AGREEMENT

This Agreement is entered into between the **MECOSTA COUNTY BOARD OF COMMISSIONERS** (hereinafter referred to as the "**EMPLOYER**") and the **TEAMSTERS LOCAL 214** (hereinafter referred to as the "**UNION**").

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between their respective representatives at all levels and among all employees.

ARTICLE 1 RECOGNITION

Section 1 Employees Covered:

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below:

Emergency Medical Technician Paramedic, Specialist, Basic employed by Mecosta County, but excluding managers, employees not assigned to an FTE (part time, confidential, casual employees) executives, and all others.

Section 2 Employees not Covered:

Employees who are not assigned an FTE shall not be covered by this agreement. Such employees shall not be used to displace or deprive an employee in the bargaining unit of wages and benefits required to maintain Full Time status.

ARTICLE 2 AID TO OTHER UNIONS

The Employer will not aide, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

The Union agrees that neither the Union, its agents, nor its members will authorize, instigate, aid, condone or engage in a work stoppage, slowdown, strike or other concerted activity which interferes with the operation of the Employer. Individual employees or groups of employees who instigate, aid or engage in a work stoppage, slowdown or strike may be disciplined up to and including discharge. The Employer agrees not to lock out employees.

ARTICLE 3 RECOGNITION OF RIGHT OF EMPLOYER

Section 1 Right to Manage Workforce:

Nothing in this Agreement shall be deemed to limit or curtail the Employer in any way in the exercise of its rights, powers and authority, unless and only to the extent that specific provisions of the Agreement curtail or limit such rights, powers and authority. The Union recognizes that the Employer's rights, powers and authority include but are not limited to, the right to direct and manage the work force, including by way of illustration the determination of policies, make or amend rules and regulations, operations, assignments, sub-contracting, hire, promote, demote, transfer, schedules, discipline non-probationary employees for just cause and discharge or terminate for any reason or no reason a probationary employee, layoff of employees, purchasing equipment and maintenance of equipment, except as any of these rights are expressly abridged by or contrary to the specific provisions of this Agreement.

Section 2 Rules:

The Employer shall have, within its discretion, the right to make, amend, supplement or delete reasonable rules and regulations. However, the Union Chapter Chairperson shall receive a copy of any new or modified rule or regulation twenty-four (24) hours prior to its effective date, unless conditions warrant immediate implementation. If there is concern regarding the reasonableness of the rule or rule change, the Union Chapter Chairperson may request a special conference between the Union, the Director of the Ambulance Department (referred to hereafter as "Director") or his/her representative and the County Administrator to discuss the rule. The rule change or new rule may become subject to the grievance procedure if it violates a specific term or condition of this contract.

Section 3 Other Agreements:

There are no verbal or written understandings or agreements which are binding on either the Employer or the Union other than the written agreements enumerated or referred to in this Agreement. No further agreement shall be binding on either the Employer or the Union until it has been put in writing and signed by both Employer and the Union.

Section 4 Waiver:

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not referred to or not covered in this Agreement.

Section 5 Past Practices:

This Agreement embodies all the obligations between the parties evolving from the collective bargaining process and supersedes all prior relationships and/or past practices.

ARTICLE 4 UNION SECURITY

Section 1 Union Dues, Representation Fees:

The Employer agrees to deduct Union dues or Union representation fees from employees paychecks to become effective the first payday of the month, which is different than the check for employee co-pay on health insurance, following the employee's completion of six (6) months of full time employment as outlined in this section. The Union dues or representation fees shall be sent to the Union's designated officer.

The Employer also agrees to deduct from an employees paycheck the initiation fee of the Union, for those employees joining the Union, which is payable only once when a new hire completes six (6) months of full time employment, as provided hereunder. This one-time deducted initiation fee shall be made on the first payday of the month, following the employee's successful completion of six (6) months of full time employment.

Membership in the Union is not compulsory. All employees have the right to join, not join, maintain, or drop their membership in the Union as they see fit.

Section 2 Deductions:

The Employer agrees to deduct from the salary of each individual employee in the bargaining unit who becomes a Union member, the Union's dues and initiation fee, subject to all of the following conditions:

1. The Union shall obtain from each of its members a completed and signed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
2. All check-off authorization forms shall be filed with the County Clerk, who may return any incomplete or incorrectly completed form to the Union's designated financial officer, and no check-off shall be made until such deficiency is corrected.
3. All employees covered under this Agreement who do not voluntarily choose membership in the Union shall have deducted from their wages a percentage of the membership dues, after receipt by the Employer of a signed authorization card conforming to state and federal laws, and which sum shall accurately represent the amount for that employee due the Union as their fair share of costs attributable to negotiating the terms of this Agreement and servicing the contract.
4. The Employer shall only check-off obligations which come due at the time of check-off, and will make check-off deduction only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a check-off deduction by direct payment to the Union.
5. The Employer's remittance shall be deemed correct if the Union does not give written notice to the County Clerk within two (2) calendar weeks after remittance is transmitted of its belief, with reason(s) stated therefore, that the remittance is incorrect.
6. The Union shall provide at least thirty (30) days written notice to the County Clerk of the amount of Union dues and/or representation fees and/or initiation fee to be deducted from the wages of employees in accordance with this section. Any changes in the amounts determined will also be provided to the County Clerk at least thirty (30) days prior to its implementation.

Section 3 Continued Employment:

The Union shall notify an employee who has not paid his/her dues or representation fee by certified mail, with a copy to the Employer. If that employee does not pay the dues

or representation fee within thirty (30) days after that notice is received, the Union shall notify the Employer by certified mail of this omission. Fifteen (15) days after receipt of notification by the Employer, the Employer shall terminate that employee.

Section 4 Hold Harmless and Indemnification:

The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Union dues, representation fees and/or initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this Article or the termination of an employee as provided hereunder. The Union assumes full responsibility for the disposition of the deductions so made once they have been sent to the Union.

ARTICLE 5 UNION REPRESENTATION

Section 1 Chairperson:

Employees covered by this Agreement shall be represented by one (1) Unit Chairperson, who shall also act as a steward. The Union shall have the exclusive right to select said Chairperson and a steward in the bargaining unit.

1. The Employer will be notified of the name of an alternate Chairperson who shall serve only in the absence of the regular Chapter Chairperson.
2. The Chapter Chairperson, during his/her working hours, without loss of pay or time, may investigate and present grievances to the Employer without leaving the job post, it being agreed that investigation shall be performed with a minimum of interference with work assignments and loss of working time. In no event shall the Chapter Chairperson leave his/her work for such purpose without first obtaining permission from his/her Supervisor. The Director shall not act arbitrary or capricious in a denial. The Supervisor may require the Chapter Chairperson to present such grievance or grievances during other than working hours in the event that the work force cannot be adequately covered during the time that the Chapter Chairperson desires to investigate and present grievances.

Section 2 Union Bargaining Committee:

1. Employees covered by this Agreement will be represented in negotiations by two (2) negotiation committee members.
2. All bargaining by the parties shall commence at a mutually agreeable time.

3. Employees who have been selected as a member of the Union Bargaining Committee shall be allowed time off with pay, if required to attend negotiation meetings during their regularly scheduled work hours.

ARTICLE 6 SPECIAL CONFERENCES

Section 1 Participants:

Special Conferences for important matters will be arranged between the Chapter Chairperson and the Employer or its designated representative upon the request of either party. Such meetings shall be between not more than two (2) representatives of the Union and not more than two (2) representatives of the Employer. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those in the agenda. Conferences shall be held at a mutually agreed upon time. Special conferences shall not be used for further collective bargaining purposes. The members of the Union shall be excused from duty without penalty to attend special conferences held during his/her regularly scheduled work day, but shall not be compensated in any way for the time spent attending conferences which are not held during his/her regularly scheduled work day. This meeting may be attended by a representative of the Union.

Section 2 Union Pre-Conference:

The Union representative may meet on the Employer's property for up to one-half (1/2) hour immediately preceding the conference.

ARTICLE 7 GRIEVANCE PROCEDURE

Section 1 Definition:

The term "grievance" as used in this Agreement is defined as a claim of a violation of this Agreement. Any grievance filed shall refer to the specific provision or provisions of this Agreement alleged to have been violated, and shall adequately set forth the facts pertaining to the alleged violation. In order to be a proper matter for the grievance procedure, the grievance must be presented within ten (10) calendar days of the date the employee knew, or should have known of its occurrence. Any grievance not meeting the definition, as set forth in this article, will be returned to the Chapter Chair without a response. Failing to meet the definition as stated above does not extend the time period of 10 calendar days.

Section 2 Steps of the Grievance Procedure:

An employee having a grievance as above defined shall present it to the Employer as follows:

Step 1. An employee and his/her steward shall submit in writing the grievance to the Director of the Ambulance Department or in his absence, the County Administrator within the time limits stated in "A" above. The Director shall answer the grievance within ten (10) days after it is received.

The answer of the Director shall not serve as precedent for any other grievances. The Director does not have the authority to provide any employee a benefit which exceeds or is not provided under this contract.

Step 2. If the answer is not satisfactory to the Union, it shall be presented in writing by the steward to the County Administrator within five (5) working days after the answer of the Director. The County Administrator shall sign and date the steward's copy. The County Administrator shall respond to the steward in writing within ten (10) working days after receipt of the grievance. The answer of the County Administrator shall not serve as a precedent.

Step 3.

- a. If the answer at STEP 2 is not satisfactory, and the Union wishes to carry the grievance further, it shall, within fifteen (15) calendar days from the date of the Employer's answer at STEP 2 notify the Director and the County Administrator, in writing, of its appeal of the grievance to arbitration.
- b. Arbitration. The Employer and Union agree to use the following arbitrators on a rotating basis with arbitrator "A" being selected first:
 - A. Peter Jason
 - B. David Grissom
 - C. Barry Brown
 - D. Daniel Kruger

If the arbitrator up for selection is not available, the other arbitrator will be used. If neither of the listed arbitrators are available, the Employer and the Union will attempt to agree on an impartial arbitrator. In the event the Employer and the Union are unable to agree on an impartial arbitrator, the arbitrator will be selected from a list of arbitrators submitted by the FMCS. A list of five (5) arbitrators will be requested from the FMCS, with each party

having the right to strike two (2) names. The arbitrator remaining on the list shall serve as the independent arbitrator.

- c. The arbitration proceedings shall be conducted in accordance with the American Arbitration Association Rules and Regulations.
- d. There shall be no appeal from any arbitrator's decision unless the arbitrator exceeded his/her authority or jurisdiction. Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the Employer. The arbitrator shall make a judgment based upon the express terms of this Agreement, and shall have no authority to add to, or subtract from any of the terms of this Agreement. The expenses for the arbitrator shall be shared equally between the Employer and the Union.
- e. A grievance may be withdrawn without precedent and if so withdrawn, all financial liabilities shall be canceled.
- f. Any grievance not answered within the time limits by the Employer shall be automatically advanced to the next step.
- g. Any grievance not appealed by the Union within the time limits shall be deemed settled on the basis of the Employer's last answer.
- h. Only for the purpose of the grievance procedure, a "working day" shall mean Monday through Friday, excluding holidays, as recognized in this Agreement, and shall not include the day on which a grievance is presented or appealed by the Union or returned to it by the Employer.
- i. The withdrawal or settlement of grievances by the Union and the settlement of grievances by the Employer will be without precedent to either party.
- j. Only one grievance shall be presented to an arbitrator in any one hearing, unless the parties mutually agree to combine grievances for the same arbitrator. Grievances on the same subject matter may be combined and heard by a single arbitrator.
- k. When remedies are available for any complaint and/or grievance of an employee through any procedure outside of this agreement, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize a different remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the

grievance procedure provided for in this contract and, subsequently, elects to utilize a different remedy, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE 8 COMPUTATION OF BACK WAGES

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned.

ARTICLE 9 DISCHARGE, SUSPENSION, REPRIMAND

Section 1 Discharge Notice:

The Employer agrees, upon the discharge or suspension of a non-probationary employee, to notify in writing the employee and his/her steward of the discharge or suspension. The written notice shall contain the reasons for the discharge or suspension. Should the non-probationary discharged or suspended employee consider the discharge or suspension to be improper, it shall be submitted to the grievance procedure.

Section 2 Just Cause:

For all non-probationary employees discipline shall be for just cause.

ARTICLE 10 SENIORITY; PROBATIONARY PERIOD

Section 1 Definition of Seniority:

Seniority is defined as length of continuous full time service with the Emergency Medical Service since the employee's most recent date of hire. Active part time employees hired into the unit shall be granted seniority for years of service on a pro rated basis, based on continuous hours of work. Seniority shall commence after the employee completes the probationary period hereinafter provided for, retroactive to the date of the employee's most recent date of hire.

Section 2 Probationary Period:

All employees shall be considered probationary employees until the employee has completed six (6) months of continuous full time work. The Employer has the right to extend the probationary period of an employee up to an additional six (6) months upon prior notice to the Union and affected employee. During the probationary period, and any extensions thereof, the employee may be terminated without recourse to or without regard to this Agreement, and for no reason or any reason except Union activities, and shall not

be entitled to the benefits of the grievance procedure as it relates to discipline and/or discharge. Upon completion of such probationary period, the employee's name shall be placed on the seniority list as of his/her last date of hire; provided, however, that if an employee is absent from work for any reason, his/her probationary period shall be extended by a period equal to the duration of such absence. New hires may be started above the start rate based on their prior experience and employment history as recommended by the Director and approved by the Employer.

Section 3 Leaves of Absence During Probationary Period:

If an employee takes an unpaid leave during the probationary period, the probationary period shall be extended for a time period equal to the leave. If a seniority employee takes an unpaid, leave in excess of 12 weeks, the employee's seniority shall not accumulate, but shall remain frozen until their return.

ARTICLE 11 SENIORITY LISTS

Section 1 Non-Discrimination in Seniority:

Seniority shall not be affected by the creed, color, national origin, age, race, sex, or marital status of the employee.

Section 2 Information on Seniority List:

The seniority list on the date of this Agreement will show the date of hire, names and addresses, and classifications of all employees of the unit entitled to seniority.

Section 3 Employer's Obligation to Maintain Seniority List:

The Employer will keep the seniority list up to date and will provide the Chapter Chairperson and Union with up-to-date copies upon request.

ARTICLE 12 LOSS OF SENIORITY

Loss of Seniority. An employee shall automatically lose his/her status as an employee and his/her seniority for any of the following reasons:

1. He/she resigns or quits.
2. He/she is discharged or terminated and not reinstated.
3. He/she retires.
4. He/she is convicted or pleads guilty to a felony.

5. He/she has been laid off for a period of time equal to his/her seniority at the time of his/her layoff or two (2) years, whichever is lesser.
6. Two (2) unexcused absences on a regularly scheduled workday within a twelve (12) month period, unless it is beyond the control of the employee.
7. Unexcused failure to return from a leave of absence of any kind on the specified date for return (including sick leave), unless it is beyond the control of the employee.
8. Intentionally falsifies his/her employment application.
9. Failure to return to work when recalled from layoff as set forth in the recall procedure.

ARTICLE 13 SENIORITY OF CHAPTER CHAIRPERSON

The Chapter Chairperson shall head the seniority list of the unit for the purpose of layoff only during his/her term of office, provided he/she has the immediate ability and qualifications to perform the remaining work.

ARTICLE 14 LAYOFF DEFINED

Section 1 Definition:

The word "layoff" means a reduction in the work force.

Section 2 Notice to Union:

In the event of a layoff, the Employer shall meet with the Chapter Chairperson at least fourteen (14) days prior to the effective date of layoffs. At such meeting the Employer shall submit a list of the employees scheduled for layoff, their names, seniority, departments, classifications and work locations. After the meeting, if the Union believes that the Employer violated the terms of this Article, the matter shall be submitted at the final step of the grievance procedure.

Section 3 Order of Layoff:

When a layoff takes place, employees not entered on the seniority list in the classification affected by the layoff shall be laid off first. Thereafter, employees in the classification affected by the layoff having seniority shall be laid off in the inverse order of

their seniority, i.e., the least-senior employee in the affected classification on the seniority list will be laid off first.

Section 4 Notification to Affected Employees:

Employees to be laid off will receive at least seven (7) days advance notice of the layoff.

ARTICLE 15 RECALL PROCEDURE

If there is an increase in the job classification of the laid-off employee, recall of laid-off employees will be made in order of seniority, the most senior employee being recalled first. If an employee cannot be contacted personally, the Employer will send a certified letter notifying the employee of his/her recall to work and the date of his/her return. The Employer shall send the notice to the employee's last known address given to the Employer by the employee. Any employee notified in accordance with the above, who fails to report for work within five (5) days after notice has been sent/given shall be considered to have quit.

ARTICLE 16 TRANSFERS

Transfers of Employees. If an employee transfers to a position within the Ambulance Department not included in the bargaining unit, and thereafter, within six (6) months, transfers back to a position within the bargaining unit, he/she shall have accumulated seniority while working in the position to which he/she transferred. Employees transferring back to the bargaining unit under the above circumstances shall retain all rights for the purpose of any benefits provided in this Agreement.

ARTICLE 17 PROMOTION

Section 1 Promotion of Station Coordinators:

Promotion into a Station Coordinator position is an appointment, and Coordinator duties shall be in addition to the paramedic job description requirements. Station Coordinator promotions shall be filled by competitive examination, using the following criteria:

<u>Written Examination</u>	<u>Oral Interview</u>
50%	50%

The Oral Interview will be conducted by a Board consisting of the Director, the County Administrator, and Chairpersons of the Mecosta County Board of Commissioners Personnel and Ambulance Committees. Vacancies will be filled following the above procedure, with the Board of Commissioners, upon a recommendation from the Director, selecting from the two highest scoring candidates to fill a vacancy.

An individual who is a Station Coordinator remains covered as a paramedic by the agreement. The Schedule and Station assignment of Station Coordinators will be at the discretion of the Director. The Employer has the right to demote for cause.

ARTICLE 18 VETERANS

The re-employment rights of employees after their period of military service with the Armed Forces of the United States will be in accordance with all applicable laws and regulations.

ARTICLE 19 UNPAID LEAVE OF ABSENCE

Section 1 Personal Leave:

A. An employee may request a personal leave of absence for a period not to exceed one hundred and eighty (180) calendar days in any one (1) calendar year for leaves not authorized under Section 2 below. All requests must be made in writing and for leaves of absences of up to forty-five (45) calendar days approval must be obtained from the Director. For unpaid personal leaves of absence in excess of forty-five (45) calendar days up to one hundred eighty (180) calendar days, approval must be obtained from the Director and the County Board of Commissioners. Such approvals will be within the Director and Board of Commissioners sole discretion, but denials shall not be arbitrary and capricious. A personal leave of absence may be granted in cases of illness in the immediate family not covered under Section 2, to attend an educational institute, or for other reasons deemed justifiable by the Director. All personal leaves of absence shall be without pay, and the employee will not accumulate sick leave or vacation time, nor will the employee be paid for holidays which may fall during his/her leave. When a leave of absence is granted for more than forty-five (45) calendar days for whatever reason, the Director does not guarantee that the employee will be reinstated in his former position. However, every effort will be made to place the employee in a position for which he/she is qualified. If no positions are available, the employee will be given top consideration as job openings occur in line with their qualifications.

B. Unpaid leaves of absence are to be used for the purpose intended, and employees shall make their intent known when applying for an unpaid leave of absence. Employees shall not accept employment while on leaves of absence unless agreed to by the Employer. Acceptance of employment or working for another employer without prior approval while on leave of absence may result in immediate termination of employment.

Section 2 Unpaid Family Leave:

A. General

1. All full time employees who have completed twelve (12) months of employment and worked at least 1250 hours for the Employer in the past twelve (12) months may request a Family and Medical Leave Act ("FMLA") leave of absence for a period not to exceed twelve (12) weeks (84 days) in any one calendar year. All foreseeable requests must be addressed to the Controller/Administrator in writing not less than thirty (30) days before the date the leave is to begin and must include the reason for the request, give the expected duration of the leave and be approved by the Controller/Administrator. Unforeseeable leave requests must be provided to the Controller/Administrator as soon as practicable. The FMLA leave of absence shall commence when the employee takes his/her first day off associated with the Family Medical Leave Act, or when the employee takes time off allowed under the FMLA, whichever is sooner. A FMLA leave of absence may be granted in the following cases:

 - (d) Because of the birth of a son or daughter of the employee and in order to care for such son or daughter.

2. The employee is required to exhaust all accrued paid leave (comp time, sick leave, vacation leave etc.) prior to an unpaid leave of absence.
 3. When a husband and wife are both entitled to leave and are employed by the Employer, the aggregate number of work weeks of leave to which both may be entitled may be limited to twelve (12) work weeks during any twelve (12) month period if the leave is taken due to the birth of a child, the placement of a child or to care for a sick parent.

Employees may continue insurance coverages at their own expense during an unpaid family leave of absence after the periods noted above to the extent required by federal law. An employee will not accumulate sick leave or vacation time, nor be paid for holidays which

That decision will be at the discretion of the Employer. However, every effort will be made to place the employee in a position for which he/she is qualified. If no positions are available, the employee will be given top consideration as job openings occur in line with their qualifications. When an employee returns from a family leave of absence of less than twelve (12) weeks, he or she shall be returned to an equivalent position, as required by law. However, there is no guarantee that the employee will return to the position, shift, or station that they left.

employee, the Employer may require certification issued by the health care provider of the eligible employee or of the child, spouse or parent of the employee, as appropriate. This certification shall be sufficient if it states:

1. The date on which the serious health condition commenced;
 2. The probable duration of the condition;
 3. The appropriate medical facts within the knowledge of the health care provider regarding the condition;
 4. When applicable, a statement that the eligible employee is needed to care for child, spouse or parent and an estimate of the amount of time that the employee is needed to provide such care;

- F. Second Opinion In any case where the Employer has reason to doubt the validity of the certification as outlined above, the Employer may require, at the Employer's expense, if not covered by insurance, that the eligible employee obtain the opinion of a second health care

provider designated or approved by the Employer concerning any information certified by the original certification. The provider of the second opinion shall not be employed on a regular basis by the Employer.

- G. Resolution of Conflicting Opinions When the second opinion described above differs from the opinion in the original certification, the Employer may require, at the expense of the Employer, if not covered by insurance, that the employee obtain the opinion of a third health care provider designated or approved jointly by the Employer and the employee concerning the information certified above.
