EQUIPMENT

59.1: The Employer will continue to provide air-conditioning in department cars, as in the past, so long as air conditioning is available in the make and model of cars that the County may purchase.

59.2: Each member of this bargaining unit shall receive a supplemental check of two hundred (\$200.00) dollars with their first paycheck in July. This supplement will be paid by separate check and will be used at the member's discretion for purchase of special equipment.

59.3 Employees who must utilize a personal cell phone for business purposes will be provided a \$20.00 per month allowance

for said usage. The allowance is to cover reasonable and necessary phone expenses when used for department business. All such usage for said purposes must be approved by the Sheriff or his designee. Employees shall be provided with a cell phone allowance of \$20.00 a month for the purpose of making and receiving business related calls. Those who currently are provided with a department issued phone have the option of continuing to use the department issued phone in lieu of the \$20.00 allowance. This allowance will be in lieu of being provided with department issued cell phones; as it would be more difficult to carry two (2) cell phones opposed to having one. Through a department audit verified by the Sheriff, it is determined that \$20.00 a month should cover the use of their personal cell phones for department related business. Should the number of duty related calls exceed the twenty (\$20.00) allowance, a review shall be done re-evaluating whether this allowance is adequate to cover the calls relating to department business.
