The 7th Judicial Circuit Court is hereinafter referred to as the Employer and Teamsters Local 214 hereinafter referred to as the Union, expresses all mutually agreed covenants between the parties hereto.

P R E A M B L E

This Agreement has as its purpose the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work and other conditions of employment.

The parties ascribe to the principle of equal opportunities and shall share equally the responsibilities for applying the provisions of this Agreement without discrimination as to age, sex, marital status, race, color, weight, height, disability, religion, national origin, political or Union affiliation.

The parties encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

The following constitutes an entire Agreement between the parties and no verbal statement shall supersede any of its provisions. This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships existing by past practices.

ARTICLE I - RECOGNITION - EMPLOYEES COVERED

Section 1 - Bargaining Unit

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the sole exclusive representative for the purpose of collective bargaining with respect to the rates of pay, wages, hours of employment, and other conditions of employment during the terms of this Agreement for those employees certified by the State of Michigan Employment Relations Commission in Case R75 A-5 and including F.O.C. Administrative Assistant, FOC Financial Assistant, Office Supervisor, and Casework Supervisor but EXCLUDING: all other employees.

Section 2 - Membership

The Employer will not interfere with or discriminate in any way against any employee in the above bargaining unit by reason of his/her membership in the Union or his/her activity on behalf of the Union or any other labor organization.

Section 3 - Powers Of The Court

The parties recognize the constitutional, statutory and inherent powers of the Court to manage their affairs, to administer justice and to run the business of the Courts. They further recognize the necessity that a Judge be able to maintain confidence in all employees on his/her staff or closely associated with the Judge. However, nothing contained in this Section shall be construed to limit the employee's rights under this Agreement.

ARTICLE II - EMPLOYEE, UNION AND EMPLOYER RIGHTS

Section 1 - Public Acts

The employees and the Union as sole and exclusive bargaining representatives of the employees shall have the rights granted to them by Act 379 of the Michigan Public Acts of 1965, as amended, and by other applicable Michigan Public Acts.

Section 2 - Employer Rights

The Employer, on its own behalf and on behalf of the public it serves, hereby retains and reserves unto itself, and its designated representatives when so delegated by it, all powers, rights, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and the United States. Among the rights of the Employer, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedures, means, equipment and machines to provide such service; to determine the size of the work force and to increase and decrease the number of employees retained; to hire new employees; to determine the nature and number of facilities and departments and their location; to adopt, modify, change or alter its budget; to establish classifications of work; to combine or reorganize any part or all of its operations; to maintain order and efficiency; to study and use improved methods and equipment and outside assistance either in or out of the Employer's facilities; to direct the work force; to assign work and determine the location of work assignments and related work to be performed; to determine the number of employees to be assigned to operations; to select employees for promotion or transfer to supervisory or other positions; to determine the number of supervisors; to make judgments regarding skill and ability and the qualifications and competency of employees; to establish training requirements for purposes of maintaining or improving the professional skills of employees and for advancement. The Employer shall also have the right to suspend, discipline or discharge employees for just cause; to establish and follow an orderly procedure to transfer, layoff and recall personnel; to establish reasonable work rules and to fix and determine penalties for violations of such rules; to establish and change work schedules and hours; to provide and assign relief personnel; and to continue and maintain its operations as in the past, provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement and, as such, they shall be subject to the Grievance and Arbitration Procedure established herein.

Section 3 - Practices

It is not the intent of this Agreement to abridge or amend any mutually satisfactory practice currently in effect with regard to wages, hours and other terms and conditions of employment which is not superseded or prohibited by the provisions of the Agreement. However, it is further recognized that such practices may be subjected to modification or termination by the Employer due to new or differing modes of operation, economic feasibility, or other changing conditions. In such instances if the Union and/or any affected employee considers such action to be unjust or unreasonable, the matter may be pursued through the grievance procedure.

ARTICLE III - UNION SECURITY AND UNION DUES

On and after the thirty-first (31st) calendar day following the beginning of employment, any present or future employee, who is not a Union member and who has not made application for membership, shall, as a condition of employment, pay to the Union each month a service fee equivalent to the amount of dues uniformly required of members of the Union. The Employer agrees to deduct the aforesaid service fees once each month from the pay of the employees and pay the amount so deducted.

Section 4 - Other Equivalent Fee

Any employee who was or is covered by the collective bargaining Agreement and who, in any month paid neither dues nor equivalent service fee, shall (but for the first thirty (30) calendar days of their employment) pay a service fee equivalent to dues for that month and all months during which they were represented and paid neither dues nor service fees.

Section 3 - Identification Of Union Representatives

The Union will furnish the Employer in writing with the names of its authorized representatives and members of its committee who are employees within the unit and such changes as may come from time to time in such personnel so that the Employer may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing.

Section 4 - Union Meeting Period

The Union representatives may meet at a place designated on the Employer's property for one-half (1/2) hour preceding the conference.

ARTICLE VI - GRIEVANCE PROCEDURE

Section 1 - Grievance Definition

A grievance under the terms of this Agreement is defined as a specific complaint or dispute regarding wages, hours and/or conditions of employment. It is mutually agreed that all grievances, disputes or complaints arising under and during the term of this Agreement shall be settled in accordance with the procedure herein provided.

Section 2 - Understanding

An employee having a grievance in connection with his/her employment shall present it to the Employer with the following understanding:

- a. The Employer and the Union agree that it is in the best interest of all concerned that grievances be settled as quickly and expeditiously as possible making every effort to settle these matters at the earliest step of the grievance procedure.
- b. All parties agree that the question of grievances will be dealt with in a reasonable manner and that all grievances arising under and during the life of this Agreement shall be settled in accordance with the procedure herein provided.

Section 3 - Processing

The Employer and the Union shall answer or appeal any grievance presented in writing within the time limits, which may be extended by mutual written agreement.

Section 4 - Grievance Procedure

A grievance must be presented in writing by the Steward within ten (10) working days after its occurrence in order for it to be a proper matter for grievance procedure. However, in no event will any claim for back pay be valid for more than thirty (30) calendar days prior to the date the grievance was first filed.

Step I

The employee shall first specify his/her grievance orally to the Department Head. Thereafter, the employee may discuss the grievance with the Department Head and/or the Steward may be requested by the employee to discuss the grievance with the Department Head. If not resolved in this manner, it shall be submitted in written form, signed by the employee and presented to the Department Head. The Department Head shall answer said grievance within five (5) working days of receipt of same.

Step II

If the grievance is not resolved satisfactorily in Step I above, written notification will be given by the Union to the Genesee County Human Resources Director within five (5) working days after the Department Head's answer is due. The Human Resources Director will then schedule a meeting or meetings at a mutually agreeable time to be attended by two (2) representatives of the Employer and two (2) representatives of the Union within ten (10) working days after such notification. Not more than one (1) of the representatives of either party shall have had prior involvement in the bargaining of the grievance under appeal. If the matter is resolved by the parties at the Appeal's Step the disposition shall be reduced to writing and signed by all representatives with copies sent to the Employer and the Union.

If no disposition of the grievance is reached among the parties at the Appeal Step, the Human Resources Director shall submit the Employer's final answer on the grievance to the Union within ten (10) working days following the date of the last Appeal Step meeting.

Step III

- a. The Union may request arbitration on any grievance unresolved at the Appeal Step within sixty (60) calendar days after the date of the last Appeal Step meeting.
- b. All such requests shall be in writing by registered or certified mail, addressed to the Human Resources Director and shall state the precise issue to be decided and any specific portions of the Agreement which are claimed to be violated. If not so requested within said sixty (60) calendar day period, the matter shall be considered withdrawn.

- c. Not more than one (1) grievance or dispute may be submitted in one (1) arbitration proceeding except by mutual agreement of the parties.
- d. If the parties are utilizing a mutually agreeable list of arbitrators, Human Resources will advise the Teamster servicing representative the name of the assigned arbitrator. The Teamster servicing representative must notify the arbitrator no later than sixty (60) calendar days after the arbitrator is assigned by Human Resources. Failure to notify the arbitrator within sixty (60) calendar days shall cause the grievance to be withdrawn and the file closed.
- If the parties are not utilizing a mutually agreeable list of arbitrators, the Teamster servicing representative may submit the matter to the Federal Mediation Conciliation Service (FMCS) asking for selection of an Arbitrator in accordance with its voluntary Labor Arbitration Rules. Within sixty (60) calendar days of requested arbitration to the Human Resources Director, the Teamster servicing representative must notify the Federal Mediation Conciliation Service (FMCS) to request a list of seven (7) arbitrators. Failure to notify FMCS within sixty (60) calendar days of requested arbitration shall cause the grievance to be withdrawn and the file closed. If an Arbitrator is not mutually agreed to by the parties from such list, the parties shall alternately strike names from the list until one name remains. The Union shall have the first strike.
- e. After designation of the Arbitrator, a hearing shall be held as soon as practical and the Arbitrator shall issue an Opinion and Award, both in accordance with said Rules. The decision shall be final and binding on the parties and the employee(s) involved, subject to any law or governmental regulation applicable thereto, including those under authority of Genesee County.
- f. The Arbitrator's fee, his/her travel expenses, the filing fee and the cost of any room or facilities shall be borne equally by the parties, but the fees and wages of representatives, counsel witnesses or other persons attending the hearing shall be borne by the parties incurring them.
- g. The Arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. Neither shall he/she have the power to establish or change any classification wage rate, to rule on any claim arising under an Insurance Policy, or Retirement Claim or dispute or to issue a ruling modifying any matter covered by Statute or Ordinance except as provided herein.

ARTICLE VII - DISCIPLINARY PROCEDURES

Section 1 - Supervisory Functions

It is understood by the parties that employees in this bargaining unit are responsible for performing various supervisory functions, including implementation of established County policies and departmental procedures; as well as specific Department Head directives.

Section 2 - Guidelines

Disciplinary action taken by the Employer will be dependent upon the nature and seriousness of the offense or infraction; and the prior disciplinary record of the employee, if applicable. The Employer agrees, upon assessing discharge or suspension to any employee, to promptly notify the Steward in writing of the discharge or suspension. Other disciplinary action includes written reprimands. The employee will be tendered a copy of any disciplinary action entered into his/her personnel file within three (3) working days of the action taken. In imposing disciplinary action on a current charge, the Employer will not take into account any disciplinary action which occurred more than two (2) years previously. The Employer may impose disciplinary action on employees for errors or mistakes on his/her employment application, if such errors or mistakes give rise to a material misrepresentation by the employee in securing a position with Genesee County. Disciplinary action assessed in instances of minor offenses or infractions will be progressive in nature.

Should the disciplined employee or the Union consider any disciplinary action improper, the matter may be processed through the regular grievance procedure.

Section 3 - Counseling Memorandums

The Employer may utilize verbal counseling in cases not justifying disciplinary action. The written record of verbal counseling shall be identified as a counseling memorandum, and tendered the employee and shall be entered in the employee's personnel file. Counseling memorandums shall not be construed as disciplinary action and are not subject to the Grievance Procedure. The Employer will not take into account any counseling memorandums which occurred more than two (2) years previously.

Section 4 - Discussions/Leaving Premises

The discharged or suspended employee will be allowed to discuss the discharge or suspension with his/her Steward and the Employer will make available an area where he/she may do so in private before being required to leave the property of the Employer. Upon request, the Employer or designated representative will discuss the discharge or suspension with the employee and the Steward.

Section 5 - Discipline Vs. Voluntary Quit Provision

The application of the provisions of Article VIII, Section 6(c) are not to be construed as limiting the application of discipline with regard to absence without reasonable cause.

ARTICLE VIII - SENIORITY

Section 1 - Probationary Period

New employees hired into the bargaining unit shall be considered as probationary employees for the first six (6) months (1040 straight time hours) of their employment, with the understanding that absences from work shall extend the probationary period accordingly.

The probationary period may be extended at the Employer's option for an additional six (6) months (1040 straight time hours) of the employee's employment, with the understanding that absences from work shall extend this employee's extended probationary period accordingly. The Employer will give written notice to the Union prior to the probationary extension indicating the reason for the probationary employee's extension. During the extension, the employee shall be eligible to receive contractual benefits of a seniority employee as described elsewhere in this agreement, if otherwise eligible. However, the Employer may discharge the employee at any time during the probationary extension, if the Employer deems the employee unsatisfactory without recourse by the employee or Union through the grievance procedure.

Upon completion of this probationary period, the employee shall acquire seniority dated back the length of the probationary period from the day he/she completed the probationary period.

Section 2 - Probationary Employee Representation

There shall be no seniority among probationary employees. The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in Article I of this Agreement, except discharged and disciplined employees for other than Union activity.

Section 3 - Seniority List

When an employee acquires seniority, his/her name shall be placed on the seniority list for the department by classification in the order of his/her seniority. Any seniority date thus established for an employee is primarily for layoff and recall purposes and may or may not be identical to the employee's anniversary date or date of continuous service dependent upon attendant circumstances. Seniority shall be on a classification basis within each department.

Section 4 - Provisional Promotion Seniority

Bargaining unit members promoted on a provisional basis by the Employer to fill a higher rated position for a period of ninety (90) calendar days or less or for the

duration of an authorized leave of absence will continue to accumulate seniority for all purposes within the bargaining unit.

Section 5 - Seniority List

The seniority list of the date of this Agreement will show the names and job titles of all employees of the unit entitled to seniority.

The Employer will keep the seniority list up-to-date at all times and will provide the Local Union up-to-date copies upon request.

Section 6 - Loss Of Seniority

Employees total seniority and classification seniority and their employment relationship with the Employer shall terminate for any of the following reasons:

- a. The employee quits, retires or receives a pension under the Genesee County Retirement System.
- b. The employee is terminated or discharged and the termination or discharge is not reversed through the procedures set forth in this Agreement.
- c. The employee is absent for any three (3) consecutive working days without properly notifying the Employer. After such unreported absence, the Employer will send written notification to the employee by certified mail at his/her last known address that because of the unreported absence, the employee is considered to have resigned (voluntary quit) and is no longer in the employ of Genesee County. In proper cases, exceptions shall be made upon the employee producing convincing proof of his/her inability to give such notice.
- d. The employee does not return to work on the date specified for recall from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made upon the employee producing convincing proof of their inability to return as required.
- e. The employee fails to return on the specified date following an approved leave of absence, disability leave, vacation or a disciplinary suspension. In proper cases, exceptions shall be made upon the employees presenting convincing proof of an inability to return on the required date.
- f. The employee has been on layoff status for a period of three (3) years or the length of his or her total seniority, whichever is less. However, said date of termination of seniority shall be extended by one (1) year for each additional five (5) years of total seniority in accordance with the following table:

<u>Period of Recall Rights</u>	<u>Year of Total Seniority</u>
4 years	8 years
5 years	13 years
6 years	18 or more years

- g. The employee has been on disability leave for a period of three (3) years or for a period of time equal to the length of his/her seniority at the time such disability leave commences, whichever is less.
- h. The employee has been on Workers' Compensation leave for a period of three (3) years or for a period equal to the length of his/her seniority, at the time such Workers' Compensation leave commences, whichever is less.

ARTICLE IX - LAYOFF AND RECALL

Section 1 - Layoff Definition

The word "layoff " means a reduction in the working force. When there is a layoff, the following procedure will be followed.

Section 2 - Layoff Procedure

When there is a layoff the Employer will determine the classifications being reduced utilizing the following procedure:

- a. When a specified classification is being reduced, a classification seniority comparison shall be made of all employees in the affected classification and the employee with the least classification seniority at the time of layoff shall be laid off, providing the employees retained are capable of performing the available work. It is understood by the parties that in application of this section laid off employees in higher rated classifications will filter downward in line with their total bargaining unit seniority into equal or lower rated bargaining unit classifications and employees must be capable of performing the available work. In no event will employees in lower rated classifications filter upward to positions in higher rated classifications.
- b. In addition, employees placed on layoff status, or otherwise involuntarily reduced for other than disciplinary reasons from outside the bargaining unit who had previously promoted out of the bargaining unit to any other position within the Employer will retain bumping rights to the classification from whence they left to take said promotion, seniority permitting, utilizing as their seniority, for this purpose only, their previously accumulated total seniority in that classification from which they left, provided they are capable of performing the available work.

Section 3 - Notification Of Layoff

Employees to be laid off will have at least ten (10) calendar days notice of layoff. The Chief Steward shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.

Section 4 - Recall

Section 5 - Administration

In the administration of the disability leave program, the Employer may from time to time investigate, or require to be investigated, employees who it has cause to believe may be misusing or abusing the benefits of the disability policy. The Employer may also require the employee to undergo examination by an independent health care provider. If, as a result of this examination, an employee is deemed not to be totally disabled, benefits under the disability policy shall cease immediately and depending upon the circumstances may be subject to disciplinary action. The total cost of the independent examination shall be borne by the Employer.

If an employee ceases to be totally disabled or fails to submit required proof of said disability, the disability payments shall automatically and immediately cease. Notwithstanding proof of total and permanent disability that may have been accepted by the insurance company as satisfactory, the employee, on request from the insurance company, shall furnish proof of the continuance of such disability and shall submit to physical examinations at reasonable intervals by health care providers designated by the insurance company.

Section 6 - Carriers

The employee shall be entitled to a maximum of twenty-four (24) months of supplemental payments for the same disability regardless of any intervening periods of employment. In addition, the rate of pay used to determine the supplemental rate of pay shall be the rate used by the State in determining the Worker's compensation payment. In the event the employee's claim, disputed or undisputed, is resolved by informal compromise settlement, grievance or arbitration settlement, redemption or any other term used to describe such payment, said payment shall be considered to include any accrued and future supplemental benefits. In addition, employees will not be entitled to receive both the County supplemental payment and a supplemental payment from the County's auto insurance carrier, if applicable. Accordingly, employees will be given the option of claiming one (1) of the above two (2) supplemental payments, but under no condition will they be eligible to receive both.

This shall include the date of the injury or illness if the employee needs treatment during regular work hours.

There shall be no reimbursement if the premiums for another selected plan are less than the standard plan.

Section 2 - Employees Hired On Or After November 1, 2000, But Before August 1, 2005

The Employer agrees to continue to pay the monthly premiums for the current HealthPlus of Michigan hospital/medical coverage as the standard plan for each full-time employee hired on or after November 1, 2000, but before August 1, 2005, including spouse and dependents. Dependents ages 19-25 are included provided they meet the eligibility criteria of the carrier. Coverage is effective on the first day of the month immediately following the employee's completion of five hundred and twenty (520) straight-time hours of employment.

Employees have the option of selecting other available hospital/medical coverage plans during open enrollment. However, employees selecting other than the standard plan shall pay, through payroll deduction, the amount by which the premiums for such coverage exceeds the HealthPlus of Michigan hospital/medical coverage premiums. There shall be no reimbursement if the premiums for another selected plan are less than the standard plan.

The Employer agrees to pay the monthly premiums for the new HealthPlus of Michigan hospital/medical coverage with a deductible of \$250/person and \$500/family as the standard plan for each full-time employee hired on or after August 1, 2005, including spouse and dependents. Dependents ages 19-25 are included, provided they meet the eligibility criteria of the carrier. Coverage is effective on the first day of the month immediately following the employee's completion of five hundred and twenty (520) straight-time hours of employment.

Employees have the option of selecting other available hospital/medical coverage plans at the time of hire or during open enrollment. However, employees selecting other than the standard plan shall pay, through payroll deduction, the amount by which the premiums for such coverage exceed the new HealthPlus hospital/medical coverage premiums. There shall be no reimbursement if the premiums for another selected plan are less than the standard plan.

Section 4 - Hospital/Medical Coverage – More than one Family Member Employed by County

When spouses employed by Genesee County and/or a Court Employer are eligible for hospital/medical benefits, only one (1) hospital/medical coverage plan can be selected for each employee and any eligible dependent. One spouse may choose to opt out of hospital/coverage as provided in Section 7 below.

Section 5 - Prescription drugs

There is no reimbursement to the employee if no generic or preferred formulary equivalent is manufactured.

Section 6 - Dual Coverage

Employees hired on or after July 1, 1979 who have hospital/medical coverage through another Employer paid source, shall be given the option of retaining such alternative coverage, or being covered under the existing Genesee County hospital/medical program. In no event, however, will an employee hired on or after July 1, 1979 be allowed to maintain dual hospital/medical coverage through Genesee County and through the alternate source. Otherwise eligible employees who elect to maintain such alternative hospital/medical coverage through another source but who lose the alternate coverage due to death, divorce, loss of job, change in dependent status or another qualifying event as defined by the County's insurance carrier, such employee must apply within thirty (30) calendar days of the loss of coverage in order to be eligible for coverage under the existing Genesee County hospital/medical program. If such application is not made within the thirty (30) calendar day period, the employee must wait until the next open enrollment period to apply for County paid coverage.

Such thirty (30) calendar day requirement may be waived or extended at the sole discretion of the insurance carrier. Upon being enrolled for hospital/medical coverage through Genesee County, the employee will be required to waive in writing any other employer paid coverage.

Present employees who were hired prior to July 1, 1979 will be allowed to retain dual coverage on a voluntary basis.

Section 7 - Health Insurance Reimbursement

Bargaining unit members and retirees who are eligible for hospital/medical and prescription drug coverage must advise the Human Resources Department, on forms provided, of their voluntary election not to receive County paid hospital/medical and prescription drug coverage. This "Opt-Out" will remain in effect until the employee notifies the Human Resources Department on forms

provided of the employee's election to commence coverage as otherwise provided in this section.

Employees and retirees must initially provide proof at "Opt-Out" that the employee/retiree is covered by a medical insurance plan and must sign a waiver which holds the County harmless for any liability which may be caused by voluntarily electing not to receive hospital/medical and prescription drug coverage from the County.

Thereafter, each full six (6) month period (June through November and December through May) the employee goes without the County provided coverage, the employee will be paid a lump sum gross amount of \$1000.00 (in December or June as appropriate), provided that during the six (6) month period the employee would otherwise have been eligible for County paid coverage, had the employee been receiving County paid coverage and the "Opt-Out" payment is not more than the hospital/medical and prescription drug premiums would have been during the same period.

The June, 2005 payment is \$750.00.

This lump sum amount shall be considered as taxable wages.

Employees may opt in or out coverage due to a qualifying event, as defined by the carrier, if otherwise eligible under the agreement.

An employee who is participating in the "Opt-Out" provision who separates employment prior to completion or the six (6) month period, or has a qualifying event and begins or discontinues coverage, will receive a pro-rated amount for each full month worked without coverage during that six (6) month period.

This does not preclude a County employee from being provided with County insurance through his/her spouse, who also works for the County.

New hires may "Opt-Out" effective when the employee would otherwise be eligible for hospital/medical and prescription drug coverage. Such employee will receive a pro-rated amount for each full month without otherwise eligible coverage during that six (6) month period.

At no time shall any employee have any right to receive the amount of the salary reduction in cash or in any form other than retiree health insurance coverage under the provisions of the VEBA.

Approval must be obtained from the department prior to utilizing personal time on the standard Request for Time Off form, except in emergency situations. In cases where multiple requests for personal time are received from employees, which cannot be granted due to efficiency of operations and/or staffing requirements, the department will honor said requests on a first come, first served basis; unless said requests are received on the same date, in which case seniority shall prevail. No further explanations other than "medical" "business" "legal" or "other personal matters" shall be

The application will not be approved if it is after two (2) weeks following the first day of class. Proof of class registration and an itemized bill from the institution must accompany the application. It is the sole responsibility of the employee to submit the application, class registration, and itemized bill to the Human Resources Department by this deadline.
