shall be excluded. Scheduled holidays, for the purpose of this section, shall be holidays as listed on a Letter of Understanding as "County Observed Date" holidays.

A day shall constitute an entire twenty-four (24) hour period.

Section 6. Signed Resolution. The Grievance Procedure shall stop at any point when the parties involved reach a satisfactory solution to the grievance. This final answer shall be signed by all parties involved or a Lodge representative of the parties involved.

Section 7. Steps of the Grievance Procedure.

STEP 1: The aggrieved employee and/or Lodge, shall submit any grievance in writing to the employee's immediate supervisor within five (5) days after the grievance might reasonably have become known to exist. If the grievance is not signed by a Lodge representative, the Central Dispatch Supervisor shall provide a representative with a copy.

The immediate supervisor will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The immediate supervisor shall give a written answer to the aggrieved employee and/or Lodge steward within three (3) days of his receipt of the complaint.

STEP 2: If the answer of the immediate supervisor in Step 1 is unsatisfactory to the grievant and/or Lodge, the grievant and/or Lodge may, within three (3) days of receiving the answer in Step 1, and not thereafter, advance the grievance in writing to the Central Dispatch Director or the Assistant Central Dispatch Director. The Central Dispatch Director, or the Assistant Central Dispatch Director, will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Central Dispatch Director or the Assistant Central Dispatch Director shall schedule and hold a meeting or give a written answer to the grievant and/or Lodge within five (5) days of his receipt of the complaint. If a meeting is held, the answer is due within (5) days after the date of the meeting.

STEP 3: If the answer of the Central Dispatch Director and/or the Assistant Central Dispatch Director in Step 2 is unsatisfactory to the grievant and/or Lodge, the Lodge may, within (3) days of receiving the answer in Step 2, and not thereafter, advance the grievance, in writing, to the Grievance Board.

The Grievance Board will be composed of the Controller and/or his representative and two (2) representatives of the Board of Commissioners. A representative of the Grievance Board will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Grievance Board shall meet within fourteen (14) days of the receipt of the grievance at Step 3. Both the Employer and Lodge retain the right to be represented by an outside representative at the Grievance Board.

The Grievance Board shall hear the matter and attempt settlement of said grievance. The Grievance Board shall give a written answer to the Lodge within fourteen (14) days of the Grievance Board meeting.

STEP 4: Arbitration/Powers of the Arbitrator. If the answer of the Grievance Board in Step 3 is unsatisfactory and the Lodge wishes to carry the grievance further it must, within thirty (30) days notify the Employer, in writing, that it elects to take the matter to arbitration and simultaneously advance the matter to arbitration under the rules of the American Arbitration Association.

(a) The arbitrator shall be empowered to rule only on a grievance which involves an interpretation or application of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

(b) The arbitrator shall not add to, subtract from, ignore or change any of the provisions of this Agreement.

(c) It shall not be within the jurisdiction of the arbitrator to change an existing wage rate, or to establish a new wage rate, nor to rule on the Employer's rights to manage and direct its work force unless there is contained in this Agreement a specific and explicit limitation of those rights, nor to infer from any provisions of this Agreement any limitation of those rights.

(d) Each party shall furnish to the arbitrator and to the other party whatever facts or material the arbitrator may require to properly weigh the merits of the case.

(e) The Arbitration Association's administrative fee and other charges as well as the arbitrator's charges for his services and expenses shall be shared equally between the Employer and the Lodge.

(f) The arbitrator's decision, on the arbitrable matter within his jurisdiction, shall be final and binding upon all parties.

(g) Only one grievance shall be presented to an arbitrator in any one hearing, unless the parties mutually agree to combine grievances for the same arbitrator.

ARTICLE 7
DISCIPLINARY ACTION

Section 1. Governing Procedures. In any case where disciplinary action may be taken, the procedures set forth in the Rules of the Eaton County Central Dispatch Department, as amended from time to time will be followed, except as modified by this Article.

Section 2. Charges. After the appropriate investigation has been completed, any charges resulting in discipline or discharge shall be reduced to writing and a copy shall be furnished to the employee against whom the charges are brought. A copy of all discipline shall also be furnished to the Division President. Such discipline shall include, and is not limited to, documented oral warnings and written warnings. Such discipline shall be maintained by the Division President in a confidential file and only be used for official Lodge business.

Section 3. Specific Section. Such charges and specifications shall cite the specific section of Rules and Regulations and/or appropriate law or ordinance, which the member is alleged to have violated.

Section 4. Statements. No employee shall be required to be questioned or to make any statements concerning the alleged offense prior to consultation with a Lodge representative; provided that a statement may be required or an employee may be questioned within twenty-four (24) hours (one day) unless a Lodge representative is not available, then his statement would be required or he may be questioned with forty-eight (48) hours (two days) of the request for a statement. After such time, a statement may be required or the questioning may take place, with or without representation.

Section 5. Representation. At the time the discipline is imposed, the employee against whom the charges have been made, may be represented by a Lodge Representative.

Section 6. Past Infractions In imposing any discipline on a current charge, the Employer will not base his decision upon any prior offenses which occurred more than eighteen (18) months previously unless directly related to the current charge.

Section 7. Lost Pay or Discharge Grievance. An employee who receives disciplinary action resulting in lost pay or is discharged may file a grievance beginning at Step 3 of the Grievance Procedure. All other grievances concerning discipline may be filed at Step 2 of the Grievance Procedure.

Section 8. Discipline Absolute. If an employee who is disciplined fails to file a grievance within the time specified in the Grievance Procedure or if, upon the hearing of his grievance, he is found to have been properly disciplined, then his discipline shall be absolute as of the date of his discipline.

Section 9. Back Wages. If it is found that the employee should not have been disciplined, or that the penalty assessed him was too severe, then the employee's grievance shall be settled as shall be determined by the Employer and the Lodge and the employee's payroll and personnel records shall be adjusted accordingly. If the employee is exonerated of the charges causing the suspension, he shall be compensated for all back wages due to the suspension. Such wages shall be based on regular base pay hours and not include overtime, except for wage adjustments under FLSA related to the adoption of the twelve (12) hour shifts.

Section 10. New Hire Probationary Employees. New hire probationary employees shall not be entitled to the benefits and procedures herein provided in case of disciplinary action except as provided for in the Department Rules and Regulations. Such employee shall not be entitled to a Lodge Representative.

Section 11. Just Cause. All disciplinary action will be for just cause.

Section 12. Personnel Files. An employee shall have the right to review his personnel file at any reasonable time and may place written statements in his personnel file pursuant to Act 397, Public Acts of 1978, and as amended.

Section 13. Suspension. The Employer reserves the right to suspend employees. This suspension may take the form of a suspension from regular duties and temporary assignment to other duties, suspension from all duties with pay, or suspension from all duties without pay. Prior to the resolution of a disciplinary case at the

departmental level, suspension without pay will only be used in cases where the Employer, within its sole discretion, feels the circumstances are of a serious nature.

ARTICLE 8
HOURS OF WORK AND OVERTIME

Section 1. Hours of Work. The Employer shall have the following rights:

(a) To schedule the work of unit employees to meet the needs of the Central Dispatch Department. General shift changes and rotations will be posted at least one (1) month in advance.

(b) To establish shift starting and quitting times. The Lodge will be notified in advance of general changes in starting and quitting time.

(c) To change the number of hours which comprise the normal workday or shift, and the number of days or shifts which comprise the normal workweek, including the right to change the number of days off during any particular period of time.

(d) To require overtime work.

(e) To schedule on a biweekly basis, i.e., 80 hours of work in a two week period.

Section 2. Shift Selections. The Employer will permit employees that have completed their probationary period to indicate a preference for shift assignments.

Employees will be scheduled for shift assignments on the basis of preference, according to departmental seniority, except where operational requirements of the department preclude such assignments. For each pick, employees will have three (3) of their regularly scheduled work days to submit their requests. If an employee does not submit within three (3) of their regularly scheduled work days, the Employer may bypass to the next employee in seniority order and continue down the list.

Shift selections will be conducted in as close to 6 month intervals as will facilitate an orderly procedure by which the selections may be processed in advance. Shift rotations will be on a quarterly basis.

Section 3. Schedules of Work.

(a) Employees will be given reasonable notice of any individual shift changes.

(b) Employees will not be regularly scheduled with less than ten (10) hours between shifts. If an employee is ordered to work a schedule with less than ten (10) hours between shifts, in violation of the intent of the above sentence, he shall be paid time and one half for such hours between shifts.

(c) Employees may trade scheduled work days with other employees upon prior approval of the Employer or immediate Supervisor, provided such trades do not result in overtime payment for either employee.

Section 4. Pass Days.

(a) Employees receive pass days in lieu of weekends off. In a calendar year there are fifty-two (52) Saturdays and fifty-two (52) Sundays for a total of one hundred four (104) weekend days. Additionally there are twelve (12) holidays recognized in this contract. This is a total of one hundred sixteen (116) days which an employee who works a Monday-Friday schedule would normally be off work each year. The Employer's right in Section 1 to change work schedules is expressly limited to schedules which normally allow a total of at least one hundred sixteen (116) days off per year. Permissible examples, assuming twelve (12) holidays (this list is not all inclusive):

- (1) Five (5) workdays per week plus twelve (12) days off for the twelve (12) recognized holidays. The workday shall be eight (8) hours including a one hour unpaid meal period. A paid meal period may be granted by the Employer for an employee working on a continuous assignment.
- (2) Four (4) ten hour days and three (3) days off and no extra time off for holidays. The workday shall be ten (10) hours including a paid meal period.
- (3) Six (6) twelve hour days, plus one (1) eight hour day within a fourteen (14) day period with no extra time off for holidays. The work days shall be twelve (12) hours or eight (8) hours including a one half hour paid meal period.

(b) The preceding paragraph (a) is subject to the minimum requirement that each employee shall receive eight (8) pass days (i.e. days off) during each twenty-eight (28) day pay period.

(c) The preceding paragraph (a) is also subject to the requirement that no employee shall be regularly scheduled for more than twelve (12) hours per day.

(d) Additional pass days shall not be granted if an employee works on a pass day or a holiday and is compensated accordingly.

Section 5. Lunch Periods and Rest Breaks. Members of the bargaining unit shall receive two (2) fifteen-minute paid rest breaks and a thirty-minute paid lunch period during each scheduled workday subject to the provisions of (4)(a) (1). The Employer and the employee both recognize that due to the responsibilities of the assignment, it is not always possible to take the rest breaks and lunch period at a convenient or set time. However, members are encouraged to take their rest breaks and lunch periods when possible. If an employee's lunch break is interrupted, he may have a rest break later in the day to make up the interrupted lunch period.

Employees will take their rest breaks and lunch periods in the employees' assigned work area. Rest breaks and lunch periods not taken will not accumulate.

Section 6. Overtime. An employee covered by this Agreement who is required by the Department to work time in excess of his regular scheduled hours in any scheduled pay period shall receive additional pay at the rate of time and one-half (1 1/2) his hourly rate (salary divided by 2080 hours) for all such hours. All overtime for the twelve (12) hour shift employees above eighty (80) hours in a pay period or forty four (44) hours in the FLSA week shall be based on the hourly rate of the eight (8) hour shift schedule.

(a) Nothing herein shall prohibit the employee from electing to accept compensatory time off in lieu of overtime pay which is also earned at one and one half times the hours worked.

(b) Such compensatory time must be taken in at least one quarter (1/4) hour increments at a time mutually agreeable to the Employer and the employee. Denial of a compensatory time off request can be

grieved through Step Three only. The Employer shall make a reasonable attempt to grant an employee's request. The Employer may, but is not required to, utilize overtime to cover the absence.

(c) Such compensatory time may be accumulated to a maximum of one hundred and sixty (160) hours. Accumulated compensatory time may be paid to an employee, minimum of forty (40) hours, upon written request by the employee. Such written request must be received by the Employer at least two (2) weeks prior to the appropriate pay period. Unused compensatory time shall be paid to the employee upon separation or retirement. Payment to the employee under this provision may not occur more than once in any calendar quarter (January – March; April – June; July – September; October – December).

(d) The Employer shall post and maintain a scheduled and unscheduled Overtime list. Overtime will be considered to be scheduled if it is scheduled at least twenty-four (24) hours prior to the start of the employee's regularly scheduled shift.

Section 7. No Pyramiding. There shall be no pyramiding of overtime or premium pay. Hours paid for at overtime or premium rate shall not be used again in the computation of other overtime compensation. If more than one (1) type of overtime or premium compensation is applicable to the same hours of work, the higher rate of compensation shall apply.

Section 8. Temporary and Special Assignments.

(a) Temporary Assignments. If an employee is temporarily assigned to fill a vacant supervisory position, the employee will be paid at the level of the supervisor's pay scale that represents at least a five percent (5%) increase over their current pay scale for all assigned hours worked. The Employer shall make assignments to temporary vacancies in higher positions based on all appropriate factors, one of which shall be seniority. When the vacant supervisory position is no longer temporary, but permanent, the Employer shall follow the Rules and Regulations currently used by the Central Dispatch Department to fill the permanent vacancy.

(b) Training Assignment. Any employee who has been designated by the department as a trainer and is actively training a probationary employee shall receive an additional compensation equivalent to two (2) hours pay per shift for each shift assigned to that duty.

Section 9. Court Time. Any employee of the bargaining unit who is required to attend court or appear before a Commission during off duty time, which results in them working in excess of the regular workday or in excess of eighty (80) hours in a bi-weekly pay period, will be considered on duty and will be paid overtime under the following circumstances.

(a) In criminal cases arising out of the employee's official performance, where the employee is not a defendant.

(b) In civil cases related to the employee's official performance where the employee is not the plaintiff and has received a valid subpoena or has been instructed by the Employer to appear. In such cases, and also when attending civil court as a part of a regularly scheduled duty shift, all available fees shall be accepted by the employee and turned over to the Employer. An employee of the bargaining unit who is required to attend court as described above, while on duty, will attend court in a regular duty status.

Section 10. Changes in Workweek/Workday. All changes, pursuant to Section 1(c) in the workweek or workday or any change involving a combination of the length of workday or workweek will be discussed with the Lodge before the change is implemented.

Section 11. Call Back. If an employee is called back to work (including Court Time) during scheduled off duty time, he will be compensated for a minimum of two (2) hours at the applicable rate unless such call back shall extend past two (2) hours in which case he shall be paid for all hours or portion thereof worked. Provisions of this section are not applicable when call back works into the start of an employee's regular shift. In this case, overtime will be paid.

Section 12. Authorization of Overtime/Call Back. Overtime and call back must be authorized by the Employer or its designated representatives before it will be paid.

Section 13. Layoff in Lieu of Reduced Hours. An average of forty (40) hours of work per week shall be maintained if possible. If necessary, junior employees will be laid off so that senior employees may maintain an average of forty (40) hours of work per week unless agreement to the contrary is reached by a special conference, which may be initiated by either party.

ARTICLE 9

SENIORITY

Section 1. Definition.

(a) County Seniority. County seniority is defined as continuous length of service with the Employer from date of last hire. It shall be equal to the time actually spent on the active payroll, plus approved leaves of absence unless otherwise provided in this Agreement. A permanent full-time employee will begin to accumulate seniority upon the expiration of his probationary period, at which time his name will be placed on the seniority list as of his last date of hire as a full-time employee of the Department. County seniority shall be used for determining vacation leave accrual, longevity, and pension credits.

(b) Departmental Seniority. Departmental seniority shall be defined as continuous length of service within the bargaining unit. It shall equal the time actually spent in the bargaining unit on the active payroll, plus approved leaves of absence, unless otherwise provided in this agreement.

Section 2. Seniority List. A seniority list shall be prepared and a copy posted on the bulletin board. It shall be revised and kept current by the Employer.

Section 3. Loss of Seniority. Seniority shall be lost and the employment relationship shall end under the following conditions:

- (a) By quit or discharge for cause.
- (b) Failure to return to work upon recall from a layoff.
- (c) Failure to return to work at the expiration of a leave of absence.
- (d) Laid off for more than two (2) years or the length of his seniority, whichever is less.
- (e) Retirement.

The seniority of an employee that has been lost under the above provisions may be restored in full or in part by mutual agreement between the Employer, the employee, and the Lodge.

Section 4. Probationary Employees. All new employees and current employees that have been hired into a new classification shall be on probation for one year. During this period an employee shall be considered as a temporary employee for the purposes of probation.

Until a new employee has completed the probationary period described herein, he may be laid off, disciplined, or discharged without regard to this Agreement and without recourse to the Grievance Procedure. The Employer shall have no obligation to re-employ an employee who is laid off or discharged during his probationary period. However, the Lodge will represent such employees for the purpose of collective bargaining in respect to their rates of pay, hours and other conditions of employment.

Section 5. Seniority Employees Promoted Outside the Bargaining Unit. If an employee is promoted outside this bargaining unit and returns, after continuous service in Central Dispatch, the employee shall only retain his seniority previously earned in this bargaining unit.

Section 6. Same Seniority Date. As between two (2) or more employees who have the same date of departmental seniority, the employee with the longer County seniority shall be deemed senior. If both departmental seniority and County seniority are the same, then seniority shall be determined by the overall score as determined by the hiring process or in the case of a tie by the drawing of names.

ARTICLE 10

UNPAID LEAVES OF ABSENCE AND SICK PAY

Section 1. Good Cause. Leaves of absence may be granted by the Employer for good cause, during which the employee shall continue to accumulate seniority.

Section 2. Military Leave of Absence. Application for military service leave of absence shall be made to the Central Dispatch Director in writing as soon as the employee is notified of acceptance in military service and, in any event, not less than two (2) weeks prior to the employees departure. The Employer and the Lodge agree that the matter of leave of absence for an employee during the period of his military service with the Armed Forces of the United States and of his re-instatement thereafter shall be governed by applicable statutes. An employee in military service shall retain any unused sick leave or vacation time accrued and rights under such provisions shall be governed by applicable Federal and State Law.

Section 3. Other Leaves. Leaves for sickness, disability, or injury of an employee other than those governed by Workers' Compensation or covered under the Employer's sickness and accident program may be granted upon receipt of notice by the Employer and will be for a fixed period with the obligation on the employee to report any change of conditions or request a continuation.

Employees requesting such leave or continuation of same, within reasonable limits may be requested to present a supporting certificate from a Physician. An employee returning from such leave may be required to pass a physical examination given by a Physician approved by the Employer.

Section 4. Sick Pay.

(a) Employees Hired After January 1, 1990. All full-time unit employees shall be eligible to accumulate sick leave hours at the rate of 3.0 hours per pay period for each completed eighty (80) hours of service (pro-rated for pay periods with less than eighty (80) hours of completed service). Paid sick leave may be accumulated to a maximum of five hundred (500) hours. Any sick leave hours accumulated in excess of five

hundred (500) hours shall be compensated for to the employee once a year at their current rate of pay. Such compensation will be made on the first pay day in December.

Any employee who retires and is immediately eligible for retirement benefits as defined by the Municipal Employees' Retirement System shall be paid for only fifty percent (50%) of their accumulated sick leave hours. In the event of the death of a non-probationary employee, the designated beneficiary shall receive fifty percent (50%) of their unused sick leave hours in a lump sum payment. The amount for each such hour being paid for will be based upon the employee's most recent rate, or an average of their recent five (5) year pay rate, whichever is higher.

(b) Critical Illness in Family. It is understood that accumulated sick leave may be used in cases of critical illness in an employee's immediate family for a period of three (3) days or less. "Immediate Family" is defined as the spouse, child, brother, sister, parents or grandparents of the employee or the employee's spouse. An employee who uses sick leave days for any such critical illness shall notify the Employer in advance of taking such leave and shall upon request furnish reasonable proof of the necessity of such leave.

(c) Sick leave shall not run concurrently with vacation leave and no sick leave shall be taken as vacation leave.

(d) It is clearly understood that sick leave days are meant to compensate employees who are off work because of a bona fide illness or a bona fide critical illness in the immediate family. The Employer shall not be required to pay sick pay benefits to employees who violate this understanding and such employees will be disciplined up to and including discharge.

(e) Except as provided otherwise in this Article, an employee excused from work under this Article shall receive sick pay for the number of regularly scheduled hours per day according to the work schedule the employee is assigned to at the time the sick day is used. Sick time shall not be used in less than one quarter (1/4) hour increments.

(f) The Employer may require verification, including a Physician's certificate to verify the necessity of sick leave and/or to verify that an employee is able to return to work.

(g) An employee who is sick and does not have any accumulated sick leave hours banked, may use compensatory time or vacation time in place of sick time.

Section 5. Leave for State Fraternal Order of Police Meetings. Employees who want to attend meetings of the State Fraternal Order of Police shall be allowed time off without pay to attend such meetings, subject to the following guidelines:

(a) Only one (1) employee may be gone at any one time.

(b) No employee may be gone more than three (3) days in any calendar year, and

(c) The combined total of all leave days for all employees shall not exceed six (6) days per calendar year.

Section 6. Family and Medical Leave. The Family and Medical Leave Act requires those Employers with 50 or more employees to allow employees to take an unpaid leave of absence for up to 12 weeks per calendar year (and under certain circumstances for up to 26 weeks). The leave may be taken for the birth of a child, placement of a foster care child in the employee's home, adoption of a child; to care for a seriously ill immediate family member; for the employee's own serious health condition; to address certain qualifying exigencies permitted when the employee's spouse, son, daughter, or parent is on active duty or called to active duty status in the National Guard or Reserves in support of a contingency operation; or to care for a member of the Armed Forces (including the National Guard or Reserves) who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list. Immediate family members include child, spouse or parents.

During an FMLA leave, the employee may not obtain any employment he or she did not have immediately before the commencement of the leave.

The employee must have worked the 12 months prior to the request for unpaid leave and must have worked at least 1250 hours in that 12 month period to qualify for this unpaid leave of absence. The employee is required to give a 30 day notice of their intent to use the leave, whenever foreseeable. The proper forms may be obtained from the Employer. In the event that the leave is being requested for the care of an immediate family member, it will be required to have a physician's statement certifying the necessity for such leave. In the event that the leave is for the birth of a child, any time off under the County's Short Term Disability Plan is included as part of the 12 weeks allowed under the Family and Medical Leave Act.

Although the law indicates that an employee is entitled to a 12 week unpaid leave of absence, the County has the right to, and may require its employees to use their accumulated sick leave (where applicable) or annual leave. However, this does not extend the leave beyond the 12 weeks.

The Employer is also required to continue all health insurances as though an employee is actively working for a maximum of 12 weeks. However, the Employer does have the right to collect premiums for the health insurances in the event an employee does not return to work at the end of their 12 week leave, unless medically not able to return.

ARTICLE 11
BEREAVEMENT PAY

Section 1. Immediate Family. When death occurs in an employee's immediate family, i.e., spouse, parent, parent of a current spouse, child or step-child, brother or sister, grandparent, grandparent of current spouse, grandchild, the employee on request shall be excused for up to three (3) normally scheduled working days immediately following the date of death, provided he attends the funeral.

Step-parents, step-brothers, step-sisters, half brothers and half sisters shall also be included above if the relationship began before the employee reached his 21st birthday.

Section 2. Compensation. An employee excused from work under this Article shall receive the amount of wages he would have earned by working during straight-time hours on such scheduled days of work for which he is excused.

Section 4 3. Intent. Bereavement pay is meant to compensate an employee who needs to be off work because of the death of a member of his immediate family (as defined in this Article). Time off will be granted only when it is consistent with this purpose.

Section 5 4. Additional Time. Additional bereavement leave may be granted either without pay, or with pay deductible from any accumulated leave time for good cause shown.

ARTICLE 12

(i) If an employee is scheduled to work on one of the holidays listed above, the Employer reserves the right to give the employee the day off with pay in lieu of any other pay for this day.

(ii) If an employee is scheduled to work on one of the holidays listed above, and in fact does work on one of the holidays listed above, he shall receive two (2) times his regular pay for all hours worked on the holiday.

(iii) Employees Other Than Those Scheduled Monday through Friday. If an employee does not work on a holiday because the holiday falls on a pass day, he shall receive a compensatory day off at a time mutually convenient to both the employee and the Employer.

(iv) Employees Other Than Those Scheduled Monday through Friday. If an employee is not scheduled to work on a holiday because the holiday falls on a pass day, but is required to work or is called in to work he shall receive time and one half (1 ½) for all overtime hours worked on his pass day and shall also receive compensatory time off at a time mutually convenient to both the employee and the Employer for all hours worked on his pass day.

(b) Eligibility. In order to qualify for such holiday pay, each employee must work the full number of scheduled work hours on his last scheduled workday prior to each such holiday and the full number of scheduled work hours on his first scheduled workday after each such holiday.

An employee who fails to work the full number of hours on the first scheduled workday prior to or immediately after the holiday because of approved, paid for leave such as sick leave, vacation leave, funeral leave, etc. shall receive holiday pay.

The requirement that employees work the day before and the day after the holiday may be waived by the Employer in its discretion providing that the employee must receive written permission to be absent prior to the holiday in order to be eligible for holiday pay.

Section 4. Pro-ration. Holiday pay shall be pro-rated to those employees only working part of the holiday for that part worked.

Section 5. Day of Celebration. The above holidays shall be observed on the same days as the Courthouse by employees scheduled to work according to Article 8, Section 4(a) (1).

The above holidays shall be observed on their traditional date of celebration by employees scheduled to work according to Article 8, Section 4(a) (2) and (3).

Section 6. Scheduled But Fails To Work. If an employee is scheduled to work on a holiday but fails to report for work, he shall forfeit his holiday pay.

ARTICLE 13

PERSONAL LEAVE DAYS

Section 1. Number. All employees who have completed their probationary period shall be eligible for three (3) personal leave days per calendar year. If an employee becomes eligible for personal leave days in the first half (1/2) of the calendar year, he shall receive three (3) days in that year. If an employee becomes eligible for personal leave days in the second half (1/2) of the calendar year, he shall receive one (1) day in that year, and three days thereafter for each subsequent year.

Section 2. Advance Notice. An employee must request a personal leave day at least one week in advance except in emergencies and, if the needs of the Employer will permit, it shall be granted on a first request basis. If the needs of the Employer do not permit it, the employee shall select another day.

Denial of a personal leave request can be grieved through Step Three only. The Employer shall make a reasonable attempt to grant an employee's request. The Employer may, but is not required to, utilize overtime to cover the request.

Section 3. Payout. Personal leave days may not be carried over to subsequent years. Unused personal leave days as of December 31st of any year shall be paid for to the employee at their current rate of pay.

ARTICLE 14

VACATIONS

Section 1. Hours Earned Each Payroll Period. Employees shall earn vacation with pay in accordance with the following schedule:

<u>Continuous Service</u>	<u>Hours Earned Each Payroll Period (80 hours of paid service)</u>
0 through 4 years	3.1 hours = 2 weeks/year = 80 hours/year
5 through 9 years	4.6 hours = 3 weeks/year = 120 hours/year
10 or more years	6.2 hours = 4 weeks/year = 160 hours/year

After an employee has completed four (4) years of employment, at the beginning of his fifth (5th) year, he will accrue 4.6 hours per pay period. When an employee has completed nine (9) years of employment, at the beginning of his tenth (10th) year, he will accrue 6.2 hours per pay period.

Vacation leave may not be used until the employee has completed six (6) months of continuous paid service with the Employer.

Vacation leave may be used only after the pay period in which it is earned.

Section 2. Computation of Vacation Pay. Vacation pay shall be computed on the basis of the employee's current straight time rate at the time the vacation is taken.

Section 3. Maximum Accumulation/Separation. Vacation credits may be accumulated to a maximum of two hundred and forty (240) hours. Upon retirement or separation from employment with the Department, an employee who has completed six (6) months of continuous employment shall be paid for their unused vacation hours. In the event of the death of an employee who has completed six (6) months of continuous employment, their designated beneficiary shall receive their unused vacation hours in a lump sum payment. The amount for each such hour being paid for will be based on the employee's most recent rate, or an average of their most recent five (5) year pay rate, whichever is higher, up to a maximum payout of no more than two hundred and forty (240) hours.

Employees who leave or quit without giving at least two (2) weeks prior written notice shall forfeit and waive their right to any accrued vacation pay, unless there are extenuating circumstances.

Section 4. Scheduling. Vacations will be scheduled by the Employer at mutually convenient times subject to the need for having particular employees on particular jobs at particular times. Departmental seniority will be honored, to the extent possible, in meeting employee requirements for particular vacation periods, but departmental seniority shall defer, when necessary, to the Employer's needs. It is expressly understood that employees with more than two (2) weeks of vacation credits may be required to postpone the taking of more than two (2) weeks until other vacation requests are satisfied. Scheduling shall be arranged on or before a vacation posting date to be mutually determined by the parties.

Section 5. Method of Taking.

(a) Vacation hours shall be paid time off and vacation shall be taken in a minimum of one quarter (1/4) hour increments.

(b) If an employee schedules a vacation day or a vacation week, and one of those vacation days falls on a holiday, the employee shall receive an additional eight (8) or twelve (12) hour paid day off (depending on the normal shift of the employee). No employee may utilize a single vacation day for a holiday more than three times per calendar year. Such days must be scheduled with prior approval of the Employer.

(c) The vacation selections for the following calendar year will start right after the completion of the shift selection process in the preceding fall. Two rounds of vacation selections will be conducted in seniority order.

The first round will be for submission of vacation requests of up to two (2) full calendar week blocks of vacation time. A calendar week is defined as Monday through Sunday. They do not have to be consecutive. The second round will be for submission of vacation requests in either calendar week blocks, single days or hours down to one quarter (1/4) hour increments. During the second round of requests, personal leave days and compensatory time may also be used in conjunction with a vacation request.

For each round, employees will have three (3) of their regularly scheduled work days to submit their requests. If an employee does not submit within three (3) of their regularly scheduled work days, the Employer may bypass to the next employee in seniority order and continue down the list.

After the second round, any new requests for vacation time will be accepted on a first come, first served basis. Denial of new requests can be grieved through Step Three only. The Employer shall make a reasonable

attempt to grant an employee's request. The Employer may, but is not required to, utilize overtime to cover the request.

ARTICLE 15

INSURANCE AND PENSION BENEFITS

Section 1. Health Insurance - Current Employees.

(a) Coverage. The Employer shall continue to provide health insurance for each employee and his family. Coverage for eligible employees shall begin on the first day of the month following thirty (30) days of employment or the first day following their date of employment that allows them to have continuous coverage from previous employment. Coverage ends upon an employee's separation from employment.

All eligible regular full-time employees shall be covered by a health insurance plan, which is currently the Blue Cross and Blue Shield of Michigan Community Blue 6 Plan, as attached hereto as Appendix C.

An employee, whose spouse has comparable group health insurance from another source, must secure coverage for the spouse from that group. The comparable coverage must also cost the spouse less than \$1,200.00 annually effective January 1, 2011. The spouse may be covered by the Employer's group health coverage upon becoming ineligible to be covered by the other source or if the alternate coverage does not continue to be comparable to the coverage provided by the Employer. When a spouse has coverage, as described above, any other eligible family members will be covered according to the Order of Benefit Determination Rules, i.e., coverage is the coverage plan of the parent whose birthday is earlier in the calendar year.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third party review. The independent third party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

As soon as practicable after ratification of this Agreement by both parties, each member of the bargaining unit who is employed by the Employer on January 15, 2011 shall receive a one-time, off-schedule,

ratification bonus equivalent to 1.50% of his/her base salary set forth on Appendix A. This ratification bonus will be paid on the January 21, 2011 pay date.

Premiums. Effective as soon as practicable after ratification of this Agreement by both parties, all employees eligible for health insurance will pay five percent (5%) of their health insurance premium (such payment will not be made by employees who waive health insurance coverage pursuant to (c) of this Section).

(c) Payment in Lieu of Coverage. A regular, full-time employee who is eligible for insurance via another source and who executes an affidavit to that effect may elect not to be covered by the health insurance provided under this Article. The decision to waive coverage shall be made once per calendar year, during the 30 day period prior to January 1st of each year. A waiver agreement drafted by the County shall be executed by the employee. In the event the employee elects to forego health insurance, the County shall pay the employee the amount of \$100.00 monthly (up to \$1,200.00 per year) directly as taxable compensation. The payment shall be made on a monthly basis, on the first payday of the month following coverage. New hires may opt for the health waiver upon hiring into the County.

The provisions of the sub-section (b) shall not apply to a husband and wife who are both employees of Eaton County. Those employees shall not be permitted to have double health insurance coverage.

An employee losing health insurance coverage from another source shall notify the County Personnel Department in time so that the employee and dependents, where appropriate, can be re-enrolled in a health care plan beginning the first day of the month following alternate coverage. No pre-existing condition requirement has to be met in this situation. The employee shall be paid through the month in which they were covered under the waiver. Payment to be made the first payday of the month following coverage.

The employer agrees to provide for the continuation of health insurance on the same terms and conditions as applicable to members of the bargaining unit for the spouse and dependent (to the maximum age of 26) of a bargaining unit member killed in the line of duty for a period of five (5) years after the death of the

bargaining unit member or, to the extent permitted by law, until another health insurance plan that is similar becomes available from another source.

Section 2. Health Insurance – Retirees. Employees Hired Prior to April 1, 2007.

(a) Eligibility. The Employer agrees to provide the same health insurance coverage referred to in Section 1 of this Article for all eligible employees with the Employer paying the appropriate hospitalization health insurance premiums. Retirees are required to apply for Medicare (Parts A and B) when they are eligible to do so. The County health care will supplement Medicare Parts A and B. An eligible employee is one who:

(1) Has twenty-five (25) years of full time service with Eaton County; and is at least fifty five (55) years of age; and has not had any lapse in group health coverage, or

(2) Is retired due to duty disability as determined by MERS, or

(3) Is an employee who retires with twenty-five (25) years of service (as defined in (2)(a)(1) above); and has not attained the age of fifty-five (55) and who maintains group health coverage. When said employee reaches age fifty-five (55), he becomes eligible for the Employer's paid group health coverage as provided herein, provided, the employee can document continuous group health coverage from the date of retirement. It is the expressed intent of the parties that years of service (25 years of Eaton County service) be rewarded.

(b) Working Elsewhere After Retirement. An eligible retiree, past or present, may be employed elsewhere after retirement. If such eligible retiree's employment is with another Employer providing comparable group health coverage, he must secure coverage from that group. The comparable coverage must also cost less than \$600.00 annually (\$900.00 effective January 1, 2009). (This amount shall be \$1,200 for those eligible retirees who retire on or after January 1, 2011). The retiree may then return to the Employer's group health coverage upon his separation from the other Employer.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third party review. The independent third party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

(c) Alternate Coverage. An eligible retiree, past or present whose spouse has comparable group health insurance coverage from another source must secure coverage for the spouse from that group. The comparable coverage must also cost the spouse less than \$600.00 annually (\$900.00 effective January 1, 2009). (This amount shall be \$1,200 for those eligible retirees who retire on or after January 1, 2011). The spouse may then be covered by the Employer's group health coverage upon becoming ineligible to be covered by the other source or if the alternate coverage does not continue to be comparable to the coverage provided by the Employer.

If an employee does not agree with the County's determination of comparable coverage, they may submit the issue for an independent third party review. The independent third party will be mutually agreed to by the Union and the County. The decision made by the independent third party shall be final and binding on all parties and not subject to the Grievance Procedure.

(d) Spouse Coverage.

(1) An eligible employee may include health insurance coverage (as described in Section 1 (a) above) for his spouse under the following conditions:

- (i) From the date of the employee's eligibility for paid health insurance for the initial twelve (12) month period, the Employer will pay 50% of the premium difference required to include the spouse with the employee paying the remaining 50% of the premium difference.

(ii) For the next twelve month period, the Employer will pay for 60% of the premium difference required to include the spouse with the employee paying the remaining 40% of the premium difference.

(iii) For the next twelve month period the Employer will be responsible for paying 70% of the premium difference required to include the spouse with the employee paying the remaining 30% of the premium difference.

(iv) For the next twelve month period the Employer will be responsible for paying 80% of the premium difference to include the spouse with the employee paying the remaining 20% of the premium difference.

(v) For the next twelve month period the Employer will pay 90% of the premium difference required to include the spouse with the employee paying 10% of the premium difference.

(vi) The Employer will be responsible for the entire premium payments made thereafter.

(2) An employee whose spouse is not immediately covered from the date of the employee's eligibility for paid health insurance because of alternate coverage as specified in (c) above, and who subsequently becomes eligible shall enter the Employer's payment schedule based on the date of the employee's eligibility for paid health insurance.

(3) For all employees hired after June 1, 2001, spouses may continue to be covered by the Employer's health insurance plan at the employee's expense.

(4) In the event of the employee's death, the spouse (at the time of retirement) may continue coverage as described in this Section at the Employer's expense. For all employees hired after June 1, 2001, the coverage shall be provided at the spouse's expense.

(5) If an employee acquires a spouse after the effective date of retirement, this spouse may secure County health insurance coverage at the employee's expense. It is the intent of the parties that this option apply only to the first new spouse after retirement.

(e) Continuation of Employer's Group Health Coverage. Any employee who retires and is not eligible for health insurance coverage as described herein and (1) who is immediately eligible for retirement benefits under MERS or (2) is retired due to non-duty disability as determined by MERS may remain on the Employer's health insurance plan by paying the full amount of the premium on a pre-paid quarterly basis for a period of ten (10) years or when the employee is eligible for Medicare, whichever occurs first. Procedure for such payment will be established by the Employer.

(f) Payment in Lieu of Coverage. An eligible retiree as of January 1 of any year, who is eligible for health insurance via another source and who executes an affidavit to that effect may elect not to be covered by the health insurance provided under this Article. The decision to waive coverage shall be made once per calendar year. A waiver agreement drafted by the County shall be executed by the retiree. In the event the retiree elects to forego health insurance, the County shall pay an amount up to twelve hundred dollars (\$1,200.00) directly to the retiree as taxable compensation. The payment shall be made on an annual basis, as soon as possible after the end of the calendar year. A retiree is eligible for full payment if they have been eligible for County paid health insurance for the prior twelve (12) month period and a new retiree is eligible for a pro-rated payment if they are eligible for County paid health insurance and have retired within the preceding twelve month period.

The provisions of this Sub-section (f) shall not apply to a husband and wife who are both retirees (or one employee and one retiree) of the County or of any of the Courts of Eaton County.

A retiree losing health insurance coverage from another source shall notify the County Personnel Department in time so that the retiree and dependents, where appropriate, can be re-enrolled in a health care

plan beginning the first day of the month following alternate coverage. No pre-existing condition requirement has to be met in this situation. The retiree shall be paid a pro-rated payment. Said payment shall be based on the number of months of full time service credited to a retiree from the preceding January 1. Payment shall be made as soon as possible after the end of the calendar year.

Retirees eligible for payment in lieu of health insurance and who become deceased shall have a pro-rated payment made to their beneficiary (as determined by MERS). Said payment shall be made as soon as possible after the retiree's death and shall be based on the number of months of full-time service credited to the retiree from the preceding January 1.

A retiree who obtains health insurance coverage from another source, and elects not to be covered by the County's health insurance shall be paid a pro-rated payment. Said payment shall be based on the number of months of full time service credited to a retiree from the time they obtained the alternate coverage until January 1. Payment shall be made as soon as possible after the end of the calendar year.

(g) Health Care Saving Program. The County has established a Health Care Savings Program (HCSP) through the Municipal Employees' Retirement System (MERS). Any accumulated leave time available to be paid to an employee upon their separation from or retirement from the County may, at the employee's option, be converted into a HCSP in accordance with MERS Policy.

Section 3. Health Insurance – Retirees – Employees Hired After April 1, 2007. Any employee hired after April 1, 2007, will not be eligible for County paid retiree health insurance. The County has established a Health Care Savings Program (HCSP) through the Municipal Employees Retirement System (MERS). Employees will be required to contribute 1% of their salary into their HCSP, which will be a pre-tax deduction. In addition, the County will contribute an amount equal to 2% of the employee's salary into their HCSP. An employee is also able to contribute an additional portion of their salary into the HCSP over and above the

mandatory 1%, up to 10%, which will also be a pre-tax deduction. The County will match the additional contribution by the employee for any amount over 2% and up to 4%.

Any money contributed by the employee, both on a mandatory or voluntary basis, will remain in the employee's account to use for allowable health related activities upon their retirement or termination of employment with the County. In the event of an employee's death, the vesting provisions described below shall apply to the funds in the employee's account. These funds shall remain available for use by the employee's spouse and/or legal dependents under the same terms and conditions for all other individuals enrolled in the County's HCSP. In the event the employee has no spouse or legal dependents, the County shall pay the appropriate amount to the employee's beneficiary in a lump sum payment.

The HCSP has a vesting period. If an employee terminates employment prior to 5 years of service they will receive only their contributions. An employee with 5 years of service, but less than 10 years of service, shall receive both their contributions and fifty percent (50%) of the County's contributions upon their termination of employment from the County. An employee with 10 years of service or more shall receive both their contributions and the County's contributions upon their retirement or termination of employment from the County.

Any leave time accumulated, but not used (available), which is eligible to be paid to an employee upon their separation from or retirement from the County may, at the employee's option, be converted into their HCSP in accordance with MERS Policy.

Section 4. Dental Insurance. All regular full time employees and their families are covered by a dental plan. Coverage for eligible employees will begin on the first day of the month following 30 days of continuous employment. Basic Dental Services (Class I) and Prosthodontic Dental Services (Class II) will be provided with the Plan paying 50% of claims up to a maximum of \$1,200 per covered person per year. The County shall pay the entire premium costs for this benefit.

If improved dental coverage is provided to any County employee, then bargaining unit members shall have the same coverage.

Section 5. Sickness and Accident Insurance.

(a) Coverage. The County provides S & A insurance coverage for all regular full time employees. The coverage will be applicable to non-work related disabilities (including pregnancies), as set forth in the Plan Document. The coverage is available only for employees who are temporarily disabled and have a physician's excuse indicating a projected return to work date. If an employee fails to return to work or returns to work from a disability leave and resigns prior to the completion of ninety (90) days of employment they shall be required to reimburse the County for any disability benefits received during their leave, unless the reason for not returning or not completing the ninety (90) day period is that the employee is eligible for another disability leave, workers' compensation or Family Medical Leave Act. During the time an employee is off of work on the Sickness and Accident Program, they shall have no other employment. The coverage shall provide the following:

66 2/3% of basic weekly earnings to a maximum of \$425 for 26 weeks maximum, commencing the first day if an accident and eighth day if an illness (in which event the employee must use accumulated leave time for the first forty (40) hours). Increases (not reductions) of the weekly maximum benefit approved in the County Plan shall be applicable to the members of the bargaining unit.

Coverage for eligible employees will begin on the first day of the month following 30 days of continuous employment. The County shall pay the entire premium cost for all such coverage.

An employee may use accumulated sick leave, annual leave, personal leave, or compensatory time to make up the difference between the S & A rate of compensation and the employee's normal rate of pay.

Before returning to work, the employee must present a doctor's certificate that they can perform all the duties of the position to which they are returning.

The Employer shall continue to pay the cost of the life, sickness and accident, dental and Employer portion of the health insurance premiums for the length of the disability.

The employee shall continue to pay the cost of the employee portion of the health insurance premiums for the length of the disability.

(b) Limited Duty. At times, an employee who has suffered a disability is physically able and qualified to perform limited duties while recuperating from such disability. Based on the Employer's judgment relative to need, availability, costs and physical limitation, such employee may be utilized for limited duty. The employee may be assigned to work any shift as determined by the Employer.

Employees being considered for limited duty must present either a physician's statement of physical ability to perform limited duty or medical examination report by the Employer's designated physician to the Employer and present proper medical certification.

When an employee is approved for normal duty by the appropriate physician he shall immediately notify the Employer and present proper medical certification.

Section 6. Life Insurance and Accidental Death and Dismemberment Coverage. The County provides life insurance coverage (\$30,000) and accidental death and dismemberment insurance coverage (\$30,000) for all regular full time employees. Coverage for employees shall begin on the first day of the month following 30 days of employment. The County shall pay the entire premium costs for all such coverage. An employee may convert the County policy to a personal policy when they terminate their employment, if permitted by the insurance carrier.

Section 7. Insurance Premiums/Unpaid Status. An employee on an unpaid sick leave of sixty (60) calendar days or more, or an employee on layoff of thirty (30) calendar days or more, or off work and entitled to

Workers' Compensation for twenty-six (26) weeks or more, shall pay full cost of life, sickness, dental and health insurance premiums.

Section 8. Insurance Coverage Changes. If an employee wishes to make any change to their health insurance coverage such as an address change, addition of a dependent, deletion of a dependent, etc. the Employer must be notified, in writing within three (3) weeks of the occurrence. If the notice of the addition of dependents is not made within the three (3) week period, the addition will not be able to be effective until the next open enrollment period, which is January 1 of every year.

Section 9. Specimen Insurance Contracts. Specimen insurance contracts, including eligibility requirements and benefit schedules are available for inspection on request.

Section 10. Workers' Compensation.

(a) Guidelines. The County currently also provides Workers' Compensation coverage.

A work related injury must be immediately reported to the employee's Supervisor and the Personnel Office so that the appropriate forms can be completed. Arrangements can then be made by the Personnel Office for the employee to receive medical care from a County designated physician.

If an injury occurs after 5:00 p.m. or on a weekend, emergency medical treatment may be received from other than County designated physician. However, if the physician who treated an employee for an emergency indicates time off work or follow-up care is necessary, arrangements must be made to see the County physician. These arrangements will also be made by the Personnel Office for the employee.

After ten (10) days from the inception of medical care, an employee may treat with a physician of his own choice but he must first notify the Personnel Office of the name of the physician and his intentions to treat with such physician. The County after receiving such notice may file a Notice of Objection with the Bureau of Workers' Compensation if it so desires.

Failure to follow these procedures will result in the denial and refusal of payment of medical bills where treatment has been sought outside the proper guidelines. During the time an employee is off of work on Workers' Compensation, they shall have no employment that they did not have before the injury or illness in the claim for Workers' Compensation benefits.

Any initial time off and any extensions thereof due to a Workers' Compensation leave must be approved in writing by a physician.

(b) Supplement. When an employee is off work and entitled to Workers' Compensation payments the County will provide the difference in pay between an employee's regular pay and the Workers' Compensation benefit for a period not to exceed one (1) year.

(c) Limited Duty. At times, an employee who has suffered a work related accident, injury, or illness is physically able and qualified to perform limited duties while recuperating from such accident, injury, or illness. Based upon the Department Head's judgment relative to need, availability, costs and physical limitations, such employee may be utilized for limited duty. Limited duty may also include part time work. The employee may be assigned to any shift, as determined by the Department Head.

Employees being considered for limited duty must present either a physician's statement of physical ability to perform limited duty or a medical examination report by the Employer's designated physician to the Department Head.

When an employee is approved for normal duty by the appropriate physician he shall immediately notify the Department Head and present proper medical certification.

Section 11. Pension.

(a) Continuation of the Municipal Employees' Retirement System (MERS). The Employer agrees to continue to apply the Municipal Employees' Retirement System (MERS to employees in the bargaining unit

represented by the Lodge for the duration of this agreement as set forth in the plan, the terms and conditions of which are binding on the parties as though fully set forth herein, with the same benefits as presently in effect.

(b) Benefit Programs and Employee Contributions.

(i) Effective at the beginning of the second quarter in 1995 (as determined by MERS), the retirement plan for all unit employees included a Benefit Program E-2. The employee computed contribution rate to support Benefit Program E-2 is 2.3% as evidenced by the valuation and letter dated April 18, 1994 from Gabriel, Roeder, Smith and Company. The employees contribution was increased from 3.5% to 5.8%.

(ii) Effective at the beginning of the first quarter in 1997 (as determined by MERS), the retirement plan for all unit employees is Benefit Program B-4 (credit service at time of termination of employment multiplied by 2.5% of final average compensation, to a maximum of 80% of final average compensation). The employee computed contribution rate to support Benefit Program B-4 is 1.1% as evidenced by the valuation and letter dated April 18, 1994 from Gabriel, Roeder, Smith and Company. Prior to that, the retirement plan for all unit employees was B-3.

The Plan provides for no reduction in Pension for those employees who retire and are less than 60, but at least 50 years of age with 25 years or more of credited service (Benefit Program F50/25).

The employee computed contribution rate to support Benefit Program F50/25 is .5% as evidenced by the valuation and letter dated April 18, 1994 from Gabriel, Roeder, Smith and Company. Prior to that, the employees' retirement plan included Benefit Program F55/25.

The employee's contribution rate was increased to 7.4% from 5.8%.

(iii) Effective at the beginning of the second quarter in 1999 (as determined by MERS), the retirement plan for all unit employees shall include Benefit Program FAC-3 (provides for the final average compensation being computed on the highest thirty six (36) consecutive months of earnings, divided by 3) and Benefit Program 3.2 Multiplier (credited service at the time of termination of employment multiplied by 3.2% of final average compensation to a maximum of 80% of final average compensation). The employee computed contribution rate to completely support Benefit Program FAC-3 and the 3.2 Multiplier is 6.8% as evidenced by the valuation and letter dated April 27, 1998 from the Segal Company.

Effective with the first full pay period of the second quarter in 1999 (as determined by MERS), the employee's contribution rate to their Retirement Plan was increased to 14.2% to include the Benefit FAC-3 Program and the Benefit 3.2 Multiplier Program.

The employee's contribution to their Retirement Plan as of January 1, 1998 was 7.4%. The Employer's contribution to the employees' Retirement Plan as of January 1, 1998 was 8.9% (based on the December 31, 1996 Annual Actuarial Valuation. This represents a 45% contribution by the employees and 55% contribution by the Employer. For any year after the year that Benefit Program F-3 and the 3.2 Multiplier become effective, any increases or decreases in the Employer's normal contribution rate (not due to actuarial error) shall be paid proportionately by the employees and the Employer (e.g., a 1% Employer increase (decrease) will be funded by increasing (reducing) the employees' rate by .45% and increasing (reducing) the employer's rate by .55%). This provision was in effect from April 1, 1999 through September 30, 2006. As of September 30, 2007 the employee's total rate will be fixed at 13.46%. The Employer's rate will be determined as a result of the annual Actuarial Valuation performed by

MERS. The Employer will pay the administrative costs assessed by MERS that are associated with the 3.2 Multiplier Benefit Program.

(c) No matter respecting the Pension Plan shall be subject to the Grievance Procedure of this Agreement.

Section 12. Right to Change Carriers. The Employer reserves the right to change insurance carriers, provided that comparable benefits will be provided to the employees. In the event the parties cannot agree upon comparability, it may be grieved by the Lodge.

Section 13. False Arrest & Liability Insurance. The Employer shall provide liability insurance in the amount of Five Hundred Thousand Dollars (\$500,000) combined with single limit with an excess insurance limit of liability of One Million Dollars (\$1,000,000) against liability for acts of an employee while he is acting within the scope of his authority. A copy of the policy will be furnished to the Lodge Bargaining Committee upon request.

The Employer will provide to the employee such legal assistance as will be required when civil action is brought against an employee as a result of the acts occurring when and while said employee is acting within the scope of his authority; provided that notification is immediately given to the Employer that service of process was made upon the employee.

Section 14. Deferred Compensation Plan. The employees are eligible for a group deferred compensation plan provided by the Employer. There are three open enrollment periods each year, those being January, May and September.

Section 2. Reimbursement of Personal Property in the Line of Duty. The Employer agrees to financially compensate an employee for loss of, or damage to, certain personal property in the line of duty, where such personal property is determined to be necessary to the performance of the employee's duties. Requests for reimbursement shall be submitted to the Central Dispatch Director in writing, accompanied by proper documentation. ARTICLE 21

Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. ARTICLE 24

LODGE REPRESENTATION

Section 1. Representation. Employees shall be represented by Division Officers, a President and/or two Alternate Stewards. At the direction of the Division President, an Alternate Steward shall represent the employees.

Section 2. Mileage for Court Duty and Training. Employees shall be entitled to mileage reimbursement for training or meetings required by the Employer or for Court Duty. Reimbursement shall not include the round trip distance the employee regularly drives from his home to his work site and back home again.

ARTICLE 28

LAYOFF AND RECALL

Section 1. Definition of Layoff. The Employer may layoff employees by classification whenever he deems such action to be necessary, by reason of lack of funds, lack of work, the abolition of the position, material change in the Department organization, or for other legitimate reasons which are outside the Employer's control and which do not reflect discredit upon the services of the employee.

Section 2. Layoff Procedure. Whenever a reduction in the work force occurs, the following procedure shall be utilized.

The first employees to be laid off within the bargaining unit, as determined by the Central Dispatch Director, and in the order stated, shall be: part-time and then probationary employees.

Thereafter, the first employees to be laid off shall be those employees with the least amount of departmental seniority, provided, however, the senior employees retained are able to perform the remaining required work.

Section 3. Replacement of Bargaining Unit Employees. It is not the intent of the Employer to replace laid off bargaining unit employees with supervisory personnel, but rather to use the layoff procedure described herein as deemed appropriate by the Employer.

Section 4. Notice of Layoff. The Employer shall give written notice to the employee(s) and Lodge of any proposed layoff. Such notice shall be submitted at least two (2) calendar weeks before the effective dates thereof.

In the event that the Employer deems it necessary to lay off three (3) or more bargaining unit employees at one time, the Employer and the Lodge agree to meet within forty-eight (48) hours after receipt of notice by the Lodge from the Employer to discuss alternatives to layoff.

Section 5. Recall Procedure. When the working force is increased after a layoff, employees will be recalled in inverse order of layoff. Notice of recall shall be sent to the employee at the last known address by registered mail or certified mail. If an employee fails to report for work within one (1) week from date of receipt of notice of recall, he shall be considered to have quit. It shall be the responsibility of the employee to make the Employer aware of their current address.

Section 6. Voluntary Layoffs.

(a) In the event of layoffs, the Employer may post the anticipated duration and number of employees to be subject to layoff for the purpose of determining whether any employees in the bargaining unit desire to participate in a voluntary layoff by signing the posting. In the event the number of employees indicating a willingness to participate in a voluntary layoff exceeds the number of positions subject to layoff, the Employer shall grant the requests on the basis of departmental seniority; affording to the most senior employee the first option.

(b) Voluntary layoffs shall be subject to the approval of the Central Dispatch Director or his Designee based on the operational needs of the Department. An employee(s) who is approved for voluntary layoff shall not be able to exercise the bumping provisions described in this Article, unless the period of layoff exceeds the period described in the posting.

(c) The Employer retains the right to call the voluntary layoff employee back to work with two (2) weeks notice at any time prior to the expiration of the voluntary layoff, subject to the operational needs of the Department. Such notice shall be sent to the employee at the last known address by registered mail or certified mail. Should the employee decline to return to work, his employment shall be terminated.

(d) If an employee should volunteer for such layoff for the time specified by the Employer, and the layoff should extend beyond the time period so specified, the employee(s) in question shall be recalled and, if layoffs are still necessary, they will proceed in the manner outlined above. The voluntary layoff employee subject to recall may notify the Employer at that time that he does not wish to return to work, and will be terminated from employment.

(e) If the Employer does not secure any layoff by voluntary action, or if the number of volunteers for layoff status does not equal the number of positions subject to layoff, the provisions of Section 1, above, will be applicable.

(f) Employees that are placed upon layoff status as volunteers will be subject to the provisions of Article 9, Sections 1 and 3, regarding seniority, and Article 15, Section 7, regarding insurance.

ARTICLE 29

NEW JOB CLASSIFICATION

Section 1. Written Notice to the Lodge. In the event the Employer establishes a new classification which cannot be properly placed in the existing classification and rate structure, the Lodge will be notified in writing.

Section 2. Employer Established Rate. The Employer will, after written notice to the Lodge, establish a rate for the new classification, which shall be considered temporary for a period of thirty (30) days following the date of notification to the Lodge. During this period, the Lodge may request in writing a meeting with the Employer to review the temporary rate. If a rate cannot be agreed upon, the Lodge can appeal the rate to Mediation and Factfinding through the Michigan Employment Relations Commission. Such appeal shall preclude submission of a new classification wage rate to arbitration or any other statutory procedure.

Section 3. Retroactivity. If a new rate is agreed upon, it shall be applied retroactive to the first day the employee began work on the job unless otherwise agreed to. If no written request is filed within the thirty (30) day period, the rate shall become permanent at the end of such period.

ARTICLE 30

FITNESS PROGRAM

The Employer shall make available to interested employees a voluntary physical fitness program.

A voluntary Physical Fitness Program Committee shall be established consisting of one representative from the bargaining unit, one Dispatch Supervisor and the Central Dispatch Director or his designee. Meetings will be held at the request of either party. Any equipment purchased pursuant to this Article will remain in the Central Dispatch Building.

ARTICLE 31

APPENDIX B
PROMOTION

The following is the procedure for filling permanent vacancies at the Supervisor's level within the Eaton County Central Dispatch Department.

Section 1. Vacancy Posting. The vacancy position will be posted for not less than thirty (30) calendar days in advance of the beginning of the selection process. The vacancy may also be advertised in appropriate media at the discretion of the Central Dispatch Director. The posting shall state what the minimum qualifications are and the deadline for applying. The posting shall provide a description of the subject matters to be considered in the Promotional Process.

Section 2. Eligibility. Any non-probationary Dispatcher shall be permitted to participate in the promotion process, but no employee can actually be promoted unless they have completed a minimum of three (3) years in the Eaton County Central Dispatch Department as a Dispatcher, by the calendar date the promotion becomes effective.

Section 3. Application. Interested persons may apply for the position by submitting a letter of interest and a resume to the Director by the deadline stated in the posting.

Section 4. Written Exam. A written exam shall be given to those qualified candidates who have complied with the application requirements.

1. The written exam shall be developed and administered by an independent testing agency selected by the Director.

2. Based on the highest scores achieved on the written exam, the eight (8) candidates with the highest score will be advanced to the next step of the promotional procedure.

A copy of the written exam scores shall be posted with a copy being provided to the Lodge

Division President. At least three (3) of the candidates who advance to the next step of the promotional procedure must be immediately eligible for promotion.

Section 5. Oral Board. Those applicants who advance from the written exam shall be evaluated by an Oral Board administered by an independent testing agency selected by the Director. The Oral Boards shall be conducted as soon as possible, but no later than sixty (60) days from the date the results of the written exam are posted. Selection of the Oral Board representatives shall be the responsibility and at the discretion of the Director.

The objective of the Oral Board is to select those applicants who are best qualified, who would be most effective as a Dispatch Supervisor. To arrive at this objective, the following steps will normally be followed during the evaluation of qualified applicants.

1. Each qualified applicant will be given an exercise designed to test the applicant's ability to prioritize and handle problems and activities within a set time frame. The results of this exercise will be used by the Oral Board to measure in part the applicant's job related skills/qualifications.

2. Each qualified applicant will be introduced to the Oral Board, and provided with a brief description of the interview process. Their qualifications as presented in their resume will be reviewed.

3. Each interviewer will direct various questions to each applicant that are common to all of the interviews. Additionally, each interviewer may tailor follow-up questions to each applicant based on the strengths or weaknesses they perceive in the applicant's exercise results, individual qualifications, or responses to lead questions.

4. Interviewers will base their evaluations on factors such as, but not limited to, those listed below:

- *Relevance of training, education and experience.
- *Technical decision making ability.
- *Supervisory decision making ability.
- *Management/Leadership abilities.
- *Oral Communication.
- *Planning and organization.
- *Written communications.

5. Following the interview, each interviewer shall individually determine a preliminary rating for each applicant. The Oral Board administrator shall then assist the interviewers in reaching a consensus for each applicant which shall be the final rating.

6. The Director will receive a list containing the names of the applicants with the scores of both the written exams and Oral Board ratings from the independent testing agency. A copy of the combined scores and the rankings based by these scores shall be posted with a copy being provided to the Lodge Division President.

Section 6. Program Weight. Scores will be based upon the Written Exam and the Oral Board as follows:

- (a) Written Exam - Forty percent (40%)
- (b) Oral Board - Sixty percent (60%)

Section 7. Roster. A roster shall be established, which lists the consecutive order based on the overall score. Ties will be resolved using departmental seniority. The Central Dispatch

Director will have the option to promote a person for each position from the top three (3) employees immediately eligible for promotion.

If any of the top three candidates declines an offered promotion, the next highest scoring candidate will be moved up. Any candidate declining promotion shall not be reinstated for consideration during the life of the eligibility roster.

Section 8. Examination Period. Promotional exams will be given as the need arises except that every time there are promotional exams a two (2) year eligibility roster will be made and any time a promotional opening occurs during this two (2) year period the Central Dispatch Director will choose a person from this roster in accordance with Section 6. Once this roster expires no new roster will be made until the need arises in conjunction with promotional exams.

Section 9. Probation. Commencing with the effective date of the promotion, the promoted employee shall receive the rate of the new rank at the level of the Supervisor's pay scale according to the following:

<u>Dispatcher</u>	<u>Dispatch Supervisor</u>
3 Year Step	Entry
4 Year Step	1 Year Step
5 Year Step	2 Year Step

All promoted employees shall be on probation for a period of twelve (12) months immediately following promotion. During such probationary period, the Central Dispatch Director may, demote the employee to his former rank for just cause or the employee may, on his own volition, request in writing to be relieved of his new rank and be returned to his former rank or position without loss of seniority in the former rank or position.

RETIREE HEALTH INSURANCE

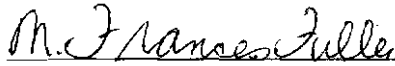

1. Terese Carrow, Rhonda Owens and Mary Lamson have submitted documents to the County verifying previous public service employment that may qualify towards their pension with the Municipal Employees Retirement System (MERS).
