AGREEMENT

This Agreement entered into under Act 379, Public Acts of Michigan, as amended, between Genesee County, a municipal body corporation of the State of Michigan, comprising the Genesee County Board of Commissioners and the Genesee County Community Action Resource Department, hereinafter referred to as the Employer, and Local Union 496, affiliated with Council 25, and chartered by the American Federation of State, County and Municipal Employees (AFL-CIO), hereinafter referred to as the Union, expresses all mutually agreed covenants between the parties hereto.

PREAMBLE

This Agreement has as its purpose the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work and other conditions of employment.

The parties subscribe to the principle of equal opportunities and shall share equally the responsibilities for applying the provisions of this Agreement without discrimination as to age, sex, marital status, race, color, weight, height, disability, religion, national origin, political or union affiliation.

The parties encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

The following constitutes an entire Agreement between the parties, and no verbal statement shall supersede any of its provisions. This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships existing by past practices.

ARTICLE 1 - RECOGNITION - EMPLOYEES COVERED

Section 1 - Collective Bargaining Unit

Pursuant to, and in accordance with, all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the sole exclusive representative for the purpose of collective bargaining with respect to the rates of pay, wages, hours of employment, and other conditions of employment during the terms of this Agreement for those employees including all Senior Mobile Meals Drivers and excluding all other employees.

Section 2 - Non-Interference Union Activity

The Employer will not interfere with or discriminate in any way against any employee in the above bargaining unit by reason of their membership in the Union or their activity on behalf of the Union or any other labor organization.

ARTICLE 2 - EMPLOYEE, UNION AND EMPLOYER RIGHTS

Section 1 - Public Acts

The employees and the Union as sole and exclusive bargaining representatives of the employees shall have the rights granted to them by Act 379 of the Michigan Public Acts of 1965, as amended, and by other applicable Michigan Public Acts.

Section 2 - Employer Rights

The Employer, on its own behalf and on behalf of the public it serves, hereby retains and reserves unto itself, and its designated representatives when so delegated by it, all powers, rights, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and the United States. Among the rights of the Employer, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment and machines to provide such service; to determine the size of the work force and to increase and decrease the number of employees retained; to hire new employees; to determine the nature and number of facilities and departments and their location; to adopt, modify, change or alter its budget; to establish classifications of work; to combine or reorganize any part or all of its operations; to maintain order and efficiency; to study and use improved methods and equipment and outside assistance either in or out of the Employer's facilities; to direct the work force; to assign work and determine the location of work assignments and related work to be performed; to determine the number of employees to be assigned to operations; to select employees for promotion or transfer to supervisory or other positions; to determine the number of supervisors; to make judgments regarding skill and ability and the qualifications and competency of employees; to establish training requirements for purposes of maintaining or improving the professional skills of employees and for advancement. The Employer shall also have the right to suspend, discipline or discharge employees for just cause; to establish and follow an orderly procedure to transfer, layoff and recall personnel; to establish reasonable work rules and to fix and determine penalties for violations of such rules; to establish and change work schedules and hours; to provide and assign relief personnel; and to continue and maintain its operations as in the past, provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement and, as such, they shall be subject to the Grievance and Arbitration Procedure established herein.

Section 3 - Practices in Effect

It is not the intent of this Agreement to abridge or amend any mutually satisfactory practice currently in effect with regard to wages, hours and other terms and conditions of employment, which is not superseded or prohibited by the provisions of this Agreement. However, it is further recognized that such practices may be subjected to modification or termination by the Employer due to new or differing modes of operation, economic feasibility, or other changing conditions. In such instances, if the Union

and/or any affected employee considers such action to be unjust or unreasonable, the matter may be pursued through the grievance procedure.

Section 4 - Discipline Modification by Arbitrator

No provision of this Agreement shall prohibit an Arbitrator from amending or modifying any disciplinary action.

ARTICLE 3 - UNION SECURITY AND UNION DUES

Section 1 - Membership

All employees who are members of the Union on the effective date of this Agreement or elect to become members during the term of this Agreement shall maintain their membership except as provided herein. Employees may terminate their membership by notifying in writing the Employer and the Union of their desire to terminate said membership within fifteen (15) days of the expiration of this Agreement.

Section 2 - Membership Dues

Employees who are members of the Union shall, as a condition of continued employment, pay to the Union each pay period the dues and fees which have been certified to the Employer by the Treasurer of Local 496. The Employer agrees to deduct Union dues uniformly required each pay period. The amounts to be deducted shall be certified to the Employer by the Treasurer of Local 496, and the aggregate deductions of all employees shall be remitted together with an itemized statement to the Financial Officer of Council 25.

Section 3 - Service Fee

Any present or future employee who is not a Union member and who has not made application for membership, shall, as a condition of employment, pay to the Union each pay period a service fee equivalent to the amount of dues uniformly required of members of the Union. The Employer agrees to deduct the aforesaid service fees each pay period from the pay of the employees and pay the amount so deducted to the Financial Officer of Council 25.

Section 4 - Equivalent Fee Payment

Any employee who was or is covered by the collective bargaining Agreement and who, in any month paid neither dues nor equivalent service fee, shall pay a service fee equivalent to dues for that month and all months during which they were represented and paid neither dues nor service fees.

Section 5 - Hold Harmless

With regard to the above Union Security and Union Dues Check-Off clauses, the Union hereby agrees to hold the Employer harmless from any and all liability that may arise in consequence of the application of such clauses. Any requests by employees for actual or alleged overpayments shall be made directly to the Union through its Treasurer, within two (2) weeks of the actual or alleged over payment.

In cases where Union dues are deducted in error from non-Union employees and are sent to the Union, the Union shall promptly refund any monies owed the employee upon presentation of proper evidence. Such presentation shall be made within two (2) weeks of the receipt of the check in which overpayment occurred.

Section 6 - New Bargaining Unit Employee List

The Human Resources Director will submit monthly to the Local Union President and Chapter Chairperson, a written listing of new bargaining unit employees. Thereafter, within thirty (30) calendar days the Local Union Treasurer will notify the Human Resources Director in writing of the agency fees or membership status of the new bargaining unit employees.

ARTICLE 4 - UNION REPRESENTATION

Section 1 - Steward

Employees shall be represented by one (1) Steward. The steward shall be a Senior Mobile Meals Driver.

The Union may also designate one (1) Alternate Steward whose duties shall be the same as those of the Steward when the Steward is absent from work. No one shall be eligible to serve as a Steward or Alternate Steward unless he/she is an employee and until he/she has satisfactorily completed his or her probationary period.

Section 2 - Identification of Representatives

The Union will furnish the Human Resources Department, in writing, with the names of all its authorized representatives who are employed within the unit, and any changes as may come from time to time in such personnel, so that the Employer may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing.

Likewise, the Human Resources Department will provide the Chapter Chairperson a list of administrative and supervisory personnel who will be involved in the grievance procedure.

Section 3 - International Union Representatives

International and/or Council Executive Officers of the Union and/or their representatives are authorized to represent the Union at the appropriate step of the grievance procedure.

Section 4 - Steward Grievance

Any Steward or Alternate Steward, having an individual grievance in connection with their own work, may ask the other to assist them in adjusting the grievance with their supervisor.

ARTICLE 5 - SPECIAL CONFERENCES

Section 1 - Scheduling

Special Conferences for important matters will be arranged between the Chapter Chairperson and the Human Resources Director upon the request of either party.

Section 2 - Attendees

Such meetings shall have no more than three (3) representatives of the Union and no more than three (3) representatives of the Employer.

Additional members may be in attendance at those conferences by mutual consent. Arrangements for each Special Conference shall be made in advance, and an agenda of the matters to be taken up at the meeting shall be presented, in writing, at the time the conference is requested.

Special Conferences shall be held at a mutually agreed upon time, and shall be limited to one (1) hour duration unless extended by the parties.

Section 3 - Time Limits

Special Conferences shall be scheduled within ten (10) working days after the receipt of the request. The time limitations set forth in this Agreement for matters subject to the Grievance Procedure shall continue to be applicable despite a request for a Special Conference on the same subject, unless the parties mutually agree to the contrary in writing. Matters of a grievable nature, if not resolved in Conference, shall be moved to the appropriate step of the grievance procedure, such step being agreed to in writing by the Conferees.

Section 4 - Union Meeting Prior to Conference

The Union representatives may meet at a place designated on the Employer's property for one-half (1/2) hour preceding the conference.

ARTICLE 6 - GRIEVANCE PROCEDURE

Section 1 - Definition

A grievance under the terms of this Agreement is defined as a specific complaint or dispute regarding wages, hours and/or conditions of employment. It is mutually agreed that all grievances, disputes or complaints arising under and during the term of this Agreement shall be settled in accordance with the procedure herein provided.

Section 2 - Understanding

An employee having a grievance, or one designated member of a group of employees having a grievance, shall present it to the Employer with the following understanding:

- a. The Employer and the Union agree that it is in the best interest of all concerned that grievances be settled as quickly and expeditiously as possible, making every effort to settle these matters at the earliest step of the grievance procedure.
- b. All parties agree that the question of grievances will be dealt with in a responsible manner, and that all grievances arising under and during the life of this Agreement shall be settled in accordance with the procedure herein provided.

Section 3 - Processing

The Employer and the Union shall answer or appeal any grievance presented within the time limits, which may be extended by mutual agreement in writing.

Section 4 - Grievance Procedure

A grievance must be presented in writing by the Steward within thirty (30) calendar days after its occurrence, or within 30 days from when the Union became aware of a continuing grievance, in order for it to be a proper matter for the Grievance Procedure. However, in no event will any claim for back pay be valid for a period of more than thirty (30) calendar days prior to the date the grievance was first filed.

Step I

Employees shall first specify the grievance orally to their Supervisor. Thereafter, employees may discuss the grievance with their Supervisor and/or the Steward may be requested by the employee to discuss the grievance with the Supervisor.

Step II

If not resolved in this manner, it shall be submitted in written form, signed by the employee(s) and presented to the Supervisor. The Supervisor shall answer the grievance within five (5) working days of receipt.

Step III

If the grievance is not satisfactorily resolved at Step II, it may be appealed in written form to the Department Head within five (5) working days from the date the Supervisor's answer is due. The Department Head will render a decision in writing within five (5) working days.

Step IV - Appeal Step

If the grievance is not satisfactorily resolved at Step III, written notification will be given by the Union to the Genesee County Human Resources Director within five (5) working days after the Department Head's answer is due. The Human Resources Director will then schedule a meeting or meetings at a mutually agreeable time, to be attended by the Steward, the grievant, the Union's Council representative, and three (3) representatives of the Employer within ten (10) working days after such notification. If the matter is resolved by the parties at the Appeal Step, the resolution shall be reduced to writing and copies sent to the parties. If no resolution of the grievance is reached among the parties at the Appeal Step, the Human Resources Director shall submit the Employer's final answer on the grievance to the Steward within ten (10) working days following the date of the last Appeal Step meeting.

Step V

- a. The Union may request arbitration on any grievance unresolved at the Appeal Step within twenty five (25) calendar days after receipt of the Employer's final answer on the grievance.
- b. All such requests shall be in writing by registered or certified mail or personal delivery, addressed to the Human Resources Director and shall state the precise issue to be decided, and any specific portions of the Agreement which are claimed to be violated. If not so requested within the twenty five (25) calendar day period, the matter shall be considered settled on the basis of the final answer.
- c. Not more than one (1) grievance or dispute may be submitted in one (1) arbitration proceeding except by mutual agreement of the parties.
- d. The Arbitrator shall be selected by mutual agreement between the parties. If an agreement is not reached, the services of the Federal Mediation and Conciliation Service will be utilized in the following manner: A list of seven (7) arbitrators will be requested from FMCS. If an Arbitrator is not mutually agreed to by the parties from such list, FMCS will appoint another Arbitrator who shall serve unless either party can show just cause why said Arbitrator should not be utilized.
- e. After designation of the Arbitrator, a hearing shall be held as soon as practical and the Arbitrator shall issue an Opinion and Award. The decision shall be final and binding on the parties and the employee(s) involved, subject to any law or governmental regulation applicable thereto, including those under authority of Genesee County.

- f. The Arbitrator's fee, travel expenses, the filing fee and the cost of any room or facilities shall be borne equally by the parties, but the fees and wages of representatives, counsel, witnesses or other persons attending the hearing shall be borne by the parties incurring them, with the exception that the grievant, if a current employee on the active payroll, and one (1) Steward shall not lose pay.

If more than one (1) grievant is involved in a particular grievance, the Union shall designate one (1) grievant who shall be covered by this provision for time spent during regular working hours in attendance at an arbitration hearing.

- g. The Arbitrator shall have no power to add to, subtract from, or modify, any of the terms of this Agreement. Neither shall he/she have power to establish or change any classification wage rate, to rule on any claim arising under an insurance policy or retirement claim or dispute, or to issue a ruling modifying any matter covered by a Statute or Ordinance.

Section 5 - Veterans' Preference Claims

It is the intent of the parties to this Agreement that its terms and provisions shall be applicable to all employees included within the bargaining unit. Accordingly, the parties hereby agree that any employees who may come within the provisions of any legislative enactment entitling a military veteran to a preference in employment, or which establishes a procedure whereby the military veteran may challenge the Employer's determinations regarding the veteran's employment status will be required to, no later than Step III of the Grievance Procedure, elect in writing either the Grievance Procedure or the statutory remedy as the single means of challenging the Employer's determination. If the employee elects to pursue the statutory remedy, any grievance concerning the Employer's employment determination shall be considered withdrawn by the Union and further, shall not thereafter be a subject of any Arbitration proceeding.

ARTICLE 7 - DISCIPLINARY PROCEDURES

Section 1 - Procedure

Disciplinary action issued by the Employer will be for just cause. Disciplinary action shall include written reprimand, unpaid suspension and discharge. Employees will be tendered a copy of any disciplinary action entered into their personnel file within three (3) working days of the action taken. The Steward will also be tendered a copy. In imposing disciplinary action on a current charge, the Employer will not take into account any disciplinary action, which occurred more than two (2) years previously. The Employer may impose disciplinary action on employees for errors or mistakes on their employment application, if such errors or mistakes give rise to a material misrepresentation by the employee in securing a position with Genesee County. Should the disciplined employee or the Union consider any disciplinary action improper, the matter shall be processed through the Grievance Procedure. Discharge grievances shall be filed at Step IV.

The Employer may utilize verbal counseling in cases not justifying disciplinary action. The written record of verbal counseling shall be identified as a counseling memorandum, shall be tendered the employee and shall be entered in the employee's personnel file. Counseling memorandums shall not be construed as disciplinary action. The Employer will not take into account any counseling memorandums, which occurred more than two (2) years previously. Employees receiving counseling memorandums shall have the right to submit a written statement (up to five (5) sheets of 8 1/2 by 11 inch paper) explaining his or her position concerning the counseling memorandums, which will become a permanent part of the file and will be included whenever the file is displayed to a third party.

Discipline records and counseling memorandums shall be removed from the employee's personnel file after four (4) years from date of issue. The Union understands the records will be maintained in a separate file in the Human Resources Office and may be utilized in litigation, arbitration and/or reporting requirements of any governmental agency.

Section 2 - Leaving Premises

A discharged or suspended employee will be allowed to discuss the discharge or suspension with their Steward, and the Employer will make available an area where this may be done in private before the employee is required to leave the property of the Employer. Upon request, the Employer or a designated representative will discuss the discharge or suspension with the employee and the Steward.

ARTICLE 8 - WORK RULES

The Employer reserves the right to establish and change from time to time reasonable work rules governing the conduct of its employees and to determine disciplinary action for violation of such rules. The Union shall have thirty (30) calendar days to grieve the reasonableness of any such rules after proof that a copy is received by the Steward. Any grievance challenging the reasonableness of a rule shall be initiated at Step IV of the Grievance Procedure.

ARTICLE 9 - SENIORITY

Section 1 - Probationary Period

New employees shall serve a ninety (90) calendar day probationary period. After completion of the probationary period, seniority shall be in accordance with date of hire.

There shall be no seniority among probationary employees. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in Article 1 of the Agreement. However, the Union shall not represent probationary employees who have been disciplined or discharged, unless said discipline or discharge was for Union activity.

Section 2 - Loss of Seniority

An employee's seniority shall terminate for any of the following reasons:

- a. The employee quits.
- b. The employee is terminated or discharged and the termination or discharge is not reversed through the procedures set forth in this Agreement.
- c. The employee is absent for any three (3) consecutive working days without properly notifying the Employer. After such unreported absence, the Employer will send written notification to the employee by certified mail at his/her last known address that because of the unreported absence, the employee is considered to have resigned (voluntary quit) and is no longer in the employ of Genesee County. In proper cases exceptions shall be made upon the employee producing convincing proof of his/her inability to give such notice.
- d. If the employee does not return to work on the date specified for recall from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made upon the employee producing convincing proof of his/her inability to return as required.
- e. The employee fails to return on the specified date following an approved leave of absence, sick leave, vacation or a disciplinary suspension. In proper cases, exceptions shall be made upon the employee presenting convincing proof of his/her inability to return on the required date.
- f. The employee has been on layoff or workers compensation status for a period of two (2) years or the length of his/her seniority, whichever is less.

ARTICLE 10 - LAYOFF/RECALL

The Employer may layoff employees whenever it deems such action to be necessary, including, by way of illustration only and not by way of limitation, a reduction in the work force due to a shortage of work or funds, the elimination of positions, material changes in Departmental organization or for other reasons which are outside an employee's control.

Layoffs shall begin with the least senior driver. Recalls shall begin with the highest senior driver.

ARTICLE 11 - POSTING

Seniority employees may apply for posted permanent route vacancies. The Employer shall select the highest seniority applicant to fill the permanent vacancy. Permanent route vacancies will be posted on the bulletin board for a Monday through Friday period. Interested seniority employees must apply by placing their name and date applying on the posted notice during the posting period.

ARTICLE 12 - ROUTE VACANCIES AND CHANGES

Any current route that becomes vacant due to absences or leaves will be offered first to bargaining unit members who's current routes are contiguous to the new or vacant bargaining unit route, until the new route is filled or until the driver on leave of absence returns to work.

The filling of vacant routes must not cause the total assigned hours for the temporary routes assigned to exceed the five (5) or six (6) six hour driving caps (for five day delivery schedules) or six (6) or seven (7) hour driving caps (for four day delivery schedules) for that vacant route and delivery time must comply with the requirements of the funding agency. This vacant route assignment will be in addition to the bargaining unit members normal route and paid according to the scale in Article 15, Section 3.

If the number of bargaining unit members requesting to fill the vacant route do not meet the needs to provide sufficient service under the guidelines, the Employer may then offer the route or part of the route to volunteers or assign non-bargaining unit members.

Any new routes added in the future over the ten (10) current routes may be assigned to volunteers at the Employer's discretion. The number of new routes over ten (10) must first be posted as provided in Article 11, with any volunteers then being assigned to the non-requested routes.

Also, as the current ten (10) routes become vacant through attrition of the current bargaining unit members, as defined below, the Employer may assign the routes to volunteers at the Employer's discretion. For each two (2) current employees that quit, retire, die, or are discharged, the Employer may assign a volunteer as indicated:

- Two current employees attrition = One of the ten routes may be assigned to volunteer
- Four current employees attrition = Two of the ten routes may be assigned to volunteer
- Six current employees attrition = Three of the ten routes may be assigned to volunteer
- Eight current employees attrition = Four of the ten routes may be assigned to volunteer
- Ten current employees attrition = Five of the ten routes may be assigned to volunteer

The attrition routes must first be posted as provided in Article 11, with any volunteers then being assigned to the non-requested attrition routes.

Volunteers are considered employees not receiving wages from Genesee County.

The Employer will advise the Union prior to any major permanent route changes or when adding additional routes.

ARTICLE 13 - COMPENSATION

Effective the first full pay period in October of 2002, Mobile Meals Drivers shall receive a pay increase to \$7.26 per hour.

Effective the first full pay period following ratification of the contract by the Genesee County Board of Commissioners, (July 28, 2007) these employees shall receive a pay increase to \$8.50 per hour.

Employees assigned to a regular out county route shall be required to complete the route within six (6) hours for five (5) day delivery schedules or seven (7) hours for four (4) day delivery schedules. Should an employee deliver a full additional route over their regular route in a day, the employee will receive five (5) additional straight time hours pay if on a five (5) day delivery schedule or six (6) additional straight time hours pay if on a four (4) day delivery schedule on an inner city route or six (6) additional straight time hours pay if on a five (5) day delivery schedule or seven (7) additional straight time hours pay if on a four (4) day delivery schedule on an out county route.

Employees required to work by the Employer to perform extra non-delivery work shall be paid the regular hourly rate for all time spent performing the extra work.

Section 4 - Recording Time Worked

Bargaining unit members are required to record their time worked accurately on the timesheets designated by the Employer. Timesheets must be turned into the employee's supervisor by the established deadline determined by the Employer.

The Employer will not modify timesheets without discussion with the employee when timesheets are submitted to the supervisor by the established deadline.

Section 5 - Four (4) Day or Five (5) Day Delivery Schedules

Within thirty (30) calendar days of ratification of the contract by the Genesee County Board of Commissioners, the Employer may convert to a four (4) day delivery schedule.

Thereafter, the Employer may convert delivery schedules from four (4) day to five (5) day delivery schedules or from five (5) day to four (4) day delivery schedules by giving thirty (30) calendar day notice in writing to the Local Union.

ARTICLE 16 - LEAVE OF ABSENCE

Section 1 - Guidelines

A leave of absence, as provided for in this Article, is a written authorized absence from work granted by the Employer. Such requests for a leave of absence shall be submitted in writing by the employee to the Department Head at least ten (10) working days in advance, except in emergency situations. The request shall state the reason for the leave of absence and the exact date on which the leave begins, and the exact date on which the employee is to return to work. Authorization or denial for a leave of absence request shall be furnished to the employee in writing by the Employer. Additional requirements for specific leaves are included in the following sections dealing with the specific leave.
