AGREEMENT

This Agreement entered into the 26th of October, 2010, by and between the County of Monroe and the Monroe County 38th Judicial Circuit Court Family Division (hereinafter collectively referred to as the “Court”), and the Technical, Professional & Officeworkers Association of Michigan (hereinafter collectively referred to as the “Union”).

ARTICLE 1 PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Court, the employees, and the Union.

To these ends, the Court and the Union encourage to the fullest degree, friendly and cooperative relations between their respective representatives at all levels and among all employees.

ARTICLE 2 RECOGNITION

Section 1. Unit Description. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Court does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for all regular full-time Therapist/Limited License Psychologists and Therapists of the Monroe County 38th Judicial Circuit Court Family Division; but excluding, all Judges, Court Administrators, Superintendent, Office Manager, Intake Coordinator, employees covered under separate collective bargaining agreements, temporary, part-time, casual, student employees, part-time employees, and all other employees of the Monroe County 38th Judicial Circuit Court Family Division.

Section 2. Aid to Other Labor Unions. The Court agrees that it will not aid, promote, or finance any labor union which purports to organize the employees represented by the Union or make any agreement with any such union for the express purpose of undermining the Union. (For the purpose of this provision, the term “labor union” is defined as any group or association, which joins together for the purpose of representing the employees covered under this Agreement.)

Section 3. Definitions.

(a) Full-time Employee: A full-time employee shall be defined as an employee who works a normal work week of at least forty (40) hours.

(b) Part-time Employee: A part-time employee shall be defined as an employee who works a normal work week of less than thirty-three (33) hours per week. A part-time employee is not subject to the terms of this Agreement.

(c) Temporary Employee: A temporary employee shall be defined as an employee who is employed by the Court for a period of limited duration. Temporary employees shall not be permitted to work beyond ninety (90) calendar days in any six (6) month period unless that temporary employee is replacing a regular employee who is using accrued sick time or who is on an approved leave. A temporary employee is not subject to the terms of this Agreement.

(d) References to Gender: All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 3 NON-DISCRIMINATION

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination on the basis of age, sex, marital status, race, color, height, weight, disability, religion, national origin, or political affiliation, or sexual orientation, except as otherwise provided by state or federal law.

The Court agrees that there shall be no unlawful discrimination, interference, restraint, or coercion by the Court or any Court representative against any employee because of Union or political membership or because of any activity in an official capacity on behalf of the Union.

The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint, or coercion.

ARTICLE 4 UNION SECURITY

Section 1. Union Dues or Service Fees. As a condition of employment, all present employees covered by this Agreement and employees hired, rehired, reinstated or transferred into the Bargaining Unit shall tender the initiation fee and become members of the Union or shall pay service fees in an amount not to exceed the dues uniformly required for membership or as otherwise provided by applicable state, or federal law, on or before thirty (30) calendar days after the effective date of this Agreement or their date of employment, or transfer into the Bargaining Unit, whichever is later; and shall continue such membership, or pay such service fees as a condition of continued employment.

Section 2. Check Off.

(a) Employees may have monthly membership dues or service fees deducted from their earnings by signing an authorization form (agreed to by the Union and the Court), or they may pay dues or fees directly to the Union.

(b) During the life of this Agreement and in accordance with the terms of the authorization form and to the extent the laws of the State of Michigan permit, the Court agrees to deduct the above referenced Union membership dues or service fees from the pay of each employee who, as of the fifteenth (15th) day of the month preceding the month in which a deduction is to be made, has a currently executed authorization form on file with the Court. The Union's Financial Officer shall submit to the Court or its designee written certification of the amount of dues/service fees to be deducted pursuant to the provisions of this Article.

(c) A properly executed copy of such authorization form for each employee for whom the Union membership dues or service fees are to be deducted hereunder shall be delivered, by the Union to the Court before any payroll deductions shall be made. Deductions shall be made thereafter only under the authorization forms which have been properly executed and are in effect. Any authorization form which is incomplete or in error will be returned to the Union's Financial Officer by the Court.

(d) Check-off deductions under all properly executed authorization forms shall become effective at the time the application is tendered to the Court and if received on or before the fifteenth (15th) day of the month, preceding the month in which a deduction is to be made, shall be deducted from the first (1st) pay of such month, and monthly thereafter.

(e) In cases where a deduction is made that duplicates a payment that an employee already has made to the Union, or where a deduction is not in conformity with the provisions of applicable state or federal law, refunds to the employee will be made by the Union.

(f) All sums deducted by the Court shall be remitted to the Financial Officer of the Union once each month within fifteen (15) calendar days following the payday in which deductions were made together with a list which identifies current employees for whom Union dues or service fees have been deducted, the amount deducted from each pay of each employee and any employees who have terminated their check-off authorization during the previous month. Employees may terminate such check-off only in accordance with the terms and conditions set forth in the authorization form agreed to by the Union and the Court.

(g) The Court shall not be liable to the Union by reason of the requirement of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

Section 3. Failure to Comply.

(a) An employee in the bargaining unit who fails to tender to the Union either Union dues, or in the alternative, service fees as above provided, shall be terminated by the Court, provided the following stipulations are adhered to:

(1) The Union shall notify the employee by certified or registered mail explaining that he is delinquent in not tendering required Union dues or service fees, specifying the current amount of the delinquency and the period of delinquency, and warning the employee that unless delinquent dues or service fees are tendered within

thirty (30) calendar days of such notice, the employee shall be reported to the Court for termination as provided for in this Article.

(2) The Union shall give a copy of the letter sent to the employee and the following written notice to Court at the end of thirty (30) day period set forth in Section a, above. The Union certifies that (Name) has failed to tender either Union dues or service fees required as a condition of continued employment under the Collective Bargaining Agreement and demands that, under the terms of this Agreement, the Court terminate this employee. A copy of such notice shall, at the same time, be given by the Union to the employee.

(b) Upon receipt of such notice the Court shall communicate the Union's request for termination to the employee and advise such employee that he or she must pay all back dues or service fees owed the Union, within ten (10) calendar days of receipt of such notice to the Court (unless otherwise extended by the Union and the Court), or he shall be terminated.

Section 4. Save Harmless. The Union shall hold harmless and indemnify the Court from any and all claims, demands, suits and any and all other forms of liability that shall arise out of or by reason of an action taken or not taken by the Court for the purpose of complying with this Article.

Section 5. Disputes. Any dispute arising out of the application of this Article shall be subject to the Grievance Procedure, starting at Step III.

ARTICLE 5 MANAGEMENT RIGHTS

Section 1. The Union recognizes that the management of the operations of the Court, and its respective departments, is solely a responsibility of the Court and the respective department heads, and that nothing in this Agreement can restrict, interfere with or abridge any rights, powers, authority, duties of responsibilities conferred upon or vested in the Court, or any of its elected or appointed officials, by the laws and constitution of the State of Michigan or of the United States of America unless otherwise modified by this Agreement.

Section 2. In addition to all such rights conferred by law, the Court and its department heads, reserve the right to manage their affairs efficiently and economically including, but not limited to, the right to determine the number and locations of buildings; and work areas within buildings; the work to be performed within the bargaining unit; the amount of supervision necessary; the methods of operations, the schedules of work, the right to purchase work, processes or services of others; the selection, procurement, design, engineering and control of tools, equipment and materials; the discontinuance of any services, material or methods of operations; the quantity and quality of service; the right to hire, to suspend, or to discharge for just cause; to assign, promote, or transfer employees; to determine the amount of overtime, if any, to be worked; to lay off employees for lack of work or for other legitimate reasons; to direct the work force, assign work and determine the number of employees assigned to each job classification; to establish, change, combine or discontinue job classifications and prescribe and

assign job duties, to adopt, revise, and enforce working rules and regulations; to provide proper notice of any work rule adoptions or revisions for all employees; subject to express provisions of this Agreement as herein set forth.

ARTICLE 6 REPRESENTATION

Section 1. Bargaining Committee. Employees shall be represented by a bargaining committee of not more than two (2) members. Members of the bargaining committee shall all be seniority employees within the bargaining unit and shall be selected in any manner determined by the Union. The bargaining committee shall represent employees for the purpose of negotiating the collective bargaining agreement and any amendments, modifications, renewals or replacements of the collective bargaining agreement.

Section 2. Stewards. The Union may also elect or appoint not more than one (1) steward and one (1) alternate for the purpose of representing employees under the grievance procedure provided in this Agreement.

Section 3. Steward Authority. The authority of all stewards and alternates shall be limited to and shall not exceed the investigation and presentation of grievances or participation in other meetings with the Court as provided in this Agreement.

Section 4. Release Time for Grievance Investigations. The Steward and Alternate may investigate and present legitimate grievances in accordance with the grievance procedure set forth in this Agreement; provided, however, that no such person shall leave his assigned work until he has notified his supervisor that his presence is required in connection with the handling of a grievance and has received the supervisor's approval to leave his work for that purpose. Grievance representatives shall be permitted a reasonable period of time to investigate, present and process such grievances during working hours, without loss of time or pay. Permission to leave work for purposes of investigating a grievance shall not be unreasonably withheld. Grievance representatives shall report the time of leaving and returning to work in connection with this Section to their supervisors. The rights granted under this Section shall not be abused. Any alleged abuse shall be the subject of a special disciplinary conference on the part of the Court and may result in withdrawal of grievance investigation privileges.

Section 5. Release Time For Participation in Other Meetings. In addition to the investigation and presentation of grievances, grievance representatives may also, without loss of time or pay, prepare for and participate in other meetings, which are mutually agreed to by both the Union and Court. Any meetings with employees must be arranged in advance with the Superintendent. Any release time other than for the investigation and presentation of grievances will be conditioned upon the advance notice to the Superintendent.

ARTICLE 7 GRIEVANCE PROCEDURE

Section 1. Definition of Grievance. A grievance shall be defined as a disagreement arising under and during this Agreement between the Court and one or more of the employees represented by the Union as to the interpretation or application of a specific provision of this Agreement.

Section 2. Limitations on the Grievance Procedure. The entire grievance procedure shall be subject to the following limitations:

(a) No action on any matter shall be considered the subject of a grievance unless it is reduced to writing, signed by the grievant and submitted to the Superintendent within fifteen (15) work days of its occurrence. Any grievance not submitted within such time limit shall be automatically forfeited.

(b) In the event a grievance is not appealed or processed from a decision in any of the Steps in the Grievance Procedure to the next step in the Grievance Procedure within the time limits set forth in said step, it shall be considered settled on the basis of the last written decision on the grievance. If the grievance is not answered by the Court within the time limits, the grievance shall be automatically forwarded to the next step of the grievance procedure.

(c) Work days for the purpose of the time limits identified above shall mean Monday through Friday, excluding holidays.

(d) Any employee reinstated after a discharge or disciplinary layoff shall be returned to the same job classification he held at the time of the discharge or disciplinary layoff and paid the same rate of pay unless it is otherwise mutually agreed upon by the Court and the Union.

(e) No claim for back wages shall exceed the amount of wages the employee would have otherwise earned at his regular straight time rate, less any compensation he may have received from any source whatsoever during the period of time in question.

(f) The time limits at any level of the Grievance Procedure may be extended by mutual written agreement of the parties.

Section 3. Grievance Procedure. All grievances shall be settled in accordance with grievance procedure set forth below.

Step 1

Any employee having a grievance shall first discuss the matter with the Superintendent of the Youth Center (or his designee) and the Union Steward in an effort to resolve the grievance. In the event the grievance is not resolved through this discussion, it shall be reduced to writing, signed by the grievant and submitted to the Superintendent (or his designee) within fifteen (15) work days of its occurrence.

Step 2

Within five (5) work days of receipt of the written grievance, the Superintendent (or his designee) shall meet with the Union's President (or her designee), the Steward, and the grievant

to discuss the written grievance. The Superintendent (or his designee) shall give the Union's President (or her designee) his written decision on the grievance within five (5) work days following the conclusion of the Step 2 meeting.

Step 3

In the event the grievance is not settled at Step 2, the Union's President (or her designee) may, within five (5) work days of receipt of the answer at Step 2, request a meeting with the Court Administrator, the Superintendent, the County's Human Resources Director, and the Union's International Representative. The Court Administrator shall convene the meeting within twenty (20) work days of the Union's President (or her designees) request and shall answer the grievance in writing within ten (10) work days of the conclusion of said meeting.

Step 4

In the event the grievance is not satisfactorily settled at Step 3, either party may submit the matter to binding arbitration, by filing a Demand for Arbitration with the American Arbitration Association within twenty (20) work days after the receipt of the Step 3 answer. The Union shall provide a copy of its Demand for Arbitration to the Court Administrator and the Human Resources Director at the time of filing with the Association. If the grievance is not submitted to arbitration within such twenty (20) work day period, it will be considered closed on the basis of the Court's Step 3 answer.

Selection of the arbitrator and the arbitration hearing shall be governed by the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time the Demand for Arbitration is filed with the Association. The arbitrator's fees and expenses shall be shared equally by the parties. Each party shall be responsible for its own expenses, if any, in connection with the arbitration proceedings.

The decision of the arbitrator must be based on an interpretation of one or more of the provisions of this Agreement or any supplement or amendment thereto. The arbitrator shall have no power to add to, take from, modify, or alter this Agreement or any supplement or amendment thereto. Any matter submitted to arbitration over which the arbitrator has no power to rule shall be referred back to the parties without decision.

When rendered in accordance with his jurisdiction and authority, the arbitrator's decision shall be final and binding upon the Court, the Union and any employee or employees involved and cannot be changed by any individual.

ARTICLE 8 STRIKES, PICKETS AND LOCKOUTS

Section 1. No Strike. In no event will the Union cause, or authorize or permit its members, or any of them, to cause, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, slow-down, stoppage, interruption of or impeding of work or curtailment of or interference with any operation of the Court in any building, office, grounds, or

facility of the Court during the term of this Agreement or during any period of time while negotiations are in progress between the Union and the Court for the continuance or renewal of this Agreement. In the event any one or more members of the bargaining unit shall fail to observe in any way the responsibility set forth above, the Union shall immediately instruct the involved employees that their conduct is in violation of this Agreement and that they are subject to disciplinary action by the Court, up to and including discharge, and instruct all such persons to immediately cease the offending conduct.

Section 2. No Lockout. The Court agrees that it will not lock out any employees in the bargaining unit during the term of this Agreement or during any period while negotiations are in progress between the Union and the Court for the continuance or renewal of the Agreement.

ARTICLE 9 DISCIPLINE AND DISCHARGE

Section 1. No seniority employee shall be disciplined or discharged except for just cause.

Section 2. In any investigatory interview that an employee reasonably believes may result in his discipline, the employee may request the presence of a Union steward. In such circumstance, the interrogation shall cease until a Union steward is present. The steward shall make himself available as soon as possible after being contacted.

Section 3. The principle of progressive discipline is recognized, except in cases of serious offenses justifying immediate suspension or termination. In those instances where progressive discipline is warranted, the Court will first warn an employee orally. If the infraction is repeated, the Court will next give the employee a written warning. If the infraction is again repeated, the Court shall suspend the employee for a period of from one (1) day to two (2) weeks. Any further infractions may result in more severe disciplinary action up to and including termination of employment. In cases of suspension or discharge, the employee shall have the right to discuss the Court's action with a Union representative before being required to leave the premises of the Court.

Section 4. In imposing discipline, the Court will consider only those prior infractions, which occurred within the twenty-four (24) month period immediately preceding the current violation.

Section 5. No notice of a disciplinary action shall be placed in the employee's personnel file unless the employee is given the opportunity to first read such action. The employee shall acknowledge his reading of this material by affixing his signature and date on the actual copy to be filed.

Section 6. The employee shall have the right to review his personnel file in accordance with State law. The employee may append a written statement to any disputed material placed in his personnel file.

Section 7. The Court will provide copies of any written disciplinary actions to the Union and the employee(s) simultaneously. A copy of the disciplinary action shall also be placed in the employee's personnel file.

Section 8. Employees shall file a written grievance at Step 3 of the Grievance Procedure within five (5) work days of receiving any disciplinary or discharge action they consider to be improper.

ARTICLE 10 SENIORITY

Section 1. Acquiring Seniority. An employee subject to this Agreement, who has completed his probationary period of ninety (90) calendar days as of the effective date of this Agreement, shall have his name entered upon the seniority list for his job classification as of his last date of hire. An employee subject to this Agreement who has not completed his probationary period as of the effective date of this Agreement shall be a probationary employee without seniority until such employee has been employed for a total of ninety (90) calendar days, at the end of which period such employee's name shall be entered upon the seniority list for his job classification as of his last date of hire. Employees who have not completed their probationary period as of the effective date of this Agreement shall be given credit for actual days worked since the employee's last date of hire for the purpose of determining the employee's probationary period.

Section 2. A probationary employee may be laid off, terminated, transferred or reclassified without regard to any provisions of this Agreement and without recourse to the grievance procedure.

Section 3. In the event more than one employee within a job classification starts to work on the same day, their standing on the seniority list shall be determined by the last four digits of each employee's social security number. The employee whose last four digits are higher shall have higher standing on the seniority list.

Section 4. The Steward shall head the seniority list for purposes of recall and layoff only and shall be returned to his regular standing on the seniority list upon termination of office.

Section 5. Any employee who is transferred out of the Bargaining Unit but who continues as an employee of the Court, shall have his seniority frozen within his job classification but shall not accumulate seniority while he is out of the Bargaining Unit.

Section 6. Employees transferring into the unit who are not covered under Section 5 above shall not be entitled to prior service credit for seniority purposes, except with respect to vacations, longevity and retirement.

Section 7. Temporary, part-time and student employees, and employees who are hired as summer replacements, shall not acquire seniority rights as it pertains to the Agreement.

Section 8. The Court shall prepare a seniority list for all employees having seniority in a job classification in order of seniority.

Section 9. A copy of each such seniority list shall be given to the Steward of the Union, and, unless the Steward objects in writing to such seniority list within ten (10) calendar days of the receipt of such list, it shall be deemed correct and the Court may rely upon the seniority list for all purposes.

Section 10. Termination of Seniority. An employee shall have his seniority rights and his employment terminated if:

- (a) He quits;
- (b) He retires or is retired under any retirement plan;
- (c) He is discharged for just cause;
- (d) He is absent for three (3) consecutive work days without notifying the Superintendent, unless he was physically unable to give such notice due to emergency circumstances;
- (e) He falsifies a material fact on his application for employment or gives a false reason to obtain a leave of absence;
- (f) He fails to report to work upon termination of any leave of absence without a bona fide excuse acceptable to the Court;
- (g) He fails to report to work after being notified to report to work after a layoff unless he has a bona fide excuse acceptable to the Court;
- (h) He is on a medical leave of absence for a period of more than two (2) years.
- (i) He works for another Court while on any leave of absence, unless such employment is mutually agreed to, in writing;
- (j) He is laid off for a period of twenty-four (24) consecutive months, or the employee's length of seniority, whichever is lesser, after which such laid off employee will be placed on a preferred eligibility list for reconsideration of employment for a period of one (1) year after termination of his seniority as a new employee for any vacancies covered by this Agreement which may occur during such one (1) year period. Persons on the preferred eligibility list shall be considered for employment before other potential new hires but the Court shall not be required to hire such persons unless they have the abilities and qualifications needed for such vacancies. If an employee is not hired by the Court within one (1) year period, his name shall be removed from the preferred eligibility list.

ARTICLE 11
LAYOFF AND RECALL

Section 1. General. The Court shall utilize the procedure set forth in Section 2 below in reducing the work force. Preceding the notification of employees of their displacement or layoff, the Superintendent shall meet with the Union's Steward to discuss the positions to be eliminated, and to identify the individuals who are to be displaced and laid off as a result of such position eliminations.

Section 2. Procedure. When it is necessary to make a reduction in the work force, the following procedure shall be utilized:

(a) Temporary and part-time employees within the affected classification shall be laid off first, in any order.

(b) Probationary employees within the affected classification shall be laid off next, in any order.

(c) If additional layoffs are required, seniority employees shall be displaced in order of their seniority within their classification, least senior first. An employee who is being displaced shall have the right to exercise his seniority to displace other less senior employees as follows:

Step 1

The employee shall first displace the least senior employee in his pay grade who holds a position for which the employee is qualified and capable of performing the required duties.

Step 2

If the employee has not been placed utilizing Step 1, the employee may displace the least senior employee in a higher pay grade provided he has previously performed the duties of the position to which he seeks to transfer and continues to possess any required certifications and licenses.

Step 3

If the employee has not been placed utilizing Step 2, the employee may displace the least senior employee in a lower pay grade who holds a position for which the employee is qualified and capable of performing the required duties.

Step 4

If the employee has not been placed utilizing Step 3, the employee shall be laid off. The Court shall provide not less than two (2) weeks notice or pay to the employees who are laid off pursuant to this provision. The Union's Steward shall be given a copy of said notices.

Section 3. Recall from Layoff. When vacancies occur within job classification(s) that are the same as those previously held by employee(s) on layoff, the employee(s) from those classifications shall be recalled in order of their seniority within the affected classification, commencing with the most senior such employee.

When vacancies occur within a classification in which no laid-off employee previously worked, Article 12, Position Vacancies, shall first be implemented. After implementation of Article 12, Position Vacancies, recall shall be offered to laid-off employees in order of their bargaining unit seniority, most senior first, provided they have the training and ability to perform the duties of the position vacancy.

Displaced and laid off employees shall have preferential bid for any future openings in the classification from which the employee was displaced or laid off.

Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. The Union's Steward shall be given a copy of said notice. If an employee fails to report for work within five (5) working days from the date of delivery of notice of recall, he shall be considered a quit. An extension may be granted by the Court in proper cases.

Section 4. Reduced Work Schedules in Lieu of Layoff. Upon mutual agreement, the parties may meet and attempt to negotiate reduced work schedules in lieu of layoffs. The result of such negotiations shall be subject to ratification by the Union's membership and the Court prior to becoming effective. Should the parties not agree to a reduced work schedule during negotiations and/or the final result of such negotiation is rejected by either of the ratifying bodies as above provided, the Court shall implement the layoff procedure set forth above.

Section 5. Emergencies. In the event of an emergency beyond the control of the Court, arising from an Act of God, flood, fire, storm, civil disturbance, power failure, or other like events, the Court shall have the right to make temporary adjustments of the work force for a period not to exceed five (5) work days without regard to seniority. Employees shall be obligated to report for such emergency duty, unless excused by the Superintendent, and must perform the work assigned. If such conditions exceed five (5) work days, the work force shall be adjusted according to the layoff procedure as described in this Article, except as the Court and the Union may otherwise agree. In such event, the Court shall not be required to provide two (2) weeks notice or pay to the employees who are laid-off.

ARTICLE 12 POSITION VACANCIES

Section 1. Regular Position Vacancies. The Court will post a notice of position vacancy for five (5) work days on the bulletin board provided for the Union's use under this Agreement, setting forth the job classification, the position's rate of pay and a brief description of the position's required duties. The only exception to this provision shall be those position vacancies that are filled in accordance with the provisions of Article 11, Layoff and Recall.

All qualified employees shall be eligible to submit a bid, in writing, requesting a permanent transfer to the position vacancy. To be considered, the bid must have been filed within the time period specified in the posting. Bids shall be considered first from those who work in the department where the posted vacancy exists.

In order to be awarded a transfer to a position vacancy, an employee must possess, at the time of the award, the minimum qualifications required by the Court. If two or more employees possess such minimum qualifications, the permanent transfer shall be awarded to the employee with the greater seniority. Notice of the successful bidder, if any, shall be posted within ten (10) work days after the bidding closes. In the event no qualified bidders are available, the Court may fill the posted vacancy by hiring a person from outside the bargaining unit. If the Union is not satisfied with the Court's determination, the Union may file a grievance in accordance with the provisions of Article 7, Grievance Procedure.

An employee awarded a permanent transfer to a regular position vacancy may be required to remain in his old job up to thirty (30) work days (or longer by mutual written consent), until a proper replacement can be obtained. An employee awarded a regular position vacancy shall have a trial period of up to ninety (90) calendar days. The trial period may be extended by mutual written agreement between the Union and the Court. During the trial period the employee shall be given proper training. The Court may disqualify an employee prior to the completion of the ninety (90) calendar day period (or such extended trial period as may be agreed to between the Union and the Court), where it is clear the employee lacks the ability to do the job. An employee who is disqualified shall be returned to his former position and rate of pay. The employee may also elect to return to his former position and rate of pay during the same ninety (90) calendar day trial period.

Employees shall not be permitted to maintain their name on more than one seniority list at any one time. In the event an employee successfully bids and is awarded a permanent transfer, he shall be placed on the bottom of the seniority list for the classification to which he is permanently transferred and given a date-of-entry seniority date for purposes of layoff and recall. His name shall be removed from the seniority list of his former classification as soon as he successfully completes the required trial period. The job classification to which the employee has been permanently transferred shall thereupon become his permanent job classification.

An employee who successfully bids for and is awarded a permanent job transfer shall not be entitled to bid for any other position vacancies for a period of three (3) months. (An exception to this rule may be made by mutual agreement between the Court and the Union.)

Section 2. Temporary Position Vacancies. In the event there is a temporary position vacancy resulting from vacations, leaves of absence, temporary work increase, etc., the Court may fill such temporary vacancy without following the procedure set forth in Section 1 for a period of not to exceed three (3) months, or the duration of the leave of absence giving rise to the vacancy, if applicable, whichever is longer, or such longer time as may be mutually agreed upon by the Court and the Union. In such circumstances, the temporary vacancy shall be offered first to qualified employees in the next lower pay grade in order of seniority. If employees in the next lower pay grade do not desire to fill such vacancy, the Court shall offer the position to employees

in succeeding lower pay grades in order of seniority. If no one desires to fill the vacancy, the Court may assign the work to the least senior qualified employee or, at its discretion, appoint a temporary employee to the vacancy.

An employee who is temporarily transferred shall acquire no seniority in the job classification to which he is temporarily transferred. Upon termination of the temporary assignment, the employee so transferred shall return to his former position without loss of seniority.

In the event the temporary job vacancy exceeds the above referenced periods, and it is not extended by mutual agreement between the Court and the Union, the temporary job vacancy shall be filled for the balance of the temporary absence by following the job bidding procedure set forth in Section 1. Such postings shall be marked, as temporary vacancies only, so that bidding employees may know of the temporary nature of the vacancy. Vacancies created by a successful bid under this subsection may be filled in accordance with the temporary transfer provisions of this Agreement.

ARTICLE 13 JOB CLASSIFICATION

Section 1. General Provisions. Attached to this Agreement in Appendix A are the job classifications agreed to by the Court and the Union.

The job classifications in Appendix A have been categorized according to qualifications, degree of responsibility, complexity, effort and skill associated with each job classification. The Court and the Union agree upon and accept the duties and job classifications as the basis for payment of wages as provided herein.

Section 2. Revised and New Job Classifications.

A. The creation of a new classification, or changes in an employee's assigned job duties and classification which are instituted after ratification of this Agreement by the parties, shall be processed as follows:

- 1) Requests for the creation of a new job classification or the institution of a major change in the qualifications, job duties, responsibilities, and/or requirements of an existing job classification, must be submitted in writing to the County Administrator/Chief Financial Officer. The request must include a revised job classification and a completed job questionnaire form.
- 2) The County Administrator/Chief Financial Officer shall discuss the rationale for the proposed changes with the Department Head and/or Elected official who requests the change.

- 3) If approved for further evaluation, the County Administrator/Chief Financial Officer shall forward the request and all accompanying background materials to the Human Resources Director for review and recommendation.
- 4) The Human Resources Director shall review the request and, if appropriate, evaluate the proposed job classification in accordance with the County's Job Evaluation System. Upon completing this review the Human Resources Director shall submit her recommendations to the County Administrator/Chief Financial Officer.
- 5) If upon review of the recommendation of the Human Resources Director, the County Administrator/Chief Financial Officer believes that no change in pay grade and salary is warranted, the requested changes in qualifications, job duties, responsibilities and/or requirements shall be immediately instituted upon the submission of written notice to the Union. If requested within ten (10) work days after such notification, the Human Resources Director shall meet with the Union to discuss the basis for said action. If following such discussion, there is a dispute as to the pay grade for the revised job classification, such dispute shall be an appropriate matter for a grievance initiated at the Third Step of the Grievance Procedure. If the grievance is referred to an Arbitrator, he or she shall use as the basis for his decision, the qualifications required, the degree of responsibility, complexity, effort and skill associated with the new or revised job classification as compared to other job classifications in the Bargaining Unit.
- 6) If upon review of the recommendation of the Human Resources Director, the County Administrator/Chief Financial Officer believes that a change in pay grade and salary is warranted, he shall forward his recommendation, and such background material that he deems appropriate, to the Chairperson of the Board of Commissioners Human Resources and Finance Committees for review and recommendation to the Board of Commissioners. The Chairpersons of the Human Resources and Finance Committees shall forward the request along with their Committees' recommendations to the Board of Commissioners for action. All changes in pay grade and salary will be effective on the date of the Board of Commissioners approval.

B. If the Board of Commissioners approves the creation of a new job classification or a major change in the qualifications, job duties, responsibilities and/or requirements of an existing job classification in the Bargaining Unit which result in a change in pay grade and salary, the Court's Human Resources Director shall notify the Union of the new or revised job classification, its pay grade and, where appropriate, any changes in salary affecting current employees. If requested within ten (10) work days after such notification, the Human Resources Director shall meet with the Union to discuss the pay rate of the new or revised job classification and/or the changes in salary affecting current employees. If following such discussion, there is a dispute as to the pay grade for the new or revised job classification and/or the changes in salaries of current employees, such dispute shall be an appropriate matter for a grievance initiated at the Third Step of the Grievance Procedure. If the grievance is referred to an Arbitrator, he or she shall use as the basis for his decision, the qualifications, degree of complexity, responsibility,

effort and skill associated with the new or revised job classification as compared to other job classifications in the Bargaining Unit.

C. If the Board of Commissioners disapproves the creation of a new job classification or a major change in the qualifications, job duties, responsibilities or requirements of an existing job classification in the Bargaining Unit which otherwise would necessitate a change in pay grade and salary, said changes shall not be implemented. If the Department Head or Elected Official thereafter desires to revise the request, the matter must be resubmitted for review in accordance with the procedure hereinabove provided.

Payment shall be made by check or through direct deposit. The employee shall also be provided an itemized statement of his earnings and all deductions made for any purpose.

(e) Longevity payments will be paid in a separate check the first non-pay Friday in December of any calendar year.

Section 4. Pay Adjustments for Transfers, Promotions and Reclassifications

(a) If an employee is promoted to a classification in a higher pay grade, his base pay shall be increased to the rate specified for that step of the new classification which will result in a base wage increase as close as possible to, but not less than, 5% above the base rate he was last paid in his former position, or the maximum rate of the higher pay grade, whichever is lesser.

(b) If an employee is transferred to a classification in the same pay grade, his base pay shall remain the same.

(c) If an employee is transferred to a position in a lower pay grade his base pay shall be decreased to the rate specified for that step of the salary schedule in such lower graded classification as provided in Appendix B which corresponds to the step on which he was placed at the time of his transfer or reclassification, and his base rate reduced accordingly.

(d) If an employee is in a position that is reclassified to a lower pay grade, the pay grade for the position shall be red-circled and the employee shall remain in his current grade for such period as he holds said position. When the position next becomes vacant the pay grade for the position shall be changed to the lower grade.

Section 5. Pay Adjustments for Temporary Transfers. An employee who is temporarily transferred by the Court under Article 12, Position Vacancies, Section 2, Temporary Position Vacancies, shall receive the rate of pay specified for the job classification to which he is temporarily assigned only if the period of transfer is more than five (5) consecutive working days. The temporarily transferred employee shall receive the rate of pay set forth in Appendix B, which results in a base wage increase as close as possible to, but not less than \$0.20 above the base rate the employee earns in his regular job classification, or the rate of his regular job classification, whichever is higher retroactive to the first date of such transfer. If the period of transfer is less than five (5) consecutive working days, the transferred employee shall keep the rate of pay for his regular job classification.

ARTICLE 15 HOURS OF WORK

Section 1. Normal Work Day/Normal Work Week. For all purposes in this Agreement, the normal work day shall consist of eight (8) consecutive hours in a twenty-four (24) hour period beginning at the regular starting time of an employee's shift. The normal work week shall consist of forty (40) hours consisting of five (5) consecutive work days. The normal work week commences at 12:01 a.m. Sunday and ends at 12:00 midnight the following Saturday.

Section 2. Shift Working Hours. The Court shall establish the shift working hours for each employee. Shift working hours shall be posted in the Department. After posting, shift working hours shall not be changed, except in emergencies, or after five (5) days written notice to employees.

Section 4. Shift Selections. Qualified employees will be allowed to exercise their shift preference within their respective classifications and department, based upon their department seniority, except in those instances where the approval of such preference will place an unreasonable hardship upon the Department. If two or more employees have equal seniority within the department, the employee with the greater bargaining unit seniority shall be accorded the position. Changes of shifts pursuant to this provision may be exercised once each calendar year. All shift changes within the department shall occur at one time, on a date to be selected by the Superintendent in the month of January of each year.

Section 5. Lunch Periods/Work Breaks. Each regular full-time employee shall receive a one (1) hour unpaid lunch period each work day. Such employees shall also be granted two (2) rest periods of fifteen (15) minutes duration during each work day, one in the first four (4) hours and the other in the last half of the shift. Lunch periods may be scheduled upon a staggered basis so as to permit continuous operation of a department. Rest periods shall be taken at reasonable and convenient times so as not to interfere with departmental operations. The Superintendent or designee shall permit an employee to leave his work station during rest periods. There shall be a schedule of rest periods so as to enable the Youth Center to continue to operate efficiently.

Section 6. Overtime. Employees shall not work more than the normal work day or normal work week without prior approval of the Superintendent or designee. An employee who is required by the Superintendent or designee to work more than a normal work day or work week, the total of which does not exceed forty (40) hours in the work week, shall be paid for said time at his regular straight-time hourly rate or shall receive an equal amount of compensatory time off. An employee who works more than forty (40) hours in a work week shall be paid for said time, or receive compensatory time off, at the rate of time and one-half (1 1/2) his regular hourly rate of pay for all hours worked in excess of forty (40) hours in the work week. If the employee desires to receive compensatory time off in lieu of pay, he shall submit his request to the Superintendent or designee prior to working the extra time. If the Superintendent or designee approves of the employee receiving compensatory time off in lieu of overtime pay, then the employee and the Superintendent or designee must agree as to when the compensatory time will be taken; provided, however, that in no event may such compensatory time be taken later than the end of the pay period next following the pay period in which it is earned. If the employee does not submit a request for compensatory time off to the Superintendent or designee prior to

working the extra hours, or if the employee and the Superintendent or designee cannot agree as to when the compensatory time will be taken, the employee shall be paid for the extra hours worked. For purposes of this provision, hours for which a person is off work due to paid vacation, paid funeral time and paid holidays shall count as hours worked.

Overtime occurring as the result of the extension of a normal work day or normal work week shall be worked by the employees regularly assigned to the functions requiring the overtime. Other overtime shall be rotated among all employees in the classification in which the overtime work occurs. The Court shall first offer the overtime hours to the most senior employee in the affected classification. During each occurrence of overtime being offered, the Court shall go to the employee on the list who follows the employee last offered the overtime until the list has been exhausted at which time the Court shall go to the beginning of the list and proceed in the same manner. If an employee turns down overtime hours, he shall be charged with the hours and shall not be eligible for further overtime hours until the rotation has completed full circle. Overtime hours in emergency situations shall be assigned at the discretion of the Superintendent to employees in the affected job classification.

No employee shall be required to work in excess of twelve (12) consecutive days.

Section 7. Call-In. When it becomes necessary to call in an employee, the Superintendent, or his designated representative, shall request volunteers in seniority order (commencing with the most senior employee) from among those employees in the classification in which the work occurs. Should this procedure fail to secure the necessary complement of employees needed to perform the work, the least senior qualified employee in the classification in which the work occurs shall be required to work. An employee called in or called back to work will receive a minimum of two (2) hours pay at the rate of time and one-half, and may be required to work at least two hours.

Unused sick days will be maintained in the bank and the employee shall be paid for one-half (1/2) of those unused days at the same rate paid that employee when he terminates his employment. In those instances in which an employee terminates and receives payment for accumulated sick leave, the position vacated by the employee will remain vacant until the accumulated sick time benefits of that employee have been exhausted. Exceptions can be made in extraordinary situations by the Court.

Full-time seniority employees who have completed the new-hire probationary period shall be credited with six (6) sick days on January 1 of each year. Documentation of a physician visit for a child or parent may be required for an employee who wishes to use sick time in this manner.

(b) Sick pay benefits will not be granted before they have been earned.

(c) Sick pay benefits will be paid only if the employee or someone on the employee's behalf notifies the Superintendent or designee not later than fifteen (15) minutes after the scheduled starting time on each day that the employee will be absent from work. In the event of a long-term period of absence due to such illness or injury, the employee shall be required to report only upon a weekly basis. Failure to report may be cause for denial of sick pay benefits.

(d) The Court may require a physician's certificate showing that the time off was due to actual non-occupational illness or injury and that such illness or injury was disabling to the extent that the employee could not perform regular work duties. The requirement of a physician's certificate may be imposed at any time.

(e) In the event an employee receives sick pay benefits and it is subsequently established that the employee was not ill or disabled or has otherwise misused the sick pay benefits, the Court may cancel an equal number of sick days previously accrued or to be accrued by the employee, and may subject the employee to disciplinary action up to and including termination.

(f) The amount of sick pay benefits used by an employee will be equal to the number of regularly scheduled hours such employee would otherwise have worked on the day(s) such benefits are used.

Extensions may be approved for a maximum period of an additional thirty (30) days at the discretion of the Superintendent. Applications for personal leave shall be filed in writing with the Superintendent and shall provide a detailed explanation of the reason for the leave. Where possible, leave requests must be submitted not less than ten (10) days prior to the desired commencement date of the leave, or any extensions of the leave. In all events, applications must be received prior to the commencement of a leave or the expiration of the original leave. Employees granted a personal leave shall be subject to the following provisions:

(a) Upon return from a personal leave, the employee shall be reinstated at the same pay level and position as the employee held at the time the leave was granted.

(b) The employee may be required to submit to a physical and/or mental examination at the conclusion of the leave.

During the leave, benefits under this Agreement shall not accumulate or accrue. At the conclusion of the leave, the employee shall be placed at the same salary level and in the same position as the employee held at the time the leave commenced.

Section 6. Funeral Leave. An employee will be granted funeral leave without loss of pay for a period of up to a maximum of three (3) scheduled work days, between the date of the death and the date of the funeral. Funeral leave is granted to permit the employee to attend the funeral of a designated relative and is to be applicable only if the employee attends the funeral. Section 7. Jury Duty Leave. If an employee is summoned and reports for jury duty, such jury fees received by the employee shall be paid over to the Court.
