ARTICLE 10
GRIEVANCE PROCEDURE

Section 1. Definitions

A grievance is defined as an alleged violation of a specific Article and Section of this Agreement. For the purposes of this Article, the term “working day” shall be defined as any day excluding Saturday, Sunday and observed holidays (as set forth in the Article entitled Holidays).

Section 2. Procedure.

Step 1. Within five (5) working days of the time of the event giving rise to the grievance, an employee must present the grievance orally to his immediate supervisor. The Association Representative may be in attendance if the employee so requests. In the event that the grievant’s immediate supervisor is of the same rank as the grievant or in the case of a suspension or discharge, Steps 1 and 2 will be waived and the written grievance shall be filed at Step 3 within five (5) working days of the event giving rise to the grievance.

Step 2. If the grievance is not resolved in Step 1, the Association Representative and/or grievant may reduce the grievance to writing and present the grievance to the employee’s supervisor for a written answer. The written grievance shall be filed within seven (7) working days of the event giving rise to the grievance. It shall name the employee(s) involved, shall state the facts giving rise to the grievance, shall identify all

the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the Association with respect to these provisions, shall indicate the relief requested, and shall be signed by the employee. All grievances must be filed at Step 2, in writing, within seven (7) working days from the time the event giving rise to the grievance occurred or they will be deemed waived. The supervisor shall give the employee an answer in writing no later than five (5) working days after receipt of the written grievance.

Step 3. If the grievance is not resolved in Step 2, the Association Representative and/or grievant may, within five (5) working days after the answer in Step 2, or, if no answer is submitted within the above required time, within five (5) working days of the due date of the supervisor's answer, submit a written appeal to the Chief of Police for his written answer. The appeal shall contain the reasons for the appeal and a copy of the original grievance and the supervisor's answer. The Chief of Police shall answer within seven (7) working days. Additional time may be allowed by mutual written agreement of the Chief and the Association Representative.

Step 4. If the grievance is not resolved in Step 3, the Association Representative and/or the grievant may, within five (5) working days after the answer from the Chief, or, if no answer is submitted within the required time, within five (5) working days after such answer is due, appeal to the Director of Labor Relations. The appeal shall be in writing and shall specify the basis of the appeal. The appeal shall have attached to it all prior grievance papers, appeals, and answers. Within fifteen (15) working days after receipt of the appeal, the Director of Labor Relations shall investigate the grievance and meet with the aggrieved employee and/or Association Representative. The Director of Labor Relations or his/her designate shall render his/her decision in writing within fifteen (15) working days after holding a meeting on the appeal. Any grievance not filed within the prescribed time limit or not advanced to the next step by the employee or the Association within the time limit in that Step, shall be deemed abandoned. Failure of the City to respond to a grievance within the allotted time limits shall allow the aggrieved to carry the grievance to the next step of the procedure. Time limits may be extended by mutual agreement in writing.

Step 5. If the grievance is not resolved at Step 4 of the Grievance Procedure, and if it involves an alleged violation of a specific Article and Section of the Agreement, either party may, at Its option, submit the grievance to Arbitration by written notice delivered to the Director of Labor Relations or Association President or his designee as the case may be. Twenty (20) working days after receipt of the Director of Labor Relations' answer in Step 4, or, if the City fails to submit its answer within the prescribed time limits in Step 4, within twenty (20) working days after the expiration of the time limits in which the City is to submit its written decision in Step 4, the Association may submit the grievance to Arbitration by written notice delivered to the Director of Labor Relations. The written notice shall identify the provisions of the Agreement allegedly violated, shall state the issues involved, and the relief requested. If no such notice is given within the prescribed period, the City's last answer shall be final and binding on the Association, the employee or employees involved, and the City. If the parties are unable

to agree as to an arbitrator within ten (10) working days of the receipt of the request for arbitration, the services of the American Arbitration Association shall be used in making a selection.

Section 3. Jurisdiction & Power of Arbitrator.

If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. The Arbitrator shall have no power to add to, subtract from, alter, or modify any of the terms of this Agreement. His powers shall be limited to deciding whether the City has violated the express Articles and Sections of this Agreement, It being understood that any matter not specifically set forth herein remains within the reserved rights of the City.

Section 4. Arbitration Procedure

At the time of the Arbitration Hearing, both the City and the Association shall have the right to examine and cross-examine witnesses. Upon request of either the City or the Association, or the Arbitrator, a transcript of the Hearing shall be made. At the close of the Hearing, the Arbitrator shall afford the City and the Association a reasonable opportunity to furnish Briefs.

Section 5. Costs of Arbitration.

Each party shall pay its own costs of processing grievances through the Grievance and Arbitration Procedures. The fee of the Arbitrator, his travel expenses, and the cost of any room or facilities and the expenses of the arbitration shall be borne equally by the parties. The expense of a stenographer and/or a transcript, if any, shall be borne by the party requesting it, or equally among the parties requesting it, if more than one party requests it. The fees and wages of representatives, counsel, witnesses, or other persons attending the Hearing on behalf of a party and all other expenses shall be borne by the party incurring the same. Provided, however, the wages of the grievant and the employee Association Representative will be paid by the City for time spent in the Arbitration, if that time is during the employee's regularly scheduled work hours.

Section 6. Finality of Arbitrator's Decision.

The Arbitrator's Decision, when made in accordance with his jurisdiction and authority established by this Agreement, shall be final and binding upon the Association, the employee or employees involved, and the City

Section 7. General

In no case shall claims involving wages be valid for more than thirty (30) days retroactively from the date the grievance is first presented In Step 1 of the grievance procedure.

1. All claims for back wages shall be limited to the amount of wages the employee would otherwise have earned at his regular rate, less any unemployment or other compensation that he may have received from any source during the period of back pay.
2. No decision in any one case shall require a retroactive wage adjustment in any other case, unless such case has been designated as a representative case by mutual written agreement by the parties.

ARTICLE 11
DISCHARGE AND DISCIPLINE

Section 1. Discipline.

Before any disciplinary action is taken against an employee, he shall be given an opportunity to state his position and offer any supporting evidence immediately available to his superior Officer who is rendering such discipline.

Whenever an employee is given an oral reprimand, written reprimand, suspension or any form of discipline or discharge, the charges and specifications shall be reduced to writing by the supervisor recommending the action to the Chief of Police and copies shall be furnished to the employee against whom the charges are brought. Such charges and specifications shall cite the specific sections of rules, regulations, orders, appropriate Law or Ordinance, and/or Articles of this Agreement which the employee is alleged to have violated.

In imposing discipline on a current charge, the City may base its decision upon any prior infractions which have occurred within the twelve (12) month period immediately preceding the alleged infraction, except when prior infractions are directly related to the current charge.

Section 2. Relieved of Duty, Inactivation.

In the event that an employee is relieved of duty, he/she shall be taken off the payroll until returned to duty, reassigned, inactivated, suspended or fired. An employee may be relieved of duty for only two (2) working days. If the department needs more time than the two (2) working days to investigate, the department will inactivate the employee.

Inactivation means the employee may be taken off active duty and remain on payroll for up to thirty (30) days. However, in the event the employee has been charged with a felony or has been indicted by a grand jury, the City reserves the right to further inactivate the employee without pay at the end of said thirty (30) days for a maximum period of thirty (30) days following conclusion of said criminal proceedings in the trial court. Inactivation may be used by the City as a period for investigation. Upon inactivation, the employee will retain all his departmental equipment with the exception of his weapon(s), badge, radio, and Departmental/City ID until the investigation is completed. In no way shall inactivation be construed to be punishment for the employee. The department may, at its discretion, reassign the employee instead of taking one of the actions described above until the investigation is completed. Such reassignment shall be without prejudice.

Section 3. Suspensions.

In the event an employee is suspended, he/she shall be taken off the payroll and shall turn in his departmental equipment. In the event a member is exonerated of the charges causing the suspension, he/she shall be reinstated and compensated all back wages and benefits lost due to the suspension.

Section 4. Reports.

Reports of all Officers will be complete and specific in all matters related to their performance of duty and shall be provided in as timely fashion as the supervisor of Police administration

requires. An Officer shall have the right of Counsel if he has reason to believe that criminal charges may be preferred against him as a consequence of the Information given. However, the process of obtaining Counsel shall not unduly delay the provision of said report.

Where the term “classification seniority” or “seniority” is found in any section of this agreement relating to preference being given to any employee over another employee on the basis of seniority of the employees involved, such “seniority” shall be defined as immediately above.

Section 2. Loss of Seniority.

An employee shall lose his seniority for the following reasons:

- (a) He quits or retires.
- (b) He is discharged and the discharge is not reversed through the procedures set forth in this Agreement.
- (c) He falls to report for work within five days from the date of mailing or telegramming of the notice of recall from layoff, notice of said recall from layoff to be by telegram or certified mail to the employee’s last known address. The City may, in its discretion, make an exception to this return to work within five days rule when it believes it is warranted by the circumstances. Such discretion shall not be arbitrary or capricious.
- (d) If an employee is laid off for a continuous period equivalent to the length of his departmental seniority.

- (e) The employee is absent for any three (3) consecutive working days without properly notifying the Employer. Because of his unreported absence, the employee is considered to have resigned (voluntary quit) and is no longer in the employ of the City of Flint. In proper cases exceptions shall be made upon the employee producing convincing proof of his/her inability to give such notice.
- (f) The employee fails to return from a leave of absence, vacation, sick leave, or suspension at the designated time. This shall be treated in the same manner as (e) above.

Section 1. Definition of Overtime.

An Employee who works in excess of his regular number of work hours in his normal work day (i.e., a normal work day shall be considered to be eight (8) consecutive hours in any 24 hour period except during shift changes including relief assignments, provided that this is not to be considered a guarantee of hours worked per day or days worked per week) and any time where he works in excess of eighty (80) hours during a pay period, shall be paid overtime premium pay. If the person is otherwise receiving a shift premium for the hours in question, the overtime shall be computed including the shift premium.

Section 2. Overtime Pay.

Except as provided elsewhere in this Agreement, compensation for overtime shall be computed at one and one-half (1—1/2) times the regular hourly rate of pay for all overtime worked. Premium payments are not to be duplicated, (i.e., overtime and holiday premium shall not be paid for the same hours worked.)

Members may elect to receive compensatory time for overtime traditionally paid in cash. Department may announce overtime opportunity as being paid only by compensatory time. Use of compensatory time under same contractual guidelines and departmental policies in effect regarding annual leave use. Pay period for purposes of FLSA is 28 days. Members may cash in a total of 180 hours only once in career.

Section 3. Rescheduling.

Leave days shall not be changed, switched or rescheduled for the purpose of avoiding the payment of overtime.

Section 4. Computation of Benefits.

Any compensable day with eight (8) hours pay shall be considered a day worked for the purpose of computing benefits under this Agreement.

Section 5. Scheduled Overtime.

Scheduled overtime is to be equalized as much as possible within the affected bureaus and/or subdivisions of the department. Failure of the Employee to respond when called for overtime work will be charged as if worked.

Section 6. Call In.

Whenever an Employee is called back to work, he shall be paid for a minimum of two (2) hours at overtime rates. Time spent on call-in shall not include time spent on stand by. Employees who are called back will perform only those duties which are normally assigned his rank and/or position and the Employer will not assign any duty which would tend to, or in fact would, degrade him as a Law Enforcement Officer. However, any of the Employees so affected may be required to remain on duty to make up the difference between the actual time spent at the task for which he was returned and the two (2) hours overtime for which he was compensated.

ARTICLE 17
STAND BY

An Employee may be required to remain on call at his regular place of abode or other location authorized by his supervisor, in cases of possible emergencies.

For compensation, the employee on such duty shall receive, at his regular straight time rate of pay, one (1) hour pay for each calendar day, Monday through Friday, and two (2) hours pay for each calendar Saturday and/or Sunday of such duty.

ARTICLE 18
COURT TIME

For purposes of this Article, "normal rate of pay" shall include shift premium and a "legal proceeding" shall be defined as time spent in Federal or State Court (Including liquor hearings, parole hearings, and depositions) by employees under subpoena as a result of their employment during an Employee's off—duty hours.

When an Employee is required to attend a legal proceeding during a regularly scheduled work day he will be compensated at straight time; however, any Employee called to appear at any legal proceeding immediately prior to or immediately subsequent to a normal work shift shall be paid at time and one-half (1-1/2) his/her normal rate of pay only for the time actually worked before or after the Employee's scheduled work shift.

All subpoena fees received by the employee shall be submitted to the City. Mileage fees received by the Employee shall be submitted to the City whenever transportation has been furnished by the City.

Employees who retire and who are required by the City to return to testify in pending cases shall be paid a stipend equivalent to the straight time rates; however, such payments shall not be

computed into final average compensation for retirement benefit purposes and such payments shall not be considered compensation under the relevant ordinances.

It is understood that the above provisions do not apply where the employee is called by the Union as a witness in a legal proceeding against the City or where the employee is an adverse party in interest to the City.

ARTICLE 19 **HOLIDAYS**

Section 1. Holiday Observance.

Any annual leave accumulated and unused due to compensable injury or Illness shall be used within six (6) months after return to work; said period may be extended by mutual agreement between the Employee, the appointing authority and the Personnel Director.

No annual leave shall be taken or allowance made or paid until an Employee shall have worked one (1) full year, but thereafter such first year of employment shall be considered for the purpose of accrual of annual leave as having accumulated beginning with the first day of employment, provided, however, that in the case of Employees who are involuntarily called into the Armed Forces of the United States, such Employees shall receive allowance for annual leave computed under the terms hereof from date of employment for the term of such involuntary tour of duty, without regard to whether said Employee has worked less or more than one (1) year.

Upon termination of employment, an Employee shall be compensated for his accrued annual leave at the rate of pay received by said Employee at the time the employment is terminated,

provided, however, for Employees hired after January 1, 1978, such annual leave payment shall be made within sixty (60) days after the Employee retires and such payment shall not be included as final average compensation for the purpose of computing retirement benefits.

No annual leave balance shown on the "Request for Leave" slip or paycheck stub will be subject to challenge by an Employee for a period that covers more than twelve (12) months prior to the date of challenge. Regular days off falling within a period of annual leave shall not be included as part of such leave.

Section 3. Vacation Schedules.

Vacation schedules, whereby employees with accrued annual leave time may be afforded an opportunity to take and use such accrued annual leave time, shall be developed by the Department Head. The number of employees allowed to be absent on annual leave during any particular pay period shall be determined by the Department Head. Annual leave may be cancelled by the Chief of Police in any situation deemed by him to be an emergency, or upon the request of the employee.

Employees shall be provided an opportunity to take and use any portion of their accrued annual leave for the purpose of taking one two-week summer vacation and again for the purpose of taking one two-week winter vacation, in accordance with the following: The calendar year shall be divided into segments equal to pay periods. All pay periods falling within, and including, the first pay period starting in the month of May and the last pay period starting in the month of September, shall be known as the "Summer Vacation Period". The remaining pay periods of the calendar year shall comprise the "Winter Vacation Period". INJURIES OR ILLNESSES DURING THE COURSE OF EMPLOYMENT

Section 1. Initial Report, Treatment, and Examinations.

Each Employee involved in any accident, injury, or illness in the course of his work, whether or not involving vehicle operation, shall promptly and completely report the details thereof to the City. When required by his supervisor, the employee shall make out an accident or illness report which shall include accurate, complete, and unbiased information fully describing the accident or illness, persons, and/or vehicles involved, their insurers (if known), names and addresses of witnesses and all other information required by the City. All injuries or illnesses sustained by any Employee in the course of his work will, when the City so designates, be subject to examination and for treatment by or under the supervision of a City appointed physician, provided the City pay the cost of such examinations and treatments.

Section 2. Availability of Supplemental Payments.

An initial determination shall be made by the City Safety Coordinator as to whether or not the employee sustained a compensable injury or illness within the meaning of the State of Michigan's Workmen's Compensation Statute. If the Safety Coordinator determines that an injury or illness within the meaning of the Workmen's Compensation Statute was sustained, the

Chief shall order that supplemental pay as provided in this Article be paid. If the Safety Coordinator determines that an injury or illness within the meaning of the Workmen's Compensation Statute was not sustained, the employee may appeal to the Bureau of Workmen's Compensation for a ruling.

No supplemental pay will be paid until a final unappealable order has been issued. When a final unappealable order has been issued allowing a claim which had previously been disallowed, the City shall pay all back due and owing supplemental payments to that employee.

Should the Employee fail to follow any of the provisions of this Article, including failure to report the injury or illness within fourteen (14) calendar days of its occurrence, such employee will forfeit all benefits under this Article.

Section 3. Supplemental Pay.

An Employee may elect to receive supplemental pay by the City of:

- (a) An amount sufficient to make up the difference between what is paid by Workmen's Compensation and his regular rate of pay for 130 working days; or,
- (b) An amount sufficient to make up the difference between what is paid by Workmen's Compensation and 80% of his regular rate of pay for 260 working days. The Employee must make election in writing immediately upon said employee's being notified by a physician that it will be necessary for said employee to be off work for a job related injury or illness. If said employee does not make an election at the proper time, said employee shall be deemed to have elected option (a) above.

Section 4. Rehabilitation.

If, in the opinion of the City Disability Examiner, the employee will, at some time in the future, be rehabilitated to the point where he can resume his former duties, supplemental pay may be extended with the consent of the Chief of Police and the Director of Labor Relations. However, if the City Disability Examiner cannot state with reasonable certainty that such is the case, the Employee shall be eligible for disability retirement.

If an employee takes a disability retirement, such employee shall have his retirement benefits reduced by any Workmen's Compensation benefits for which he is eligible.

Where a difference in opinion exists between the City Disability Examiner and the Employee's private physician as to the ability of the employee to return to regular or light duty work, a third Independent opinion will be obtained from a physician chosen by the employee's doctor and the City Disability Examiner. If the third physician cannot be mutually agreed upon within 5 working days of a written request for same, a doctor shall be chosen by the Genesee Medical Corporation within 10 working days of the written request to the Corporation. Failure to act within the aforementioned time limits will not invalidate the third independent doctor's decision. The cost of the third physician will be shared equally by the City and the Employee. The opinion of this physician shall be final and shall not be subject to the grievance procedure.

ARTICLE 22
SICK LEAVE

Section 1. Accrual.

Reduce the sick days from 13 per year to 12 by reducing the rate of accrual by 3 tenths (.3) of an hour per pay. Sick leave benefits shall be earned and accrued by Employees at the rate of 3.7 hours of sick leave for each payroll period that the Employee has at least 72 hours of straight time pay. The City may require an Employee applying for sick leave benefits to provide proof of such illness, injury, or other conditions related to the Employee's health before granting any request for such sick leave benefits in any case where an Employee was absent from work more than three (3) consecutive work days claiming illness, injury, or other conditions relative to his health, or any other reasonable suspicion of sick leave abuse.

In addition thereto, the Employee may be required by the department head or authorized representative to be examined on City time by the City physician to determine whether the Employee has recovered sufficiently from the condition causing such absence to return to work.

Employees shall work for the City 1040 hours, but not less than six (6) months, before such leave may be utilized. Upon completion of this initial term of employment, accrual and accumulation of sick leave shall be credited to the Employee as of date of employment.

Charges against accumulated sick leave and pay allowances for time lost on account of sickness shall be made only for time lost for which the Employee normally would have received pay and during which he normally would have been required to work.

Where an Employee finds that he will be unable to report for work due to illness, injury or other conditions relative to his health, such Employee shall notify the appropriate supervisor within one-half hour prior to the Employee's scheduled starting time. Subsequent to making such notice, said Employee shall confine himself to his place of residence during those hours he would normally be on duty unless such illness does not normally require confinement at one's residence or unless directed otherwise by a licensed physician and in such event said Employee shall notify the appropriate supervisor of the physician's direction. Provided further, on notifying the appropriate supervisor of the need for medication or the services of a physician, an Employee shall be allowed to leave his residence to seek such service for a period of time reasonable to the situation and surrounding circumstances.

Any Employee who has exhausted his available sick leave may have deducted any additional lost time due to illness charged against and deducted from accumulated annual leave.

Sick leave shall not be paid where other City paid benefits received by an Employee would result in cumulative straight time payment in excess of his normal wage based on an eight (8) hour day or forty (40) hour work week.

Sick leave shall be taken In increments of at least one (1) hour or up to the balance accumulated if the accumulated balance is a fraction of an hour, provided, however, in areas where work crews are assigned at the start of shifts, the appointing authority may require that sick leave be used in four (4) hour increments at the start of a shift.

In accordance with the provisions of this Agreement, no Employee having sufficient sick leave accrued to cover any time lost shall suffer any loss of pay for regularly scheduled work, allowances, or other benefits (excluding night bonus) where such time lost is due to illness, injury or other conditions relative to his health.

Section 3. Involuntary Leave.

The City reserves the right to require an Employee to take an involuntary sick leave of absence if the Employee suffers from a disability, mental or physical, as shown by medical evidence. Such requirement shall not be arbitrary or capricious. The parties specifically agree that any dispute arising out of this Section shall be subject to the grievance procedure.

Said payment shall be made to the spouse, children, father, mother, sister, or brothers of the deceased Employee with preference being given to those persons in the order named unless the Employee, by a sworn statement filed with the Employer prior to death has established a different order, without requiring letters of administration to be issued upon the estate of the deceased Employee.
