Section 2.3

Association Membership

The nurses covered by this Agreement who are presently members of the Association and Nurses Staff Council, shall, as a condition of continued employment, remain members of the Association and Nurses Staff Council during the term of this Agreement. Except as otherwise provided in this article, all employees who are not presently members of the Association and Nurses Staff Council shall, as a condition of continued employment, become and remain members thereof within thirty-one (31) days of execution of this Agreement.

Employees newly hired, rehired, reinstated or transferred into the bargaining unit after the date of execution of this Agreement shall be required, as a condition of continued employment, after the end of sixty (60) days of employment and, except as otherwise provided in this article, to become and remain members of the Association and Nurses Staff Council during the term of this Agreement.

Notwithstanding the foregoing, any nurse who does not desire to become a member of the Association or Nurses Staff Council shall pay a service fee to the Association and the Nurses Staff Council equivalent

to the amount of Association membership dues as a condition of continued employment.

Section 2.4 Procedures for Enforcing Association Security

An employee who fails to comply with the provisions set forth in Section 2.3 above shall be terminated according to the procedure outlined below:

The Association shall first notify the employee by certified letter, addressed to the employee at the address last known to the Association or County, concerning her/his delinquency in not tendering dues required under this Agreement, with a copy to the County and warning that unless such dues are tendered to the Association within thirty (30) days, she/he will be reported to the County in writing for termination of employment. If the employee has not tendered her/his dues within the thirty (30) days specified, the Association shall then notify the County and the employee by certified mail of the delinquency with a demand that the County terminate the employee within two (2) weeks after receipt of notice. The employee shall then be terminated unless she/he can produce satisfactory evidence from the Association of payment. In the event she/he is rehired, she/he will be considered a new employee for all purposes.

Section 2.5 Payroll Deduction for Association Dues

During the term of this Agreement and to the extent permitted by the law of the applicable jurisdiction, the County agrees to deduct, on a monthly basis, Association membership dues and assessments uniformly levied in accordance with the Constitution and Bylaws of the Association from the pay of each employee who executes and files with the County a proper checkoff authorization form.

The Association shall supply the employees with a checkoff authorization form approved by the County and shall transmit such checkoff authorization form to the payroll office of the County. Deductions shall be made only under the written checkoff authorization forms which have been properly executed and are in effect.

Association membership dues shall not be deducted when an employee's net earnings are not sufficient to cover the amount required. Association dues and assessments shall be remitted directly to the Association by an employee for any monthly period that the employee's net earnings are insufficient to cover the amounts required.

The County shall forward to the Membership Department of the Association, within ten (10) days following deduction, a sum equal to the total deductions for the Association membership dues. All dues so deducted will be forwarded to the Michigan Nurses Association at 2310 Jolly Oak Road, Okemos, Michigan 48864.

The Union hereby agrees that the Employer retains the sole and exclusive right to establish and administer, without limitation, implied or otherwise, all matters not limited by this Agreement.

The parties mutually recognize that the services performed by the employees covered by this Agreement are essential to public health, safety, and welfare. Therefore, the Association agrees that neither it nor its officers, representatives, members, or the employees it represents shall, for any reason whatsoever, call, sanction, counsel, encourage, or engage in any strike, walk-out, sympathy strike, picketing of the Health Department's buildings, offices, or premises, slowdown, sit-in, or stay-away; nor shall there be any concerted failure by them to report for duty; nor shall they absent themselves from work, abstain, in whole or in part, from the full, faithful, and proper performance of their duties, or any other acts that interfere in any manner or to any degree with the services of the Health Department. No employee covered by this Agreement shall refuse to cross any picket line, whether established at the Health Department's buildings or premises or any other location where employees covered by this Agreement are expected to work. Any employee who violates the above provisions shall be subject to discipline up to and including discharge.

An informational summary of the Special Conference will be prepared by those in attendance and posted in the Health Department.

SENIORITY

Section 7.1 Definition of Seniority and Probationary Status

Bargaining unit seniority shall be defined as the total number of regular hours paid with the County commencing from the employee's most recent date of hire. Two thousand eighty (2080) hours equals one year of service for purposes of seniority. New employees hired in the unit shall be considered as probationary employees for the first six (6) months of employment. When an employee completes the probationary period, she/he shall be entered on the seniority list of the unit. The employer has the right to discharge a probationary employee without just cause. The probationary period may be extended an additional six (6) months for any probationary employee by mutual agreement of the Employer and the Association. The Association shall represent probationary employees only for the purpose of collective bargaining in respect to wages and hours of employment. Employees who are hired on the same date shall be placed on the seniority list in alphabetical order of surnames.

Section 7.2 Termination of Seniority

Seniority shall be defined as above, but an employee shall cease to have seniority and is no longer employed if:

- A. She/he quits.
- B. She/he is discharged for just cause.
- C. She/he is absent from work for a period of three (3) consecutive work days without notification.
- D. If she/he fails to give two (2) weeks notification of her/his intent to return to work earlier than the scheduled expiration of a leave of absence, or if she/he does not immediately return to work and does not request and receive a written extension of said leave of absence. The above shall not be interpreted to allow a grace period of three (3) days after leave of absence.
- E. She/he gives a false reason for a leave of absence.
- F. She/he fails to return after being recalled from lay-off within the time limits allowed.
- G. An employee is laid off for a continuous period of one (1) year or the length of her/his seniority, whichever is less.
- H. She/he retires under the County retirement system.
- I. If he/she fails to return at the expiration of a leave of absence, which shall not exceed six (6) calendar months.

Employees promoted or transferred from the bargaining unit shall not retain seniority within the bargaining unit.

Section 7.3

Seniority List

The Health Department will maintain a seniority list including name and total regular hours paid. This list will be updated semi-annually and be provided to the Staff Council Chairperson within two (2) weeks of a written request.

Section 7.4

Benefit Anniversary Date

This section shall be used to determine eligibility for retirement and other fringe benefits.

A. For Retirement Benefits

1. An employee shall be eligible to earn credit for retirement benefits effective with their date of hire provided that they are in a position scheduled to work at least ten (10) six-hour days per month.
2. An employee shall be eligible to receive retirement benefits when she/he has reached age sixty (60) and has completed at least ten (10) years of service with the County of Muskegon, subject to the rules of the Municipal Employees Retirement System (MERS).
 - a) Length of service shall be computed on the basis of the amount of time the employee has been actually paid by the County payroll or on Worker's Disability Compensation.
 - b) Retirement credit for service with other governmental agencies may be granted subject to the rules of MERS and the approval of the Board of Commissioners.

B. For All Fringe Benefits Based On A Length Of Service

1. This subsection applies to all benefits other than retirement as outlined in A above, for which eligibility is based on length of County service.
2. Length of service shall be determined by the employee's "Benefit Anniversary Date" which is computed on the basis of the amount of time paid to the employee on the County payroll commencing at the employee's date of hire into eligible service unless covered under the following exceptions:

- a) Time spent on military leave from Muskegon County shall be included.
- b) Service recognized by the County when it absorbs employees from another level of government by taking over an established operation of that government shall be included.
- c) Service recognized by the County when it absorbs employees who have been under direct County supervision, but carried on the payroll of another governmental organization for the County's convenience, shall be included.
- d) Service on the County payroll in a non-eligible employment which meets the following criteria shall be included:
 - I) The service shall be immediately preceding eligible County employment.
 - ii) The transition from non-eligible to eligible employment must have been made without a break in service.
 - iii) Official County records must show that the non-eligible service was full-time in nature.

HOURS OF WORK AND OVERTIME

Section 8.1 Normal Hours of Work

The normal work week shall consist of a five (5) day, forty (40) hour week. The normal work day shall consist of eight (8) hours beginning at 8:00 a.m. and ending at 5:00 p.m. with one (1) hour unpaid lunch, except where deviation from the above schedule is necessary in order to maintain an efficient operation. The Health Director shall schedule the working hours for all employees in a manner to most efficiently cover the needs of the department. Whenever it becomes necessary to change the starting and ending hours of daily work for any employee, the employee shall still be required to complete a forty (40) hour work week.

Section 8.2 Overtime Assignment and Equalization

The Health Director may assign overtime to meet operational needs. Prior approval of overtime hours is required from the supervisor or Health Director. Hourly, part-time and temporary employees as defined in Section 2.2 shall be used to avoid the assignment of overtime to full-time employees whenever possible.

Employees desiring to work overtime assignments shall sign up for overtime and be placed on an overtime equalization list. When overtime is assigned, it will be assigned to and worked by the person on the list with the least number of overtime hours who meets the assignment qualifications. If all hours are equal, the most senior employee who meets the assignment qualifications shall be entitled to work. The equalization list shall be renewed each six (6) months.

If no employees sign up for overtime, a rotation list shall be maintained by the Health Department. Employees shall be placed on the list in order of seniority. The least senior person on the list who meets the assignment qualifications shall receive and be required to work the overtime assignment. Having worked the assignment, the first employee would be moved to the bottom of the list.

Nothing in this provision shall be construed to prohibit the Employer from assigning overtime to any employee in an emergency situation, or continuing an employee on a work assignment when the work must be completed after normal working hours.

Section 8.3 Premium Pay for Overtime Work

Overtime shall be paid at the rate of one and one-half (1-1/2) times the employee's normal base hourly rate for full-time employees for all hours worked in excess of forty (40) hours per week. Part-time employees as defined in Section 2.2, working hours in excess of that required of full-time employees shall also be eligible for overtime payment. Paid holidays shall be counted as time worked when determining eligibility for overtime payment.

Section 8.4 Minimum Call-In

Employees eligible for overtime payment who are called in to work on a regularly scheduled day off or who are called back to work after having left work from their regular shift, shall receive a minimum of two (2) hours overtime pay regardless of the number of hours worked. Employees required to work in excess of the minimum call-in time shall be paid for time worked at the appropriate rates. This section shall not apply where an employee is required to begin her/his shift early.

Section 8.5 Inclement Weather

Building closure shall be in accordance with the Building Closure Procedure.

SICK LEAVE

Section 9.1 Definition of Sick Leave

Sick leave is an absence from work for purposes of illness or injury for which the employee who has completed the six (6) continuous months of County Service is paid just as if she/he were at work, subject to the employee's sick leave accumulations and other provisions of this Section.

Section 9.2 Sick Leave Benefits

Eligible employees shall accumulate Sick Leave as follows:

Years of Service	Days Sick Leave Earned		Maximum Sick Leave Accumulation
	Per Pay Period	In 12 Months	
0 - 10	.4615	12	Unlimited
10	.6923	18	Unlimited

Eligible employees whose appointments are for more than ninety days (90) but less than full-time shall earn and accumulate Sick Leave for each straight-time hour they work.

For employees hired on or after the execution date of the contract, August 21, 2007, employees shall accumulate sick leave at the rate of ten (10) sick leave days per year. Sick leave time will be accumulated by two (2) week pay periods based on the number of hours paid not to exceed eighty (80) hours per pay period or .385 sick leave days per pay period. Each employee shall be allowed to accumulate up to one hundred and eighty (180) days of sick leave. Eligible employees whose appointments are for more than ninety (90) days but less than full-time shall earn and accumulate Sick Leave for each straight-time hour they work.

Section 9.3 Sick Leave Use Limitations

Sick Leave accumulations may be used only with the permission of the Health Director. This provision shall apply to all other sections of this plan.

The Health Director shall be responsible for reviewing employee requests for Sick Leave and determining their validity. She/he shall refuse to allow use of Sick Leave when, in her/his judgment, there is insufficient evidence to support the employee's claim, or where she/he believes that the employee has not exercised reasonable effort to promptly notify the Department of her/his absence. The Department

Head may require an employee to submit a physician's statement in order to justify the use of Sick Leave.

Employees should whenever possible, notify their supervisor that they will be unable to work before their normal work day begins, in any case, not later than one-half hour after the working day begins.

Sick Leave shall not normally be granted for a period of more than three (3) successive work days unless the employee submits a statement from her/his physician to the Health Director, that the Sick Leave is necessary.

Sick Leave may not be used before it is earned, nor before an employee has six (6) continuous months of County service.

Section 9.4

Use of Sick Leave

Sick Leave may be used for the following purposes:

- A. Personal illness or incapacity over which the employee has no reasonable control.
- B. Absence from work because of exposure to contagious disease which, according to public health standards, would constitute a danger to the health of others by the employee's attendance at work.
- C. Medical and dental examinations or treatment.
- D. The care of the employee's ill minor dependent children, spouse, or parent if the employee is the only person available to render such care. Such usage should not exceed two (2) days for any one illness.
- E. To supplement Workmen's Compensation payments.

Section 9.5 Payment for Unused Accumulated Sick Leave

Payment when separating from County employment for reasons of death or to become a retirant member of the Michigan Municipal Employees' Retirement System: An employee separating from County employment for these reasons shall receive three-quarters (3/4) pay for all unused accumulated Sick Leave, not to exceed one hundred eighty (180) days. Payment shall be based on the rate the employee is earning at the time of separation.

For employees hired on or after the execution date of the contract, August 21, 2007, payment when separating from County employment for reasons of death or to become a retirant member of the Michigan Municipal Employees' Retirement System: An employee separating from County employment for these reasons shall receive three-quarters (3/4) pay for all unused accumulated Sick Leave, up to ninety (90) days

[maximum payout - sixty-seven and one-half (67½) days] Payment shall be based on the rate the employee is earning at the time of separation.

Payment when separating from the County for reasons other than Retirement or Death; after completion of at least one (1) year of continuous County employment: Any employee separating for these reasons shall receive one-half (½) pay for all unused accumulated Sick Leave, not to exceed one hundred eighty (180) days. Payment shall be based on the rate the employee is earning at the time of separation.

For employees hired on or after the execution date of the contract, August 21, 2007, payment when separating from the County for reasons other than Retirement or Death; after completion of at least one (1) year of continuous County employment: Any employee separating for these reasons shall receive one-half (1/2) pay for all unused accumulated Sick Leave, up to ninety (90) days [maximum payout - forty-five (45) days] Payment shall be based on the rate the employee is earning at the time of separation.

Section 9.6 Effect of Sick Leave on Annual and Sick Leave

Employees on Sick Leave with pay shall continue to accumulate Annual Leave and Sick Leave just as if they were on the job.

If an employee has reason to use Sick Leave during a period of Annual Leave usage, and if such Sick Leave is used to cover an illness of the employee, and if such Sick Leave is documented by a physician's written statement, to the Department Head's satisfaction, such time may be deducted from the employee's Sick Leave accumulation, instead of from his Annual Leave accumulation.

Legal Holidays which are counted as days off with pay by the County shall not be deducted from an employee's Sick Leave accumulation when they fall during a period of Sick Leave usage.

Section 9.7 Effect of Leaves of Absence Without Pay on Sick Leave

Employees shall not accumulate or use Sick Leave while on Leaves of Absence Without Pay.

Section 9.8 Effect of Bereavement Leave on Sick Leave

Employees who are given permission to use Bereavement Leave during a period of approved Sick Leave usage shall not have the time spent on Bereavement Leave deducted from their Sick Leave accumulation.

ANNUAL LEAVE

Section 10.1

Annual Leave Accumulation

Leave shall be earned and accumulated per pay period according to the following chart:

Years Service	Annual Accumulation	Days Per Pay	Maximum Accumulation*
1 - 5	13 Days**	.500	26

*The maximum accumulation is based on one (1) year worth of Annual Leave earnings. When the maximum accumulation of Annual Leave is reached, additional time spent in County service, while an employee's Annual Leave is at the maximum, will not earn Annual Leave, either for immediate or future use until the employee's accumulation is below maximum.

**For the purpose of this schedule, a day is defined as eight (8) hours pay at the employee's regular base rate.

Section 10.2

Vacation Scheduling

Employees may elect to take either a split or complete vacation period. Vacations are subject to departmental personnel complement required to effectively staff a department. On December 1, the department will post a notice on which each employee will indicate when she/he desires to take her/his vacation for the months of February through May. On April 1, the department will post a notice on which each employee will indicate when she/he desires to take her/his vacation for the months of June through September. On August 1, the department will post a notice on which each employee will indicate when she/he desires to take her/his vacation for the months of October through January. The notice will be removed on the 15th of each posting month (December, April, and August) and scheduled by the end of the posting month. Employees will be able to take their vacations accordingly subject to the other provisions of this Section.

Should two (2) or more employees in the same unit, with similar duties, select the same vacation period, the desire of the employee with the higher seniority shall be given preference. The request of the second employee will be considered based on the circumstances of the department. Vacation requests received at times other than the normal posting periods will be considered on a first come, first

served basis. In all cases approval of the Department Head is necessary. Vacation requests will be approved or denied by the Department Head within a reasonable time frame, not to exceed 30 days, following the request based on the circumstances of the department. Of necessity, the welfare and convenience of the Employer and the continuation of the services of the Health Department must be the foremost consideration in allowing Annual Leave.

Section 10.3 Vacation Eligibility

No employee shall be entitled to any vacation or pay therefore, until she/he has been on the payroll for a continuous period of at least six (6) months. Section 10.6 Effect of Bereavement Leave on Annual Leave

LEAVES OF ABSENCE WITHOUT PAY

Section 18.1

Definition of Leave of Absence Without Pay

A leave of absence without pay is a predetermined amount of time off from work, without pay, which has been approved by the Health Director or designee. All time, for which a full time County employee is to be continued as an employee, but not paid, shall be considered as a leave of absence without pay, whether it be one day or the maximum time allowable under the reason for the leave.

The fact that a Leave is possible under this contract does not mean that the requested Leave must be granted. A Leave of Absence deprives the Health Department of the services of an employee, who it is assumed is needed if the department is to properly do its job. Leaves of Absence Without Pay, except in the case of disciplinary leaves, should be considered as a privilege and the best interests of the department and the County Service must be the determining factors in whether such leaves are granted or not.

In granting an employee a leave of absence without pay, the Department Head makes a commitment to allow the employee to return to work at the end of the leave to the same duties and the same salary that the employee was performing and earning when she/he went on leave. Any

substitutes hired to fill in for employees on leaves of absence without pay, should be hired accordingly.

When granted a leave of absence without pay, the employee is committed to return to work at the end of the leave.

During the Leave of Absence, the employer can fill the employee's position through whatever means it deems appropriate, as long as the temporary employee meets the minimum qualifications of a Public Health Nurse. The filling of this position will not be subject to Section 24.1, Filling of Vacancies. Any person utilized to replace an employee placed on a Leave of Absence under this section, shall not accrue seniority and shall not be represented for any purposes by the bargaining unit.

The leave of absence will expire based on the type of leave specified in Section 18.3.

Section 18.2 Effect of Leaves Without Pay

During a leave of absence without pay, the employee:

- A. Does not receive pay from the County.
- B. Does not earn annual leave.
- C. Does not earn sick leave.
- D. Does not get paid for legal holidays occurring during the leave.
- E. Has no time deducted from annual leave or sick leave to cover the time off on the leave of absence without pay.
- F. Remains a member of the Michigan Municipal Employees' Retirement System but cannot withdraw retirement contributions while on leave of absence, only on separation; and cannot pay retirement contributions.
- G. The employee does not earn credit toward longevity or credit toward the rate of annual leave or sick leave accumulation for the period covered by the leave.
- H. Must pay any group hospitalization premiums falling due during any month in which the employee has not worked at least one week. (Such premiums are normally paid by the County for eligible employees.) Employees on such leaves should contact payroll.
- I. Will retain full coverage for up to six months under the Employees' Group Life Insurance Plan. If the employee fails to return to active County employment by the end of the approved

leave of absence without pay, the employee's group life insurance coverage is terminated regardless of the six months limitation.

Section 18.3 Types of Leave Without Pay

- A. To cover time off because of personal illness beyond that covered by earned sick leave with pay.
 - 1. To be used when the employee has exhausted her/his accumulations of earned sick leave with pay and earned annual leave.
 - 2. Not to exceed sixty (60) calendar days for any one leave but may be renewed.
 - 3. To be granted only on the written recommendations of the employee's physician.
 - 4. Such leave shall not exceed six (6) consecutive calendar months commencing with the month following the date that earned sick leave with pay and earned annual leave is exhausted.
- B. To cover time off because of a compensable injury beyond that covered by sick leave with pay and annual leave with pay.
- C. To cover time off while running for County Elected Office filled by partisan election. If such a leave is requested, it must be granted, except no more than two leaves may be granted for the purpose of running for elected office in any one calendar year and each leave must not be less than fifteen (15) calendar days nor more than thirty (30) calendar days.
- D. To cover disciplinary leaves (suspension without pay) as covered in Rule 8, Disciplinary Actions.
- E. To cover time off for educational purposes where such educational training is directly related to the employee's present or future duties as a County employee, not to exceed one hundred twenty (120) days.
- F. To cover time off for personal reasons not to exceed sixty (60) days for any one leave, but may be renewed.

Section 18.4 Return from a Leave Without Pay

When an employee returns from a leave of absence without pay, the employee's Department Head must submit a Personnel Action form to the Human Resources Department before the employee can be returned to the payroll.

If an employee fails to return to County employment at the end of a leave of absence without pay, and no extensions of the leave are granted, the employee must submit a resignation from County Service. Failure to contact the Health Director or designee at the end of the leave shall be grounds for labeling the separation a voluntary resignation from County service.

Section 19.1 Family Medical Leave Act

To the extent that the leave provisions under Section 10, Annual Leave; Section 9, Sick Leave; and Section 18, Leaves of Absence Without Pay provide for leave time for purposes also provided by the Act, such leave time up to twelve work weeks in any twelve-month period shall be credited toward the leave time allowed by the Act.
