The two members of the Association Board shall act in a representative capacity for the purpose of processing grievances in accordance with the procedures established in this Agreement. Members of the Association Board shall also meet with County officials for the purpose of negotiating modifications to this Agreement. The Association shall furnish the Employer in writing the names of its Board members.

this Agreement, and he shall have no power or authority to amend, alter or modify this Agreement, either directly or indirectly. He shall have no authority to rule upon job descriptions, work assignments, work standards or personnel requirements. If the issue of arbitrability is raised, the arbitrator shall only decide the merits of the grievance if arbitrability is affirmatively decided. The arbitration award shall not be retroactive earlier than the date that the grievance was first submitted in writing. The arbitrator's decision shall be final and binding on the Association, the Employer and its employees; provided, however, either party retains all legal rights to challenge arbitration and decisions thereof where such action is beyond the power of the arbitrator or where the award was procured by fraud, misconduct or other unlawful means.

5.6: Class Action Grievances. Grievances on behalf of two or more association members or the entire Association shall be filed by the President of the Association and shall be processed starting with the second step of the grievance procedure within seven (7) days of the events giving rise to the grievance.

5.8: Time Limitation. The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Association, the grievance shall be considered settled in accordance with the last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, including arbitration if the Association so requests. The time limits established in the grievance procedure may be extended by mutual agreement; provided it is reduced to writing and the period of extension is specified.

5.9: Time Computation. Saturday, Sunday and holidays shall not be counted under the time procedures established in the grievance procedure.

5.10: Grievance Form. The grievance form shall be mutually agreed upon.

- G. The Union acknowledges that counseling memoranda may be utilized by the Employer to communicate job

deficiencies to employees. Counseling memoranda shall not be construed as disciplinary action and shall not be subject to the grievance arbitration procedure set forth in the Collective Bargaining Agreement.

- H. In the event that an employee suffers a disciplinary suspension, he/she shall continue to accrue vacation time for the first eighty (80) hours of the unpaid suspension.
 - 1. In the event that an employee is going to be suspended, the Employer may offer to have the employee forfeit accrued time off in lieu of serving the unpaid suspension.

5.12: Rules and Regulations.

- A. The Employer(s) reserve(s) the right to establish reasonable rules and regulations concerning the conduct of its employees and the standards for the performance of their duties. The Employer agrees to submit to the Association President an advance copy when possible of any changes in policy and procedure provisions of the Airport Police procedure manual for comment or suggestion.
- B. The Association may, within five (5) days after receiving notice, invoke the special conference procedure of this Agreement, in which event a special conference will be held within fifteen (15) calendar days after request for same.

5.13: Special Conference. The Employer and the Association agree to meet and confer on matters of clarification of the terms of this Agreement upon the written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is understood that these special meetings shall not be for the purpose of conducting continuing collective bargaining negotiations, nor to in any way modify, add to, or detract from the provisions of this Agreement. Special meetings shall be held within ten (10) calendar days of the

receipt of the written request and shall be held between 8:00 a.m. and 5:00 p.m. at a time and place which is mutually agreeable to the parties. The members of the Executive Board shall be allowed time off their jobs without loss of pay to investigate a grievance, upon having received permission from his supervisor. The supervisor will normally grant permission and provide sufficient time to the members of the collective bargaining committee to leave their work for these purposes subject to the conditions that this privilege does not unreasonably interfere with the operation of the Department. The Association agrees that this privilege will not be abused. In addition to any disciplinary action for alcohol or drug abuse, the Employer, at its sole discretion, may refer an employee to a program for assessment, counseling and referral to a treatment program for alcohol and drug abuse. Employees who undergo counseling and treatment for substance abuse and who continue to work must meet all established standards of conduct and job performance. A voluntary request for assistance prior to detection of a violation of such policy will not result in discipline, provided that: (1) such disclosure is the first and only involvement with drugs/alcohol for the employee, and (2) the employee satisfactorily completes the detoxification treatment program as prescribed, and (3) the employee remains free of drug/alcohol use and strictly complies with the Employers drug free policy. However, such requests and participation in counseling/treatment will not prevent disciplinary action for other violation(s) of this Alcohol and Drug Abuse Policy.

16.4: Last Chance Agreement. Individuals Subject to discharge for violation of the Employers Alcohol and Drug Policy may be offered the opportunity to enter into a Last Chance agreement.

The last chance agreement provides that an employee may return to employment under the following conditions:

1. The employee acknowledges in writing that he/she has a substance abuse problem.
2. The employee successfully completes an Employer approved, supervised detoxification treatment program.
3. The employee agrees in writing to remain free of alcohol/drug use and strictly complies with the Employers alcohol and drug policy.

4. The employee is subject to automatic discharge for any violation of the Last Chance Agreement or this policy while on the Last Chance Agreement and the employee and Association waives the right to grieve and arbitrate such discharge.

16.5: Purposes. The purposes of this policy are:

- A. To establish and maintain a healthy and safe working environment for all employees;
- B. To ensure the reputation of the Department and the County of Kent and its employees as good, responsible citizens;
- C. To reduce accidental injury to person(s) or property;
- D. To reduce absenteeism, tardiness, and indifferent job performance; and
- E. At the Employers sole discretion to provide assistance towards rehabilitation for affected employees in appropriate cases.

Reasonable Suspicion Testing:

If the Employer has reasonable suspicion that the employee in question is:

- A. Under the influence, impaired, or otherwise affected by the use of drugs/alcohol, or
- B. Is currently possessing on the Employers premises (or in the Employers vehicle(s)) unauthorized drugs/alcohol, or
- C. Has sold, used, distributed drugs/alcohol on or off the Employers premises or attempted the same.

The Employer may require the employee to go to a medical clinic to provide specimens for laboratory testing. He shall also sign an authorization for the release of these medical records to

the Employer. A refusal to provide a specimen will constitute a presumption of guilt and the employee may be subject to discharge. If the employee is unable to produce 60 ml of urine, he/she shall be given fluids to drink and shall remain at the collection site under observation until able to produce a 60 ml specimen, or until eight (8) hours have passed. At the Employers discretion, alternative testing may be administered, such as blood, or Hair Follicle (RIAH) method for the purpose of detection of the employee's use of authorized use of prescription drugs, illegal drugs, controlled substances, and/or alcohol.

16.6: Chain of Possession Procedures/Split Sample Procedure. At the time specimens are collected for any testing, the employee shall be given a copy of the specimen collection procedures. The specimens must be immediately sealed, labeled, and initialed by the employee to ensure that the specimens tested by the laboratory are those of the employee. The two (2) containers shall be sealed in the employee's presence and the employee given the opportunity to initial the containers and witness his/her social security number placed on the containers. Both shall then be forwarded to an approved laboratory for testing. If an employee is told that the first sample tested positive, the employee may, within 72 hours of receipt of actual notice, request that the second specimen be forwarded by the first laboratory to another independent and unrelated, approved laboratory of the parties choice for confirmatory testing of the presence of the drug. If the employee refuses to comply with this procedure it shall be a presumption of guilt and the employee may be subject to discharge.

Laboratory Accreditation:

All laboratories used to perform testing must be accredited by the National Institute on Drug Abuse (NIDA).

Certification of Test Results:

All test results must be certified by the laboratory as accurate.

16.7: Leave of Absence. At the Employers sole discretion, an employee may be given a leave of absence for the purpose of undergoing treatment pursuant to an Employer-approved program of alcoholism or drug use of up to ninety (90) days.

16.8: Random Testing. An employee may be subjected to random alcohol/drug testing (1) as part of an employee's reinstatement after successfully completing an alcohol or drug rehabilitation program, (2) during an employee's probationary period, (3) upon return to work from a leave of absence of more than thirty (30) days, (4) as part of a routine departmental scheduled physical examination.

16.9: Confidentiality. All information obtained in the course of testing, rehabilitation, and treatment of employees with alcohol and drug abuse problems shall be protected as confidential medical information and shall be kept separate from the employees personnel file. Only those who have a need to know shall be given access to this information. Upon the signed authorization by the employee, the President of the Association and the Counsel of the Association shall have access to such records. The importance of the confidentiality to the employer and its employees cannot be overemphasized.

16.10: Specimen Retention. All specimens deemed positive by the laboratory must be sealed and retained, by the laboratory if possible, for a period of one (1) year.

16.11: Laboratory Methodology. Approved testing techniques known at the time for specimen testing of blood, urinalysis and hair follicle shall be employed.
