19.2: The Defined Benefit Pension and the Retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

19.3: The St. Clair County Retirement System provides eligible employees (hired before ratification of this agreement) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory among eligible employees as defined and set forth in 19.1. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. The County shall determine the level of funding necessary to assure and maintain the financial stability of the system.

19.4: The St. Clair County Retirement System provides eligible employees with the opportunity to participate in the retiree health care plan by contributing to a Health Care Trust Account. Employee participation in the Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage for retired member and spouse and/or beneficiary is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

- A. A full time employee who made the election to participate in the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- B. A full time employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.
- C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.

[ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.

[iii] The employee with contributions in the Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[iv] The employee, upon making an application for retirement, must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase of health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[v] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

19.5: Contributions to the Retiree Health Care Trust Account shall be calculated on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. The employee shall contribute to the Retiree Health Care Trust Account as follows:

A. The employee shall contribute five percent (5%) of his or her eligible bi-weekly wage as defined in this article for the duration of this Agreement. The employee's contribution shall be attributed to pension.

B. The County shall contribute thirteen percent (13%) of the employee's eligible bi-weekly wage for the duration of this Agreement. The County's contribution shall be attributed to both pension and health care.

Employees wishing to adjust their employee contribution election amount, may do so in accordance with the terms of the 457 Plan and applicable County policy.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan at the same time. 19.15: Full time employees hired on or after the ratification of this agreement shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The employee may contribute up to a maximum of 8% of total wages through payroll deduction each pay period. Wages is defined as W-2 compensation less fringe benefits,

3 years of service	60%
4 years of service	80%
5 years of service	100%

For example: if an employee participating in the Defined Contribution Plan terminates employment with two (2) years of service, the employee would receive 40% of the County match. The remaining 60% would be forfeited and used to reduce future County match obligations to other participants.

Retirement age: Age 65 or the age at which Participants have the right to retire and receive, under the basic defined benefit pension plan of the employer, immediate retirement benefits without actuarial or similar reduction because of retirement before some later specified age.
