RE: Tentative Agreement – ***Michigan Nurses Association – Unit I***

DATE: May 7, 2008

Recommended Action:

The Negotiating Team recommends approval of the Resolution approving the Union ratified agreement with Michigan Nurses Association – Unit I.

Background:

Beginning in February, 2007, Administration and Human Resources / Labor Relations brought to the Board of Commissioners an overview of the collective bargaining process, including the status and process for negotiations with those labor union contracts which were set to expire 12/31/2007. On April 4, 2007, May 25, 2007, June 13, 2007, and on September 20, 2007, the Washtenaw County Board of Commissioners provided their approval of a recommended strategy for negotiations. Small group discussions subsequently held with the Board of Commissioners to further discuss and analyze economic parameters.

The vision for the process has been “To create a product and process that both the union and management are satisfied with.” The guiding principles that were followed include:

- Partnership

- Purpose
- Right to say “No” ... ensure that everyone is heard
- Honesty (full disclosure)
- Accountability
- Engagement – Communication
- Fit with the 10-year Financial Projections
- Even Application of Policy
- Employee Morale (openness & communication)
- Professional Approach (respect & trust)
- Measures of Success / Checkpoints
- Communication (engagement & employee morale)

Further, the County and the Unions engaged in Interest-Based Bargaining (IBB), which is a process that provides the following structure for communication and understanding:

- Identify Issues (problem to be solved)
- Focus on Interests, not Positions (needs and concerns underlying the issues)
- Identify Options (alternatives)
- Look at Standards (Time, \$\$\$, Legality)

It is clear that the IBB process assisted both parties in building trust, through full-disclosure, and enhancing communication to reach the settlements in the professional manner and timeframe that had been determined.

The collective bargaining agreement with the **Michigan Nurses Association – Unit I**, expired December 31, 2007. The bargaining unit consists of **Program Coordinators, Nurse Coordinators** and **Public Health Nurses** within the Public Health Department.
