All full-time and part-time personnel of the Ogemaw County Sheriffs Office, employed as Deputies, Corrections Officers, Cooks and Secretaries, but excluding the Sheriff, Undersheriff and all other employees.

1.2: Extra Contract Agreements. The County agrees not to enter into any agreement with any other labor organization with respect to the employees covered by this Agreement nor any agreement or contract with employees covered by this Agreement, individually or collectively, which conflicts with the express terms of this Agreement, during the term of this Agreement.

1.3: New Classifications. If, during the term of this Agreement, the County desires to establish a new classification, it shall give notice to the Union not less than thirty (30) days prior to the implementation of the new classification. Said notice shall include the title of the new classification, a brief general description of the job to be performed, and the proposed wage rate. The County agrees to negotiate with the Union, upon request, as to the wage rate for the new classification and, if the parties are unable to agree to a wage rate, the position shall be established at the wage rate proposed by the County unless the position is subject to 1969 PA 312. For positions subject to 1969 PA 312, the Union may, upon written notice to the County, refer the dispute to binding arbitration under the provisions of Act 312 of the Public Acts of 1969, as amended.

1.4: Definitions. The Terms "Employee" and "Employees" when used in this Agreement shall refer to and include only those regular full-time employees and regular part-time employees who are employed by the County in the collective bargaining unit set forth. For purposes of this Agreement, the following definitions are applicable:

- a. Regular Full-Time Employee: Employees normally scheduled to work eighty (80) hours or more per pay period shall be subject to all terms of this Agreement.
- b. Regular Part-Time Employee: Part-time employees shall be defined as those employees normally scheduled to work less than eighty (80) hours every pay period. Regular scheduled part-time employees shall be subject to all terms of this agreement.
- c. Temporary/Seasonal Employees: Temporary/Seasonal employees shall be defined as those hired for a specific project or a specific period of time not to exceed one hundred eight (180) calendar days, unless extended by mutual agreement. Temporary/Seasonal employees shall not be used to displace full-time or regular part-time employees or for

the purpose of avoiding overtime. Temporary/Seasonal employees shall not be subject to the terms of this Agreement, and shall not be covered by provisions of this Article.

- d. On-Call Employees: On call employees shall be defined as those employees who work on an irregular basis. Such employees shall not be subject to the terms of this Agreement. Employees classified as on-call shall only be used to supplement the full and regular part-time employees and shall not be used to avoid the payment of overtime or to displace full or regular part-time employees.

ARTICLE II REPRESENTATION

2.1: Stewards. The County recognizes the right of the Union to designate Stewards and Alternates from the seniority list of the unit described in Section 1.1. Once the Stewards and Alternates are selected, their names will be submitted to the County and the Sheriff for their information.

2.2: Duties of Stewards. When requested by an employee the Steward, or Alternate in the Steward's absence, may investigate any alleged or actual grievance and assist in its preparation. He or she may be allowed reasonable time off as determined by the Sheriff during working hours without loss of pay or benefits, upon notification and prior approval of his immediate supervisor outside of the bargaining unit. When an employee presents his own grievance without intervention of the Steward or Alternate, said Steward or Alternate shall be given the opportunity to be present if the employee requests.

2.3: Bargaining Committee. The County agrees to recognize not more than three (3) non-probationary employees of the bargaining unit as Union Bargaining Committee members, or four (4) members as long as one is off duty. The Union shall furnish the names of the Union Bargaining Committee members to the County in writing. The County and the Union shall both have the right to have outside representatives present during negotiations.

ARTICLE III COUNTY AND SHERIFF'S RIGHTS

3.1: No Discrimination. The parties hereto agree that there shall be no discrimination in the application of this Agreement on the basis of race, creed, color, national origin, age, sex, or Union membership as required by law.

3.2: Rules and Regulations. The Sheriff shall have the right to adopt and enforce rules and regulations concerning standards of conduct and performance of duties of Department personnel and otherwise governing the employment relationship. Such rules and regulations shall not contravene any of the provisions of this Agreement. If the application of any new rule or regulation conflicts with the provisions of this Agreement, then the rule may become a subject for the grievance procedure contained herein.

3.3: Management Rights. The management of the Ogemaw County Sheriffs Office and the direction of its employees, including but not limited to the right to determine what work will be done, in what order and by whom; the right to determine whether overtime is required and how much; the right to establish standards of performance and conduct and to be the sole judge of employees' performance and conduct in connection with those standards; the right to hire, promote, demote and lay off employees; the right to discipline employees; the right to introduce

new methods of work and equipment; the right to determine work schedules and shifts including the right to make special assignments to secondary road patrols, STING unit, traffic detail, ORV and Marine programs. In the event the Sheriff desires to add new programs, the program shall be discussed with the Union. The right to decide the number of employees needed at any one time and the right to adopt rules and regulations governing employees' dress, conduct and work performance, shall be vested exclusively in the Sheriff, provided that in the exercise of these rights, the Sheriff shall not violate any of the provisions of this Agreement.

3.4: No Strike. The parties hereby mutually agree and recognize that the services performed by the employees are essential to the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of service for any cause whatsoever by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work, or abstain in whole or in part from the full, faithful and proper performance of their work. The Union further agrees that there shall be no strike, sit-down, stoppages of work or any acts that interfere with the services of the County and the Sheriff.

3.5: No Lockouts. The County agrees there shall be no lockouts during the term of this Agreement.

ARTICLE IV UNION SECURITY

4.1: Agency Shop. As a condition of employment, all employees included in the bargaining unit as set forth in Section 1.1 of this Agreement, thirty-one (31) days after the start of their employment with the County or the effective date of this Agreement, whichever is later, shall either become members of the Union or shall pay the monthly labor service fee that is uniformly required of all Union members to the Union. An employee shall be deemed as in compliance with this section if he is not more than thirty (30) days in arrears of payment of Union dues or the monthly service fee. In the event an employee becomes delinquent thirty (30) days or more in the payment of such dues or fees, he shall be separated from his employment by the County following written notice and demand thereof by the Union.

4.2: Dues Checkoff. Dues shall be paid by payroll deduction. The County agrees to make such payment for all employees upon receipt of a signed Due Checkoff Card from each employee. The Union shall provide the Checkoff cards.

4.3: Save Harmless Clause. The Union shall indemnify and save the County and the Sheriff harmless against any and all claims, demands, suits, liability and other actions arising from this Section or compliance therewith by the County.

A R T I C L E V GRIEVANCE PROCEDURE

5.1: Definition of a Grievance. A grievance is defined as a reasonably and sensibly founded claim of an alleged violation of this Agreement. Any grievance filed shall refer to the specific provision alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation.

5.2: Procedure.

STEP 1. The Union or the aggrieved employee shall submit the grievance orally to the employee's immediate supervisor within three (3) working days after the grievance might reasonably become known to exist. The immediate supervisor shall give an oral answer to the Union and the aggrieved employee within seventy-two (72) hours of receiving the complaint. In the event the complaint is not satisfactorily settled at this point, it shall become a grievance and the procedures hereinafter set forth shall apply.

STEP 2. The grievance shall be prepared in writing and shall state the facts on which it is based, when they occurred, the Section or Sections of the agreement which have allegedly been violated and the remedy desired. The written grievance shall be submitted to the Sheriff or his designee within seventy-two (72) hours of the receipt of the oral answer in STEP 1. The Sheriff or his designee shall give a written answer to the Union within seventy-two (72) hours of receiving the written grievance.

STEP 3. If the answer in STEP 2 does not effect a settlement, the grievance shall be referred to the Sheriff or his designee and a representative of Teamsters Local 214. They, together with the Steward, shall meet at the office of the Sheriff within fourteen (14) days of the answer in STEP II, for the purpose of discussing the grievance and attempting to reach a solution. Within seven (7) days of the conclusion of this meeting, the Sheriff or his designee shall submit the Employer's decision in writing to the Union. In this conference, either party may be represented by legal counsel.

STEP 4. If a settlement is not effected in STEP 3, the Union shall have the right to submit the matter to an impartial arbitrator in accordance with the procedures and rules of the Federal Mediation and Conciliation Service, provided, however, that the Union shall give written notice to the Employer of its intention to arbitrate, within twenty (20) days of the receipt of the answer in STEP 3. The loser of a coin flip shall have the option of striking the first names from the list and the parties shall alternatively strike names from the list until only one name remains. That person shall be the arbitrator. The parties may reject the entire panel and request another list.

The cost of the arbitrator shall be borne equally by the County and the Union and the decision of the arbitrator shall be final and binding on the parties.

Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. He shall at all the times be governed wholly by the terms of this Agreement. The arbitrator shall have no power or authority to amend, alter, or modify this Agreement either directly or indirectly. If the issue of arbitrability is raised, the arbitrator shall only decide the merits of the grievance, if arbitrability is affirmatively decided. It is the intent of the parties that arbitration shall be used during the life of this Agreement to resolve disputes which arise concerning the express provisions of this Agreement which reflect the only concessions which the Employer has yielded. The arbitration award shall not be retroactive earlier than the date the grievance was first submitted in writing. The arbitration award shall be final and binding on the Employer, Union and employees. However, each party reserves the right to challenge arbitration or awards thereunder if the arbitrator has exceeded his jurisdiction or has arrived at his award fraudulently or by improper means.

5.3: In all steps of grievance procedure described above, either the Employer or the Union shall have the right to specify that the aggrieved employee, his superior or both, be called in to discuss the details of the grievance in the presence of the proper representative of both the Employer and the Union.

5.4: General Procedures. Time limits at any step of the grievance procedure may be extended by mutual agreement of the Union and the Employer. Such extension agreements shall be reduced to writing and signed by the parties. In the event that the Union does not appeal from one step to another within the time limits allowed, the grievance shall be considered as settled on the basis of the last answer. Failure of the Employer to respond within the time limits shall be considered a denial of the grievance and it may be automatically processed to the next step, including arbitration. Saturdays, Sundays and Holidays shall not be counted as days in the time limits included in this grievance procedure.

5.5: Election of Remedies. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any **grievance** procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. In the event that an Unfair Labor Practice (ULP) is filed by the Union and MERC determines it does not have jurisdiction and remands the matter back for arbitration, the above prohibition shall not apply.

ARTICLE VI SENIORITY

6.1: Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the Ogemaw County Sheriffs Office since employee's last date of hire. Classification seniority shall be defined as the length of an employee's continuous service in his current classification commencing with his last date of hire in that classification. An employee's "last date of hire" shall be the most recent date upon which he first commenced employment. Employees who commence employment on the same date shall be placed on the Seniority list in alphabetical order of surnames. Any employee who changes his surname between the time he commences employment and the time he attains seniority shall be placed on the Seniority list according to the first letter of his or her surname at the time of employment.

6.2: Probation Period. When a new employee is hired, he or she shall be considered a probationary employee for the first twelve (12) months of continuous service. Probationary employees off work for ten (10) or more work days shall have their probation extended by like amount. During this period of probation, the Union shall represent probationary employees for the purpose of, but not limited to, rates of pay, wages, hours of work and grievances concerning all aspects of this Agreement except those related to discharge or discipline. Probationary employees are at-will and may be disciplined or discharged for any or no reason.

6.3: Seniority Accrual. Notwithstanding the provisions herein relative to probationary employees, all employees shall accrue seniority from their last date of hire.

6.4: Seniority List. The Employer shall maintain a Seniority List which shall be updated

semi-annually and indicate name, position, class and seniority date. This list may be viewed by the Union on demand.

6.5: Loss of Seniority. An employee shall lose his seniority if:

- A. He resigns or quits.
- B. He is discharged or terminated from work and such discharge is not overturned by the grievance procedure contained herein.
- C. He retires.
- D. He is convicted of, or pleads guilty or no contest to, a felony or is convicted of a misdemeanor for conduct involving dishonesty or moral turpitude.
- E. He is laid off for a period of time equal to his seniority or two (2) years whichever is lesser.
- F. He is absent from work including failure to return at the expiration of a leave of absence or extension, vacation or disciplinary layoff for three (3) consecutive working days without notifying the Employer or his designee, except when the failure to notify is due to circumstances beyond the control of the employee.
- G. He makes an intentionally false statement on his/her employment application or request for leave of absence.
- H. Inability to return to work for medical reasons after expiration of sick leave or leaves of absence or any extension thereof.

6.6: Military Leave. An employee shall be allowed a military leave of absence as mandated by state and/or federal laws upon presentation of official orders requiring said leave. Benefits shall continue during the military leave as required by law.

ARTICLE VII HOURS AND OVERTIME

7.1: Work Day. The normal work day for all personnel in the bargaining unit (except cooks) shall be eight (8), ten (10) or twelve (12) hours as determined by the Sheriff from time-to-time in a twenty-four (24) hour period, commencing at 12:00 A.M. The normal work day for cooks may vary from 8 to 10 hours per day at the discretion of management.

7.2: Pay Period. A normal pay period shall be comprised of eighty (80) hours in a fourteen (14) day period for all personnel. The pay period shall coincide with that of other County employees.

7.3: Overtime. All time worked over the employee's regularly scheduled shift (eight (8), ten (10) or twelve (12) hours), except as provided below, shall be paid at the rate of one and one-half (1/2) times the employee's regular hourly rate of pay, except that overtime shall not be paid when more than eight (8), ten (10) or twelve (12) hours are worked in one work day for said employees as the result of a regularly scheduled shift change, providing, however, that at least ten (10) hours have elapsed between the end of one shift and the beginning of the 2nd shift. If less than ten (10) hours have elapsed between shifts, the employee shall be paid at the rate of time and one-half for all hours worked during the second shift. All time worked by the cooks over ten

(10) hours in a work day and eighty (80) hours in a pay period shall be paid at the rate of one and one-half times the employee's regular hourly rate of pay.

7.4: Pyramiding. Hours for which overtime or other premium pay are paid on one basis shall not be counted again for purposes of other overtime or other premium pay.

7.5: Scheduling. All deputies and corrections officers shall select their shift preference according to seniority every three (3) months, providing however, that such preference shall apply to open positions only. When it comes to bidding of shifts, part-time employees will bid with other part-time employees and full-time employees will bid with other full-time employees. The Sheriff shall have the right to change the posted schedules subject to the following limitations:

- A. An employee's regularly scheduled day off shall not be changed for the sole purpose of avoiding overtime.
- B. An employee's schedule may be changed due to employee absence(s) of more than eight (8) consecutive work days; in unforeseen or emergency circumstances; or for any other reason with the consent of the employee.

7.6: Compensatory Time. Employees may elect to bank compensatory time off in lieu of overtime pay provided, however, that compensatory time off may not be banked in excess of forty-eight (48) hours. Such compensatory time off shall be computed at the rate of one and one-half hours for each hour of overtime worked. Employees requesting compensatory time off shall submit said request to their immediate supervisor at least forty-eight (48) hours in advance of the date requested. Requests for compensatory time off shall not be denied except for just cause. For the purposes of this section, "just cause" shall be defined as cases of Department emergency whereby all Department personnel within the classification of the requesting employee are ordered to work or in cases where a replacement employee cannot be found to fill the vacancy. The Sheriff shall have the right to either fill or not fill the vacancy in his sole discretion.

7.7: Call-In Pay. Any employee not scheduled for duty who is ordered in and reports for work, except when said employee is on a medical leave, for any purpose, including court appearances, shall receive a minimum of three (3) hours pay at one and one-half times his/her regular hourly rate of pay. An employee may be assigned to work in his/her classification to complete the three (3) hours on such calls.

7.8: Shift Swap. Employees may agree to trade shifts with other employees within the same pay period for one or more days at a time, for their own convenience upon prior notification and approval of the Sheriff or Undersheriff, Lieutenant, or Sergeant. It is understood and agreed that no overtime shall result in any way from such voluntary changes, and, for pay, overtime and scheduling purposes, it shall be presumed that the shift trade did not occur. Under no circumstances shall an employee be permitted to use paid time off to cover the day he/she traded to work. The Sheriff or his designee may authorize the use of paid time off to cover a trade day if a written request is submitted and approved in advance.

7.9: Equalization of Overtime. The Sheriff shall attempt to distribute overtime as equally as possible among the available employees in the classification concerned. Any employee offered overtime and refusing to work shall be charged as having worked all hours offered for equalization purposes. Notwithstanding the provisions of this section, emergency overtime work may be performed by any available qualified personnel in the classification which normally performs such work. Employees will not be considered for overtime while they are on

vacation or leave of absence either with or without pay, unless so required by a Department emergency. Employees who were not offered overtime in error shall be offered the next overtime available for which the employee is available.

ARTICLE VIII HOLIDAYS

8.1: The following days shall be recognized as holidays of the Ogemaw County Sheriffs Office:

New Year's Eve	New Year's Day
President's Day	Labor Day
Easter	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Day after Thanksgiving Day
Christmas Eve	Christmas Day
Martin Luther King Day	

All full-time employees covered by this Agreement shall receive eight (8) hours pay at their regular straight time rate of pay exclusive of all premiums for each of the above recognized holidays in addition to any regular wages paid for the holiday.

All full-time employees covered by this Agreement who work on New Year's Eve, New Year's Day, Labor Day, Easter, Memorial Day, Thanksgiving Day, Day after Thanksgiving Day, Christmas Eve or Christmas Day will be paid one and one-half times their hourly rate for all hours worked on such day in addition to eight (8) hours of holiday pay.

8.2: Pay. All payments of holiday pay shall be paid in the pay period in which the holiday occurs.

8.3: Holiday Eligibility. Any full-time employee who is on vacation when one of the holidays enumerated in Section 8.1 occurs shall receive an additional eight (8) hours of vacation or holiday pay at his option. A new employee shall not be eligible for any holiday pay during the first thirty (30) days of his employment. To be eligible for holiday pay, an employee must have worked his scheduled hours on the last scheduled work day preceding the holiday and on the first scheduled work day following the holiday providing, however, that absence due to illness or other compelling personal reasons supported by adequate proof of the same shall not disqualify an employee for holiday pay if he meets all of the other conditions stipulated.

8.4: Days Off. Any holiday which occurs on an employee's regular day off and for which the employee is paid will not be considered as time worked for overtime purposes.

8.5: Personal Time. All full-time employees except newly hired employees shall receive forty (40) hours of personal time on October 1st of each year to be used in the fiscal year at the discretion of the employee subject to the limitations enumerated subsequently herein. Newly hired employees shall receive personal days in the fiscal year of hire in accordance with the following schedule:

- A. Hired between October 1 through January 31, accumulate thirty-two (32) hours of personal time.
- B. Hired between February 1 through May 31, accumulate twenty-four (24) hours of personal time.

- C . Hired between June 1 through September 30, accumulate sixteen (16) hours of personal time.

Prior notice of the use of such personal time shall be given to the employee's supervisor at least forty-eight (48) hours in advance. However, a personal holiday shall not be used to work other law enforcement employment. A properly submitted request for a personal holiday(s) (other than law enforcement employment) shall be approved by the immediate supervisor and will not be denied except for reason of "just cause." For purposes of this section, "just causes" shall be defined as cases of employee absence(s); Department emergency whereby all Department personnel within the classification of the requesting employee are order to work; or in cases where a replacement employee cannot be found to fill the vacancy. The Sheriff shall have the right to fill or not fill the vacancy in his sole discretion. Personal holidays not used in the fiscal year will be reimbursed by the 2nd pay day of October the next year at the rate of Five and No/100 (\$5.00) Dollars per hour, except when personal days were requested and denied for reasons set forth above and the employee was unable to take said days prior to the end of the calendar years, in which case the employee shall be reimbursed at his/her regular hourly wage for all hours not used.

ARTICLE IX
VACATIONS

9.1: Vacation Periods. Beginning January 1, 1995, all employees will earn a portion of their annual vacation each pay period. The amount earned each pay period will equal the amount of vacation for which an employee is eligible divided by twenty-six (26) pay periods. On January 1, 1995, all unused vacation will be placed in each employee's bank. Each employee will maintain a bank of his earned and unused vacation with a maximum allowable accumulation in each bank of 200 hours. All vacation earned after the employee has accumulated 200 hours will be lost so long as the unused vacation in the bank is 200 hours.

For employees on the payroll on December 31, 1994, length of seniority as of an employee's anniversary date shall determine eligibility for vacation hours according to the following schedule:

After 1 year	40 hours
After 2 years	80 hours
After 5 years	120 hours - plus eight (8) hours for each year in excess of five (5) years seniority up to a maximum of 168 hours

providing that an employee on an approved leave of absence, such as sick leave or worker's compensation in excess of ninety (90) days, would not earn vacation time during such leave, but would retain any unused vacation which may be taken up on his return to work.

For employees hired on or after January 1, 1995, length of seniority as of an employee's anniversary date shall determine eligibility for vacation hours according to the following schedule:

After 1 year	40 hours
After 2 years	80 hours
After 5 years	120 hours

providing that an employee on an approved leave of absence, such as sick leave or worker's compensation in excess of ninety (90) days, would not earn vacation time during such leave, but would retain any unused vacation which may be taken up on his return to work.

9.2: Final determination of vacation schedules is left to the determination of the Sheriff, taking into account the needs of the Department. In any event, an employee must be given the opportunity to take time off for vacation purposes before the end of this anniversary year.

9.3: Prior to April 1st of each year, vacations shall be scheduled with the Sheriff. In determining the vacation schedule, the most senior employee (time in grade and classification) shall be the first to choose vacation, followed by the next senior and so on, until each employee has made his initial choice of dates. To equalize prime vacation time, each employee shall be limited to scheduling up to eighty (80) hours of his vacation on his first selection. The eighty (80) hours so selected may be used during any available vacation period. After each employee has made his first selection, then each employee shall select the balance of his vacation in the same order that his initial selection was made.

9.4: Advance Pay. Vacation shall mean hours at the individual employee's regular hourly rate, excluding shift premiums. Upon request, at least two (2) weeks in advance of the starting date of an employee's vacation, an employee shall be given his vacation pay covering the amount of vacation he is currently taking. Such payment shall be made on the last pay day preceding the commencing of his vacation.

9.5: Should an employee be off sick during his scheduled vacation time, he may be permitted to change his vacation to another date which will not conflict with another employee's vacation. Consideration of such a request is contingent upon prompt notice and proof of illness to the Sheriff.

9.6: When an employee quits, is discharged, retires or dies, he or his heirs shall be paid for all unused accumulated or earned vacation.

9.7: When an employee returns from military leave of absence, the total time in military service, up to five (5) years if honorably discharged, shall be counted in determining the number of vacation hours for which he is eligible.

9.8: Vacations shall be taken in one (1) regular work day (8, 10 or 12 hours) increments. However, in unusual situations, and with the prior approval of the Sheriff, vacations may be taken in lesser increments.

ARTICLE X SICK LEAVE

10.1: Sick leave shall accumulate at the rate of eight (8) hours for each month of service up to a maximum accumulation of seven hundred sixty-eight (768) hours providing, however, that an employee on an approved leave of absence, such as sick leave or worker's compensation in excess of ninety (90) days, would not earn sick leave during such leave.

10.2: In the event that an employee retires on a regular pension or disability pension, or dies, he or his heirs shall be paid for fifty percent (50%) of all unused, accumulated sick leave at the employee's current rate of pay.

10.3: In the event an employee terminates his employment through a voluntary quit with twenty-one (21) days notice, he shall be paid for fifty percent (50%) of all unused, accumulated sick leave at the employee's current rate of pay.

10.4: General Rules. Sick leave may be used only in cases of actual sickness, except that a

maximum of eighty (80) hours of paid sick leave per calendar year shall be granted for illness of immediate family members (as defined in Section 11.1). Such absences shall be charged to accumulated sick leave.

An employee shall promptly notify the Sheriff or his designee of any illness or disability of himself or immediately family member which will prevent him from working. Proof of illness and basic nature of illness, by means of a signed statement from a physician, may be required by the Sheriff for any absence in excess of three (3) consecutive working days if the Employer has reason to believe the employee is abusing sick leave. The Employer will warn the employee before requiring proof of illness; however, this section shall not preclude discipline for fraudulent use of sick time.

By January 31st of each year, an employee shall be paid for all unused sick leave in excess of seven hundred sixty-eight (768) hours as of the previous December 31st, at the rate of five dollars and seventy-five cents (\$5.75) per hour of unused sick leave.

An employee returning from sick leave of at least eight (8) consecutive working days will resume the same classification, provided that he can do the work.

Accumulation of sick leave shall not begin until thirty (30) days from the date of employment.

Part-time employees shall accumulate sick leave on the following basis: For every eighty (80) hours worked, the part-time employee shall earn two (2) hours of sick time, up to a maximum of one hundred (100) hours. Part-time employees shall be able to use accumulated sick time for bereavement leave purposes.

Notwithstanding anything to the contrary, additional non-paid sick leave may be granted at the sole discretion of the County. Upon return to work from such leave, an employee shall be assigned to a like position to the one he held at the time he became sick. An employee requesting such leave shall submit a certificate signed by a physician indicating the need for such leave. In the event of any dispute under this provision, the employee shall submit himself to an examination by a Doctor designated by the Sheriff. The cost of this examination shall be borne equally by the Employer and employee.

10.5: Family and Medical Leave. The Union and the Employer reserve all their rights under the Federal Family and Medical Leave Act and may exercise same.

A R T I C L E X I BEREAVEMENT LEAVE

11.1: Death in the Immediate Family. In the event a death occurs in the immediate family of an employee, he shall be entitled to twenty-four (24) hours off with pay. Additional time off without pay may be authorized by the Sheriff. Immediate family is defined as:

Parent, wife or husband, children, sister, brother, mother-in-law,
father-in-law, brother-in-law, sister-in-law, daughter-in-law, son-
in-law, grandparents, and grandchildren.

11.2: An employee will be allowed eight (8) hours off with pay to attend the funeral of other close relatives at the discretion of the Sheriff, provided such funeral day is a normal work day scheduled for the employee.

ARTICLE XII
UNION BUSINESS LEAVE

12.1: State and National Conventions. Upon advance notice and with approval of the Sheriff, leaves of absence without pay for a period of not to exceed ten (10) days will be granted to no more than two (2) employees to attend State Union conferences. Seniority will accumulate during such leaves.

ARTICLE XIII
LAYOFF AND RECALL

13.1: Definition. Layoff shall be defined as a separation of employees from the active work force. Recall shall be defined as a return of work at a permanent position in the Department from such layoff.

13.2: Order of Layoff. (This Section not applicable to cooks and secretarial classifications).

All part-time, temporary or probationary employees shall be laid off prior to any layoff of permanent employees.

Layoff of employees shall be in inverse order of seniority within the Sheriffs Department providing, however, the employees remaining shall have the necessary qualifications and ability to perform the remaining work. In the event the person remaining does not possess the necessary certification or ability, then the least senior employee without the certification shall be the person laid off.

A party changing jobs as a result of a layoff shall assume the new job at the highest rate of pay set forth if such rate of pay is less than his former rate. In the event the change of jobs as a result of layoff would result in an increase in pay, the employee shall be paid at the lowest rate for the new job, providing said rate is not less than his former rate of pay.

All employees shall have twenty-one (21) days advance notice before a layoff.

Nothing in this section shall prohibit an employee with enough seniority to avoid layoff, to accept a voluntary layoff. If an employee takes such action, he or she must do so with the full knowledge that recall shall be in inverse order of layoff without regard to his or her seniority.

13.3: Recall. Employees on layoff status who retain seniority shall be recalled for any permanent position which becomes open or for any temporary position which will last thirty (30) days or more in which they had previously held permanent status and for which they are qualified. Such recalls shall be in inverse order of layoff with the last person being laid off recalled first. The Sheriff shall notify the employee of recall by Certified Mail to the employee's last known address and, if the employee does not report within ten (10) days of the date the letter is sent, or such longer time as shall be acceptable to the Sheriff, the employee shall be deemed to have refused recall and be considered as a voluntary quit. The Sheriff may fill the position on a temporary basis without regard to seniority pending completion of the recall procedure.

ARTICLE XIV

DISCIPLINARY ACTION

14.1: Written Notice. In the event the Sheriff takes disciplinary action against a non-probationary employee involving a written reprimand, a suspension or discharge, the Sheriff or County Attorney shall furnish the Employee and the Union with a written notice sufficient to inform the employee of the nature of the acts or conduct which have given rise to the disciplinary action. Such statement shall be furnished at the time the penalty is imposed.

14.2: Past Infractions. In imposing any discipline on a current charge, the Employer will not base its decision upon any prior infractions which occurred more than two (2) year previously, unless the previous infraction is directly related to the current charge.

The individual so appointed may come back into the bargaining unit if asked by the Sheriff, or if laid off, using his last seniority plus the time spent (with a maximum allowable time of 12 months) for bumping purposes. In the event that the total premium increases over fifteen percent (15%) in any one year, the Employer and the employee will split the amount over the employees' required 10% premium share amount up to a maximum amount of \$398 per year. APPENDIX B DRUG TESTING POLICY

PURPOSE

The purpose of this order is to provide all sworn Officers with notice of the provisions of the departmental drug testing program.

POLICY

It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable employee drug testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an Officer's physical and mental health and, thus, job performance.

Where law enforcement officers participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by sworn officers.

DEFINITIONS

- A. Sworn Officer -- Those Officers who have been formally vested with full law enforcement powers and authority.
- B. Supervisor -- Those sworn Officers assigned to a position having day-to-day responsibility for supervising subordinates, or who are responsible for commanding a work element.
- C. Drug Test -- The compulsory or voluntary production and submission of urine, in accordance with departmental procedures, by an Officer for chemical analysis to detect prohibited drug usage.
- D. Reasonable Suspicion -- That quantity of proof or evidence that is more than a hunch, but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an Officer. These facts or inferences would lead the reasonable person to suspect that the Officer is or has been using drugs while on or off duty.

- E. Probable Cause -- That amount of facts and circumstances within the knowledge of a supervisor or the administration which are sufficient to warrant a prudent person to believe it is more probable than not that an Officer is or has been using drugs while on or off duty.
- F. Probationary Officer -- For the purpose of this policy only, a probationary Officer shall be considered to be any person who is conditionally employed with the department as a recently hired law enforcement Officer.
- G. MRO - Medical Review Officer -- The medical review officer is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO will be a licensed physician with knowledge of substance abuse disorders. The MRO shall have appropriate medical training to interpret and evaluate an Officer's test results in conjunction with his or her medical history and any other relevant biomedical information.
- H. Last Chance Agreement -- A standard letter of conditions for continued employment that is offered by the Chief, or the right to same is invoked by an Officer under certain conditions outlined in this order, after it has been determined that the Officer has violated this order.

PROCEDURES/RULES

A. General Rules

The following rules shall apply to all Officers, while on and off duty:

1. No Officer shall illegally possess any controlled substance.
2. No Officer shall ingest any controlled or prescribed substance, except under the direction of a licensed medical practitioner.
 - a. Officers shall notify their immediate supervisor when required to use prescription medicine that may influence their job performance. The Officer shall submit one of the following:
 1. note from the prescribing doctor
 2. copy of the prescription
 3. show of the bottle label to his immediate supervisor
 - b. Supervisors shall document this information and retain the memorandum for at least thirty (30) days.
3. No Officer shall ingest any prescribed or over-the-counter medication in amounts beyond the recommended dosage.
4. Any Officer who unintentionally ingests, or is made to ingest, a controlled substance shall immediately report the incident to his supervisor so that appropriate medical steps may

be taken to ensure the Officer's health and safety.

5. Any Officer having a reasonable basis to believe that another Officer is illegally using, or is in possession of, any controlled substance shall immediately report the facts and circumstances to his supervisor.
6. Discipline of sworn Officers for any violation of this drug testing policy shall be in accordance with the due process rights provided in the department's rules and regulations, policies and procedures, and the collective bargaining agreement. (The officer may be immediately relieved of duty pending a departmental investigation at the discretion of the Chief or his designee, when one of the following occurs:
 - a. refusal to participate
 - b. probable cause
 - c. the Medical Review Officer determines that an Officer's drug test was positive.)

B. Applicant Drug Testing

1. Applicants for the position with the department shall be required to take a drug test as a condition of employment during a pre-employment medical examination.
2. Applicants shall be disqualified from further consideration for employment under the following circumstances:
 - a. Refusal to submit to a required drug test, or
 - b. A confirmed positive drug test indicating drug use prohibited by this order.

C. Probationary Officer Drug Testing

All probationary recruit Officers shall be required as a condition of employment, to participate in any unannounced drug tests scheduled for the probationary period. The frequency and timing of such tests shall be determined by the Chief or his designee. Probationary recruit Officer may be tested prior to completion of the probationary period. A probationary recruit Officer shall not be eligible for coverage under the last chance rehabilitation provision set forth in this order, except at the discretion of the Sheriff.

D. Officer Drug Testing

Sworn Officers will be required to take drug tests as a condition of continued employment in order to ascertain prohibited drug use, as provided below:

1. The Sheriff or his designee may order an Officer to take a drug test upon documented probable cause that the officer is or has been using drugs. A summary of the facts supporting the order shall be made available to the Officer prior to the actual test.
2. Upon reasonable suspicion the Department may request, through the authorized

Business Representative of the Officer's labor association, that an Officer submit to a voluntary drug test. Submission to a voluntary drug test hereunder shall be subject to the frequency limitation found in Article IV, section D, subsection 4 herein. Any Officer voluntarily submitting to a drug test who tests positive as a consequence of said test, shall be eligible to invoke the last chance rehabilitation provision set forth in this order. Any Officer who refuses to submit to a request for a voluntary drug test shall not be disciplined as a consequence of such refusal, but shall not be eligible for coverage under the last chance rehabilitation provision set forth in this policy for a period of three (3) years.

3. A drug test will be administered as part of any promotional physical examination required by this department.
4. All sworn Officers shall be uniformly tested during any unannounced, random testing required by the department. Random testing for all sworn Officers will not exceed twice in a 365 day period, except for those Officers assigned to the narcotics unit.
 - a. The Sheriff or his designee shall determine the frequency and timing of such tests.
 - b. The Business Representative of the labor association, or his designee, will receive a list of the Officers that have been required to take a drug test after all Officers in that particular group have submitted, or have refused to submit, a urine sample to the laboratory testing personnel.
5. A drug screening test shall be considered as a condition of acceptance to the Narcotic Unit. Furthermore, the members of the Narcotic Unit will be tested randomly at least once every six months and also when an Officer leaves the unit. The Officers of the narcotic unit shall be eligible to invoke the last chance rehabilitation provision set forth in this order.

E. Penalty

Violation of any provision of this drug testing order shall be grounds for disciplinary action. Discipline shall be administered as set forth in the rules and regulations, and may include discharge from the department. Any discipline remains subject to review in accordance with the collective bargaining agreement.

F. Drug Testing Procedures

1. The testing procedures and safeguards provided in this order shall be adhered to by any laboratory personnel administering departmental drug tests.
2. Laboratory personnel authorized to administer departmental drug test shall require positive identification from each Officer to be tested before the Officer enters the testing area.
3. In order to prevent a false positive test result, a pre-test interview shall be conducted by testing personnel to ascertain and document the Officer's recent use of any prescription or non-prescription drugs, or any indirect exposure to drugs. Divulgence by the Officer of medical information during the pre-test interview is voluntary, however, if the test results are positive, it will be mandatory that the officer divulge the necessary medical information to the Medical Review Officer so that the MRO may determine whether the test result is a false positive.
4. The testing area shall be private and secure. Authorized testing personnel shall

search the testing area before an Officer enters same in order to document that the area is free of any foreign substances.

5. Where the Officer appears unable or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug-test report form. The Officer shall be permitted no more than eight hours to give a sample. During that time the Officer shall remain in the testing area, under observation. Reasonable amounts of water may be given to the employee to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test except for good cause as determined by the M.R.O.
6. The urine sample will be split and stored in case of legal disputes. The samples must be provided at the same time, and marked and placed in identical specimen containers by authorized testing personnel. One sample shall be submitted for immediate drug testing. The other sample shall remain at the facility in frozen storage. This sample shall be made available to the employee or his labor association representative prior to disciplinary action, should the original sample result in a legal dispute. The officer must request same within 72 hours of being notified of a positive and confirmatory test by the Medical Review Officer. All groups of negative samples may be destroyed after seven (7) days.
7. All specimen samples shall be sealed, labeled, initialed by the Officer and laboratory technician, and checked against the identity of the Officer. Samples shall be stored in a secured and refrigerated atmosphere until testing or delivery to the testing lab representative.
8. Whenever there is a reason to believe that the Officer may have altered or substituted the specimen to be provided, a second specimen shall be obtained within a reasonable period of time. The laboratory personnel will take the appropriate necessary steps to assure the integrity of the second specimen.

G. Drug Testing Methodology.

1. The testing or processing phase shall consist of:
 - a. initial screening test
 - b. confirmation test -- if the initial screening test is positive
2. The urine sample is first tested using the initial drug screening procedure. An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending." Notification of test results to the supervisor or other departmental designee shall be held until the confirmation test results are obtained and verified by the M.R.O.
3. A specimen testing positive will undergo an additional confirmatory test. The confirmation procedure shall be technologically different and more sensitive than the initial screening test.
4. The drug screening tests selected shall be capable of identifying marijuana, cocaine and every major drug of abuse including heroin, amphetamines and barbiturates. Personnel utilized for testing will be qualified to collect urine samples, or adequately trained in collection procedures.

5. Concentrations of a drug at or about the following levels shall be considered a positive test result when using the initial immunoassay drug screening test:

Initial Test Level	(ng/ml)
Marijuana metabolite	100
Cocaine metabolite	300
Opiate metabolite	300*
Phencyclidine	25
Amphetamines	1000
Barbiturates	300

*25ng/ml if immunoassay-specific for free morphine

Concentrations of a drug at or above the following levels shall be considered a positive test result when performing a confirmatory CG/MS test on a urine specimen that tested positive using a technologically different test than the initial screening method:

Confirmatory Test Level	(ng/ml)
Marijuana metabolite	15*
Cocaine metabolite	150** Opiates:
Morphine	300+
Codeine	300+
Phencyclidine	25
Amphetamines	
Amphetamine	500
Methamphetamine	500
* Delta-9-tetrahydrocannabinol-9-carboxylic acid	
** Benzoylcegonine	
+ 25ng/ml if immunoassay-specific for free morphine	
Barbiturates	300

6. The initial and confirmatory test cutoff levels of this order are the same as that of the United States government which were published in the Federal Register, volume 54, number 230, dated December 1, 1989.
7. The laboratory selected to conduct the analysis shall be experienced and capable of assuring quality control, documentation, chain-of-custody, technical expertise and demonstrated proficiency in urinalysis.
8. Officers having negative drug test results shall receive a memorandum stating that no illegal drugs were found. A copy of the letter will be placed in the Officer's personnel file upon the Officer's request.
9. Any Officer who interferes with the testing process or breaches the confidentiality of test results shall be subject to discipline.

H. Chain of Evidence - Storage

1. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of custody.
2. Where a positive result is confirmed, urine specimens shall be maintained in a secured, refrigerated storage area. If a dispute arises the specimens will be stored until all legal disputes are settled.

I. Drug Test Results

4. All records pertaining to departmental-required drug tests shall remain confidential, and shall not be provided to other employers or agencies without the written permission of the person whose records are sought. However, medical, administrative, and immediate supervisory personnel may have access to relevant portions of the records as necessary to insure the acceptable performance of the Officer's job duties.

J. Substance Abuse Rehabilitation Program

Officers may participate in a substance abuse rehabilitation program, however, participation shall not prohibit drug testing under this policy.

K. Procedures for Implementation of the Last Chance Agreement

2. At the discretion of the Sheriff, the last chance agreement may also be offered to any officer whose drug test has been confirmed positive by the Medical Review Officer.
