AGREEMENT

This Agreement is entered into between the City of Lansing, Michigan, hereinafter referred to as the "City", and the FOP Supervisory Division of Capitol City Lodge No. 141 of the Fraternal Order of Police Labor Program, Inc. (hereinafter referred to as the "Supervisory Unit"). It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, and to set forth herein the basic and full agreement between the parties concerning rates of pay, wages and conditions of employment.

ARTICLE 1

RECOGNITION OF THE SUPERVISORY UNIT

SECTION 1. Recognition. Pursuant to and in accordance with all applicable provisions of Act No. 336 of the Public Acts of the State of Michigan of 1947 as amended, the City hereby grants sole and exclusive recognition to the Supervisory Unit for the purpose of collective bargaining for all employees covered by the bargaining unit described below:

All regular, full time employees of the Police Department of the City of Lansing, Michigan, whose positions are classified as Captains VI, Lieutenants V, 2nd Lieutenants IV, and Sergeants III.

ARTICLE 2

MANAGEMENT RIGHTS

The City, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, the City Charter, the Lansing Code and any modifications made thereto, and any resolution passed by City elected officials. Further, all rights which ordinarily vest in and are exercised by employers except such as are specifically relinquished herein are reserved to and remain vested in the City, including but without limiting the generality of the foregoing, the right (a) to manage its affairs efficiently and economically, including the determination of quantity and quality of services to be rendered, the control of materials, tools and equipment to be used, and the discontinuance of any services, material or methods of operation; (b) to introduce new equipment, methods, machinery or processes, change or eliminate existing equipment and institute technological changes, decide on materials, supplies, equipment and tools to be purchased; (c) to sub-contract or purchase any or all work, processes or services, or the construction of new facilities or the improvement of existing facilities; (d) to determine the number, location and type of facilities and installations; (e) to determine the size of the work force and increase or decrease its size; (f) to hire, assign and lay off employees, to reduce the work week or the work day or effect reductions in hours worked

by combining layoffs and reductions in work week or work day; (g) to permit municipal employees not included in a bargaining unit to perform bargaining unit work when in the opinion of management this is necessary for the conduct of municipal services; (h) to direct the work force, assign work and determine the number of employees assigned to operations; (I) to establish, change, combine or discontinue job classifications and prescribe and assign job duties, content and classification, and to establish wage rates for any new or changed classifications; (j) to determine lunch, rest periods and cleanup times, the starting and quitting time and the number of hours to be worked; (k) to establish work schedules; (l) to discipline and discharge employees for cause; (m) to adopt, revise and enforce working rules and carry out cost and general improvement programs, however, no rule or regulation or memorandum shall be adopted hereafter without notice to the Lodge; and its reasonableness may be subject to the grievance procedure; (n) to transfer, promote and demote for just cause employees from one classification, department or shift to another; (o) to select employees for promotion or transfer to supervisory or other positions and to determine the qualifications and competency of employees to perform available work.

The City agrees that the rights of the Lodge are specifically listed herein, that all subjects not specifically listed herein are retained by the City and that the Lodge further agrees to waive its right to grieve concerning the contemplation, approval, application, implementation of adoption of any management right, whether heretofore above listed or not. However, any disputes relating to (n) or (o) above may be subject to the grievance procedure.

ARTICLE 3

MANAGEMENT SECURITY

The parties to this Agreement mutually recognize that the services performed by employees covered by this Agreement are services essential to the public health, safety and welfare. The Lodge therefore agrees until the termination of this Agreement that there shall be no interruption of these services, for any cause whatsoever, by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment, or picket the City's premises when such conduct: I) violates a valid statute or ordinance, ii) is in furtherance of an illegal strike or other illegal activity, iii) obstructs the governmental functions of the City, iv) concerns a matter which is subject to the contractual grievance and arbitration procedure. The Lodge further agrees that there shall be no strikes, sit-downs, slow-downs, stay-ins, stoppages of work or any acts that interfere in any manner or to any degree with the services of the City, as long as this contract is in force.

ARTICLE 4

LODGE SECURITY

SECTION 1. The City will not discriminate against any employee because of membership in the Lodge.

SECTION 2. The City agrees to deduct from the salary of each individual employee in the bargaining unit who voluntarily becomes a member, the Lodge's dues subject to all of the following subsections:

A. The Lodge shall obtain from each of its members a completed Check-off Authorization Form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) made thereof.

B. All Check-off Authorization Forms shall be filed with the City's Finance Director who may return any incomplete or incorrectly completed form to the Lodge's treasurer, and no check-off shall be made until such deficiency is corrected.

C. All other employees covered under this Agreement who do not voluntarily choose membership in the Lodge shall have deducted from their wages a percentage of the membership dues which sum shall be less than 100% of said dues and which sum shall accurately represent the amount for said employees due the Lodge as their fair share of costs attributable to negotiating the terms of this Agreement, which sum shall not include, by way of example but not by way of limitation, state, national or other dues and assessments or other amounts for other Lodge activities.

D. The City shall check-off only obligations which come due at the time of check-off and will make check-off deduction only if the employee has enough pay due to cover such obligation, and will not be responsible for refund to the employee if he/she has duplicated a check-off deduction by direct payment to the Lodge.

E. The City's remittance will be deemed correct if the Lodge does not give written notice to the City Controller within two (2) calendar weeks after a remittance is sent, of its belief, with reason(s) stated therefore, that the remittance is incorrect.

F. Any employee covered by the terms of this Agreement may join or terminate membership in the Lodge by written notice to the City Finance Director, and the amount owing the Lodge shall reflect accordingly with the next payment from the employee and due the Lodge.

G. The Lodge shall provide at least thirty (30) days' written notice to the City Finance Director of the amount of Lodge dues and/or representation fee to be deducted from the wages of City employees as in accordance with this Article. Any change in the amounts determined will also be provided to the City Finance Director at least thirty (30) days prior to its implementation.

H. The Lodge agrees to indemnify and save the City harmless against any and all claims, suits or other forms of liability arising out of its deduction from an employee's pay of Lodge dues or in reliance on any list, notice, certification, or authorization furnished under this Article. The Lodge assumes full responsibility for the disposition of the deduction so made, once they have been sent to the Lodge.

I. The Lodge shall provide the City with a check-off form that will accommodate the inclusion of the following minimum information:

- Name of the employee
- Bargaining unit
- Social security number of the employee
- Amount of the dues
- Effective date dues are to be withdrawn
- The employee's signature

ARTICLE 5

SUPERVISORY UNIT BARGAINING COMMITTEE

SECTION 1. Composition. The bargaining committee of the Lodge will include not more than four (4) employees of the Lansing Police Department. The bargaining committee shall also consist of not more than two (2) non-Lodge employee representatives to be appointed by the Lodge. The Lodge will furnish the Labor Relations Administrator with a written list of the Lodge's bargaining committee, and alternate members prior to the first bargaining meeting, and substitution changes thereto, if necessary.

SECTION 2. Compensation. The four (4) City employee members named by the Lodge as bargaining committee members, as provided for above, will be paid for the time spent in negotiations with the City, including one (1) hour prior to and one (1) hour after the bargaining meeting is over, but only for straight time hours they would otherwise have worked, had they worked their regularly scheduled shift. Employees designated by the Lodge as alternate bargaining committee members are not entitled to any compensation under this Article.

ARTICLE 6

SENIORITY

SECTION 1. Definitions. Seniority shall be defined in this agreement, as follows: (a) "Seniority" shall mean the status attained by the length of continuous service in a particular rank; (b) "City Seniority" shall be used to determine accruals of certain economic benefits, including longevity and vacation, and shall include all City employment service as a regular, full-time employee.

SECTION 2. Seniority Lists. Management shall maintain a roster of employees, arranged according to seniority, showing name, position, class and seniority date, and shall furnish a copy to this Lodge in March of each year.

ARTICLE 7

LAYOFF AND RECALL

SECTION 1. Definition. Layoff shall mean the separation of employees from the active work force due to lack of work or funds or to abolition of positions because of changes in organization.

SECTION 2. Order of Layoff.

A. No permanent or probationary employee shall be laid off from his/her position in the Police Department while any temporary or provisional employees are serving in the same position class in that Department.

B. Except as provided below, the layoff of probationary or permanent employees in the Police Department shall be in inverse order of seniority.

SECTION 3. Demotion In Lieu Of Layoff. Except as provided below, an employee subject to layoff who so requests, shall in lieu of layoff, be demoted by seniority to a lower position in the Police Department. Demotion shall be through those classes in which the employee previously held permanent status, provided that an employee serving a probationary period shall not displace a permanent employee in a class in which he/she has not previously held permanent status.

SECTION 4. Notice of Layoff. Employees to be laid off indefinitely shall be given at least thirty (30) calendar days' prior notice.

SECTION 5. Preferred Eligible Lists.

A. Employees demoted in lieu of layoff shall have their names placed on preferred eligible lists in order of seniority for each rank from which displaced within the Police Department. Employees laid off shall have their names placed on preferred eligible lists in order of seniority for each rank from which displaced.

B. Names shall remain on the lists for three (3) years for those employees demoted, unless removed as provided below. An employee who is laid off will have his/her name remain on the list for three (3) years. Employees shall be recalled from lay-off or shall be restored to positions from which demoted in the Police Department before any other persons are selected for employment or promotion in those ranks.

C. The City shall have the right to require any employee who has been laid off to take a medical examination, by a physician selected by the City at the City's expense, before he/she returns for work to determine fitness for duty. The medical examination must indicate that the employee is capable of performing the job to which he/she is returning.

Furthermore all employees at time of recall must meet all applicable state minimum requirements.

The application and/or implementation of this procedure shall be subject to the grievance procedure.

SECTION 6. Notice of Recall From Layoff.

A. Employees being recalled from layoff shall be notified by certified or registered mail at their last address of record. A copy of the recall notice shall also be sent to the Lodge.

B. A recalled employee must notify the Human Resources Division of the Lansing Police Department within fourteen (14) calendar days from the date the letter of recall was delivered to the employee's address, of his/her decision to return to work. The employee shall report for duty within fourteen (14) calendar days after the date of his/her written notification to the Human Resources Division of the Lansing Police Department, or shall report at such later date as specified within the recall notice.

C. Employees who fail to timely respond to the recall notice, in accordance with the above, or to timely report for duty, shall forfeit their employment rights and shall be removed from the employment rolls.

However, if within sixty (60) days from the date of the recall notice, for good cause shown, after establishment of a valid reason for untimely response, an employee may continue on the recall list, but shall have only future recall rights.

It is the responsibility of the employee to keep the Human Resources Division of the Lansing Police Department notified of his/her current address.

ARTICLE 8

LOSS OF SENIORITY

SECTION 1. An employee shall lose status as an employee and all types of seniority if the employee:

1. Resigns or quits.
2. Is properly discharged or terminated.
3. Retires.
4. Is convicted of a felony (which is deemed to include any crime which is punishable by incarceration of one (1) year or longer).
5. Has been on layoff for a period of three (3) years or more.
6. Is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation, or disciplinary layoff, for three (3) consecutive working days without notifying the Employer, except when the failure to notify and work is due to circumstances beyond the control of the employee.
7. Is promoted or transferred from a classification covered by this Agreement to another job classification within the Lansing Police Department and does not return to a bargaining unit position within one (1) year of the promotion or transfer. No seniority shall be accumulated for the service in the job classification not covered by this Agreement. After one (1) year from the effective date of the promotion or transfer out of the bargaining unit the employee's seniority rights in the bargaining unit shall be terminated.

SECTION 2. Return From Duty Disability Retirement. When an employee is on a duty disability retirement and subsequently returns to such employee's previous employment position on a full-time basis, the employee shall accumulate seniority for the period such employee was on duty disability retirement for the purpose of calculating the employee's longevity bonus and for determining the amount of annual accumulated vacation leave such employee is entitled to take. However, such an employee shall not accumulate seniority for purposes of vacation and shift selection or for purposes of any other seniority based benefit. Nothing contained in this section shall be deemed to alter or amend the language of the City of Lansing Police and Fire

Retirement System which states: "A disability retirant who returns to city employment shall again become a member of the retirement system and his credited service in force at the time of his disability retirement shall be restored to his credit. He shall be given service credit for the period he was receiving a disability retirement allowance provided in Section 24(a) of this chapter."

ARTICLE 9

LEAVE DAYS

SECTION 1. Definition. Because police officers are required to work regardless of calendar weekends, i.e. Saturdays and Sundays, the City grants days off in lieu thereof and refers to these days as "Leave Days".

SECTION 2. Number. Employees covered hereby, earn eight (8) leave days each twenty-eight (28) day work cycle they are employed by the City, for a total of 104 leave days each year. Employees shall receive a total of six (6) additional pass days per calendar year.

SECTION 3. Scheduling. Leave days and pass days, pursuant to Section 2 of this Article, shall be taken subject to management approval.

SECTION 4. Changing. Employees covered hereby, may change a leave day after the schedule has been posted, if they receive permission from the management representative who is in charge of scheduling.

SECTION 5. In Conjunction With Vacation. Employees who are eligible for vacation, as provided for in Article 10 of this Agreement, may, with management approval, which shall not be unreasonably denied, take leave days in conjunction with their vacation as more fully described in Article 10, Section 7.

SECTION 6. Emergencies and Discipline. Employees who are scheduled to work on leave days, pursuant to management's right to require employees to work overtime, shall be compensated as provided in Section 2 of Article 11.

ARTICLE 10

VACATION LEAVE

SECTION 1. Beginning with the first of January following an employee's date of promotion into the FOP-Supervisory bargaining unit and on each January 1st thereafter, employees without a break in service and covered hereby shall be credited with all vacation

accrued during the prior calendar year. Employees with less than one year of service shall receive a prorated portion of their applicable annual vacation leave.

The effective date of this agreement shall be January 1, 1992. Therefore, for implementation purposes, all bargaining unit members will be credited on January 1, 1992, with all vacation accrued from their 1991 anniversary date to January 1, 1992. The vacation will be as follows:

<u>Length of Service</u>	<u>Annual Vacation Leave</u>
1 but less than 10	136 work hours
10 but less than 15	168 work hours
15 years or more	208 work hours

Effective the first pay period beginning on or immediately following July 1, 2006 an employees vacation with pay shall be modified as follows:

<u>Length of Service</u>	<u>Annual Vacation Leave</u>
1 but less than 10	136 work hours
10 but less than 15	172 work hours
15 but less than 20	212 work hours
20 years or more	216 work hours

This means that effective the first pay period beginning on or immediately following July 1, 2006, employees shall have added to their vacation banks the following vacation hours:

<u>Length of Service</u>	<u>Annual Vacation Leave</u>
1 but less than 10	0 hours
10 but less than 15	4 hours
15 but less than 20	4 hours
20 years or more	8 hours

In subsequent January's (beginning January 1, 2007) the higher accumulative rates shall be applied.

Effective the first pay period beginning on or immediately following July 1, 2008 an employees vacation with pay shall be modified as follows:

<u>Length of Service</u>	<u>Annual Vacation Leave</u>
1 but less than 10	136 work hours
10 but less than 15	176 work hours
15 but less than 20	216 work hours
20 years or more	224 work hours

This means that effective the first pay period beginning on or immediately following July 1, 2008, employees shall have added to their vacation banks the following vacation hours:

<u>Length of Service</u>	<u>Annual Vacation Leave</u>
1 but less than 10	0 hours
10 but less than 15	4 hours
15 but less than 20	4 hours
20 years or more	8 hours

In subsequent January's (beginning January 1, 2009) the higher accumulative rates shall be applied.

SECTION 2. Vacation leave credit shall be based on length of continuous service. No vacation leave shall be earned by any employee during a leave of absence without pay.

SECTION 3. Vacation leave shall be paid at the authorized regular rate of pay being earned at the time the vacation is taken. Employees who are leaving the service of the City for any reason and are entitled to receive payment for accrued vacation time, shall receive such payment based on their regular rate of pay earned during their last pay period of active service. If an employee leaves the service of the City before completing one (1) year of service, no accrued vacation leave will be allowed. An employee who has served over one (1) year shall be paid for any accrued vacation due on leaving the service of the City.

SECTION 4. Vacation leave credit shall accrue from the date an employee enters the service of the City. Vacation leave shall be granted to employees covered hereby, by the management representative of the Police Department who is in charge of scheduling vacations and such vacations will be granted at such times as they will least interfere with the efficient operation of the Police Department, with due regard for the expressed preference of the employees concerned. Seniority shall be observed if all vacation requests for a particular period cannot be honored.

SECTION 5. January 1st shall be the beginning of the year for vacations. Requests shall be made 30 days prior to vacations and not later than March 1. Vacations may be taken in increments of one (1) hour, subject to the approval of the management representative of the Police Department who is responsible for scheduling vacations. Approval shall not be unreasonably denied.

SECTION 6. Vacation time off shall be cumulative from year to year. However, except as provided in Section 8, no employee shall be allowed to accumulate more than two (2) times the annual vacation he/she is entitled to, pursuant to Section 1 of this Article.

A. On or before November 30th of any calendar year, employees shall be notified of their total vacation eligibility for that given calendar year, the number of vacation days taken, and the balance remaining, if any.

SECTION 7. Where possible, all vacations shall start on Saturdays. Vacation days and leave days may be coupled upon mutual agreement between the employee involved and the Chief of Police, or designated representative.

SECTION 8. In the event that an employee's vacation request is denied due to personnel shortage, and the employee is scheduled to continue working so that he/she would then accrue vacation time beyond the two (2) times annual vacation maximum accumulation limit, then in such case said employee shall be permitted to carry over the excess earned vacation hours, or, the employee may be paid monetary compensation at a time and one-half rate for the vacation time that would be lost due to the accumulation limit.

ARTICLE 11

HOURS AND RATES OF PAY

SECTION 1. Work Day and Hours. Employees covered hereby are required to be on duty a minimum of eight (8) hours during each scheduled duty day, excepting as excused by management.

SECTION 2. Overtime. It is anticipated that the needs of the department may require an officer to work overtime. Overtime is defined as work performed by an officer over and above the normal scheduled work day or normal scheduled work week, when authorized by the department head.

For purposes of overtime computations, the work period shall coincide with the 28 day scheduling cycle. Overtime shall not be paid for time worked during the normal scheduled work day or normal scheduled work week, so long as each affected employee has at least eight (8) scheduled leave days in the 28 day work period/scheduling cycle. (This clarification is provided pursuant to Section 207(K) of the Fair Labor Standards Act.)

All officers on duty shall be paid for overtime at one and one-half [(1½), to be computed at 152%] times their regular hourly rate.

Unilateral changes in schedules shall not be made by management to avoid paying overtime.

SECTION 3. Call-Back And Call-In Pay. If an officer is called in to work or is called back to work at a time other than the officer's posted duty shift, the officer shall be paid for such call-back and/or call-in time at the rate of time and one-half the officer's regular hourly pay rate, with a minimum of two (2) hour's payment at the overtime rate, unless such time worked shall extend past two (2) hours, in which event the officer shall be paid overtime for the exact hours or portion thereof so worked.

SECTION 4. Scheduling. Overtime and call-back time shall be authorized by management. A regularly scheduled shift shall be posted once every twenty-eight (28) days for bargaining unit members working in the uniform division and once a month for bargaining unit members that work Monday through Friday in all other divisions. Said schedule shall be posted five (5) days prior to its effective date.

The five (5) days shall be calculated on the basis that the new schedule will not be implemented until 120 hours from midnight of the date the notice of the new schedule is given by the employer. If this notice is not given to the employee the employee shall receive overtime pay for the time worked during the five (5) day period.

SECTION 5. Pyramiding. Payments for overtime, court time and call-back time, and shift premium shall not be duplicated for the same hours worked as heretofore provided.

SECTION 6. Court Time. If an officer is subpoenaed into court or has to go to court to validate a complaint/warrant, the officer shall be paid (if off-duty) at the rate of time and one-half of the officer's hourly rate of pay, with a minimum of two (2) hours' payment at the overtime rate, unless such time shall extend past two (2) hours, in which event the officer shall be paid overtime for the exact hours or portion thereof so worked. If an officer is in court, or is in court in order to validate a complaint/warrant and such court time extends beyond the officers' normal work day, such time shall be treated as an extension of the work day, the officer shall be compensated in accordance with Section 2 above and the preceding minimum shall not apply. The officer shall keep any statutory mileage fee for court appearances (which fee shall not be made a part of any overtime compensation under this Agreement) but the officer shall turn back to the department any statutory witness fee.

If an off-duty officer is required to appear at a job related hearing outside of Ingham, Eaton and Clinton Counties, and within the State of Michigan, the officer's travel time to and from said hearing shall be included in computing the hours worked by the officer (subject to the rate of compensation provided for in the preceding paragraph) at the rate of one (1) hour for each fifty (50) miles of travel (pro-rated), total distance to be measured from Lansing to the City in which the court is located, using the distance chart on the official highway map of the State of Michigan.

Time and one-half the officer's rate of pay shall be paid for all other matters (including by way of illustration, trips to the prosecuting attorney's office, probate court appearances, license appeal board hearings, and Liquor Control Commission hearings) which occur beyond an officer's normal duty shift, with a minimum of two (2) hours' payment at overtime pay rates, unless such time worked shall extend past two (2) hours, in which event the officer shall be paid overtime for the exact hours or portion thereof so worked. The officer shall keep (and any such sum so retained shall not be included in the officer's overtime compensation paid hereunder) any mileage allowance the officer receives in connection with these types of proceedings but the officer shall turn back to the department any statutory witness fee.

SECTION 7. Compensatory Time. Sick leave may also be charged in case of serious illness in the employee's immediate family which, in the opinion of the attending physician, requires the presence of the employee. Immediate family shall be limited to the employee's spouse and children who reside in the employee's home.

An employee who expects to be off work on sick leave must notify the Police Chief, or designated representative, as promptly as is practicable under the circumstances, but in any event, prior to the start of any scheduled shift. Failure to do so shall result in denial of a claim against accrued sick leave credits.

A physician's certificate may be required by the Police Chief or designated representative before the employee returns to duty. Where a physician's certificate has been requested and an employee is examined by the City's physician, the cost of the requested exam will be borne by the City. A completed sick leave affidavit, on a form provided for that purpose, must be signed by the employee claiming paid time off, and it shall be submitted to the City's Personnel Department on the date of an employee's return from any absence chargeable to sick leave. Falsification of any sick leave affidavit may be cause for discharge.

SECTION 2. Sick Leave Credit. Sick leave credit will not be allowed in advance of being earned. If an employee does not have sufficient sick leave credits, payroll deductions for the time lost shall be made for the period in which such absence occurred. Employees shall be credited with one (1) day of sick leave upon completion of each calendar month.

SECTION 3. Sick Leave Recording. Sick leave credit shall be recorded to the nearest half day.

SECTION 4. Time Off, With Pay Credit. Employees covered hereby shall receive twelve (12) days of sick leave each year.

SECTION 5. Accrued Sick Leave. An employee or beneficiary will be paid for one half (1/2) of the employee's unused accrued sick leave at the date of retirement or death, not exceeding eighty-five (85) days (680 hours) and subject to the procedure as enumerated in the Official Proceedings of the City Council of the City of Lansing, Michigan March 6, 1967 beginning on page 262 thereof. An employee who otherwise leaves the City's service may not cash in any part of unused sick leave upon leaving.

SECTION 6. Sick Leave Donation. Whenever an officer has exhausted all of his/her sick leave, any other member of the bargaining unit may make a written request to donate sick time from the employees' sick leave bank to the sick employee. The City shall not actively oppose the

request and shall facilitate any member's request, consistent with applicable law provided a final determination is made of permanent disability, and subject to the other provisions of this Agreement and the City's Ordinances and Charter.

The first day donated by a bargaining unit member shall not affect the sick leave reimbursement benefit available under Section 7 of Article 16, however, subsequent days donated shall be considered as time used for the purposes of Section 7. Individual bargaining unit members may not donate sick days greater than the number of sick days for which that employee is eligible to receive in a calendar year.

SECTION 7. Sick Leave Reimbursement. Officers who have accumulated sixty (60) days of sick leave shall have the option at the end of the calendar year to receive reimbursement for four (4) unused sick days subject to the following conditions. If the officer did not use a sick day during that year he/she may be reimbursed for up to four (4) days. If an employee uses one (1) sick leave day he/she shall be eligible for three (3) days' reimbursement. If an employee uses two (2) sick leave days he/she shall be eligible for two (2) days' reimbursement. If an employee uses three (3) sick leave days he/she shall be eligible for one (1) day reimbursement. If the officer has twenty (20) or more years of seniority, he/she may request reimbursement for up to five (5) days of sick leave subject to the same plan as above.

The request for sick leave reimbursement shall be made by the employee not later than January 15 each year. The City shall make such payment by March 1 each year by separate check.

The first sick leave day donated under the terms of Article 16, Section 6 shall not be considered when calculating the annual accrued unused sick leave days. Individual bargaining unit members may not donate sick days under the terms of Article 16, Section 6 in a number greater than the number of sick days for which that employee is eligible to receive in a calendar year.

SECTION 8. Return From Duty Disability and Duty Disability Retirement. When an employee is on duty disability retirement, receives a sick leave pay-off at the time duty disability retirement benefits become effective, and subsequently returns to the employee's previous employment position on a full-time basis, the employee will again be entitled to accumulate one (1) sick day per month. If the employee again retires or dies, accumulated sick leave shall be compensated for in accordance with the terms of the agreement that was in effect at the date of the retirement or death minus the number of accumulated sick leave days that the employee previously received payment for, when the employee went on the duty disability retirement. However, if desired, the employee may re-establish the amount of accumulated sick leave that the employee received compensation for at the time of duty disability retirement by reimbursing the City for each sick leave day at the rate in effect at the date of return. The decision to re-establish accumulated sick leave must be made within thirty (30) days after the employee returns to full-time employment and the reimbursement must be made in a single lump sum payment within six (6) months after the employee returns to full-time employment.

SECTION 9. Humanitarian Clause. Should an employee covered by this agreement become physically or mentally handicapped to the extent that the employee cannot perform his/her regular job, the City will make every reasonable effort to place the employee in a position within City employment that the employee is physically and mentally able to perform, subject to the City's legal or contractual obligations to other City employees.

During any "waiting period" required by the Workers' Compensation Act, employees shall be paid their normal weekly net take home earnings, and shall not be required to use their sick time. Employees on workers' compensation shall be covered by health and life insurance, and shall accrue other benefits (including pension service credit, sick leave, vacation leave, longevity and seniority) as if they had remained on active duty. ARTICLE 22

GRIEVANCE PROCEDURE

SECTION 1. Definition of a Grievance. A grievance is a claimed violation of this Agreement. Any grievance filed shall refer to the provision or provisions alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation.

SECTION 2. Steps of the Grievance Procedure. A grievance which challenges a disciplinary suspension or discharge shall be initially filed, in writing, at Step 3, within five (5) days after the discipline became grievable. All other grievances shall be filed within ten (10) days and processed as provided for below.

An employee at any time may present a grievance to his/her immediate supervisor and have the grievance adjusted, without intervention of the employee's representative, if the adjustment is not inconsistent with the terms of this Agreement, provided that the employee's representative has been given opportunity to be present at such adjustment. The employee shall suffer no loss of pay for the time spent with his/her first line supervisor to discuss the grievance. If the issue is unresolved, the employee, on his/her own time, may contact his/her representative who, on his/her own time, shall reduce the grievance to writing, on a form provided by the City and then present it according to the following procedure and to all of the rules for grievance processing of Section 3, of this Article.

Step 1. A representative shall present the written grievance to the Chief of Police, or designated representative, within ten (10) work days after circumstances giving rise to the grievance were known or should have been known by the employee. During the same time period, a copy of the grievance shall be forwarded to the Labor Relations Administrator by the Chief of Police. One or the other of these parties shall write the City's answer on the form and return it to the Lodge representative within twenty (20) days of receipt.

Step 2. (Optional) Either party may initiate a special conference to discuss a grievance following Step 1, pursuant to Article 19, Section 5. Such a conference shall be scheduled prior to the expiration of the forty-five (45) day period referred to in Step 3, and shall not delay the arbitration hearing, if sought.

Step 3. A grievance involving a written reprimand shall be exempt from Step 3, Arbitration. Instead, a grievance involving a written reprimand may be submitted to binding mediation. The parties shall mutually agree upon a mediator. The mediator's decision shall be binding on the City, the Lodge, and any employee covered by this agreement. The mediator shall render his/her decision according to the same criteria listed below for an Arbitrator.

Unresolved grievances, other than those involving a written reprimand, may be submitted to arbitration by the Lodge. Arbitration may be invoked by the Lodge by filing a notice with the Labor Relations Administrator, within forty-five (45) calendar days of the date of receipt of the answer in Step 1. In the event such written notice is not served, the matter shall be considered settled on the

basis of the written disposition made in the last step of the grievance procedure, and shall not be eligible for further appeal to arbitration.

An arbitrator shall be chosen from the current local panel by blind draw (or using such other method upon which the parties mutually agree) within seven (7) work days of the written notification of intent to appeal to arbitration. Such settlement shall be final and binding upon the City, the employee or employees involved, the Lodge and its members.

In the event that the parties do not have a current local panel of arbitrators, the Lodge may file a written demand for arbitration with the Federal Mediation and Conciliation Service at the same time it files its notice with the City. If an arbitrator is selected by this method, the arbitrator will be selected within sixty (60) days of the date the arbitration is demanded unless it is mutually agreed to extend the deadline. The parties will attempt to schedule arbitration within one hundred twenty (120) days of the selection of an arbitrator.

At the hearing, the parties may present arguments and proofs pertaining to the statement of the question, as well as the merits. The arbitrator shall render his/her decision according to the following:

1. The arbitrator shall answer, in writing, within thirty (30) days after the hearing or thirty (30) days after the submission of any briefs, only the question submitted or the question selected, in accordance with the interpretation and application of the Agreement.
2. The arbitrator shall not add to, subtract from or modify this Agreement.
3. The arbitrator is prohibited from rendering any decision which is contrary to public policy.
4. Once the question has been submitted to the arbitrator, either party may withdraw the case from the arbitrator at the withdrawing party's expense.
5. The fees and expenses incurred by the arbitrator shall be paid equally by the parties to this Agreement, with the exception of Paragraph 4 above.
6. The arbitrator shall hold a hearing unless the parties agree otherwise, at which both sides shall be given the opportunity to present any and all evidence they may have concerning said grievance. The arbitrator shall, at the close of the testimony, decide whether or not he/she wants the question submitted in written brief form.
7. If both parties waive a hearing, the issue may be submitted to an arbitrator by written brief.
8. The award of the arbitrator shall be final and binding on the City, and Lodge, and any employee covered by this Agreement.

SECTION 3. Rules of Grievance Processing.

A. Employees shall write, investigate, process and present grievances so that this activity will not conflict with the full, faithful and proper performance of their required duties.

The employees and/or Lodge representative shall suffer no loss of pay for reasonable time spent in conferring about and presenting the grievance or grievances (excluding outside conferences, such as with legal counsel) at Steps 1 and 2 of the grievance procedure established in this Article. Prior to using duty time to discuss and/or present a grievance, however, the grievant or Lodge representative, if either or both are on duty, must request and receive permission from his/her duty supervisor to be temporarily absent from the employee's duty assignment for the purpose of performing these functions. Such permission shall not be unreasonably denied.

It is further understood and agreed that when there is a single grievance that involves more than one (1) employee, or when there are multiple grievances that involve essentially identical factual situations, the time spent in conferring about and presenting the grievance(s) shall be limited to the time that would be paid for if there had been a single grievance and a single grievant.

B. No grievance shall be valid for more than ten (10) days prior to the date the grievance was first filed in Step 1 of the grievance procedure.

C. Management representatives shall date and sign the grievance indicating receipt thereof.

D. When a management representative returns the form with his/her answer on it, the Lodge representative shall date and sign the grievance indicating receipt thereof.

E. A grievance not appealed by the Lodge to the next higher step within the time limit shall be deemed permanently denied.

F. A grievance not answered by the City within the time limit provided shall be automatically advanced to the next step of the grievance procedure, advancement to arbitration shall still require written notice to the City.

G. For the purposes of the grievance procedure as set forth in this Article, the words "day" and "workday" are defined synonymously, to include weekdays only (Monday through Friday), and to exclude, in addition to weekend days (Saturday and Sunday), the following: holidays authorized by this Agreement; the day on which a grievance is returned to the Lodge by the City, the day on which a grievance is received from the Lodge and days when City offices are closed.

H. The parties, in recognition of the costs of arbitration and other related legal hearings, agree that all disputes shall be resolved in a cost efficient and expeditious manner.

I. The Lodge and the City, promptly after execution of this Agreement, shall agree upon a current local panel of local arbitrators who are acceptable to the parties.

ARTICLE 23

The City shall not enter into any agreements with employees in this bargaining unit individually or collectively or with any other organization which in any way conflict with the provisions hereof, nor may such other organizations represent any employee with respect to wages, hours or conditions of employment or in derogation of the exclusive bargaining agency of this union.

ARTICLE 24

Where appropriate, such notice shall refer to special qualifications or training of the Sergeant. This Section shall not apply to the short term assignments allowed under Section 4.E. of this Article.

Within sixty (60) days of the ratification of this Agreement by both parties, the City will provide the Lodge with a written procedure for posting assignments, pursuant to this Section.

SECTION 3. Selection.

A. Specific Exemptions. If Sergeants are ever incorporated into the Tri-County Metro Narcotics Squad, selection of candidates for temporary transfers to that assignment shall be made at the discretion of the City, from those candidates expressing interest in the assignment. Assignments to Internal Affairs and Planning shall also be made at the discretion of the City.

B. Other Limitations. Selection of candidates for temporary transfers outside the Uniform Division, Patrol Bureau, to other assignments shall be made insofar as possible from those Sergeants expressing interest through the posting process. Reasonable limitations may also be imposed by the City for various assignments, which may include but are not limited to qualifications required for an assignment, special training for an assignment, skill or ability to perform certain duties, and operational concerns.

SECTION 4. Assignment Duration.

A. General. Sergeants selected to be assigned to positions outside the Uniform Division, Patrol Bureau, may remain in those positions for periods not to exceed three (3) years, unless otherwise noted in this Section. Assignments in effect on the effective date of this Agreement shall be subject to these guidelines. Where the City deems it appropriate to extend an assignment beyond the general guideline, where no contractual exception has been established, the City shall notify the Lodge of its reason for the extension and meet in special conference regarding the matter upon request of the Lodge. Thirty (30) days shall generally be deemed to be a reasonable period of overlap for training. Squad transfers within a division shall not be considered a new assignment.

B. Specific Time Limits. Assignments to all special units (i.e., other than patrol) shall not exceed two (2) years for bargaining unit members who are involuntarily drafted to the assignment and shall not exceed three (3) years for bargaining unit employees who volunteer for the assignment. Thirty (30) days prior to the conclusion of the two (2) year assignment, employees who are involuntarily drafted to a special unit assignment shall be given an opportunity to voluntarily continue that assignment for one (1) additional consecutive year prior to being reassigned from the special unit. A Sergeant who is within the last three (3) months of their special assignment may choose to leave that assignment early in order to receive a shift and/or precinct selection. The City shall acknowledge that the Sergeant has completed their full time commitment in the special assignment.

All mandatory drafts or transfers shall be made from a list of bargaining unit members who have never served in a unit outside of the uniform patrol division as a supervisor for more than a cumulative period of two (2) years as identified in "B" above. In the case where no bargaining unit member would be eligible for the above list, the Chief of Police or his/her designee shall choose a Sergeant III has not been drafted into a special assignment before. If all Sergeant III's have been drafted, then the selection will be done by inverse seniority.

In addition, at any time during the involuntary assignment, the sergeant may request a transfer out of the assignment provided another sergeant who is interested and qualified and who desires to volunteer for the assignment has been identified to take the drafted employee's place in the assignment. Such requests for transfer out of a special assignment shall be granted in so far as practical as determined by the Chief of Police. Assignment to the Internal Affairs, Planning, Polygraph and Training Units shall be for whatever duration deemed appropriate by the Chief of Police.

C. Newly Promoted Sergeants. Newly promoted Sergeants will be assigned pursuant to the Letter of Understanding, Appendix B.

D. Return to Patrol. Except where a special need exists, Sergeants who have completed their assignments shall return to the Uniform Division, Patrol Bureau, for approximately two (2) years before being considered for another assignment.

E. Short Term Assignments. If additional short term assignments are necessary because of an emergency, an unusual demand for service, a temporary shortage of personnel, or similar reason, the

City may assign employees to work such assignments for an initial thirty (30) day period without compliance with the guidelines in this Article. If an extension beyond the initial thirty (30) day period is necessary, written notice of the extension shall be given to the Lodge. If the Lodge does not object to a notice of extension, the extension shall be effective for up to thirty (30) additional days. If the Lodge does object to a notice of extension within three (3) work days of receipt, a special meeting shall be scheduled to respond to the questions and concerns of the Lodge.

F. The limitations upon assignment duration specified above shall not be interpreted to preclude a Sergeant from continuing in an assignment beyond the designated time limit if all of the following circumstances exist: (1) No other Sergeant has expressed interest in an assignment pursuant to Section 2; and (2) the incumbent states in writing that he/she would like to remain in the assignment.

ARTICLE 25

SHIFT AND PRECINCT ASSIGNMENTS

The following procedure will be implemented and is agreeable to both the Lansing Police Department and the Fraternal Order of Police, Lodge #141, Supervisory Division, regarding the shift and precinct assignment (selection) of supervisors assigned to any division, bureau, or unit that operates by shifts:

1. Shift and precinct selection shall be based on seniority in rank as defined in Article 6, Section 1, paragraph (a), page 5.
2. Management shall prepare and circulate the form for the shift and precinct assignment.
3. The affected time periods shall begin the first cycle after the date of contract ratification by both parties.
4. Precinct selection shall be made and posted prior to shift selections being made and shall commence the first Saturday in September for the period of the first Saturday in September through the first Friday the following September.

Shift selection shall be for the following time periods: the last Saturday in November to the first Saturday in March; the first Saturday in March to the last Saturday in May; the last Saturday in May to the first Saturday in September; and, the first Saturday in September to the last Saturday in November.

5. Shift selection shall be posted twenty-eight (28) days prior to the effective date.
6. Vacancies that occur during the four (4) twenty-eight (28) day work cycles, or during the twenty-eight (28) day posting period immediately prior thereto, will be filled by the most senior supervisor in the division, bureau or unit and within the applicable precinct who indicated a willingness to change during a work cycle. Supervisors will indicate their willingness to change

when they make their shift picks. Supervisors returning to patrol will fill the vacancy created by the most recent vacancy. Newly promoted sergeants will be assigned to the vacancy that ultimately exists after these changes are completed.

7. The number of personnel assigned per platoon is at the discretion of management.

ARTICLE 26

DISCIPLINARY ACTION, DISCHARGE, SUSPENSION

Only the Chief of Police or his/her sworn designee may discipline an employee for just cause. Disciplinary action may range from written reprimand through discharge, depending upon the nature of the employee's offense, the circumstances under which and the manner in which it was committed, and the employee's record during the immediately preceding two (2) years.

At the time disciplinary action is taken against an employee, the representative of the City shall give to the employee a written and signed statement of the nature of the employee's offense, of its date and time, of the penalty assessed, and of the date and time the penalty becomes effective. The City's representative effecting the disciplinary action shall, as immediately as is practicable thereafter, notify the employee's representative, or, in the representative's absence, another lodge representative, giving him/her a copy of the disciplinary action statement.

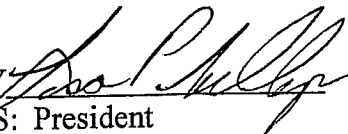

ARTICLE 27

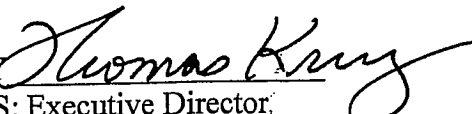

TERM OF THIS AGREEMENT

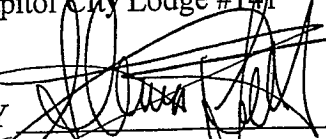

SECTION 1. General Term of Agreement. Except as specifically set forth below, this Agreement shall be effective July 16, 2005 and shall continue in full force and effect until 11:59 p.m., July 15, 2009, and for successive annual periods thereafter unless not more than one hundred twenty (120) days but at least ninety (90) days prior to the end of its original term or of any annual period thereafter, either party shall serve upon the other written notice that it desires termination, revision, modification alteration, renegotiation, change or amendment, or any combination thereof, and such written notice shall have the effect of terminating this Agreement in its entirety on the expiration date in the same manner as a notice of desire to terminate. In the event of the notice above referred to, the parties shall begin to hold negotiation meetings no later than sixty (60) days prior to the termination date.

IN WITNESS WHEREOF, the parties have set their hands this 20th day of November, 2006.
