AND

MISSAUKEE COUNTY EMPLOYEES CHAPTER
LOCAL 1855, AFSCME, AFL-CIO

Effective Date: January 1, 2010
Termination Date: December 31, 2011

AGREEMENT

This Agreement entered into on this 1st day of January, 2010 by and between the MISSAUKEE COUNTY BOARD OF COMMISSIONERS, TREASURER OF MISSAUKEE COUNTY, CLERK-REGISTER OF MISSAUKEE COUNTY and PROSECUTING ATTORNEY OF MISSAUKEE COUNTY (hereinafter referred to as the "EMPLOYER") and the MISSAUKEE COUNTY EMPLOYEES, Chapter of Local 1855, affiliated with Michigan Council #25, American Federation of State, County and Municipal Employees, AFL-CIO, (hereinafter referred to as the "UNION") and members (hereinafter referred to as "EMPLOYEES"). All hereinafter referred names will apply, unless referring to the generic or a particular individual or group.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth both economic and non-economic terms and conditions of employment, for the mutual interest of the Employer, the Employees and the Union.

The parties recognize the interest of the Employer and the Employees depend upon the need to provide a proper service to whomever, whether it be an Individual, Company, or to a Government and/or unit or subdivision.

To these ends, all parties are encouraged to promote friendly and cooperative labor relations at all levels and among all employees and that this basic premise is not to be used as grounds for any future grievances.

PREFACE

The Employer and the Union recognize their responsibilities under federal, state and local laws as they relate to fair employment practices.

All parties recognize the moral principles and the legal aspects in the area of civil rights and reaffirm in this Agreement their commitment not to discriminate.

The Employer, employees, and the Union shall not discriminate against any person for any reason because of race, color, creed, age, sex, nationality, political belief or physical handicap, nor shall the Employer or its agents, employees, or the Union, its agents or other members, discriminate against any person because of such person's membership or non-membership in the Union.

RECOGNITION

Section 1.0 Collective Bargaining Unit. Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Acts of 1947, as amended by Act 3 of the Public Acts of 1965, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining for terms and conditions of employment as defined in this agreement. Employees included in the bargaining unit and subject to the conditions of the Agreement are limited to the positions described below:

All full-time and regular part-time non-supervisory employees in the positions classified as ASSISTANT PARK MANAGER, APPRAISER, OFFICE MANAGER (PROSECUTORS OFFICE), MAPPER, SECRETARY, CHIEF DEPUTY,) CLERK/REGISTRAR, DEPUTY CLERK/REGISTRAR, DEPUTY TREASURER, CHIEF DEPUTY TREASURER, DATA ENTRY COORDINATOR CLERK, AND CUSTODIAN, excluding but not limited to the following: elected officials, extension office director, library employees, confidential employees, irregular, volunteers, all employees covered under a separate agreement, and any other employees.

Section 1.1 Definitions. For purposes of the recognition granted the Union and for the purposes of this Agreement, the following defined positions shall apply:

Full-Time Employee: A full-time employee is an individual who is working at least forty (40) or more hours per week on a regularly scheduled basis at a position classified by the Employer as permanent.

Regular Part-Time Employee: A regular part-time employee is an individual who is working less than the full-time requirements of forty (40) hours, but more than twenty (20) hours, on a regularly scheduled basis for that position, classified by the Employer as regular part-time permanent.

Irregular Employee: An irregular employee is an individual who is employed for a specific need, job or duty. These employees may include, but not be limited to, temporary, casual, volunteer or seasonal employment.

1. Irregular employees shall not be used in such a manner as to replace or reduce the non-overtime hours of the employees in positions that are classified as permanent.

2. Irregular employees shall not be used in such a manner as to perform work regularly and normally performed by an employee in positions that are classified as permanent on a continuing basis.

(a) Continuing basis shall be defined as an employee being used to perform the duties of a position classified as permanent for more than one hundred eighty (180) work days, unless the one hundred eighty (180) work days are extended by mutual agreement of the Employer and the Local Chapter President of the Union.

Substitute Employees: A substitute employee is an employee hired to replace a regular employee on a leave of absence or vacation. These employees shall not be covered by the terms of this agreement and may be retained for the duration of the leave.

Full-time, Regular Part-time, Irregular and Substitute status shall be designated at the time of hiring or promotion. When the status of an employee changes for any reason, the Employer will advise the Union prior to the effective date of the change of status.

Section 1.2 Irregular Employees. The Employer reserves the right to employ and utilize irregular employees. These employees are not within the recognition granted the Union and are not covered by the terms of this Agreement. The performance of work by the irregular employees shall not constitute a violation of this Agreement, even if it could remove potential overtime opportunities.

Section 1.3 Supervisors. It is recognized that an integral part of a supervisory or department head employee's normal work includes the performance of tasks or jobs that are also performed by a bargaining unit employee. The performance of this work by supervisors or department head shall not constitute a violation of this Agreement, even if it could remove potential overtime opportunities.

Section 1.4 Emergency Work by Supervisors. It is recognized that from time to time an emergency occurs and it is necessary that a task or a job must be performed by a supervisory or department head employee rather than an employee of the bargaining unit. The performance of this work by supervisors or department head shall not constitute a violation of this Agreement, even if it could remove potential overtime opportunities.

UNION SECURITY

Section 2.0 Agency Shop/Union Membership. As a condition of employment, all employees included in this bargaining unit set forth in Section 1.1 shall be required to pay to the Union the periodic monthly dues required of all Union members or in the alternative, pay to the Union a service fee. Membership in the Union is not compulsory. All employees have the right to

join, maintain or drop their membership in the Union as they see fit. The Union recognizes, however, that it is required under this Agreement to represent all employees, whether they have membership or not included within the collective bargaining unit set forth in this agreement as stated in Section 1.1.

Section 2.1 Union Membership or Service Fee. All employees included in the collective bargaining unit set forth in Section 1.1 shall pay to the Union only a membership or service fee, one fee but not both. This obligation to pay this fee to the Union shall commence upon the completion of an employee's first thirty days of employment. For the purpose of this agreement, the term "service fee" shall be defined to mean the fees uniformly required of non-union members in amounts established by the Union consistent with the law. The Union shall advise the Employer in writing of the amount of such fees and any changes thereto. An employee's obligation to pay this fee may be satisfied by direct payment to the Union or by payment of the fee in accordance with the checkoff provisions of Section 2.2.

Section 2.2 Dues and/or Fees Checkoff. The Employer agrees to deduct from the wages of the employee, all union membership dues or service fee, if any, as provided in a written authorization in accordance with the standard form, as provided, by the Union. Said form shall be executed by the employee. Any written authorization which lacks the employee's signature will be returned to the Union. If not returned within the prescribed time limit in Section 2.1, deductions for such fees will commence on the following cycle. The written authorization for said fees deduction shall remain in full force and effect during the period of this Agreement. All signed authorizations filed with the Employer shall become effective the first (1st) payroll of the following month and each succeeding month, provided the employee has sufficient net earnings to cover the amounts to be deducted. If an employee's net earnings are insufficient to cover the sums to be deducted, the deductions shall be made from the next paycheck in which there are sufficient earnings. Union dues and/or fees shall be deducted bi-weekly in equal amounts sufficient to equal the per month dues and/or fees per the written authorization by the Union. If a dispute arises as to whether or not an employee has executed or properly revoked a written checkoff authorization form, no further deductions shall be made until the matter is resolved.

Section 2.3 Employer's Obligation. The sole obligation of the Employer under Sections 2.1 and 2.2 is limited to deduction of the fees. If the Employer fails to deduct such amounts as required under said sections, its failure to do so shall not result in any financial liability whatsoever. In cases where a deduction is made which duplicates a payment already made to the Union by

an employee, or where a deduction is not in conformity with the provisions of the Union constitution or bylaws, refunds to the employee will be made by the Union.

Section 2.4 Indemnification. The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability including, but not limited to wages, damages, awards, fines, court costs, attorney fees and any compensation costs that arise out of or by reason of action taken by the Employer pursuant to Section 2.1, 2.2 or any other related section in this Agreement.

Section 2.5 Remittance of Dues and Fees. Remittance of fees deducted for any calendar month shall be to such address designated to the designated financial officer of the Michigan Council #25, AFSCME, AFL-CIO, with names and amounts of all employees from whom deductions have been made no later than ten (10) days following the date on which the final deductions were accomplished in accordance with Section 2.2.

UNION REPRESENTATION

Section 3.0 Collective Bargaining Committee. The Employer agrees to recognize three individuals - one (1) of these three shall be the Unit Chapter Chairperson, one (1) shall be the Steward and one (1) shall be from the body of the unit, all elected by the unit membership. The function of these individuals shall be to meet with the representatives of the Employer for the purpose of contract negotiations. The Chapter Chairperson will also function individually and as a committee in accordance with the procedures established in the Grievance Procedure. The Steward shall act as an alternate in the absence of the Chairperson.

Section 3.1 Changes of Representation. The Union will furnish the Employer with the names of its authorized representatives and members of its committee who are employed within the unit and any changes as may occur from time to time in such personnel so the Employer at all times may be advised as to the authority of the individual representatives of the Union and the Employer shall not be required to recognize or deal with any other than those so designated.

Section 3.2 Non-Employee Representation. In addition to the local representation as described in Section 3.0, representatives of Council #25 or of the International Union, or both, may participate in the contract negotiations.

MANAGEMENT RIGHTS

Section 4.0 Management Rights. It is understood and agreed that the Employer retains and shall have the sole and exclusive right to manage and operate the County Departments in all its operations and activities and to establish and administer, without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement. Among the retained rights of management including only by way of illustration and not by way of limitation are as follows: to determine all matters pertaining to management policy; to adopt, modify, change, or alter its budget; to determine the services to be furnished, and the methods, procedures, means, equipment and machines required to provide such services; to determine the nature and number_of operations and departments to be operated and their locations; to eliminate, combine, or establish new departments; to determine the number of personnel required; to determine the number of hours to be worked by any employee; to eliminate, establish or combine classifications; to hire personnel; to determine the number of supervisors; to direct and control operations; to discontinue, combine or reorganize any part or all of its operations; to maintain safety, order, and efficiency; to continue and maintain its operations; to study and use different methods, processes or machines; to use improved methods and equipment and outside assistance either in or out of the County's facilities, including subcontracting and any other work or functions; to establish job descriptions, work standards and qualifications; to make judgements as to the skill, ability and performance of employees; and in all respects to carry out the ordinary and customary functions of administration of the County and the County Departments. Newly created or changes to existing classifications shall be discussed/mutually agreed upon during a special conference held between the parties.

Section 4.1 Employer Determination. The Employer shall have the right to determine the right to promote, demote, assign, transfer, suspend, discipline and discharge for just cause, layoff and recall personnel; to establish work rules and to fix and determine reasonable penalties for violation of such rules and other improper employee actions or inactions; and to establish and change work schedules; provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement.

Section 4.2 Disciplinary Action. Disciplinary action shall be for just cause. Employees shall be advised of the charges against them and provided with an opportunity to discuss these charges prior to the implementation of a decision to discharge or suspend an employee. The Employer may also suspend an employee pending investigation, and such suspended employee shall continue to receive pay for regularly scheduled hours unless the time off becomes a disciplinary suspension or discharge.

(a) In any case where the employee displays behavior deemed by the Employer as inappropriate, or as a result of some action creates undesirable results which requires disciplinary action, the following sequence of disciplinary action applies:

Oral warning

Written warning

Suspension, removal or discharge

(1) **ORAL WARNING:** Upon imposing an oral warning, the Employer may place a notation of such warning in the employee's personnel file providing the employee has been given a copy of same.

(2) **WRITTEN REPRIMAND:** Upon any second disciplinary action, the employee will receive a written reprimand, the employee's union steward or appropriate Union officer will be notified within three (3) working days in writing by the appropriate supervisor of the action taken. The employee shall be given a copy of all disciplinary action and a copy shall be placed in his/her personnel file.

(a) Should it be necessary to reprimand an employee or discuss perceived negative performance, the Employer shall do so privately as to not embarrass the employee before other employees or the public.

(b) The employee shall have the right, if he so requests, to be represented by his Steward or Union officer at the time disciplinary action, excluding oral warning, is imposed. All disciplinary actions, oral or written, shall be subject to the normal grievance procedure or the employee may seek such other legal remedies as may be available to him upon the employee's election.

(c) Employees may review their personnel file at reasonable times.

(3) **SUSPENSION, REMOVAL OR DISCHARGE:** When an employee has engaged in conduct which could lead to discharge or discipline involving time off, the employee's department head or his designated representative will notify the employee of the events giving rise to the disciplinary action. If the employee requests, the department head or designated representative shall meet with the employee to discuss the matter. The employee shall have the opportunity to meet with his Union representative on the Employer's premises prior to meeting with the department head and to have his Union representative present when he meets with the department head. If disciplinary action is taken, the employee will be notified in writing with a copy to be given to his Union representative.

Should the discharge or disciplined employee consider the discharge or discipline to be improper, a grievance specifying the reasons therefore and the provisions of the contract violated should be presented through the Chapter Chairperson within five (5) working days after the written receipt of the notice of the discharge or discipline to the Chairperson of the Board of Commissioners or their designated representative.

In imposing a discharge or discipline on a current charge, the Employer will not base his decision upon any prior infractions which occurred more than one (1) year previously, or discharge or discipline an employee for falsification of his employment application after a period of two (2) years from his date of hire unless such falsification is related to the current charges.

However, if in the opinion of either the employee or management, personal problems on the part of the employee are interfering with his/her job performance, referral to the Employee Assistance Program (E.A.P.) may be offered to the employee. If the employee then agrees to utilize the E.A.P., all disciplinary action then pending will be held in abeyance for a period of three (3) months. During that time the employer will be authorized to monitor the attendance and maintenance of effort of the employee in treatment. A "release of information" authorization will be signed by the employee. In the event that a reasonable rate of attendance and maintenance of effort are not evidenced upon prior notification to the Union, the three (3) month grace period will immediately cease and the employee will be subject to normal disciplinary measures.

However, nothing in this section shall prevent the Employer taking immediate and appropriate disciplinary action as outlined in Section 4.3 Just Cause.

(b) Should it be necessary to reprimand an employee, the Employer shall attempt to give the reprimand in a way that will not cause embarrassment for the employee before other employees or the public.

Section 4.3 Just Cause. Just cause as it relates in Sections 4.1 and 4.2 will be as follows:

(a) The following can result in immediate discharge from employment with the County or Employer, or a suspension of up to ninety days at the discretion of the County or Employer and such discretion shall not be used as precedence for any other disciplinary action. In the event of suspension, the suspension will be without pay or benefits, however, the employee will pay their prorated cost of health care insurance.

(1) Stealing, abusing, misusing, removing, or deliberately destroying County property or the property of County employees.

(2) Using illegal substances or use of unprescribed controlled substances while in the performance of their duties, or at any such time that will interfere with one's mental or physical ability to perform their duties.

(4) Unauthorized possession of firearms, weapons, and/or explosives while at work or on County property.

(8) Soliciting any gift, service, gratuity, loan, fee or anything of value by using one's position of employment with the County.

(9) Engaging in proven sexual harassment.

(10) Convicted of a serious misdemeanor or felony.

(b) The following may result in a suspension without pay for up to ten (10) days for the first infraction and discharge from employment with the County or Employer and loss of all seniority rights and benefits provided by this Agreement for any second infraction of the same or any other violation in this section.

(1) Marring, marking or defacing any surface of any County building or equipment.

(2) Using intoxicating beverages while in the performance of their duties or at any such time that will interfere with one's mental or physical ability to perform their duties.

- (3) Using abusive language, threatening, intimidating, and/or coercing any employees, supervision or the general public.
- (4) Engaging in obscene or indecent conduct.
- (5) Sleeping while at work or otherwise not being alert to one's duties and responsibilities.

- (7) Conducting personal or unauthorized union business while at work.
- (8) Failing to properly advise their elected official or designated officer when not reporting to work.

- (15) Taking any other actions which interfere with the proper performance of their assigned work or which would reflect discredit upon the County.

Section 4.4 Subcontracting. The Employer will not subcontract work normally performed exclusively by the bargaining unit and for which the Employer has facilities or equipment to perform, without first giving the Union ten (10) days written notice of the intent to subcontract and without giving the Union an opportunity to bargain. Should bargaining not result in

agreement, either side may request assistance of a state mediator. Absent agreement through mediation, the issue may be placed before a factfinder if the following conditions can be met:

(a) The factfinding presentation date shall be no later than sixty (60) days following the last bargaining or mediation session.

(b) The factfinder must agree to have their final report ready no later than fourteen (14) working days from the date of the factfinding session.

(c) The cost for factfinding services shall be born equally between the County and the Union.

Section 4.5 Discipline Record. An employee that has been disciplined, but whose record has remained clear for a period of three (3) years after the effective date of the last disciplinary action, shall have his record reviewed by the Employer and the Union. By mutual agreement, the disciplinary action will be expunged from the employee's record.

Section 4.6 Conflict of Interest/Outside Employment. No employee shall work at other employment which would lead to a conflict of interest or impair their performance as an employee of the County or Employer. If outside employment would violate this policy, the employee must resign either the outside employment or their position with the County or Employer.

Section 4.7 Conditional Starting Rate. It is recognized that when a job vacancy cannot be filled by the job posting procedure, a new probationary employee may be employed at a rate of pay greater than the starting rate of pay for that job classification provided the individual has the necessary experience, qualifications, training, education and other work factors that would warrant a different step in the rate of pay schedule. The Employer will upon request from the Union, supply the necessary documents for justification of the different step in the rate of pay schedule. If the Union deems the documents do not support the higher pay, the Union may grieve the rate of pay.

Section 4.8 Consolidation or Elimination. The Employer agrees that any consolidation or elimination of jobs shall not be affected without a special conference.

Section 4.9 Discussions on Important Topics. From time to time it may become necessary for the Employer and the Union to have a face to face discussion on topics of mutual interest. Should either side deem it necessary to have such a discussion it shall notify the other side of such need and shall then attempt within ten (10) working days set a date to have such discussions. Such discussion shall be between at least two (2) members of the local union bargaining representatives along with representatives of Council 25 and/or the International Union and at least two (2) members of the Employer and their counsel, if they so desire. Topics for such discussion shall be limited to those indicated by the party desiring the discussion. Such discussion shall not obligate the Employer or the Union to bargain and shall only result in a formal Agreement if both sides mutually agree. Such meetings shall take place outside normal work hours.

GRIEVANCE PROCEDURE

Section 5.0 Definition of Grievance. A grievance under this Agreement is a written dispute, claim or complaint by an employee or the Union alleging a violation of this Agreement. Grievances are limited to matters of interpretation or application of express provisions of this Agreement.

Section 5.1 Grievance Procedure. All grievances shall be handled in the following manner.

Step 1. Verbal Procedure. An employee with a complaint shall notify the department head. For this section of the Agreement the department head will be the elected official or the appointed department head, within five (5) working days after the employee knows or should have known of the events giving rise to the complaint. The complaint shall be discussed informally by the employee and the elected official or the appointed department head. The department head shall give his verbal answer within five (5) working days of the employee's verbal presentation. Every effort shall be made to satisfactorily resolve the grievance in this manner.

Step 2. Written Procedure. If the complaint is not satisfactorily settled by the Verbal Procedure, it shall become a written grievance. The written grievance will be submitted on behalf of the grievant by the steward to the department head (as defined in Step 1) within five (5) working days after the department head's answer in the Verbal Procedure. The department head or designee, the grievant involved and the steward may discuss the grievance.

Written disposition on the grievance shall be within ten (10) working days following the date of the submission of Step 2. Written Procedure, and shall return it to the steward.

Step 3. Written Procedure to the County Board of Commissioners. If a grievance is not settled in Step 2, the steward, at the request of the grievant, may appeal the decision rendered in Step 2. The steward will deliver to the County through the County Clerk's Office a Written Appeal concerning the grievance within five (5) working days following receipt of the written decision given in Step 2. The Chairperson of the Missaukee County Board of Commissioners, or designated representative, shall place the matter on the agenda. The full Board of Commissioners may then establish a committee to meet with the grievant and/or steward to further discuss the grievance. If a grievant meeting is so ordered, a written reply to Step 3 shall not exceed thirty (30) working days following the date of the Board of Commissioners' next regularly scheduled meeting and return it to the steward. In the event a grievant meeting is not ordered, then a written disposition on the grievance will be given within five (5) working days following the date of the Board of Commissioners' next regularly scheduled meeting and returned to the steward.

Section 5.2 Arbitration. The Union may request arbitration of any unresolved grievance which. is arbitrable by filing the Arbitration Request Form with the Federal Mediation and Conciliation Service and delivering a copy mailed to the department head within twenty-five (25) working days following the receipt of the Employer's written response in Step 3 of the grievance procedure, provided a notice of intent to go to arbitration is given to the Employer within ten (10) working days. If the Union does not request arbitration in the manner or within the time limits established herein, the grievance shall be considered settled on the basis of the Employer's last disposition. Grievances which are considered settled shall not be arbitrable and no arbitrator shall have the power to issue any award or fashion any remedy concerning such grievances.

Section 5.3 Selection of Arbitrator. The arbitrator shall be selected from a panel of nine (9) arbitrators submitted by the Federal Mediation and Conciliation Service. Each party shall alternately strike a name from the list of the nine (9) names submitted. The Employer shall strike the first name from the list. The last remaining individual shall serve as the arbitrator. Should either party determine that any panel of arbitrators is unsatisfactory; each party has the right to reject one panel and one panel only and another panel be requested. The fees and expenses of the arbitrator shall be shared equally by the Union and the Employer. The Union and Employer shall pay the fees, expenses, wages and any other compensation of its own witnesses and

representatives. If the Union or the Employer requests a verbatim record of the proceedings, it may cause such record to be made, providing the party requesting a verbatim record pays for such record.

Section 5.4 Arbitrator's Powers and Jurisdiction. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement either directly or indirectly, or to rule on the discipline, layoff, recall or termination of any probationary employee. The Union acknowledges that the Employer retains all rights not otherwise abrogated under the express terms of this Agreement as generalized in the management rights clause herein. If the grievance concerns the exercise of these rights, which are not otherwise limited by the expressed terms of this agreement, the grievance shall not be arbitrable. If the issue of arbitrability is raised, the arbitrator shall not determine the merits of any grievance unless arbitrability has been affirmatively decided, and either party may request a bifurcated hearing in any proceeding in which the arbitrability of the grievance is at issue. Any award of the arbitrator shall not be retroactive more than five (5) working days prior to the time the grievance was first submitted. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment compensation or compensations for personal services that the employee may have received from any source during the period in question.

Section 5.5 Arbitrator's Decision. The arbitrator's decision shall be final and binding upon the Union, the Employer and employees in the bargaining unit, provided however, that either party may have its legal remedies if the arbitrator exceeds the jurisdiction provided in this Agreement.

Section 5.6 Non-Employee Representatives. The Union and the Employer may have non-employee representatives present at any meeting or discussion concerning a grievance except for discussions held pursuant to the Step 1, Oral Procedure.

Section 5.7 Grievance Form. The grievance form shall be supplied by the Union in a form which coincides with the Grievance Procedure established in this Agreement.

Section 5.8 Time Limits. The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union or the employees represented by the Union, the grievance shall be considered settled on the basis of the Employer's last disposition. If

time procedure is not followed by the Employer, it will be considered answered as in the prior step and the normal grievance procedure would be in effect from the date that it should have been answered. Grievances which are considered settled shall be deemed not to be arbitrable and no arbitrator shall have any power to review the grievance or issue any award. The time limits established in the grievance may be extended by the mutual agreement of the parties provided the extension is reduced to writing and the period of extension is specified.

Section 5.9 Time Computation. Saturdays, Sundays and holidays recognized under this Agreement shall not be counted as working days under the time procedures established in the grievance procedure. All other days shall be considered working days, even if a particular employee does not actually work on that day.

Section 5.10 Pay for Processing Grievances. The steward and employee necessary for the resolution of the grievance shall be paid at their regular straight time rate of pay for all reasonable time lost from their regularly scheduled hours required to process grievances or participate in grievance meetings; however, the Employer reserves the right to deny pay if this privilege is being abused.

Section 5.11 Discharge Grievances. All grievances concerning discharge shall be initiated at Step 2 of the grievance procedure. A written grievance signed by the steward or by the discharged employee shall be filed within three (3) working days of the employee's discharge in order to invoke the grievance procedure in such situations.

Section 5.12 Veteran's Preference Claims. It is the intent of the parties to this Agreement that its terms and provisions shall be applicable to all employees included within the bargaining unit covered by this Agreement. Accordingly, the parties hereby agree that any employee who may come within the provisions of any legislative enactment entitling a military veteran to a preference in employment or which establishes a procedure whereby the military veteran may challenge the Employer's determinations regarding the veteran's employment status will be required to, no later than Step 2 of the Grievance Procedure, elect in writing either the Grievance Procedure or his statutory remedy as his single means of challenging the Employer's determination. If the employee elects to pursue his statutory remedy or fails to make an election, any grievance concerning the Employer's employment determination shall be considered withdrawn by the Union and, further, shall not thereafter be a subject of any arbitration proceeding.

NO STRIKE

Section 6.0 Continued Work Pledge. The Union agrees that during the term of the Agreement neither it nor its officers, representative, committee persons, stewards, members, nor the employees covered by this Agreement will for any reason, directly or indirectly, call, sanction, support, counsel, encourage or engage in any strike, walk-out, slow-down, sit-in, stay-away, concerted failure to report for duty, or any other activities that may result in any curtailment of work or the restriction or interference with the Employees operations. It is expressly recognized, and the Union agrees, that the scope of activity prohibited in this paragraph is intended to include, but not limited to, such activities as sympathy strikes, unfair labor practice strikes and a refusal of an employee or employees to cross any type of picket line at any location for any reason whatever.

Section 6.1 Violation of Continued Work Pledge. Any employee who violates the Continued Work Pledge of Section 6.0. shall be subject to discipline by the Employer, up to and including discharge. The Union acknowledges and agrees that discharge is the appropriate penalty for violation of Section 6.0 that results in a curtailment of work. Any appeal to the grievance procedure concerning an employee disciplined for violation of this section shall be limited solely to the questions of whether the employee or employees did in fact engage in an activity prohibited by Section 6.0.

Section 6.2 Further Sanctions. If Section 6.0 of the Agreement is violated, the Employer shall have the right, in addition to any action taken pursuant to Section 6.1 to any other legal remedies the Employer may possess, including monetary and injunctive relief

Section 6.3 Affirmative Action. In the event of a work stoppage or other curtailment or interference of work, Union officers shall immediately instruct the involved employees in writing that their conduct is in violation of the contract, that they may be discharged and instruct all such persons to immediately cease the offending conduct. The Employer shall not be required to negotiate on the merits of the dispute which gave rise to the work stoppage or curtailment or interference with work until all such actions have ceased.

SENIORITY

Section 7.0 Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the Employer since the employee's last date of hire. Seniority shall commence only after the employee completes

their probationary period. The application of seniority shall be limited to the preference and benefits specifically contained in this Agreement.

Section 7.1 Seniority - Probationary Employees. New employees hired in the unit shall be considered as probationary employees for the first six (6) months of their employment. When an employee finishes the probationary period, their name shall be entered on the seniority list of the unit and they shall rank from seniority from the six (6) months prior to the day they completed the probationary period. There shall be no seniority among the probationary employees. The Union shall represent probationary employees for the purpose of collective bargaining and other conditions of employment as set forth in this Agreement.
